Between the

FORT MOJAVE INDIAN TRIBE

and the

STATE OF CALIFORNIA

TRIBAL-STATE GAMING COMPACT
Between the FORT MOJAVE INDIAN TRIBE,
a federally recognized Indian Tribe,
and the
STATE OF CALIFORNIA

The Fort Mojave Indian Tribe of Arizona, California and Nevada, a federally recognized Indian tribe (hereinafter “the Fort Mojave Tribe” or “the Tribe”), and the State of California (hereinafter “the State”) enters into this tribal-state compact pursuant to the Indian Gaming Regulatory Act of 1988 (hereinafter “IGRA”):

PREAMBLE

A. The Tribe’s forebears inhabited a region encompassing portions of southern California, Arizona and Nevada. And the Tribe’s modern-day reservation includes land in all three of those states. However, this Compact pertains only to the portion of the Tribe’s reservation that lies within the geographical boundaries of the State of California, where roughly one-fifth of the Tribe’s 33,000-acre reservation is located.

B. The federal government holds four distinct tracts of land in trust for the Tribe in the State of California. Three of these parcels make up the Tribe’s California reservation, which consists of (i) a 5,755-acre parcel known as the Hay and Wood Reserve, (ii) a 179-acre portion of Camp Mojave, and (iii) 47 acres within the boundaries of the City of Needles known as the California Village.

C. The Fort Mojave Tribe has considered developing a Gaming Facility on its reservation lands within the California Village pursuant to the provisions of IGRA. These lands, however, are centrally located in the City of Needles, and are surrounded by homes, schools, churches, and businesses. The Tribe and the State do not believe that a Gaming Facility should be located in such an area, and the Tribe has embarked on a process to locate its project elsewhere.

D. Thus, although the Fort Mojave Tribe possesses Indian lands as defined by IGRA, it has chosen to pursue the process delineated by 25 U.S.C. § 2719(b)(1)(A) in order to situate its Gaming Facility on a separate 300-acre parcel held in trust by the federal government on behalf of the Tribe (“the 300 Acre Parcel”), which will avoid undue off-reservation impacts of such a Gaming Facility on the surrounding local community. The Tribe is also committed to working cooperatively with San Bernardino County and the City of Needles to mitigate the off-reservation impacts of said proposed casino on the 300 Acre Parcel.

E. The 300 Acre Parcel lies less than three miles from the exterior boundaries of the City of Needles and less than three miles from the exterior boundaries of the Tribe’s reservation and, according to the Tribe, is within the

Tribe's aboriginal territory. The area immediately surrounding the 300 Acre Parcel is vacant desert, and save for a few billboards, there is no development on the parcel itself.

F. IGRA contains a provision ("Section 20") allowing a tribe to operate Gaming Facilities on lands located outside a tribe's reservation that were acquired by the tribe after IGRA's effective date if, after consultation with the tribe, the State, and local officials, the Secretary of the Interior determines that the Gaming Facility would be in the best interests of the tribe and its members and not detrimental to the surrounding community, and the governor of the state in which the Facility is to be located concurs in that determination. Any gaming on the 300 Acre Parcel is subject to the provisions of Section 20.

G. As part of this Section 20 process, the Tribe has complied with the National Environmental Policy Act by preparing an Environmental Assessment, and it has consulted with State and local governmental officials as well as community members. The Tribe has requested that the Secretary of the Interior issue a favorable determination on its Section 20 application.

H. The Tribe has identified the following features of the Section 20 Project that it believes makes the Section 20 Project uniquely appropriate for off-reservation Indian gaming in California: (1) the proposed Gaming Facility is less than three (3) miles from the Tribe's reservation; (2) the 300 Acre Parcel is already held in trust for the Tribe, although not for gaming purposes; (3) the 300 Acre Parcel is within the Tribe's aboriginal territory; (4) the 300 Acre Parcel is in a rural, unincorporated, undeveloped, uninhabited area and will be several miles away from schools, churches, and homes; (5) there are no other Indian tribes within a 40-mile radius of the 300 Acre Parcel; and (6) the closest affected municipality, the City of Needles, has expressed support for the proposal.

I. In light of the Tribe's willingness to locate its Gaming Facility on the 300 Acre Parcel outside the City of Needles, the Governor intends to grant his concurrence as long as (i) the Secretary of Interior determines that the Gaming Facility would be in the best interests of the Tribe and its members and not detrimental to the surrounding community, (ii) the Board of Supervisors of the County of San Bernardino and the City Council of the City of Needles approves of the location in the form of a resolution or other appropriate instrument, and (iii) a favorable advisory vote is given by the electorate in the City of Needles, which would be the affected local community in this case.

J. The Tribe and the State share an interest in mitigating the off-reservation impacts of Gaming Activities as well as an interest in fostering a good neighbor relationship among the Tribe, the State, and the local community bordering on the Tribe's reservation land. For these reasons, the Tribe and the State believe that it is in their best interests for the Tribe to enter into enforceable and binding agreements with San Bernardino County and the City of Needles to

address all off-reservation impacts of the Tribe's California Gaming Facility as a precondition to developing its Gaming Facility. The City of Needles - the closest off-reservation community - has expressed support for the Tribe's Project; and the Tribe has entered into and executed intergovernmental agreements and memoranda of understanding with neighboring cities and counties in connection with other of its projects. In this Compact, the Tribe commits itself to entering into such agreements with San Bernardino County and the City of Needles as a precondition to developing its Gaming Facility on the 300 Acre Parcel.

K. The exclusive rights that the Tribe will enjoy under this Compact create a unique opportunity for the Tribe to operate its Gaming Facility in an economic environment free of competition from Class III Gaming on non-Indian lands in California. This unique economic environment is of great value to the Tribe, and the income from the Gaming Devices over which California's tribes have a constitutional monopoly will represent a substantial portion of the Tribe's revenues. The parties are also mindful that the State will bear costs directly related to the regulation and operation of the Gaming Activities that are unique to the tribes in this State. In consideration of the exclusive rights enjoyed by the Tribe, the State's willingness to bear the costs of such Class III Gaming Activities, the right to operate the desired number of Gaming Devices, and the other meaningful concessions offered by the State in good faith negotiations, the Tribe has agreed to provide to the State, on a sovereign-to-sovereign basis, a portion of its revenue from Gaming Devices.

L. The State has a legitimate interest in promoting the purposes of IGRA for all federally recognized Indian tribes in California, whether gaming or non-gaming. The State also has a legitimate sovereign interest in regulating Class III Gaming Activities that occur in California insofar as they impact California's citizens and local communities. The Indian Tribe and the State share a joint sovereign interest in ensuring that tribal Gaming Activities are free from criminal and other undesirable elements.

M. The Indian Tribe and the State believe that the principles underlying the specific agreements reached herein and the respectful and cooperative process in which both parties have negotiated this arrangement offer hope for a stable, long-term relationship between the State and the Tribe.

SECTION 1.0. PURPOSES AND OBJECTIVES.

The terms of this Compact are designed to:

(a) Evidence the goodwill and cooperation of the Tribe and the State in fostering a mutually respectful government-to-government relationship that will serve the mutual interests of the parties.

(b) Develop and implement a means of regulating the Class III Gaming to ensure its fair and honest operation in a way that protects the interests of the Tribe,

the State, its citizens, and local communities in accordance with IGRA, and through that regulated Class III Gaming, enable the Tribe to develop self-sufficiency, promote tribal economic development, and generate jobs and revenues to support the Tribe's government and its governmental services and programs.

(c) Promote ethical practices in conjunction with that gaming, through the licensing and control of persons and entities employed in, or providing goods and services to, the Tribe's Gaming Operation, protect against the presence or participation of persons whose criminal backgrounds, reputations, character, or associations make them unsuitable for participation in gaming, thereby maintaining a high level of integrity in tribal government gaming, and protect the patrons and employees of the Gaming Operation and the local communities.

SECTION 3.0. CLASS III GAMING AUTHORIZED.

The Fort Mojave Tribe is hereby authorized to engage in only the Gaming Activities expressly referred to in section 4.0 and shall not engage in Class III Gaming that is not expressly authorized in that section. Furthermore, the Gaming Activities herein referred may be conducted only (i) at a Gaming Facility situated on the Tribe's Indian lands within the meaning of IGRA *and* within the boundaries of the 300 Acre Parcel, but only after a favorable Two Part Determination has been made and only after the Governor of the State of California has concurred in the Two Part Determination, or (ii) if, and only if, the Governor does not concur for whatever reason with said Two Part Determination at the Hay and Wood Reserve Project.

SECTION 4.0. SCOPE OF CLASS III GAMING AND REVENUE CONTRIBUTION.

(a) The Fort Mojave Tribe is hereby authorized to operate only the following Gaming Activities under the terms and conditions set forth in this Gaming Compact:

(i) Gaming Devices.

(ii) Any banking or percentage card games.

(iii) Any devices or games that are authorized under state law to the California State Lottery, provided that the Fort Mojave Tribe will not offer such games through use of the Internet unless others in the state are permitted to do so under state and federal law.

(b) Nothing herein shall be construed to preclude the negotiation of a separate compact governing the conduct of off-track wagering at the Fort Mojave Tribe's Gaming Facility.

Sec. 4.2. Authorized Gaming Facility. The Fort Mojave Tribe may establish and operate one Gaming Facility on the 300 Acre Parcel if the Tribe succeeds in obtaining a favorable Two Part Determination by the Secretary of the Interior and the Governor concurs in such Two Part Determination. If the Governor does not concur with said Two Part Determination, the Tribe may establish and operate one Gaming Facility at the Hay and Wood Reserve Project.

Sec. 4.3. Authorized Gaming. The Fort Mojave Tribe may combine and operate in the Gaming Facility authorized herein any forms and kinds of gaming

permitted under the law, but only to the extent allowed under this Compact, IGRA, and the Fort Mojave Tribe's Gaming Ordinance.

Sec. 4.3.1 Authorized Number of Gaming Devices.

(a) The Fort Mojave Tribe is authorized to operate up to 1,500 Gaming Devices.

(b) In consideration for the monopoly on Class III Gaming granted to the tribes by the California Constitution and the number of Gaming Devices authorized herein, from and after the first day of operation of the Section 20 Project, or from and after the first day of operation of the Hay and Wood Reserve Project, if applicable, the Fort Mojave Tribe shall pay to the State the following percentages of its Net Win from the operation of Gaming Devices:

(i) As long as the Tribe has over 1,000 members, its payment of the Net Win shall be based on the following schedule:

<u>Annual Net Win</u>	<u>Percentage</u>
\$0-\$50 million	10%
Over \$50 million to \$100 million	14%
Over \$100 million to \$150 million	18%
Over \$150 million to \$200 million	22%
Over \$200 million	25%

(ii) If the Tribe's membership falls between 500 and 1000 members, its payment of the Net Win shall be based on the following schedule:

<u>Annual Net Win</u>	<u>Percentage</u>
\$0-\$50 million	11%
Over \$50 million to \$100 million	15%
Over \$100 million to \$150 million	18%
Over \$150 million to \$200 million	22%
Over \$200 million	25%

(iii) If the Tribe's membership falls below 500 members, its payment for the first \$50 million of annual Net Win shall increase to 12%, but the remaining percentages for the annual Net Win will remain the same as in subparagraph (ii) above.

(c) The Tribe shall remit to such agency, trust, fund or entity, as the State Director of Finance, pursuant to law, from time to time, shall specify to the Tribe in writing, the payments referenced in subdivision (b) in quarterly payments, which quarterly payments shall be based on the Net Win generated from the Gaming Devices during the immediately preceding quarter, due by the thirtieth day following the end of each calendar quarter (i.e., by April 30 for the first quarter, July 30 for the second quarter, October 30 for the third quarter, and January 30 for the fourth quarter). If the Gaming Activities authorized by this Compact commence during a calendar quarter, the first payment shall be made within thirty (30) days of the end of the first full quarter of the Gaming Operation and shall

cover the period from the commencement of the Gaming Activities to the end of the first full calendar quarter. Said quarterly payments shall be accompanied by the report specified in subdivision (e).

(d) Any quarterly payment not paid on or before the date on which such amount is due shall be deemed overdue. If any quarterly payment under this section is overdue, the Tribe shall pay, in addition to the overdue quarterly payment, all interest accrued thereon from the date such quarterly payment was due at the rate of 1.0% per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less. Entitlement to such interest shall be in addition to any other remedies the State may have.

(e) The quarterly payments shall be accompanied by a certification (the "Quarterly Net Win Payment Report") of (i) the Net Win calculation prepared by an authorized representative of the Tribe reflecting the quarterly Net Win, (ii) the percentage applied to the quarterly Net Win as specified in subdivision (b) (where the percentage would be determined by the cumulative total of the Net Win earned since the beginning of the calendar year), and (iii) the total amount of the quarterly payment. A copy of the certification shall also be sent to the State Gaming Agency.

(f) The Tribe shall cause, at its own expense, the annual financial statements of its Gaming Activities to be audited in accordance with generally accepted auditing standards as applied to audits for the gaming industry by an independent certified public accountant licensed by the State Board of Accountancy (or other equivalent licensing board of another state in the United States), who is not an employee of the Tribe, the Tribal Gaming Agency, or the Gaming Operation or otherwise financially interested in the Tribe's Gaming Activities. The auditor used by the Tribe for this purpose shall be approved by the California Gambling Control Commission, or other State Designated Agency, but the State shall not unreasonably withhold its consent. A copy of the current audited financial statement for the Gaming Activities shall be submitted on an annual basis to the California Gambling Control Commission, or other State Designated Agency, no later than one hundred twenty (120) days following the end of the accounting period under review. If the audited financial statement shows that the Tribe made an overpayment of its Net Win to the State during the year covered by the statement, the Tribe's next payment may be reduced by the amount of the overage. Conversely, if the audited financial statement shows that the Tribe made an underpayment to the State during the year covered by said statement, the Tribe's next payment of Net Win shall be increased by the amount owing. The Tribal Gaming Agency shall also transmit a copy of all audit reports to the California Gambling Control Commission within twenty (20) days of receipt of the audit by the Tribal Gaming Agency, and shall also provide a copy of the audit to the State Designated Agency upon request.

(g) The California Gambling Control Commission, or other State Designated Agency, may cause an audit to be made by or on behalf of the State of the Quarterly Net Win Payment Report submitted pursuant to subdivision (e). If said audit finds that the quarterly payment for any quarter as reflected on such quarter's Quarterly Net Win Payment Report is understated, the State will promptly notify the Tribe, and the Tribe will either accept the difference or provide a reconciliation satisfactory to the State. If the Tribe accepts the difference or fails to provide a reconciliation satisfactory to the State within thirty (30) days of receipt of the notice, the Tribe must immediately pay the amount of the resulting deficiencies in the quarterly payment plus interest on such amounts from the date they were due at the rate of one percent (1.0%) per month or the maximum rate permitted by state law for delinquent payments owed to the State, whichever is less.

(h) The Fort Mojave Tribe shall not conduct any Gaming Activity authorized by this Compact if the Tribe is in arrears in any payment due under this section for more than sixty (60) days *and* the California Gambling Control Commission or other State Designated Agency has given at least fifteen (15) days' written notice to cure to the Tribal Chairperson's address set forth in section 16.

(i) Any dispute over the amount of the quarterly payment shall be resolved by the dispute resolution process defined in section 13.0 of the Compact, but said process shall not delay payments determined to be due either by the Tribe's certified public accountant or by the auditor retained by the California Gambling Control Commission, or other State Designated Agency, pursuant to subdivision (g). Instead, any overpayment of Net Win by the Tribe determined by the dispute resolution process will be credited against the Tribe's next quarterly payment.

(j) This Section constitutes a "Section 4.3.1" within the meaning of article 6.5 (commencing with Section 63048.6) of Chapter 2 of Division 1 of Title 6.7 of the California Government Code.

SECTION 5.0. REVENUE SHARING WITH NON-GAMING TRIBES.

Sec. 5.1. Definitions. For purposes of this section, the following additional definitions apply:

(a) The "Revenue Sharing Trust Fund" is a fund created by the Legislature and administered by the California Gambling Control Commission, as trustee, for the receipt, deposit, and distribution of monies paid pursuant to this section.

(b) A "Non-Gaming Tribe" is a federally recognized tribe in California, with or without a tribal-state compact, which has not engaged in, or offered, class II or Class III Gaming for at least the past 365 days prior to the date of, and on the date of payment from the Revenue Sharing Trust Fund.

(c) A “Non-Compact Tribe” is a federally recognized tribe that has a compact with the State but is operating fewer than 350 Gaming Devices.

Sec. 5.2. Revenue Sharing Trust Fund.

(a) If the Tribe earns over \$25 million in Net Win in any given year, the Tribe agrees that it will pay into the Revenue Sharing Trust Fund on January 30 of the following year for distribution on an equal basis to the Non-Gaming Tribes only the following amounts:

<u>Number of Gaming Devices Operated</u>	<u>Annual Payment</u>
701-1100 Gaming Devices	\$900 per Gaming Device
1101-1500 Gaming Devices	\$1,950 per Gaming Device

The Tribe need not make any payment to the Revenue Sharing Trust Fund based on the operation of 0-700 Gaming Devices at the Gaming Facility.

(b) The Tribe acknowledges that various compacts with the State provide for payments to the Revenue Sharing Trust Fund for the benefit of Non-Compact Tribes, and nothing in this Compact affects the distribution of those payments. However, the payments made by the Tribe to the Revenue Sharing Trust Fund pursuant to this Compact shall be made only to Non-Gaming Tribes in equal shares for purposes of increasing the annual payment to those tribes. Nothing in this Compact affects the distribution from the Revenue Sharing Trust Fund to Non-Compact Tribes, including Non-Gaming Tribes, pursuant to the terms of those tribal-state compacts that provide for payments to Non-Compact Tribes.

(c) The California Gambling Control Commission shall serve as the trustee of the Revenue Sharing Trust Fund. The California Gambling Control Commission shall have no discretion with respect to the use or disbursement of the Revenue Sharing Trust Funds. The California Gambling Control Commission’s sole authority shall be to serve as a depository of the trust funds and to disburse them on a quarterly basis to Non-Gaming and other Non-Compact Tribes. In no event shall the State’s General Fund be obligated to make up any shortfall in the Revenue Sharing Trust Fund or to pay any unpaid claims thereto.

SECTION 6.0. LICENSING.

Sec. 6.1. Gaming Ordinance and Regulations.

(a) All Gaming Activities conducted under this Gaming Compact shall, at a minimum, comply (i) with a Gaming Ordinance duly adopted by the Tribe and approved in accordance with IGRA, (ii) with all rules, regulations, procedures, specifications, and standards duly adopted by the NIGC and the Tribal Gaming Agency, and (iii) the provisions of this Gaming Compact.

(b) The Tribal Gaming Agency shall transmit a copy of the Tribal Gaming Ordinance, and all of its rules, regulations, procedures, specifications, or standards applicable to the Gaming Activities, to the California Gambling Control

Commission within twenty (20) days following execution of this Compact, or within twenty (20) days following their adoption or amendment.

(c) A copy of those documents identified in subdivision (b) which are applicable to the public shall be made available by the Tribe and the Tribal Gaming Agency to any member of the public upon request.

Sec. 6.2. Tribal Ownership, Management, and Control of Gaming Operation. The Gaming Operations authorized under this Gaming Compact shall be owned solely by the Tribe.

Sec. 6.3. Prohibitions Regarding Minors.

(a) The Tribe shall prohibit persons under the age of twenty-one (21) years from being present in any room or area in which Class III Gaming Activities are being conducted unless the person is en route to a non-gaming area of the Gaming Facility.

(b) If the Tribe permits the consumption of alcoholic beverages in the Gaming Facility, the Tribe shall prohibit persons under the age of 21 years from being present in any room or area in which alcoholic beverages may be consumed, except to the extent permitted by the State Department of Alcoholic Beverage Control for other commercial establishments serving alcohol.

Sec. 6.4. Licensing Requirements and Procedures.

Sec. 6.4.1. Summary of Licensing Principles. All persons in any way connected with the Gaming Operation or Facility who are required to be licensed or to submit to a background investigation under IGRA, and any others required to be licensed under this Gaming Compact, including, but not limited to, all Gaming Employees, Gaming Resource Suppliers, Financial Sources, and any other person having a significant influence over the Gaming Operation, must be licensed by the Tribal Gaming Agency. The parties intend that the licensing process provided for in this Gaming Compact shall involve joint cooperation between the Tribal Gaming Agency and the State Gaming Agency, as more particularly described herein.

Sec. 6.4.2. Gaming Facility.

(a) The Gaming Facility authorized by this Gaming Compact shall be licensed by the Tribal Gaming Agency in conformity with the requirements of this Compact, the Tribal Gaming Ordinance, IGRA, and any applicable regulations adopted by the NIGC. The license shall be reviewed and renewed every year thereafter. Verification that this requirement has been met shall be provided by the Tribe to the State by sending a copy of the initial license and each renewal license to the California Gambling Control Commission within twenty (20) days after issuance of the license or renewal. The Tribal Gaming Agency's certification that the Gaming Facility is being operated in conformity with these requirements shall be posted in a conspicuous and public place in the Gaming Facility at all times.

(b) In order to assure the protection of the health and safety of all Gaming Facility patrons, guests, and employees, the Tribe shall require the Gaming Facility, and any expansions or modifications of such Gaming Facility, to meet or exceed the California Building Code and the Public Safety Code applicable to the County of San Bernardino in the case of the Section 20 Project, or to the City of Needles in the case of the Hay and Wood Reserve Project, as set forth in Titles 19 and 24 of the California Code of Regulations, as those regulations may be amended during the term of this Compact, including, but not limited to, codes for building, electrical, energy, mechanical, plumbing, fire, and safety (“the Applicable Codes”); provided that the Tribe need not meet any standard that specifically applies in name or in fact solely to tribal gaming facilities. In order to assure compliance with the Applicable Codes, in all cases where said codes would otherwise require a permit for non-tribal construction, the Tribe for any Gaming Facility, or any expansions or modifications thereof, shall (i) employ, for purposes of assessing compliance with the Applicable Codes, appropriate plan checkers or review firms that are either California licensed architects or engineers with relevant experience or are on the list, if any, of approved plan checkers or review firms provided by the City of Needles or the County of San Bernardino and (ii) employ, for purposes of assessing compliance with the Applicable Codes, project inspectors that have been either approved as Class 1 certified inspectors by the Division of the State Architect or approved as Class A certified inspectors by the Office of Statewide Health Planning and Development or their successors. Alternatively, the Tribe can reach agreement with the City of Needles or the County of San Bernardino for the building inspectors for the City of Needles or the County of San Bernardino to examine, at the Tribe’s expense, all aspects of the Gaming Facility, or any expansions or modifications thereof, in order to assess compliance with the Applicable Codes. In either case, the Tribe shall require the inspectors to report in writing any failure to comply with the Applicable Codes to the Tribal Gaming Agency and the State Designated Agency. The plan checkers, review firms, and project inspectors shall be referred to as “Inspector(s).” Without limiting the rights of the State under this section, reference to Applicable Codes is not intended to confer jurisdiction upon the State, the County, or the City.

(c) The State Designated Agency may designate an agent or agents to be given reasonable notice of each inspection by an Inspector required by section 108 of the California Building Code, and the State agents may accompany the Inspector on any such inspection. The Tribe agrees to correct any Gaming Facility condition noted in an inspection that does not meet Applicable Codes (hereinafter “deficiency”). Upon not fewer than three (3) business days’ notice to the Tribal Gaming Agency, except in circumstances posing an immediate threat to the life or safety of any person, in which case no advance notice is required, the State Designated Agency shall also have the right to conduct an independent inspection

of the Gaming Facility to verify compliance with the Applicable Codes before public occupancy and shall report to the Tribal Gaming Agency any alleged failure to satisfy the Applicable Codes; provided, however, that prior to any exercise by the State of its right to inspect without notice based upon alleged circumstances posing an immediate threat to the life or safety of any person, the State Designated Agency shall provide to the Tribal Gaming Agency notice in writing specifying in reasonable detail those alleged circumstances.

(d) In order to make the State Designated Agency's inspections meaningful, in all cases where the Applicable Codes would otherwise require a plan check for non-tribal construction, the Tribe shall require those responsible for the construction of any Gaming Facility, or any expansion or modification thereof, to provide all the documentation as set forth below:

(i) The Tribe shall cause the design and construction calculations, and plans and specifications (the "Design and Building Plans") that form the basis for the planned Gaming Facility, or any expansion or modification thereof, to be provided to the State Designated Agency within fifteen (15) days of their completion.

(ii) In the event that material changes to a structural detail of the Design and Building Plans will result from contract change orders or any other changes in the Design and Building Plans, the Tribe shall provide such change orders or other changes to the State Designated Agency within five (5) days of the change's execution or approval.

(iii) The Tribe shall maintain during construction all other contract change orders for inspection and copying by the State Designated Agency upon its request.

(iv) The Tribe shall maintain the Design and Building Plans for the term of this Compact.

(e) Any Gaming Facility authorized by this Gaming Compact shall be issued a certificate of occupancy by the Tribal Gaming Agency prior to occupancy upon compliance with the Applicable Codes. Upon certification by the Inspector that a Gaming Facility meets the Applicable Codes, the Tribal Gaming Agency shall forward the Inspector's certification to the State Designated Agency within ten (10) days of issuance. If the State Designated Agency objects to that certification, the Tribe shall make a good faith effort to address the State's concerns, but if the State Designated Agency does not withdraw its objection, the matter will be resolved in accordance with the dispute resolution provisions of section 13.0.

(f) Any failure to remedy within a reasonable period of time any material and timely raised deficiency shall be deemed a violation of the Compact, and furthermore, any deficiency that poses a serious or significant risk to the health or safety of any occupants shall be grounds for the Tribal Gaming Agency, or the

State Designated Agency pursuant to a court order, to prohibit occupancy of the affected portion of the Gaming Facility until the deficiency is corrected.

(g) On an annual basis following the date of issuance of the certificate of occupancy, the Tribal Gaming Agency shall review the Gaming Facility's continuing compliance with the Applicable Codes by having the Inspectors, or alternatively, city and/or county building inspectors for the City of Needles or the County of San Bernardino examine, at the Tribe's expense, all aspects of the Gaming Facility. The Tribe shall not allow occupancy of any portion of a Gaming Facility that is constructed or maintained in a manner that endangers the health or safety of occupants.

(h) The Tribe shall also take all necessary steps to reasonably ensure ongoing availability of sufficient and qualified fire suppression services to the Gaming Facility, and reasonably ensure the Gaming Facility satisfies all requirements of Title 19 of the California Code of Regulations applicable to similar facilities in San Bernardino County as set forth below:

(i) Not less than thirty (30) days before the commencement of the Gaming Activities, and not less than biennially thereafter, and upon at least ten (10) days' notice to the State Designated Agency, the Gaming Facility shall be inspected, at the Tribe's expense, by a Tribal official, if any, who is responsible for fire protection on the reservation or by an independent expert for purposes of certifying that the Gaming Facility meets a reasonable standard of fire safety and life safety.

(ii) The State Designated Agency shall be entitled to designate and have a qualified representative present during the inspection. During such inspection, the State's representative shall specify to the Tribal official or independent expert, as the case may be, any condition which the representative reasonably believes would preclude certification of the Gaming Facility as meeting a reasonable standard of fire and life safety.

(iii) The Tribal official or independent expert shall issue a report on the inspection within fifteen (15) days, identifying any deficiency in fire or life safety at the Gaming Facility or in the ability of the Tribe to meet reasonably expected fire suppression needs of the Gaming Facility.

(iv) Within fifteen (15) days after the issuance of the report, the official or independent expert shall also require and approve a specific plan for correcting deficiencies, whether in fire safety at the Gaming Facility or in the Tribe's ability to meet the reasonably expected fire suppression needs of the Gaming Facility, including those identified by the State Designated Agency's representatives. A copy of the report shall be served on the State Designated Agency and the Tribal Gaming Agency.

(v) Immediately upon correction of all deficiencies identified in the report, the official or independent expert shall certify in writing to the Tribal

Gaming Agency and the State Designated Agency that all deficiencies have been corrected.

(iv) Any failure to correct all deficiencies identified in the report within a reasonable period of time shall be deemed a violation of the Compact, and any failure to promptly correct those deficiencies that pose a serious or significant risk to the health and safety of any occupants shall be a violation of the Compact and grounds by the Tribal Gaming Agency, or the State Gaming Agency pursuant to court order, to prohibit occupancy of the affected portion of the Gaming Facility until the deficiency is corrected.

Sec. 6.4.3. Gaming Employees.

(a) Every Gaming Employee shall obtain, and thereafter maintain current, a valid tribal gaming license, and except as otherwise provided by regulations adopted by the California Gambling Control Commission, or its successor in interest, a State Gaming Agency determination of suitability, which license and determination shall be subject to biennial renewal; provided that in accordance with section 6.4.9, those persons may be employed on a temporary or conditional basis pending completion of the licensing process and the State Gaming Agency determination of suitability.

(b) The Tribe shall not employ, or continue to employ, any person whose application to the State Gaming Agency for a determination of suitability, or for a renewal of such a determination, has been denied or has expired without renewal.

Sec. 6.4.4. Gaming Resource Suppliers.

(a) Every Gaming Resource Supplier shall be licensed by the Tribal Gaming Agency prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility. Every Gaming Resource Supplier shall also apply to the State Gaming Agency for a determination of suitability at least 30 days prior to the sale, lease, or distribution, or further sale, lease, or distribution, of any Gaming Resources to or in connection with the Tribe's Gaming Operation or Facility. Where the State Gaming Agency denies the determination of suitability, the Tribal Gaming Agency shall deny, revoke, or not renew the license. The license and determination of suitability shall be reviewed at least every two years for continuing compliance. For purposes of section 6.5.2, such a review shall be deemed to constitute an application for renewal. In connection with such a review, the Tribal Gaming Agency shall require the Gaming Resource Supplier to update all information provided in the previous application.

(b) Any agreement between the Tribe and a Gaming Resource Supplier shall include a provision for its termination without further liability on the part of the Tribe, except for the bona fide payment of all outstanding sums (exclusive of interest) owed as of, or payment for services or materials received up to, the date of termination, upon revocation or non-renewal of the Gaming Resource Supplier's

license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. The Tribe shall not enter into, or continue to make payments to a Gaming Resource Supplier pursuant to, any contract or agreement for the provision of Gaming Resources with any person or entity whose application to the State Gaming Agency for a determination of suitability has been denied or has expired without renewal.

Sec. 6.4.5. Financial Sources.

(a) Every Financial Source shall be licensed by the Tribal Gaming Agency prior to extending any financing in connection with the Tribe's Gaming Operation or Facility. Every Financial Source shall also apply to the State Gaming Agency for a determination of suitability at least 90 days prior to extending any financing in connection with the Tribe's Gaming Operation or Facility. Where the State Gaming Agency denies the determination of suitability, the Tribal Gaming Agency shall deny, revoke, or not renew the license. The license and determination of suitability shall be reviewed at least every two years for continuing compliance. For purposes of section 6.5.2, such a review shall be deemed to constitute an application for renewal. In connection with such a review, the Tribal Gaming Agency shall require the Financial Source to update all information provided in the previous application.

(b) Any agreement between the Tribe and a Financial Source shall include a provision for its termination without further liability on the part of the Tribe, except for the bona fide payment of all outstanding sums (exclusive of interest) owed as of the date of termination, upon revocation or non-renewal of the Financial Source's license by the Tribal Gaming Agency based on a determination of unsuitability by the State Gaming Agency. The Tribe shall not enter into, or continue to make payments to a Financial Source pursuant to, any contract or agreement for the provision of financing with any person whose application to the State Gaming Agency for a determination of suitability has been denied or has expired without renewal.

(c) A Gaming Resource Supplier who provides financing exclusively in connection with the provision, sale, or lease of Gaming Resources obtained from that Gaming Resource Supplier may be licensed solely in accordance with the licensing procedures applicable, if at all, to Gaming Resource Suppliers, and need not be separately licensed as a Financial Source under this section.

(d) The Tribal Gaming Agency may, at its discretion, exclude from the licensing requirements of this section: (i) the following entities regulated by either the State or the federal government: (A) banks, (B) savings and loans, or (C) other lending institutions; (ii) any agency of the federal, state, or local government providing financing, together with any person purchasing any debt securities of the agency to provide such financing; or (iii) any investor who, alone or together with any person controlling, controlled by or under common control with such investor,

holds less than ten percent (10%) of all outstanding debt securities issued directly or indirectly by the Tribe for a Gaming Facility or Gaming Operation.

(e) Notwithstanding anything to the contrary herein, the California Gambling Control Commission may issue regulations interpreting this section, including, but not limited to, the scope of the exclusion under subdivision (d).

Sec. 6.4.6. Processing Tribal Gaming License Applications.

(a) Each Applicant for a tribal gaming license shall submit the completed application along with the required information and an application fee, if required, to the Tribal Gaming Agency in accordance with the rules and regulations of that agency.

(b) At a minimum, the Tribal Gaming Agency shall require submission and consideration of all information required under IGRA, including Section 556.4 of Title 25 of the Code of Federal Regulations, for licensing primary management officials and key employees.

(c) For Applicants who are business entities, these licensing provisions shall apply to the entity as well as: (i) each of its officers and directors; (ii) each of its principal management employees, including any chief executive officer, chief financial officer, chief operating officer, and general manager; (iii) each of its owners or partners, if an unincorporated business; (iv) each of its shareholders who owns more than 10 percent (10%) of the shares of the corporation, if a corporation; and (v) each person or entity (other than a financial institution that the Tribal Gaming Agency has determined does not require a license under the preceding section) that, alone or in combination with others, has provided financing in connection with any gaming authorized under this Gaming Compact, if that person or entity provided more than ten percent (10%) of either the start-up capital or the operating capital, or of a combination thereof, over a twelve (12) month period. For purposes of this subdivision, where there is any commonality of the characteristics identified in clauses (i) to (v), inclusive, between any two or more entities, those entities may be deemed to be a single entity.

(d) Nothing herein precludes the Tribe or Tribal Gaming Agency from requiring more stringent licensing requirements.

Sec. 6.4.7. Suitability Standard Regarding Gaming Licenses.

(a) In reviewing an application for a tribal gaming license, and in addition to any standards set forth in the Tribal Gaming Ordinance, the Tribal Gaming Agency shall consider whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the Tribe's Gaming Operations are free from criminal and dishonest elements and would be conducted honestly.

(b) A license may not be issued unless, based on all information and documents submitted, the Tribal Gaming Agency is satisfied that the Applicant,

and in the case of an entity each individual identified in section 6.4.6, meets all the following requirements:

- (i) The person is of good character, honesty, and integrity.
- (ii) The person's prior activities, criminal record (if any), reputation, habits, and associations do not pose a threat to the public interest or to the effective regulation and control of gaming, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the conduct of gaming, or in the carrying on of business and financial arrangements incidental thereto.
- (iii) The person is in all other respects qualified to be licensed as provided in, and meets the criteria established in, this Gaming Compact, IGRA, NIGC regulations, the Tribal Gaming Ordinance, and any other criteria adopted by the Tribal Gaming Agency or the Tribe; provided, however, an Applicant shall not be found to be unsuitable solely on the ground that the Applicant was an employee of a tribal gaming operation in California that was conducted prior to May 16, 2000.

Sec. 6.4.8. Background Investigations of Applicants.

(a) The Tribal Gaming Agency shall conduct or cause to be conducted all necessary background investigations reasonably required to determine that the Applicant is qualified for a gaming license under the standards set forth in section 6.4.7, and to fulfill all requirements for licensing under IGRA, the Tribal Gaming Ordinance, and this Gaming Compact. The Tribal Gaming Agency shall not issue other than a temporary license until a determination is made that those qualifications have been met.

(b) In lieu of completing its own background investigation, and to the extent that doing so does not conflict with or violate IGRA or the Tribal Gaming Ordinance, the Tribal Gaming Agency may contract with the State Gaming Agency for the conduct of background investigations, may rely on a State determination of suitability previously issued under a gaming compact involving another tribe and the State, or may rely on a state gaming license previously issued to the Applicant, to fulfill some or all of the Tribal Gaming Agency's background investigation obligations.

(c) An Applicant for a tribal gaming license shall be required to provide releases to the State Gaming Agency to make available to the Tribal Gaming Agency background information regarding the Applicant. The State Gaming Agency shall cooperate in furnishing to the Tribal Gaming Agency that information, unless doing so would violate any agreement the State Gaming Agency has with a source of the information other than the Applicant, or would impair or impede a criminal investigation, or unless the Tribal Gaming Agency cannot provide sufficient safeguards to assure the State Gaming Agency that the

information will remain confidential or that provision of the information would violate state or federal law.

(d) If the Tribe adopts an ordinance confirming that Article 6 (commencing with section 11140) of Chapter 1 of Title 1 of Part 4 of the California Penal Code is applicable to members, investigators, and staff of the Tribal Gaming Agency, and those members, investigators, and staff thereafter comply with that ordinance, then, for purposes of carrying out its obligations under this section, the Tribal Gaming Agency shall be considered to be an entity entitled to receive state summary criminal history information within the meaning of subdivision (b)(12) of section 11105 of the California Penal Code. The California Department of Justice shall provide services to the Tribal Gaming Agency through the California Law Enforcement Telecommunications System (CLETS), subject to a determination by the CLETS advisory committee that the Tribal Gaming Agency is qualified for receipt of such services, and on such terms and conditions as are deemed reasonable by that advisory committee.

Sec. 6.4.9. Temporary Licensing of Gaming Employees.

(a) If the Applicant has completed a license application in a manner satisfactory to the Tribal Gaming Agency, and that agency has conducted a preliminary background investigation, and the investigation or other information held by that agency does not indicate that the Applicant has a criminal history or other information in his or her background that would either automatically disqualify the Applicant from obtaining a tribal gaming license or cause a reasonable person to investigate further before issuing a license, or that the Applicant is otherwise unsuitable for licensing, the Tribal Gaming Agency may issue a temporary tribal gaming license and may impose such specific conditions thereon pending completion of the Applicant's background investigation, as the Tribal Gaming Agency in its sole discretion shall determine.

(b) Special fees may be required by the Tribal Gaming Agency to issue or maintain a temporary tribal gaming license.

(c) A temporary tribal gaming license shall remain in effect until suspended or revoked, or a final determination is made on the application.

(d) At any time after issuance of a temporary tribal gaming license, the Tribal Gaming Agency shall or may, as the case may be, suspend or revoke it in accordance with the provisions of sections 6.5.1 or 6.5.5, and the State Gaming Agency may request suspension or revocation.

(e) Nothing herein shall be construed to relieve the Tribe of any obligation under Part 558 of Title 25 of the Code of Federal Regulations.

Sec. 6.5. Tribal Gaming License Issuance. Upon completion of the necessary background investigation, the Tribal Gaming Agency may issue a tribal gaming license on a conditional or unconditional basis. Nothing herein shall create a property or other right of an Applicant in an opportunity to be licensed, or in a

tribal gaming license itself, both of which shall be considered to be privileges granted to the Applicant in the sole discretion of the Tribal Gaming Agency.

Sec. 6.5.1. Denial, Suspension, or Revocation of Licenses.

(a) Any application for a tribal gaming license may be denied, and any license issued may be revoked, if the Tribal Gaming Agency determines that the application is incomplete or deficient, or if the Applicant is determined to be unsuitable or otherwise unqualified for a tribal gaming license.

(b) Pending consideration of revocation, the Tribal Gaming Agency may suspend a tribal gaming license in accordance with section 6.5.5.

(c) All rights to notice and hearing shall be governed by tribal law, as to which the Applicant shall be notified in writing along with notice of an intent to suspend or revoke the tribal gaming license.

(d) Upon receipt of notice that the State Gaming Agency has determined that a person would be unsuitable for licensure in a gambling establishment subject to the jurisdiction of the State Gaming Agency, the Tribal Gaming Agency shall deny that person a tribal gaming license and promptly revoke any tribal gaming license that has theretofore been issued to that person; provided that the Tribal Gaming Agency may, in its discretion, re-issue a tribal gaming license to the person following entry of a final judgment reversing the determination of the State Gaming Agency in a proceeding in state court conducted pursuant to section 1085 of the California Code of Civil Procedure.

Sec. 6.5.2. Renewal of Licenses; Extensions; Further Investigation.

(a) The term of a tribal gaming license shall not exceed two (2) years, and application for renewal of a license must be made prior to its expiration. Applicants for renewal of a license shall provide updated material as requested, on the appropriate renewal forms, but, at the discretion of the Tribal Gaming Agency, may not be required to resubmit historical data previously submitted or which is otherwise available to the Tribal Gaming Agency. At the discretion of the Tribal Gaming Agency, an additional background investigation may be required at any time if the Tribal Gaming Agency determines the need for further information concerning the Applicant's continuing suitability or eligibility for a license.

(b) Prior to renewing a license, the Tribal Gaming Agency shall deliver to the State Gaming Agency copies of all information and documents received in connection with the application for renewal of the tribal gaming license for purposes of the State Gaming Agency's consideration of renewal of its determination of suitability.

(c) At the discretion of the State Gaming Agency, an additional background investigation may be required if the State Gaming Agency determines the need for further information concerning the Applicant's continuing suitability for a license.

Sec. 6.5.3. Identification Cards.

(a) The Tribal Gaming Agency shall require that all persons who are required to be licensed wear, in plain view at chest height at all times while in the Gaming Facility, identification badges issued by the Tribal Gaming Agency.

(b) Identification badges must display information including, but not limited to, a photograph and the person's name that is adequate to enable members of the public and agents of the Tribal Gaming Agency to readily identify the person and determine the validity and date of expiration of his or her license.

(c) The Tribe shall monthly provide the State Gaming Agency with the name, badge identification number (if any), and job title of all Gaming Employees.

Sec. 6.5.4. Fees for Tribal License. The fees for all tribal gaming licenses shall be set by the Tribal Gaming Agency.

Sec. 6.5.5. Suspension of Tribal Gaming License. The Tribal Gaming Agency shall summarily suspend the tribal gaming license of any employee if the Tribal Gaming Agency determines that the continued licensing of the person or entity could constitute a threat to the public health or safety or may summarily suspend the license of any employee if the Tribal Gaming Agency determines that the continued licensing of the person or entity may violate the Tribal Gaming Agency's licensing or other standards. Any right to notice or hearing in regard thereto shall be governed by Tribal law.

Sec. 6.5.6. State Determination of Suitability Process.

(a) The State Gaming Agency and the Tribal Gaming Agency (together with tribal gaming agencies under other gaming compacts) shall cooperate in developing standard licensing forms for tribal Gaming Employee license applications, on a statewide basis, that reduce or eliminate duplicative or excessive paperwork, which forms and procedures shall take into account the Tribe's requirements under IGRA and the expense thereof. To facilitate the State Gaming Agency's ability to obtain any criminal information that may relate to the Applicant, each application form shall be printed showing the State Gaming Agency's approval of its use.

(b) Upon receipt of an Applicant's completed license application and a determination by the Tribal Gaming Agency that it intends to issue either a temporary or permanent license, the Tribal Gaming Agency shall transmit to the State Gaming Agency for a determination of suitability for licensure under the California Gambling Control Act a notice of intent to license the Applicant, together with all of the following:

- (i) A copy of all tribal license application materials and information received by the Tribal Gaming Agency from the Applicant.
- (ii) An original set of fingerprint cards.
- (iii) A current photograph.

(iv) Except to the extent waived by the State Gaming Agency, such releases of information, waivers, and other completed and executed forms as have been obtained by the Tribal Gaming Agency.

(c) Upon receipt of a written request from a Gaming Resource Supplier or a Financial Source for a determination of suitability, the State Gaming Agency shall transmit an application package to the Applicant to be completed and returned to the State Gaming Agency for purposes of allowing it to make a determination of suitability for licensure.

(d) Investigation and disposition of applications for determination of suitability shall be governed entirely by state law, and the State Gaming Agency shall determine whether the Applicant would be found suitable for licensure in a gambling establishment subject to the State Gaming Agency's jurisdiction. Additional information may be required by the State Gaming Agency to assist it in its background investigation.

(e) A determination of suitability is valid for the term of the tribal license held by the Applicant, and the Tribal Gaming Agency shall require a licensee to apply for renewal of a determination of suitability at such time as the licensee applies for renewal of a tribal gaming license.

(f) Upon receipt of completed license or license renewal application information from the Tribal Gaming Agency, the State Gaming Agency may conduct a background investigation pursuant to state law to determine whether the Applicant is suitable to be licensed for association with Class III Gaming operations. While the Tribal Gaming Agency shall ordinarily be the primary source of application information, the State Gaming Agency is authorized to directly seek application information from the applicant. If further investigation is required to supplement the investigation conducted by the Tribal Gaming Agency, the Applicant will be required to pay the application fee charged by the State Gaming Agency pursuant to California Business and Professions Code section 19951, subdivision (a), as may be amended from time to time, but any deposit requested by the State Gaming Agency pursuant to section 19867 of that Code, as may be amended from time to time, shall take into account reports of the background investigation already conducted by the Tribal Gaming Agency and the NIGC, if any. Failure to provide information reasonably required by the State Gaming Agency to complete its investigation under State law or failure to pay the application fee or deposit may be grounds for denial of the application by the State Gaming Agency. The State Gaming Agency and Tribal Gaming Agency shall cooperate in sharing as much background information as possible, both to maximize investigative efficiency and thoroughness, and to minimize investigative costs.

(g) Upon completion of the necessary background investigation or other verification of suitability, the State Gaming Agency shall issue a notice to the

Tribal Gaming Agency certifying that the State has determined that the Applicant is suitable, or that the Applicant is unsuitable, for licensure in a Gaming Operation and, if unsuitable, stating the reasons therefor.

(h) Prior to denying an application for a determination of suitability, the State Gaming Agency shall notify the Tribal Gaming Agency and afford the Tribe an opportunity to be heard. If the State Gaming Agency denies an application for a determination of suitability, the State Gaming Agency shall provide the Applicant with written notice of all appeal rights available under state law.

(i) The State Gaming Agency shall maintain a roster of Gaming Resource Suppliers that it has determined to be suitable pursuant to the provisions of this section, or through separate procedures to be adopted by the State Gaming Agency. Upon application to the Tribe for a tribal gaming license, a Gaming Resource Supplier that appears on the State Gaming Agency's suitability roster may be licensed by the Tribal Gaming Agency, subject to any later determination by the State Gaming Agency that the Gaming Resource Supplier is not suitable or a request for tribal gaming license suspension or revocation pursuant to section 6.5.1.

SECTION 7. APPROVAL AND TESTING OF GAMING DEVICES.

Sec. 7.1. Gaming Device Approval.

(a) No Gaming Device may be offered for play unless all the following occurs:

(i) The manufacturer or distributor which sells, leases, or distributes such Gaming Device (A) has applied for a finding of suitability by the State Gaming Agency at least fifteen (15) days before it is offered for play, (B) has not been found to be unsuitable by the State Gaming Agency, and (C) has been licensed by the Tribal Gaming Agency.

(ii) The software for the game authorized for play on the Gaming Device has been tested, approved and certified by an independent gaming test laboratory or state governmental gaming test laboratory (the "Gaming Test Laboratory") as operating in accordance with the standards of Gaming Laboratories International, Inc. known as GLI-11 and GLI-12, or such other technical standards as the State Gaming Agency and the Tribal Gaming Agency shall agree upon.

(iii) A copy of said certification specified in subdivision (a)(ii) is first provided to the State Gaming Agency by electronic transmission or by mail.

(iv) The software for the game authorized for play on the Gaming Device is tested by the Tribal Gaming Agency to ensure each game authorized for play on the Gaming Device has the correct electronic signature prior to insertion into the Gaming Device.

(v) The hardware and associated equipment for the Gaming Device has been tested by the Gaming Test Laboratory to ensure operation in accordance with the manufacturer's specifications.

(b) Where either the Tribe or the State Gaming Agency requests new standards for testing, approval, and certification of the software for the game authorized for play on the Gaming Device pursuant to subdivision (a)(ii), and the State Gaming Agency and the Tribe fail to agree to new standards within 120 days of the request, the technical standards shall be those approved by the State of Nevada.

Sec. 7.2. Gaming Test Laboratory Selection.

(a) The Gaming Test Laboratory will be selected as follows: The Tribal Gaming Agency shall propose to the State Gaming Agency, with supporting documentation, a Gaming Test Laboratory, which (i) is competent and qualified to conduct scientific tests and evaluations of Gaming Devices; and (ii) is licensed or approved by any one of the following states: California, Colorado, Wisconsin, Michigan, Indiana, Illinois, Iowa, Missouri, Nevada, New Jersey, or any other state agreed in writing by the Tribal Gaming Agency and the State Gaming Agency.

(b) The selection of the Gaming Test Laboratory is subject to the consent of the State Gaming Agency, but the State Gaming Agency shall not unreasonably withhold its consent, except that no such Gaming Test Laboratory may be used if it is determined to be unsuitable by the State Gaming Agency.

(c) If, at any time, any of the Gaming Test Laboratory's licenses are suspended, terminated, or subject to disciplinary action, upon notice by the Tribal Gaming Agency or the State Gaming Agency of that fact, the Tribal Gaming Agency shall ensure that such Gaming Test Laboratory discontinue its responsibilities under Section 7 herein, and the Tribe shall propose a new Gaming Test Laboratory pursuant to the provisions of this section.

Sec. 7.3. Independent Audits. The Tribal Gaming Agency shall ensure that compliance with section 7.1 is audited annually by an independent auditor and shall provide the results of such audits to the State Gaming Agency within five (5) business days of completion. For purposes of this section, an independent auditor shall be a certified public accountant and/or certified internal auditor who is not employed by the Tribe, the Tribal Gaming Agency, or the Gaming Operation and has no financial interest in any of these entities, and is only otherwise retained by any of these entities to conduct regulatory audits or audits under this section.

Sec. 7.4. State Gaming Agency Inspections.

(a) The State Gaming Agency, utilizing such consultants, if any, deemed appropriate, may inspect the Gaming Devices on a random basis not to exceed four (4) times annually to confirm that they operate and play properly pursuant to the manufacturer's technical standards and industry standards.

(b) The State Gaming Agency shall provide notice to the Tribal Gaming Agency of such inspection at or prior to the commencement of the random inspection.

(c) The State Gaming Agency may conduct additional inspections, utilizing such consultants, if any, deemed appropriate, upon reasonable belief of any irregularity and after informing the Tribal Gaming Agency of the basis for such belief.

(d) The Tribe and the State Gaming Agency shall inform the Gaming Test Laboratory in writing that irrespective of the source of payment of its fees, the Gaming Test Laboratory's duty of loyalty runs equally to the State and the Tribe.

Sec. 7.5. Technical Standards. The Tribal Gaming Agency shall provide to the State Gaming Agency copies of its regulations for technical standards that apply to the Tribe's Gaming Devices at least thirty (30) days before the commencement of the Gaming Operation and thirty (30) days before the effective date of any revisions to the regulations.

Sec. 7.6. State Gaming Agency Designation. For purposes of sections 7.1 to 7.5, the State Gaming Agency shall be the California Gambling Control Commission, unless the State provides otherwise by written notice pursuant to section 16.

Sec. 7.7. Transportation of Gaming Devices.

(a) Subject to the provisions of subdivision (b), the Tribal Gaming Agency shall not permit any Gaming Device to be transported to or from the Tribe's land except in accordance with procedures established by agreement between the State Gaming Agency and the Tribal Gaming Agency and upon at least ten (10) days' notice to the Sheriff's Department in San Bernardino County.

(b) Transportation of a Gaming Device from a Gaming Facility within California is permissible only if:

(i) The final destination of the Gaming Device is a gaming facility of any tribe in California that has a compact with the State which makes lawful the receipt of such Gaming Device;

(ii) The final destination of the Gaming Device is any other state in which possession of the Gaming Devices is made lawful by state law or by tribal-state compact;

(iii) The final destination of the Gaming Device is another country, or any state or province of another country, wherein possession of the Gaming Device is lawful; or

(iv) The final destination is a location within California for testing, repair, maintenance, or storage by a person or entity that has been licensed by the Tribal Gaming Agency and has been found suitable for licensure by the State Gaming Agency.

(c) Any Gaming Device transported off the Tribe's land in violation of this section 7.7, or in violation of any permit issued pursuant thereto, is subject to summary seizure by California peace officers.

Sec. 8.0. INSPECTIONS.

Sec. 8.1. Investigation and Sanctions.

(a) The Tribal Gaming Agency shall investigate any reported violation of this Gaming Compact and shall require the Gaming Operation to correct the violation upon such terms and conditions as the Tribal Gaming Agency determines are necessary.

(b) The Tribal Gaming Agency shall be empowered by the Tribal Gaming Ordinance to impose fines or other sanctions within the jurisdiction of the Tribe against gaming licensees or other persons who interfere with or violate the Tribe's gaming regulatory requirements and obligations under IGRA, NIGC gaming regulations, the Tribal Gaming Ordinance, or this Gaming Compact as long as said fines or sanctions comport with principles of federal due process.

(c) The Tribal Gaming Agency shall report violations of this Compact and any failures to comply with its orders to the California Gambling Control Commission and the Division of Gambling Control in the California Department of Justice within ten (10) days of discovery.

Sec. 8.2. Assistance by State Gaming Agency. The Tribe may request the assistance of the State Gaming Agency whenever it reasonably appears that such assistance may be necessary to carry out the purposes described in section 8.1, or otherwise to protect public health, safety, or welfare.

Sec. 8.3. Access to Premises by State Gaming Agency; Notification; Inspections.

(a) Notwithstanding that the Tribe and its Tribal Gaming Agency have the primary responsibility to administer and enforce the regulatory requirements of this Compact, the State Gaming Agency, including but not limited to any consultants retained by it, shall have the right to inspect the Tribe's Gaming Facility, and all Gaming Operation or Facility records relating to Class III Gaming.

(b) The State Gaming Agency may inspect public areas of the Gaming Facility at any time without prior notice during normal Gaming Facility business hours (8:00 a.m. to 5:00 p.m.).

(c) Inspection of areas of the Gaming Facility not normally accessible to the public may be made at any time the Gaming Facility is open to the public, immediately after the State Gaming Agency's authorized inspector notifies the Tribal Gaming Agency of his or her presence on the premises, presents proper identification, and requests access to the non-public areas of the Gaming Facility. The Tribal Gaming Agency, in its sole discretion, may require a member of the Tribal Gaming Agency to accompany the State Gaming Agency inspector at all times that the State Gaming Agency inspector is in a non-public area of the

Gaming Facility. If the Tribal Gaming Agency imposes such a requirement, it shall require such member to be available at all times for those purposes and shall ensure that the member has the ability to gain immediate access to all non-public areas of the Gaming Facility.

(d) Nothing in this Compact shall be construed to limit the State Gaming Agency to one inspector during inspections.

Sec. 8.4. Inspection, Copying and Confidentiality of Documents.

(a) Inspection and copying of Gaming Operation papers, books, and records may occur at any time, immediately after the State Gaming Agency gives notice to the Tribal Gaming Agency, during the hours from 8:00 a.m. to 5:00 p.m. Monday through Friday, and at any other time that a Tribal Gaming Agency employee, a Gaming Facility employee, or a Gaming Operation employee is available onsite with physical access to offices where the papers, books, and records are kept. The Tribe shall cooperate with, and cannot refuse, said inspection and copying, provided that the State Gaming Agency inspectors cannot require copies of papers, books, or records in such volume that it unreasonably interferes with the normal functioning of the Gaming Operation or Facility.

(b) In lieu of onsite inspection and copying of Gaming Operation papers, books, and records by its inspectors, the State Gaming Agency may request in writing that the Tribal Gaming Agency provide copies of such papers, books, and records as the State Gaming Agency deems necessary to ensure compliance with the terms of this Compact. The State Gaming Agency's written request shall describe those papers, books, and records requested to be copied with sufficient specificity to reasonably identify the requested documents. Within ten (10) days after it receives the request, or such other time as the State Gaming Agency may agree in writing, the Tribal Gaming Agency shall provide one copy of the requested papers, books, and records to the requesting State Gaming Agency. An electronic version of the requested papers, books, and records may be submitted to the State Gaming Agency in lieu of a paper copy so long as the software required to access the electronic version is reasonably available to the State Gaming Agency and the State Gaming Agency does not object.

(c) Notwithstanding any other provision of California law, all confidential information and records that the State Gaming Agency obtains or copies pursuant to this Gaming Compact shall be, and remain, the property solely of the Tribe; provided that such confidential records and copies may be retained by the State Gaming Agency as is reasonably necessary to assure the Tribe's compliance with this Compact or to complete any criminal investigation; and provided further that the State Gaming Agency may provide such confidential records and copies to federal law enforcement and other state agencies or consultants that the State deems reasonably necessary in order to assure the Tribe's compliance with this

Compact, in order to renegotiate any provision thereof, or in order to conduct or complete any criminal investigation.

(d) The State Gaming Agency and all other state agencies and consultants to which it provides confidential information and documents obtained pursuant to subdivisions (a) or (b) of this section, will exercise the utmost care in the preservation of the confidentiality of any and all confidential information and documents received from the Tribe pursuant to those subdivisions of this section, and will apply the highest standards of confidentiality expected under California state law to preserve such information and documents from disclosure.

(e) The Tribe may avail itself of any and all remedies under state law for the improper disclosure of confidential information or documents. In the case of any disclosure of confidential information or documents compelled by judicial process, the State Gaming Agency will endeavor to give the Tribe prompt notice of the order compelling disclosure and a reasonable opportunity to interpose an objection thereto with the court.

(f) The Tribal Gaming Agency and the State Gaming Agency shall confer regarding protocols for the release to law enforcement agencies of information obtained during the course of background investigations.

(g) Confidential records received by the State Gaming Agency from the Tribe in compliance with this Compact, or information compiled by the State Gaming Agency from those confidential records, shall be exempt from disclosure under the California Public Records Act.

(h) Notwithstanding any other provision of this Compact, the State Gaming Agency shall not be denied access to papers, books, records, equipment, or places where such access is reasonably necessary to ensure compliance with this Compact or to complete a criminal investigation.

SEC. 9.0. RULES AND REGULATIONS FOR THE OPERATION AND MANAGEMENT OF THE GAMING OPERATION AND FACILITY.

Sec. 9.1. Adoption of Regulations for Operation and Management; Minimum Standards. It is the responsibility of the Tribal Gaming Agency to conduct on-site gaming regulation and control in order to enforce the terms of this Gaming Compact, of IGRA, of NIGC gaming regulations, and of the Tribal Gaming Ordinance, to protect the integrity of the Gaming Activities and the Gaming Operation for honesty and fairness, and to maintain the confidence of patrons that tribal governmental gaming in California meets the highest standards of fairness and internal controls. To meet those responsibilities, the Tribal Gaming Agency shall be vested with the authority to promulgate, and shall promulgate, rules and regulations governing, at a minimum, the following subjects pursuant to the standards and conditions set forth therein:

(a) The enforcement of all relevant laws and rules with respect to the Gaming Operation and Facility, and the conduct of investigations and hearings with respect thereto, and to any other subject within its jurisdiction.

(b) The physical safety of Gaming Facility patrons and employees, and any other person while in the Gaming Facility. Nothing herein shall be construed, however, to make applicable to the Tribe any state laws, regulations, or standards governing the use of tobacco.

(c) The physical safeguarding of assets transported to, within, and from the Gaming Facility.

(d) The prevention of illegal activity within the Gaming Facility or with regard to the Gaming Operation, including, but not limited to, the maintenance of employee procedures and a surveillance system as provided in subdivision (e).

(e) Maintenance of a closed-circuit television surveillance system consistent with industry standards for gaming facilities of the type and scale operated by the Tribe, which system shall be approved by, and may not be modified without the approval of, the Tribal Gaming Agency. The Tribal Gaming Agency shall have current copies of the Gaming Facility floor plan and closed-circuit television system at all times, and any modifications thereof first shall be approved by the Tribal Gaming Agency.

(f) The recording of any and all occurrences within the Gaming Facility that deviate from normal operating policies and procedures (hereinafter "incidents"). The regulations will provide, and the Tribe agrees, that the Tribal Gaming Agency shall transmit copies of incident reports to the State Gaming Agency forthwith. The procedure for recording incidents pursuant to said regulations shall also do all of the following:

(i) Specify that security personnel record all incidents, regardless of an employee's determination that the incident may be immaterial (all incidents shall be identified in writing).

(ii) Require the assignment of a sequential number to each report.

(iii) Provide for permanent reporting in indelible ink in a bound notebook from which pages cannot be removed and in which entries are made on each side of each page.

(iv) Require that each report include, at a minimum, all of the following:

(A) The record number.

(B) The date.

(C) The time.

(D) The location of the incident.

(E) A detailed description of the incident.

(F) The persons involved in the incident.

(G) The security department employee assigned to the incident.

(g) The establishment of employee procedures designed to permit detection of any irregularities, theft, cheating, fraud, or the like, consistent with industry practice.

(h) Maintenance of a list of persons barred from the Gaming Facility who, because of their past behavior, criminal history, or association with persons or organizations, pose a threat to the integrity of the Gaming Activities of the Tribe or to the integrity of regulated gaming within the State. The Tribal Gaming Agency shall transmit a copy of the list to the State Gaming Agency quarterly and shall make a copy of the current list available to the State Gaming Agency upon request. Notwithstanding anything in this Compact to the contrary, the State Gaming Agency is authorized to make the copies of the list available to other Tribal Gaming Agencies, to licensees of the California Gambling Control Commission, the California Horse Racing Board, and other law enforcement agencies.

(i) The conduct of an audit, at the Tribe's expense, of the annual financial statements of the Tribe's Gaming Activities pursuant to section 4.3.3, subdivision (f).

(j) Submission to, and prior approval by, the Tribal Gaming Agency of the rules and regulations of each Class III game to be operated by the Tribe, and of any changes in those rules and regulations. No Class III game may be played that has not received Tribal Gaming Agency approval.

(k) The obligation of the Gaming Facility and the Gaming Operation to maintain a copy of the rules, regulations, and procedures for each game as played, including, but not limited to, the method of play and the odds and method of determining amounts paid to winners.

(l) Specifications and standards to ensure that information regarding the method of play, odds, and payoff determinations is visibly displayed or available to patrons in written form in the Gaming Facility and to ensure that betting limits applicable to any gaming station is displayed at that gaming station.

(m) Maintenance of a cashier's cage in accordance with industry standards for such facilities.

(n) Specification of minimum staff and supervisory requirements for each Gaming Activity to be conducted.

(o) Technical standards and specifications for the operation of Gaming Devices and other games authorized herein to be conducted by the Tribe.

(p) Maintenance, at conspicuous locations within the Gaming Facility, of notices to patrons advising them where they may obtain assistance for gambling problems. The notice may be in the form of either posted notices or pamphlets available to patrons at no cost, or both. The Tribal Gaming Agency shall require that the Gaming Operation implement appropriate procedures by which patrons may voluntarily limit their access to gambling, including restraints on the issuance of credit, check cashing services, and direct mail advertising to such gamblers.

Sec. 9.2. Enforcement of Regulations. The Tribal Gaming Agency shall ensure the enforcement of the rules, regulations, and specifications promulgated under this Compact, including under section 9.1.

Sec. 9.3. State Civil and Criminal Jurisdiction. Nothing in this Gaming Compact affects the civil or criminal jurisdiction of the State under Public Law 280 (18 U.S.C. § 1162; 28 U.S.C. § 1360) or IGRA to the extent applicable. In addition, criminal jurisdiction to enforce state gambling laws is transferred to the State pursuant to 18 U.S.C. § 1166(d), provided that no Gaming Activity conducted by the Tribe pursuant to this Gaming Compact may be deemed to be a civil or criminal violation of any law of the State.

Sec. 9.4. Tribal Gaming Agency Members.

(a) The Tribe shall take all reasonable steps to ensure that members of the Tribal Gaming Agency are free from corruption, undue influence, compromise, and conflicting interests in the conduct of their duties under this Compact; shall adopt a conflict-of-interest code to that end and shall ensure its enforcement; and shall ensure the prompt removal of any member of the Tribal Gaming Agency who is found to have acted in a corrupt or compromised manner or to have a conflict of interest.

(b) The Tribe shall conduct a background investigation on a prospective member of the Tribal Gaming Agency, who shall meet the background requirements of a management contractor under IGRA; provided that if such member is elected through a tribal election process, that member may not participate in any Tribal Gaming Agency matters under this Compact unless a background investigation has been concluded and the member has been found to be suitable. If requested by the tribal government or the Tribal Gaming Agency, the State Gaming Agency may assist in the conduct of such a background investigation and may assist in the investigation of any possible corruption or compromise of a member of the agency. Upon receipt of notice that the State Gaming Agency has determined the person to be unsuitable, the Tribe shall remove that member from the Tribal Gaming Agency.

Sec. 9.5. State Gaming Agency Regulations.

(a) The State Gaming Agency may adopt regulations governing matters encompassed in sections 6.0, 7.0 and 9.0 under the following circumstances:

(i) The State Gaming Agency may adopt regulations that apply to any aspect of the Gaming Operation covered by sections 6.0, 7.0 and 9.0 that is not addressed by a regulation of the Tribal Gaming Agency as long as the regulations are not inconsistent with the terms of this Compact.

(ii) The State Gaming Agency may adopt regulations that apply to any subject covered by sections 6.0, 7.0 and 9.0, when it deems that the regulations adopted by the Tribal Gaming Agency are ineffective in

addressing the subjects covered by sections 6.0, 7.0 and 9.0 as long as the regulations are not inconsistent with the terms of this Compact.

(iii) In exigent circumstances (e.g., imminent threat to public health or safety), the State Gaming Agency may adopt a regulation that becomes effective immediately, regardless of whether the Tribe or Tribal Gaming Agency has enacted a regulation on the subject and regardless of whether the regulation is deemed ineffective. Any such regulation shall be accompanied by a detailed, written description of the exigent circumstances, and shall be submitted immediately to the Association for consideration. If the regulation is disapproved by the Association, it shall cease to be effective, but may be re-adopted by the State Gaming Agency as a proposed regulation, in its original or amended form, with a detailed, written response to the Association's objections, and thereafter submitted to the Tribe for comment as provided in section 9.6.

(b) Chapter 3.5 (commencing with section 11340) of Part 1 of Division 3 of Title 2 of the California Government Code does not apply to regulations adopted by the State Gaming Agency in respect to tribal gaming operations under this section.

Sec. 9.6. Association Approval of State Gaming Regulations.

(a) Every State Gaming Agency regulation that is intended to apply to Gaming Activities and the Gaming Operation (other than a regulation adopted under section 9.5, subdivision (a)(iii)), shall be first submitted to the Association for comment. A regulation that is disapproved by the Association within 30 days of submission shall not be submitted to the Tribe for comment unless it is re-adopted by the State Gaming Agency as a proposed regulation, in its original or amended form, with a detailed, written response to the Association's objections.

(b) Except as provided in section 9.5, subdivision (a)(iii), no regulation of the State Gaming Agency shall be adopted as a final regulation with respect to the Tribe's Gaming Operation before the expiration of thirty (30) days after submission of the proposed regulation to the Tribe for comment as a proposed regulation, and after consideration of the Tribe's comments if made within the thirty (30) day period.

(c) Pursuant to subdivision (b), the Tribe may object to a State Gaming Agency regulation on the ground that it is unnecessary, unduly burdensome, or unfairly discriminatory, or that it conflicts with a published final regulation of the NIGC, which objection must be considered by the State Gaming Agency.

(d) The Tribe may seek repeal or amendment of the regulation through the dispute resolution process of section 13.0; provided that if the regulation of the State Gaming Agency conflicts with a final published regulation of the NIGC, the NIGC regulation shall govern, pending conclusion of the dispute resolution process.

SECTION 10. PATRON DISPUTES. The Tribal Gaming Agency shall promulgate regulations governing patron disputes over the play or operation of any game, including any refusal to pay to a patron any alleged winnings from any Gaming Activities, which regulations must meet the following minimum standards:

(a) A patron who makes a complaint to personnel of the Gaming Operation over the play or operation of any game within seven (7) days of said play or operation shall be advised in writing of his or her right to request, within fifteen (15) days of the date of the event giving rise to the dispute, resolution of the dispute by the Tribal Gaming Agency, and if dissatisfied with the resolution, to seek binding arbitration of the dispute before a retired judge pursuant to the terms and provisions in subdivision (c). Any failure to timely provide the patron with the aforesaid written advice removes the deadlines herein, leaving only the relevant statutes of limitations under California law that would otherwise apply.

(b) Upon request by the patron for a resolution of his or her complaint, the Tribal Gaming Agency shall conduct an appropriate investigation, shall provide to the patron a copy of its regulations concerning patron complaints, and shall render a decision in accordance with industry practice extant in Nevada and New Jersey. The decision shall be issued within sixty (60) days of the patron's request, shall be in writing, shall be based on the facts surrounding the dispute, and shall set forth the reasons for the decision.

(c) If the patron is dissatisfied with the decision of the Tribal Gaming Agency, or no decision is issued within the sixty (60) day period, the patron may request that the dispute be settled by binding arbitration before a single arbitrator, who shall be a retired judge, in accordance with the streamlined arbitration rules and procedures of JAMS (or if those rules no longer exist, the closest equivalent). Upon such request, the Tribe shall consent to such arbitration, and agree to abide by the decision of the arbitrator; provided, however, that if any alleged winnings are found to be a result of a mechanical, electronic or electromechanical failure and not due to the intentional acts or gross negligence of the Tribe or its agents, the arbitrator shall deny the patron's claim for the winnings but shall award reimbursement of the amounts wagered by the patron which were lost as a result of any said failure. To effectuate such consent, the Tribe shall, in the exercise of its sovereignty, waive its right to assert sovereign immunity in connection with the arbitrator's jurisdiction and in any action to (i) enforce the Tribe's or the patron's (for purposes of this section, the "parties") obligation to arbitrate, (ii) confirm, correct, modify, or vacate the arbitral award rendered in the arbitration, or (iii) enforce or execute a judgment based upon said award. The cost and expenses of such arbitration shall be initially borne by the Tribe, but the arbitrator shall award to the prevailing party its costs and expenses (but not attorney fees). Any

party dissatisfied with the award of the arbitrator may at that party's election invoke the JAMS Optional Arbitration Appeal Procedure (and if those rules no longer exist, the closest equivalent); provided that the party making such election must bear all the costs and expenses of JAMS and the arbitrators associated with the Appeal Procedure, regardless of the outcome.

SECTION 11.0. OFF-RESERVATION ENVIRONMENTAL AND ECONOMIC IMPACTS.

Sec. 11.1. Local Agreements. Before the commencement of the Gaming Activities under this Compact, the Tribe shall consult with the County of San Bernardino and the City of Needles and enter into enforceable written agreements with the County of San Bernardino and the City of Needles with respect to the matters set forth below:

(a) Provisions providing for the timely mitigation of any Significant Effect on the Off-Reservation Environment (which effects may include, but are not limited to, aesthetics, agricultural resources, air quality, biological resources, cultural resources, geology and soils, hazards and hazardous materials, water resources, land use, mineral resources, traffic, noise, utilities and service systems, and cumulative effects), where such effect is attributable, in whole or in part, to a Project, as defined herein, unless the parties agree that the particular mitigation is infeasible, taking into account economic, environmental, social, technological, or other considerations.

(b) Provisions relating to compensation for law enforcement, fire protection, emergency medical services, and any other public services to be provided by the City of Needles and/or San Bernardino County to the Tribe as a consequence of the Gaming Activities.

(c) Provisions relating to the mitigation of any effect on public health (including but not limited to gambling addiction) and public safety attributable to the Gaming Operation, including any compensation to the City of Needles and San Bernardino County as a consequence thereof.

(d) Provisions providing for the inspection of the Gaming Facility by county or city building inspectors pursuant to section 6.4.2, subdivision (b).

The Tribe will transmit a copy of all written agreements with the County and the City to the State Gaming Agency within thirty (30) days of reaching agreement pursuant to this section or section 11.3.

Sec. 11.2. Tribal Environmental Impact Report.

(a) Before the City of Needles and San Bernardino County are required to enter into any such agreements, the Tribe shall cause to be prepared an "environmental impact report" (as that term is used in the California Environmental Quality Act and the regulations promulgated thereunder), which is hereinafter referred to as a Tribal Environmental Impact Report or "TEIR,"

analyzing the potentially Significant Effects on the Off-Reservation Environment of all activities that are to be authorized by this Compact or that may be undertaken by the Tribe in order to facilitate the activities authorized by this Compact.

(b) The TEIR shall provide all the information required under California Public Resources Code section 21100, and the regulations promulgated thereunder, including, but not limited to, the data and information necessary to enable the City of Needles and San Bernardino County to determine all of the following:

(i) Whether the Project includes activities that may result in a Significant Effect on the Off-Reservation Environment.

(ii) The mitigation measures proposed to minimize Significant Effects on the Off-Reservation Environment.

(iii) Alternatives to the Project, provided that the Tribe need not address alternatives that would cause it to forgo the right to engage in the Gaming Activities authorized by this Compact on its Indian lands.

(iv) Whether the proposed mitigation would be feasible.

(v) Whether the proposed mitigation would be effective to substantially reduce the potential off-reservation environmental impacts.

(vi) Any direct growth-inducing impacts of the Project.

(vii) The reasons for determining that various effects of the Project on the Off-Reservation environment are not significant and thus have not been discussed in detail in the TEIR.

(c) In light of the fact that the Tribe has already begun preparation of an TEIR pursuant to the Section 20 process, the Tribe need not consider the recommendations by the surrounding local governments of any persons to prepare the TEIR.

Sec. 11.2.1. Notice of Preparation of Draft TEIR.

(a) Upon commencing the preparation of the draft TEIR, the Tribe shall issue a "Notice of Preparation" to the State Clearinghouse in the State Office of Planning and Research ("State Clearinghouse") and to the County of San Bernardino and the City of Needles for distribution to the public. The Notice of Preparation shall provide all Interested Persons with information describing the Project and its potential Significant Effects on the Off-Reservation Environment sufficient to enable Interested Persons to make a meaningful response or comment. At a minimum, the Notice of Preparation shall include all of the following information:

(i) A description of the Project.

(ii) The location of the Project shown on a detailed map, preferably topographical, and on a regional map.

(iii) The probable off-reservation environmental effects of the Project.

(b) The Notice of Preparation shall also inform Interested Persons of the preparation of the draft TEIR and shall inform them of the opportunity to provide comments to the Tribe within thirty (30) days of the date of the receipt of the Notice of Preparation by the State Clearinghouse, the County of San Bernardino, and the City of Needles. The Notice of Preparation shall also request Interested Persons to identify in their comments the off-reservation environmental issues and reasonable mitigation measures that the Tribe will need to have explored in the draft TEIR.

Sec. 11.2.2. Notice of Completion of Draft TEIR; Availability of Draft TEIR; Comments.

(a) Within no less than thirty (30) days following the receipt of the Notice of Preparation by the State Clearinghouse, the County of San Bernardino, and the City of Needles, the Tribe shall file a copy of the draft TEIR and a "Notice of Completion" with the State Clearinghouse, the County of San Bernardino, the City of Needles, and the California Department of Justice. The Notice of Completion shall include all of the following information:

- (i) A brief description of the Project.
- (ii) The proposed location of the Project.
- (iii) An address where copies of the draft TEIR are available.
- (iv) Notice of a period of at least forty-five (45) days during which the Tribe will receive comments on the draft TEIR.

(b) The Tribe will submit forty-five (45) copies of the draft TEIR and the Notice of Completion to both the County of San Bernardino and the City of Needles, which will be asked to serve in a timely manner the Notice of Completion to all Interested Persons and asked to post public notice of the draft TEIR at the offices of the County Board of Supervisors and the City Council and to furnish the public notice to the public libraries serving the County and the City. In addition, the Tribe will provide public notice by at least one of the procedures specified below:

- (i) Publication at least one time by the Tribe in a newspaper of general circulation in the area affected by the Project. If more than one area is affected, the notice shall be published in the newspaper of largest circulation from among the newspapers of general circulation in those areas;
- (ii) Direct mailing by the Tribe to the owners and occupants of property adjacent to, but outside, the Indian lands on which the Project is to be located. Owners of such property shall be identified as shown on the latest equalization assessment roll.

Sec. 11.2.3. Issuance of Final TEIR.

(a) The Tribe shall prepare, certify and make available to the County of San Bernardino and the City of Needles at least fifty-five (55) days before the

completion of negotiations pursuant to section 11.1 a “Final TEIR,” which shall consist of all the following:

- (i) The draft TEIR or a revision of the draft.
- (ii) Comments and recommendations received on the draft TEIR either verbatim or in summary.
- (iii) A list of persons, organizations, and public agencies commenting on the draft TEIR.
- (iv) The responses of the Tribe to significant environmental points raised in the review and consultation process.
- (v) Any other information added by the Tribe.

(b) The Tribe shall reimburse the County of San Bernardino and City of Needles for copying and mailing costs resulting from making the Notice of Preparation, Notice of Completion, and Draft TEIR available to the public under this section 11.0.

Sec. 11.2.4 The Tribe’s failure to prepare a TEIR when required may warrant an injunction where appropriate.

Sec. 11.3 Arbitration.

(a) In order to foster good government-to-government relationships and to assure that the Tribe is not unreasonably prevented from engaging in the activities covered by this Compact, if San Bernardino County or the City of Needles, and the Tribe are unable to reach an agreement as to the terms of the written agreements provided in section 11.1 within ninety (90) days of the submission of the Final TEIR, or such further time as the Tribe or the County (for purposes of this section the “parties”) may agree in writing, any party may demand binding arbitration before a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association as set forth herein with respect to any remaining disputes arising from, connected with, or related to the negotiation of said agreement.

(b) The arbitration shall be conducted as follows:

- (i) Each party shall exchange with each other within five (5) days of the demand for arbitration its last, best written offer made during the negotiation pursuant to section 11.1.
- (ii) The arbitrator shall schedule a hearing to be heard within thirty (30) days of his or her appointment, unless the parties agree to a longer period.
- (iii) In a dispute between the Tribe and the County, or the Tribe and the City, the arbitrator shall be limited to awarding only one or the other of the two offers submitted, without modification, based upon that proposal which best mitigates the off-reservation effects of the Project and the effects on public services without imposing environmental mitigation measures which are different in nature or scale from the type of measures that have

been required to mitigate similar impacts of other projects of a similar scale in the surrounding area, to the extent there are such other projects.

(iv) The arbitrator shall take into consideration whether the Final TEIR provides the data and information necessary to enable the County and/or the City to determine both whether the Project may result in a Significant Effect on the Off-Reservation Environment and whether the proposed measures in mitigation are sufficient to mitigate any such effects.

(v) If a respondent does not participate in the arbitration, the arbitrator shall nonetheless conduct the arbitration and issue an award, and the claimant shall submit such evidence as the arbitrator may require therefor.

(c) Review of the resulting arbitration award is waived.

(d) In order to effectuate this section, and in the exercise of its sovereignty, the Tribe agrees to waive its right to assert its sovereign immunity in connection with the arbitrator's jurisdiction, and in any action to (i) enforce the other party's obligation to arbitrate, (ii) confirm any arbitral award rendered in the arbitration, (iii) enforce or execute a judgment based upon said award, or (iv) enforce the agreement required by section 11.1.

(e) The arbitral award will then become part of the written agreement required under section 11.1.

(f) The parties shall equally share the costs of the American Arbitration Association and the arbitrator, but shall otherwise bear their own costs and attorney fees.

Sec. 11.4. The Tribe agrees not to undertake during the term of the Compact any additional Projects arising out of, connected with, or relating to the Gaming Activities, which may have any Significant Effect on the Environment, except pursuant to new agreements with the City of Needles and the County of San Bernardino and pursuant to the procedures set forth in sections 11.1, 11.2, and 11.3.

SECTION 12.0. PUBLIC AND WORKPLACE HEALTH, SAFETY, AND LIABILITY.

Sec. 12.1. General Requirements. The Tribe will not conduct Class III Gaming in a manner that endangers the public health, safety, or welfare, provided, however, that nothing herein shall be construed to make applicable to the Tribe any state laws or regulations governing the use of tobacco. Notwithstanding the foregoing, the Tribe has agreed to provide a non-smoking area in the Gaming Facility and to utilize a ventilation system throughout the Gaming Facility that exhausts tobacco smoke to the extent reasonably feasible under existing technology.

Sec. 12.2. Health and Safety Standards. For the purposes of this Gaming Compact, the Tribe shall:

(a) Adopt and comply with standards no less stringent than state public health standards for food and beverage handling. The Tribe will allow inspection of food and beverage services in the Gaming Facility by state, county, or city health inspectors, as applicable, during normal hours of operation, to assess compliance with these standards, unless inspections are routinely made by an agency of the United States government to ensure compliance with equivalent standards of the United States Public Health Service. Any report or other writing by said health inspectors shall be transmitted within twenty-four (24) hours to the State Gaming Agency. Nothing herein shall be construed as submission of the Tribe to the jurisdiction of those state, county, or city health inspectors, but any violations of the standards shall be treated as violations of this Compact and may serve as a basis to enjoin the food and beverage operations of the Gaming Facility.

(b) Adopt and comply with standards no less stringent than federal water quality and safe drinking water standards applicable in California. The Tribe will allow for inspection and testing of water quality at the Gaming Facility by state, county, or city health inspectors, as applicable, during normal hours of operation, to assess compliance with these standards, unless inspections and testing are routinely made by an agency of the United States pursuant to federal law to ensure compliance with federal water quality and safe drinking water standards. Any report or other writings by said state, county, city or federal health inspectors shall be transmitted within twenty-four (24) hours to the State Gaming Agency or other State Designated Agency. Nothing herein shall be construed as submission of the Tribe to the jurisdiction of those state, county, or city health inspectors, but any violations of the standards shall be treated as violations of this Compact and may serve as a basis for enjoining the use or disposal of water at the Gaming Facility.

(c) Comply with the building and safety standards set forth in section 6.4.2, subdivisions (b) and (h).

(d) Adopt and comply with standards no less stringent than federal and state workplace and occupational health and safety standards. The Tribe will allow for inspection of Gaming Facility workplaces by state inspectors, during normal hours of operation, to assess compliance with these standards, unless inspections are regularly made by an agency of the United States government to ensure compliance with federal workplace and occupational health and safety standards. The Tribe shall give notice to the State Gaming Agency of each federal inspection and provide a copy of any reports from said inspection within five (5) business days of the inspection. Nothing herein shall be construed as submission of the Fort Mojave Tribe to the jurisdiction of those state inspectors, but any violations of the standards shall be treated as violations of this Compact and may serve as the basis to enjoin employee entry into the Gaming Facility to the extent employee health or

safety is endangered by the failure to comply with the workplace and occupational health and safety standards.

(e) Adopt and comply with tribal codes to the extent consistent with the provisions of this Compact and other applicable federal law regarding public health and safety.

(f) Adopt and comply with standards no less stringent than federal laws and state laws forbidding employers from discrimination in connection with the employment of persons working for the Gaming Operation or in the Gaming Facility on the basis of race, color, religion, national origin, gender, sexual orientation, age, or disability; provided that nothing herein shall preclude the Tribe from giving a preference in employment to members of the Tribe pursuant to a duly adopted tribal ordinance.

(g) Adopt and comply with state laws prohibiting a gaming enterprise from cashing any check drawn against a federal, state, county, or city fund, including but not limited to, Social Security, unemployment insurance, disability payments, or public assistance payments.

(h) Adopt and comply with standards that are no less stringent than state laws, if any, prohibiting a gambling or other enterprise from providing, allowing, contracting to provide, or arranging to provide alcoholic beverages, or food or lodging for no charge or at reduced prices at a gambling establishment, lodging facility, or other enterprise as an incentive or enticement.

(i) Adopt and comply with state laws, if any, prohibiting extensions of credit.

(j) Comply with provisions of the Bank Secrecy Act, P.L. 91-508, October 26, 1970, 31 U.S.C. §§ 5311-5314, as amended, and all reporting requirements of the Internal Revenue Service, insofar as such provisions and reporting requirements are applicable to gambling establishments.

Sec. 12.3. Tribal Gaming Facility Standards Ordinance. The Tribe shall adopt in the form of an ordinance, and not later than thirty (30) days after the effective date of this Compact, shall transmit to the State Designated Agency, the standards described in subdivisions (a)-(j) of section 12.2 to which the Gaming Facility is held. In the absence of a promulgated tribal standard in respect to a matter identified in those subdivisions, or the express adoption of an applicable federal statute or regulation, as the case may be, in respect to any such matter, the otherwise applicable federal and/or state statute or regulation shall be deemed to have been adopted by the Tribe as the applicable standard.

Sec. 12.4. Insurance Coverage and Claims.

(a) The Tribe shall obtain and maintain commercial general liability insurance consistent with industry standards for non-tribal casinos in the United States underwritten by an insurer or insurers admitted by the State of California, which provides coverage of no less than Five million dollars (\$5,000,000) per

(c) In entering into this Compact, the State expressly relies upon the foregoing representations by the Tribe, and the State's entry into the Compact is expressly made contingent upon the truth of those representations as of the date of the Tribe's execution of this Compact through the undersigned. If the Tribe fails to timely provide written proof of the undersigned's authority to execute this Compact or written proof of ratification by the Tribe's governing body, the Governor shall have the right to declare this Compact null and void.

APPENDIX B

MODEL TRIBAL LABOR RELATIONS ORDINANCE

Section 1: Threshold of applicability

- (a) Upon the employment of 250 or more persons in a Tribal Casino and Related Facility, if any, once they are open to the public, the provisions of this Tribal Labor Relations Ordinance (TLRO or Ordinance) shall become effective immediately. For purposes of this ordinance, a “Tribal Casino” is one in which class III gaming is conducted pursuant to a tribal-state compact between the State of California and this Tribe. A “Related Facility” is one for which the only significant purpose is to facilitate patronage of the class III gaming operations.
- (b) Upon the request of a labor union, the Tribal Gaming Commission shall certify the number of employees in the Tribal Casino or other Related Facility as defined in 1(a) above. Either party may dispute the certification of the Tribal Gaming Commission to the Tribal Labor Panel.

Section 2: Definition of Eligible Employees

- (a) The provisions of this ordinance shall apply to any person (hereinafter “Eligible Employee”) who is employed within the Tribal Casino or other Related Facility, except for any of the following:
 - (1) any employee who is a supervisor, defined as any individual having authority, in the interest of the tribe and/or employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibility to direct them or to adjust their grievances, or effectively to recommend such action, if in connection with the foregoing the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgment;
 - (2) any employee of the Tribal Gaming Commission;

- (3) any employee of the security or surveillance department, other than those who are responsible for the technical repair and maintenance of equipment;
- (4) any cash operations employee who is a “cage” employee or money counter, or auditor; or
- (5) any dealer.

Section 3: Non-interference with regulatory or security activities

Operation of this Ordinance shall not interfere in any way with the duty of the Tribal Gaming Commission to regulate the gaming operation in accordance with the Tribe’s National Indian Gaming Commission-approved gaming ordinance. Furthermore, the exercise of rights hereunder shall in no way interfere with the tribal casino’s surveillance/security systems, or any other internal controls system designed to protect the integrity of the Tribe’s gaming operations. The Tribal Gaming Commission is specifically excluded from the definition of Tribe and its agents.

Section 4: Eligible Employees free to engage in or refrain from concerted activity

Eligible Employees shall have the right to self-organization, to form, to join, or assist employee organizations, to bargain collectively through representatives of their own choosing, to engage in other concerted activities for the purpose of collective bargaining or other mutual aid or protection, and shall also have the right to refrain from any or all such activities.

Section 5: Unfair Labor Practices for the tribe

It shall be an unfair labor practice for the tribe and/or employer or their agents:

- (1) to interfere with, restrain or coerce Eligible Employees in the exercise of the rights guaranteed herein;
- (2) to dominate or interfere with the formation or administration of any labor organization or contribute financial or other support to it, but this does not restrict the Tribe and/or employer and a certified union from agreeing to union security or dues checkoff;

- (3) to discharge or otherwise discriminate against an Eligible Employee because s/he has filed charges or given testimony under this Ordinance;
- (4) to refuse to bargain collectively with the representatives of Eligible Employees.

Section 6: Unfair Labor Practices for the union

It shall be an unfair labor practice for a labor organization or its agents:

- (1) to interfere, restrain or coerce Eligible Employees in the exercise of the rights guaranteed herein;
- (2) to engage in, or to induce or encourage any individual employed by any person engaged in commerce or in an industry affecting commerce to engage in, a strike or a primary or secondary boycott or a refusal in the course of his employment to use, manufacture, process, transport or otherwise handle or work on any goods, articles, materials, or commodities or to perform any services; or to threaten, coerce, or restrain any person engaged in commerce or in an industry affecting commerce or other terms and conditions of employment.
This section does not apply to section 11;
- (3) to force or require the Tribe and/or employer to recognize or bargain with a particular labor organization as the representative of Eligible Employees if another labor organization has been certified as the representative of such Eligible Employees under the provisions of this TLRO;
- (4) to refuse to bargain collectively with the Tribe and/or employer, provided it is the representative of Eligible Employees subject to the provisions herein;
- (5) to attempt to influence the outcome of a tribal governmental election, provided, however, that this section does not apply to tribal members.

Section 7: Tribe and union right to free speech

The tribe's and union's expression of any view, argument or opinion or the dissemination thereof, whether in written, printed, graphic or visual form, shall not

constitute or be evidence of interference with, restraint or coercion if such expression contains no threat of reprisal or force or promise of benefit.

Section 8: Access to Eligible Employees

- (a) Access shall be granted to the union for the purposes of organizing Eligible Employees, provided that such organizing activity shall not interfere with patronage of the Tribal Casino or Related Facility or with the normal work routine of the Eligible Employees and shall be done on non-work time in non-work areas that are designated as employee break rooms or locker rooms that are not open to the public. The tribe may require the union and or union organizers to be subject to the same licensing rules applied to individuals or entities with similar levels of access to the casino or related facility, provided that such licensing shall not be unreasonable, discriminatory, or designed to impede access.
- (b) The Tribe, in its discretion, may also designate additional voluntary access to the Union in such areas as employee parking lots and non-Casino facilities located on tribal lands.
- (c) In determining whether organizing activities potentially interfere with normal tribal work routines, the union's activities shall not be permitted if the Tribal Labor Panel determines that they compromise the operation of the casino:
 - (1) security and surveillance systems throughout the casino, and reservation;
 - (2) access limitations designed to ensure security;
 - (3) internal controls designed to ensure security;
 - (4) other systems designed to protect the integrity of the tribe's gaming operations, tribal property and/or safety of casino personnel, patrons, employees or tribal members, residents, guests or invitees.
- (d) The tribe shall provide to the union, upon a thirty percent (30%) showing of interest to the Tribal Labor Panel, an election eligibility list containing the full first and last name of the Eligible Employees within the sought after bargaining unit and the Eligible Employees'

last known address within ten (10) working days. Nothing herein shall preclude a tribe from voluntarily providing an election eligibility list at an earlier point of a union organizing campaign.

- (e) The tribe agrees to facilitate the dissemination of information from the union to Eligible Employees at the Tribal Casino by allowing posters, leaflets and other written materials to be posted in non-public employee break areas where the Tribe already posts announcements pertaining to Eligible Employees. Actual posting of such posters, notices, and other materials, shall be by employees desiring to post such materials.

Section 9: Secret ballot elections

- (a) Dated and signed authorized cards from thirty percent (30%) or more of the Eligible Employees within the bargaining unit verified by the elections officer will result in a secret ballot election to be held within 30 days from presentation to the elections officer, unless the Tribe and a labor organization have agreed to a different arrangement that affords the majority of Eligible Employees the right to choose a labor organization as their exclusive collective bargaining representative.
- (b) The election shall be conducted by the election officer. The election officer shall be a member of the Tribal Labor Panel chosen pursuant to the dispute resolution provisions herein. All questions concerning representation of the Tribe and/or Employer's Eligible Employees by a labor organization shall be resolved by the election officer. The election officer shall be chosen upon notification by the labor organization to the Tribe of its intention to present authorization cards, and the same election officer shall preside thereafter for all proceedings under the request for recognition; provided however that if the election officer resigns, dies or is incapacitated for any other reason from performing the functions of this office, a substitute election officer shall be selected in accordance with the dispute resolution provisions herein.
- (c) The election officer shall certify the labor organization as the exclusive collective bargaining representative of a unit of employees if the labor organization has received the majority of votes by employees voting in a secret ballot election that the election officer determines to have been conducted fairly. If the election officer

determines that the election was conducted unfairly due to misconduct by the tribe and/or employer or union, the election officer may order a re-run election. If the election officer determines that there was the commission of serious Unfair Labor Practices by the tribe that interfere with the election process and preclude the holding of a fair election, and the labor organization is able to demonstrate that it had the support of a majority of the employees in the unit at any point before or during the course of the tribe's misconduct, the election officer shall certify the labor organization.

- (d) The tribe or the union may appeal any decision rendered after the date of the election by the election officer to a three (3) member panel of the Tribal Labor Panel mutually chosen by both parties.
- (e) A union which loses an election and has exhausted all dispute remedies related to the election may not invoke any provisions of this labor ordinance at the Tribal Casino or Related Facility until one year after the election was lost.

Section 10: Collective bargaining impasse

Upon recognition, the Tribe and the union will negotiate in good faith for a collective bargaining agreement covering bargaining unit employees represented by the union. If collective bargaining negotiations result in impasse, and the matter has not been resolved by the tribal forum procedures sets forth in Section 12 (b) governing resolution of impasse within sixty (60) working days or such other time as mutually agreed to by the parties, the union shall have the right to strike. Strike-related picketing shall not be conducted on Indian lands as defined in 25 U.S.C. Sec. 2703 (4).

Section 11: Decertification of bargaining agent

- (a) The filing of a petition signed by thirty percent (30%) or more of the Eligible Employees in a bargaining unit seeking the decertification of a certified union, will result in a secret ballot election to be held 30 days from the presentation of the petition.
- (b) The election shall be conducted by an election officer. The election officer shall be a member of the Tribal Labor Panel chosen pursuant to the dispute resolution provisions herein. All questions concerning the decertification of the labor organization shall be resolved by an election officer. The election officer shall be chosen upon notification

to the Tribe and the union of the intent of the employees to present a decertification petition, and the same election officer shall preside thereafter for all proceedings under the request for decertification; provided however that if the election officer resigns, dies or is incapacitated for any other reason from performing the functions of this office, a substitute election officer shall be selected in accordance with the dispute resolution provisions herein.

- (c) The election officer shall order the labor organization decertified as the exclusive collective bargaining representative if a majority of the employees voting in a secret ballot election that the election officer determines to have been conducted fairly vote to decertify the labor organization. If the election officer determines that the election was conducted unfairly due to misconduct by the Tribe and/or employer or the union, the election officer may order a re-run election or dismiss the decertification petition.
- (d) A decertification proceeding may not begin until one (1) year after the certification of a labor union if there is no collective bargaining agreement. Where there is a collective bargaining agreement, a decertification petition may only be filed no more than 90 days and no less than 60 days prior to the expiration of a collective bargaining agreement. A decertification petition may be filed anytime after the expiration of a collective bargaining agreement.
- (e) The Tribe or the union may appeal any decision rendered after the date of the election by the election officer to a three (3) member panel of the Tribal Labor Panel mutually chosen by both parties.

Section 12: Binding dispute resolution mechanism

- (a) All issues shall be resolved exclusively through the binding dispute resolution mechanisms herein, with the exception of a collective bargaining negotiation impasse, which shall only go through the first level of binding dispute resolution.
- (b) The first level of binding dispute resolution for all matters related to organizing, election procedures, alleged unfair labor practices, and discharge of Eligible Employees shall be an appeal to a designated tribal forum such as a Tribal Council, Business Committee, or Grievance Board.

The parties agree to pursue in good faith the expeditious resolution of these matters within strict time limits. The time limits may not be extended without the agreement of both parties. In the absence of a mutually satisfactory resolution, either party may proceed to the independent binding dispute resolution set forth below. The agreed upon time limits are set forth as follows:

- (1) All matters related to organizing, election procedures and alleged unfair labor practices prior to the union becoming certified as the collective bargaining representative of bargaining unit employees, shall be resolved by the designated tribal forum within thirty (30) working days.
 - (2) All matters after the union has become certified as the collective bargaining representative and relate specifically to impasse during negotiations, shall be resolved by the designated tribal forum within sixty (60) working days;
- (c) The second level of binding dispute resolution shall be a resolution by the Tribal Labor Panel, consisting of ten (10) arbitrators appointed by mutual selection of the parties which panel shall serve all tribes that have adopted this ordinance. The Tribal Labor Panel shall have authority to hire staff and take other actions necessary to conduct elections, determine units, determine scope of negotiations, hold hearings, subpoena witnesses, take testimony, and conduct all other activities needed to fulfill its obligations under this Tribal Labor Relations Ordinance.
- (1) Each member of the Tribal Labor Panel shall have relevant experience in federal labor law and/or federal Indian law with preference given to those with experience in both. Names of individuals may be provided by such sources as, but not limited to, Indian Dispute Services, Federal Mediation and Conciliation Service, and the American Academy of Arbitrators.
 - (2) Unless either party objects, one arbitrator from the Tribal Labor Panel will render a binding decision on the dispute under the Ordinance. If either party objects, the dispute will be decided by a three-member panel of the Tribal Labor Panel, which will render a binding decision. In the event there is one arbitrator, five (5) Tribal Labor Panel names shall be submitted to the parties and each party may strike no more than two (2) names.

In the event there is a three (3) member panel, seven (7) TLP names shall be submitted to the parties and each party may strike no more than two (2) names. A coin toss shall determine which party may strike the first name. The arbitrator will generally follow the American Arbitration Association's procedural rules relating to labor dispute resolution. The arbitrator or panel must render a written, binding decision that complies in all respects with the provisions of this Ordinance.

- (d) Under the third level of binding dispute resolution, either party may seek a motion to compel arbitration or a motion to confirm an arbitration award in Tribal Court, which may be appealed to federal court. If the Tribal Court does not render its decision within 90 days, or in the event there is no Tribal Court, the matter may proceed directly to federal court. In the event the federal court declines jurisdiction, the tribe agrees to a limited waiver of its sovereign immunity for the sole purpose of compelling arbitration or confirming an arbitration award issued pursuant to the Ordinance in the appropriate state superior court. The parties are free to put at issue whether or not the arbitration award exceeds the authority of the Tribal Labor Panel.
