Re: Regulations Workshops

1. Playing Books for Third-Party Providers of Proposition Player Services and Gambling Businesses
2. Approval of Transactions

The California Gambling Control Commission (Commission) is considering two regulatory packages concerning: (1) Playing Books for Third-Party Providers of Proposition Player Services and Gambling Businesses; and, (2) Approval of Transactions. This is to provide notice of regulations workshops scheduled for **February 24, 2016, at 10:00 a.m.** in the Commission's hearing room located at 2399 Gateway Oaks Drive, Suite 100, Sacramento, CA.

The proposed regulations for **Playing Books** would adopt procedures to approve playing book forms and provide for electronic playing books to be utilized by third party providers of proposition player services and gambling businesses. And, the proposed regulations for **Approval of Transactions** would adopt procedures to report the transactions of gambling enterprises, third-party providers of proposition player services, and gambling businesses; and, to provide guidance as to the procedures required to maintain and submit transactions and transaction reporting.

A draft of both regulation texts, are enclosed for your consideration. Interested parties may provide oral and/or written comments at the hearing. If you would like to provide written comments prior to the hearing, we would appreciate receiving them **no later than February 17, 2016**. This will allow time for review by the Commissioners prior to the hearing.

Written comments for either regulatory package may be submitted by mail to the above address, by facsimile (916) 263-0499, or by email to lawsandregs@cgcc.ca.gov
