**TRIBAL-STATE COMPACT  
BETWEEN THE YOCHA DEHE WINTUN NATION  
AND THE STATE OF CALIFORNIA**

The Yocha Dehe Wintun Nation (Yocha Dehe or Tribe), a federally recognized Indian tribe, and the State of California (State) enter into this tribal-state class III gaming compact pursuant to the Indian Gaming Regulatory Act of 1988.

**PREAMBLE**

**WHEREAS**, in 1999, the Tribe and the State entered into a Tribal-State class III gaming compact (1999 Compact), which they amended in 2004 (2004 Amendment), and which enabled the Tribe, through revenues generated by its Gaming Operation, to improve the governance, environment, education, health, safety, and general welfare of its citizens, and to promote a strong tribal government, self-sufficiency, and provide essential government services to its citizens;

**WHEREAS**, Yocha Dehe means “home by the spring water” in the Tribe’s native Patwin language, and literally describes the lands upon which its people live, and have lived, since time immemorial;

**WHEREAS**, Yocha Dehe’s relationship with the United States began in the 1900’s when its people were relocated to a barren, non-irrigable parcel in Rumsey, the town for which their government, and reservation, was once named, and thereafter, to a small parcel of land to the south, in the Capay Valley, where they managed to cultivate small amounts of food, but nonetheless lived in poverty, depending on the United States for survival;

**WHEREAS**, in 1985, Yocha Dehe was able to establish a small bingo hall, which generated money to help support its government and provide for the health and welfare of its struggling population, and with the enactment of the Indian Gaming Regulatory Act, the Tribe was then able to pursue broader forms of gaming, entering a class III gaming compact with the State of California in 1999, and amending it in 2004;

**WHEREAS**, through revenues generated by its Gaming Operation subject to these compacts, Yocha Dehe has been able to strengthen its government and achieve economic independence, providing education and health care to its

people; protecting its traditions and values through cultural preservation, including the revitalization of its language; and preserving the cultural resources and sacred sites in the linguistic and cultural territory with which Yocha Dehe and its sister Patwin-speaking tribes are historically connected;

**WHEREAS**, revenues from the Gaming Operation have likewise enabled Yocha Dehe to help the non-tribal community in meaningful ways, annually donating millions of dollars to public benefit and non-profit agencies from its philanthropic community fund; operating an internationally-accredited fire department that serves not simply Yocha Dehe's community, but its neighbors and other jurisdictions through mutual aid and service agreements; constructing a custom crush olive mill that serves not only the Tribe, but area farmers in the production of olive oil; and supporting other jurisdictions and a county government with money for needed improvements, infrastructure and general operations;

**WHEREAS**, the Tribe remains committed to improving the environment, education status, and the health, safety and general welfare of not only its citizens but Native American and non-Native American people throughout California;

**WHEREAS**, the Tribe and State are hopeful this new and amended Tribal-State Compact Between the Yocha Dehe Wintun Nation and the State of California (Compact) will enable the Tribe to redirect Compact payments for good and worthy causes, providing, as an example, needed funding, economic development and infrastructure for tribal and non-tribal governments; scholarships for Native American people, and funding for schools dedicated to Native American education; capital to help local governments establish the machinery needed to protect cultural resources threatened by development; and housing and health care benefits for those in need;

**WHEREAS**, the State and the Tribe recognize the exclusive rights the Tribe will enjoy under this Compact create a unique opportunity for the Tribe to operate a Gaming Facility in an economic environment free of competition from the operation of slot machines and banked card games on non-Indian lands in California and that this unique economic environment is of great value to the Tribe;

**WHEREAS**, in consideration of the exclusive rights enjoyed by the Tribe to engage in the Gaming Activities and to operate the number of Gaming Devices specified herein, and the other meaningful concessions offered by the State in good faith negotiations, and pursuant to the Indian Gaming Regulatory Act, the Tribe reaffirms its commitment to provide to the State, on a sovereign-to-sovereign basis, and to local jurisdictions, fair cost reimbursement and mitigation from revenues from the Gaming Devices operated pursuant to this Compact on a payment schedule;

**WHEREAS**, the Tribe and the State also share an interest in mitigating the off-reservation impacts of the Gaming Facility, affording meaningful consumer and employee protections in connection with the operations of the Gaming Facility, fairly regulating the Gaming Activities conducted at the Gaming Facility, and fostering a good-neighbor relationship;

**WHEREAS**, the Tribe and the State share a joint sovereign interest in ensuring that Gaming Activities are free from criminal and other undesirable elements;

**WHEREAS**, this Compact will afford the Tribe primary responsibility over the regulation of its Gaming Facility and further empower the Tribe and the State to help other tribal and non-tribal governments, Native people in California, and indeed, the community surrounding Yocha Dehe and beyond;

**WHEREAS**, the State and the Tribe have therefore concluded that this Compact protects the interests of the Tribe and its citizens, the surrounding community, and the California public, and will promote and secure long-term stability, mutual respect, and mutual benefits;

**WHEREAS**, the State and the Tribe agree that all terms and provisions of this Compact, including those in this Preamble, are intended to be binding and enforceable.

**NOW, THEREFORE**, the Tribe and the State agree as set forth herein:

## **SECTION 1.0. PURPOSES AND OBJECTIVES.**

The terms of this Compact are designed and intended to:

- (a) Evidence the goodwill and cooperation of the Tribe and State in fostering a mutually respectful government-to-government relationship that will serve the mutual interests of the parties.
- (b) Enhance and implement a means of regulating Class III Gaming to ensure its fair and honest operation in a way that protects the interests of the Tribe, the State, its citizens, and local communities in accordance with IGRA, and through that regulated Class III Gaming, enable the Tribe to develop self-sufficiency, promote tribal economic development, and generate jobs and revenues to support the Tribe's government and its governmental services and programs.
- (c) Promote ethical practices in conjunction with Class III Gaming, through the licensing and control of persons and entities employed in, or providing goods and services to, the Gaming Operation, protect against the presence or participation of persons whose criminal backgrounds, reputations, character, or associations make them unsuitable for participation in gaming, thereby maintaining a high level of integrity in tribal government gaming, and protect the patrons and employees of the Gaming Operation and the local communities.
- (d) Achieve the objectives set forth in the preamble.

## **SECTION 2.0. DEFINITIONS.**

**Sec. 2.1.** "Applicable Codes" means the California Building Code and the California Public Safety Code applicable to the County, as set forth in titles 19 and 24 of the California Code of Regulations, as those regulations may be amended during the term of this Compact, including, but not limited to, codes for building, electrical, energy, mechanical, plumbing, fire and safety.

**Sec. 2.10.** “Gaming Device” means any slot machine within the meaning of article IV, section 19, subdivision (f) of the California Constitution. For purposes of calculating the number of Gaming Devices, each player station or terminal on which a game is played constitutes a separate Gaming Device, irrespective of whether it is part of an interconnected system to such terminals or stations. “Gaming Device” includes, but is not limited to, video poker, but does not include electronic, computer, or other technological aids that qualify as class II gaming (as defined under IGRA).

**Sec. 2.11.** “Gaming Employee” means any natural person who (a) conducts, operates, maintains, repairs, accounts for, or assists in any Gaming Activities, or is in any way responsible for supervising such Gaming Activities or persons who conduct, operate, maintain, repair, account for, assist, or supervise any such Gaming Activities, (b) is in a category under federal or tribal gaming law requiring

Nothing herein shall be construed to apply in a manner that does not directly relate to the operation of Gaming Activities.

**Sec. 2.13.** “Gaming Operation” means the business enterprise that offers and operates Gaming Activities, whether exclusively or otherwise.

**Sec. 2.14.** “Gaming Ordinance” means a tribal ordinance or resolution duly authorizing the conduct of Gaming Activities on the Tribe’s Indian lands in California and approved under IGRA.

**Sec. 2.16.** “Gaming Resource Supplier” means any person or entity who, directly or indirectly, does, or is deemed likely to, manufacture, distribute, supply, vend, lease, purvey, or otherwise provide to the Gaming Operation or Gaming Facility at least twenty-five thousand dollars (\$25,000) in Gaming Resources in any twelve (12)-month period, or who, directly or indirectly, receives, or is deemed likely to receive, in connection with the Gaming Operation or Gaming Facility, at least twenty-five thousand dollars (\$25,000) in any consecutive twelve (12)-month period, provided that the Tribal Gaming Agency may exclude a purveyor of

equipment or furniture that is not specifically designed for, and is distributed generally for use other than in connection with, Gaming Activities, if, but for the purveyance, the purveyor is not otherwise a Gaming Resource Supplier as defined herein, the compensation received by the purveyor is not grossly disproportionate to the value of the goods or services provided, and the purveyor is not otherwise a person who exercises a significant influence over the Gaming Operation.

**Sec. 2.18.** “IGRA” means the Indian Gaming Regulatory Act of 1988 (PL 100-497, 18 U.S.C. §§ 1166-1168 and 25 U.S.C. § 2701 et seq.), and any amendments thereto, as interpreted by all regulations promulgated thereunder.

**Sec. 2.19.** “Interested Persons” means (i) all local, state, and federal agencies, which, if a Project were not taking place on Indian lands, would have responsibility for approving the Project or would exercise authority over the natural resources that may be affected by the Project, (ii) any incorporated city within ten (10) miles of the Project, and (iii) persons, groups, or agencies that request in writing a notice of preparation of a draft tribal environmental impact report described in section 11.0, or have commented on the Project in writing to the Tribe or the County.

**Sec. 2.20.** “Management Contractor” means any Gaming Resource Supplier with whom the Tribe has contracted for the management of any Gaming Activity or Gaming Facility, including, but not limited to, any person who would be regarded as a management contractor under IGRA.

**Sec. 2.21.** “NIGC” means the National Indian Gaming Commission.

**Sec. 2.22.** “Project” means any activity occurring on the Tribe’s reservation after the effective date of this Compact, the principal purpose of which is to serve the Gaming Activities or Gaming Operation, rather than provide the Gaming Activities or Gaming Operation with an incidental benefit, and which may cause a Significant Effect on the Off-Reservation Environment. “Project” does not include an activity that has been both described and the impacts of which have been previously addressed in a tribal environmental impact report described in section 11.0, or in an environmental impact report, statement, or assessment under the Tribe’s 1999 Compact or 2004 Amendment; nor does it include any activity otherwise meeting the definition of “Project” for which a notice of preparation has issued pursuant to the 2004 Amendment prior to the effective date of this Compact, which the parties agree shall be governed by section 10.8 of the 2004 Amendment.

For purposes of this definition, section 11.0, and Appendix B, “reservation” refers to the Tribe’s Indian lands within the meaning of IGRA or lands otherwise held in trust for the Tribe by the United States. This definition shall be understood to include, but not be limited to, the construction or planned expansion of a Gaming Facility, and any construction or planned expansion of a hotel or infrastructure, a principal purpose of which is to serve the Gaming Facility, as long as such construction or expansion may cause a significant effect to the off-reservation environment.

**Sec. 2.23.** “Significant Effect(s) on the Off-Reservation Environment” occur(s) if any of the following conditions exist:

- (a) A proposed Project has the potential to degrade the quality of the off-reservation environment, curtail the range of the off-reservation environment, or achieve short-term, to the disadvantage of long-term, environmental goals.
- (b) The possible effects of a Project on the off-reservation environment are individually limited but cumulatively considerable. As used herein, “cumulatively considerable” means that the incremental effects of an individual Project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects.
- (c) The off-reservation environmental effects of a Project will cause substantial adverse effects on human beings, either directly or indirectly.

For purposes of this definition, “reservation” refers to the Tribe’s Indian lands within the meaning of IGRA or lands otherwise held in trust for the Tribe by the United States.

**Sec. 2.24.** “State” means the State of California or an authorized official or agency thereof designated by this Compact or by the Governor.

**Sec. 2.25.** “State Designated Agency” means the entity or entities designated or to be designated by the Governor to exercise rights and fulfill responsibilities established by this Compact.

**Sec. 2.26.** “State Gaming Agency” means the entities authorized to investigate, approve, regulate and license gaming pursuant to the Gambling Control Act (chapter 5 (commencing with section 19800) of division 8 of the California Business and Professions Code), or any successor statutory scheme, and any entity or entities in which that authority may hereafter be vested.

**Sec. 2.27.** “Tribal Chair” means the person duly elected or selected under the Tribe’s constitution or governing documents to perform the duties specified therein, including serving as the Tribe’s official representative.

**Sec. 2.28.** “Tribal Gaming Agency” means the person, agency, board, committee, commission, or council designated under tribal law, including, but not limited to, an intertribal gaming regulatory agency approved to fulfill those functions by the NIGC, primarily responsible for carrying out the Tribe’s regulatory responsibilities under IGRA and the Tribe’s Gaming Ordinance. No person employed in, or in connection with, the management, supervision, or conduct of any Gaming Activity may be a member or employee of the Tribal Gaming Agency.

**Sec. 2.29.** “Tribe” means the Yocha Dehe Wintun Nation, a federally-recognized Indian tribe, or an authorized official or agency thereof.

### **SECTION 3.0. AUTHORIZATION OF GAMING ACTIVITIES.**

**Sec. 3.1.** The Tribe is hereby authorized and permitted to engage in only the Gaming Activities expressly referred to in section 4.0 and shall not engage in Class III Gaming that is not expressly authorized in that section.

### **SECTION 4.0. SCOPE OF CLASS III GAMING, GAMING FACILITIES, NUMBER OF GAMING DEVICES AND REVENUE SHARING.**

#### **Sec. 4.1. Authorized and Permitted Class III Gaming.**

The Tribe is hereby authorized and permitted to operate only the following Gaming Activities under the terms and conditions set forth in the Compact:

- (a) Gaming Devices, up to a maximum of thirty-five hundred (3,500).
- (b) Any banking or percentage card game.

- (c) The operation of any devices or games that are authorized under state law to the California State Lottery, provided that the Tribe will not offer such games through use of the Internet unless others in the state are permitted to do so under state and federal law.
- (d) Nothing herein shall be construed to authorize or permit the operation of any Class III Gaming that the State lacks the authority to authorize, that is not authorized or permitted under, or that otherwise exceeds the authority granted by, article IV, section 19, subdivision (f), of the California Constitution.
- (e) The Tribe shall not engage in Class III Gaming that is not expressly authorized in this Compact.

#### **Sec. 4.2. Authorized Gaming Facilities.**

The Tribe may establish and operate not more than two (2) Gaming Facilities and engage in Class III Gaming only on eligible Indian lands held in trust for the Tribe, located within the boundaries of the Tribe's reservation and certain trust lands as those boundaries exist as of the execution date of this Compact and on which Class III Gaming may lawfully be conducted under IGRA, as described in and represented on the map at Appendix A hereto. The Tribe may combine and operate in each Gaming Facility any forms and kinds of gaming permitted under law, except to the extent limited under IGRA and any applicable regulations adopted pursuant thereto, this Compact, or the Tribe's Gaming Ordinance. The Tribe retains the right to acquire additional eligible Indians lands under IGRA and, subject to the provisions of section 15.0, to request negotiation of an amendment to this Compact to authorize gaming on the subsequently acquired eligible land.

#### **Sec. 4.3. Special Distribution Fund.**

- (a) The Tribe shall pay to the State on a pro rata basis the State's 25 U.S.C. § 2710(d)(3)(C) costs incurred for purposes consistent with IGRA, including the performance of all its duties under this Compact, the administration and implementation of tribal-state Class III Gaming compacts, and funding for the Office of Problem Gambling, as determined by the monies appropriated in the annual Budget Act each fiscal year to carry out those purposes (Appropriation). The Appropriation and the maximum number of Gaming Devices operated by all federally recognized tribes in California pursuant to tribal-state Class III Gaming compacts determined to be in operation

during the previous State fiscal year shall be reported annually by the State Gaming Agency to the Tribe on or before December 15. The term “operated” or “operation” as used in this Compact in relation to Gaming Devices describes each and every Gaming Device available to patrons (including slot tournament contestants) for play at any given time. The Tribe’s pro rata share of the State’s 25 U.S.C. § 2710(d)(3)(C) regulatory costs in any given year this Compact is in effect shall be calculated by the following equation:

The maximum number of Gaming Devices operated in the Tribe’s Gaming Facility during the previous State fiscal year as determined by the State Gaming Agency, divided by the maximum number of Gaming Devices operated by all federally recognized tribes in California pursuant to tribal-state Class III Gaming compacts during the previous State fiscal year, multiplied by the Appropriation, equals the Tribe’s pro rata share.

- (1) Beginning the first full quarter after Class III Gaming commences under this Compact, the Tribe shall pay its pro rata share to the State Gaming Agency for deposit into the Indian Gaming Special Distribution Fund established by the Legislature (Special Distribution Fund). The payment shall be made in four (4) equal quarterly installments due on the thirtieth (30th) day following the end of each calendar quarter (*i.e.*, by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter); provided, however, that in the event this Compact becomes effective during a calendar quarter, payment shall be prorated for the number of days remaining in that initial quarter, in addition to any remaining full quarters in the first calendar year of operation to obtain a full year of full quarterly payments of the Tribe’s pro rata share specified above. A payment year will run from January through December. If any portion of the Tribe’s quarterly pro rata share payment or payment pursuant to section 4.3, subdivision (b) or section 4.5, is overdue, the Tribe shall pay to the State for purposes of deposit into the appropriate fund, the amount overdue plus interest accrued thereon at the rate of one percent (1%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less. All

quarterly payments shall be accompanied by the report specified in section 4.4.

- (2) If the Tribe objects to the State's determination of the Tribe's pro rata share, or to the amount of the Appropriation as including matters not consistent with IGRA, the matter shall be resolved in accordance with the dispute resolution provisions of section 13.0. Any State determination of the Tribe's pro rata share challenged by the Tribe shall govern and shall be paid by the Tribe to the State when due, and the Tribe's payment is a condition precedent to invoking the section 13.0 dispute resolution provisions.
  - (3) The Tribe's annual pro rata share payment amount shall be capped at an amount equal to a five percent (5%) increase from the Tribe's pro rata share calculated in the immediately preceding year. The Tribe shall not be required to pay any amount of the Tribe's calculated pro rata share that exceeds its calculated pro rata share from the immediately preceding year by more than five percent (5%).
  - (4) The foregoing payments have been negotiated between the parties as a fair and reasonable contribution, based upon the State's costs of regulating and mitigating certain impacts of tribal Class III Gaming Activities, as well as the Tribe's market conditions, its circumstances, and the rights afforded and consideration provided by this Compact.
- (b) The Tribe further agrees to pay an additional one million six hundred thousand dollars (\$1,600,000) into the Special Distribution Fund. This payment is to ensure the Special Distribution Fund remains solvent to carry out the purposes set forth in this section 4.3.1. In the event the pro rata funding for the Special Distribution Fund statewide has proven sufficient to meet the purposes set forth in this section for three (3) consecutive years, the parties agree to meet and confer for the purpose of making an appropriate reduction in the additional payment in this subdivision (b).

The Tribe's payment pursuant to this section 4.3 shall be capped at three million dollars (\$3,000,000), unless the Tribe's pro rata share under subdivision (a)

exceeds that amount. In the event the Tribe's pro rata share under subdivision (a) exceeds three million dollars (\$3,000,000), the Tribe's payment under this section 4.3 shall be capped at that pro rata share and the Tribe shall have no payment obligation under subdivision (b).

**Sec. 4.3.1. Use of Special Distribution Funds.**

Revenue placed in the Special Distribution Fund shall be available for appropriation by the Legislature for the following purposes:

- (a) Grants, including any administrative costs, for programs designed to address and treat gambling addiction;
- (b) Grants, including any administrative costs and environmental review costs, for the support of State and local government agencies impacted by tribal government gaming;
- (c) Compensation for regulatory costs incurred by the State including, but not limited to, the Office of the Governor, the State Gaming Agency, the State Department of Justice, the State Controller, the State Designated Agencies, and other state agencies, in connection with the implementation and administration of Class III Gaming compacts;
- (d) Compensation to state and local governments for law enforcement, fire, public safety, and other emergency response services provided in response to or arising from any threat to the health, welfare and safety of Gaming Facility patrons, employees, tribal citizens or the public generally, attributable to, or as a consequence of, intra-tribal government disputes; and
- (e) Any other purposes specified by the Legislature that are consistent with IGRA, including funds necessary to ensure adequate funding to the Revenue Sharing Trust Fund.

**Sec. 4.4. Quarterly Revenue Contribution Report.** At the time each quarterly payment is due, the Tribe shall submit to the State Gaming Agency a report, prepared and certified by an authorized representative of the Gaming Operation, which sets forth the following information:

- (a) The calculation of the average number of Gaming Devices in operation during the quarter.
- (b) The total amount of the quarterly revenue contribution paid to the State under sections 4.3 and 4.5.

**Sec. 4.5. Revenue Contribution.** The Tribe shall pay to the State annually a revenue contribution of fifteen million dollars (\$15,000,000). Such payments shall be made quarterly in accordance with the provisions of section 4.3, subdivision (a)(1).

**Sec. 4.6. Provision for Credits Related to Payments Due Under Section 4.5.**

- (a) Notwithstanding anything to the contrary in section 4.5, the State agrees to provide the Tribe with an annual credit for up to nine million dollars (\$9,000,000) of the payments otherwise due under section 4.5 for the following purposes: payments by the Tribe (not derived from a direct or indirect state or federal funding source) to a state agency, the County, cities, or other local jurisdictions or legal entities (including special districts) for purposes of providing funding for state or local governmental services, mitigating any impacts of the Tribe's Gaming Operation, and financing infrastructure projects and/or economic development or revitalization, including, but not limited to, construction, repair, maintenance and improvements of structures, operations and facilities, on non-Indian lands in counties within the Tribe's ancestral territory as recognized by the Native American Heritage Commission (Colusa, Lake, Napa, Solano, Yolo counties) that benefit the Tribe, its Gaming Operation, and/or the governments and non-tribal communities within these counties. In addition, funding provided by the Tribe (not derived from a direct or indirect state or federal funding source) to or for special service districts and unincorporated towns within fifty (50) miles of the Tribe's Gaming Facility for any of the foregoing purposes qualifies for a credit under this subdivision. The State and Tribe agree that four million five-hundred thousand dollars (\$4,500,000) of the amount the Tribe annually pays the County under an existing intergovernmental agreement qualifies for a credit under this provision. The parties further agree that the foregoing credit may increase from year to

year, pursuant to the consumer price index set forth in the intergovernmental agreement. The foregoing credit or credits will continue to apply in the event the parties extend or renegotiate the existing intergovernmental agreement such that payment obligations exist under the agreement beyond its 2020 term. Notwithstanding the foregoing, the State further agrees the Tribe is entitled to credits under this provision for further or additional payments made to the County under any new and different intergovernmental agreement that may be entered.

- (b) All funds that cannot be spent in any one (1) year under this section 4.6 may be used subsequently for the purposes set out in subdivision (a) hereof until the funds are completely exhausted; provided however that, any remaining funds unspent thirty (30) days prior to the end of this Compact's term shall revert to the State.
- (c) The following additional credits (totaling up to six million dollars (\$6,000,000)) shall exist for payments otherwise owed the State under section 4.5:
  - (1) In recognition of the mutually respectful relationship that exists between the Tribe and the State, the parties will collaborate annually to identify projects, initiatives or investments that mitigate the impacts of gaming, or that provide benefits to California tribal governments and the State of California, furthering the interests of such parties by enhancing and enriching the quality of life for Californians. The type and nature of projects that qualify are limited only by the foregoing, in the discretion of the Tribe and State. Examples of qualifying projects, initiatives or investments include providing financial assistance or funding to: (A) a specific Indian tribe so that it may strengthen its government and provide for the general health and welfare of its people; (B) any agency or entity that serves Indian tribes, California Indians or low-income people in the state; (C) programs designed to implement cultural resource protections by state or local governments in fulfillment of their obligations under state and federal law; (D) any agency, institution or entity that provides or subsidizes healthcare, housing, education,

counseling, food and shelter or other services for children, families, or low-income persons in California, including homeless persons; and (E) funding to support any initiative designed to enhance, preserve or protect natural resources or the physical environment in California, including any efforts to address global climate change. Accordingly, separate and distinct from the available credits in section 4.6, subdivision (a), the Tribe may further reduce its annual payment to the State under section 4.5 by up to six million dollars (\$6,000,000) to the extent the parties agree upon projects, initiatives or investments under this subdivision (c)(1), albeit subject to any allocation that may be made for Native American scholarships or education programs under subdivision (c)(2). To the extent the parties do not agree upon projects, initiatives or investments under this section that exhaust all available funds in any particular year, the uncommitted funds will be deposited in the Revenue Sharing Trust Fund or, if that fund is fully solvent, the Tribal Nation Grant Fund.

- (2) The Tribe and the State recognize that investment in human capital is essential to the overall health and welfare of all Californians, and share the belief that education improves the quality of an individual's life and leads to broad social, economic and political benefits. Accordingly, the Tribe may elect to reduce the amount of its payment obligation specified in section 4.5 by up to two million dollars (\$2,000,000) annually for payments made to the State Gaming Agency, for deposit into a scholarship fund created by the Tribe and the State (California Native American Education and Scholarship Fund). The California Native American Education and Scholarship Fund is a fund to provide scholarships for undergraduate, graduate and professional education, as well as to broadly support investments in educational programs, including primary and secondary education, that benefit California Native American students from Non-Gaming Tribes or Limited-Gaming Tribes located in California, as defined in section 5.1. This credit is not available if the California Native

American Education and Scholarship Fund balance exceeds ten million dollars (\$10,000,000).

- (A) This fund shall be managed by an independent foundation, or similar non-profit third-party organization with proper credentials (Fund Administrator), agreed upon by both the Tribe and the State to manage, administer and account for the funds. The Fund Administrator's fees shall be deducted from the California Native American Education and Scholarship Fund.
- (B) The Fund Administrator shall work with the State and all contributing Tribes to establish program requirements, one of which shall be that any applicant for scholarship funds must be an enrolled member of a Non-Gaming Tribe or Limited-Gaming Tribe located in California, as defined in section 5.1.

#### **Sec. 4.7. Effective Date of Revenue Contribution Provisions.**

The provisions of this Compact establishing or amending existing revenue contribution obligations of the Tribe, including sections 4.3, 4.4, 4.5, 5.2, and 5.3, will take effect thirty (30) days after the date the Secretary of the Department of the Interior's approval of the Compact is published in the Federal Register (whether by affirmative approval of, or by failure to act on, the Compact within forty-five (45) days of its submission), to allow the State and the Tribe time to plan for the implementation of these provisions. Until that date, the revenue contributions set forth in the 2004 Amendment will remain in effect.

#### **Sec. 4.8. Exclusivity.**

- (a) In the event the exclusive right of Indian tribes to operate Gaming Devices in California is abrogated by the enactment, amendment, or repeal of a state statute or constitutional provision, or the conclusive and dispositive judicial construction of a statute or the state Constitution by a California appellate court after the effective date of this Compact, that Gaming Devices may lawfully be operated by another person, organization, or entity (other than an Indian tribe

pursuant to a compact) within California, the Tribe shall have the right to exercise one (1) of the following options:

- (1) Terminate this Compact, in which case the Tribe will lose the right to operate Gaming Devices and other Class III Gaming authorized by this Compact; or
  - (2) Continue under the Compact with an entitlement to a reduction of the rates specified in sections 4.3, 4.5, and 5.2 following conclusion of negotiations, to provide for (A) compensation to the State for the reasonable costs of regulation as set forth in section 4.3, subdivision (a); (B) reasonable payments to local governments impacted by tribal government gaming; (C) grants for programs designed to address gambling addiction; and (D) such assessments as may be permissible at such time under federal law. The negotiations shall commence within thirty (30) days after receipt of a written request by a party to enter into the negotiations, unless both parties agree in writing to an extension of time. If the Tribe and the State fail to reach agreement on the amount of the reduction of such payments within sixty (60) days following commencement of the negotiations specified in this section, the amount shall be determined by arbitration pursuant to section 13.2.
- (b) Nothing in this section precludes the Tribe from invoking the dispute resolution provisions of section 13.0 to address the issue of whether any person or entity (other than an Indian tribe with an approved Class III Gaming compact) is engaging in the Gaming Activities specified in subdivisions (a) or (b) of section 4.1 of this Compact.

## **SECTION 5.0. REVENUE SHARING WITH NON-GAMING AND LIMITED-GAMING TRIBES.**

### **Sec. 5.1. Definitions.**

For purposes of this section 5.0, the following definitions apply:

- (a) The “Revenue Sharing Trust Fund” is a fund created by the Legislature and administered by the State Gaming Agency that, as limited trustee, is not a trustee subject to the duties and liabilities contained in the California Probate Code, similar state or federal

statutes, rules or regulations, or under state or federal common law or equitable principles, and has no duties, responsibilities, or obligations hereunder except for the receipt, deposit, and distribution of monies paid by gaming tribes for the benefit of Non-Gaming Tribes and Limited-Gaming Tribes. The State Gaming Agency shall allocate and disburse the Revenue Sharing Trust Fund monies on a quarterly basis as specified by the Legislature. Each eligible Non-Gaming Tribe and Limited-Gaming Tribe in the State shall receive the sum of one million one hundred thousand dollars (\$1,100,000) per year from the Revenue Sharing Trust Fund. In the event there are insufficient monies in the Revenue Sharing Trust Fund to pay one million one hundred thousand dollars (\$1,100,000) per year to each eligible Non-Gaming Tribe and Limited-Gaming Tribe, any available monies in that fund shall be distributed to eligible Non-Gaming Tribes and Limited-Gaming Tribes in equal shares. Monies deposited into the Revenue Sharing Trust Fund in excess of the amount necessary to distribute one million one hundred thousand dollars (\$1,100,000) to each eligible Non-Gaming Tribe and Limited-Gaming Tribe shall remain in the Revenue Sharing Trust Fund available for disbursement in future years, or deposited in the Tribal Nation Grant Fund but shall not be used for purposes other than the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund. In no event shall the State's general fund be obligated to make up any shortfall in the Revenue Sharing Trust Fund or to pay any unpaid claims connected therewith, and, notwithstanding any provision of law, including any existing provision of law implementing the State Gaming Agency's obligations related to the Revenue Sharing Trust Fund under any Class III Gaming compact, Non-Gaming Tribes and Limited-Gaming Tribes are not third-party beneficiaries of this Compact and shall have no right to seek any judicial order compelling disbursement of any Revenue Sharing Trust Fund monies to them.

- (b) The "Tribal Nation Grant Fund" is a fund created by the Legislature to make discretionary distribution of funds to Non-Gaming Tribes and Limited-Gaming Tribes upon application of such tribes for purposes related to effective self-governance, self-determined community, and economic development. The fiscal operations of the Tribal Nation Grant Fund are administered by the State Gaming Agency, which acts as limited trustee not subject to the duties and liabilities contained in

the California Probate Code, similar state or federal statutes, rules, or regulations, or under state or federal common law or equitable principles, and with no duties or obligations hereunder except for the receipt, deposit, and distribution of monies paid by gaming tribes for the benefit of Non-Gaming Tribes and Limited-Gaming Tribes, as those payments are directed by a State Designated Agency. The State Gaming Agency shall allocate and disburse the Tribal Nation Grant Fund monies as specified by a State Designated Agency to one (1) or more eligible Non-Gaming and Limited-Gaming Tribes upon a competitive application basis. The State Gaming Agency shall exercise no discretion or control over, nor bear any responsibility arising from, the recipient tribes' use or disbursement of Tribal Nation Grant Fund monies. The State Designated Agency shall perform any necessary audits to ensure that monies awarded to any tribe are being used in accordance with their disbursement in relation to the purpose of the Tribal Nation Grant Fund. In no event shall the State's general fund be obligated to pay any monies into the Tribal Nation Grant Fund or to pay any unpaid claims connected therewith, and, notwithstanding any provision of law, including any existing provision of law implementing the State's obligations related to the Tribal Nation Grant Fund or the Revenue Sharing Trust Fund under any Class III Gaming compact, Non-Gaming Tribes and Limited-Gaming Tribes are not third-party beneficiaries of this Compact and shall have no right to seek any judicial order compelling disbursement of any Tribal Nation Grant Fund monies to them.

- (c) A "Non-Gaming Tribe" is a federally recognized tribe in California, with or without a tribal-state Class III Gaming compact, that has not engaged in, or offered, class II gaming or Class III Gaming in any location whether within or without California, as of the date of distribution to such tribe from the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund, or during the immediately preceding three hundred sixty-five (365) days.
- (d) A "Limited-Gaming Tribe" is a federally recognized tribe in California that has a Class III Gaming compact with the State but is operating fewer than a combined total of three hundred fifty (350) Gaming Devices in all of its gaming operations wherever located, or does not have a Class III Gaming compact but is engaged in class II

gaming, whether within or without California, during the immediately preceding three hundred sixty-five (365) days.

**Sec. 5.2. Revenue Sharing Trust Fund or the Tribal Nation Grant Fund.**

- (a) The Tribe shall pay eighteen million dollars (\$18,000,000) annually to the State Gaming Agency, for deposit into the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund.
- (b) The Tribe shall remit the payment(s) referenced in subdivision (a), as may be applicable, to the State Gaming Agency in quarterly payments, which payments shall be due thirty (30) days following the end of each calendar quarter (*i.e.*, by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter).
- (c) If any portion of the Tribe's payment(s) is overdue as required by subdivision (b), the Tribe shall pay to the State for purposes of deposit into the appropriate fund the amount overdue plus interest accrued thereon at the rate of one percent (1%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less.
- (d) All payments made by the Tribe to the State Gaming Agency pursuant to this section shall be deposited into the Revenue Sharing Trust Fund and the Tribal Nation Grant Fund in a proportion to be determined by the Legislature, provided that if there are insufficient monies in the Revenue Sharing Trust Fund to pay one million one hundred thousand dollars (\$1,100,000) per year to each eligible Non-Gaming Tribe and Limited-Gaming Tribe, the State Gaming Agency shall deposit all payments into the Revenue Sharing Trust Fund.

**Sec. 5.3. Provision for Credits Related to Payments Due Under Section 5.2.**

- (a) Notwithstanding anything to the contrary in section 5.2, the State agrees to provide the Tribe with an annual credit for up to nine million dollars (\$9,000,000) of the payments otherwise due under section 5.2 for the following:

- (1) Payments by the Tribe (not derived from a direct or indirect state or federal funding source) to the County, cities, other local communities or jurisdictions, or special service districts, that are operating facilities or providing services within the County for purposes of improved fire, law enforcement, public transit, education, tourism, environmental sustainability (including water resource enhancement or protection), health care, cultural resource protection, and other services, as well as for infrastructure improvements that serve off-reservation needs of County residents and/or the Tribe. Qualifying payments include those made on behalf of unincorporated towns within fifty (50) miles of the Tribe's Gaming Facility. The eligibility of such payments for credit shall be subject to approval by a special entity comprised of two (2) representatives of the County (including the Supervisor from the electoral district in which the Tribe resides), two (2) representatives of the Tribe, and three (3) representatives from local jurisdictions or the community. Any request for credit approval under this subdivision (a)(1) shall be decided by the special entity within ninety (90) days of its submission or the credit shall be deemed approved;
- (2) Payments by the Tribe (not derived from a direct or indirect state or federal funding source) to reimburse the County for any loss of property tax revenues by virtue of the loss of taxing authority over land subject to a federal trust acquisition, the existence of any tribal operations on federal trust land held for the benefit of the Tribe, sales tax revenues to the County that would otherwise be due for retail sales at the Tribe's Gaming Facility or related business operations, or transient occupancy tax at the Tribe's hotel if it were not located on Indian lands;
- (3) Payments by the Tribe (not derived from a direct or indirect state or federal funding source) to support operating expenses and capital improvements for non-tribal governmental agencies or facilities, including special service districts, operating within Colusa, Lake, Napa, Sacramento, Sonoma, Solano, Sutter, or Yolo Counties;

- (4) Payments by the Tribe (not derived from a direct or indirect state or federal funding source) for non-gaming related investments and expenditures, or economic development projects, that provide mutual benefits to the Tribe and the State because, for instance, they have particular cultural, educational, social or environmental value, or because they diversify the sources of revenue for the Tribe's general fund;
- (5) The Tribe's investments or payments (not derived from a direct or indirect state or federal funding source), including excise taxes paid to the State, in connection with any energy conservation or energy project other than a conventional power source energy project that serves, in whole or in part, the Tribe, the Gaming Facility, the County, or the local community. For purposes of this subdivision (a)(5), the term "conventional power source energy projects" shall have the meaning set forth in section 2805 of the Public Utilities Code, except that in no case shall a cogeneration (as that term is defined in section 25134 of the Public Resources Code) project be considered a conventional power source energy project. Allowable projects may address or include, without limitation, parking and fueling facilities that incorporate charging stations for electric or other zero-emission vehicles that are available to the Tribe's citizens, employees or non-tribal members of the public. To address changes in technology, the State and the Tribe may meet and agree that specified projects and facilities meet the intent of this subdivision (a)(5);
- (6) Payments by the Tribe (not derived from a direct or indirect state or federal funding source) to support capital improvements for, the development of, or operating expenses of, facilities or entities within California that provide healthcare services to tribal citizens, Indians, or non-Indians. Payments (not derived from a direct or indirect state or federal funding source) to support the development or operation of a health clinic located on or off the Tribe's Indian lands to serve (at a minimum) employees of its Gaming Operation are within the scope of this credit;

- (7) Investments or expenditures by the Tribe (not derived from a direct or indirect state or federal funding source) made to preserve, revitalize, or enhance the Tribe's cultural values, practices and traditions as set forth in a Tribal Cultural Preservation Ordinance, including but not limited to, language revitalization programs; or payments by the Tribe (not derived from a direct or indirect state or federal funding source) to the County or any local jurisdiction or legal entity to develop, fund or support processes, operations, or agencies, established to protect cultural resources and sacred sites affiliated with Native American people in California, irrespective of whether such efforts exceed the minimum legal requirements for cultural resource protection under existing law;
  - (8) Payments by the Tribe (not derived from a direct or indirect state or federal funding source) to any non-profit institutions providing education to Native American people, including the California Tribal College, a public benefit corporation established under California law;
  - (9) Grants made by the Tribe (not derived from a direct or indirect state or federal funding source) to Indians of Patwin or Wintun descent who are not enrolled citizens of the Tribe, for educational, cultural or vocational purposes, or to landless federally-recognized tribes emanating from Northern California, or federally-recognized tribes with Indian lands within Colusa, Lake, Napa, Sacramento, Sonoma, Solano, Sutter or Yolo counties, for economic development, governmental or general welfare purposes; and
  - (10) Payments by the Tribe (not derived from a direct or indirect state or federal funding source) made to provide healthcare benefits, education or job training to any person who applies to the Tribe for support and who can demonstrate to the Tribe's satisfaction that the person has been disenrolled from an Indian tribe in California (whether directly or indirectly through an ancestor) and that the person remains so disenrolled.
- (b) All excess authorized credits that cannot be applied in any one (1) year under this section 5.3 may be applied as an annual credit in all

following years that this Compact is in effect, up to a total of nine million dollars (\$9,000,000) of unused credits in any one (1) year, until completely exhausted.

- (c) The Tribe shall provide notice to the State of its intent to exercise any of its options under subdivisions (a)(3), (a)(4), (a)(5), (a)(6), (a)(7), (a)(8), and (a)(9) of this section 5.3. The State shall have the right to review proposals under subdivisions (a)(3), (a)(4), (a)(5), (a)(6), (a)(7), (a)(8), and (a)(9) and, in the exercise of its reasonable discretion, disapprove a proposal for receipt of credit under this section 5.3 within ninety (90) days if it does not fall within the foregoing categories. If the State fails to take action within ninety (90) days of the Tribe's written notice, the proposed credit shall be deemed approved.
- (d) The Tribe shall annually provide a report to the State Gaming Agency of annual credits taken and contributions made pursuant to sections 5.2 and 5.3. The reporting will include sufficient detail to enable both parties to ensure the funds are being used in a manner consistent with the purposes set forth above.

## **SECTION 6.0. LICENSING.**

### **Sec. 6.1. Gaming Ordinance and Regulations.**

- (a) All Gaming Activities conducted under this Compact shall, at a minimum, comply (i) with a Gaming Ordinance duly adopted by the Tribe and approved in accordance with IGRA, (ii) with all applicable rules, regulations, procedures, specifications, and standards duly adopted by the NIGC, the Tribal Gaming Agency, and the State Gaming Agency, and (iii) with the provisions of this Compact.
- (b) The Tribal Gaming Agency shall make available for inspection by the State Gaming Agency upon request a copy of the Gaming Ordinance, and all of its rules, regulations, procedures, specifications, ordinances, or standards applicable to the Gaming Activities that are referenced and required by this Compact, excluding the Tribal Gaming Agency's internal policies and procedures. The Tribal Gaming Agency shall give notice to the State Gaming Agency of any material change or amendment to the Gaming Ordinance, the Tribal Gaming Agency's

rules, regulations, procedures, specifications, ordinances, or standards applicable to the Gaming Activities, the Gaming Operation's System of Internal Control, no later than thirty (30) days after the change or amendment.

- (c) The Tribal Gaming Agency shall make the following documents available in hard copy or on the Gaming Facility's website to its patrons or their legal representatives: the Gaming Ordinance; the rules of each class III game operated by the Tribe, to the extent that such rules are not available for display on the Gaming Device or the table on which the game is played; tribal law, to the extent it impacts the public in relation to the Gaming Activities; the tort ordinance specified in section 12.5, subdivision (b); and, the regulations promulgated by the Tribal Gaming Agency concerning patron disputes pursuant to section 10.0.

## **Sec. 6.2. Tribal Ownership, Management, and Control of Gaming Operation.**

The Gaming Operation authorized under this Compact shall be owned solely by the Tribe.

## **Sec. 6.3. Prohibitions Regarding Minors.**

- (a) The Tribe shall prohibit persons under the age of twenty-one (21) years from being present in any room or area in which Gaming Activities are being conducted unless the person is en route to a non-gaming area of the Gaming Facility, or is employed at the Gaming Facility in a capacity other than as a Gaming Employee.
- (b) If the Tribe permits the consumption of alcoholic beverages in the Gaming Facility, the Tribe shall prohibit persons under the age of twenty-one (21) years from purchasing, consuming, or possessing alcoholic beverages. The Tribe shall also prohibit persons under the age of twenty-one (21) years from being present in any room or area in which alcoholic beverages may be consumed, except to the extent permitted by the State Department of Alcoholic Beverage Control for other commercial establishments serving alcoholic beverages.

## **Sec. 6.4. Licensing Requirements and Procedures.**

### **Sec. 6.4.1. Summary of Licensing Principles.**

All persons in any way connected with the Gaming Operation or Gaming Facility who are required to be licensed or to submit to a background investigation under IGRA, and any others required to be licensed under this Compact, including, without limitation, all Gaming Employees, Gaming Resource Suppliers, Financial Sources, and any other person having a significant influence over the Gaming Operation, must be licensed by the Tribal Gaming Agency and cannot have had any determination of suitability denied or revoked by the State Gaming Agency. The parties intend that the licensing process provided for in this Compact shall involve joint cooperation between the Tribal Gaming Agency and the State Gaming Agency, as more particularly described herein.

### **Sec. 6.4.2. Gaming Facility.**

- (a) The Gaming Facility authorized by this Compact shall be licensed by the Tribal Gaming Agency in conformity with the requirements of this Compact, the Gaming Ordinance, IGRA, and any applicable regulations adopted by the NIGC. The license shall be reviewed and renewed every two (2) years thereafter. Verification that this requirement has been met shall be provided by the Tribe to the State by sending, either electronically or by hard copy, a copy of the initial license and each renewal license to the State Gaming Agency within thirty (30) days after issuance of the license or renewal. The Tribal Gaming Agency's certification that the Gaming Facility is being operated in conformity with these requirements shall be posted in a conspicuous and public place in the Gaming Facility at all times.
- (b) To assure the protection of the health and safety of all Gaming Facility patrons, guests, and employees, the Tribe shall adopt, or has already adopted, and shall maintain throughout the term of this Compact, an ordinance that requires any Gaming Facility construction to meet or exceed the construction standards set forth in the Applicable Codes. The Gaming Facility and construction, expansion, improvement, modification, or renovation will also comply with the Americans with Disabilities Act, P.L. 101-336, as amended, 42 U.S.C. § 12101 et seq. Notwithstanding the foregoing, the Tribe need not comply with any standard that specifically applies in name or in fact

only to tribal facilities. Without limiting the rights of the State under this section, reference to Applicable Codes is not intended to confer jurisdiction upon the State or its political subdivisions. For purposes of this section the terms “building official” and “code enforcement agency” as used in titles 19 and 24 of the California Code of Regulations shall mean the Tribal Gaming Agency, or such other government agency or official as may be designated by the Tribe’s law.

- (c) To assure compliance with the Applicable Codes, in all cases where the Applicable Codes would otherwise require a permit, the Tribe shall require inspections and, in connection therewith, shall employ for any Gaming Facility construction qualified plan checkers or review firms. To be qualified as a plan checker or review firm for purposes of this Compact, plan checkers or review firms must be either California licensed architects or engineers with relevant experience, or California licensed architects or engineers on the list, if any, of approved plan checkers or review firms provided by the County. The Tribe shall also employ qualified project inspectors. To be qualified as a project inspector for purposes of this Compact, project inspectors must possess the same qualifications and certifications as project inspectors utilized by the County. The plan checkers, review firms, and project inspectors shall hereinafter be referred to as “Inspectors.” The Tribe shall require the Inspectors to maintain contemporaneous records of all inspections and report in writing any failure to comply with the Applicable Codes to the Tribe and the Tribal Gaming Agency and, if the failure is not remedied within thirty (30) days after giving notice of the lack of compliance, give notice to the State Gaming Agency. The Tribe agrees to correct any Gaming Facility condition noted in the inspections that does not meet the Applicable Codes (hereinafter “deficiency”).
- (d) The Tribe shall cause the design and construction calculations, and plans and specifications that form the basis for the planned construction (the “Design and Building Plans”) to be available to the State Gaming Agency for inspection and copying upon its request.
- (e) In the event that material changes to a structural detail of the Design and Building Plans will result from contract change orders or any other changes in the Design and Building Plans, such changes shall be

reviewed and field verified by the Inspectors for compliance with the Applicable Codes.

- (f) The Tribe shall maintain during construction all contract change orders for inspection and copying by the State Gaming Agency upon its request.
- (g) The Tribe shall maintain the Design and Building Plans depicting the as-built Gaming Facility, which shall be available to the State Gaming Agency for inspection and copying upon its request, for the term of this Compact.
- (h) Upon final certification by the Inspectors that the Gaming Facility meets the Applicable Codes, the Tribal Gaming Agency shall forward the Inspectors' certification to the State Gaming Agency within ten (10) days of issuance. If the State Gaming Agency objects to that certification, the Tribe shall make a good faith effort to address the State's concerns, but if the State Gaming Agency does not withdraw its objection, the matter will be resolved in accordance with the dispute resolution provisions of section 13.0.
- (i) Any failure to remedy within a reasonable period of time any material and timely raised deficiency shall be deemed a violation of this Compact unless the State has acted unreasonably in reporting the claimed deficiency to the Tribe, and furthermore, any deficiency that poses a serious or significant risk to the health or safety of any occupant shall be grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to a court order until the deficiency is corrected. The Tribe shall not allow occupancy of any portion of the Gaming Facility that is constructed or maintained in a manner that endangers the health or safety of the occupants.
- (j) The Tribe shall also take all necessary steps to reasonably ensure the ongoing availability of sufficient and qualified fire suppression services to the Gaming Facility, and to reasonably ensure that the Gaming Facility satisfies all substantive safety and construction requirements of titles 19 and 24 of the California Code of Regulations applicable to similar facilities in the County as set forth below:

- (1) Not less than thirty (30) days after the effective date of the Compact, and not less than biennially thereafter, and upon at least ten (10) days' notice to the State Gaming Agency, the Tribe shall ensure the Gaming Facility is inspected, at the Tribe's expense, by a qualified tribal inspection official, if any, who is responsible for fire protection on the Tribe's lands, or by an independent expert for purposes of certifying that the Gaming Facility meets a reasonable standard of fire safety and life safety.
- (2) The State Gaming Agency shall be entitled to designate and have a qualified representative or representatives, which may include local fire suppression entities, present during the inspection. During such inspection, the State's representative(s) shall specify to the tribal inspection official or independent expert any condition that the representative(s) reasonably believes would preclude certification of the Gaming Facility as meeting a reasonable standard of fire safety and life safety.
- (3) The tribal inspection official or independent expert shall issue to the Tribal Gaming Agency and the State Gaming Agency a report on the inspection within fifteen (15) days after its completion, or within thirty (30) days after commencement of the inspection, whichever first occurs, identifying any deficiency in fire safety or life safety at the Gaming Facility or in the ability of the Tribe to meet reasonably expected fire suppression needs of the Gaming Facility.
- (4) Within thirty (30) days after the issuance of the report, the tribal inspection official or independent expert shall also require and approve a specific plan for correcting deficiencies, whether in fire safety or life safety at the Gaming Facility or in the Tribe's ability to meet the reasonably expected fire suppression needs of the Gaming Facility, including those identified by the State Gaming Agency's representative(s). A copy of the report shall be delivered to the State Gaming Agency and the Tribal Gaming Agency.
- (5) Immediately upon correction of all deficiencies identified in the report, the tribal inspection official or independent expert shall

certify in writing to the Tribal Gaming Agency and the State Gaming Agency that all deficiencies have been corrected.

- (6) Any failure to correct all deficiencies identified in the report within a reasonable period of time shall be deemed a violation of this Compact, and any failure to promptly correct those deficiencies that pose a serious or significant risk to the health or safety of any occupants shall be a violation of this Compact and grounds for the State Gaming Agency to prohibit occupancy of the affected portion of the Gaming Facility pursuant to court order until the deficiency is corrected.
- (k) Notwithstanding anything in section 6.4, or elsewhere in this Compact, any construction of any Project that has taken place or has commenced prior to the effective date of this Compact shall be subject to the facility license rules in section 6.4.2 of the 2004 Amendment or, if the construction took place or commenced before the 2004 Amendment became effective, the same section of the 1999 Compact.

#### **Sec. 6.4.3. Gaming Employees.**

- (a) Every Gaming Employee shall obtain, and thereafter maintain current, a valid tribal gaming license, and except as provided in subdivision (b), shall obtain, and thereafter maintain current, a State Gaming Agency determination of suitability, which license and determination shall be subject to biennial renewal; provided that in accordance with section 6.4.9, those persons may be employed on a temporary or conditional basis pending completion of the licensing process and the State Gaming Agency determination of suitability.
- (b) A Gaming Employee who is required to obtain and maintain current a valid tribal gaming license under subdivision (a) is not required to obtain or maintain a State Gaming Agency determination of suitability if any of the following applies:
  - (1) The employee is subject to the licensing requirement of subdivision (a) solely because he or she is a person who conducts, operates, maintains, repairs, or assists in Gaming Activities, provided that this exception shall not apply if he or she supervises Gaming Activities or persons who conduct,

operate, maintain, repair, assist, account for or supervise any such Gaming Activity, and is empowered to make discretionary decisions affecting the conduct of the Gaming Activities.

- (2) The employee is subject to the licensing requirement of subdivision (a) solely because he or she is a person whose employment duties require or authorize access to areas of the Gaming Facility that are not open to the public, provided that this exception shall not apply if he or she supervises Gaming Activities or persons who conduct, operate, maintain, repair, assist, account for or supervise any such Gaming Activity, and is empowered to make discretionary decisions affecting the conduct of the Gaming Activities.
  - (3) The employee is subject to the licensing requirement of subdivision (a) solely because he or she is a Tribal Gaming Agency employee with access to confidential information.
  - (4) The State Gaming Agency, in consultation with the Tribal Gaming Agency, exempts the Gaming Employee from the requirement to obtain or maintain current a State Gaming Agency determination of suitability.
- (c) Notwithstanding subdivision (b), where the State Gaming Agency determines it is reasonably necessary, the State Gaming Agency is authorized to review the tribal license application, and all materials and information received by the Tribal Gaming Agency in connection therewith, for any person whom the Tribal Gaming Agency has licensed, or proposes to license, as a Gaming Employee. If the State Gaming Agency determines that the person would be unsuitable for issuance of a license or permit for a similar level of employment in a gambling establishment subject to the jurisdiction of the State, it shall notify the Tribal Gaming Agency of its determination and the reasons supporting its determination. The Tribal Gaming Agency shall thereafter conduct a hearing in accordance with section 6.5.5 to reconsider issuance of the tribal gaming license and shall notify the State Gaming Agency of its determination immediately after the hearing, which shall be final unless made the subject of dispute resolution pursuant to section 13.0 within thirty (30) days of such notification.

- (d) The Tribe shall not employ, or continue to employ, any person whose application to the State Gaming Agency for a determination of suitability or for a renewal of such a determination has been denied, or whose determination of suitability has expired without renewal.
- (e) Notwithstanding subdivision (d), the Tribe may employ or retain in its employ a person whose application for a determination of suitability, or for a renewal of such a determination, has been denied by the State Gaming Agency, if the person is a tribal citizen and if:
  - (1) The tribal citizen holds a valid and current license issued by the Tribal Gaming Agency that must be renewed at least biennially;
  - (2) The denial of the application by the State Gaming Agency is based solely on activities, conduct, or associations that antedate, by at least five (5) years, the filing of the tribal citizen's initial application to the State Gaming Agency for a determination of suitability; and
  - (3) The tribal citizen is not an employee or agent of any other gaming operation.

For purposes of this subdivision (e), "tribal citizen" refers to the enrolled citizens of the Tribe.

- (f) At any time after five (5) years following the effective date of this Compact, either party to this Compact may request renegotiation of the scope of coverage of subdivision (b) or (c).
- (g) This section shall not apply to members of the Tribal Gaming Agency.

#### **Sec. 6.4.4. Gaming Resource Suppliers.**

- (a) Every Gaming Resource Supplier shall be licensed by the Tribal Gaming Agency prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility. Unless the Tribal Gaming Agency licenses the Gaming Resource Supplier pursuant to

subdivision (d), the Gaming Resource Supplier shall also apply to, and the Tribe shall require it to apply to, the State Gaming Agency for a determination of suitability at least thirty (30) days, unless such thirty (30) days is shortened by the Tribal Gaming Agency, prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility, except that for Gaming Devices the period specified under section 7.1, subdivision (a)(1), shall govern. The period during which a determination of suitability as a Gaming Resource Supplier is valid expires on the earlier of (i) the date two (2) years following the date on which the determination is issued, unless a different expiration date is specified by the State Gaming Agency, or (ii) the date of its revocation by the State Gaming Agency. If the State Gaming Agency denies or revokes a determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license and shall not reissue any license to that Gaming Resource Supplier unless and until the State Gaming Agency makes a determination that the Gaming Resource Supplier is suitable. The license and determination of suitability shall be reviewed at least every two (2) years for continuing compliance. For purposes of section 6.5.2, such a review shall be deemed to constitute an application for renewal. In connection with such a review, the Tribal Gaming Agency shall require the Gaming Resource Supplier to update all information provided in the previous application.

- (b) Any agreement between the Tribe and a Gaming Resource Supplier shall include a provision for its termination without further liability on the part of the Tribe, except for the bona fide payment of all outstanding sums (exclusive of interest) owed as of, or payment for services or materials received up to, the date of termination, upon revocation or non-renewal of the Gaming Resource Supplier's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. Except as set forth above, the Tribe shall not enter into, or continue to make payments to a Gaming Resource Supplier pursuant to, any contract or agreement for the provision of Gaming Resources with any person or entity whose application to the State Gaming Agency for a determination of suitability has been denied or revoked or whose determination of suitability has expired without renewal.

- (c) Notwithstanding subdivision (a), the Tribal Gaming Agency may license a Management Contractor for a period of no more than seven (7) years, but the Management Contractor must still apply for renewal of a determination of suitability by the State Gaming Agency at least every two (2) years, and where the State Gaming Agency denies or revokes a determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the license and shall not reissue any license to that Management Contractor unless and until the State Gaming Agency makes a determination that the Management Contractor is suitable. Except for where the State Gaming Agency has denied or revoked its determination of suitability, nothing in this subdivision shall be construed to bar the Tribal Gaming Agency from issuing additional new licenses to the same Management Contractor following the expiration of a seven (7)-year license.
- (d) The Tribal Gaming Agency may elect to license a person or entity as a Gaming Resource Supplier without requiring it to apply to the State Gaming Agency for a determination of suitability under subdivision (a) if the Gaming Resource Supplier has already been issued a determination of suitability that is then valid. In that case, the Tribal Gaming Agency shall immediately notify the State Gaming Agency of its licensure of the person or entity as a Gaming Resource Supplier, and shall identify in its notification the State Gaming Agency determination of suitability on which the Tribal Gaming Agency has relied in proceeding under this subdivision (d). Subject to the Tribal Gaming Agency's compliance with the requirements of this subdivision, a Gaming Resource Supplier licensed under this subdivision may, during and only during the period in which the determination of suitability remains valid, engage in the sale, lease, or distribution of Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility, without applying to the State Gaming Agency for a determination of suitability. The issuance of a license under this subdivision is in all cases subject to any later determination by the State Gaming Agency that the Gaming Resource Supplier is not suitable or to a tribal gaming license suspension or revocation pursuant to section 6.5.1, and does not extend the time during which the determination of suitability relied on by the Tribal Gaming Agency is valid. A license issued under this subdivision expires upon

the revocation or expiration of the determination of suitability relied on by the Tribal Gaming Agency. Nothing in this subdivision affects the obligations of the Tribal Gaming Agency, or of the Gaming Resource Supplier, under section 6.5.2 and section 6.5.6 of this Compact.

- (e) Except where subdivision (d) applies, within twenty-one (21) days of the issuance of a license to a Gaming Resource Supplier, the Tribal Gaming Agency shall transmit to the State Gaming Agency a copy of the license. A copy of all tribal license application materials and information received by the Tribal Gaming Agency from the Applicant that is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation, must be made available to the State Gaming Agency upon request.
- (f) The State Gaming Agency shall retain the discretion to waive, in whole or in part, receipt of materials otherwise required by this Compact to be provided by the Tribal Gaming Agency or the Tribe.

**Sec. 6.4.5. Financial Sources.**

- (a) Subject to subdivision (g) of this section 6.4.5, each Financial Source shall be licensed by the Tribal Gaming Agency prior to the Financial Source extending any financing in connection with the Tribe's Gaming Operation or Facility.
- (b) Every Financial Source required to be licensed by the Tribal Gaming Agency shall, contemporaneously with the filing of its tribal license application, apply to the State Gaming Agency for a determination of suitability. In the event the State Gaming Agency denies the determination of suitability, the Tribal Gaming Agency shall immediately deny or revoke the Financial Source's license.
- (c) A license issued under this section 6.4.5 shall be reviewed at least every two (2) years for continuing compliance. In connection with that review, the Tribal Gaming Agency shall require the Financial Source to update all information provided in the Financial Source's previous application. For purposes of this section 6.5.2, that review shall be deemed to constitute an application for renewal.

- (d) Any agreement between the Tribe and a Financial Source shall include, and shall be deemed to include, a provision for its termination without further liability on the part of the Tribe, except for the bona fide repayment of all outstanding sums (exclusive of interest) owed as of the date of termination upon revocation or non-renewal of the Financial Source's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. The Tribe shall not enter into, or continue to make payments pursuant to, any contract or agreement for the provision of financing with any person whose application to the State Gaming Agency for a determination of suitability has been denied or revoked or has expired without renewal.
- (e) A Gaming Resource Supplier who provides financing exclusively in connection with the provision, sale, or lease of Gaming Resources obtained from that Gaming Resource Supplier may be licensed solely in accordance with the licensing procedures applicable, if at all, to Gaming Resource Suppliers, and need not be separately licensed as a Financial Source under this section.
- (f) Within twenty-one (21) days of the issuance of a license to a Financial Source, the Tribal Gaming Agency shall transmit to the State Gaming Agency a copy of the license. Upon issuance of a license, the Tribal Gaming Agency shall direct the Financial Source licensee to transmit to the State Gaming Agency within twenty-one (21) days a copy of all license application materials and information submitted to the Tribal Gaming Agency.
- (g) (1) The Tribal Gaming Agency may, at its discretion, exclude from the licensing requirements of this section the following Financial Sources under the circumstances stated:
  - (A) Any federally-regulated or state-regulated bank, savings and loan association, or other federally- or state-regulated lender and any fund or other investment vehicle which is administered or managed by any such entity.
  - (B) Any entity described in the Commission's Uniform Tribal Gaming Regulation CGCC-2, subdivision (f) (as in effect on July 1, 2006), when that entity is a Financial

Source solely by reason of being (i) a purchaser or a holder of debt securities or other forms of indebtedness issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation or (ii) the owner of a participation interest in any amount of indebtedness for which a Financial Source described in subdivision (g)(1)(A), or any fund or other investment vehicle which is administered or managed by any such Financial Source, is the creditor.

- (C) Any investor who, alone or together with any person or persons controlling, controlled by or under common control with such investor, holds less than ten percent (10%) of all outstanding debt securities issued directly or indirectly by the Tribe for a Gaming Facility or for the Gaming Operation.
  - (D) An agency of the federal, the State or local government providing financing, together with any person purchasing any debt securities or other forms of indebtedness of the agency to provide such financing.
  - (E) A real estate investment trust (as defined in 26 U.S.C. § 856(a)) which is publicly traded on a stock exchange, registered with the Securities and Exchange Commission, and subject to regulatory oversight of the Securities and Exchange Commission.
  - (F) An entity or category of entities that the State Gaming Agency and the Tribal Gaming Agency jointly determine can be excluded from the licensing requirements of this section 6.4.5 without posing a threat to the public interest or the integrity of the Gaming Operation.
- (2) In any case where the Tribal Gaming Agency elects to exclude a Financial Source from the licensing requirements of this section, the Tribal Gaming Agency shall give prompt notice thereof to the State Gaming Agency, shall give reasonable advance notice of any extension of financing by the Financial

Source in connection with the Tribe's Gaming Operation or Facility, and upon request of the State Gaming Agency, shall provide it with all documentation supporting the Tribal Gaming Agency's exclusion of the Financial Source from the licensing requirements of this section 6.4.5. The Tribal Gaming Agency and the State Gaming Agency shall confer and make good faith efforts to promptly resolve any dispute regarding the Tribal Gaming Agency's decision to exclude a Financial Source from the licensing requirements of this section. Any dispute regarding a decision to exclude a Financial Source from the licensing requirements of this section that cannot be promptly resolved by the Tribal Gaming Agency and the State Gaming Agency shall be resolved through the dispute resolution provisions in section 13.0.

- (3) Notwithstanding subdivision (g)(1), the Tribal Gaming Agency and the State Gaming Agency shall work collaboratively to resolve any reasonable concerns regarding the ongoing excludability of an individual or entity as a Financial Source. Any dispute between the Tribal Gaming Agency and the State Gaming Agency pertaining to the excludability of an individual or entity as a Financial Source shall be resolved by the dispute resolution provisions in section 13.0.
- (4) The following are not Financial Sources for purposes of this section 6.4.5:
  - (A) An entity identified by the Commission's Uniform Tribal Gaming Regulation CGCC-2, subdivision (h) (as in effect on July 1, 2006).
  - (B) A person or entity whose sole connection with a provision or extension of financing to the Tribe is to provide loan brokerage or debt servicing for a Financial Source at no cost to the Tribe or the Gaming Operation, provided that no portion of any financing provided is an extension of credit to the Tribe or the Gaming Operation by that person or entity.

- (h) In recognition of changing financial circumstances, this section 6.4.5 shall be subject to good faith renegotiation upon request of either party in or after five (5) years from the effective date of this Compact; provided such renegotiation shall not retroactively affect transactions that have already taken place where the Financial Source has been excluded or exempted from licensing requirements.

**Sec. 6.4.6. Processing Tribal Gaming License Applications.**

- (a) Each Applicant for a tribal gaming license shall submit the completed application along with the required information and an application fee, if required, to the Tribal Gaming Agency in accordance with the rules and regulations of that agency.
- (b) At a minimum, the Tribal Gaming Agency shall require submission and consideration of all information required under IGRA, including part 556.4 of title 25 of the Code of Federal Regulations, for licensing primary management officials and key employees.
- (c) For Applicants that are business entities, these licensing provisions shall apply to the entity as well as: (i) each of its officers, limited liability members, and directors; (ii) each of its principal management employees, including any chief executive officer, chief financial officer, chief operating officer, and general manager; (iii) each of its owners, or partners, if an unincorporated business; (iv) each of its shareholders who owns more than ten percent (10%) of the shares of the corporation, if a corporation, or who has a direct controlling interest in the Applicant; and (v) each person or entity (other than a Financial Source that the Tribal Gaming Agency has determined does not require a license under section 6.4.5) that, alone or in combination with others, has provided financing in connection with any Gaming Operation or Class III Gaming authorized under this Compact, if that person or entity provided more than ten percent (10%) of either the start-up capital or the operating capital, or of a combination thereof, over a twelve (12)-month period. For purposes of this subdivision, where there is any commonality of the characteristics identified in this section 6.4.6, subdivision (c)(i) through (c)(v), inclusive, between any two (2) or more entities, those entities may be deemed to be a single entity. For purposes of this subdivision, a direct controlling interest in

the Applicant referred to in subdivision (c)(iv) excludes any passive investor or anyone who has an indirect or only a financial interest and does not have the ability to control, manage, or direct the management decisions of the Applicant.

- (d) Nothing herein precludes the Tribe or Tribal Gaming Agency from requiring more stringent licensing requirements.

**Sec. 6.4.7. Suitability Standard Regarding Gaming Licenses.**

- (a) In reviewing an application for a tribal gaming license, and in addition to any standards set forth in the Gaming Ordinance, the Tribal Gaming Agency shall consider whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the Tribe's Gaming Operation is free from criminal and dishonest elements and would be conducted honestly.
- (b) A license may not be issued unless, based on all information and documents submitted, the Tribal Gaming Agency is satisfied that the Applicant, and in the case of an entity, each individual identified in section 6.4.6, meets all the following requirements:
  - (1) The person is of good character, honesty, and integrity.
  - (2) The person's prior activities, criminal record (if any), reputation, habits, and associations do not pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the conduct of gaming, or in the carrying on of business and financial arrangements incidental thereto.
  - (3) The person is in all other respects qualified to be licensed as provided, and meets the criteria established in this Compact, IGRA, NIGC regulations, the Gaming Ordinance, and any other criteria adopted by the Tribal Gaming Agency or the Tribe; provided, however, an Applicant shall not be found to be unsuitable solely on the ground that the Applicant was an

employee of a tribal gaming operation in California that was conducted prior to May 16, 2000.

**Sec. 6.4.8. Background Investigations of Applicants.**

- (a) The Tribal Gaming Agency shall conduct or cause to be conducted all necessary background investigations reasonably required to determine that the Applicant is qualified for a gaming license under the standards set forth in section 6.4.7, and to fulfill all applicable requirements for licensing under IGRA, NIGC regulations, the Gaming Ordinance, and this Compact. The Tribal Gaming Agency shall not issue a gaming license, other than a temporary license pursuant to section 6.4.9, until a determination is made that those qualifications have been met.
- (b) In lieu of completing its own background investigation, and to the extent that doing so does not conflict with or violate IGRA or the Tribe's Gaming Ordinance, the Tribal Gaming Agency may contract with the State Gaming Agency for the conduct of background investigations, may rely on a State determination of suitability previously issued under a Class III Gaming compact involving another tribe and the State, or may rely on a State Gaming Agency license previously issued to the Applicant, to fulfill some or all of the Tribal Gaming Agency's background investigation obligations.
- (c) An Applicant for a tribal gaming license shall be required to provide releases to the State Gaming Agency to make available to the Tribal Gaming Agency background information regarding the Applicant. The State Gaming Agency shall cooperate in furnishing to the Tribal Gaming Agency that information, unless doing so would violate state or federal law, would violate any agreement the State Gaming Agency has with a source of the information other than the Applicant, or would impair or impede a criminal investigation, or unless the Tribal Gaming Agency cannot provide sufficient safeguards to assure the State Gaming Agency that the information will remain confidential.

#### **Sec. 6.4.9. Temporary Licensing of Gaming Employees.**

- (a) If the Applicant has completed a license application in a manner satisfactory to the Tribal Gaming Agency, and that agency has conducted a preliminary background investigation, and the investigation or other information held by that agency does not indicate that the Applicant has a criminal history or other information in his or her background that would either automatically disqualify the Applicant from obtaining a tribal gaming license or cause a reasonable person to investigate further before issuing a license, or that the Applicant is otherwise unsuitable for licensing, the Tribal Gaming Agency may issue a temporary tribal gaming license and may impose such specific conditions thereon pending completion of the Applicant's background investigation, as the Tribal Gaming Agency in its sole discretion shall determine.
- (b) Special fees may be required by the Tribal Gaming Agency to issue or maintain a temporary tribal gaming license.
- (c) A temporary tribal gaming license shall remain in effect until suspended or revoked, or a final determination is made on the application, or for a period of up to one (1) year, whichever comes first.
- (d) At any time after issuance of a temporary tribal gaming license, the Tribal Gaming Agency shall or may, as the case may be, suspend or revoke it in accordance with the provisions of sections 6.5.1 or 6.5.5, and the State Gaming Agency may request suspension or revocation before making a determination of unsuitability.
- (e) Nothing herein shall be construed to relieve the Tribe of any obligation under part 558 of title 25 of the Code of Federal Regulations.

#### **Sec. 6.5. Tribal Gaming License Issuance.**

Upon completion of the necessary background investigation, the Tribal Gaming Agency may issue a tribal gaming license on a conditional or unconditional basis. Nothing herein shall create a property or other right of an

Applicant in an opportunity to be licensed, or in a tribal gaming license itself, both of which shall be considered to be privileges granted to the Applicant in the sole discretion of the Tribal Gaming Agency.

**Sec. 6.5.1. Denial, Suspension, or Revocation of Licenses.**

- (a) Any Applicant's application for a tribal gaming license may be denied, and any license issued may be revoked, if the Tribal Gaming Agency determines that the application is incomplete or deficient, or if the Applicant is determined to be unsuitable or otherwise unqualified for a tribal gaming license.
- (b) Pending consideration of revocation, the Tribal Gaming Agency may suspend a tribal gaming license in accordance with section 6.5.5.
- (c) All rights to notice and hearing shall be governed by tribal law and comport with federal procedural due process by, for instance, providing the employee with notice reasonably calculated to apprise the employee of the pendency of the determination, an opportunity to review materials upon which the charge is based in such a manner that does not compromise security or regulation of the Gaming Operation, and an opportunity to be heard. The Applicant shall be notified in writing of the hearing and given notice of any intent to suspend or revoke the tribal gaming license.
- (d) Notwithstanding anything to the contrary herein, upon receipt of notice that the State Gaming Agency has determined that a person would be unsuitable for licensure in a gambling establishment subject to the jurisdiction of the State Gaming Agency, the Tribal Gaming Agency shall deny that person a tribal gaming license and promptly, and in no event more than thirty (30) days from the State Gaming Agency notification, revoke any tribal gaming license that has theretofore been issued to that person; provided that the Tribal Gaming Agency may, in its discretion, reissue a tribal gaming license to the person following entry of a final judgment reversing the determination of the State Gaming Agency in a proceeding between the Applicant and the State Gaming Agency in state court conducted pursuant to section 1085 of the California Code of Civil Procedure.

### **Sec. 6.5.2. Renewal of Licenses; Extensions; Further Investigation.**

- (a) Except as provided in section 6.4.4, subdivision (c), the term of a tribal gaming license shall not exceed two (2) years, and application for renewal of a license must be made prior to its expiration. Applicants for renewal of a license shall provide updated material, as requested, on the appropriate renewal forms, but, at the discretion of the Tribal Gaming Agency, may not be required to resubmit historical data previously submitted or which is otherwise available to the Tribal Gaming Agency. At the discretion of the Tribal Gaming Agency, an additional background investigation may be required at any time if the Tribal Gaming Agency determines the need for further information concerning the Applicant's continuing suitability or eligibility for a license.
- (b) Prior to renewing a license, the Tribal Gaming Agency shall deliver to the State Gaming Agency copies of all information and documents received in connection with the application for renewal of the tribal gaming license, which is not otherwise prohibited or restricted from disclosure under applicable federal law or regulation, for purposes of the State Gaming Agency's consideration of renewal of its determination of suitability.
- (c) At the discretion of the State Gaming Agency, an additional background investigation may be required if the State Gaming Agency determines the need for further information concerning the Applicant's continuing suitability for a license.

### **Sec. 6.5.3. Identification Cards.**

- (a) The Tribal Gaming Agency shall require that all persons who are required to be licensed wear, in plain view at all times while in the Gaming Facility, identification badges issued by the Tribal Gaming Agency. The Tribal Gaming Agency may allow temporary exceptions to this provision for the purposes of authorizing investigators who are actively investigating a matter within the Gaming Facility to monitor Gaming Activities.

- (b) Identification badges must display information, including, but not limited to, a photograph and the person's name, which is adequate to enable members of the public and agents of the Tribal Gaming Agency to readily identify the person and determine the validity and date of expiration of his or her license.
- (c) Upon request, the Tribe shall provide the State Gaming Agency with the name, badge identification number (if any), and job title of all Gaming Employees.

#### **Sec. 6.5.4. Fees for Tribal Gaming License.**

The fees for all tribal gaming licenses shall be set by the Tribal Gaming Agency.

#### **Sec. 6.5.5. Summary Suspension of Tribal Gaming License.**

The Tribal Gaming Agency shall summarily suspend the tribal gaming license of any employee if the Tribal Gaming Agency determines that the continued licensing of the person constitutes a threat to the public health or safety or may summarily suspend the license of any employee if the Tribal Gaming Agency determines that the continued licensing of the person may violate the Tribal Gaming Agency's licensing or other standards. Any hearing in regard thereto shall be governed by tribal law and comport with federal due process by, for instance, providing the employee with notice reasonably calculated to apprise the employee of the pendency of the determination, an opportunity to review materials upon which the charge is based in such a manner that does not compromise security or regulation of the Gaming Operation, and an opportunity to be heard.

#### **Sec. 6.5.6. State Determination of Suitability Process.**

- (a) With respect to Gaming Employees as to whom a determination of suitability is required, upon receipt of an Applicant's completed license application and a determination to issue either a temporary or permanent license, the Tribal Gaming Agency shall transmit within twenty-one (21) days to the State Gaming Agency for a determination of suitability for licensure under the California Gambling Control Act

a notice of intent to license the Applicant, together with all of the following:

- (1) A copy of all tribal license application materials and information received by the Tribal Gaming Agency from the Applicant, which is not otherwise restricted from disclosure under applicable federal law or regulation.
  - (2) A complete set of fingerprint impressions, rolled by a certified fingerprint roller, transmitted electronically.
  - (3) A current photograph.
  - (4) Except to the extent waived by the State Gaming Agency, such releases of information, waivers, and other completed and executed forms as have been obtained by the Tribal Gaming Agency.
- (b) Upon receipt of a written request from a Gaming Resource Supplier or a Financial Source for a determination of suitability, the State Gaming Agency shall transmit an application package to the Applicant to be completed and returned to the State Gaming Agency for purposes of allowing it to make a determination of suitability for licensure.
- (c) Investigation and disposition of applications for a determination of suitability shall be governed entirely by State law, and the State Gaming Agency shall determine whether the Applicant would be found suitable for licensure in a gambling establishment subject to the State Gaming Agency's jurisdiction. Additional information may be required by the State Gaming Agency to assist it in its background investigation, to the extent permitted under State law for licensure in a gambling establishment subject to the State Gaming Agency's jurisdiction.
- (d) The Tribal Gaming Agency shall require a licensee to apply for renewal of a determination of suitability by the State Gaming Agency at such time as the licensee applies for renewal of a tribal gaming license.

- (e) Upon receipt of completed license or license renewal application information from the Tribal Gaming Agency, the State Gaming Agency may conduct a background investigation pursuant to state law to determine whether the Applicant is suitable to be licensed for association with Class III Gaming operations. While the Tribal Gaming Agency shall ordinarily be the primary source of application information, the State Gaming Agency is authorized to directly seek application information from the Applicant. The Tribal Gaming Agency shall provide to the State Gaming Agency summary reports, including any derogatory information, of the background investigations conducted by the Tribal Gaming Agency and the NIGC, written statements by the Applicant, and related applications, if any, for Gaming Employees, Gaming Resource Suppliers, and Financial Sources. If further investigation is required to supplement the investigation conducted by the Tribal Gaming Agency, the Applicant will be required to pay the application fee charged by the State Gaming Agency pursuant to California Business and Professions Code section 19951, subdivision (a), but any deposit requested by the State Gaming Agency pursuant to section 19867 of that code shall take into account reports of the background investigation already conducted by the Tribal Gaming Agency and the NIGC, if any. Failure to provide information reasonably required by the State Gaming Agency to complete its investigation under State law or failure to pay the application fee or deposit can constitute grounds for denial of the application by the State Gaming Agency. The State Gaming Agency and Tribal Gaming Agency shall cooperate in sharing as much background information as possible, both to maximize investigative efficiency and thoroughness, and to minimize investigative costs.
- (f) Upon completion of the necessary background investigation or other verification of suitability, the State Gaming Agency shall issue a notice to the Tribal Gaming Agency certifying that the State has determined that the Applicant is suitable, or that the Applicant is unsuitable, for licensure in a Gaming Operation and, if unsuitable, stating the reasons therefore. Issuance of a determination of suitability does not preclude the State Gaming Agency from a subsequent determination based on newly discovered information that a person or entity is unsuitable for the purpose for which the person or

entity is licensed. Upon receipt of notice that the State Gaming Agency has determined that a person or entity is or would be unsuitable for licensure, the Tribal Gaming Agency shall deny that person or entity a license and promptly, and in no event more than thirty (30) days from the issuance of the State Gaming Agency notification, revoke any tribal gaming license that has theretofore been issued to that person or entity; provided that the Tribal Gaming Agency may, in its discretion, reissue a tribal gaming license to the person or entity following entry of a final judgment reversing the determination of the State Gaming Agency in a proceeding in state court between the Applicant and the State Gaming Agency conducted pursuant to section 1085 of the California Code of Civil Procedure.

- (g) Prior to denying an application for a determination of suitability, or to issuing notice to the Tribal Gaming Agency that a person or entity previously determined to be suitable had been determined unsuitable for licensure, the State Gaming Agency shall notify the Tribal Gaming Agency and afford the Tribe an opportunity to be heard. If the State Gaming Agency denies an application for a determination of suitability, or issues notice that a person or entity previously determined suitable has been determined unsuitable for licensure, the State Gaming Agency shall provide that person or entity with written notice of all appeal rights available under state law.
- (h) The Commission, or its successor, shall maintain a roster of Gaming Resource Suppliers and Financial Sources that it has determined to be suitable pursuant to the provisions of this section, or through separate procedures to be adopted by the Commission. Upon application to the Tribal Gaming Agency for a tribal gaming license, a Gaming Resource Supplier or Financial Source that appears on the Commission's suitability roster may be licensed by the Tribal Gaming Agency in the same manner as a Gaming Resource Supplier under subdivision (d) of section 6.4.4, subject to any later determination by the State Gaming Agency that the Gaming Resource Supplier or Financial Source is not suitable or to a tribal gaming license suspension or revocation pursuant to sections 6.5.1 or 6.5.5; provided that nothing in this subdivision exempts the Gaming Resource Supplier or Financial Source from applying for a renewal of a State determination of suitability.

## **Sec. 6.6. Submission of New Application.**

Except as expressly provided otherwise in section 6.4.4, subdivisions (a) and (c), nothing in section 6.0 shall be construed to preclude an Applicant who has been determined to be unsuitable for licensure by the State Gaming Agency, or the Tribe on behalf of such Applicant, from later submitting a new application for a determination of suitability by the State Gaming Agency in accordance with section 6.0.

## **SECTION 7.0. APPROVAL AND TESTING OF GAMING DEVICES.**

### **Sec. 7.1. Gaming Device Approval.**

- (a) No Gaming Device may be offered for play unless all the following occurs:
  - (1) The manufacturer or distributor which sells, leases, or distributes such Gaming Device (i) has applied for a determination of suitability by the State Gaming Agency at least fifteen (15) days before it is offered for play, (ii) has not been found to be unsuitable by the State Gaming Agency, and (iii) has been licensed by the Tribal Gaming Agency;

- (b) The Tribal Gaming Agency shall be empowered by the Gaming Ordinance to impose fines or other sanctions within the jurisdiction of the Tribe against gaming licensees who interfere with or violate the Tribe's gaming regulatory requirements and obligations under IGRA, NIGC gaming regulations, the Gaming Ordinance, or this Compact as long as the fines or sanctions comport with federal due process by, for instance, providing the employee with notice reasonably calculated to apprise the employee of the pendency of the determination, an opportunity to review materials upon which the charge is based in such a manner that does not compromise security or regulation of the Gaming Operation, and an opportunity to be heard.
- (c) The Tribal Gaming Agency shall report violations of this Compact that pose a substantial threat to gaming integrity, public health and safety, or the environment, or continued violations that, if isolated might not require reporting, but cumulatively pose a threat to gaming integrity, public health and safety, or the environment, and any failures to comply with the Tribal Gaming Agency's orders, to the Commission and the Bureau of Gambling Control in the California Department of Justice within ten (10) days of discovery.

If the Executive Director is unavailable, the inspector shall notify the most senior Tribal Gaming Agency employee on duty at the time. The Tribal Gaming Agency, in its sole discretion, may require a member of the Tribal Gaming Agency to accompany the State Gaming Agency inspector at all times that the State Gaming Agency inspector is in a non-public area of the Gaming Facility. If the Tribal Gaming Agency imposes such a requirement, it shall require such member to be available at all times for those purposes and shall ensure that the member has the ability to gain immediate access to all non-public areas of the Gaming Facility.
- (d) Nothing in this Compact shall be construed to limit the State Gaming Agency to one inspector during inspections.

#### **Sec. 8.4. Inspection, Copying and Confidentiality of Documents.**

- (a) Inspection and copying of Gaming Operation papers, books, and records, that the State Gaming Agency reasonably deems necessary to ensure compliance with the terms of this Compact, may occur at any time, immediately after the State Gaming Agency gives notice to the Tribal Gaming Agency, during the hours from 8:00 a.m. to 5:00 p.m. Monday through Friday, and at any other time that a Tribal Gaming Agency employee is available onsite with physical access to offices, including off-site facilities, where the papers, books, and records are kept. The State Gaming Agency's written request shall describe those papers, books, and records requested to be copied with sufficient specificity to reasonably identify the requested documents. Within ten (10) days after it receives the request, or such other time as the State Gaming Agency may agree in writing, the Tribal Gaming Agency shall provide one (1) copy of the requested papers, books, and records to the requesting State Gaming Agency. An electronic version of the requested papers, books, and records may be submitted to the State Gaming Agency in lieu of a paper copy so long as the software required to access the electronic version is reasonably available to the State Gaming Agency and the State Gaming Agency does not object.
- (c) Notwithstanding any other provision of California law, any confidential information and records, as defined in subdivision (d), that the State Gaming Agency obtains or copies pursuant to this Compact shall be, and remain, the property solely of the Tribe; provided that such confidential information and records and copies may be retained by the State Gaming Agency as is reasonably necessary to assure the Tribe's compliance with this Compact or to complete any investigation of suspected criminal activity; and provided further that the State Gaming Agency may provide such confidential information and records and copies to federal law enforcement and other state agencies or consultants that the State deems reasonably necessary in order to assure the Tribe's compliance with this Compact, in order to renegotiate any provision thereof, or in order to conduct or complete any investigation of suspected criminal activity in connection with the Gaming Activities or the operation of the Gaming Facility or the Gaming Operation.

- (e) The State Gaming Agency and all other state agencies and consultants to which it provides information and records obtained pursuant to subdivisions (a) or (b) of this section, which are confidential pursuant to subdivision (d), will exercise care in the preservation of the confidentiality of such information and records and will apply the highest standards of confidentiality provided under California state law to preserve such information and records from disclosure until such time as the information or record is no longer confidential or disclosure is authorized by the Tribe, by mutual agreement of the Tribe and the State, or pursuant to the arbitration procedures under section 13.2. The State Gaming Agency and all other state agencies and consultants may disclose confidential information or records as necessary to fully adjudicate or resolve a dispute arising pursuant to the Compact, in which case the State Gaming Agency and all other state agencies and consultants agree to preserve confidentiality to the greatest extent feasible and available. Before the State Gaming Agency provides confidential information and records to a consultant as authorized under subdivision (c), it shall enter into a confidentiality agreement with that consultant that meets the standards of this subdivision.
- (f) The Tribe may avail itself of any and all remedies under State law for the improper disclosure of confidential information and records. In the case of any disclosure of confidential information and records compelled by judicial process, the State Gaming Agency will give the Tribe prompt notice of the order compelling disclosure and a reasonable opportunity to interpose an objection thereto with the court.

The compliance review shall be reasonable in scope and duration and the State Gaming Agency shall cooperate with the Tribe to avoid disruption of the Gaming Operation's business as a result of the compliance review. Upon the discovery of an irregularity that the State Gaming Agency reasonably determines may be a threat to gaming integrity or public safety, and after consultation with the Tribal Gaming Agency, the State Gaming Agency may conduct additional periodic reviews of any part of the Gaming Operation, Gaming Facility, and Gaming Activities and other activities subject to this Compact in order to ensure compliance with all provisions of this Compact and its Appendices. Nothing in this section shall be construed to supersede any other audits, inspections, investigations, and monitoring authorized by this Compact.

  - (1) If the patron's Initial Complaint is not resolved to the patron's satisfaction by the Gaming Operation's management, the patron shall be given written notice by the Gaming Operation that the patron has the right to request, in writing, resolution of the complaint by the Tribal Gaming Agency. The patron must make the request to the Tribal Gaming Agency within fifteen (15) days of receiving the Gaming Operation's written notification. If the patron is dissatisfied with the Tribal Gaming Agency's resolution of the complaint, the patron may seek resolution in either the Tribe's tribal court system, or through binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subdivision (c).
  - (2) The written notice provided by the Gaming Operation must contain notice of all procedural provisions in subdivision (a)(1). If the patron is not provided with written notice by the Gaming Operation within thirty (30) days of the patron's submission of the Initial Complaint, then the patron may seek resolution of the complaint by the Tribal Gaming Agency up to one hundred eighty (180) days after submission of the Initial Complaint, and if the patron is dissatisfied with the Tribal Gaming Agency's resolution, the patron may seek resolution in either the Tribe's tribal court system, or through binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subdivision (c).
  - (3) An explanation of the dispute resolution process shall be posted or otherwise made available in each Gaming Facility.
- (b) Upon receipt of the patron's written request for a resolution of the patron's complaint pursuant to subdivision (a), the Tribal Gaming Agency shall conduct an investigation, shall provide to the patron a copy of its regulations concerning patron complaints, and shall render a decision consistent with industry practice. The Tribal Gaming Agency's decision shall be issued within sixty (60) days of the

patron's written request, shall be in writing, shall be based on the facts surrounding the dispute, and shall set forth the reasons for the decision.

- (c) If the patron is dissatisfied with the decision of the Tribal Gaming Agency issued pursuant to subdivision (b), or no decision is issued within the sixty (60) day period, the patron may request that any such complaint over any claimed prizes or winnings and the amount thereof, be settled by binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the streamlined arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent). Upon such request, the Tribe shall consent to such arbitration and agree to abide by the decision of the arbitrator; provided, however, that if any alleged winnings are found to be a result of a mechanical, electronic or electromechanical failure and not due to the intentional acts or gross negligence of the Tribe or its agents, the arbitrator shall deny the patron's claim for the winnings but shall award reimbursement of the amounts wagered by the patron which were lost as a result of any mechanical, electronic or electromechanical failure.
- (d) To effectuate its consent, the Tribe shall, in the exercise of its sovereignty, waive its right to assert sovereign immunity in connection with the arbitrator's jurisdiction and in any action to (i) enforce the parties' obligation to arbitrate, (ii) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon such award. The cost and expenses of the arbitration shall be initially borne by the Tribe but the arbitrator shall award to the prevailing party its costs and expenses (but not attorney fees). Any party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent); provided that the party making such election must bear all costs and expenses of JAMS and the arbitrators associated with the JAMS Optional Arbitration Appeal Procedure regardless of the outcome.

## **SECTION 11.0. OFF-RESERVATION ENVIRONMENTAL AND ECONOMIC IMPACTS.**

### **Sec. 11.1. Tribal Environmental Impact Report.**

- (a) Before the commencement of a Project as defined in section 2.22, the Tribe shall cause to be prepared a tribal environmental impact report pursuant to the process and standards required by section 11.0, which is hereinafter referred to as a “TEIR,” analyzing the potentially significant off-reservation environmental impacts of the Project pursuant to the process set forth in this section 11.0; provided, however, that information or data that is relevant to the TEIR and is a matter of public record or is generally available to the public need not be repeated in its entirety in the TEIR, but may be specifically cited as the source for conclusions stated therein; and provided further that such information or data shall be briefly described, that its relationship to the TEIR shall be indicated, and that the source thereof shall be reasonably available for inspection at a public place or public building. The TEIR shall provide detailed information about the Significant Effect(s) on the Off-Reservation Environment that the Project is likely to have, including each of the matters set forth in Appendix B, shall list ways in which the Significant Effects on the Off-Reservation Environment might be minimized, and shall include a detailed statement setting forth all of the following:
  - (1) A description of the physical environmental conditions in the vicinity of the Project (the environmental setting and existing baseline conditions), as they exist at the time the notice of preparation is issued;
  - (2) All Significant Effects on the Off-Reservation Environment of the proposed Project;
  - (3) In a separate section:
    - (A) Any Significant Effect on the Off-Reservation Environment that cannot be avoided if the Project is implemented;

- (B) Any Significant Effect on the Off-Reservation Environment that would be irreversible if the Project is implemented;
  - (4) Mitigation measures proposed to minimize Significant Effects on the Off-Reservation Environment, including, but not limited to, measures to reduce the wasteful, inefficient, and unnecessary consumption of energy;
  - (5) Alternatives to the Project; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands;
  - (6) Whether any proposed mitigation would be feasible;
  - (7) Any direct growth-inducing impacts of the Project; and
  - (8) Whether the proposed mitigation would be effective to substantially reduce the potential Significant Effects on the Off Reservation Environment.
- (b) In addition to the information required pursuant to subdivision (a), the TEIR shall also contain a statement indicating the reasons for determining that various effects of the Project on the off-reservation environment are not significant and consequently have not been discussed in detail in the TEIR. In the TEIR, the direct and indirect Significant Effects on the Off-Reservation Environment, including each of the items in Appendix B, shall be clearly identified and described, giving due consideration to both the short-term and long-term effects. The discussion of mitigation measures shall describe feasible measures that could minimize significant adverse effects, and shall distinguish between the measures that are proposed by the Tribe and other measures proposed by others. Where several measures are available to mitigate an effect, each should be discussed and the basis for selecting a particular measure should be identified. Formulation of mitigation measures should not be deferred until some future time. The TEIR shall also describe a range of reasonable alternatives to the Project or to the location of the Project, which would feasibly attain

most of the basic objectives of the Project and which would avoid or substantially lessen any of the Significant Effects on the Off-Reservation Environment, and evaluate the comparative merits of the alternatives; provided that the Tribe need not address alternatives that would cause it to forgo its right to engage in the Gaming Activities authorized by this Compact on its Indian lands. The TEIR must include sufficient information about each alternative to allow meaningful evaluation, analysis, and comparison. The TEIR shall also contain an index or table of contents and a summary, which shall identify each Significant Effect on the Off-Reservation Environment with proposed measures and alternatives that would reduce or avoid that effect, and issues to be resolved, including the choice among alternatives and whether and how to mitigate the Significant Effects on the Off-Reservation Environment. Previously approved land use documents, including, but not limited to, general plans, specific plans, and local coastal plans, may be used in the cumulative impact analysis. The Tribe shall consider any recommendations from the County concerning the person or entity to prepare the TEIR.

- (c) Subject to the foregoing, the Tribe may determine, in the exercise of its sovereign authority and pursuant to its duly enacted Tribal Environmental Policy Ordinance, enacted August 2, 2016 and as may be amended thereafter, that a particular activity may not cause a Significant Effect on the Off-Reservation Environment. The Tribe shall notify the State within thirty (30) days of any determination made pursuant to its Tribal Environmental Policy Ordinance that a particular activity is not a Project within the meaning of this Compact. If the State objects to the Tribe's determination, the matter shall be resolved in accordance with the dispute resolution provisions of section 13.0.

#### **Sec. 11.2. Notice of Preparation of Draft TEIR.**

- (a) Upon commencing the preparation of the draft TEIR, the Tribe shall issue a Notice of Preparation (NOP) to the State Clearinghouse in the State Office of Planning and Research (State Clearinghouse) and to the County for distribution to the public. The NOP shall provide all Interested Persons with information describing the Project and its potential Significant Effects on the Off-Reservation Environment sufficient to enable Interested Persons to make a meaningful response

or comment. At a minimum, the NOP shall include all of the following information:

- (1) A description of the Project;
  - (2) The proposed location of the Project, shown on a detailed map, preferably topographical, and on a regional map; and
  - (3) The probable off-reservation environmental effects of the Project.
- (b) The NOP shall also inform Interested Persons of the preparation of the draft TEIR and shall inform them of the opportunity to provide comments to the Tribe within thirty (30) days of the date of the receipt of the NOP by the State Clearinghouse and the County. The NOP shall also request Interested Persons to identify in their comments the off-reservation environmental issues, potentially significant off-reservation impacts, and reasonable mitigation measures that the Tribe should analyze in the draft TEIR.

### **Sec. 11.3. Notice of Completion of Draft TEIR.**

- (a) The Tribe shall file a copy of the draft TEIR and a Notice of Completion with the State Clearinghouse, the State Gaming Agency, the County, and the California Department of Justice, Office of the Attorney General. The Tribe shall also post the Notice of Completion and a copy of the draft TEIR on its website. The Notice of Completion shall include all of the following information:
- (1) A brief description of the Project;
  - (2) The proposed location of the Project;
  - (3) An address where copies of the draft TEIR are available; and
  - (4) Notice of a period of forty-five (45) days during which comments on the draft TEIR may be submitted to the Tribe.
- (b) The Tribe will submit forty-five (45) copies each of the draft TEIR and the Notice of Completion to the County, which will be asked to

serve in a timely manner the Notice of Completion to all Interested Persons and asked to post public notice of the draft TEIR at the office of the County Board of Supervisors and to furnish the public notice at the public libraries serving the County. Alternative to paper copies, the Tribe and County may agree that a single electronic copy of the draft TEIR and Notice of Completion may be submitted by the Tribe to the County. Interested Persons shall be identified by the Tribe for the County, to the extent it can identify them. In addition, the Tribe will provide public notice by at least one (1) of the procedures specified below:

- (1) Publication at least one time by the Tribe in a newspaper of general circulation in the area affected by the Project. If more than one area is affected, the notice shall be published in the newspaper of largest circulation from among the newspapers of general circulation in those areas; or
- (2) Direct mailing by the Tribe to the owners and occupants of property adjacent to, but outside, the Indian lands on which the Project is to be located. Owners of such property shall be identified as shown on the latest equalization assessment roll.

#### **Sec. 11.4. Issuance of Final TEIR.**

The Tribe shall prepare, certify and make available to the County, the State Clearinghouse, the State Gaming Agency, the California Department of Justice, Office of the Attorney General (and, in the event potentially significant traffic impacts are identified in the Final TEIR, to the California Department of Transportation) at least fifty-five (55) days before the completion of negotiations pursuant to section 11.7 a Final TEIR, which shall consist of:

- (a) The draft TEIR or a revision of the draft;
- (b) Comments and recommendations received on the draft TEIR either verbatim or in summary;
- (c) A list of persons, organizations, and public agencies commenting on the draft TEIR;

- (d) The responses of the Tribe to significant environmental points raised in the review and consultation process, reflecting the Tribe's good-faith, reasoned analysis and consideration of each substantive comment bearing on any off-reservation environmental impact, and its response thereto; and
- (e) Any other information added by the Tribe.

#### **Sec. 11.5. Cost Reimbursement to County.**

The Tribe shall reimburse the County for copying and mailing costs resulting from making paper copies of the Notice of Preparation, Notice of Completion, and draft TEIR available to the public under this section 11.0.

#### **Sec. 11.6. Failure to Prepare Adequate TEIR.**

The Tribe's failure to prepare a TEIR that satisfies the requirements and standards of section 11.1 may be deemed a breach of this Compact and furthermore shall be grounds for issuance of an injunction or other appropriate equitable relief.

#### **Sec. 11.7. Intergovernmental Agreement.**

- (a) Before the commencement of a Project, and no later than the issuance of the Final TEIR to the County, the Tribe shall offer to commence negotiations with the County, and upon the County's acceptance of the Tribe's offer, shall negotiate with the County and shall enter into an enforceable written agreement (hereinafter "intergovernmental agreement") with the County addressing the matters set forth below:
  - (1) Provisions providing for the timely mitigation of any Significant Effect on the Off-Reservation Environment (which effects may include, but are not limited to, aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, water resources, land use, mineral resources, traffic, noise, utilities and service systems, and cumulative effects), where such effect is attributable, in whole or in part, to the Project, unless the parties agree that the particular mitigation is infeasible, taking into account economic, environmental, social, technological, or other considerations.

- (2) Provisions relating to compensation for law enforcement, fire protection, emergency medical services and any other public services, to the extent such services are to be provided by the County and its special districts to the Tribe for the purposes of the Gaming Operation, including the Gaming Facility, as a consequence of the Project.
  - (3) Provisions providing for mitigation of any effect on public safety attributable to the Project, including any compensation to the County as a consequence thereof, to the extent such effects are not mitigated pursuant to subdivision (a)(2) above.
- (b) The Tribe shall not commence a Project until the intergovernmental agreement with the County specified in subdivision (a) is executed, or effectuated pursuant to section 11.8.
- (c) If the Final TEIR identifies significant traffic impacts to the state highway system or facilities that are directly attributable in whole or in part to the Project, then before the commencement of the Project, the Tribe shall consult with the California Department of Transportation (Caltrans) to propose language to be included in an intergovernmental agreement with the County that provides for timely mitigation of the significant traffic impacts on the State highway system and facilities directly attributable to the Project, unless the parties agree that the particular mitigation is infeasible, taking into account economic, environmental, social, technological, or other considerations, and payment of the Tribe's fair share of cumulative traffic impacts attributable in whole or in part to the Project. The final language addressing the significant traffic impacts to the State highway system or facilities that is intended to be included in an intergovernmental agreement with the County shall be provided to Caltrans, and if Caltrans disagrees with the final language, Caltrans shall express its objections in writing. If Caltrans, the Tribe, and the County cannot agree on language that resolves Caltrans' objections, then the Tribe and Caltrans shall negotiate and conclude, prior to commencement of the Project, an intergovernmental agreement that mitigates the significant traffic impacts to the state highway system or facilities directly attributable to the Tribe's Project and provides for payment of the Tribe's fair share of cumulative traffic impacts, or alternatively, that provides Caltrans funding for the mitigation of such impacts. If the Tribe and Caltrans are unable to complete an

intergovernmental agreement addressing significant traffic impacts to the state highway system or facilities directly attributable to the Tribe's Project, and both parties are not satisfied that those issues are effectively addressed in the Tribe's intergovernmental agreement with the County, whether through negotiations or effectuated pursuant to section 11.8, then the matter will be resolved through the dispute resolution provisions in section 13.0. Nothing herein prevents the Tribe and Caltrans from agreeing to negotiate a separate intergovernmental agreement to address the significant impacts to the state highway system or facilities that are directly attributable in whole or in part to the Project.

- (d) Nothing in this section 11.7 requires the Tribe to enter into any other intergovernmental agreements with a local governmental entity other than as set forth above.

#### **Sec. 11.8. Arbitration.**

To foster good government-to-government relationships and to assure that the Tribe is not unreasonably prevented from commencing a Project and benefiting therefrom, if an intergovernmental agreement with the County is not entered within seventy-five (75) days of the submission of the Final TEIR, or such further time as the Tribe and the County (for purposes of this section the "parties") may agree in writing, any party may demand binding arbitration before a JAMS arbitrator pursuant to JAMS Comprehensive Arbitration with respect to any remaining disputes arising from, connected with, or related to the negotiation. The arbitration shall be conducted as follows:

- (a) Each party shall exchange with each other within five (5) days of the demand for arbitration its last, best written offer made during the negotiation pursuant to section 11.7.
- (b) The arbitrator shall schedule a hearing to resolve the matter within thirty (30) days of his or her appointment, unless the parties agree to a longer period. Consistent with the limits of this Compact, the arbitrator must award only one (1) of the two (2) offers submitted, without modification, based upon that proposal which is (i) consistent with the Tribe's obligations under this Compact; and which (ii) best provides feasible mitigation of Significant Effects on the Off-Reservation Environment under section 11.7, without unduly interfering with the principal objectives of the Project or imposing

environmental mitigation measures which are different in nature or scale from the type of measures that have been required to mitigate impacts of a similar scale of other projects in the surrounding area, to the extent there are such other projects.

- (c) The arbitrator shall take into consideration whether the Final TEIR provides the data and information necessary to enable the County to determine both whether the Project may result in a Significant Effect on the Off-Reservation Environment and whether the proposed measures in mitigation are feasible and sufficient to mitigate any such effect.
- (d) If the respondent does not participate in the arbitration, the arbitrator shall nonetheless conduct the arbitration and issue an award, and the claimant shall submit such evidence as the arbitrator may require therefore. Review of the resulting arbitration award is waived.
- (e) To effectuate this section 11.8, and in the exercise of its sovereignty, the Tribe waives its right to assert sovereign immunity in connection with the arbitrator's jurisdiction (i) to award one (1) of the two (2) offers proposed by the parties; (ii) to enforce the other party's obligation to arbitrate, (iii) to enforce or confirm an arbitral award rendered in the arbitration, or (iv) to enforce or execute a judgment based upon the award. Notwithstanding the foregoing, the Tribe may invoke as a defense the jurisdictional limits of the arbitrator's power under this Compact to the extent one (1) of the last best offers exceeds the limits of the Compact.
- (f) An arbitral award entered pursuant to this section 11.8 as the result of arbitration between the Tribe and the County, when an intergovernmental agreement is required by section 11.7, subdivision (a), will become the Tribe's intergovernmental agreement with the County.

## **SECTION 12.0. PUBLIC AND WORKPLACE HEALTH, SAFETY, AND LIABILITY.**

### **Sec. 12.1. General Requirements.**

The Tribe shall not conduct Class III Gaming in a manner that endangers the public health, safety, or welfare, provided, however, that nothing herein shall be

construed to make applicable to the Tribe any State laws or regulations governing the use of tobacco.

### **Sec. 12.2. Tobacco Smoke.**

Notwithstanding section 12.1, the Tribe agrees to provide a non-smoking area in the Gaming Facility and, consistent with the Tribe's commitment to the well-being of its employees and patrons, to maintain ventilation, filtration, purification or other technologies in the Gaming Facility, where reasonably feasible after consideration of engineering, economic and scientific factors, and further agrees not to offer or sell tobacco products, including but not limited to smokeless tobacco products or e-cigarettes, to anyone younger than the minimum age specified in state law to lawfully purchase tobacco products.

### **Sec. 12.3. Health and Safety Standards.**

To protect the health and safety of patrons and employees of the Gaming Facility, the Tribe shall, for the Gaming Facility:

- (a) Adopt and comply with tribal health standards for food and beverage handling that are no less stringent than State public health standards. The Tribe will allow, during normal hours of operation, inspection of food and beverage services in the Gaming Facility by State, County, federal or other independent (non-tribal governmental) health inspectors who provide evidence of authority demonstrating that the inspector would have jurisdiction but for the Gaming Facility being on Indian lands, to assess compliance with these standards, unless inspections are routinely made by an agency of the United States government to ensure compliance with equivalent standards of the United States Public Health Service. Any report subsequent to an inspection or visit by the State, County, federal or other independent non-tribal governmental health inspectors shall be transmitted within three (3) business days to the State Gaming Agency and the Tribal Gaming Agency. This includes any document that includes a citation or finding. Nothing herein shall be construed as submission of the Tribe to the jurisdiction of those non-tribal governmental health inspectors, but any violations of the standards may be the subject of dispute resolution pursuant to section 13.0.

- (b) Adopt and comply with federal water quality and safe drinking water standards applicable in California. The Tribe will allow, during normal hours of operation, inspection and testing of water quality at the Gaming Facility by non-tribal governmental inspectors that would have jurisdiction but for the Gaming Facility being on Indian lands, to assess compliance with these standards, unless inspections and testing are routinely made by an agency of the United States pursuant to federal law, or testing is routinely performed under the authority of the Tribe in compliance with federal law, the results of which are routinely provided to, and monitored by, an agency of the United States to ensure compliance with federal water quality and safe drinking water standards. Any report or other writings by the non-tribal governmental inspector, including federal inspectors shall be transmitted within three (3) business days to the Tribal Gaming Agency and made available to the State Gaming Agency, upon request. Nothing herein shall be construed as submission of the Tribe to the jurisdiction of those non-tribal health inspectors, but any violations of the standards may be the subject of dispute resolution pursuant to section 13.0.
- (c) Comply with the building and safety standards set forth in section 6.4.2.
- (d) Adopt and comply with federal workplace and occupational health and safety standards. The Tribe will allow inspection of Gaming Facility workplaces by State inspectors, during normal hours of operation, to assess compliance with these standards, provided that there is no right to inspection by State inspectors where an inspection has been conducted by an agency of the United States pursuant to federal law during the previous calendar quarter and the Tribe has provided a copy of the federal agency's report to the State Gaming Agency within ten (10) days of the federal inspection.
- (e) Adopt and comply with tribal codes to the extent consistent with the provisions of this Compact and other applicable federal law regarding public health and safety.
- (f) Adopt and comply with tribal law that is consistent with federal and state law forbidding harassment, including sexual harassment, in the

workplace, forbidding employers from discrimination in connection with the employment of persons to work or working for the Gaming Operation or in the Gaming Facility on the basis of race, color, religion, ancestry, national origin, gender, marital status, medical condition, sexual orientation, age, or disability, and forbidding employers from retaliation against persons who oppose discrimination or participate in employment discrimination proceedings (hereinafter “harassment, retaliation, or employment discrimination” or “employment-related claim”); provided that nothing herein shall preclude the Tribe from giving a preference in employment to citizens and descendants of federally recognized Indian tribes pursuant to a duly adopted tribal ordinance. The tribal law required by this subdivision (f) is referred to hereafter as the “employment discrimination complaint ordinance.”

- (1) With respect to all employment-related claims as defined in subdivision (f), the Tribe shall obtain and maintain an employment practices liability insurance policy consistent with industry standards for non-tribal casinos and underwritten by an insurer with an A.M. Best rating of A or higher which provides coverage of at least three million dollars (\$3,000,000) per occurrence for unlawful harassment, retaliation, or employment discrimination arising out of a claimant’s employment in, in connection with, or relating to the operation of, the Gaming Operation, Gaming Facility or Gaming Activities. The Tribe hereby agrees the liability coverage would be available to all employees who prove claims for unlawful harassment, retaliation, or employment discrimination pursuant to the processes under this subdivision (f).
- (2) The Tribe, in the exercise of its sovereignty, hereby expressly waives, and also waives its right to assert, sovereign immunity and any and all defenses based thereon, up to three million dollars (\$3,000,000) of coverage available under the limits of the above-referenced employment practices liability insurance policy, for the award to any employee who proves harassment, retaliation, or employment discrimination arising out of the claimant’s employment in, in connection with, or relating to the operation of, the Gaming Operation, Gaming Facility or

Gaming Activities; provided, however, that nothing herein requires the Tribe to agree to liability for punitive damages or to waive its right to assert sovereign immunity in connection therewith. The foregoing waiver of immunity is expressly limited to the tribal adjudicative processes, as set forth in this subdivision (f) and in the employment discrimination complaint ordinance.

- (3) Consistent with subdivision (f)(2), the Tribe shall include an endorsement with its employment practices liability insurance policy providing that the insurer shall not invoke tribal sovereign immunity up to the limits of such policy for claimants alleging retaliation, harassment, or employment discrimination pursuant to the processes set forth in this subdivision (f); however, such endorsement or acknowledgement shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for the pursuit of any employment-related claim outside the processes set forth herein, or for any portion of a proven claim that exceeds three million dollars (\$3,000,000) of insurance coverage. Nothing in this provision shall be interpreted to supersede any requirement in the Tribe's employment discrimination complaint ordinance, or any requirement that a claimant must satisfy to exhaust administrative remedies as a prerequisite to adjudication of any employment-related claims covered by this Compact.
- (4) The Tribe's harassment, retaliation, or employment discrimination standards shall be subject to enforcement pursuant to the employment discrimination complaint ordinance which shall be adopted by the Tribe prior to the effective date of this Compact and made available to Gaming Facility employees and their legal representatives. The Tribe hereby agrees to, and its employment discrimination complaint ordinance also shall continuously provide at least, the following:
  - (A) That tribal law provisions consistent with California law shall govern all employee claims of harassment, retaliation, or employment discrimination arising out of

the claimant's employment in, in connection with, or relating to the operation of, the Gaming Operation, Gaming Facility, or Gaming Activities; provided that punitive damages need not be a part of the employment discrimination complaint ordinance. Nothing in this provision shall be construed as a submission of the Tribe to the jurisdiction of a non-tribal governmental adjudicative body or arbitrator, the state or federal courts, or to the California Department of Fair Employment and Housing or the California Fair Employment and Housing Commission, or any successor agencies thereto.

- (B) That a claimant shall have one hundred eighty (180) days from the date that an alleged discriminatory act occurred to file a written notice with the Tribe that he or she has suffered prohibited harassment, retaliation, or employment discrimination.
- (C) That, in the exercise of its sovereignty, the Tribe expressly waives, and also waives its right to assert, sovereign immunity with respect to the dispute resolution processes expressly authorized in the employment discrimination complaint ordinance and this section 12.3, subdivision (f) relating to claims for harassment, retaliation, or employment discrimination, but only up to the three million dollars (\$3,000,000) of insurance coverage under the above-referenced employment practices liability insurance policy; provided, however, such waiver shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for dispute resolution before any non-tribal entity, and any portion of the claim that exceeds three million dollars (\$3,000,000) of insurance coverage.
- (D) The employment discrimination complaint ordinance shall allow for the claim to be resolved in the first instance, either in the Tribe's tribal court system, once a tribal court system with jurisdiction over such subject matter is established (Tribal Court), or by a three (3)-

member tribal claims commission consisting of one (1) tribal government representative and at least one (1) non-tribal member (Claims Commission). There also shall be available a tribal court of appeal, which shall consist of an individual appointed by the tribal council who is knowledgeable of the laws prohibiting harassment, retaliation, or employment discrimination. No member of the Tribal Court, Claims Commission, or tribal court of appeal may be employed by the Gaming Facility or the Gaming Operation. Resolution of the dispute before the Tribal Court, Claims Commission, or tribal court of appeal shall be at no cost to the claimant (excluding claimant's attorney's fees). The adjudication, including any appeal, shall take place on the Tribe's Indian lands, or at another location within the County.

- (E) Discovery in the Tribal Court or Claims Commission proceedings shall be governed by tribal rules and procedures comparable to the rules set forth in section 1283.05 of the California Code of Civil Procedure.
- (F) Any employee entitled to adjudicate disputes in the Tribal Court or Claims Commission who is dissatisfied with the result may, at his or her election, appeal the matter to the tribal court of appeal that shall be established by the Tribe. The costs associated with adjudication by the tribal court of appeal shall be born by the Tribe, and each party will bear its own attorney's fees. If there is a conflict in the evidence and a reasonable fact-finder could have found for either party, the decision of the Tribal Court or Claims Commission will not be overturned on appeal.
- (G) To effectuate its consent to the authority of the adjudicative bodies set forth in this section 12.3, subdivision (f), the Tribe shall, in the exercise of its sovereignty, expressly waive, and also waive its right to assert, sovereign immunity in connection with the jurisdiction of the Tribal Court and Claims Commission,

and in any action in the Tribal Court or tribal court of appeal to enforce an obligation provided in this section 12.3, subdivision (f), or to enforce or execute a judgment based upon the award.

- (5) The employment discrimination complaint ordinance required under subdivision (f)(2) may require, as a prerequisite to invoking the dispute resolution processes expressly authorized in this section 12.3, subdivision (f), that the claimant exhaust the Tribe's administrative remedies, if any exist, in the form of a tribal employment discrimination complaint resolution process, for resolving the employment-related claim in accordance with the following standards:
  - (A) Upon notice that the claimant alleges that he or she has suffered prohibited harassment, retaliation, or employment discrimination, the Tribe or its designee shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required to proceed with the Tribe's employment discrimination complaint resolution process in the event that the claimant wishes to pursue his or her claim.
  - (B) The claimant must bring his or her claim within one hundred eighty (180) days of receipt of the written notice (limitation period) of the Tribe's employment discrimination complaint resolution process as long as the notice thereof is served personally on the claimant or by certified mail with an executed return receipt by the claimant and the one hundred eighty (180)-day limitation period is prominently displayed on the front page of the notice.
  - (C) Adjudication may be stayed until the completion of the Tribe's employment discrimination complaint resolution process or one hundred eighty (180) days from the date the claim was filed, whichever first occurs, unless the parties mutually agree upon a longer period.

- (D) The decision of the Tribe's employment discrimination complaint resolution process shall be in writing, shall be based on the facts surrounding the dispute, shall be a reasoned decision, and shall be rendered within one hundred eighty (180) days from the date the claim was filed, unless the parties mutually agree upon a longer period.
- (6) Within fourteen (14) days following notification that a claimant claims that he or she has suffered harassment, retaliation, or employment discrimination, the Tribe shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within the specified limitation period to first exhaust the Tribe's employment discrimination complaint resolution process, if any exists, and if dissatisfied with the resolution, is entitled to adjudicate his or her claim before the tribal court or tribal claims commission at no cost to the claimant (except for the claimant's attorney's fees).
- (7) In the event the Tribe fails to adopt the employment discrimination complaint ordinance specified in subdivision (f)(2), such failure shall constitute a breach of this Compact.
- (8) The Tribe shall provide written notice of the employment discrimination complaint ordinance and the procedures for bringing a complaint in its employee handbook. The Tribe also shall post and keep posted in prominent and accessible places in the Gaming Facility where notices to employees and applicants for employment are customarily posted, a notice setting forth the pertinent provisions of the employment discrimination complaint ordinance and information pertinent to the filing of a complaint.
- (g) Adopt and comply with standards that are no less stringent than State laws prohibiting a gambling enterprise from cashing any check drawn against a federal, state, county, or city fund, including but not limited to, Social Security, unemployment insurance, disability payments, or public assistance payments.

- (h) Adopt and comply with standards that are no less stringent than State laws, if any, prohibiting a gambling or other gaming enterprise from providing, allowing, contracting to provide, or arranging to provide alcoholic beverages, for no charge or at reduced prices at a gambling establishment as an incentive or enticement.
- (i) Adopt and comply with standards that are no less stringent than State laws, if any, prohibiting extensions of credit.
- (j) Comply with provisions of the Bank Secrecy Act, P.L. 91-508, October 26, 1970, 31 U.S.C. §§ 5311-5314, as amended, and all reporting requirements of the Internal Revenue Service, insofar as such provisions and reporting requirements are applicable to gambling establishments.
- (k) The Tribe agrees to adopt ordinances or implement policies no less stringent than (1) the minimum wage, maximum hour, child labor, and overtime standards set forth in the Fair Labor Standards Act, 29 U.S.C. §§ 206, 207 and 212, subject to 29 U.S.C. §§ 213 and 214; (2) the United States Department of Labor regulations implementing the foregoing sections of the Fair Labor Standards Act, appearing at 29 C.F.R. §§ 500 et seq.; (3) the State's minimum wage law set forth in California Labor Code section 1182.12; and (4) the State Department of Industrial Relations regulations implementing that Labor Code section, Cal. Code Regs. tit. 8, §§ 11000 to 11170. Notwithstanding the foregoing, the State's minimum wage law and its implementing regulations shall not apply to tipped employees.

#### **Sec. 12.4. Tribal Gaming Facility Standards Ordinance.**

The Tribe shall adopt in the form of an ordinance or ordinances the standards described in subdivisions (a) through (k) of section 12.3 to which the Gaming Operation and Gaming Facility are held, and shall make available the ordinance(s) on request by the State Gaming Agency not later than thirty (30) days after the effective date of this Compact. In the absence of a promulgated tribal standard in respect to a matter identified in those subdivisions, or the express adoption of an applicable federal and/or State statute or regulation, as the case may be, in respect of any such matter, the otherwise applicable federal and/or State

statute or regulation shall be deemed to have been adopted by the Tribe as the applicable standard.

### **Sec. 12.5. Insurance Coverage and Claims.**

- (a) The Tribe shall obtain and maintain commercial general liability insurance consistent with industry standards for non-tribal casinos in the United States underwritten by an insurer with an A.M. Best rating of A or higher which provides coverage of no less than ten million dollars (\$10,000,000) per occurrence for bodily injury, personal injury, and property damage arising out of, connected with, or relating to the operation of the Gaming Facility or Gaming Activities (Policy). To effectuate the insurance coverage, the Tribe shall expressly waive, and waive its right to assert, sovereign immunity up to the greater of ten million dollars (\$10,000,000) or the limits of the Policy, in accordance with the tribal ordinance referenced in subdivision (b) below, in connection with any claim for bodily injury, personal injury, or property damage, arising out of, connected with, or relating to the operation of the Gaming Operation, Gaming Facility, or the Gaming Activities, including, but not limited to, injuries resulting from entry onto the Tribe's land for purposes of patronizing the Gaming Facility or providing goods or services to the Gaming Facility; provided, however, that nothing herein requires the Tribe to agree to liability for punitive damages or to waive its right to assert sovereign immunity in connection therewith. The Policy shall acknowledge in writing that the Tribe has expressly waived, and waived its right to assert, sovereign immunity for the purpose of adjudication and/or arbitration of those claims up to the greater of ten million dollars (\$10,000,000) or the limits of the Policy referred to above and for the purpose of enforcement of any ensuing award or judgment and shall include an endorsement providing that the insurer shall not invoke tribal sovereign immunity up to the limits of the Policy; however, such endorsement or acknowledgement shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for any portion of the claim that exceeds ten million dollars (\$10,000,000) or the Policy limits, whichever is greater.
- (b) The Tribe shall adopt, and at all times hereafter shall maintain in continuous force, an ordinance that provides for all of the following:

- (1) The ordinance shall provide that the Tribe shall adopt as tribal law, provisions that are the same as California tort law to govern all claims of bodily injury, personal injury, or property damage arising out of, connected with, or relating to the operation of the Gaming Operation, Gaming Facility, or the Gaming Activities, including but not limited to injuries resulting from entry onto the Tribe's land for purposes of patronizing the Gaming Facility or providing goods or services to the Gaming Facility, provided that California law governing punitive damages need not be a part of the ordinance. Further, the Tribe may include in the ordinance required by this subdivision a requirement that a person with claims for money damages against the Tribe file those claims within the time periods applicable for the filing of claims for money damages against public entities under California Government Code section 810 et seq. Under no circumstances shall there be any awards of attorney's fees or costs.
- (2) The ordinance shall allow for the claim to be resolved in the Tribe's tribal court system, if a tribal court system with jurisdiction over the subject matter is established (Tribal Court), by a three (3)-member tribal claims commission consisting of one (1) tribal government representative and at least one (1) non-tribal member (Claims Commission), or by arbitration before a single arbitrator who shall be a retired judge, in accordance with the Comprehensive Arbitration Rules and Procedures of JAMS (or if those rules no longer exist, the closest equivalent). No member of the Claims Commission may be employed by the Gaming Facility or Gaming Operation. Resolution of the dispute before the Tribal Court or the Claims Commission shall be at no cost to the claimant (excluding claimant's attorney's fees). If the parties resolve the dispute through arbitration, the Tribe shall initially bear the cost of JAMS and the arbitrator, but the arbitrator may award costs (but not attorney's fees) to the prevailing party not to exceed those allowable in a suit in California Superior Court.

- (3) The Tribe shall consent to Tribal Court, Claims Commission or JAMS arbitration adjudication to the extent of the limits of the Policy, that discovery in Tribal Court, the Claims Commission, or the JAMS arbitration proceedings shall be governed by tribal procedures comparable to section 1283.05 of the California Code of Civil Procedure, and that any party dissatisfied with the award from the Tribal Court, Claims Commission, or JAMS arbitration may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (or if those rules no longer exist, the closest equivalent), provided that the party making such election must bear all costs and expenses of JAMS and the arbitrators associated with the JAMS Optional Arbitration Appeal Procedure, regardless of the outcome. The JAMS appeal shall take place in the County and shall use one (1) arbitrator, agreed upon by the parties, and shall not be a de novo review, but shall be based solely upon the record developed in the Tribal Court, Claims Commission or JAMS arbitration proceeding. The JAMS appeal shall review all determinations of the Tribal Court, Claims Commission or JAMS arbitrator on matters of law, but shall not set aside any factual determinations of the Tribal Court, Claims Commission or JAMS arbitrator if such determination is supported by substantial evidence. If there is a conflict in the evidence and a reasonable fact-finder could have found for either party, the decision of the Tribal Court, Claims Commission or JAMS arbitrator will not be overturned on appeal.
- (4) The ordinance shall also expressly provide that to effectuate its consent to claim resolution in the Tribal Court, Claims Commission, JAMS arbitration or JAMS appeal, the Tribe shall, in the exercise of its sovereignty, expressly waive, and also waive its right to assert, sovereign immunity in connection with the jurisdiction of the Tribal Court, Claims Commission, JAMS arbitration and JAMS appeal (but only up to the greater of ten million dollars (\$10,000,000) or the Policy limits; provided, however, such waiver shall not be deemed to waive or otherwise limit the Tribe's sovereign immunity for any portion of the claim that exceeds ten million dollars (\$10,000,000) or the Policy limits, whichever is greater), and in any suit to (A) enforce an obligation under this section 12.5, or

- (B) enforce or execute a judgment based upon the award of the Tribal Court, Claims Commission, arbitrator or JAMS appeal.
- (5) The ordinance may also require that the claimant first exhaust the Tribe's administrative remedies for resolving the claim (hereafter the "Tribal Dispute Process") in accordance with the following standards: The claimant must bring his or her claim within one hundred eighty (180) days of receipt of written notice of the Tribal Dispute Process as long as notice thereof is served personally on the claimant or by certified mail with an executed return receipt by the claimant and the one hundred eighty (180)-day limitation period is prominently displayed on the front page of the notice. The ordinance may provide that any other dispute resolution process shall be stayed until the completion of the Tribal Dispute Process or one hundred eighty (180) days from the date the claim is filed in the Tribal Dispute Process, whichever first occurs, unless the parties mutually agree to a longer period.
- (c) Upon written notice that a claimant claims to have suffered an injury or damage covered by this section, the Tribe shall provide notice by personal service or certified mail, return receipt requested, that the claimant is required within the one hundred eighty (180)-day limitation period to first exhaust the Tribal Dispute Process, if any, and if dissatisfied with the resolution, is entitled to the appeal process described in subdivision (b)(3) above.
- (d) In the event the Tribe fails to adopt the ordinance specified in subdivision (b), such failure shall constitute a breach of this Compact.

**Sec. 12.6. Participation in State Statutory Programs Related to Employment.**

- (a) The Tribe agrees that it will participate in the State's workers' compensation program with respect to employees employed at the Gaming Operation and the Gaming Facility. The workers' compensation program includes, but is not limited to, state laws relating to the securing of payment of compensation through one or more insurers duly authorized to write workers' compensation

insurance in this state or through self-insurance as permitted under the State's workers' compensation laws. If the Tribe participates in the State's workers' compensation program, it agrees that all disputes arising from the workers' compensation laws shall be heard by the Workers' Compensation Appeals Board pursuant to the California Labor Code and hereby consents to the jurisdiction of the Workers' Compensation Appeals Board and the courts of the State of California for purposes of enforcement. The parties agree that independent contractors doing business with the Tribe are bound by all state workers' compensation laws and obligations.

- (b) In lieu of participating in the State's statutory workers' compensation system, the Tribe may create and maintain a system that provides redress for Gaming Facility employees' work-related injuries through requiring insurance or self-insurance, which system must include a scope of coverage, provision of up to ten thousand dollars (\$10,000) in medical treatment for an alleged injury until the date that liability for the claim is accepted or rejected, employee choice of physician (either after thirty (30) days from the date of the injury is reported or if a medical provider network has been established, within the medical provider network), quality and timely medical treatment provided comparable to the state's medical treatment utilization schedule, availability of an independent medical examination to resolve disagreements on appropriate treatment (by an Independent Medical Reviewer on the state's approved list, a Qualified Medical Evaluator on the state's approved list, or an Agreed Medical Examiner upon mutual agreement of the employer and employee), the right to notice, hearings before an independent tribunal, a means of enforcement against the employer, and benefits (including, but not limited to, temporary and permanent disability, death, supplemental job displacement, and return to work supplement) comparable to those mandated for comparable employees under state law. Not later than thirty (30) days after the effective date of this Compact, the Tribe will advise the State of its election to participate in the State's workers' compensation system or, alternatively, will forward to the State all relevant ordinances that have been adopted and all other documents establishing the system and demonstrating that the system is fully operational and compliant with the comparability standard set forth above. The parties agree that independent contractors doing business

with the Tribe must comply with all state workers' compensation laws and obligations.

- (c) The Tribe agrees that it will participate in the State's program for providing unemployment compensation benefits and unemployment compensation disability benefits with respect to employees employed at the Gaming Operation or Gaming Facility, which participation shall include compliance with the provisions of the California Unemployment Insurance Code, and the Tribe consents to the jurisdiction of the State agencies charged with the enforcement of that code and of the courts of the State of California for purposes of enforcement.
- (d) As a matter of comity, with respect to persons, including nonresidents of California, employed at the Gaming Operation or Gaming Facility, the Tribe shall withhold all amounts due to the State as provided in the California Unemployment Insurance Code and, except for tribal citizens living on the Tribe's reservation, as provided in the California Revenue and Taxation Code and the regulations thereunder, as may be amended from time to time, and shall forward such amounts to the State. The Tribe shall file with the Franchise Tax Board a copy of any information return filed with the Secretary of the Treasury, as provided in the California Revenue and Taxation Code and the regulations thereunder, except those pertaining to tribal citizens living on the Tribe's reservation. For purposes of this subdivision, "reservation" refers to the Tribe's Indian lands within the meaning of IGRA or lands otherwise held in trust for the Tribe by the United States, and "tribal citizens" refers to the enrolled citizens of the Tribe.
- (e) As a matter of comity, the Tribe shall recognize and enforce state and federal court judgments, and earnings withholding orders for taxes, support of a child, spouse or former spouse, in accordance with tribal law, provided that such law includes procedures for enforcement of all valid orders as they apply to any non-tribal member employed at the Gaming Operation or Gaming Facility.

### **Sec. 12.7. Emergency Services Accessibility.**

The Tribe shall make reasonable provisions for adequate emergency fire, medical, and related relief and disaster services for patrons and employees of the Gaming Facility.

### **Sec. 12.8. Alcoholic Beverage Service.**

Purchase, sale, and service of alcoholic beverages by or to patrons shall be subject to state alcoholic beverage laws.

### **Sec. 12.9. Possession of Firearms.**

The possession of firearms by any person in the Gaming Facility is prohibited at all times, except for federal, state, or local law enforcement personnel, or tribal law enforcement or security personnel authorized by tribal law and federal or state law to possess firearms at the Gaming Facility.

### **Sec. 12.10. Labor Relations.**

The Gaming Activities authorized by this Compact must continue under the Tribal Labor Relations Ordinance previously adopted by the Tribe and attached hereto as Appendix C, or as it may be amended during the term of this Compact by agreement between the Tribe and the State.

## **SECTION 13.0. DISPUTE RESOLUTION PROVISIONS.**

### **Sec. 13.1. Voluntary Resolution; Court Resolution.**

In recognition of the government-to-government relationship of the Tribe and the State, the parties shall make their best efforts to resolve disputes that arise under this Compact by good faith negotiations whenever possible. Therefore, except for the right of either party to seek injunctive relief against the other when circumstances are deemed to require immediate relief, the Tribe and the State shall seek to resolve disputes by first meeting and conferring in good faith in order to foster a spirit of cooperation and efficiency in the administration and monitoring of the performance and compliance of the terms, provisions, and conditions of this Compact, as follows:

- (a) Either party shall give the other, as soon as possible after the event giving rise to the concern, a written notice setting forth the facts giving rise to the dispute and with specificity, the issues to be resolved.
- (b) The other party shall respond in writing to the facts and issues set forth in the notice within fifteen (15) days of receipt of the notice, unless both parties agree in writing to an extension of time.
- (c) The parties shall meet and confer in good faith by telephone or in person in an attempt to resolve the dispute through negotiation within thirty (30) days after receipt of the notice set forth in subdivision (a), unless both parties agree in writing to an extension of time.
- (d) If the dispute is not resolved to the satisfaction of the parties after the first meeting, either party may seek to have the dispute resolved by an arbitrator in accordance with this section, but neither party shall be required to agree to submit to arbitration.
- (e) Disputes that are not otherwise resolved by arbitration or other mutually agreed means may be resolved in the United States District Court in the judicial district where the Tribe's Gaming Facility is located, or if the federal court lacks jurisdiction, in any state court of competent jurisdiction in or over the County. The disputes to be submitted to court action include, but are not limited to, claims of breach of this Compact, provided that the remedies expressly provided in section 13.4, subdivision (a)(ii) are the sole and exclusive remedies available to either party for issues arising out of this Compact and supersede any remedies otherwise available, whether at law, tort, contract, or in equity and, notwithstanding any other provision of law or this Compact, neither the State nor the Tribe shall be liable for damages or attorney fees in any action based in whole or in part on the fact that the parties have either entered into this Compact, or have obligations under this Compact. The parties are entitled to all rights of appeal permitted by law in the court system in which the action is brought.
- (f) In no event may the Tribe be precluded from pursuing any arbitration or judicial remedy against the State on the ground that the Tribe has

failed to exhaust its State administrative remedies, and in no event may the State be precluded from pursuing any arbitration or judicial remedy against the Tribe on the ground that the State has failed to exhaust any tribal administrative remedies.

### **Sec. 13.2. Arbitration Rules for the Tribe and the State.**

Arbitration between the Tribe and the State shall be conducted before a JAMS arbitrator in accordance with JAMS Comprehensive Arbitration. Discovery in the arbitration proceedings shall be governed by section 1283.05 of the California Code of Civil Procedure, provided that no discovery authorized by that section may be conducted without leave of the arbitrator. The parties shall equally bear the cost of JAMS and the JAMS arbitrator. Either party dissatisfied with the award of the arbitrator may at the party's election invoke the JAMS Optional Arbitration Appeal Procedure (or if those rules no longer exist, the closest equivalent). In any JAMS arbitration under this section 13.2, the parties will bear their own attorney's fees. The arbitration shall take place within seventy-five (75) miles of the Gaming Facility, or as otherwise mutually agreed by the parties and the parties agree that either party may file a state or federal court action to (i) enforce the parties' obligation to arbitrate, (ii) confirm, correct, or vacate the arbitral award rendered in the arbitration in accordance with section 1285 et seq. of the California Code of Civil Procedure, or (iii) enforce or execute a judgment based upon the award. In any such action brought with respect to the arbitration award, the parties agree that venue is proper in any state court located within the County or in any federal court located in the Eastern District of California.

### **Sec. 13.3. No Waiver or Preclusion of Other Means of Dispute Resolution.**

This section 13.0 may not be construed to waive, limit, or restrict any remedy to address issues not arising out of this Compact that is otherwise available to either party, nor may this section be construed to preclude, limit, or restrict the ability of the parties to pursue, by mutual agreement, any other method of Compact dispute resolution, including, but not limited to, mediation.

### **Sec. 13.4. Limited Waiver of Sovereign Immunity.**

- (a) For the purpose of actions or arbitrations based on disputes between the State and the Tribe that arise under this Compact and the

enforcement of any judgment or award resulting therefrom, the State and the Tribe expressly waive their right to assert their sovereign immunity from suit and enforcement of any ensuing judgment or arbitral award and consent to the arbitrator's jurisdiction and further consent to be sued in federal or state court, as the case may be, provided that (i) the dispute is limited solely to issues arising under this Compact, (ii) neither the Tribe nor the State makes any claim for restitution or monetary damages, except that payment of any money expressly required by the terms of this Compact may be sought, and solely injunctive relief, specific performance (including enforcement of a provision of this Compact expressly requiring the payment of money to one or another of the parties), and declaratory relief (limited to a determination of the respective obligations of the parties under the Compact) may be sought, and (iii) nothing herein shall be construed to constitute a waiver of the sovereign immunity of either the Tribe or the State with respect to any third party that is made a party or intervenes as a party to the action.

- (b) In the event that intervention, joinder, or other participation by any additional party in any action between the State and the Tribe would result in the waiver of the Tribe's or the State's sovereign immunity as to that additional party, the waivers of either the Tribe or the State provided herein may be revoked, except where joinder is required to preserve the court's jurisdiction, in which case the State and the Tribe may not revoke their waivers of sovereign immunity as to each other.
- (c) The waivers and consents to jurisdiction expressly provided for under this section 13.0 and elsewhere in the Compact shall extend to all arbitrations and civil actions expressly authorized by this Compact, including, actions to compel arbitration, any arbitration proceeding herein, any action to confirm, modify, or vacate any arbitral award or to enforce any judgment, and any appellate proceeding emanating from any such proceedings, whether in state or federal court.
- (d) Except as stated herein or elsewhere in this Compact, no other waivers or consents to be sued, either express or implied, are granted by either party, whether in state statute or otherwise, including but not limited to Government Code section 98005.

## **SECTION 14.0. EFFECTIVE DATE AND TERM OF COMPACT.**

### **Sec. 14.1. Effective Date.**

This Compact shall not be effective unless and until all of the following have occurred:

- (a) The Compact is ratified in accordance with state law; and
- (b) Notice of approval or constructive approval is published in the Federal Register as provided in 25 U.S.C. § 2710(d)(3)(B).

### **Sec. 14.2. Term of Compact; Termination.**

- (a) Once effective, this Compact shall be in full force and effect for twenty-five (25) years following the effective date.
- (b) Subsequent to exhausting the section 13.0 dispute resolution provisions unless the circumstances are deemed to require immediate relief, either party may bring an action in federal court, after providing a thirty (30)-day written notice of an opportunity to cure any alleged breach of this Compact, for a declaration that the other party has materially breached this Compact or that a material part of this Compact has been invalidated. If the federal court rules that a party has materially breached this Compact, then the party found to have committed the breach shall have thirty (30) days after a final decision has been issued by the court after any appeals to cure the material breach. If the material breach is not cured within thirty (30) days, then in addition to a declaration of material breach and the equitable remedies explicitly identified in section 13.0, the non-breaching party may seek, in the same federal court action, termination of the Compact as a further judicially imposed remedy. The court may order termination based on a finding (i) that the respondent party has breached its Compact obligations, (ii) that, taking into consideration the facts and circumstances, the breach was not in good faith, and (iii) that the respondent party failed to cure the material breach within the time allowed. In the event a federal court determines that it lacks jurisdiction to impose termination, the matter may be brought in the Superior Court for Yolo County, and any finding that termination is

warranted shall be effective thirty (30) days after issuance of the termination order by the federal district court or superior court, as the case may be. The parties expressly waive, and also waive their right to assert, sovereign immunity from suit for purposes of an action under this subdivision, subject to the waiver qualifications stated in section 13.4.

- (c) If this Compact does not take effect by September 1, 2017, it shall be deemed null and void unless the Tribe and the State agree in writing to extend the date.

## **SECTION 15.0. AMENDMENTS; RENEGOTIATIONS.**

### **Sec. 15.1. Amendment by Agreement.**

The terms and conditions of this Compact may be amended at any time by the mutual and written agreement of both parties during the term of this Compact set forth in section 14.2, provided that each party voluntarily consents to such negotiations, including the scope of such negotiations, in writing. Any amendments to this Compact shall be deemed to supersede, supplant and extinguish all previous understandings and agreements on the subject.

### **Sec. 15.2. Negotiations for a New Compact.**

No sooner than eighteen (18) months before the termination date of this Compact set forth in section 14.2, either party may request the other party to enter into negotiations to extend the term of this Compact or to enter into a new Class III Gaming compact. If the parties have not agreed to extend the term of this Compact or have not entered into a new compact by the termination date in section 14.2, this Compact shall automatically be extended for one (1) calendar year. If the parties are engaged in negotiations that both parties agree in writing is proceeding towards conclusion of a new or amended compact, this Compact shall automatically extend for an additional two (2) years.

### **Sec. 15.3. Requests to Amend or to Negotiate a New Compact.**

All requests to amend this Compact or to negotiate to extend the term of this Compact or to negotiate for a new Class III Gaming compact shall be in writing, addressed to the Tribal Chair or the Governor, as the case may be, and shall

include the activities or circumstances to be negotiated, together with a statement of the basis supporting the request. If the request meets both the requirements of this section and section 15.1 for an amendment to this Compact, or the requirements of this section and section 15.2 for a new Class III Gaming compact, and all parties agree in writing to negotiate, the parties shall confer promptly and determine within forty-five (45) days of the request a schedule for commencing negotiations, and both parties shall negotiate in good faith. The Tribal Chair and the Governor of the State are hereby authorized to designate the person or agency responsible for conducting the negotiations, and shall execute any documents necessary to do so.

#### **Sec. 15.4. Entitlement To Renegotiate Compact.**

Notwithstanding the foregoing sections 15.1 through 15.3, the State shall, within forty-five (45) days of the Tribe's written request, participate in good faith negotiations with the Tribe to amend its Compact where the stated basis for the Tribe's request is changed market conditions that materially and adversely affect the Tribe's Gaming Operation such that the Tribe no longer enjoys the benefits otherwise provided by this Compact and the Tribe's obligations under this Compact therefore become unduly onerous. The State's obligation to enter into negotiations shall not be triggered unless the Tribe provides information adequate to prove that its request meets the required basis for negotiations pursuant to this section.

#### **SECTION 16.0. NOTICES.**

Unless otherwise indicated by this Compact, all notices required or authorized to be served shall be served by first-class mail or facsimile transmission to the following addresses, or to such other address as either party may designate by written notice to the other:

Governor  
Governor's Office  
State Capitol  
Sacramento, California 95814

Tribal Chair  
Yocha Dehe Wintun Nation  
18960 Puhkum Road  
P.O. Box 18

## **SECTION 17.0. CHANGES TO IGRA.**

This Compact is intended to meet the requirements of IGRA as it reads on the effective date of this Compact, and, when reference is made to IGRA or to an implementing regulation thereof, the referenced provision is deemed to have been incorporated into this Compact as if set out in full. Subsequent changes to IGRA that diminish the rights of the State or the Tribe may not be applied retroactively to alter the terms of this Compact, except to the extent that federal law validly mandates retroactive application without the State's or the Tribe's respective consent.

## **SECTION 18.0. MISCELLANEOUS.**

### **Sec. 18.1. Third-Party Beneficiaries.**

Notwithstanding any provision of law, this Compact is not intended to, and shall not be construed to, create any right on the part of a third party to bring an action to enforce any of its terms.

### **Sec. 18.2. Complete Agreement.**

This Compact, together with all appendices, sets forth the full and complete agreement of the parties and supersedes any prior agreements or understandings with respect to the subject matter hereof.

### **Sec. 18.3. Construction.**

Neither the presence in another tribal-state Class III Gaming compact of language that is not included in this Compact, nor the absence in another tribal-state Class III Gaming compact of language that is present in this Compact shall be a factor in construing the terms of this Compact. In the event of a dispute between the parties as to the language of this Compact or the construction or meaning of any term hereof, this Compact will be deemed to have been drafted by the parties in equal parts so that no presumptions or inferences concerning its terms or interpretation may be construed against any party to this Compact.

#### **Sec. 18.4. Successor Provisions.**

Wherever this Compact makes reference to a specific statutory provision, regulation, or set of rules, it also applies to the provision or rules, as they may be amended from time to time, and any successor provision or set of rules.

#### **Sec. 18.5. Ordinances and Regulations.**

Whenever the Tribe adopts or materially amends any ordinance or regulations required to be adopted and/or maintained under this Compact, in addition to any other Compact obligations to provide a copy to others, the Tribe shall upon request provide a copy of such adopted or materially amended ordinance or regulations to the State Gaming Agency within thirty (30) days of the effective date of such ordinance or regulations.

#### **Sec. 18.6. Calculation of Time.**

In computing any period of time prescribed by this Compact, the day of the event from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included, unless it is a Saturday, a Sunday, or a legal holiday under the Tribe's laws, State law, or federal law. Unless otherwise specifically provided herein, the term "days" shall be construed as calendar days.

#### **Sec. 18.7. Force Majeure.**

In the event of a force majeure event, including but not limited to: an act of God; accident; fire; flood; earthquake; or other natural disaster; strike or other labor dispute; riot or civil commotion; act of public enemy; enactment of any rule; order or act of a government or governmental instrumentality; effects of an extended restriction of energy use; and other causes of a similar nature beyond the Tribe's control that causes the Tribe's Gaming Operation or Facility to be inoperable or operate at significantly less capacity; the parties agree to meet and confer for the purpose of discussing the event and the appropriate actions given the circumstances.

### **Sec. 18.8. Representations.**

- (a) The Tribe expressly represents that as of the date of the undersigned's execution of this Compact the undersigned has the authority to execute this Compact on behalf of the Tribe, including any waiver of sovereign immunity and the right to assert sovereign immunity therein, and will provide written proof of such authority and of the ratification of this Compact by the tribal governing body to the Governor no later than sixty (60) days after the execution of this Compact by the undersigned.
- (b) The Tribe further represents that it is (i) recognized as eligible by the Secretary of the Interior for special programs and services provided by the United States to Indians because of their status as Indians, and (ii) recognized by the Secretary of the Interior as possessing powers of self-government.
- (c) In entering into this Compact, the State expressly relies upon the foregoing representations by the Tribe, and the State's entry into the Compact is expressly made contingent upon the truth of those representations as of the date of the Tribe's execution of this Compact through the undersigned. If the Tribe fails to timely provide written proof of the undersigned's aforesaid authority to execute this Compact or written proof of ratification by the Tribe's governing body, the Governor shall have the right to declare this Compact null and void.

- (d) Any bill from the Legislature to ratify this Compact shall not be signed by the Governor until the Tribe has provided the written proof required in subdivision (a) to the Governor.

IN WITNESS WHEREOF, the undersigned sign this Compact on behalf of the State of California and the Yocha Dehe Wintun Nation.

The tribe may require the union and or union organizers to be subject to the same licensing rules applied to individuals or entities with similar levels of access to the casino or related facility, provided that such licensing shall not be unreasonable, discriminatory, or designed to impede access.
- (b) The Tribe, in its discretion, may also designate additional voluntary access to the Union in such areas as employee parking lots and non-Casino facilities located on tribal lands.

## **Section 10: Secret Ballot Elections Required**

If the election officer determines that the election was conducted unfairly due to misconduct by the tribe and/or employer or union, the election officer may order a re-run election. If the election officer determines that there was the commission of serious Unfair Labor Practices by the tribe that interfere with the election process and preclude the holding of a fair election, and the labor organization is able to demonstrate that it had the support of a majority of the employees in the unit at any point before or during the course of the tribe's misconduct, the election officer shall certify the labor organization.
- (d) The tribe or the union may appeal any decision rendered after the date of the election by the election officer to a three (3) member panel of the Tribal Labor Panel mutually chosen by both parties.

as mutually agreed to by the parties, the union shall have the right to strike. Strike-related picketing shall not be conducted on Indian lands as defined in 25 U.S.C. Sec. 2703 (4).

## **Section 12: Decertification of Bargaining Agent**

All questions concerning the decertification of the labor organization shall be resolved by an election officer. - (c) The election officer shall order the labor organization decertified as the exclusive collective bargaining representative if a majority of the employees voting in a secret ballot election that the election officer determines to have been conducted fairly vote to decertify the labor organization. If the election officer determines that the election was conducted unfairly due to misconduct by the tribe and/or employer or the union the election officer may order a re-run election or dismiss the decertification petition.
- (d) A decertification proceeding may not begin until one (1) year after the certification of a labor union if there is no collective bargaining agreement. Where there is a collective bargaining agreement, a decertification petition may only be filed no more than 90 days and no less than 60 days prior to the expiration of a collective bargaining agreement. A decertification petition may be filed anytime after the expiration of a collective bargaining agreement.

- (e) The tribe or the union may appeal any decision rendered after the date of the election by the election officer to a three (3) member panel of the Tribal Labor Panel mutually chosen by both parties.

### **Section 13: Binding Dispute Resolution Mechanism**

- (a) All issues shall be resolved exclusively through the binding dispute resolution mechanisms herein, with the exception of a collective bargaining negotiation impasse, which shall only go through the first level of binding dispute resolution.
- (b) The first level of binding dispute resolution for all matters related to organizing, election procedures, alleged unfair labor practices, and discharge of Eligible Employees shall be an appeal to a designated tribal forum such as a Tribal Council, Business Committee, or Grievance Board.

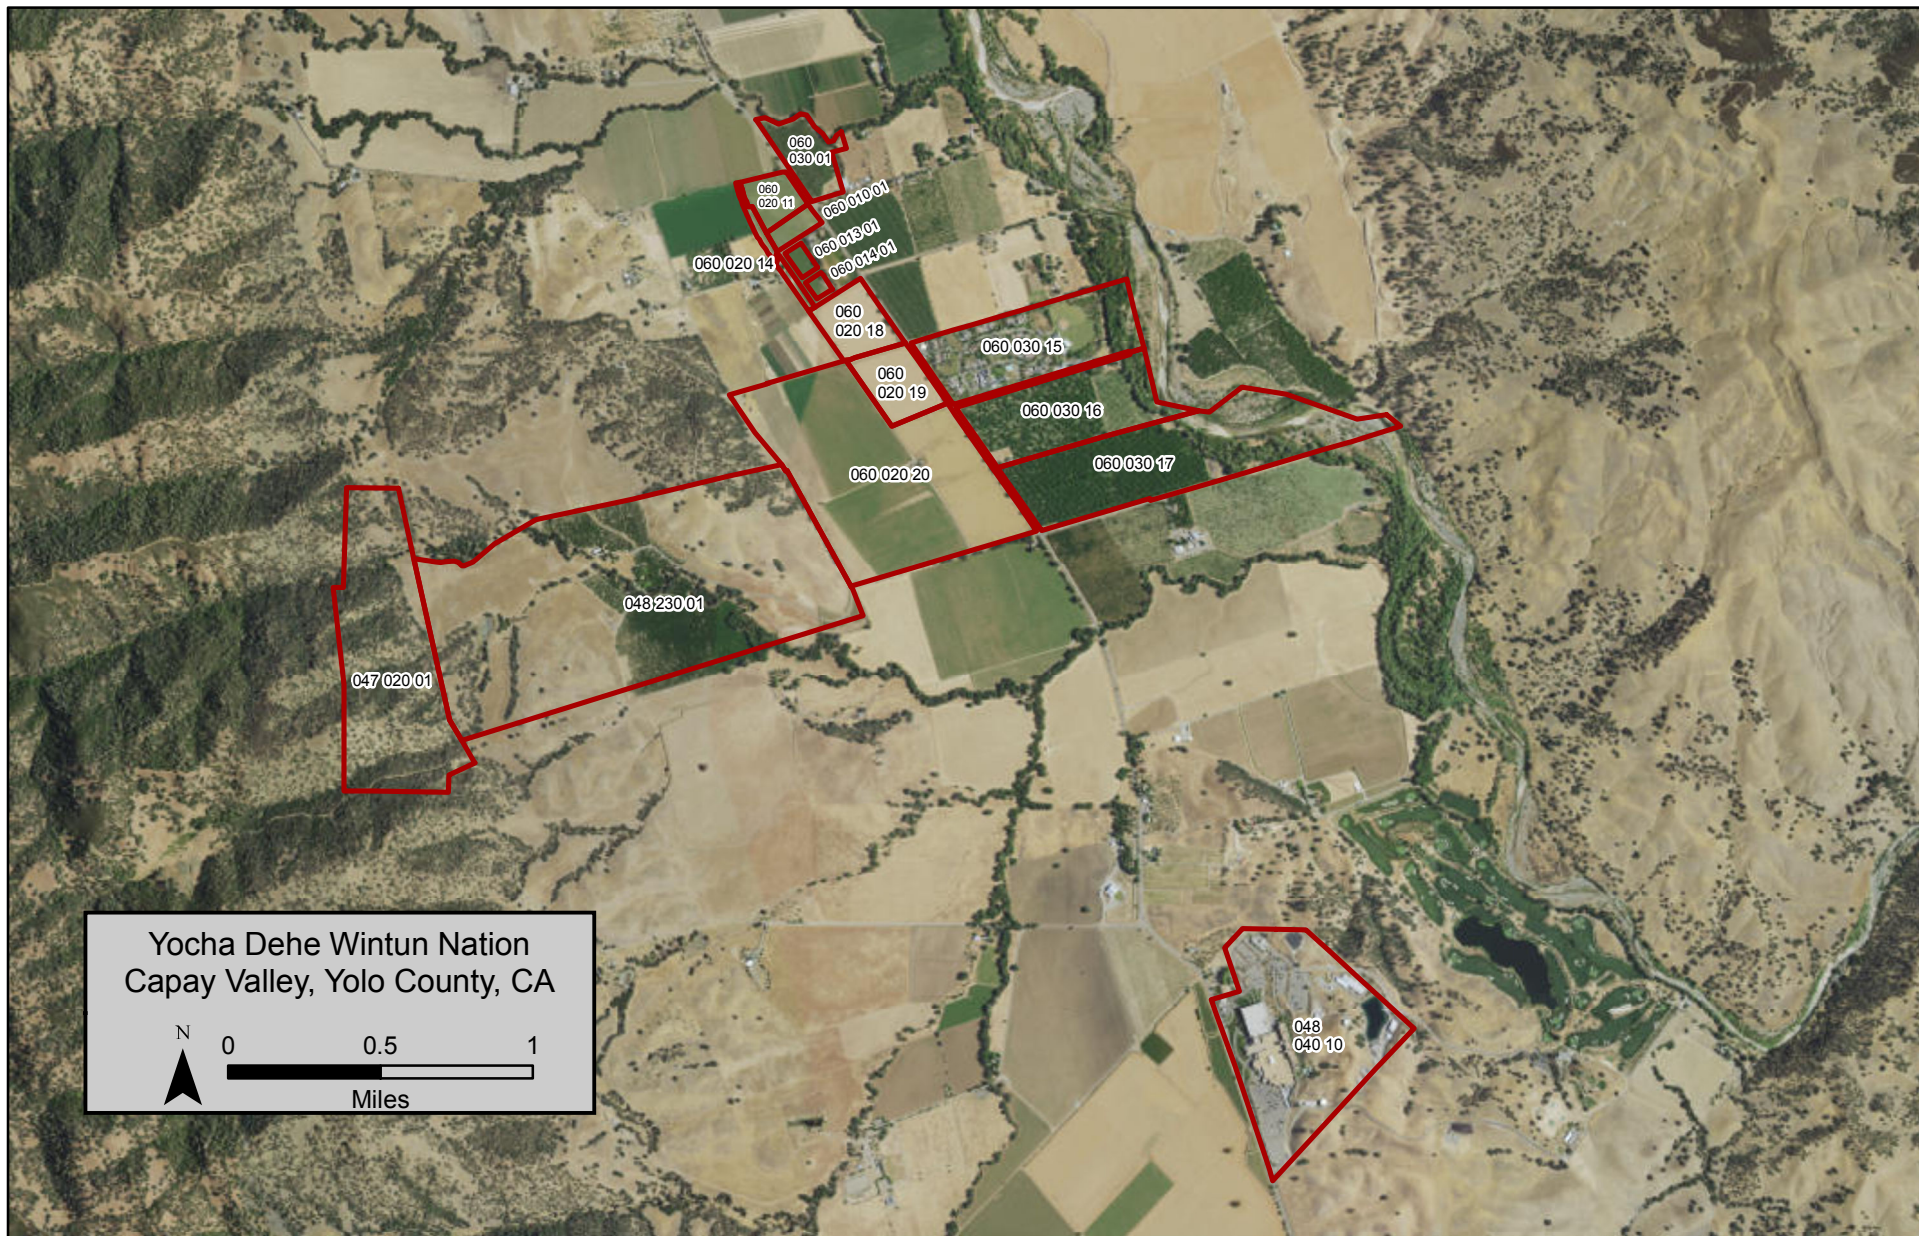

The parties agree to pursue in good faith the expeditious resolution of these matters within strict time limits. The time limits may not be extended without the agreement of both parties. In the absence of a mutually satisfactory resolution, either party may proceed to the Independent binding dispute resolution set forth below. The agreed upon time limits are set forth as follows:

- (1) All matters related to organizing, election procedures and alleged unfair labor practices prior to the union becoming certified as the collective bargaining representative of bargaining unit employees, shall be resolved by the designated tribal forum within thirty (30) working days.
- (2) All matters after the union has become certified as the collective bargaining representative and relate specifically to impasse during negotiations, shall be resolved by the designated tribal forum within sixty (60) working days;
- (c) The second level of binding dispute resolution shall be a resolution by the Tribal Labor Panel, consisting often (10) arbitrators appointed by mutual selection of the parties which panel shall serve all tribes that have adopted this ordinance. The Tribal Labor Panel shall have authority to hire staff and take other actions necessary to conduct elections, determine units, determine scope of negotiations, hold hearings, subpoena witnesses, take testimony, and conduct all other

activities needed to fulfill its obligations under this Tribal Labor Relations Ordinance.

- (1) Each member of the Tribal Labor Panel shall have relevant experience in federal labor law and/or federal Indian law with preference given to those with experience in both. Names of individuals may be provided by such sources as, but not limited to, Indian Dispute Services, Federal Mediation and Conciliation Service, and the American Academy of Arbitrators.
- (2) Unless either party objects, one arbitrator from the Tribal Labor Panel will render a binding decision on the dispute under the Ordinance. If either party objects, the dispute will be decided by a three-member panel of the Tribal Labor Panel, which will render a binding decision. In the event there is one arbitrator, five (5) Tribal Labor Panel names shall be submitted to the parties and each party may strike no more than two (2) names. In the event there is a three (3) member panel, seven (7) Tribal Labor Panel names shall be submitted to the parties and each party may strike no more than two (2) names. A coin toss shall determine which party may strike the first name. The arbitrator will generally follow the American Arbitration Association's procedural rules relating to labor dispute resolution. The arbitrator or panel must render a written, binding decision that complies in all respects with the provisions of this Ordinance.
- (d) Under the third level of binding dispute resolution, either party may seek a motion to compel arbitration or a motion to confirm an arbitration award in Tribal Court, which may be appealed to federal court. If the Tribal Court does not render its decision within 90 days, or in the event there is no Tribal Court, the matter may proceed directly to federal court. In the event the federal court declines jurisdiction, the tribe agrees to a limited waiver of its sovereign immunity for the sole purpose of compelling arbitration or confirming an arbitration award issued pursuant to the Ordinance in the appropriate state superior court. The parties are free to put at issue whether or not the arbitration award exceeds the authority of the Tribal Labor Panel.
