3 (a) Except as otherwise provided in Section 12002, subsection (b) of Section 12100 and in subsection
4 (b) of this section, the definitions in Business and Professions Code section 19805 govern the
5 construction of this article.~~For the purposes of this section, the following definitions apply:~~

6 (b) As used in this article:

7 (1) “Applicant” means a new owner or individual in control of an ownership interest of a cardroom
8 business licensee~~gambling enterprise~~ or TPPPS business licensee~~individual in control of an ownership~~
9 ~~interest~~, who ~~submits an~~makes application to the Bureau for an interim owner category~~gambling~~ license
10 pursuant to Section 12136~~subsection (c).~~

11 (2) “Interim owner category~~gambling~~ license” means a license issued by the Commission which
12 permits the interim operation of a cardroom business licensee~~gambling enterprise~~ or TPPPS business
13 licensee following a qualifying event, during which time the Bureau processes and the Commission
14 considers an application for a regular ~~gambling~~ license from a new owner.

15 (3) “New owner” means an individual who is a trustee (other than a trustee in bankruptcy),
16 beneficiary, successor in interest, or security interest holder who becomes an owner of, or obtains an
17 ownership interest in a cardroom business licensee~~gambling enterprise~~ or TPPPS business licensee as a
18 result of a qualifying event.

19 (4) “Qualifying event” means an event, such as those specified in Business and Professions Code
20 section 19841, subdivision (s), that results in a change in the ownership for sole proprietors or in the
21 control of the ownership interest for non-natural persons of a cardroom business licensee~~gambling~~
22 ~~enterprise~~ or TPPPS business licensee and prevents the cardroom business licensee~~gambling enterprise~~ or
23 TPPPS business licensee from conducting gambling operations or the provision of third-party proposition
24 player services because the new owner or individual(s) in control does not hold a valid ~~gambling~~ license
25 ~~for that gambling enterprise, as required by Business and Professions Code sections 19850, 19851, 19852~~
26 ~~or 19855~~. A qualifying event does not include any planned or negotiated transaction where a current

PLEASE READ THE FOLLOWING INFORMATION CAREFULLY BEFORE YOU COMPLETE THIS FORM

This form is used to provide supplemental information for Trusts required to be licensed under the Gambling Control Act (Act).

A **current beneficiary** of the trust must also be licensed if the beneficiary receives a distribution or any percentage share of revenue ~~income~~ from a Trust which holds the assets of a business or person that requires licensure. [Business and Professions Code sections 19850, 19852(e), ~~and~~ 19852(h), and 19852(g)]. For example, under the terms of the Washington Family Trust, beneficiary William Washington is to receive 10% of the net gaming revenue from Washington's Cardroom every six months. However, a current beneficiary who is less than 21 years of age does not need to submit an application, as they would otherwise be disqualified. [Business and Professions Code section 19859(g)] In lieu of the two forms required above of other current beneficiaries, the trustee shall submit, as part of the trust application package, a copy of a birth certificate or other documentation of the birth date and identity of the underage beneficiary.

NOTE: Pursuant to Business and Professions Code section 19859(g), any person less than 21 years of age is disqualified from receiving an owner category license. Thus, a current beneficiary who is less than 21 years of age cannot be licensed and accordingly should not submit an application. In lieu of the two forms required above of other current beneficiaries, the trustee shall submit, as part of the trust application package, a copy of a birth certificate or other documentation of the birth date and identity of the underage beneficiary.

A **trustor, or contingent or future beneficiary or trustee** is not required to be licensed unless specifically directed by the California Gambling Control Commission (Commission). The contingent or future beneficiary or trustee may elect to submit an application in advance of the mandatory requirement.

Each **trustor, trustee or beneficiary** who seeks licensure must complete and submit the following forms:

- Application for Owner Category License, CGCC-CH2-05 (New 05/20).
- Individual Owner/Principal: Supplemental Information CGCC-CH2-07 (New 05/20)

If the trustee is also the trustor and/or beneficiary, only one application package needs to be submitted. In this situation, the applicant will indicate in Section 1 of the Individual Owner/Principal: Supplemental Information CGCC-CH2-07 (New 05/20), that the applicant is applying in multiple capacities.

All responses must be truthful and complete. All responses and supplemental documentation are subject to verification and will be used to determine suitability under the Act and Commission regulations. Any misrepresentation or failure to disclose required information or documentation may constitute cause for denial of the application or discipline of the licensee.

All information must be typed or printed legibly in blue or black ink. Any questions that do not apply should be indicated with "N/A" (Not Applicable). If the space available is insufficient, attach a separate sheet of paper and precede each answer with the applicable section and question number. Any corrections, changes, or other alterations must be initialed and dated by the applicant.

The request must establish that withdrawal of the application would be consistent with the public interest and the policies of the Gambling Control Act. If an applicant has applied for a temporary work permit and submits a request to withdraw the application for a regular work permit, the application for a temporary work permit shall be deemed abandoned. Application fees are non-refundable should an application be withdrawn at any time after its submittal to the Bureau.

If an applicant wishes to withdraw his or her application for renewal of a work permit anytime prior to final action, a written request must be submitted to the California Gambling Control Commission (Commission). The request must establish that withdrawal of the application would be consistent with the public interest and the policies of the Gambling Control Act. Application fees are non-refundable should you withdraw your application at any time after its submittal to the Bureau.

If a valid work permit holder is currently employed at more than one gambling establishment whose work permits are both required to be obtained from the Commission, a renewal application must be completed for each gambling establishment, including all required fees.

All applications and questionnaires will be referred for completion of a background investigation prior to the issuance of a renewed work permit. The Bureau may request additional forms and documentation necessary to complete the investigation process. Please be aware that any delay in providing requested information to the Bureau will further delay the issuance of a renewed work permit. All work permit renewals will be subject to approval by the Commission at a scheduled public meeting.

** Disclosure of your U.S. social security number (SSN) is mandatory. Business and Professions Code section 30 and Public Law 94-455 (42 USC section 405(c)(2)(C)) authorize collection of your social security number. Your social security number will be used exclusively for tax enforcement purposes, and for purposes of compliance with any judgment or order for family support in accordance with Family Code section 17520 or for verification of licensure. If you fail to disclose your social security number, your application will not be processed and you will be reported to the Franchise Tax Board, which may assess a \$100 penalty against you.

Effective July 1, 2012, the Commission is required to deny an application and to suspend the license/registration/permit/approval of any applicant or licensee who has outstanding state tax obligations and appears on either the Franchise Tax Board's or Board of Equalization's certified list of top 500 tax delinquencies over \$100,000 (Business and Professions Code section 494.5).

A work permit applicant is seeking the granting of a privilege. The burden of proving qualifications is at all times on the applicant.

The applicant accepts any risk of adverse public notice, embarrassment, criticism, or other action or financial loss that may result from action with respect to the submitted application.

Any questions regarding the work permit application process may be directed to:

Trust Applicants Only Please disregard the instructions on the Trust Supplemental Background Investigation Information BGC-APP-143 which are generally directed at gambling establishment applicants. Follow the instructions below, which are directed at third-party provider applicants.

Any trust that is an owner of a third-party provider must be registered or licensed. Other trust-related persons must also be registered or licensed: the trustor of the trust, any trustee and any current beneficiary. "Trustor" means the same thing as "grantor," "donor," or "settlor," an individual who creates a trust.

A current beneficiary must be registered or licensed if either of the follows applies:

- (1) The beneficiary receives a distribution from a trust that is an owner of a third-party provider.
- (2) The beneficiary receives any percentage share of revenue from gambling activities. For example, under the terms of the Washington Family Trust, beneficiary William Washington is to receive 10% of the net gaming revenue from the Washington Third-Party Company every six months.

Trusts: Must submit a Trust Supplemental Background Investigation Information Form, BGC-APP-143 (Rev. 07/17), along with this form (Application for Third-Party Proposition Player Services License (BGC-433)).

Trustors, Trustees, and Current Beneficiaries: Must submit this form (Application for Third-Party Proposition Player Services License (BGC-433)). If the trustee is also the trustor and the beneficiary, only one BGC-433 form needs to be submitted.

Contingent Beneficiary: A contingent or future beneficiary is not required to be registered or licensed unless specifically directed to apply by the Commission. However, a contingent or future beneficiary may elect to submit an application, if, for instance, the beneficiary wishes to avoid future delays in receiving income or a share in ownership in a business when the future event occurs, for instance, the death of the current beneficiary.

Trust Applicants Only Please disregard the instructions on the Trust Supplemental Background Investigation Information BGC-APP-143 which are generally directed at gambling establishment applicants. Follow the instructions below, which are directed at gambling business applicants.

Any trust that is an owner of a gambling business must be registered or licensed. Other trust-related persons must also be registered or licensed: the trustor of the trust, any trustee and any current beneficiary. "Trustor" means the same thing as "grantor," "donor," or "settlor": an individual who creates a trust.

A current beneficiary must be registered or licensed if either of the follows applies:

- (1) The beneficiary receives a distribution from a trust that is an owner of a gambling business.
- (2) The beneficiary receives any percentage share of revenue from gambling activities. For example, under the terms of the Washington Family Trust, beneficiary William Washington is to receive 10% of the net gaming revenue from the Washington Gambling Business Company every six months.

Trusts: Must submit a Trust Supplemental Background Investigation Information BGC-APP-143 (Rev. 07/17) along with this form (Application for Gambling Business License (BGC-533)).

Trustors, Trustees, and Current Beneficiaries: Must submit this form (Application for Gambling Business License (BGC-533)). If the trustee is also the trustor and the beneficiary, only one BGC-533 form needs to be submitted.

Contingent Beneficiary: A contingent or future beneficiary is not required to be registered or licensed unless specifically directed to apply by the Commission. However, a contingent or future beneficiary may elect to submit an application, if, for instance, the beneficiary wishes to avoid future delays in receiving income or a share in ownership in a business when the future event occurs, for instance, the death of the current beneficiary.

REQUEST FOR A CERTIFICATE TO OPERATE ADDITIONAL TABLES ON A TEMPORARY BASIS

SECTION 1: GAMBLING ESTABLISHMENT INFORMATION

Provide the legal name of the entity and any alternative names for the same business entity. You must notify the Bureau of any name, address or telephone number changes. Your information is used to provide proper identification of your file, to contact you, and/or to determine your eligibility. Personal information contained in this application may be disclosed to the public in accordance with the Gambling Control Act (Business and Professions Code section 19821(b)).

SECTION 2: EVENT INFORMATION

Indicate the number of tables that the gambling establishment currently has and the number it is requesting to operate on a temporary basis. Also provide the total number of tables that the gambling establishment wishes to operate and all relevant event information. Note: All requests are subject to compliance with local ordinances and state gambling laws.

INSTRUCTIONS FOR CALCULATING THE AMOUNT OF TABLE FEES TO OPERATE ADDITIONAL TABLES ON A TEMPORARY BASIS

Determine the amount of the required fee that must be included with this request by completing the following steps and using the table below:

Number of Tables	Per Table Fee	Number of Tables	Per Table Fee
One to Five	\$300	Fifteen to Twenty-five	\$2,700
Six to Eight	\$550	Twenty-six to Seventy	\$4,000
Nine to Fourteen	\$1,300	Seventy-one or more	\$4,700

1. Add the current number of authorized tables licensed by the Commission to operate to the number of special event tables.
2. Multiply the total number of tables by the per table fee indicated in the above table.
3. From this total, subtract the basic table fees previously assessed for the current year.
4. Divide this figure by 365. This establishes the additional daily table fee for the event.
5. Multiply this total by the number of event days (fractions or portions of a day are considered a full day) and round your result up to the nearest whole number.
6. Multiply this number by two. This final figure is the table fee for the tournament or special event.

EXAMPLE: Gambling establishment "A" proposes to operate an additional 3 tables during a 5-day tournament. Establishment "A" is licensed/certified by the Commission for 24 tables and has been previously assessed a fee of \$64,800 (24 tables x \$2,700 per table = \$64,800)

1. Add the current number of tables and the additional number of tournament tables (24 current + 3 additional = 27 total)
2. Multiply this amount by the per table fee shown above (27 total # tables x \$4,000 per table = \$108,000).
3. From this amount, subtract the previously assessed fee for the year (\$108,000 - \$64,800 previously assessed fee = \$43,200).
4. Divide this amount by 365 ($\$43,200 \div 365 = \118.36).
5. Multiply this amount by the number of days of the tournament ($\$118.36 \times 5 \text{ days} = \591.80) and round this number up to the nearest whole number (\$592).
6. Multiply this amount by two ($\$592 \times 2 = \1184). The final fee for Establishment "A" to operate the additional tables for its tournament would be \$1184.

PLEASE READ THE FOLLOWING PARAGRAPHS CAREFULLY BEFORE YOU COMPLETE THIS FORM

The Gambling Control Act requires any "person" who is an owner of a gambling enterprise to apply for and obtain a state gambling license. Business and Professions (B & P) Code section 19850.

A "trust" is a "person." B & P Code section 19805(ae) provides that:

"Person," unless otherwise indicated, includes a natural person, corporation, partnership, limited partnership, trust, joint venture, association, or any other business organization. (Emphasis added.)

Thus, a trust that is an owner of a cardroom must be licensed, just as a limited partnership in the same position must be licensed. B & P Code section 19852 goes on to mandate that certain trust-related persons must also apply for and obtain a state gambling license before the trust itself can be licensed, and to authorize the Commission to require licensing of other specified trust-related persons. According to B & P Code section 19852, a trustee of a trust that is an owner of a gambling enterprise, must also apply for and obtain a state gambling license [B & P Code section 19852(e)]. Similarly, the Commission may in its discretion require that the trustor or the beneficiary of a trust that is an owner of a gambling enterprise apply for and obtain a state gambling license [B & P Code section 19852(e)].

"Trustor" means the same thing as "grantor," "donor," or "settlor": a person who creates a trust.

B & P Code section 19852, provides, in part:

Except as provided in Section 19852.2 [racetrack ownership], an owner of a gambling enterprise that is not a natural person shall not be eligible for a state gambling license unless each of the following persons individually applies for and obtains a state gambling license:

"(e) If the owner is a trust, then the trustee and, in the discretion of the commission, any beneficiary and the trustor of the trust." (Emphasis added.)

Bureau of Gambling Control - Trust Supplemental Background Investigation Information

A current beneficiary must be licensed if either of the follows applies:

- (1) The beneficiary receives a distribution from a trust that is an owner of a gambling enterprise. (B & P Code section 19850.)
- (2) The beneficiary receives any percentage share of revenue from gambling activities. (B & P Code section 19852(g).) For example, under the terms of the Washington Family Trust, beneficiary William Washington is to receive 10% of the net gaming revenue from Washington's Cardroom every six months.

A current beneficiary who falls in either of the two above-noted categories must submit the following forms:

- One Application for State Gambling License, BGC-030 (Rev. 04/13); and
- One Gambling Establishment Owner Applicant-Individual Supplemental Background Investigation Information, BGC-APP-015A (Rev. 07/17).

NOTE: Pursuant to B & P Code section 19859(g), any person less than 21 years of age is disqualified from receiving a gambling license. Thus, a current beneficiary who is less than 21 years of age cannot be licensed and accordingly should not submit an application. In lieu of the two forms required above of other current beneficiaries, the trustee shall submit, as part of the trust application package, a copy of a birth certificate or other documentation of the birth date and identity of the underage beneficiary.

A contingent or future beneficiary is not required to be licensed unless specifically directed to apply for a license by the Commission. However, a contingent or future beneficiary may elect to submit an application, if, for instance, the beneficiary wishes to avoid future delays in receiving income or a share in ownership from a cardroom when the future event occurs, for instance, the death of the current beneficiary.

The purpose of this Trust Supplemental Background Investigation Information form is to obtain information that is necessary to determine whether the applicant meets the requirements for licensure under state law. By completing this form, the applicant is providing information that will be used to make that determination.

This form is to be completed for all trusts. The trustee, trustor, and the beneficiary (if applicable) apply for licensure using the following forms:

- One Application for State Gambling License, BGC-030 (Rev. 04/13); and
- One Gambling Establishment Owner Applicant-Individual Supplemental Background Investigation Information, BGC-APP-015A (Rev. 07/17).

If the trustee is also the trustor and the beneficiary, only one BGC-030 and one BGC-APP-015A form needs to be submitted. In this situation, the applicant will indicate in Section 4 of the BGC-030 form that he/she is applying in three separate capacities (trustee, trustor, and beneficiary).

The applicant must provide truthful information in all responses in this application. All answers to questions in this application, and all supplemental documentation provided by the applicant, will be subject to verification. Any misrepresentation or failure to disclose information required on this application may constitute sufficient cause for denial or revocation.

Type, or print legibly in blue or black ink, all information requested on this application. If a question does not apply to the applicant, write "N/A" (Not Applicable). Applications not fully and accurately completed will be returned to the applicant for completion.

Please send your completed Trust Supplemental Background Investigation Information form, along with a completed Authorization to Release Information form (BGC-APP-006 (Rev. 07/17)) to the California Gambling Control Commission at 2399 Gateway Oaks Drive, Suite 100, Sacramento, CA 95833-4231.
