If the determination is not based upon applicant's notice to the Commission, then notice will be sent to the applicant, with a copy to the applicant's employer by certified mail indicating that unless the applicant contacts the Commission within 30 days from the date of the letter, the application shall be deemed abandoned. § 12050. Hearing Procedures; Appeal of Denial of or Imposition of Conditions on Application for License, Permit, or Request for Finding of Suitability.

(a) If the Bureau, after an investigation pursuant to Business and Professions Code section 19826, subdivision (a), issues a recommendation to deny, limit, restrict, or condition a license, permit, or finding of suitability, the Bureau shall provide the applicant with a copy of the Bureau's final report as described in Business and Professions Code section 19868, subdivision (b), which includes a detailed factual and/or legal basis for any recommendation as well as the Bureau's recommendation to the Commission and any supplemental documents provided to the Commission at the time of the report and recommendation. Any applicant for any license, permit, or finding of suitability for whom Commission staff has issued a recommendation of denial or imposition of conditions shall be given notice by certified mail of the Commission meeting at which the application is

scheduled to be heard and the Commission staff recommendation at least 10 days prior to the meeting. The applicant shall be afforded the opportunity to:

(1) Address the Commission by way of an oral statement at a noticed Commission meeting, and/or may submit documents in support of the application, or

(2) Request an evidentiary hearing.

(b) If the applicant requests an evidentiary hearing or the Commission elects to have an evidentiary hearing, the Executive Director shall set the matter for hearing pursuant to Business and Professions Code sections 19870 and 19871, or pursuant to Business and Professions Code section 19825 (conducted pursuant to Chapter 5 (commencing with section 11500) of Part 1 of Division 3 of Title 2 of the Government Code).

(1) If the hearing is to proceed pursuant to Business and Professions Code section 19825 (Chapter 5 (commencing with section 11500) of Part 1 of Division 3 of Title 2 of the Government Code; California Code of Regulations, title 1, section 1000 et seq.), the hearing shall be before an administrative law judge sitting on behalf of the Commission. Notice shall be effected pursuant to Government Code section 11500 et seq.

(2) If the hearing is to proceed pursuant to Business and Professions Code sections 19870 and 19871, notice shall be effected by the Commission, and the hearing before the Commission shall be conducted pursuant to Business and Professions Code section 19871:

(A) The Bureau or Commission staff or Deputy Attorney General or other representative presenting the case (Complainant) shall provide the applicant, at least 30 calendar days prior to the hearing, a list of potential witnesses with the general subject of the testimony of each witness and shall disclose and make available copies of all documentary evidence intended to be introduced at the hearing and not previously provided, reports or statements of parties and witnesses and all other writings containing relevant evidence, including all evidence made available to the Commissioners. The applicant shall provide Complainant with similar information to be introduced at the hearing and not previously provided at least ten calendar days prior to the hearing. The Commissioners may prohibit testimony of a witness that is not disclosed and may prohibit the introduction of documents that have not been disclosed.

(B) Nothing in this section confers upon an applicant a right to discovery of the Commission's or Bureau's confidential information or to require production of any document or information the disclosure of which is otherwise prohibited by any provision of the Gambling Control Act, or is privileged from disclosure or otherwise made confidential by law. Documentary evidence may be redacted as needed to prevent the disclosure of confidential information. Exculpatory or

mitigating information shall not be withheld from the applicant, but may be redacted.

(C) Within the guidelines of subsection (b)(2)(A) above, each party shall have the right to call and examine witnesses; to introduce relevant exhibits and documentary evidence; to cross-examine opposing witnesses on any relevant matter, even if the matter was not covered in the direct examination; to impeach any witness, regardless of which party first called the witness to testify; and to offer rebuttal evidence. If the applicant does not testify on the applicant's own behalf, the applicant may be called and examined as if under cross-examination.

(D) The hearing need not be conducted according to technical rules of evidence. Any relevant evidence may be considered, and is sufficient in itself to support findings if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might make improper the admission of that evidence over objection in a civil action. A presiding officer, which shall be an administrative law judge or an attorney designated by the Commission, shall rule on the admissibility of evidence and on any objections raised.

(E) Oral evidence shall be taken upon oath or affirmation, which may be administered by a staff member of the Commission or by a Commissioner.

(F) The hearing shall be stenographically or electronically recorded by the Commission.

(G) At the conclusion of the hearing, the Commission shall take the matter under submission and may schedule future closed session meetings for deliberation. In taking the matter under consideration, any Commissioner who participated at the hearing shall be allowed to vote by mail or by other appropriate method. Within 30 days of the conclusion of the hearing, the Commission shall issue a decision which complies with Business and Professions Code section 19870, subdivision (c), and shall serve the decision by certified mail on the applicant and on any business entity with which the applicant is associated.

(3) At the hearings described in subsections (b)(1) and (2) above, the burden of proof rests with applicant to demonstrate why a license, permit, or finding of suitability should be issued or not conditioned. The applicant may choose to represent himself, herself, or itself, or may retain an attorney or lay representative at his, her, or its own expense. A representative of the Bureau shall present the reasons why the license, permit, or finding of suitability should not be granted or should be granted with conditions imposed. In the event that the Bureau does not present the case, the Commission may seek outside representation or one or more Commission staff members shall be segregated and present the case.

(c) If the application is denied or conditions imposed:

(1) The Commission's decision shall provide the effective date of the decision and may include further directions as to stay provisions or orders to divest.

(2) If the denied applicant is an officer, director, employee, agent, representative, or independent contractor of a corporation licensed, registered, or found suitable by the Commission, the denied applicant shall resign according to the date specified in the decision and shall so notify the Commission in writing.

(3) If the denied applicant is an officer or director of a corporation licensed, registered, or found suitable by the Commission, the corporation shall immediately remove that person from office and shall so notify the Commission in writing. If the denied applicant is an employee, agent, representative, or independent contractor of a corporation licensed, registered, or found suitable by the Commission, the corporation shall terminate its relationship with that person pursuant to the date specified in the decision and shall so notify the Commission in writing. The denied applicant and the corporation licensed, registered, or found suitable by the Commission shall comply with Business and Professions Code section 19882.

(4) If the denied applicant is a general or limited partner in a general or limited partnership licensed, registered, or found suitable by the Commission, the denied applicant shall resign as partner. If the denied applicant is an owner or holder of an interest in a limited partnership licensed, registered, or found suitable by the Commission, the denied applicant and the limited partnership shall comply with Business and Professions Code section 19892 and shall so notify the Commission in writing.

(5) If the denied applicant is a principal in a business entity not otherwise described above which is licensed, registered, or found suitable by the Commission, the denied applicant shall resign his or her position within that entity and divest whatever interest is held in that entity pursuant to the timelines and instructions specified in the decision, and shall so notify the Commission in writing. The business entity shall remove the denied applicant from any principal role in the business entity and shall so notify the Commission in writing.

(6) An applicant denied a license, permit, registration, or finding of suitability, or whose license, permit, registration, or finding of suitability has had conditions imposed upon it may request reconsideration by the Commission within 30 days of notice of the decision. The request shall be in writing and shall outline the reasons for the request, which must be based upon either newly discovered evidence or legal authorities that could not reasonably have been presented before the Commission's issuance of the decision or at the hearing on the matter, or upon other good cause for which the Commission in its discretion decides merits reconsideration. The Commission Chair may delegate to the Executive Director the authority to determine whether to place requests for reconsideration on the Commission agenda or to act on them at the Commission staff level. If placed on the Commission agenda, the applicant requesting reconsideration shall be notified of the date and time of the agenda item. The granting or denial of reconsideration

is at the discretion of the Commission. The Commission shall notify the applicant requesting reconsideration whether or not reconsideration is granted or denied within 30 days of the applicant's request. If the Commission grants reconsideration, the effective date of the decision shall be stayed or vacated, at the Commission's discretion, while the decision is reconsidered.

(d) An appeal of a denial or imposition of conditions by the Commission shall be subject to judicial review under Code of Civil Procedure section 1085 (pursuant to Business and Professions Code section 19870, subdivision (e)). Neither the right to petition for judicial review nor the time for filing the petition shall be affected by failure to seek reconsideration.

(e) Proceedings to revoke, suspend, or discipline a license, registration, permit, finding of suitability, or other approval shall be pursuant to Chapter 10 of these regulations.

Neither the primary owner nor its employees shall purchase, lease, or control such equipment. If there is no arrangement to reimburse the house for equipment, a statement to that effect shall be included.

(22) That the contract is a complete expression of all agreements and financial arrangements between the parties; that any addition to or modification of the contract, including any supplementary written or oral agreements, must be approved in advance by the Bureau pursuant to Section 12200.10B (Review and Approval of Amendments to Proposition Player Contracts) before the addition or modification takes effect.

(c)(1) Except as expressly authorized by this subsection, a proposition player contract shall not include any provision authorizing payment to or receipt by the house, or a designee thereof, of any share of the profits or revenues of a registrant or a licensee. Any payments made by a registrant or licensee to the house for a purpose determined by agreement with the house shall be specifically authorized by the proposition player contract. All payments shall be specified in the contract. The contract shall identify the total charge for each of the following categories: services, facilities, and advertising. In addition, the contract shall include a detailed list, excluding specific costs, of the items provided or received in each of these categories.

(2) In no event may a proposition player contract provide for any payment based on a percentage or fraction of the registrant's or licensee's gross profits or wagers made or the number of players. All payments shall be fixed and shall only be made for services and facilities requested by, and provided to, the registrant or licensee, and for a reasonable share of the cost of advertising with respect to gaming at the gambling establishment in which the registered or licensed owner participates.

(3) No contract provision shall authorize any payments for services or facilities that are substantially disproportionate to the value of the services or facilities provided. No contract shall include any charge, direct or indirect, for the value of an exclusive right to conduct proposition play within all or a portion of the gambling establishment. No payment other than the collection fee for play, shall be required for play at any table, including, without limitation, reservation of a seat.

(d) The proposition player contract shall not contain any provision that limits contact with officials or employees of the Commission or Bureau. The proposition player contract shall prohibit an owner or the house from retaliating against any registrant or licensee on account of contact with an official or employee of the Commission or Bureau or any other public official or agency.

(e) A proposition player contract shall be consistent with the provisions of Business and Professions Code section 19984, subdivision (a), prohibiting a gambling establishment or the house from having any interest, whether direct or indirect, in funds wagered, lost, or won. No proposition player contract shall be approved that would permit the house to bank any game in the gambling establishment.

(f) Each proposition player contract approved by the Bureau shall contain a provision authorizing the Commission, after receiving the findings and recommendation of the Bureau, to terminate the contract for any material violation of any term required by this section.

(g) A primary owner may contract with more than one gambling establishment at the same time; a gambling establishment may contract with more

than one primary owner at the same time. This subsection is not intended to prohibit a contract in which a gambling establishment and a primary owner agree that one primary owner shall be the exclusive provider of proposition player services to that gambling establishment.

The Bureau shall approve a proposition player contract only if all the following requirements have been satisfied:

(A) The contract is consistent with this regulation and the Act.

(B) The contract does not provide for controlled gambling that will be conducted in a manner that is inimical to the public health, safety, or welfare.

(C) The contract will not create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the conduct of controlled gambling or in the carrying on of the business and related financial arrangements.

(D) The contract will not undermine public trust that the controlled gambling operations covered by the contract will be conducted honestly, by reason of the existence or perception of any collusive arrangement between any party to the contract and the holder of a state gambling license, or otherwise.

(2) Prior to December 7, 2003, each primary owner providing proposition player services at a gambling establishment on the date that these regulations originally became effective (November 6, 2003) shall submit an Application for Contract Approval Provider of Proposition Player Services (BGC-APP-030 (Rev.12/11)), which is hereby incorporated by reference.

(4) The Bureau shall notify the applicant, in writing, within ten working days of receiving the application that the application or resubmitted application is complete or incomplete. If an application is incomplete, the Bureau shall request, in writing, any information, fees, or documentation needed to complete the application. Unless extended by the Bureau for further investigation up to 90 days or with the consent of the applicant, review and approval or disapproval of a proposition player contract shall be completed within 90 days of receiving a completed application and notice thereof shall be sent via United States mail to the applicant or the applicant's designee within ten (10) days of the Bureau's decision. Notice of disapproval of the contract or amendments shall specify the cause.

(b) An executed copy of the currently effective contract, and all amendment(s) thereto, and a copy of all Bureau notices that approved the contract and any amendment shall be maintained at the gambling establishment and shall be provided for review or copying upon request by any representative of the Commission or Bureau.

(c) In making the determination to grant or deny a request to reactivate a license pursuant to this section, the Commission shall consider, but is not limited to considering, the following:

§ 12349. Interim Licenses for Continued Operation Following Qualifying Events; Criteria; Processing Time; Conditions.

(a) For the purposes of this section, the following definitions apply:

(1) "Applicant" means a new owner of a gambling enterprise or individual in control of an ownership interest, who makes application to the Bureau for an interim gambling license pursuant to subsection (c).

(2) "Interim gambling license" means a license issued by the Commission which permits the interim operation of a gambling enterprise following a qualifying event, during which time the Bureau processes and the Commission considers an application for a regular gambling license from a new owner.

(3) "New owner" means an individual who is a trustee (other than a trustee in bankruptcy), beneficiary, successor in interest, or security interest holder who becomes an owner of, or obtains an ownership interest in a gambling enterprise as a result of a qualifying event.

(4) "Qualifying event" means an event, such as those specified in Business and Professions Code section 19841, subdivision (s), that results in a change in the ownership or in the control of the ownership interest of a gambling enterprise and prevents the gambling enterprise from conducting gambling operations because the new owner or individual in control does not hold a valid gambling license for that gambling enterprise, as required by Business and Professions

Code sections 19850, 19851, 19852 or 19855. A qualifying event does not include any planned or negotiated transaction where a current licensee retains the capacity and authority to continue gambling operations until approval of the transaction and issuance of any new gambling license by the Commission (e.g., a sale, the transfer of shares, incorporation, etc.).

(5) “Regular gambling license” means a gambling license issued by the Commission pursuant to Section 12342.

(b) Subject to the provisions of the Act, this division and Title 11, Division 3, of the California Code of Regulations, a gambling enterprise may continue gambling operations following a qualifying event only if an owner or a licensed person affiliated with the gambling enterprise has control of the gambling operations, the Commission is notified of the qualifying event within 10 calendar days of that event, and the new owner, or individual in control of the ownership interest, submits a request for an interim gambling license to the Bureau as provided in subsection (c). Gambling operations shall be immediately terminated if the Commission denies an applicant’s request for an interim gambling license, or approves an applicant’s request to withdraw that application, and no other person has applied for or been granted an interim or regular gambling license for that gambling enterprise.

(c)(1) In order to be considered for an interim gambling license, a new owner, or individual in control of the ownership interest, must submit all of the following within 30 calendar days of a qualifying event:

(A) All forms, fees, and deposits for a regular gambling license application required by Sections 12341, 12342, and Title 11, CCR, Section 2037;

(B) A signed written request for an interim gambling license that describes the qualifying event and identifies the person who will control and oversee gambling operations; and

(C) A copy of any document that evidences the succession to the owner-licensee’s interest in the gambling enterprise, which may include, as applicable, any of the following:

1. In the case of the death of an owner-licensee, a copy of the death certificate; or

2. In the case of the incapacity of an owner-licensee, a copy of any document that evidences the owner-licensee’s incapacity and the appointment of a conservator; or

3. In the case of insolvency, foreclosure or receivership of a gambling enterprise, a copy of any pertinent agreement, note, mortgage, lease, deed of trust, and any document, notice or order that evidences the insolvency, foreclosure or receivership.

(2) The time period for submission specified in paragraph (1) may be extended, at the discretion of the Commission or the Executive Director, if the

new owner, or individual in control of the ownership interest, is able to provide satisfactory evidence of any facts or circumstances that interfere with timely submission, including but not limited to, a lack of actual knowledge of the occurrence of the qualifying event, and that all appropriate and reasonable actions have been taken to overcome those impediments.

(d) A request for an interim gambling license shall be ancillary to and concurrent with an application for a regular gambling license. The application for a regular gambling license shall be processed in accordance with Section 12342. The request for an interim gambling license shall be processed as follows:

(1) The maximum time within which the Bureau shall notify the applicant in writing that a request for an interim gambling license is complete and accepted for filing, or that a request is deficient and identifying what specific additional information is required, is 10 calendar days after receipt of the request. If additional information is required, the Bureau shall allow the applicant 10 calendar days to submit the additional information. If the requested information is not supplied within 10 calendar days, the request for an interim gambling license shall be considered abandoned and no further action shall be taken on the request. A gambling enterprise shall immediately terminate gambling operations if a request for an interim gambling license is abandoned by the applicant and no other person has applied for or been granted an interim or regular gambling license for that gambling enterprise.

(2) Once the Bureau determines that a request for an interim gambling license is complete, the matter shall be set for consideration at a noticed Commission meeting. Pursuant to the provisions of the Act and this division, the Commission shall grant or deny the request for an interim gambling license within 60 calendar days after receipt of the request. A request for an interim gambling license shall be denied by the Commission if the applicant is disqualified for any reason set forth in section 19859 of the Business and Professions Code.

(e) All of the following criteria shall apply to a request for an interim gambling license:

(1) In the event a regular gambling license is issued to an applicant prior to action by the Commission on any related request for an interim gambling license, the request for an interim gambling license shall be deemed withdrawn and no further action shall be taken on that request.

(2) If a request for withdrawal of an application for a regular gambling license is submitted before the Bureau's recommendation is made regarding that application, any related request for an interim gambling license shall be deemed withdrawn and no further action shall be taken on that request.

(3) Denial of a request for an interim gambling license, or cancellation of an interim gambling license, shall not suspend or otherwise affect the processing and review of the related application for a regular gambling license.

(f) All of the following conditions shall apply to an interim gambling license granted by the Commission:

(1) Upon issuance or denial of a regular gambling license, any related interim gambling license shall become invalid.

(2) The term of an interim gambling license shall be determined by the Commission and shall be based in part on the time necessary to process and consider the application for a regular gambling license.

(3) Issuance of an interim gambling license does not prejudice or obligate the Commission to grant a regular gambling license. Issuance of a regular gambling license is subject to the results of a complete background investigation by the Bureau, the conduct of the applicant during the term of the interim gambling license, and final approval of the Commission pursuant to Sections 12342 and 12346.

(4) Issuance of an interim gambling license does not create a vested right in the holder to either an extension of the interim gambling license or the issuance of a regular gambling license.

(5) Issuance of an interim gambling license does not change the qualification, or disqualification, requirements for a regular gambling license under the Act or this division.

(6) The holder of an interim gambling license shall provide the Bureau with the name of any newly-appointed key employee within 30 days following the appointment of that key employee. Within 30 days of its occurrence, the holder of an interim gambling license shall also provide the Bureau with the name of any person who provides any service or property to the gambling enterprise under any arrangement whereby the person receives payment based on the earnings, profits or receipts of the gambling enterprise.

(7) The holder of an interim gambling license shall pay all applicable annual fees associated with a regular gambling license.

(8) The holder of an interim gambling license shall comply with the provisions of the Act, this division and Title 11, Division 3, of the California Code of Regulations.

(9) During the term of an interim gambling license, any proceeds derived from the operation of the gambling enterprise that would otherwise be payable to a new owner shall be held in an escrow account and not disbursed until the disposition of ownership interest has been resolved and received Commission approval and all owners of the gambling enterprise have been approved by the Commission for a regular gambling license pursuant to Section 12342. This paragraph shall not prevent the payment of any taxes, operating expenses, preexisting obligations, preexisting dependant support or any other distribution of proceeds that is approved by the Commission.

(10) The Commission, in its sole discretion and on an individual case-by-case basis, may impose any additional conditions necessary to address particular factual situations related to a request for an interim gambling license.

(g) If, as a result of a qualifying event, a new owner intends to sell his or her interest in the gambling enterprise without first obtaining an interim or regular gambling license, he or she shall provide written notification to the Bureau of that intent within 30 calendar days of that qualifying event.

(h) If, during the term of an interim gambling license, the Executive Director determines that the holder of that license is disqualified for any of the reasons set forth in Business and Professions Code section 19859, or may have violated one or more of the conditions under which the interim gambling license was issued, the Executive Director shall prepare and serve on the license holder an order to show cause as to why the interim gambling license should not be cancelled. The holder of the interim gambling license shall be given 30 days to respond in writing. After receipt of the license holder's response, or if the license holder fails to respond within the specified time, the matter shall be set for consideration at a noticed Commission meeting. The interim license holder may address the Commission by way of an oral or written statement, or both, at the Commission meeting. If the Commission acts to cancel the interim gambling license, the license holder may request an evidentiary hearing, in writing, either at that meeting or within 10 calendar days following that meeting. Any evidentiary hearing shall be conducted in accordance with the applicable provisions of subsection (b) of Section 12050 of this division.

(i) This section shall not preclude the Commission from issuing temporary licenses pursuant to Business and Professions Code section 19824, subdivision (f).

(b) An application for a key employee license may be denied if:

(1) The Commission finds that an applicant has attempted to communicate or has communicated ex parte, as that term is defined in Business and Professions Code section 19872, subdivision (e), with one or more Commissioners, through direct or indirect means, regarding the merits of the application while the application is pending disposition at the Bureau or the Commission.

(3) The gambling establishment's state gambling license is suspended or contains conditions precluding the approval of a temporary increase in the number of tables.

(4) The gambling establishment has outstanding fees, deposits, fines, or penalties owing to the Commission or to the Bureau.

(c) The Commission may deny the application if the application as submitted was untimely or incomplete.

(d) A request by an applicant to withdraw the application shall result in the application being considered abandoned, and the fees for the additional tables and unused deposit amounts returned, with no further action to be taken by the Commission or Bureau.

(e) The Bureau shall complete its review of the application and submit its findings to the Commission within 25 days of receipt of the application. The Commission shall either approve or deny the request within 13 days of receiving the Bureau's findings and notify the applicant, in writing, of its decision. § 12362. Statewide Involuntary Exclusion List.

(a) A licensee may remove a person from the gambling establishment pursuant to Business and Professions Code section 19801, subdivision (i), or Business and Professions Code section 19845. A gambling establishment may also have an internal removal list to bar certain individuals from entering the specific gambling establishment only.

(b) A licensee or government official (such as law enforcement, or agents of the California Horse Racing Board, Bureau, or Commission) (“requestor”) may submit, on form CGCC-12362 (Rev. 05/11) “Request for Statewide Involuntary Exclusion of an Individual,” which is attached in Appendix A to this chapter, a request to exclude an individual from all California gambling establishments based upon the reasons listed in Business and Professions Code section 19844 or 19845, subdivision (a)(7). Such request shall have the protections afforded under Business and Professions Code section 19846, subdivision (a).

(c) Removal of an individual from a specific gambling establishment, as described in subsection (a) above, or statewide exclusion, pursuant to the request described in subsection (b) above, shall not be based upon the sex, race, color, religion, ancestry, national origin, marital status, sexual orientation, medical condition, or disability of the individual, with the exception that a problem or pathological gambler may be excluded pursuant to Article 6 of these regulations (commencing with section 12460) or involuntarily excluded pursuant to this section.

(d) Upon receipt of a request by a licensee or governmental official for statewide involuntary exclusion of an individual, the Executive Director shall review the reason for exclusion. If there appears to be good cause to place an individual on the statewide involuntary exclusion list, the Executive Director shall cause a notice of exclusion to issue to the individual. Such notice shall state the grounds for exclusion and may be served by personal service, by certified mail at the last known address of the individual, or by publication daily for 1 week in a newspaper of general circulation in the vicinity of the requestor. The exclusion shall be effective upon perfection of notice and shall remain in effect until the individual is removed from the list by Commission decision.

(e) An individual may contest the Commission’s notice of exclusion by requesting a hearing from the Commission. Such hearing may be pursuant to Business and Professions Code section 19871 or pursuant to Government Code

section 11500 et seq., as determined by the Executive Director. Such hearing shall occur within 60 days of the request for hearing, unless the time of the hearing is changed by agreement of the Commission and the individual requesting the hearing.

(f) If the individual fails to appear at the time and place set for hearing, and the individual does not contact the Commission within 24 hours to give good cause why the hearing should be reset, a default decision shall issue affirming the exclusion.

(g) At the hearing, the individual may appear in person and/or be represented by counsel at the individual's own expense and present relevant testimony or documentary evidence. If a governmental agency requested that the individual be placed on the statewide involuntary exclusion list, the governmental agency may appear. If a licensee requested that the individual be placed on the statewide involuntary exclusion list, then the licensee or designated agent may appear.

(h) The standard of proof shall be preponderance of the evidence that the individual poses a threat either to the public, gambling enterprise employees, or the gambling industry, or should be excluded pursuant to Business and Professions Code section 19844 or 19845, subdivision (a)(7). The burden of proof shall be on the Commission staff. Evidence of exclusion or discipline by another gaming jurisdiction based upon the factors described in Business and Professions Code section 19844 or 19845, subdivision (a)(7) may be introduced.

(i) The final decision in the matter shall be in writing, shall state any term-length for the exclusion if other than lifetime, shall be sent by certified mail or personal service to the individual and the governmental agency or gambling establishment which requested the individual be placed on the statewide involuntary exclusion list, and shall be effective immediately.

(j) If the individual requested a hearing after the Commission's notice of exclusion and was given a final decision in the matter that affirmed the exclusion, that individual shall not petition the Commission to be removed from the statewide involuntary exclusion list for a minimum of one year after the date of the final decision.

(k) Petitions to be removed from the statewide involuntary exclusion list shall be in writing, directed to the Executive Director, and sent to the Commission at 2399 Gateway Oaks Drive, Suite 220, Sacramento, CA 95833. Petitioners should clearly state the circumstances of the ejection or exclusion, any new evidence which is material and necessary, including evidence that circumstances have changed since placement on the statewide involuntary exclusion list, and why they do not pose a threat to the public, gambling enterprise employees, the gambling industry, or should otherwise not be excluded pursuant to Business and Professions Code section 19844 or 19845, subdivision (a)(7). This statement shall be signed under penalty of perjury under the laws of the State of California.

The Executive Director may summarily deny the petition without prejudice due to lack of compliance with this subsection. If not summarily denied, the Executive Director shall provide notice and opportunity to comment to the requestor. After review of the requestor's comments, the Executive Director, may notify the Bureau to remove the individual from the statewide involuntary exclusion list, or may set the matter for hearing pursuant to Business and Professions Code section 19871 or pursuant to Government Code section 11500 et seq., as determined by the Executive Director.

(l) The Executive Director may order an individual removed from the list after verified information is received that the individual is deceased and shall so notify the Bureau.

(m) If the Commission determines that an individual should be removed from the statewide involuntary exclusion list, the Commission's decision shall include an order removing the individual's name from the list, and shall so notify the Bureau. The Bureau shall amend the exclusion database and send notification to all gambling establishments and to the requestor.

(n) Judicial review of the Commission's decision shall be in accordance with Code of Civil Procedure, section 1094.5.

(o) The statewide involuntary exclusion list shall be maintained by the Bureau, sent or made available to all gambling establishments, and may be shared with law enforcement personnel of any jurisdiction.

(p) Licensees shall implement policies and procedures designed to thwart excluded persons, as noticed by the Bureau, from entering the gambling establishment, ejection or removal procedures of any patrons once recognized as being a known excluded person, and notification to the Bureau of any incidents of attempted entry, entry, or removals of known excluded persons. This regulation does not require a licensee's policies and procedures to include patrons providing proof of identification before entering the gambling establishment. This regulation does not require the gambling establishment to use physical force in ejecting or removing an excluded person.

(q) The Commission may discipline a licensee that knowingly fails to take prompt, reasonable action to eject or exclude an individual listed on the statewide involuntary exclusion list, or fails to notify the Bureau of any entries or attempts to enter by an excluded person, pursuant to Chapter 10 of these regulations.

(r) This regulation does not create any right or cause of action against a gambling establishment, government official (such as law enforcement, or agents of the California Horse Racing Board, Bureau, or Commission) by an excluded person or abrogate the existing statutory privileges and immunities of a licensee or requestor, or limit or expand the provisions of Business and Professions Code section 19846.

§ 12364. Relocation of Gambling Establishment.

(a) For purposes of this section:

(1) “Neighboring jurisdiction” means any other adjoining jurisdiction whose common boundary line with the governing local jurisdiction is 1,000 feet or less from the proposed new location of the gambling establishment.

(2) “Relocation” means the physical relocation of a gambling establishment, including the buildings, grounds and parking lots, from one site consisting of one or more contiguous parcels to another site, consisting entirely of different parcels. Relocation does not include the addition of new, contiguous parcels to the current site or modification of existing buildings.

(b) An owner-licensee shall notify the Bureau of a planned relocation of a gambling establishment at least 90 days in advance of the intended commencement of gambling operations at the new location on the form entitled “Notice of Relocation,” CGCC-050 (New 06/12), which is attached in Appendix A to this Chapter. A draft floor plan of the proposed gambling establishment depicting, at a minimum, the location of the main cage, the count room, the surveillance room, and the gaming area(s) shall accompany the notice to the Bureau.

(1) If the new location is more than 1,000 feet from any boundary line of its governing local jurisdiction, the owner-licensee shall submit to the Bureau all of the following information and documents, of which the information and documents specified in subparagraphs (A) through (C), inclusive, are to be submitted no later than 30 days prior to the Bureau’s site visit conducted pursuant to subsection (d):

(A) A copy of the licensee’s fully executed rental or lease agreement for, or evidence of the licensee’s ownership of, the proposed new location.

(B) A copy of the licensee’s fire safety and evacuation plan for the proposed new location, prepared in compliance with Section 12370.

(C) A copy of the licensee’s security and surveillance plan for the proposed new location, prepared in compliance with Section 12372.

(D) Documentary evidence of the issuance to the licensee of all required approvals, licenses and permits by any applicable local jurisdictional entity concerning the new location; e.g., business licenses, occupancy permits, conditional use permits, zoning variances, local gaming licenses, etc. These documents, if available, shall be submitted at the same time as the documents specified in subparagraphs (A) through (C), inclusive, or, if not available, shall be submitted upon availability and prior to the commencement of gambling operations.

(E) Documentary evidence of the issuance to the licensee of all required approvals, licenses and permits, other than those specifically relating to gambling operations, by any applicable state or federal agency concerning the new location; e.g., liquor licenses, check cashing permits, etc. These documents are not required to be submitted prior to the commencement of gambling operations or the Bureau's site visit pursuant to subsection (d), but must be submitted to the Bureau prior to the commencement of the associated activity.

(2)(A) If the new location is 1,000 feet or less from any boundary line of its governing local jurisdiction, the owner-licensee shall, in addition to the documentation required by paragraph (1), and prior to the commencement of gambling operations, submit documentation from the appropriate agency or department in the neighboring jurisdiction confirming that the agency or department has no objection to the planned location of the gambling establishment.

(B) As an alternative to obtaining advance confirmation, the licensee may submit to the appropriate agency or department in the neighboring jurisdiction, a copy of its Notice of Relocation concurrent with the submission to the Bureau. The licensee shall provide the Bureau with proof of submission of the notice to the neighboring jurisdiction. The copy of the notice submitted to a neighboring jurisdiction shall be accompanied by a written statement from the licensee which, at a minimum, shall include the following information:

“The appropriate agency or department of [name of neighboring jurisdiction] may submit objections to the proposed relocation of [name of gambling establishment] to the Bureau of Gambling Control, at Post Office Box 168024, Sacramento, CA 95816-8024. Any objections to the proposed location must be received by the Bureau within 45 days of the date of this notice and must be based upon evidence of probable negative effects resulting from the gambling establishment's relocation or proof that the legitimate interests of residents in the neighboring jurisdiction are threatened.”

(C) This paragraph does not apply to a gambling establishment that is all of the following:

1. Already located 1,000 feet or less from any boundary line;
2. After the relocation, it will continue to be within 1,000 feet of same neighboring jurisdiction;
3. Any reduction in distance is less than half of the current distance from the same boundary line; and,
4. Any distance moved parallel to the boundary line is less than half of the current distance from the same boundary line.

(c)(1) If an owner-licensee does not provide documentation from a neighboring jurisdiction as provided in subparagraph (A) of paragraph (2) of subsection (b), and the Bureau receives objections to the relocation from a

neighboring jurisdiction, the gambling establishment shall not be relocated without Commission review. The Bureau shall forward the relocation notice to the Commission within 10 days of receipt by the Bureau of objections from any neighboring jurisdiction for placement on a Commission agenda for consideration. The Commission shall notify the objecting neighboring jurisdiction, the Bureau, and the licensee of the time and place of the Commission hearing at least 10 days prior to the hearing in order for all parties to have the opportunity to attend and be heard.

(2) If an owner-licensee obtains documentation from a neighboring jurisdiction as provided in paragraph (2) of subsection (b), or if the Bureau does not receive timely objections to the relocation from a neighboring jurisdiction, no Commission review shall be required and the Bureau may proceed as if paragraph (2) of subsection (b) did not apply.

(d)(1) The Bureau shall schedule and conduct a site visit prior to the intended commencement of gambling operations as indicated in subsection (b). A written report of the findings of the site visit shall be provided to the Commission, as well as any follow-up reports. The Bureau's site visit report shall include determinations regarding compliance with, at a minimum, the following internal control requirements of Article 3 of Chapter 7:

- (A) Drop and drop collection, pursuant to Section 12384;
- (B) Count and count room functions, pursuant to Section 12385;
- (C) Cage functions, pursuant to Section 12386;
- (D) Security, pursuant to Section 12395; and,
- (E) Surveillance, pursuant to Section 12396.

(2) If the Bureau notes any deficiency in compliance with laws or regulations, including, but not limited to, a deficiency in the internal controls listed in paragraph (1), it shall issue a notice to the owner-licensee to correct the deficiency. The notice shall describe each deficiency and specify a reasonable time in which the deficiency is to be corrected. The commencement of gambling operations shall not be delayed unless the deficiency prevents substantial compliance with laws or regulations and materially threatens public safety or the integrity of the gambling operation, and the deficiency cannot be corrected or mitigated within a reasonable time. Failure to correct or otherwise mitigate the deficiency may be considered during the license renewal process and may result in disciplinary action under Chapter 10 of this division.

(e) No gambling operations may be conducted at any new location until the provisions of subsections (b) and, if applicable, (c), have been complied with.

(f) If any gambling operations are conducted in violation of subsection (e), the owner-licensee and each endorsed owner shall be subject to disciplinary action under Chapter 10 of this division. For the purposes of this subsection, each day or portion thereof, whether consecutive or not, during which any gambling

operations are conducted in violation of subsection (e) shall constitute a separate violation.

(g) Failure to timely provide notice to the Bureau as required by subsection (b) shall constitute a ground for disciplinary action under Chapter 10 of this division.

Note: Authority cited: Section 19811, 19823, 19824, 19840, 19841, 19853(a)(3), 19860, 19862 and 19864, Business and Professions Code. Reference: Sections 19811, 19824, 19826, 19860, 19862 and 19868, Business and Professions Code.

ARTICLE 2. EMERGENCY PREPAREDNESS, SECURITY AND SURVEILLANCE PLANS.

§ 12370. Emergency Planning and Preparedness.

(a) As required by California Code of Regulations Title 24, Part 9, Chapter 4 (commencing with Section 401), and Title 19, Section 3.09, a gambling establishment shall prepare and maintain a fire safety and evacuation plan, conduct emergency evacuation drills and conduct employee training on the content of their fire safety and evacuation plan. Fire safety and evacuation plans, emergency evacuation drills and employee training procedures adopted pursuant to this section shall comply with, as applicable, California Code of Regulations Title 24, Part 9, Chapter 4 (commencing with Section 401) and Title 19, Section 3.09, or those standards adopted by local ordinance pursuant to Health and Safety Code section 13143.5.

(b) Each applicant as an owner-licensee under Chapter 6 of this Division shall submit to the Bureau one copy of a current fire safety and evacuation plan, pursuant to this section, together with those application documents required by Section 12342.

(c) Each licensee shall submit one copy of its current fire safety and evacuation plan, pursuant to this section, with the first biennial license renewal application submitted after the effective date of this section, and with every second renewal application submitted thereafter.

(d) If a licensee's fire safety and evacuation plan is revised as a result of the addition of permanent tables, or as a result of any change to the physical premises which alters the locations of phones, fire extinguishers, manual fire alarm pull stations or exits, or which alters evacuation routes or procedures, the licensee shall submit one copy of its revised fire safety and evacuation plan with the first biennial license renewal application submitted immediately following any revision, and, subsection (c) notwithstanding, with every second renewal application submitted thereafter.

(e) Each fire safety and evacuation plan submitted to the Bureau pursuant to this Section shall include the following documentation, as applicable:

(1) If the responsible local authority provides reviews, the licensee shall send to the Bureau documentation showing that the local authority approved the fire safety and evacuation plan, pursuant to Health and Safety Code section 13143.5 and California Code of Regulations Title 24, Part 9, Chapter 1, Section 111.2.1.1. Health and Safety Code section 13143.5, subdivision (f), paragraph (2), provides that any fee charged pursuant to the enforcement authority of subdivision (f) shall not exceed the estimated reasonable cost of providing the service for which the fee is charged.

(2) If the responsible local authority does not provide reviews, the licensee shall send the fire safety and evacuation plan to the State Fire Marshal, and shall send to the Bureau documentation showing that the State Fire Marshal has approved the fire safety and evacuation plan.

(f) Failure by a licensee to develop and implement a fire safety and evacuation plan, conduct emergency evacuation drills or conduct employee training on the content of its fire safety and evacuation plan pursuant to this section, constitutes an unsuitable method of operation and also may result in denial of an application for license renewal, pursuant to Section 12348, or in the suspension or revocation of its existing license, pursuant to Chapter 10 of this division.

(g) In addition to any other remedy under the Act or this division, the Commission may assess a civil penalty of at least \$500 but not more than \$5000 for each violation of this section.

Note: Authority cited: Sections 19811, 19824 and 19840, Business and Professions Code.
Reference: Sections 19801, 19823, 19841, 19860, 19920 and 19924, Business and Professions Code.

§ 12372. Security and Surveillance Plan.

(a) No later than December 1, 2011, each gambling establishment in Tier I and Tier II, as provided in subsection (b) of Section 12380, shall develop and implement a written security and surveillance plan for the gambling establishment that includes, but is not limited to, provisions for the following:

(1) Close monitoring and control of all controlled gambling and gaming activity;

(2) Close monitoring and control of access to restricted areas of the gambling establishment that include, but are not limited to, cages, count rooms, vaults, security offices and surveillance rooms;

(3) Surveillance procedures, including video recording requirements, as applicable;

(4) Lighting in and around the gambling establishment;

(5) Specific conditions, procedures and instructions for reporting suspected criminal incidents or activity to state and local law enforcement agencies;

(6) Procedures for securing or protecting persons, property, assets and records.

(b) No later than December 1, 2011, each gambling establishment in Tiers III through and including V, as provided in subsection (b) of Section 12380, shall develop and implement a security and surveillance plan for the gambling establishment that, in addition to the requirements of subsection (a), includes, but is not limited to, provisions for the following:

(1) A listing of the names and job titles of the employees who are responsible for making decisions that involve the security of patrons, patrons' property, employees, employees' property, and the gambling establishment's property, cash or equivalent assets and records;

(2) The presence and duties of uniformed security personnel;

(3) Surveillance procedures, including video recording and monitoring requirements, as applicable;

(4) Specific conditions, procedures and instructions for stopping controlled gambling and gaming activities; and

(5) Specific employee training schedules that relate to the gambling establishment's security and surveillance plan.

(c)(1) Each security and surveillance plan shall identify and comply with all state and local requirements and shall implement all applicable provisions of Article 3 of this chapter. Each licensee shall submit, pursuant to paragraph (2), (3) or (4), as an attachment to its security and surveillance plan, copies of identified, applicable local ordinances and any locally-issued certificate of compliance with those ordinances.

(2) Each applicant as an owner-licensee under Chapter 6 of this Division shall submit to the Bureau one copy of a current security and surveillance plan, pursuant to this section, together with those application documents required by Section 12342.

(3) Each licensee shall submit to the Bureau one copy of its current security and surveillance plan with the first biennial license renewal application that is submitted eighteen months after the effective date of this section, and with every second renewal application submitted thereafter.

(4) If a licensee's security and surveillance plan is revised as a result of the addition of permanent tables, or as a result of any change to the physical premises which alters the locations or configurations of any restricted areas of the gambling establishment, or which alters or affects any security or surveillance capabilities or procedures, the licensee shall submit one copy of its revised security and surveillance plan with the first biennial license renewal application submitted immediately following any revision to its security and surveillance plan, and, paragraph (3) notwithstanding, with every second renewal application submitted thereafter.

(5) If the responsible local authority provides reviews of security or surveillance plans, the licensee shall send documentation of the areas reviewed by

the responsible local authority and whether or not the responsible local authority approved those areas of the security and surveillance plan under the responsible local authority's jurisdiction.

(d) The Bureau shall review the licensee's security and surveillance plan, including those provisions under the responsible local authority's jurisdiction, whether reviewed by the local authority or not, and those provisions not under the responsible local authority's jurisdiction. If the Bureau determines that the licensee's security and surveillance plan does not address the elements set forth in this section, then the Bureau may issue a determination identifying the deficiencies and specifying a time certain within which those deficiencies shall be cured.

(e)(1) Each licensee shall, at least annually, provide for a review of the requirements of the security and surveillance plan with those employees that have been assigned duties under the plan, ensuring that each employee has a general understanding of the provisions of the plan applicable to his or her position and understands his or her specific duties under the plan. This annual review shall be documented, including a signature from each employee indicating that they have participated in the review and a signature from the person who provided the review.

(2) When a new employee begins work, the licensee, or the licensee's designate, shall review the requirements of the security and surveillance plan with the new employee, ensuring that each new employee has a general understanding of the provisions of the plan applicable to his or her position and understands his or her specific duties under the plan. This initial review shall be documented as provided in paragraph (1).

(f) Failure by a licensee to develop and implement a security and surveillance plan, or to cure a deficiency identified pursuant to subsection (d), constitutes an unsuitable method of operation and also may result in denial of an application for license renewal pursuant to Section 12348, or in the suspension or revocation of its existing license pursuant to Chapter 10 of this division.

(g) In addition to any other remedy under the Act or this division, the Commission may assess a civil penalty of at least \$500 but no more than \$5000 for each violation of this section.

A licensee must meet or exceed these requirements in controlling their gambling operation.

(b) The purposes of the MICS are to better ensure the maintenance of accurate records, the recording of all income, the safeguarding of assets and records of the gambling establishment, operational efficiency and integrity, and adherence to prescribed policies and procedures.

(a) The policies and procedures for all Tiers shall meet or exceed the following standards for the drop and collection of the drop for non-electronic gambling tables:

(1) Drop collection fees shall be deposited into a secure container, known as a "drop box," that shall be securely attached to the gambling table. A drop box shall be constructed and controlled in a manner to provide for the security of its contents.

(2) If a jackpot or any other player-funded gaming activity is offered, jackpot collections shall be deposited into a separate drop box, or otherwise segregated, and accounted for separately.

(3) Drop boxes shall have all of the following:

(A) A lock securing the contents.

(B) A separate lock securing the drop box to the gambling table. This lock shall be keyed differently from the lock securing the contents of the drop box.

(C) An individual identifier that corresponds to the gambling table to which the drop box is attached and the shift, if applicable, for which it is used, and that can be documented when the box is removed from the table. Visible drop box identifiers shall be imprinted or impressed on the box and capable of being seen and read in video surveillance recordings, either while attached to the table or when removed from the table and immediately displayed to a surveillance camera. If a bar code or an equivalent system is used, in addition to the imprinted or impressed identifiers, it shall have the capability to identify each drop box by shift and table, the person or persons performing the collection, and the date and time of the collection.

(D) An opening through which chips collected for fees shall be inserted.

(4) An emergency, interim, or temporary drop box may be maintained without a number or marking, if the applicable designation is permanently imprinted or impressed thereon and, when put into use, it is temporarily marked as provided in subparagraph (C) of paragraph (3) above.

(5) A drop box, when removed from a gambling table, whether in use or not, shall be afforded security sufficient to protect the drop box and its contents and shall be stored in a secure area while awaiting the count.

(6) A drop box, when not in use during a shift, may be stored on a gambling table.

(7) The licensee shall establish and schedule the time(s) for the collection of drop boxes and shall ensure that the entire drop collection process is recorded by video surveillance. Except as otherwise provided in subsection (c), the drop box collection may be performed more frequently or less frequently than the time(s) scheduled by the licensee when circumstances warrant a reasonable deviation from the established schedule.

(8) The drop collection shall be performed by at least one licensed or permitted individual.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III through and including V shall include the following standards for drop collection:

(1) All drop boxes, whether in use or not, shall be removed from the gambling table as provided in subsection (a) by at least one employee of the gambling establishment who holds a valid license or work permit, accompanied by at least one member of the security department or its equivalent. The employee of the gambling establishment shall not be a member of the security department or its equivalent.

(2) Notwithstanding the provisions of paragraph (1) of this subsection, or any other provision of this article related to the designation of employees to perform the drop collection, a Tier III licensee that does not directly employ security personnel may have the drop collection performed by at least two employees of the gambling establishment who hold a valid license or work permit and who are each assigned to a different department.

(3) The names of the individuals performing the drop collection shall be documented either by software or in writing and, when documented in writing, those individuals who performed the collection shall legibly print their names and sign the documentation.

(4) A drop box, when not in use during a shift, may be stored on a gambling table if the entire area is covered by recorded video surveillance during that period of time.

(a) The policies and procedures for all Tiers shall meet or exceed the following standards for count room functions:

(2) The licensee shall designate an individual or individuals, each holding a valid gambling license or work permit, who shall be responsible for performing the drop count. The opening, counting and recording of the contents of a drop box shall be performed in the presence of and by the designated individual(s).

2. The date and time of the count;
3. The shift, individual box number and table number of each box counted;

4. The amount in each individual box;

6. The printed or recorded name(s) of the individual(s) conducting the count and, if a hard copy record, the signature(s) of the individual(s).

(B) Corrections to the information initially recorded for the drop count prior to the completion and signing of a hard copy daily count sheet shall be permitted. Corrections shall be made by drawing a single line through the error and writing the correct figures above the original figures or by another method approved by the Bureau. The designated individual making the correction shall write his or her initials and the date, in ink, immediately next to the correct figures. The correction, in a hard copy of a daily count sheet, of errors discovered subsequent to the completion and signing by the designated individual(s) shall require the completion of a revised or amended count sheet, which shall be maintained with the original count sheet.

(4) The entire count process, beginning with the opening of the first drop box and continuing through completion of the count sheet, shall be continuously recorded by video surveillance.

(5) The contents of a drop box shall not be mixed or commingled with the contents of any other drop box prior to the counting and recording of its contents.

(6) A drop box shall be emptied in a manner that will identify and record the box identification, as specified in Section 12384, subsection (a), paragraph (3), subparagraph (C), and paragraph (4), and so that video surveillance recording will document that all contents are removed from the drop box for the count.

(b)(1) In addition to the requirements of subsection (a), the policies and procedures for Tiers II through and including V shall include standards for count room functions that require the use and maintenance of a secured area known as the count room for the counting of gambling chips, which shall:

(A) Be designed and constructed to provide appropriate security for the materials housed therein and for the activities conducted therein;

(B) Not be used as a storage facility for items or materials not directly associated with the count process or cage functions, nor have any removable containers other than drop boxes that could be used to conceal chips or cash.

(2) If the count room is used to store chips, cash, drop boxes or any other items or materials that are directly associated with the count, the interior of the room and all of its contents shall be under constant recorded video surveillance.

(c) In addition to the requirements of subsection (a) and (b), the policies and procedures for Tiers III through and including V shall include the following standards for count room functions:

(1) The number of individuals designated by the licensee, pursuant to paragraph (2) of subsection (a), to perform the drop count shall not be less than two individuals, or one individual using an automated chip counting machine that

counts, sorts and racks the chips, and records the count electronically on the licensee's computer system.

(2) The designated individuals performing the count shall be attired so as to reduce their ability to conceal chips on their person; for example, by wearing, over their regular clothing, smocks or other clothing with no pockets.

(3) At the conclusion of the count, a cage or vault cashier or at least the equivalent shall count the chips received and verify the accuracy of the count and count sheets.

(4) Count sheets verified pursuant to paragraph (3) above shall, immediately following verification, be remitted to the accounting department or its equivalent, or deposited in a locked box, located in a secure area of the gambling establishment, the contents of which are accessible only by the accounting department or its equivalent. Count sheets shall be maintained and controlled by the accounting department or its equivalent.

(d) In addition to the requirements of subsections (a) through and including (c), the policies and procedures for Tiers IV and V shall include the following standards for count room functions:

(1) The count room shall be a fully enclosed room that is separate and apart from all other rooms in the gambling establishment and is equipped with an alarm system or device connected to all entrances to the count room which causes a signaling to the surveillance unit or its equivalent, whenever any door to the count room is opened.

(2) Immediately prior to the commencement of the count, one of the designated individuals shall notify the surveillance unit, or its equivalent, that the count is about to begin. At least one employee of the gambling establishment who holds a valid license or work permit shall be designated to video monitor the count process and the entire count process shall be continuously recorded by video surveillance.

(3) Immediately prior to the opening of a drop box, the door to the count room shall be secured. Except as otherwise authorized by the licensee's policies and procedures, no person shall be permitted to enter or leave the count room, except during a normal work break or in an emergency, until the entire counting, recording, and verification process is completed.

(e) In addition to the requirements of subsections (a) through and including (d), the policies and procedures for Tier V shall include standards for count room functions that require the drop count to be performed by not less than three individuals designated by the licensee pursuant to paragraph (2) of subsection (a), or two individuals using an automated chip counting machine that counts, sorts and racks the chips, and records the count electronically on the licensee's computer system.

(f) Licensees shall establish and implement the applicable standards for count and count room functions specified in subsections (a) through and including (e) no later than April 1, 2010.

(2) The licensee shall assign at least one gambling enterprise employee to process monetary transactions at a cage. The titles, classifications, or positions of all employees assigned to process monetary transactions at a cage shall be listed on the gambling enterprise's organizational chart. The assigned employees' duties may include any or all of the following:

(3) Routine access and entry into a cage, or an area designated as a cage pursuant to paragraph (1) of this subsection, shall be limited to on-duty cage personnel assigned pursuant to paragraph (2) of this subsection. Other employees

of the gambling enterprise who hold a valid gambling license, key employee license, or work permit may be granted access to a cage or cage area for the purpose of performing their duties.

(4) A log shall be maintained, either in writing or electronically, to document entry into a cage by any person not authorized access pursuant to paragraphs (2) and (3) of this subsection. The log must contain the person's name, title, date of entry, and time entering and exiting; or provide substantially equivalent information through an automated access control system. Any automated access control system must provide a secure, tamperproof means of recording and maintaining entry and exit information.

(5)(A) Cage and cashiers' banks shall be reconciled after each shift by the incoming and outgoing assigned cage employees. If an imprest is used, each outgoing cage employee responsible for an imprest shall balance his or her imprest to the imprest amount. The recordable cage transactions and reconciliations shall be posted and reconciled to the general ledger at least monthly.

Licensees shall not permit proposition player services providers to purchase or redeem gambling chips for cash or cash equivalents from a patron or to sell gambling chips to a patron. For the purposes of this article, the sale, purchase or redemption of gambling chips shall not include the exchange of a chip or chips of one total value for a chip or chips of an equal total value.

(7) If a licensee operates more than one cage at any time during any shift, all cages, irrespective of their designations (e.g., main cage, satellite cage, auxiliary cage, supplementary cage, secondary cage, back up cage, support cage, etc.), shall

be subject to and comply with all provisions of this article applicable to the operation and functions of cages for the licensee's tier.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III through and including V shall require that the cage and cashiers' banks reconciliations specified in paragraph (5) of subsection (a) be posted and reconciled to the general ledger by someone other than an assigned cage employee or cage supervisor.

(3) The licensee shall maintain a record, either in writing or electronically, of the names or classifications of all persons assigned pursuant to paragraph (2) of subsection (a) as being authorized to access or enter a cage, which record shall specify those persons who possess the combination or the keys or who control the mechanism to open the devices securing the entrance to a cage, and those who possess the ability to operate the alarm system. The record shall be updated each time an assignment is added or deleted.

(d) In addition to the requirements of subsections (a), (b) and (c), the policies and procedures for Tier V shall include standards for a cage that require monitored and recorded video surveillance of the interior of the cage and all of its contents, and the exterior of all access doors in accordance with the applicable provisions of Section 12396.

(1) When kept, held, or stored in any public area of the gambling establishment, a floor bank shall be secured in a receptacle, drawer, or compartment with a locking mechanism securing the contents. The receptacle, drawer, or compartment shall remain locked at all times, except when being accessed by assigned gambling enterprise employees in the performance of their duties. If a keyed lock or locking mechanism is used, the key shall not be left in the lock when the drawer or compartment is not being accessed. All keys, combinations, and access codes shall be subject to the applicable key security and control provisions of Section 12395.

(2) The lock or locking mechanism of each receptacle containing a floor bank, shall be keyed differently from the lock or locking mechanism of any other receptacle, drawer, or compartment of any furnishing, fixture, cabinet, appurtenance, or device (hereafter cabinet) in the gambling establishment, except in the following circumstances:

(A) When a single assigned gambling enterprise employee requires access to multiple receptacles in the performance of his or her duties; that access is limited solely to that employee during his or her assigned shift; and each of the receptacles contains a floor bank, those receptacles may have a key, combination, or access code in common with each other.

(B) Managers and supervisors whose duties include the supervision or oversight of employees who utilize and have access to floor banks in the performance of their assigned duties, may have a master or duplicate key that will open some or all of the locking mechanisms for the receptacles containing a floor bank to which any of their subordinate employees have access.

(3) Any cabinet having a drawer, compartment, or receptacle containing or intended to contain a floor bank shall be located so that it is clearly visible for security and surveillance purposes. The cabinet shall be kept under continuous recorded video surveillance, in accordance with the applicable provisions of Section 12396. The camera coverage shall be adequate to enable monitoring and recording of the contents of any drawer when open, to the extent reasonably possible, and of all activities involving the floor bank. If a mobile cabinet is used,

it shall be kept at a fixed secure location under continuous recorded video surveillance when not being actively used on the gambling floor.

(4) No gambling equipment, documents, supplies, or other materials that are not directly related to a floor bank shall be commingled with or kept in the same receptacle with a floor bank. (5) Each floor bank shall be individually balanced not less than daily and the imprest amount verified. Any shortages or overages shall be documented in an exception report and included in the appropriate cage bank reconciliation.

(6) The licensee shall establish a maximum imprest amount that may be assigned to each floor bank based on a reasonable estimate of the amount necessary for the activities associated with the bank during any shift. The maximum imprest amount that may be assigned to a floor bank in a mobile cabinet shall not exceed \$30,000 at any time.

(7) The licensee's policies and procedures shall include specific provisions governing the sale or distribution of gambling chips and the disbursement of cash to patrons from a floor bank by the assigned gambling enterprise employee. The redemption of chips by a patron from a floor bank shall not exceed a total of \$500, except when that floor bank is being temporarily operated as a cage and all applicable provisions of Section 12386 are complied with. No chip redemptions may be transacted at any time from a floor bank in a mobile cabinet.

(b) The policies and procedures for all tiers shall meet or exceed the following standards for the security of gambling equipment and confidential documents:

The locking mechanism shall remain locked at all times, except when being accessed by an authorized gambling enterprise employee in the performance of his or her duties. If a keyed lock or locking mechanism is used, the key shall not be left in the lock when the receptacle is not being accessed. All keys, combinations, and access codes shall be subject to the applicable key security and control provisions of Section 12395. This subparagraph shall not apply to any gambling equipment that cannot be secured in a receptacle, drawer, or compartment when not in use due to its size.

(B) When kept, held, or stored in any public area of the gambling establishment, confidential documents shall be secured in a receptacle, drawer, or compartment, as specified in subparagraph (A), except when in use or when

maintained electronically. Confidential documents, when in use or maintained electronically, shall be kept out of public view, to the extent reasonably possible.

(2) The lock or locking mechanism of each receptacle containing any gambling equipment or confidential documents, shall be keyed differently from the lock or locking mechanism of any other receptacle, drawer, or compartment of any cabinet in the gambling establishment, except in the following circumstances:

(A) When a single assigned gambling enterprise employee requires access to multiple receptacles in the performance of his or her duties; that access is limited solely to that employee during his or her assigned shift; and each of the receptacles contains either gambling equipment or confidential documents, those receptacles may have a key, combination, or access code in common with each other.

(B) Managers and supervisors whose duties include the supervision or oversight of employees who utilize and have access to gambling equipment or confidential documents in the performance of their assigned duties, may have a master or duplicate key that will open some or all of the locking mechanisms for the receptacles to which any of their subordinate employees have access.

(3) Any cabinet having a drawer, compartment, or receptacle containing gambling equipment or confidential documents shall be located so that it is clearly visible for security and surveillance purposes. The cabinet shall be kept under continuous recorded video surveillance, in accordance with the applicable provisions of Section 12396.

(4) No gambling equipment or confidential documents shall be commingled with or kept in the same drawer or compartment with a floor bank, or commingled with or kept in the same drawer or compartment with any personal property or possession of any gambling enterprise employee, patron, or any other person.

(5) The licensee's policies and procedures shall include specific provisions governing the storage, distribution, and tracking of gambling equipment kept, held, or stored on or near the gaming floor or in any other public area of the gambling establishment.

(c) If a licensee provides to any third-party provider of proposition player services (TPPPS) company or its employees access to or the use of any cabinet, or any receptacle, drawer, or compartment in any cabinet described in subsection (a) or (b), that access or use shall be exclusive to that TPPPS company and its employees, and that cabinet shall not be used by the licensee for any purpose.

(d) Licensees shall establish and implement the standards specified in this section no later than April 1, 2015.

§ 12388. Extension of Credit, Check Cashing, and Automatic Teller Machines (ATMs).

(a) A licensee may extend credit to a patron if, prior to extending credit to the patron, the licensee determines that an extension of credit is not prohibited by any statute, law, regulation, or local ordinance. A licensee shall not extend credit to an owner, supervisor, player or other employee of a gambling business (as defined in Title 4 CCR Section 12220) that is occupying a player-dealer position in any game at any gambling establishment owned by the licensee. A licensee shall not extend credit to an owner, supervisor, player or other employee of a third-party provider of proposition player services (as defined in Title 4 CCR Section 12200) that is a party to a contract with the licensee to provide third party proposition player services in a game with a player-dealer position in any gambling establishment owned by the licensee. A licensee may not extend credit to an employee of the licensee to act as a “house prop player” or “public relations player” in any controlled game. In addition to complying with all laws regarding the issuance of credit, a licensee that extends credit to a patron shall address, in written policies and procedures and credit application form(s), the following requirements for the extension and collection of credit:

(1) Establish a method for determining the maximum amount which will be advanced to a patron, changes in the credit amount, the maximum time an extension of credit will be outstanding, and repayment terms.

(2) Prior to extending credit to a patron for the first time, ensure that the person requesting the credit is identified by examining the patron’s unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver’s license or passport.

(3) Ensure that the patron is credit worthy through an assessment of one of the following:

(A) Receipt of patron information on a credit application form which includes the patron’s name and signature, current address, telephone number, social security number, bank and/or trade references, employment information and income information, which shall be verified and used to form an assessment of the patron’s financial situation, collateral circumstances and credit worthiness.

(B) Receipt of a signed and dated authorization from the patron to access their consumer credit report from a bona fide credit-reporting agency to show the patron has an established credit history consistent with approved credit policies and receipt of information from a bona fide credit-reporting agency that the patron has an established credit history consistent with approved credit policies.

(C) If any previous credit transactions exist between the patron and the gambling establishment, an examination of those records showing that the patron has paid in a timely manner all credit instruments and/or otherwise documenting that there is a reasonable basis for extending the credit amount to the patron.

(4) An owner or designated key employee other than a dealer must approve any credit application.

(5) No credit may be extended to any patron who has signed a self-exclusion form (Title 4 CCR Section 12464) or has self-restricted access to credit (Title 4 CCR Section 12463) for the time period of the exclusion or restriction.

(6) Notify the patron of the issuance or denial of credit. The notification for issuing credit shall include the date of issuance, terms of repayment, and interest charges, if applicable. If a patron is denied credit, and the denial is based, in whole or part, on any information contained in a consumer credit report, the licensee shall comply with Civil Code section 1785.20.

(7) If a patron is approved for credit pursuant to subparagraph (B) of paragraph (3), a copy of the patron's consumer credit report obtained by the licensee shall be kept on file with the cardroom for as long as that patron's credit account is open.

(8) Written or electronic records shall be maintained on each attempt to collect on delinquent credit accounts.

(9) For each patron issued credit, the licensee shall maintain a record of the patron's credit limit, payment schedule, outstanding credit balance, and the patron's signature on a credit agreement.

(b) For each patron that is issued credit for the first time, the following information shall be collected and maintained:

(1) Patron's name, current address and telephone number;

(2) A photocopy of the patron's unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver's license or passport;

(3) Basis upon which credit verified, as listed in subsection (a)(3);

(4) Documentation of authorization by a person designated by management to approve credit.

(c) If payment upon an extension of credit is delinquent for more than 90 days, as determined by the original credit agreement, the person to whom credit was extended shall be prohibited from obtaining additional credit until the amount owed is paid in full.

(d) No gambling enterprise shall cash any check if cashing such a check is prohibited by any statute, regulation, or ordinance. No gambling enterprise employee shall be permitted to cash any check drawn against any federal, state, county, or other government fund, including, but not limited to, social security, unemployment insurance, disability payments, or public assistance payments, as outlined in Business and Professions Code section 19841, subdivision (q), unless the check is for wages or payment for goods or services.

(e) A licensee who does not deposit a patron's check within three banking days after receipt shall be considered to have extended credit to that patron.

(f)(1) A licensee shall not allow a patron to replace, redeem, reclaim or repurchase a personal check with a subsequent personal check, unless that patron has been approved for an extension of credit as provided in this Article and the amount of the check or checks to be replaced is within the patron's approved credit limit.

(2) A subsequent personal check used by a patron to replace a previous personal check may not be replaced with another personal check at any time after receipt by the licensee.

(3) Paragraph (1) of this subsection shall not apply to a personal check that has not been deposited by a licensee within three banking days after a receipt, or to a dishonored check.

(g) A licensee that cashes checks for a patron shall address, in written policies and procedures, the following requirements for the cashing of checks:

(1) Prior to cashing a check for a patron, the designated employee shall determine that

CHAPTER 10. DISCIPLINE, HEARINGS, AND DECISIONS.

§ 12550. Purpose and Scope.

(a) The purpose of this chapter is to set forth disciplinary procedures and guidelines applicable to the holder of any license, registration, permit, finding of suitability, or approval issued by the Commission. This chapter does not apply to any denial proceedings under the Act.

(b) The disciplinary guidelines in this chapter are designed to promote fairness and flexibility in dealing with a wide range of disciplinary scenarios. Variation in penalties based on circumstances and factors in aggravation or mitigation are part of this disciplinary scheme to promote compliance with applicable laws and regulations.

(c) Nothing in this chapter is intended to limit the authority of the Commission to issue orders of summary suspension pursuant to Business and Professions Code section 19913, or to limit the authority of the Bureau to issue emergency orders pursuant to Business and Professions Code section 19931.

(d) Nothing in this chapter shall be construed to prevent the Commission from:

(1) Ordering an investigation by Commission staff on a matter brought before the Commission;

Instituting a civil action in any superior court to restrain a violation of the Act, pursuant to Business and Professions Code section 19824, subdivision (g);

Referring a matter to the Attorney General or any district attorney or city attorney for civil, criminal or administrative action; or

Requesting the Bureau to conduct an investigation pursuant to information gathered independently by the Commission or supplied to it by a third party.

(e) Nothing in this chapter precludes any person from notifying the Commission or the Bureau regarding any violations of law or reasons why the holder of any license, registration, permit, finding of suitability, or approval should be disciplined.

(f) Nothing in this chapter precludes the Bureau, in its discretion, from issuing warning notices, notices to cure, advisory letters regarding violations or possible violations of law, or from withdrawing such upon further investigation.

Note: Authority cited: Sections 19840, 19841 and 19930, Business and Professions Code.

§ 12552. Settlements.

(a) At any time, the Commission and respondent may enter into a settlement of the accusation as provided in this section.

(b) Any settlement of an accusation shall include a plan for immediate abatement of the violation, a plan for immediate compliance with all statutory and regulatory requirements, an agreement to any penalty imposed, and shall be a full and final settlement of the violation including a complete waiver of all judicial or other review unless otherwise agreed to by the Commission.

(c) Any settlement of an accusation shall be submitted by the Bureau for approval by the Commission at a noticed Commission meeting. The Commission shall have final approval authority concerning any such settlement. If the Commission rejects a settlement or agreement, and no amended agreement or settlement is reached before two additional regularly noticed Commission meetings have concluded, or sixty days have elapsed, whichever is later, the Bureau shall proceed with the formal hearing process under this chapter.

Note: Authority cited: Sections 19840, 19841 and 19930, Business and Professions Code.
Reference: Sections 19824, 19826, 19920 and 19930, Business and Professions Code.

§ 12554. Formal Hearing Process.

(a) Upon the filing with the Commission of an accusation by the Bureau recommending revocation, suspension, or other discipline of a holder of a license,

registration, permit, finding of suitability, or approval, the Commission shall proceed under Chapter 5 (commencing with section 11500) of Part 1 of Division 3 of Title 2 of the Government Code. Discipline shall be in accordance with the guidelines of this chapter, summarized for convenience only in CGCC-12554 (New 09/06), Summary Chart of Disciplinary Guidelines, attached as Appendix A to this chapter.

(b) In the event that the Bureau cannot present the accusation, the Commission may request outside counsel or representation by another state agency or may adequately segregate one or more Commission staff members from the Commissioners and Commission legal unit to present the accusation.

(c) The Administrative Law Judge and Commission shall base their decisions on written findings of fact, including findings concerning any relevant aggravating or mitigating factors. Findings of fact shall be based upon a preponderance of the evidence standard. The “preponderance of the evidence standard” is such evidence as when considered and compared with that opposed to it, has more convincing force, and produces a belief in the mind of the fact-finder that what is sought to be proved is more likely true than not true.

(d) Upon a finding of a violation of the Act, any regulations adopted pursuant thereto, any law related to gambling or gambling establishments, violation of a previously imposed disciplinary or license condition, or laws whose violation is materially related to suitability for a license, registration, permit, or approval, the Commission may do any one or more of the following:

- (1) Revoke the license, registration, permit, finding of suitability, or approval;
- (2) Suspend the license, registration, or permit;
- (3) Order the licensing authority of a city, county, or city and county to revoke a work permit, pursuant to Business and Professions Code section 19914, subdivision (a),
- (4) Impose any condition, limitation, order, or directive (including but not limited to a directive to divest an interest in a business entity pursuant to Business and Professions Code, section 19879);
- (5) Impose any fine or monetary penalty consistent with Business and Professions Code sections 19930, subdivision (c), and 19943, subdivision (b);
- (6) Stay, in whole or in part, the imposition of a revocation or suspension against the holder of a license, registration, work permit, finding of suitability, or approval, or
- (7) Order the holder to pay a monetary penalty in lieu of all or a portion of a suspension. Within the guidelines of Business and Professions Code sections 19930, subdivision (c), and 19943, subdivision (b):

(A) If the respondent is an owner licensee of a gambling establishment, the monetary penalty shall be equivalent of fifty percent of the average daily gross

gaming revenue, but not less than \$300, for the number of days for which the suspension is stayed.

(B) [RESERVED]

(C) If the respondent is an owner of a third-party provider of proposition player services and the violation did not involve a fraudulent, expired, borrowed, or stolen badge, and did not involve a non-registered or non-licensed employee of the owner, the monetary penalty shall be the sum of \$500 plus the total of \$100 multiplied by the maximum number of tables for which proposition player services have been contracted at the gambling establishment where the violation was charged, which sum shall be multiplied by the number of days for which the suspension is stayed.

(D) If the respondent is an owner of a third-party provider of proposition player services and the violation involved a fraudulent, expired, borrowed, or stolen badge, or involved a non-registered or non-licensed employee of the owner, the monetary penalty shall be the sum of \$500 plus the total of \$300 multiplied by the maximum number of tables for which proposition player services have been contracted at the gambling establishment where the violation was charged, which sum shall be multiplied by the number of days for which the suspension is stayed.

(E) If the respondent is an owner of a gambling business, the monetary penalty shall be \$1500 per day for the number of days for which the suspension is stayed.

(F) If the respondent is a key employee of a gambling establishment or a supervisor of a gambling business or third-party provider of proposition player services, the monetary penalty shall be \$100 per day for the number of days for which the suspension is stayed.

(G) If the respondent is a holder of a work permit, a player or other employee of a gambling business or third-party provider of proposition player services, or a person not otherwise described above, the monetary penalty shall be \$50 per day for the number of days for which the suspension is stayed.

(e) If a person's state gambling license for a gambling establishment is revoked by the Commission pursuant to this chapter, the Commission may stay such revocation for a reasonable period of time to allow such person to sell or divest himself or herself of such person's ownership interest in the gambling establishment, provided that after the date on which the revocation is stayed by the Commission, such person shall not be entitled to, realize, or receive any profits, distributions, or payments that might directly or indirectly be due to such person or which arise out of, are attributable to, or are derived from controlled gambling.

(f) If an owner of a third-party provider of proposition player services or gambling business has his or her owner's license or registration revoked by the Commission pursuant to this chapter, the Commission may stay such revocation

for a reasonable period of time to allow such person to sell or divest himself or herself of such person's ownership interest in the third-party provider of proposition player services or gambling business, provided that after the date on which the revocation is stayed by the Commission, such person shall not be entitled to, realize, or receive any profits, distributions, or payments that might directly or indirectly be due to such person or which arise out of, are attributable to, or are derived from the provision of proposition player services.

(g) For decisions concerning a gambling establishment, findings shall be made regarding the number of tables in operation at the establishment and the annual gross gaming revenue of the establishment.

(h) For decisions concerning an owner of a third-party provider of proposition player services, findings shall be made regarding the maximum number of tables for which proposition player services have been contracted at the gambling establishment where the violation was charged.

(i) Any order to pay the costs of investigation or prosecution of the case shall be fixed pursuant to Business and Professions Code section 19930, subdivision (d).

(j) For multiple violations, or for suspensions imposed by other jurisdictions based on the same violations, the decision shall state whether any Commission-imposed suspensions shall run consecutively or concurrently.

(k) Where a violation arises from a practice that is repeated many times an hour or day in the conduct of controlled games, each instance of the practice shall not be charged as a separate violation; however, the frequency and duration of the practice shall be treated as aggravating or mitigating factors.

Note: Authority cited: Sections 19824, 19825, 19840, 19841 and 19930, Business and Professions Code. Reference: Sections 19879, 19930 and 19984, Business and Professions Code; Section 11045, Government Code; and Section 10335, Public Contract Code.

§ 12556. Factors in Mitigation or Aggravation of Penalty.

Factors in mitigation may reduce a minimum penalty of suspension listed in this chapter, either in number of days suspended and/or in the proposal to stay a suspension for a period of probation and the payment of any monetary penalty. Factors in aggravation may increase a penalty or be taken into consideration in determining whether or not to allow a suspension to be stayed upon payment of a monetary penalty. If presented by complainant or respondent, the Commission shall consider the following factors in mitigation or aggravation of the penalty imposed:

(a) Violation of any previously imposed or agreed upon condition, restriction or directive.

(b) Whether or not the conduct was knowing, willful, reckless, or inadvertent.

- (c) The extent to which respondent cooperated with the Bureau or Commission during the investigation of the violation.

- (e) The extent to which respondent is willing to reimburse or otherwise make whole any person who has suffered a loss due to the violation.
- (f) Whether respondent has initiated remedial measures to prevent similar violations.
- (g) The extent to which respondent realized an economic gain from the violation.
- (h) Disciplinary history of respondent, repeated offenses of the same or similar nature, or evidence that the unlawful act was part of a pattern or practice, including the frequency or duration of any pattern or practice which violates applicable law.
- (i) Any other aggravating factors, including any factors which the Commission determines to bear on the health, safety, or welfare of the public.
- (j) The extent to which there was actual or potential harm to the public or to any patron.
- (k) The extent to which an owner licensee or key employee of a gambling establishment, owner or supervisor of a third-party provider of proposition player services, or owner or supervisor of a gambling business exercised due diligence in management or supervision.
- (l) If the violation was caused by an employee of a third-party provider of proposition player services or gambling business, the extent to which the owner licensee, licensee, or registrant knew or should have known of the employee's improper conduct; the level of authority of the employee involved and the extent to which the employee acted within the scope of his or her authority in committing the violation.
- (m) If the violation was caused by a third-party provider of proposition player services or gambling business, the extent to which the owner licensee or gambling establishment knew or should have known of the improper conduct.
- (n) If the violation was caused by an independent contractor of a gambling business, the extent to which the gambling business owner licensee, licensee, or registrant knew or should have known of the independent contractor's improper conduct; the level of authority of the independent contractor involved and the extent to which the independent contractor acted within the scope of his or her authority in committing the violation.
