1 evacuation plans, emergency evacuation drills and employee training procedures adopted
2 pursuant to this section shall comply with, as applicable, California Code of Regulations Title
3 24, Part 9, Chapter 4 (commencing with Section 401) and Title 19, Section 3.09, or those
4 standards adopted by local ordinance pursuant to Health and Safety Code section 13143.5.

5 (b) Each applicant as an owner-licensee under Chapter 6 of this Division shall submit to the
6 Commission one copy of a current fire safety and evacuation plan, pursuant to this section,
7 together with those application documents required by Section 12342.

8 (c) Each licensee shall submit one copy of its current fire safety and evacuation plan,
9 pursuant to this section, with the first biennial license renewal application submitted after the
10 effective date of this section, and with every second renewal application submitted thereafter.

11 (d) If a licensee's fire safety and evacuation plan is revised as a result of the addition of
12 permanent tables, or as a result of any change to the physical premises which alters the locations
13 of phones, fire extinguishers, manual fire alarm pull stations or exits, or which alters evacuation
14 routes or procedures, the licensee shall submit one copy of its revised fire safety and evacuation
15 plan with the first biennial license renewal application submitted immediately following any
16 revision, and, subsection (c) notwithstanding, with every second renewal application submitted
17 thereafter.

18 (e) Each fire safety and evacuation plan submitted to the Commission pursuant to this
19 Section shall include the following documentation, as applicable:

20 (1) If the responsible local authority provides reviews, the licensee shall send to the
21 Executive Director ~~documentation of the areas reviewed by the responsible local authority and~~
22 ~~whether or not the responsible showing that the~~ local authority approved ~~those areas of the fire~~
23 ~~safety and evacuation plan under the responsible local authority's jurisdiction,~~ pursuant to Health
24 and Safety Code section 13143.5, ~~subdivision (f) and California Code of Regulations Title 24,~~
25 Part 9, Chapter 1, Section 111.2.1.1. Health and Safety Code section 13143.5, subdivision (f),
26 paragraph (2), provides that any fee charged pursuant to the enforcement authority of subdivision
27 (f) shall not exceed the estimated reasonable cost of providing the service for which the fee is
28 charged. ~~The Commission may send one copy of the plan to the Bureau to review those areas of~~
29 ~~the plan not under the responsible local authority's jurisdiction.~~

1 (2) If the responsible local authority does not provide reviews, the licensee shall send the fire
2 safety and evacuation plan to the State Fire ~~Marshall~~Marshal, and shall send to the Commission
3 Executive Director documentation of ~~whether or not~~showing that the State Fire ~~Marshall~~Marshal
4 has approved the ~~plan's fire and panic safety provisions~~fire safety and evacuation plan. ~~The~~
5 ~~Commission shall send one copy of the plan to the Bureau to review either paragraph (3) of~~
6 ~~subsection (b) or paragraphs (1), (2)(E) and (3) of subsection (c), depending on the number of~~
7 ~~tables for which the gambling establishment is licensed.~~

8 (e) Each licensee shall, at least annually, provide for the review of the requirements of the
9 ~~plan with employees, ensuring that each employee has a general understanding of the provisions~~
10 ~~of the plan applicable to his or her position and understands his or her specific duties under the~~
11 ~~plan and the appropriate exit or exits to be used, where applicable. This annual review shall be~~
12 ~~documented, including signatures by the employee and the licensee or key employee who~~
13 ~~provided the review, as part of the licensee's application for renewal. When a new employee~~
14 ~~begins work, a licensee or key employee shall review the requirements of the plan with the new~~
15 ~~employee, ensuring that each new employee has a general understanding of the provisions of the~~
16 ~~plan applicable to his or her position and understands his or her specific duties under the plan~~
17 ~~and the appropriate exit or exits to be used, where applicable.~~

18 (f) ~~If the Commission determines that the licensee's plan does not address the elements set~~
19 ~~forth in this section, then the Commission may issue a determination identifying the deficiencies~~
20 ~~and specifying a time certain within which those deficiencies shall be cured.~~

21 (g)(f) Failure by a licensee to develop and implement a fire safety and evacuation plan,
22 conduct emergency evacuation drills or conduct employee training on the content of ~~their~~its fire
23 safety and evacuation plan pursuant to this section ~~or to cure a deficiency identified pursuant to~~
24 ~~subsection (f), constitutes an unsuitable method of operation and also may result in denial of an~~
25 ~~application for license renewal, pursuant to Section 12348, or in the suspension or revocation of~~
26 ~~its existing license, pursuant to Chapter 10 of this division.~~

27 (h)(g) In addition to any other remedy under ~~this section~~ the Act or this division, the
28 Commission may assess a civil penalty of at least \$500 but ~~no~~not more than \$5000 for each
29 violation of this section.

5 **§ 12372. Security and Surveillance Plan.**

6 (a) No later than [the first day of the first full month eighteen months following the effective
7 date of this section]. ~~Each~~ gambling establishment in Tier I and Tier II, as provided in
8 subsection (b) of Section 12380, shall ~~promptly~~ develop and implement a written security and
9 surveillance plan for the gambling establishment that includes, but is not limited to, provisions
10 for the following:

11 (1) Close monitoring and control of all ~~controlled~~ gambling and gaming activity;

12 (2) Close monitoring and control of access to restricted areas of the gambling establishment
13 that include, but are not limited to, cages, count rooms, vaults, security offices and surveillance
14 rooms;

15 (3) Surveillance procedures, including video recording requirements, as applicable;

16 (4) Lighting in and around the gambling establishment;

17 (5) Specific conditions, procedures and instructions for reporting suspected criminal incidents
18 or activity to state and ~~or~~ local law enforcement agencies;

19 (6) Procedures for securing or protecting persons, property, assets and records.

20 (b) No later than [the first day of the first full month eighteen months following the effective
21 date of this section]. ~~Each~~ gambling establishment in Tiers III through and including V, as
22 provided in subsection (b) of Section 12380, shall ~~promptly~~ develop and implement a security
23 and surveillance plan for the gambling establishment that, in addition to the requirements of
24 subsection (a), includes, but is not limited to, provisions for the following:

25 (1) A listing of the names and job titles of the employees who are responsible for making
26 decisions that involve the security of patrons, patrons' property, employees, employees'
27 property, and the gambling establishment's property, cash or equivalent assets and records;

28 (2) The presence and duties of uniformed security personnel;

29 (3) Surveillance procedures, including video recording and monitoring requirements, as
30 applicable;

1 (4) Specific conditions, procedures and instructions for stopping ~~business and/or controlled~~
2 gambling and gaming activities; and

3 (5) Specific employee training schedules that relate to the gambling establishment's security
4 and surveillance plan.

5 (c)(1) Each security and surveillance plan shall be consistent with, identify and comply with
6 all state and local requirements and shall implement all applicable provisions of Article 3 of this
7 chapter. Each licensee shall submit, pursuant to paragraph (2), (3) or (4), as an attachment to its
8 security and surveillance plan, copies of identified, applicable local ordinances and any locally-
9 issued certificate of compliance with those ordinances.

10 (2) Each applicant as an owner-licensee under Chapter 6 of this Division shall submit to the
11 Commission one copy of a current security and surveillance plan, pursuant to this section,
12 together with those application documents required by Section 12342.

13 (3) Each licensee shall submit to the Commission one copy of its current security and
14 surveillance plan with the first biennial license renewal application that is submitted~~six~~ eighteen
15 months after the effective date of this section, and with every second renewal application
16 submitted thereafter.

17 (4) If a licensee's security and surveillance plan is revised as a result of the addition of
18 permanent tables, or as a result of any change to the physical premises which alters the locations
19 or configurations of any restricted areas of the gambling establishment, or which alters or affects
20 any security or surveillance capabilities or procedures, the licensee shall submit one copy of its
21 revised security and surveillance plan with the first biennial license renewal application
22 submitted immediately following any revision to its security and surveillance plan, and,
23 paragraph (3) notwithstanding, with every second renewal application submitted thereafter.

24 (5) If the responsible local authority provides reviews of security or surveillance plans, the
25 licensee shall send documentation of the areas reviewed by the responsible local authority and
26 whether or not the responsible local authority approved those areas of the security and
27 surveillance plan under the responsible local authority's jurisdiction.

28 (d) The Bureau shall review the licensee's security and surveillance plan, including those
29 provisions under the responsible local authority's jurisdiction, whether reviewed by the local

1 authority or not, and those provisions not under the responsible local authority's jurisdiction. If
2 the Bureau determines that the licensee's security and surveillance plan does not address the
3 elements set forth in this section, then the Bureau may issue a determination identifying the
4 deficiencies and specifying a time certain within which those deficiencies shall be cured.

5 (e)(1) Each licensee shall, at least annually, provide for a review of the requirements of the
6 security and surveillance plan with those employees that have been assigned duties under the
7 plan, ensuring that each employee has a general understanding of the provisions of the plan
8 applicable to his or her position and understands his or her specific duties under the plan. This
9 annual review shall be documented, including a signature from each employee indicating that
10 they have participated in the review and a signature from the person who provided the review.

11 (2) When a new employee begins work, the licensee, or the licensee's designate, shall review
12 the requirements of the security and surveillance plan with the new employee, ensuring that each
13 new employee has a general understanding of the provisions of the plan applicable to his or her
14 position and understands his or her specific duties under the plan. This initial review shall be
15 documented as provided in paragraph (1).

16 (f) Failure by a licensee to develop and implement a security and surveillance plan, or to cure
17 a deficiency identified pursuant to subsection (d), constitutes an unsuitable method of operation
18 and also may result in denial of an application for license renewal pursuant to Section 12348, or
19 in the suspension or revocation of its existing license pursuant to Chapter 10 of this division.

20 (g) In addition to any other remedy under the Act or this division, the Commission may
21 assess a civil penalty of at least \$500 but no more than \$5000 for each violation of this section.

1 cages, count rooms, vaults, security offices and surveillance rooms, shall be limited to authorized
2 personnel in the performance of their duties and shall be closely controlled.

3 (2) For the purpose of video surveillance recordings, gambling establishments shall provide
4 adequate lighting of all public areas, entrances and exits, and for all ~~attached and adjacent~~
5 ~~adjoining~~ parking areas owned, ~~leased, rented,~~ operated ~~and/~~ or otherwise controlled by the
6 licensee for use by its patrons.

7 (3) Licensees shall file an incident report with the Bureau's Criminal Intelligence Unit within
8 five business days of either of the following:

9 (A) Any owner or key employee contacting a local law enforcement agency, pursuant to the
10 provisions of the licensee's security plan, regarding any reasonably suspected violation of the
11 Act, this division, Division 3 of Title 11 of the California Code of Regulations, any statute set
12 forth in sections 330 through 337z of the Penal Code that pertains to gambling, section 1916-3(b)
13 of the Civil Code (loan-sharking), chapter 1 (commencing with section 11000) of division 10 of
14 the Health and Safety Code (illegal possession or distribution of controlled substances), section
15 4022 of the Business & Professions Code (illegal possession or distribution of dangerous drugs),
16 or ~~other serious criminal offenses, including but not limited to~~ any violation of the following
17 Penal Code sections: 186.10 (money laundering), 211 (robbery), 245 (assault with deadly
18 weapon), 266h (pimping), 266i (pandering), 459 (burglary), 470 (forgery), 476 (fraud), 487

1 3. Date of birth.

2 4. Driver license or identification card number.

3 (C) Law enforcement report number.

4 (D) Detailed description of the event or suspected incident, including an identification of any
5 witnesses and a description of any evidence.

6 (5) Licensees shall maintain a list of all mechanical keys or electronic card keys to the
7 locking devices used to secure the gambling establishment, restricted areas of the gambling
8 establishment, or any fixtures, appurtenances and equipment used in the gambling operation, the
9 names of all gambling establishment employees who have been issued, possess or have access to
10 any of those keys, and the location where un-issued keys are stored. If any coded mechanical or
11 electronic locking devices are used, the list shall include all access codes and ~~or~~ combinations, as
12 applicable, and the names of all gambling establishment employees who possess any code or
13 combination, or who control the mechanism to open any of the locks. The licensee may maintain
14 a master list or separate departmental lists. Each list shall be:

15 (A) Continuously maintained while current, at a minimum, in a permanent, written form and
16 dated as of the date created or updated;

17 (B) Updated as changes in the information contained in the list changes;

18 (C) Kept in a secure, locked receptacle, such as a key control box, safe, locking file drawer or
19 similar container; and

20 (D) Retained for a minimum of one year after the list has been updated.

21 (b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III
22 through and including V shall meet or exceed the following standards for security:

23 (1) Except as otherwise provided, licensees shall install and maintain a minimum of at least
24 one secure key control box for the storage and safeguarding of all un-issued gambling-related
25 keys and ~~or~~ access code cards associated with the gambling establishment; e.g., keys to the
26 gambling establishment, cage, count room or other restricted areas of the gambling
27 establishment, and any fixtures, appurtenances and equipment used in the gambling operation,

2 paragraph, “immediate family member” means spouse, child, stepchild, brother, stepbrother,
3 sister, stepsister, mother, stepmother, father, or stepfather.

4 (2) All key control boxes shall meet or exceed the following requirements:

5 (A) The key control box shall have a minimum of one keyed locking mechanism. A coded
6 key lock or a mechanical or electronic combination lock is acceptable.

7 (B) The key control box shall be securely attached to a permanent structure within the
8 gambling establishment. The hardware used to attach the box shall not be visible or accessible
9 externally.

10 (C) All keys, stored within a key control box shall be easily identifiable and individually
11 labeled.

12 (D) Access to a key control box shall be limited to the licensed gambling establishment
13 owners, key employees, or other employees designated by the owner of the gambling
14 establishment.

15 (3) Licensees shall maintain a key control log for each key control box maintained pursuant
16 to paragraph (1). The key control log shall document the issuance and return of all gambling-
17 related keys used to control access by gambling establishment employees to restricted areas of
18 the gambling establishment, or any fixtures, appurtenances and equipment, associated with the
19 department or operation.

20 (4) During any period of time, between one-half hour before or after sunset and one-half hour
21 before or after sunrise, in which the gambling establishment is open for business or patrons are
22 present on the premises, licensees shall have at least one uniformed security officer on duty, who
23 shall periodically patrol the exterior of the gambling establishment, including all ~~attached~~
24 ~~adjoining~~ and adjacent parking areas owned, ~~leased, rented,~~ operated ~~and/or~~ otherwise controlled
25 by the licensee for use by its patrons. Any security officer, whether an employee, agent or
26 contractor of the licensee, who is a gambling enterprise employee as defined in subdivision (m)
27 of section 19805 of the Business and Professions Code, shall be required to hold a work permit
28 pursuant to paragraph (1) of subdivision (a) of section 19912 of the Business and Professions
29 Code, and Chapter 2 of this division. Any ~~contract~~ security officer whose scope of employment

1 is limited to performance of his or her duties exclusively outside the licensee's gambling
2 establishment shall not be required to hold a work permit under these regulations.

3 (c) In addition to the requirements of subsections (a) and (b), the policies and procedures for
4 Tiers IV and V shall meet or exceed the following standards for security:

5 (1) Licensees shall install and maintain a backup generator that is sufficient, during power
6 outages, to provide for the~~continued operation of those systems that are necessary for the safety~~
7 ~~and security of patrons, patrons' property, employees and the licensee's assets and property~~
8 lighting systems, information systems, and surveillance and recording systems for a time
9 necessary to protect the safety and security of patrons and employees, patrons' property, and the
10 licensee's assets and property while gambling operations are terminated and patrons exit the
11 premises.

12 (2) Any gambling establishment that elects to continue gambling operations during a power
13 outage shall install and maintain a backup generator that is sufficient to provide for the full and
14 continued operation of all lighting systems, all information systems, and all surveillance and
15 recording systems.

16 (d) In addition to the requirements of subsections (a), (b) and (c), the policies and procedures
17 for Tier IV shall include standards for security that require~~a~~ at least two uniformed security
18 ~~officer~~ officers, as specified in paragraph (4) of subsection (b), to be on duty during all hours of
19 operation, one of which shall periodically patrol the exterior of the gambling establishment,
20 including all adjoining and adjacent parking areas owned, operated or otherwise controlled by
21 the licensee for use by its patrons.

22 (e) In addition to the requirements of subsections (a), (b), (c) and (d), the policies and
23 procedures for Tier V shall~~meet or exceed the following standards for security:~~

24 ~~(1) Licensees shall have~~ include standards for security that require at least two uniformed
25 security officers, as specified in paragraph (4) of subsection (b), to be on duty during all hours of
26 operation, one of which shall continuously patrol the exterior of the gambling establishment,
27 including all ~~attached adjoining~~ and adjacent parking areas owned, leased, rented, operated
28 ~~and/or~~ or otherwise controlled by the licensee for use by its patrons.

§ 12396. Surveillance.

(a) The policies and procedures for all Tiers shall meet or exceed the following standards for surveillance:

(1) Licensees shall install and maintain, on site in their gambling establishment, a surveillance system, with video recording and closed circuit television (CCTV) monitoring capabilities, to record critical activities related to the licensees' gambling operations. The surveillance system shall record with reasonable coverage and clarity, at a minimum, the ~~gambling activity operation~~, the payment of player drop fees, the collection of drop boxes, the drop count processes, cage and cashier activities, gambling equipment storage areas, except for furniture storage areas, and the interior of gambling establishment entrances and exits. The video recording equipment shall include date and time generators which shall display the current date and time of recorded events on videotape or digital recordings. The displayed date and time shall not significantly obstruct the view of recorded images. The surveillance system may have remote, off-site access capabilities, but only ancillary to any on-site systems required by this section.

(2) All surveillance recordings shall be made in real time mode, or at a speed sufficient to capture and record with reasonable completeness the actions of all individuals being observed, except that any recordings of the gambling establishment parking areas, and the gambling establishment entrances and exits may be recorded in time-lapse mode, at a minimum speed of 15 frames per second.

(3) All video surveillance cameras shall be installed in a manner that prevents them from

2 reasonably possible. All recording and monitoring equipment shall be located in a secure room
3 or area of the gambling establishment so that access ~~may be reasonably~~ is controlled.

4 (4) The surveillance system operation shall be ~~regularly~~ daily to ensure that all
5 surveillance equipment is functioning properly and reasonable efforts shall be made to repair
6 malfunctioning surveillance equipment within 72 hours of the discovery of the malfunctions.

7 (5) If a digital video recording (DVR) system is utilized, the system shall meet the following
8 standards:

9 (A) The DVR system shall have a failure notification system that, at a minimum, provides a
10 visual notification of any failure in the surveillance system or the DVR media storage system.

11 (B) The DVR system shall have a media storage system that is configured so that a failure of
12 any single component will not result in the loss of any data from the media storage system.

13 (C) The DVR system shall have the capability to reproduce or copy all or any portion of the
14 stored data from the media storage system to a digital video disk (DVD).

15 (D) A single DVR system shall not have more than 8 cameras required by the standards of
16 this section, unless the DVR system has an appropriate backup system to ensure that there is no
17 loss of data in the event of a failure of the primary DVR system or any single component of that
18 system.

19 (6) Videotapes or other recording media shall be marked or coded to denote the activity
20 recorded.

21 (7)(A) Unless otherwise requested by the Bureau, all recordings shall be retained for a
22 minimum of ~~three~~ seven complete days of operation, except that recordings that are determined
23 by the Bureau or a law enforcement agency to be of evidentiary value shall be retained for a
24 period specified in writing by the determining agency. Recordings of any criminal offense
25 subject to reporting pursuant to paragraph (3) of subsection (a) of Section 12395 shall be retained
26 indefinitely, or until the Bureau authorizes their disposal.

27 (B) Subsection (f) notwithstanding, the seven day retention period specified in subparagraph
28 (A) shall be increased to 14 days no later than *[the first day of the first full month 36 months*
29 *following the effective date of this section]*.

1 ~~(8) Immediate access to the surveillance room and/or any area where surveillance equipment~~
2 ~~is installed and maintained or video recordings are stored shall be provided to Bureau staff and~~
3 ~~law enforcement personnel upon request.~~ For the purpose of enforcing the provisions of the Act,
4 this division, or Division 3 of Title 11 of the California Code of Regulations, Bureau staff, with
5 the approval of the chief, may, at any time during the gambling establishment's actual hours of
6 operation, demand immediate access to the surveillance room and any area of the gambling
7 establishment where surveillance equipment is installed or maintained or where surveillance
8 video recordings are stored, and such access shall be provided by the licensee or the licensee's
9 authorized representative. The Bureau may, pursuant to subparagraph (D) of paragraph (1) of
10 subdivision (a) of section 19827 of the Business and Professions Code, take custody of and
11 remove from the gambling establishment the original of any video recording, or a copy of any
12 digital recording, required to be made and maintained pursuant to the Act or this division. Any
13 surveillance video recording that is in the custody of the Bureau pursuant to this paragraph may
14 be disclosed by the Bureau only when necessary to administer or enforce the provisions of the
15 Act, this division, or Division 3 of Title 11 of the California Code of Regulations or when
16 necessary to comply with a court order. Upon reasonable request of the licensee or the licensee's
17 authorized representative, a copy of the recordings shall be made and left on the premises if
18 copying equipment is available to enable Bureau staff to make copies. If copying equipment is
19 not available to Bureau staff, upon reasonable request of the licensee or the licensee's authorized
20 representative, a copy of the recordings will be provided to the licensee at the licensee's expense,
21 unless the Bureau expressly waives its costs of providing the copies.

22 (9) Licensees shall prominently display in a place and manner conspicuous to all patrons
23 entering and exiting the gambling establishment, a sign containing the following statement
24 printed in bold lettering of sufficient size to be visible and readable: “**All Public Areas,**
25 **Entrances and Exits of This Establishment are Subject to Surveillance and Video**
26 **Recording.”** The lettering and background shall be of contrasting colors, and the sign shall
27 comply in all respects with applicable signage requirements, if any, of the local jurisdiction.

28 (b) In addition to the requirements of subsection (a), the policies and procedures for Tiers II
29 through and including V shall meet or exceed the following standards for surveillance:

Revision Date: November 16, 2009

1 (1) The surveillance system shall, at a minimum, record both the interior and the exterior of
2 gambling establishment entrances and exits.

3 (2) The surveillance system shall have a sufficient number of cameras dedicated to gambling
4 tables to be capable of viewing and recording, with reasonable coverage and clarity, patrons,
5 dealers, wagers, cards, and game outcome at each table. For the purposes of this paragraph, an
6 overhead view of patrons and dealers is acceptable. This paragraph shall not apply to
7 demonstration or instructional tables, when cash or prizes are not being wagered, won or lost.

8 (3) The surveillance system shall include an audio recording of, at a minimum, any areas of
9 the gambling establishment that are used for vault or count room functions.

10 (c) In addition to the requirements of subsections (a) and (b), the policies and procedures for
11 Tiers III through and including V shall include standards for surveillance that require the
12 surveillance system to include coverage and recording of all ~~attached and adjacent~~ adjoining
13 parking areas owned, ~~leased, rented,~~ operated ~~and/~~ or otherwise controlled by the licensee for use
14 by its patrons.

15 (d) In addition to the requirements of subsections (a), (b) and (c), the policies and procedures
16 for Tier IV shall include a requirement that, during all hours of operation, a gambling
17 establishment owner or key employee be on duty who has the ability to access live video from
18 surveillance cameras and previous surveillance video recordings.

19 ~~(d)~~ (e) In addition to the requirements of subsections (a), (b), (c) and ~~(e)~~ (d), the policies and
20 procedures for Tier V shall meet or exceed the following standards for surveillance:

21 (1) Licensees shall establish a surveillance unit separate and apart from the security
22 department. The head of the surveillance unit and all surveillance unit personnel shall be
23 independent of the security department and have no other gambling-related duties.

24 (2) Licensees shall establish and maintain a separate surveillance room that meets or exceeds
25 the following requirements:

26 (A) The surveillance room shall have controlled access through a secured door or doors,
27 which shall be under constant recorded video surveillance.

28 (B) No entrance or exit door of a surveillance room shall be readily observable or accessible
29 from the gambling operation area.

1 (3) Routine access and entry into the surveillance room shall be limited to on-duty employees
2 of the surveillance unit assigned to monitor gambling~~activity~~operations. Owners, managers and
3 other employees of the gambling establishment who hold a valid gambling license or work
4 permit may be granted access to the surveillance room for the purpose of performing their duties.
5 Other persons may be granted limited access to the surveillance room for educational,
6 investigative or maintenance purposes, if accompanied at all times by a surveillance unit
7 employee.

8 (4) At least one surveillance employee shall be present in the surveillance room and actively
9 monitoring the gambling operations, via the surveillance room equipment, ~~while the gambling~~
10 ~~establishment is open to conduct gambling activity~~during all hours of operation, except that the
11 surveillance room may be unattended for no more than a total of one hour during any shift or
12 eight-hour period to allow for required meal and rest breaks for staff. No controlled gambling
13 ~~activity~~ may take place when a surveillance employee is not present and on duty in the gambling
14 establishment, whether on a break or not.

15 (5) Count room surveillance shall include closed circuit television (CCTV) monitoring and
16 video recording.

17 (6) Licensees shall maintain a record of all surveillance activity in the surveillance room, by
18 surveillance period or shift, in a surveillance activity log. The surveillance activity log entries
19 shall be made by on-duty surveillance personnel and shall include, at a minimum, the following:

20 (A) The date and time of commencement of the surveillance period or shift;

21 (B) The printed name(s) of the person(s) conducting the surveillance;

22 (C) The date and time of termination of the surveillance period or shift;

23 (D) A summary of the results of the surveillance, including a notation of the time of
24 recording of any event, activity, occurrence, process or procedure that was monitored during the
25 surveillance period or shift, whether the recording ~~and/or~~ monitoring was required or not;

26 (E) A notation of the time of the discovery or occurrence of any equipment or camera
27 malfunctions during the surveillance period or shift;

28 (F) A notation of the time of the correction or repair of any equipment or camera
29 malfunctions occurring during the surveillance period or shift, if corrected or repaired during that

1 period or shift;

2 (G) A notation of the time of the correction or repair of any equipment or camera
3 malfunctions discovered and noted in a previous surveillance period or shift, if corrected or
4 repaired during the current period or shift;

5 (H) A notation of the time of occurrence of any medical emergency event ~~and~~/or law
6 enforcement event, including any incident number generated by the responding entity, if
7 available;

8 (I) A notation of the time(s) of drop box collection occurring during the surveillance period
9 or shift;

10 (J) A notation of the time of drop count procedure(s) occurring during the surveillance period
11 or shift; and

12 (K) A notation of the times of patron disputes occurring during the surveillance period or
13 shift that require the intervention of the security department, if any.

14 (7) Each gambling table must have a dedicated camera, meeting the requirements of
15 paragraph (2) of subsection (a), providing clear surveillance coverage of ~~the all controlled~~
16 gambling ~~activity~~ at all ~~times~~ hours of operation. In addition, one Pan/Tilt/Zoom (PTZ) camera
17 ~~that will pan the faces of patrons and dealers for identification at a minimum of once per hour~~
18 ~~during gambling operation;~~ must be installed for every ten or fewer authorized tables present in
19 any gambling operations area of the gambling establishment. A reasonable attempt must be
20 made to pan the faces of patrons and dealers for identification at least once per work shift of
21 surveillance unit employees.

22 ~~(e)~~(f) Licensees shall establish and implement the applicable standards for surveillance
23 specified in subsections (a) through and including ~~(d)~~ (e) no later than [the first day of the first
24 full month eighteen months following the effective date of this section].
