1 gambling operations.

2 (d) “Floor bank” means an imprest fund consisting of monetary assets including, but not  
3 limited to, gambling chips, cash, and cash equivalents, maintained outside a cage on or near the  
4 gambling floor.

5 (e) “Gambling equipment” means any equipment, devices or supplies used or intended for  
6 use in the play of any controlled game, and includes, but is not limited to, playing cards, tiles,  
7 dice, dice cups, card shufflers, gaming tables, etc.

8 (f) “Gaming activity” has the same meaning as defined in Title 11, CCR, Section 2010,  
9 subsection (f).

10 (bg) “House rules” means a set of written policies and procedures, established by a gambling  
11 enterprise, which set general parameters under which that gambling enterprise operates the play  
12 of controlled games.

13 (eh) “Licensee” means “owner licensee” as defined in Business and Professions Code section  
14 19805, subdivision (ad).

15 (di) “Security department” means the operational entity within a gambling establishment that  
16 is responsible, but not necessarily solely responsible, for patrol of the public areas of the  
17 establishment, and to assist in:

- 18 (1) Maintaining order and security;  
19 (2) Excluding underage patrons;  
20 (3) Responding to incidents involving patrons or others;  
21 (4) Detecting, reporting and deterring suspected illegal activity; and  
22 (5) Completing incident reports.

23 (ej) “Surveillance unit” means the operational system or entity within a gambling  
24 establishment that is responsible for the video recording, as may be specified in Article 3 of this  
25 chapter, of all activities required to be under surveillance, monitored and/or recorded pursuant to  
26 the Act and this division for the purposes of detecting, documenting and reporting suspected  
27 illegal activities, including suspected gambling by persons under 21 years of age, and assisting

1 the personnel of the security department in the performance of their duties.

5 ARTICLE 3. MINIMUM INTERNAL CONTROL STANDARDS (MICS)  
6 FOR GAMBLING ESTABLISHMENTS.

7 § 12386. Cage Operation and Functions.

8 (a) The policies and procedures for all Tiers shall meet or exceed the following standards for  
9 ~~the~~ cages:

10 (1) The licensee shall maintain within the gambling establishment at least one separate and  
11 secure area at a fixed location ~~that is accessible to the public, and~~ that is designated as ~~the~~ a cage.  
12 ~~The~~ A cage shall be located, designed, constructed and operated to provide convenience for  
13 patron transactions while maintaining appropriate security and accountability for ~~funds~~ all  
14 monetary transactions occurring at the cage and all cage contents which may include, but are not  
15 necessarily limited to, the cage bank and cashiers' banks, and gambling equipment and  
16 confidential documents when kept in a cage.

17 (2) The licensee shall designate at least one gambling enterprise employee to process  
18 monetary transactions ~~through the~~ at a cage. All employees designated to process monetary  
19 transactions ~~through the~~ at a cage shall be listed by title, classification or position on the  
20 gambling ~~establishment's~~ enterprise's organizational chart, ~~and shall be responsible for.~~ The  
21 designated employees' duties may include any or all of the following:

22 (A) Custody of the cage or individual cage drawer inventory, which is comprised of currency,  
23 coin, patron checks, gambling chips, forms, documents and records consistent with the operation  
24 of a cage or individual cage drawer.

25 (B) Receipt, and distribution, ~~and redemption~~ of gambling chips.

26 (C) Deposits to and withdrawals from players' banks and dealers' banks, if applicable.

27 (D) ~~Cashing checks~~ Check cashing and ~~or~~ extensions of credit for patrons, as permitted by  
28 the licensee's policies and procedures.

1 (E) Preparation of cage accountability reconciliations and records necessary to document  
2 compliance with the requirements of this chapter.

3 (F) Recording patron information that is necessary for compliance with the requirements of  
4 sections 5313 and 5314 of Title 31 of the United States Code, ~~sections 103.21, 103.22, 103.23,~~  
5 ~~103.63 and 103.64~~ Chapter X (effective as of July 1, 2011) of Title 31 of the Code of Federal  
6 Regulations and any successor provisions, and subsection (a) of Section 12404 of this chapter.

7 (G) ~~Ensuring t~~The proper accounting and safeguarding of funds and chips any cage bank or  
8 cashier's bank, and gambling equipment or confidential documents when kept in a cage.

9 (3) Routine access and entry into ~~the~~ a cage, or an area designated as a cage pursuant to  
10 paragraph (1) of this subsection, shall be limited to on-duty cage personnel designated pursuant  
11 to paragraph (2) of this subsection. Other employees of the gambling ~~establishment~~ enterprise  
12 who hold a valid gambling license, key employee license or work permit may be granted access  
13 to ~~the~~ a cage or cage area for the purpose of performing their duties.

14 (4) A log shall be maintained, either in writing or electronically, to document entry into ~~the~~ a  
15 cage by any person not authorized access pursuant to paragraphs (2) and (3) of this subsection.  
16 The log must contain the person's name, title, date of entry, and time entering and exiting; or  
17 provide substantially equivalent information through an automated access control system. Any  
18 automated access control system must provide a secure, tamperproof means of recording and  
19 maintaining entry and exit information.

20 (5) Cage ~~activity~~ and cashiers' banks shall be reconciled after each shift by the incoming and  
21 outgoing designated cage employees. If an imprest ~~drawer~~ is used, each outgoing designated  
22 cage employee responsible for an imprest ~~drawer~~ shall ~~reconcile~~ balance his or her ~~drawer~~  
23 imprest to the imprest amount. ~~All transactions that flow through the cage shall be appropriately~~  
24 ~~summarized and documented, in writing, for each shift.~~ The recordable cage ~~activity~~  
25 transactions and reconciliations shall be posted and reconciled to the general ledger at least  
26 monthly. ~~For the purposes of this paragraph, the word "shift" means an individual employee's~~  
27 ~~shift, or two or more employees that work the same schedule.~~

1 (6) The purchase or redemption of gambling chips by a patron may only occur at ~~the a~~ cage  
2 or from a designated gambling ~~establishment~~ enterprise employee on the gambling floor.  
3 Licensees shall not permit proposition player services providers to purchase or redeem gambling  
4 chips for cash or cash equivalents from a patron or to sell gambling chips to a patron. For the  
5 purposes of this article, the sale, purchase or redemption of gambling chips ~~or the sale of chips~~  
6 shall not include the exchange of a chip or chips of one total value for a chip or chips of an equal  
7 total value.

8 (7) If a licensee operates more than one cage at any time during any shift, all cages,  
9 irrespective of their designations (e.g., main cage, satellite cage, auxiliary cage, supplementary  
10 cage, secondary cage, back up cage, support cage, etc.), shall be subject to and comply with all  
11 provisions of this article applicable to the operation and functions of cages for the licensee’s tier.

12 (b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III  
13 through and including V shall include the following standards for ~~the a~~ cage:

14 (1) ~~The cage and cage activities shall be under continuous recorded video surveillance.~~

15 (2) The reconciliation of ~~the cage~~ transactions and cashiers’ banks provided for in paragraph  
16 (5) of subsection (a), shall be summarized on a cage accountability form that shall include, at a  
17 minimum, all of the following, as applicable:

18 (A) The date of the reconciliation;

19 (B) The designation of the shift being reconciled;

20 (C) An accounting of ~~all items in the cage inventory (e.g., cash, coin, chips~~ the contents of  
21 the cage bank, cashiers’ banks and, if applicable, players’ and dealers’ banks, ~~etc.), for each cage~~  
22 ~~window, drawer or bankroll~~ in use during the subject shift, including:

23 1. The beginning shift balances, unless an imprest ~~drawer~~ is used;

24 2. All ~~credits (receipts)~~ transactions recordable to the general ledger;

25 3. ~~All debits (disbursements);~~

26 4. The ending balances of cash and chips;

27 5. An identification of any overage or shortage with an explanation, if known.

1 (D) The printed name and signature of each designated cage employee ~~(incoming and~~  
2 ~~outgoing, unless an imprest drawer is used)~~ performing the reconciliation, as applicable.

3 (32) The cage ~~activity~~ and cashiers' banks reconciliations specified in paragraph (21) of this  
4 subsection shall be posted and reconciled to the general ledger, as provided in paragraph (5) of  
5 subsection (a), by someone other than a designated cage employee or cage supervisor.

6 (c) In addition to the requirements of subsections (a) and (b), the policies and procedures for  
7 Tiers IV and V shall include the following standards for ~~the a~~ cage:

8 (1) A cage shall be a secure enclosed structure with at least one cashier window through  
9 which items such as gambling chips, cash, checks and documents may be passed to serve patrons  
10 and gambling enterprise employees. The design and construction of ~~the a~~ cage shall include:

11 (A) Secure cashier windows designed to prevent entry by a patron or another individual, and  
12 to prevent theft from the cage;

13 (B) A manually triggered silent alarm system connected directly to the surveillance unit, or  
14 its equivalent, or an alarm monitoring agency; and

15 (BC) Access through a secured door or doors, which shall be under constant recorded video  
16 surveillance in accordance with the applicable provisions of Section 12396.

17 (2) In addition to the information specified in paragraph (21) of subsection (b), the cage  
18 accountability form referenced therein shall include an itemization of the following ~~with~~  
19 ~~beginning and ending balances for non imprest drawers, and ending balances for imprest drawers~~  
20 for all banks:

21 (A) Cash and coin by denomination;

22 (B) Gambling ~~€~~ chips by denomination;

23 (C) All other items of monetary value (e.g., markers, patron checks, players' and dealers'  
24 banks, ~~chip runners'~~ floor banks, etc.), specifying the source of each ~~;~~.

25 (3) The licensee shall maintain a list, either in writing or electronically, of the names of all  
26 persons designated pursuant to paragraph (2) of subsection (a) as being authorized to access  
27 ~~and/or enter the a~~ cage, which list shall specify those persons who possess the combination or the

1 keys or who control the mechanism to open the devices securing the entrance to ~~the~~ a cage, and  
2 those who possess the ability to operate the alarm system. The list shall be updated each time a  
3 designation is added or deleted.

4 (d) In addition to the requirements of subsections (a), (b) and (c), the policies and procedures  
5 for Tier V shall include standards for ~~the~~ a cage that require monitored and recorded video  
6 surveillance of the interior of the cage and all of its contents, and the exterior of all access doors  
7 in accordance with the applicable provisions of Section 12396.

8 (e) Licensees shall establish and implement the applicable standards for cage functions  
9 specified in subsections (a) through and including (d) no later than April 1, 2010.

13 **§ 12387. Security and Use of Floor Banks; Security of Gambling Equipment and**

14 **Confidential Documents.**

15 (a) The policies and procedures for all Tiers shall meet or exceed the following standards for  
16 the security of floor banks:

17 (1) When kept, held or stored in any public area of the gambling establishment, a floor bank  
18 shall be secured in a receptacle, drawer or compartment with a locking mechanism securing the  
19 contents. The receptacle, drawer or compartment shall remain locked at all times, except when  
20 being accessed by designated gambling enterprise employees in the performance of their duties.  
21 If a keyed lock or locking mechanism is used, the key shall not be left in the lock when the  
22 drawer or compartment is not being accessed. All keys, combinations and access codes shall be  
23 subject to the applicable key security and control provisions of Section 12395.

24 (2) The lock or locking mechanism of each receptacle containing a floor bank, shall be keyed  
25 differently from the lock or locking mechanism of any other receptacle, drawer or compartment  
26 of any furnishing, fixture, cabinet, appurtenance or device (hereafter cabinet) in the gambling  
27 establishment, except in the following circumstances:

28 (A) When a single designated gambling establishment employee requires access to multiple

Underline denotes new text. ~~Strikeout~~ denotes deleted text.

1 receptacles in the performance of his or her duties; that access is limited solely to that employee  
2 during his or her assigned shift; and each of the receptacles contains a floor bank, those  
3 receptacles may have a key, combination or access code in common with each other.

4 (B) Designated managers and supervisors whose duties include the supervision or oversight  
5 of employees who utilize and have access to floor banks in the performance of their assigned  
6 duties, may have a master key that will open some or all of the locking mechanisms for the  
7 receptacles containing a floor bank to which any of their subordinate employees have access.

8 (3) Any cabinet having a drawer, compartment or receptacle containing or intended to  
9 contain a floor bank shall be located so that it is clearly visible for security and surveillance  
10 purposes. The cabinet shall be kept under continuous recorded video surveillance, in accordance  
11 with the applicable provisions of Section 12396. The camera coverage shall be adequate to  
12 enable monitoring and recording, to the extent reasonably possible, of the contents of any drawer  
13 when open and all activities involving the floor bank. If a mobile cabinet is used, it shall be kept  
14 at a fixed secure location under continuous recorded video surveillance when not being actively  
15 used on the gambling floor.

16 (4) No equipment, documents, supplies or other materials that are not directly related to a  
17 floor bank shall be commingled with or kept in the same receptacle with a floor bank. Neither  
18 the cabinet nor any other drawer, compartment or receptacle therein, shall be used to hold, store,  
19 keep or safeguard any personal property or possession of any gambling enterprise employee,  
20 patron, or any other person, nor any equipment, documents, supplies or other materials that are  
21 not directly related to the conduct of gambling operations.

22 (5) Each floor bank shall be individually balanced not less than daily and the imprest amount  
23 included in the cage bank reconciliation.

24 (6) The licensee shall establish a maximum imprest amount that may be assigned to each  
25 floor bank based on a reasonable estimate of the amount necessary for the activities associated  
26 with the bank during any shift. The maximum imprest amount that may be assigned to a floor  
27 bank in a mobile cabinet shall not exceed \$20,000 at any time.

1       (7) The licensee’s policies and procedures shall include specific provisions governing the sale  
2 or distribution of gambling chips and the disbursement of cash to patrons from a floor bank by  
3 the designated gambling enterprise employee. The redemption of chips by a patron from a floor  
4 bank shall not exceed a total of \$500, except that no chip redemptions may be transacted from a  
5 floor bank in a mobile cabinet.

6       (b) The policies and procedures for all Tiers shall meet or exceed the following standards for  
7 the security of gambling equipment and confidential documents:

8       (1)(A) When kept, held or stored in any public area of the gambling establishment, gambling  
9 equipment shall be secured in a receptacle, drawer or compartment, with a locking mechanism  
10 securing the contents. Any gambling equipment that cannot be secured in a receptacle, drawer or  
11 compartment due to its size, or that is left in place on a gambling table when not in use, shall be  
12 secured with a locking mechanism to prevent it from being moved or tampered with. The lock or  
13 locking mechanism may have a key, combination or access code in common with any similar  
14 receptacle used to keep hold or store gambling equipment in any public area of the gambling  
15 establishment. The locking mechanism shall remain locked at all times, except when being  
16 accessed by a designated gambling enterprise employee in the performance of his or her duties.  
17 If a keyed lock or locking mechanism is used, the key shall not be left in the lock when the  
18 receptacle is not being accessed. All keys, combinations and access codes shall be subject to the  
19 applicable key security and control provisions of Section 12395.

20       (B) When kept, held or stored in any public area of the gambling establishment, confidential  
21 documents shall be secured in a receptacle, drawer or compartment, as specified in subparagraph  
22 (A), except when in use or when maintained electronically. Confidential documents, when in  
23 use or maintained electronically, shall be kept out of public view, to the extent reasonably  
24 possible.

25       (2) The lock or locking mechanism of each receptacle containing any gambling equipment or  
26 confidential documents, shall be keyed differently from the lock or locking mechanism of any  
27 other receptacle, drawer or compartment of any cabinet in the gambling establishment, except in

1 the following circumstances:

2 (A) When a single designated gambling establishment employee requires access to multiple  
3 receptacles in the performance of his or her duties; that access is limited solely to that employee  
4 during his or her assigned shift; and each of the receptacles contains either gambling equipment  
5 or confidential documents, those receptacles may have a key, combination or access code in  
6 common with each other.

7 (B) Designated managers and supervisors whose duties include the supervision or oversight  
8 of employees who utilize and have access to gambling equipment or confidential documents in  
9 the performance of their assigned duties, may have a master key that will open some or all of the  
10 locking mechanisms for the receptacles to which any of their subordinate employees have access.

11 (3) Any cabinet having a drawer, compartment or receptacle containing gambling equipment  
12 or confidential documents shall be located so that it is clearly visible for security and  
13 surveillance purposes. The cabinet shall be kept under continuous recorded video surveillance,  
14 in accordance with the applicable provisions of Section 12396.

15 (4) No gambling equipment or confidential documents shall be commingled with or kept in  
16 the same drawer or compartment with a floor bank, or commingled with or kept in the same  
17 drawer or compartment with any personal property or possession of any gambling enterprise  
18 employee, patron, or any other person.

19 (5) The licensee's policies and procedures shall include specific provisions governing the  
20 storage, distribution and tracking of gambling equipment kept, held or stored on or near the  
21 gaming floor or in any other public area of the gambling establishment.

22 (c) If a licensee provides to any third-party provider of proposition player services (TPPPS)  
23 company or its employees, access to or the use of any cabinet, or any receptacle, drawer or  
24 compartment in any cabinet, described in subsection (a) or (b), that access or use shall be  
25 exclusive to that TPPPS company and its employees, and that cabinet shall not be used by the  
26 licensee for any purpose.

27 (d) Licensees shall establish and implement the standards specified in this section no later
