Re: Regulations Workshop – Playing Books for Third-Party Providers of Proposition Player Services and Gambling Businesses

The California Gambling Control Commission (Commission) is considering regulations concerning the playing books for third-party providers of proposition player services (TPPPS), and gambling businesses. This is to provide advance notice of a regulations workshop scheduled for **January 29, 2015**, at **10:00 a.m.** in the Commission's hearing room located at 2399 Gateway Oaks Drive, Suite 100, Sacramento, CA.

The proposed regulations would adopt new procedures to approve playing book forms and provide for electronic playing books to be utilized by TPPPS companies and gambling businesses.

A revised draft of the regulation text, dated December 16, 2014, is enclosed for your consideration. Interested parties may provide oral and/or written comments at the workshop. If written comments are submitted prior to the workshop, we would appreciate receiving them **no later than January 14, 2015**. This will allow time for review by the Commissioners prior to the workshop. Written comments may be submitted by mail to the above address, by facsimile (916.263.0499), or by email (hgeoffroy@cgcc.ca.gov).

A description of the proposed regulation and notice and agenda will be distributed prior to the workshop and posted on the Commission's website under Regulation Workshops.

Questions concerning this matter may be directed to Helen Geoffroy, Regulations Analyst, at 916.274.4904 or hgeoffroy@cgcc.ca.gov.

Sincerely,

ANNA CARR
Deputy Director
