On or about January 10, 2018, the Bureau submitted its Cardroom Key Employee
 Investigative Report on Respondent to the Commission, recommending denial of Respondent's
 Respondent.

6 4. On April 12, 2018, the Commission considered the Application and referred this matter
7 to an evidentiary hearing pursuant to California Code of Regulations, title 4, section 12054,
8 subdivision (a)(2).

9 5. On April 12, 2018, Respondent submitted his Notice of Defense to the Commission
10 and Bureau, requesting an evidentiary hearing.

# **JURISDICTION**

6. The Commission has jurisdiction over the operation and concentration of gambling 12 establishments and all persons and things having to do with the operation of gambling 13 establishments. (Bus. & Prof. Code, § 19811, subd. (b).)<sup>1</sup> The Commission's responsibilities 14 include assuring that licenses are not issued to unqualified or disqualified persons and that no 15 unqualified or disqualified person is materially involved with a licensed gambling operation. 16 (Bus. & Prof. Code, § 19823, subd. (a).) The Commission has all powers necessary and proper to 17 carry out the Gambling Control Act's (Act) policies and purposes, including the powers to deny 18 any application for a license and to take actions to ensure that no ineligible, unqualified, 19 disqualified, or unsuitable persons are associated with controlled gambling activities. (Bus. & 20 Prof. Code, § 19824, subds. (b) & (d).) 21

## **BURDEN OF PROOF**

7. The burden of proving his qualifications for licensure is on Respondent. (Bus. & Prof. Code, § 19856, subd. (a).)

27 <sup>1</sup> The statutes and regulations applicable to this Statement of Reasons are quoted in pertinent part in Appendix A.
 28

# FIRST CAUSE FOR DENIAL OF APPLICATION

# (Unqualified for Licensure)

8. Respondent's Application is subject to denial because he is unqualified for licensure for the following reasons, among others:

a. Respondent previously admitted to violating the Act. In 2010, he applied for licenses related to certain interests in Delta Casino in Stockton. The Bureau recommended denial of his applications due to Respondent's failing to explain the source of funds he used to purchase his interest in the cardroom, failure to appropriately report cardroom finances, comingling personal funds with cardroom funds, and failing to establish eligibility. (*In the Matter of the Statement of Issues Against: Nader H. Tafty*, Statement of Issues (Jan. 11, 2012) BGC Case No. BGC-HQ2011-00002,

<http://www.cgcc.ca.gov/documents/adminactions/pleading/GEOW-003241\_pleading.pdf> (Statement of Issues), pp. 5-7.)<sup>2</sup> On August 1, 2012, Respondent entered into a stipulated settlement with the Bureau in which he admitted to all of the Bureau's allegations. (*In the Matter of the Statement of Issues Against: Nader H. Tafty*, Stipulated Settlement; Decision and Order (Dec. 13, 2012) BGC Case No. BGC-HQ2011-00002, OAH Case No. 2012030444 < http://www.cgcc.ca.gov/documents/adminactions/ decision/GEOW-003241\_decision.pdf > (Decision and Order), p. 4, ¶ 11.)<sup>3</sup> The Commission adopted, and incorporated, the stipulated settlement into its Decision and Order denying Respondent's application on December 13, 2013.

b. Respondent violated the Commission's Decision and Order. In addition to admitting the Bureau's allegations, "Respondent agree[d] that he shall remain disqualified and ineligible to apply for any type of gambling related license, permit or registration, including licensure as a key employee, until the entire \$7,500.00 in cost recovery has been paid to the Bureau." (Decision and Order, p. 5, ¶ 17.) Respondent violated this provision of

the Decision and Order when in March 2014—approximately four months after the Decision and Order—he applied for, and received, a gambling enterprise work permit from the Inglewood Police Department, allowing him to work as an operations specialist at the Hollywood Park Casino. At that time, he had not paid the cost recovery. Rather, the Bureau did not receive Respondent's \$7,500 payment until almost two years later in January 2016, when he submitted the Application.

(Bus. & Prof. Code, §§ 19854, subd. (b), 19857, subds. (a), (b); Cal. Code Regs., tit. 4, § 12355, subd. (a)(1).)

## SECOND CAUSE FOR DENIAL OF APPLICATION

#### (Disqualified from Licensure)

9. Respondent's Application is subject to denial because he is disqualified from licensure.
 He failed to provide information required by the Decision and Order, and information that is
 material to qualification. (Decision and Order, p. 5, ¶ 16 [Respondent required to "show with
 verifiable evidence... mitigation or rehabilitation, as well as suitability for licensure."].) When
 Respondent submitted his key employee application to the Bureau, he did not include evidence to
 prove his suitability or rehabilitation gained since his prior license denial.

(Bus. & Prof. Code, §§ 19854, subd. (b), 19859, subds. (a), (b); Cal. Code Regs., tit. 4, § 12355, subd. (a)(1).)

### PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters alleged herein, and that following the hearing, the Commission issue a decision:

1. Denying Respondent's Application; and

2. Taking such other and further action as the Commission may deem appropriate.

Respondent has also carefully reviewed, and has discussed with his legal counsel, this Stipulated Settlement. Respondent fully understands the terms and conditions contained within this Stipulated Settlement and the effects thereof.

limited to B&P Code sections 19856, 19857, 19858 and 19859.

5. The applicant has pending applications for regular state gambling licenses. A regular license may or may not be issued, depending upon the results of the complete background investigation and upon conduct of the applicant and its employees during the term of the <u>temporary</u> license.

(Letter from Robin Saenz, Analyst, Licensing Division, Commission, to Delta C, LP, c/o Tigran Marcarian, cc: Nader Tafty (Sept. 22, 2010), underline in the original.)

<sup>5</sup> Prior to the November 23, 2010 Commission meeting, in apparent anticipation of the Commission's denial of Respondent's application for licensure, Respondent's then attorney submitted a written request for an evidentiary hearing.

<sup>6</sup> Although Respondent failed to file a timely notice of defense; nevertheless, the Bureau exercised its discretion to allow the case to go forward and to not default Respondent. (Gov. Code, § 11520, subd. (b).)

9. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on all the allegations in the Statement of Issues; the right to be represented by counsel of his choice at his own expense; the right to confront and cross-exam the witnesses against him; the right to present evidence and testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to apply for reconsideration and court review of an adverse decision; and all other rights afforded by the California Administrative Procedure Act (Gov. Code, §§ 11370, et seq.), the California Gambling Control Act (Bus. & Prof. Code, §§ 19800, et seq.), and all other applicable laws.

10. Respondent voluntarily, knowingly and intelligently, waives and gives up each and every right set forth in paragraph 9 above; withdraws his request for a hearing on the Statement of Issues; and agrees to be bound by this Stipulated Settlement.

# STIPULATED AGREEMENT OF SETTLEMENT

11. Respondent admits that all the factual and legal allegations in the Statement of Issues are true, accurate and complete; and that such allegations provide a sufficient legal and factual basis to deny his application for State Gambling Licenses. A copy of the Statement of Issues is attached as Attachment A and incorporated herein by reference.

17 12. Respondent agrees to the revocation of his Temporary State Gambling Licenses,
18 license numbers GEOW-003241 and GEOW-003242.

13. Respondent agrees that he shall never be qualified or eligible to apply for any type of gambling license other than a key employee license. His qualification and eligibility to be able to apply for a key employee license shall be subject to the terms and conditions in paragraphs 14, 15, 16 and 17 below.

14. The parties agree that after one year from the date the Commission adopts this Stipulated Settlement as its Decision and Order, Respondent shall no longer be disqualified or ineligible to apply for a key employee license based solely upon the fact that his application for State Gambling Licenses was denied and that his Temporary State Gambling Licenses were revoked.

# Stipulated Settlement; Decision and Order

15. Respondent agrees that if after the one year period of disqualification and ineligibility has elapsed he should then apply for a key employee license, the Commission and Bureau may consider the factual and legal admissions regarding the Statement of Issues in paragraph 11 above in determining whether or not to then grant him a key employee license.

16. The parties agree that if after the one year period of disqualification and ineligibility has elapsed Respondent should then apply for a key employee license, he may then present any and all the pertinent arguments, evidence and information as to why he is then eligible and suitable for licensure as a key employee he desires, with the exception that he may not challenge, dispute or refute in any way the legal and factual allegations contained in the Statement of Issues. Respondent understands and agrees that there is no promise or guarantee that should he apply for a key employee license at some unspecified time in the future that such an application will be granted by the Commission. Respondent understands and acknowledges that whether or not he will then be considered suitable or qualified for licensure will depend in a large degree on the circumstances at that time and what he can show with verifiable evidence has occurred subsequent to the filing of the Statement of Issues that demonstrates evidence of mitigation or rehabilitation, as well as suitability for licensure.

17. Respondent agrees to pay the Bureau the sum of \$7,500.00 as the reasonable costs of investigation and prosecution of this matter as provided for in Business and Professions Code section 19930. The Bureau agrees to a stay of Respondent's payment of that \$7,500.00 unless or until Respondent applies for any type of gambling related license, permit or registration, at which time the \$7,500.00 shall be immediately due and payable in full. Notwithstanding any other provision in this Stipulated Settlement or in law, Respondent agrees that he shall remain disqualified and ineligible to apply for any type of gambling related license, permit or registration, at he shall remain disqualified and ineligible to apply for any type of gambling related license, permit or has been paid to the Bureau.

18. This Stipulated Settlement shall be subject to adoption by the Commission.
 Respondent understands and specifically agrees that counsel for the Complainant and the staff
 of the Bureau may communicate directly with the Commission regarding this Stipulated

Settlement, without notice to, or participation by, Respondent or his counsel, and that no such communication shall be deemed a prohibited ex parte communication.

19. If the Commission fails to adopt this Stipulated Settlement as its decision, this Stipulated Settlement shall be of no force or effect, and, except for actions taken pursuant to this paragraph and paragraph 18 above, it shall be inadmissible in any legal action between the parties. The consideration of this Stipulated Settlement by the Commission shall not disqualify it from any further action regarding Respondent's licensure including, but not limited to, disposition of the Statement of Issues by a decision and order following a hearing on the merits.
