14 (g) Where the gambling establishment is subject to a state of emergency or other order and that state
15 of emergency or other order is associated with a virus and requires physical distancing, a gambling
16 enterprise may reduce the number of employees required to be physically present in the count room to
17 conduct the count to allow for sufficient physical distancing and allow other individual(s) designated to
18 perform the count within the gambling establishment but outside of the count room if the following
19 requirements are met:

20 (1) Individuals designated to perform the count cannot maintain sufficient physical distancing within
21 the count room(s) and other protective measures, such as installation and use of non-permeable
22 polymethyl methacrylate barriers to separate individual(s) designated to perform the count or improving
23 the ventilation of the count room(s), are not practical or possible to meet physical distancing
24 requirements.

25 (2) The count is performed with live video surveillance of all of the designated individual(s)
26 performing and/or participating in the count and the gambling enterprise maintains the surveillance
27 recordings for at least 14 days.

28 (3) Individuals designated to perform and/or participate in the count, but are located outside of the
29 count room, are physically present in a secure and non-public location within the gambling establishment.

30 (4) The count is performed using communication devices that allow for synchronous communication.

31 (5) The gambling enterprise provides notification and a copy of the current procedures for designated
individual(s) to perform counts at the gambling establishment but outside the count room to the Bureau at

1 least 24 hours prior to the first count that includes an employee performing and/or participating in the
2 count.

3 (6) If a gambling establishment's count procedure for designated individual(s) to perform counts at
4 the gambling establishment but outside the count room is revised, the gambling enterprise must submit
5 one copy of its revised procedures to the Bureau at least 24 hours prior to implementing the revised count
6 procedures.
