

The Commission is providing a copy of this pleading (Accusation, or Statement of Reasons, Statement of Particulars, or Statement of Issues) so the public is as informed as possible of pending administrative proceedings regarding the allegations contained in the pleading. An Accusation, Statement of Issues, Statement of Reasons, or Statement of Particulars is simply an allegation of facts that, if true, may rise to the level of disciplinary action against or denial of a license, registration, work permit, or finding of suitability. The facts contained in the pleadings should not be taken as established or proven. The licensee/applicant will have an opportunity to dispute the allegations in a formal administrative proceeding.

The seal of the California State Board of Accountancy is visible in the background. It is a circular emblem with a blue outer ring containing the text "CALIFORNIA STATE BOARD OF ACCOUNTANCY" at the top and "CONTROL COMMISSION" at the bottom. The center of the seal features a yellow map of California superimposed on a green background.

ACCUSATION

23
24 Complainant alleges as follows:

25 **PARTIES**

26 1. Nathan DaValle (Complainant) brings this accusation solely in his official capacity
27 as acting Director of the Department of Justice, Bureau of Gambling Control (Bureau).
28

2. Respondent The Bicycle Casino, L.P. (Limited Partnership), license number GEOW-002429, is a limited partnership, doing business as The Bicycle Hotel & Casino (Casino). Respondents Leo Chu, license number GEOW-003389, and Thousand Palms Enterprises, Inc., license number GEOW-003574, (collectively, General Partners) are the Limited Partnership's general partners. Collectively, the Limited Partnership and the General Partners are referred to as "Respondents" in this accusation. Each Respondent is endorsed on the Casino's license pursuant to Business and Professions Code section 19851, subdivision (b).¹

SUMMARY OF THE CASE

3. California's public policy, as expressly provided in the Gambling Control Act (Act) (Bus. & Prof. Code, § 19800 et seq.), is to require all card rooms be operated in a manner suitable to protect the public health, safety, and general welfare of the state's residents. (Bus. & Prof. Code, § 19920.) Accordingly, the Act is to be liberally construed to effectuate those purposes. (Bus. & Prof. Code, § 19971.) This proceeding arises out of Respondents' longstanding, admitted willful blindness to their obligations to protect the public health, safety, and general welfare of California residents. Respondents persistently used, or tolerated, unsuitable methods of operation by failing to timely and fully comply with incident reporting requirements, failing to implement an adequate anti-money laundering program, and providing false cash transaction reports under the Bank Secrecy Act (BSA).² This enhanced the danger of unsuitable, unfair, or illegal practices in connection with controlled gambling. Respondents' acts and omissions make their licenses subject to discipline, including, among other things, the maximum monetary penalties or fines allowed by statute or regulation and, if the California Gambling Control Commission (Commission) deems appropriate, revocation.

¹ The statutes and regulations applicable to this accusation are quoted in pertinent part in Appendix A.

² The BSA is codified at title 12 United States Code sections 1829b and 1951 through 1959 and at title 31 United States Code sections 5311 through 5314 and 5316 through 5332. Regulations implementing the BSA appear at title 31 Code of Federal Regulations chapter X.

JURISDICTION AND COST RECOVERY

4. The Commission has jurisdiction over the operation and concentration of gambling establishments and all persons and things having to do with the operation of gambling establishments. (Bus. & Prof. Code, § 19811, subd. (b).) The Act tasks the Bureau with, among other responsibilities, investigating suspected violations of the Act and initiating disciplinary actions. (Bus. & Prof. Code, §§ 19826, subds. (c) & (e) & 19930, subd. (b).) Upon the Bureau filing an accusation, the Commission proceeds under Government Code section 11500 et seq. (Bus. & Prof. Code, § 19930, subd. (b); see Cal. Code Regs., tit. 4, § 12554, subd. (a).) The Commission's disciplinary powers include, among other things, revocation and imposition of a fine or monetary penalty. (Cal. Code Regs., tit. 4, § 12554, subd. (d).)

5. In a matter involving revocation or denial of a license by an administrative law judge, the Bureau may recover its costs of investigation and prosecuting the proceeding. (Bus. & Prof. Code, § 19930, subd. (d).)

STANDARD OF PROOF

6. In a proceeding under the Act, the standard of proof is the preponderance of the evidence, which "is such evidence as when considered and compared with that opposed to it, has more convincing force, and produces a belief in the mind of the fact-finder that what is sought to be proved is more likely true than not true." (Cal. Code Regs., tit. 4, § 12554, subd. (c).)

THE CASINO'S HISTORY

7. The Casino currently is a 125-table card room located in Bell Gardens, California. Before the COVID pandemic, the Commission licensed the Casino for 185 tables. The Casino is the second largest card room in the state in number of tables and is either the second or third largest in gross gambling revenues. The Casino is Bell Gardens' largest single source of revenue, representing over 40 percent of the city's General Fund operating revenue.

8. The Casino first opened in November 1984. In 1987, the United States alleged in a criminal action that the Casino was funded with monies derived from violations of the Racketeer Influenced and Corrupt Organizations Act and was used to launder money. On April 1990, the United States seized the Casino and took over its operation.

- 1 f. Person A conducted large cash transactions during his visits to the Casino,
2 including transporting cash into and out of the Casino using duffle bags. On
3 occasion, he exchanged more than \$1 million in cash for chips.
- 4 g. When conducting cash transactions, Person B cashed in or cashed out on Person
5 A's behalf. Even though Casino employees knew or should have known these
6 transactions were conducted on Person A's behalf, all CTRs filed by the Casino
7 for Person A's transactions from January 7, 2016, through July 27, 2016, were in
8 Person B's name without reference to Person A. These transactions totaled over
9 \$100 million. During that same time, the Casino filed no SARs for Person A.
- 10 h. On January 22, 2016, the United States publicly announced the Normandie Casino
11 agreed to plead guilty to criminal violations of the BSA. The Casino took action
12 to alert its employees and undertook to reevaluate its policies and procedures to
13 avoid submitting CTRs for persons other than the gamblers responsible for the
14 transactions. In March 2016, the Casino updated its anti-money laundering
15 training to discuss proper reporting of transactions involving more than one
16 person.
- 17 i. On July 15, 2016, the Financial Crimes Enforcement Network (FinCEN)
18 announced a settlement with Hawaiian Gardens Casino. On July 26, 2016, the
19 Casino's management discussed the Hawaiian Gardens settlement. The Limited
20 Partnership represented to the United States Attorney's Office for the Central
21 District that before then, senior management had not been aware that Person B was
22 conducting cash transactions on Person A's behalf.
- 23 j. After learning of settlements with other Los Angeles area card rooms, the Limited
24 Partnership determined to take actions to prevent similar enforcement actions.
- 25 12. In making the admissions, the Limited Partnership established that it and the
26 General Partners used, or tolerated, unsuitable methods of operation by failing to implement an
27 adequate anti-money laundering program, providing false CTRs, and failing to file SARs. The
28 Limited Partnership admitted that it and the General Partners did not start to take any appropriate

1 action with respect to anti-money laundering and BSA compliance until the Normandie Casino
2 guilty plea in January 2016.

3 **RESPONDENTS' DISREGARD OF PRIOR PROCEEDINGS**

4 13. In not taking action on anti-money laundering and BSA compliance between
5 January 22, 2016, and July 26, 2016, Respondents allowed the Casino to file more than 140 false
6 CTRs. Moreover, the Normandie Casino guilty plea was not the first BSA or anti-money
7 laundering proceeding involving a California card room. Rather, Respondents overlooked or
8 neglected to consider or were willfully blind to the following events that potentially impacted the
9 Casino's operations and compliance with the BSA and anti-money laundering program
10 requirements:

- 11 a. In March 2011, the Bureau filed an accusation against The Oaks Card Club, a 40-
12 table card room located in Emeryville. An emergency order shutting down the
13 card room accompanied the accusation. As one ground for seeking discipline, the
14 Bureau alleged that the card room failed to comply with the BSA by, among other
15 things, failing to take information from a person associated with a gambler. In
16 May 2011, the Bureau reached a settlement that the Commission approved in
17 which the card room immediately paid \$575,000 in fines and costs. The settlement
18 expressly required special training regarding the BSA.
- 19 b. In March 2011, the Bureau filed an accusation against Artichoke Joe's Casino, a
20 51-table card room located in San Bruno. An emergency order shutting down the
21 card room accompanied the accusation. As one ground for seeking discipline, the
22 Bureau alleged that the card room failed to comply with the BSA by failing to
23 obtain information necessary for a CTR. In May 2011, the Bureau reached a
24 settlement that the Commission approved in which the card room immediately
25 paid \$575,000 in fines and costs. The settlement expressly required special
26 training regarding the BSA.
- 27 c. In October 2013, the Bureau filed an accusation against Normandie Casino, a 60-
28 table card room located in Gardena. The alleged grounds for discipline and license

1 revocation included, among others, transaction structuring in violation of the BSA
2 and failure to file CTRs with respect to a patron, who won in excess of \$2.5
3 million.

4 d. At its November 21, 2013 meeting, the Commission imposed conditions on
5 Normandie Casino's state gambling license requiring a compliance committee
6 that, among other tasks, was to review CTRs and SARs.

7 e. In December 2015, FinCEN announced a settlement with The Oaks Card Club for
8 a \$650,000 fine based on BSA reporting violations through May 2011.

9 f. In December 2015, the United States charged the Palomar Card Club, an 11-table
10 card room in San Diego, with a money laundering conspiracy and the failure to
11 maintain a reasonably designed anti-money laundering program. In connection
12 with its indictment, the United States seized the card room's player-bank accounts.
13 The Bureau issued an emergency order shutting down the card room.

14 g. In December 2015, the United States charged the Seven Mile Casino, a 20-table
15 card room in Chula Vista, and its principal owner with the failure to maintain and
16 implement an adequate anti-money laundering program. The Bureau issued an
17 emergency order shutting down the card room.

18 14. In sum, between March 2011 and January 2016, Respondents apparently did not
19 adjust or react, or elected to turn a blind eye, to events involving California's card rooms relating
20 to BSA compliance and anti-money laundering programs. Those events included emergency
21 orders shutting down card rooms, federal indictments, and a FinCEN assessment.

22 **TOLERATION AND USE OF UNSUITABLE METHODS OF OPERATION**

23 15. Respondents did not implement an effective anti-money laundering program. In
24 the non-prosecution agreement, the Limited Partnership admits that the BSA required CTRs to
25 record accurately the identity of the person or entity on whose behalf the currency transaction was
26 conducted. An effective anti-money laundering program includes, among other things, the use of
27 all available information to identify suspicious transactions. The Casino's program did not result
28 in communications between floor managers, dealers, surveillance personnel, and cage employees,

1 on the one hand, and senior management or BSA compliance personnel, on the other, with respect
2 to the identity of Person A—i.e., the person on whose behalf currency transactions were
3 conducted. Rather, Respondents built and tolerated a work culture in which employees and
4 supervisors failed to notify senior management or BSA compliance personnel of BSA violations
5 and suspicious transactions.

6 **THE CASINO'S DEFICIENT INCIDENT REPORTING**

7 16. The Act requires full and true disclosure. (Bus. & Prof. Code, § 19866.)
8 Regulations adopted by both the Commission and the Bureau require that owner licensees and
9 key employees submit written reports to the Bureau within specified times. (Cal. Code Regs., tit.
10 4, § 12395, subd. (a)(3); Cal. Code Regs., tit. 11, § 2052, subd. (c).) The Casino's incident
11 reporting was deficient and not compliant with the Commission's or the Bureau's regulations in
12 the following ways, among others:

- 13 a. None of the Casino's owner licensees or key employees reported to the Bureau
14 that the Casino failed to report currency transactions in accordance with the Penal
15 Code or failed to fulfill its duty to record patron information with respect to Person
16 A or others.
- 17 b. Incident reports were not timely submitted, and the Casino did not gather all
18 information required for the reports. In one instance, the Casino did not fully
19 investigate or gather information with respect to a complaint alleging money
20 laundering.

21 **CAUSE FOR DISCIPLINE**

22 **(Failure To Protect Public Health, Safety, and Welfare)**

23 17. Respondents' licenses are subject to discipline, including revocation, because they
24 failed to protect the public health, safety, and welfare. Their acts and omissions pose a threat to
25 the public interest of this state and to the effective regulation and control of controlled gambling.
26 Their acts and omissions create or enhance the dangers of unsuitable, unfair, or illegal practices,
27 methods, and activities in the conduct of controlled gambling or in the carrying on of the business
28 and financial arrangements incidental thereto.

1 18. As alleged in paragraphs 10 through 16 above and incorporated herein by
2 reference, Respondents failed to employ and maintain suitable methods of operations.
3 Respondents persistently used or tolerated unsuitable, unlawful methods for the Casino's
4 operations.
5 (Bus. & Prof. Code, §§ 19801, 19823, 19824, subd. (d), 19857, subds. (a) & (b), 19866, 19920,
6 19922, 19924; Cal. Code Regs., tit. 4, §§ 12315, subd. (a), 12386, subd. (a)(2)(G), 12395, subd.
7 (a)(3) & (4); Cal. Code Regs., tit. 11, § 2052, subd. (c).)

8 **PRAYER**

9 WHEREFORE, Complainant requests that a hearing be held on the matter herein alleged,
10 and that following the hearing, the Commission issue a decision:

- 11 1. Disciplining California State Gambling License Number GEOW-002429, issued to
12 respondent The Bicycle Casino, L.P.;
- 13 2. Disciplining California State Gambling License Number GEOW-003389, issued to
14 respondent Leo Chu;
- 15 3. Disciplining California State Gambling License Number GEOW-003574, issued to
16 respondent Thousand Palms Enterprises, Inc.;
- 17 4. Imposing fines or monetary penalties against Respondents, jointly and severally,
18 according to proof and to the maximum extent allowed by law;
- 19 5. Awarding Complainant the costs of investigation and the costs of bringing this
20 accusation before the Commission, pursuant to Business and Professions Code section 19930,
21 subdivisions (d) and (f), in a sum according to proof; and
- 22 6. Taking such other and further action as the Commission may deem appropriate.

28

1 (4) An incident report shall include, when available and applicable, the
2 following information:
