(b) The Legislature may provide for the regulation of horse races and horse race meetings and wagering on the results.

(c) Notwithstanding subdivision (a), the Legislature by statute may authorize cities and counties to provide for bingo games, but only for charitable purposes.

(d) Notwithstanding subdivision (a), there is authorized the establishment of a California State Lottery.

(e) The Legislature has no power to authorize, and shall prohibit, casinos of the type currently operating in Nevada and New Jersey.

Accordingly, slot machines, lottery games, and banking and percentage card games are hereby permitted to be conducted and operated on tribal lands subject to those compacts.

(f) Notwithstanding subdivision (a), the Legislature may authorize private, nonprofit, eligible organizations, as defined by the Legislature, to conduct raffles as a funding mechanism to provide support for their own or another private, nonprofit, eligible organization’s beneficial and charitable works, provided that (1) at least 90 percent of the gross receipts from the raffle go directly to beneficial or charitable purposes in California, and (2) any person who receives compensation in connection with the operation of a raffle is an employee of the private nonprofit organization that is conducting the raffle. The Legislature, two-thirds of the membership of each house concurring, may amend the percentage of gross receipts required by this subdivision to be dedicated to beneficial or charitable purposes by means of a statute that is signed by the Governor.
General Provisions
§ 7.5. “Conviction” defined; authority

(a) A conviction within the meaning of this code means a judgment following a plea or verdict of guilty or a plea of nolo contendere or finding of guilt. Any action which a board is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence. However, a board may not deny a license to an applicant who is otherwise qualified pursuant to subdivision (b) or (c) of Section 480.

(b)(1) Nothing in this section shall apply to the licensure of persons pursuant to Chapter 4 (commencing with Section 6000) of Division 3.

(2) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(A) The State Athletic Commission.

(B) The Bureau for Private Postsecondary Education.

(C) The California Horse Racing Board.

(c) Except as provided in subdivision (b), this section controls over and supersedes the definition of conviction contained within individual practice acts under this code.

(d) This section shall become operative on July 1, 2020.

§ 10. Delegation of powers or duties

Whenever, by the provisions of this code, a power is granted to a public officer or a duty imposed upon such an officer, the power may be exercised or duty performed by a deputy of the officer or by a person authorized pursuant to law by the officer, unless it is expressly otherwise provided.

(b) Section 494.5 shall apply to the licensure of persons authorized to practice law pursuant to Chapter 4 (commencing with Section 6000) of Division 3, and the licensure or registration of persons pursuant to Chapter 5 (commencing with Section 19800) of Division 8 or pursuant to Division 9 (commencing with Section 23000).

DIVISION 7. PART 3. CHAPTER 1.
ARTICLE 2. Particular Offenses
§ 17539. Legislative findings

The Legislature finds that there is a compelling need for more complete disclosure of rules and operation of contests in which money or other valuable consideration may be solicited; that current methods of disclosure are inadequate and create misunderstandings as to the true requirements for
participation and winning of prizes offered; that certain problems which have arisen are peculiar to contests; that the provisions of Sections 17539.1 through 17539.3 are necessary to the public welfare and that the terms hereof shall be interpreted so as to provide maximum disclosure to and fair treatment of persons who may or do enter such contests.

§ 17539.1. Unfair acts prohibited

(a) The following unfair acts or practices undertaken by, or omissions of, any person in the operation of any contest or sweepstakes are prohibited:

(1) Failing to clearly and conspicuously disclose, at the time of the initial contest solicitation, at the time of each precontest promotional solicitation and each time the payment of money is required to become or to remain a contestant, the total number of contestants anticipated based on prior experience and the percentages of contestants correctly solving each puzzle used in the three most recently completed contests conducted by the person. If the person has not operated or promoted three contests he or she shall disclose for each prior contest if any, the information required by this section.

(2) Failing to promptly send to each member of the public upon his or her request, the actual number and percentage of contestants correctly solving each puzzle or game in the contest most recently completed.

(3) Misrepresenting in any manner the odds of winning any prize.

(4) Misrepresenting in any manner, the rules, terms, or conditions of participation in a contest.

(5) Failing to clearly and conspicuously disclose with all contest puzzles and games and with all promotional puzzles and games all of the following:

(A) The maximum number of puzzles or games that may be necessary to complete the contest and determine winners.

(B) The maximum amount of money, including the maximum cost of any postage and handling fees, that a participant may be asked to pay to win each of the contest prizes then offered.

(C) That future puzzles or games, if any, or tie breakers, if any, will be significantly more difficult than the initial puzzle.

(D) The date or dates on or before which the contest will terminate and upon which all prizes will be awarded.

(E) The method of determining prizewinners if a tie remains after the last tie breaker puzzle is completed.

(F) All rules, regulations, terms, and conditions of the contest.

(6) Failing to clearly and conspicuously disclose the exact nature and approximate value of the prizes when offered.

(7) Failing to award and distribute all prizes of the value and type represented.

(8) Representing directly or by implication that the number of participants has been significantly limited, or that any particular person has been selected to win a prize unless such is the fact.

(9) Representing directly or by implication that any particular person has won any money, prize, thing, or other value in a contest unless there has been a real contest in which a meaningful
percentage, which shall be at least a majority, of the participants in such contests have failed to win a prize, money, thing, or other value.

(10) Representing directly or by implication that any particular person has won any money, prize, thing, or other value without disclosing the exact nature and approximate value thereof.

(11) Using the word “lucky” to describe any number, ticket, coupon, symbol, or other entry, or representing in any other manner directly or by implication that any number, ticket, coupon, symbol, or other entry confers or will confer an advantage upon the recipient that other recipients will not have, that the recipient is more likely to win a prize than are others, or that the number, ticket, coupon, symbol, or other entry has some value that other entries do not have.

(12) Using or offering for use any method intended to be used by a person interacting with an electronic video monitor to simulate gambling or play gambling-themed games in a business establishment that (A) directly or indirectly implements the predetermination of sweepstakes cash, cash-equivalent prizes, or other prizes of value, or (B) otherwise connects a sweepstakes player or participant with sweepstakes cash, cash-equivalent prizes, or other prizes of value. For the purposes of this paragraph, “business establishment” means a business that has any financial interest in the conduct of the sweepstakes or the sale of the products or services being promoted by the sweepstakes at its physical location. This paragraph does not make unlawful game promotions or sweepstakes conducted by for-profit commercial entities on a limited and occasional basis as an advertising and marketing tool that are incidental to substantial bona fide sales of consumer products or services and that are not intended to provide a vehicle for the establishment of places of ongoing gambling or gaming.

(13) Failing to obtain the express written or oral consent of individuals before their names are used for a promotional purpose in connection with a mailing to a third person.

(14) Using or distributing simulated checks, currency, or any simulated item of value unless there is clearly and conspicuously printed thereon the words: SPECIMEN—NONNEGOTIABLE.

(15) Representing, directly or by implication, orally or in writing, that any tie breaker puzzle may be entered upon the payment of money qualifying the contestant for an extra cash or any other type prize or prizes unless:

(A) It is clearly and conspicuously disclosed that the payments are optional and that contestants are not required to pay money, except for reasonable postage and handling fees, to play for an extra cash or any other type of prize or prizes; and

(B) Contestants are clearly and conspicuously given the opportunity to indicate they wish to enter such phase of the contest for free, except for reasonable postage and handling fees the amount of which shall not exceed one dollar and fifty cents ($1.50) plus the actual cost of postage and which shall be clearly and conspicuously disclosed at the time of the initial contest solicitation and each time thereafter that the payment of such fees is required. The contestants’ opportunity to indicate they wish to enter for free shall be in immediate conjunction with and in a like manner as the contestants’ opportunity to indicate they wish to play for an extra prize.

(b) For the purposes of this section, “sweepstakes” means a procedure, activity, or event, for the distribution, donation, or sale of anything of value by lot, chance, predetermined selection, or random selection that is not unlawful under other provisions of law, including, but not limited to, Chapter 9 (commencing with Section 319) and Chapter 10 (commencing with Section 330) of Title 9 of Part 1 of the Penal Code.
(c) This section does not apply to an advertising plan or program that is regulated by, and complies with, the requirements of Section 17537.1.

(d) Nothing in this section shall be deemed to render lawful any activity that is unlawful pursuant to other law, including, but not limited to, Section 320, 330a, 330b, 330.1, or 337j of the Penal Code.

(e) Nothing in this section shall be deemed to render unlawful or restrict otherwise lawful games and methods used by a gambling enterprise licensed under the Gambling Control Act or operations of the California State Lottery.

§ 17539.15. Solicitation materials containing sweepstakes entries or selling information regarding sweepstakes; regulations

(a) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent, taking into account the context in which the representation is made, including, without limitation, emphasis, print, size, color, location, and presentation of the representation and any qualifying language, that a person is a winner or has already won a prize or any particular prize unless that person has in fact won a prize or any particular prize. If the representation is made on or visible through the mailing envelope containing the sweepstakes materials, the context in which the representation is to be considered, including any qualifying language, shall be limited to what appears on, appears from, or is visible through, the mailing envelope.

(b) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall include a clear and conspicuous statement of the no-purchase-or-payment-necessary message, in readily understandable terms, in the official rules included in those solicitation materials and, if the official rules do not appear thereon, on the entry-order device included in those solicitation materials. The no-purchase-or-payment-necessary message included in the official rules shall be set out in a separate paragraph in the official rules and be printed in capital letters in contrasting typeface not smaller than the largest typeface used in the text of the official rules.

(c) Sweepstakes entries not accompanied by an order for products or services shall not be subjected to any disability or disadvantage in the winner selection process to which an entry accompanied by an order for products or services would not be subject.

(d) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that an entry in the promotional sweepstakes accompanied by an order for products or services will be eligible to receive additional prizes or be more likely to win than an entry not accompanied by an order for products or services or that an entry not accompanied by an order for products or services will have a reduced chance of winning a prize in the promotional sweepstakes.

(e) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that a person has been specially selected in connection with a sweepstakes unless it is true.

(f) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that the person receiving the solicitation has received any special treatment or personal attention from the sweepstakes sponsor or any officer, employee, or agent of the sweepstakes sponsor unless the representation of special treatment or personal attention is true.

(g) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that a person is being notified a second or final time of the opportunity to receive or compete for a prize, unless that representation is true.
(h) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that a prize notice is urgent or otherwise convey an impression of urgency by use of description, phrasing on a mailing envelope, or similar method, unless there is a limited time period in which the recipient must take some action to claim, or be eligible to receive, a prize, and the date by which that action is required is clearly and conspicuously disclosed in the body of the solicitation materials.

(i) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not do either of the following:

1. Simulate or falsely represent that it is a document authorized, issued, or approved by any court, official, or agency of the United States or any state, or by any lawyer, law firm, or insurance or brokerage company.

2. Create a false impression as to its source, authorization, or approval.

(j) The official rules for a sweepstakes shall disclose information about the date or dates the final winner or winners will be determined.

(k) For purposes of this section:

1. “No-purchase-or-payment-necessary message” means the following statement or a statement substantially similar to the following statement: “No purchase or payment of any kind is necessary to enter or win this sweepstakes.”

2. “Official rules” means the formal printed statement, however designated, of the rules for the promotional sweepstakes appearing in the solicitation materials. The official rules shall be prominently identified and all references thereto in any solicitation materials shall consistently use the designation for the official rules that appears in those materials. Each sweepstakes solicitation shall contain a copy of the official rules.

3. “Specially selected” means a representation that a person is a winner, a finalist, in first place or tied for first place, or otherwise among a limited group of persons with an enhanced likelihood of receiving a prize.

(l) (1) A sweepstakes sponsor may not charge a fee as a condition of receiving a monetary distribution or obtaining information about a prize or sweepstakes.

(2) (A) For the purposes of this section, “sweepstakes sponsor” means either of the following:

(i) A person or entity that operates or administers a sweepstakes as defined in paragraph (12) of subdivision (a) of Section 17539.5.

(ii) A person or entity that offers, by means of a notice, a prize to another person in conjunction with any real or purported sweepstakes that requires or allows, or creates the impression of requiring or allowing, the person to purchase any goods or services, or pay any money, as a condition of receiving, or in conjunction with allowing the person to receive, use, or obtain a prize or information about a prize.

(B) A person or entity that merely furnishes a prize in connection with a sweepstakes that is operated or administered by another person or entity shall not be deemed to be a sweepstakes sponsor.

§ 17539.2. Disclosures; refunds; records

Every person who conducts any contest shall:
(a) Clearly and conspicuously disclose on each entry blank the deadline for submission of that entry.

(b) Refund all money or other consideration to contestants requesting such refund in writing within one year of payment and who are unable to participate in any aspect of any contest through no fault of the contestant.

(c) At the conclusion of the contest send to all entrants upon their request the names of all winners, the prize or prizes won by each, the correct solution to each puzzle and the winning solutions to each puzzle (if different from the correct solution).

(d) Maintain for no less than two years after all prizes are awarded all the following:

(1) Copies of all contest solicitations and puzzles.

(2) All puzzles and correspondence sent by a contestant or copies or records disclosing details thereof and records of replies thereto.

(3) Adequate records which disclose the names and addresses of all contestants, the approximate date each contestant was sent each puzzle or game, the number of prizes awarded, the method of selecting winners, the names and addresses of the winners, and facts upon which all representations or disclosures made in connection with the contest are based and from which the validity of the representations or disclosures can be determined.

§ 17539.3. Construction and application of sections 17539 to 17539.2

(a) Sections 17539.1 and 17539.2 do not apply to a game conducted to promote the sale of an employer's product or service by his or her employees, when those employees are the sole eligible participants.

(b) As used in Sections 17539.1 and 17539.2, “person” includes a firm, corporation, or association, but does not include any charitable trust, corporation, or other organization exempted from taxation under Section 23701d of the Revenue and Taxation Code or Section 501(c) of the Internal Revenue Code.

(c) Nothing in Sections 17539 to 17539.2, inclusive, shall be construed to permit any contest or any series of contests or any act or omission in connection therewith that is prohibited by any other provision of law.

(d) Nothing in Section 17539.1 or 17539.2 shall be construed to hold any newspaper publisher or radio or television broadcaster liable for publishing or broadcasting any advertisement relating to a contest, unless that publisher or broadcaster is the person conducting or holding that contest.

(e) As used in Sections 17539 to 17539.2, inclusive, “contest” includes any game, contest, puzzle, scheme, or plan that holds out or offers to prospective participants the opportunity to receive or compete for gifts, prizes, or gratuities as determined by skill or any combination of chance and skill and that is, or in whole or in part may be, conditioned upon the payment of consideration.

(f) Sections 17539 to 17539.2, inclusive, do not apply to the mailing or otherwise sending of an application for admission, or a notification or token evidencing the right of admission, to a contest, performance, sporting event, or tournament of skill, speed, power, or endurance between, or the operation of the contest, performance, sporting event, or tournament by, participants physically present at that contest, performance, sporting event, or tournament.
§ 17539.35. Contest; prize conditioned on minimum number of entries

No person shall advertise, offer, or operate any contest, as defined in subdivision (e) of Section 17539.3, in which any prize, including any money, property, service, or other matter of value, may be awarded or transferred if the opportunity to win that prize is conditioned on a minimum number of entries or contest participants.

Division 8, Chapter 5
§ 19800. Short title
This chapter shall be known, and may be cited, as the “Gambling Control Act.”

§ 19801. Legislative findings and declarations
The Legislature hereby finds and declares all of the following:

(a) State law prohibits commercially operated lotteries, banked or percentage games, and gambling machines, and strictly regulates parimutuel wagering on horse racing. To the extent that state law categorically prohibits certain forms of gambling and prohibits gambling devices, nothing herein shall be construed, in any manner, to reflect a legislative intent to relax those prohibitions.

(b) The State of California has permitted the operation of gambling establishments for more than 100 years. Gambling establishments were first regulated by the State of California pursuant to legislation which was enacted in 1984. Gambling establishments currently employ more than 20,000 people in the State of California, and contribute more than one hundred million dollars ($100,000,000) in taxes and fees to California’s government. Gambling establishments are lawful enterprises in the State of California, and are entitled to full protection of the laws of this state.

(c) Gambling can become addictive and is not an activity to be promoted or legitimised as entertainment for children and families.

(d) Unregulated gambling enterprises are inimical to the public health, safety, welfare, and good order. Accordingly, no person in this state has a right to operate a gambling enterprise except as may be expressly permitted by the laws of this state and by the ordinances of local governmental bodies.

(e) It is the policy of this state that gambling activities that are not expressly prohibited or regulated by state law may be prohibited or regulated by local government. Moreover, it is the policy of this state that no new gambling establishment may be opened in a city, county, or city and county in which a gambling establishment was not operating on and before January 1, 1984, except upon the affirmative vote of the electors of that city, county, or city and county.

(f) It is not the purpose of this chapter to expand opportunities for gambling, or to create any right to operate a gambling enterprise in this state or to have a financial interest in any gambling enterprise. Rather, it is the purpose of this chapter to regulate businesses that offer otherwise lawful forms of gambling games.

(g) Public trust that permissible gambling will not endanger public health, safety, or welfare requires that comprehensive measures be enacted to ensure that gambling is free from criminal and corruptive elements, that it is conducted honestly and competitively, and that it is conducted in suitable locations.

(h) Public trust and confidence can only be maintained by strict and comprehensive regulation of all persons, locations, practices, associations, and activities related to the operation of lawful gambling establishments and the manufacture and distribution of permissible gambling equipment.
(j) All gambling operations, all persons having a significant involvement in gambling operations, all establishments where gambling is conducted, and all manufacturers, sellers, and distributors of gambling equipment must be licensed and regulated to protect the public health, safety, and general welfare of the residents of this state as an exercise of the police powers of the state.

(j) To ensure that gambling is conducted honestly, competitively, and free of criminal and corruptive elements, all licensed gambling establishments in this state must remain open to the general public and the access of the general public to licensed gambling activities must not be restricted in any manner, except as provided by the Legislature. However, subject to state and federal prohibitions against discrimination, nothing herein shall be construed to preclude exclusion of unsuitable persons from licensed gambling establishments in the exercise of reasonable business judgment.

(k) In order to effectuate state policy as declared herein, it is necessary that gambling establishments, activities, and equipment be licensed, that persons participating in those activities be licensed or registered, that certain transactions, events, and processes involving gambling establishments and owners of gambling establishments be subject to prior approval or permission, that unsuitable persons not be permitted to associate with gambling activities or gambling establishments, and that gambling activities take place only in suitable locations. Any license or permit issued, or other approval granted pursuant to this chapter, is declared to be a revocable privilege, and no holder acquires any vested right therein or thereunder.

(l) The location of lawful gambling premises, the hours of operation of those premises, the number of tables permitted in those premises, and wagering limits in permissible games conducted in those premises are proper subjects for regulation by local governmental bodies. However, consideration of those same subjects by a state regulatory agency, as specified in this chapter, is warranted when local governmental regulation respecting those subjects is inadequate or the regulation fails to safeguard the legitimate interests of residents in other governmental jurisdictions.

(m) The exclusion or ejection of certain persons from gambling establishments is necessary to effectuate the policies of this chapter and to maintain effectively the strict regulation of licensed gambling.

(n) Records and reports of cash and credit transactions involving gambling establishments may have a high degree of usefulness in criminal and regulatory investigations and, therefore, licensed gambling operators may be required to keep records and make reports concerning significant cash and credit transactions.

§ 19802. Further legislative findings and declarations

The Legislature further finds and declares as follows:

Appropriate regulation of banking and percentage games or of gambling devices consistent with public safety and welfare would require, at a minimum, all of the following safeguards:

(a) The creation of an adequately funded gambling control commission with comprehensive powers to establish minimum standards and technical specifications for gambling equipment and devices.

(b) The creation of an adequately funded law enforcement capability within state government to inspect, test, and evaluate gambling equipment and devices and modifications thereto.

(c) An appropriation by the Legislature to sufficiently fund a full-time commission and law enforcement capability with responsibilities commensurate with the expanded scope of gambling.

(d) The enactment of necessary regulations setting forth standards and procedures for the licensing of persons connected with the manufacture, sale, and distribution of equipment and devices in this state.
(e) The enactment of standards related to the trustworthiness and fairness of equipment and devices, upon the commission’s recommendation to the Legislature.

(f) The enactment of statutory provisions governing the importation, transportation, sale, and disposal of equipment and devices, upon the commission’s recommendation to the Legislature.

(g) The enactment of statutes providing for appropriate inspection and testing of equipment and devices, upon the commission’s recommendation to the Legislature.

§ 19803. Legislative intent; city and county authority; responsibility of local law enforcement agencies

(a) It is the intent of the Legislature, in enacting this chapter, to provide uniform, minimum standards of regulation of permissible gambling activities and the operation of lawful gambling establishments.

(b) Nothing in this chapter shall be construed to preclude any city, county, or city and county from prohibiting any gambling activity, from imposing more stringent local controls or conditions upon gambling than are imposed by this chapter or by the commission, from inspecting gambling premises to enforce applicable state and local laws, or from imposing any local tax or license fee, if the prohibition, control, condition, inspection, tax, or fee is not inconsistent with this chapter. Nothing in this chapter shall be construed to affect the responsibility of local law enforcement agencies to enforce the laws of this state, including this chapter.

§ 19804. Action for declaratory or injunctive relief or relief by extraordinary writ; required evidence; administrative remedies; copy of pleading

(a) In any action for declaratory or injunctive relief, or for relief by way of any extraordinary writ, other than an action initiated pursuant to Section 19932, wherein the construction, application, or enforcement of this chapter, or any regulation adopted pursuant thereto, or any order of the department or the commission issued pursuant thereto, is called into question, a court shall not grant any preliminary or permanent injunction, or any peremptory writ of mandate, certiorari, or prohibition, in connection therewith, except as follows:

(1) Upon proof by clear and convincing evidence that the department or the commission is abusing or threatens to abuse its discretion.

(2) Upon proof by clear and convincing evidence that the department or the commission is exceeding or threatens to exceed its jurisdiction.

(b) No temporary injunction or other provisional order shall issue to restrain, stay, or otherwise interfere with any action by the department or the commission, except upon a finding by the court, based on clear and convincing evidence, that the public interest will not be prejudiced thereby, and, except for preliminary injunctions, no order may be effective for more than 15 calendar days, except by stipulation of the department or commission. No preliminary order may be effective for more than 45 days, except by stipulation of the department or commission.

(c) This section does not relieve a petitioner’s obligation to exhaust administrative remedies.

(d) In an action for relief of any nature wherein the construction, application, or enforcement of this chapter, or any regulation adopted pursuant thereto, or any order of the department or commission issued pursuant thereto, is called into question, the party filing the pleading shall furnish a copy thereof to the department and to the commission. The copy shall be furnished by the party filing the pleading within 10 business days after filing.
§ 19805. Definitions

As used in this chapter, the following definitions apply:

(a) “Affiliate” means a person who, directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, a specified person.

(b) “Applicant” means a person who has applied for a state gambling license, a key employee license, a registration, a finding of suitability, a work permit, a manufacturer’s or distributor’s license, or an approval of any act or transaction for which the approval or authorization of the commission or department is required or permitted under this chapter.

(c) “Banking game” or “banked game” does not include a controlled game if the published rules of the game feature a player-dealer position and provide that this position must be continuously and systematically rotated amongst each of the participants during the play of the game, ensure that the player-dealer is able to win or lose only a fixed and limited wager during the play of the game, and preclude the house, another entity, a player, or an observer from maintaining or operating as a bank during the course of the game. (1) Prescribe the method and manner of application and registration.

(2) Prescribe the information to be furnished by any applicant, licensee, or registrant concerning, as appropriate, the person’s personal history, habits, character, associates, criminal record, business activities, organizational structure, and financial affairs, past or present.

(3) Prescribe the information to be furnished by an owner licensee relating to the licensee’s gambling employees.

(4) Require fingerprinting or other methods of identification of an applicant, licensee, or employee of a licensee.

(5) Prescribe the manner and method of collection and payment of fees and issuance of licenses.

(b) Provide for the approval of game rules and equipment by the department to ensure fairness to the public and compliance with state laws.

(c) Implement the provisions of this chapter relating to licensing and other approvals.

(d) Require owner licensees to report and keep records of transactions, including transactions as determined by the department, involving cash or credit. The regulations may include, without limitation, regulations requiring owner licensees to file with the department reports similar to those required by Sections 5313 and 5314 of Title 31 of the United States Code, and by Sections 103.22 and 103.23 of Title 31 of the Code of Federal Regulations, and any successor provisions thereto, from financial institutions, as defined in Section 5312 of Title 31 of the United States Code and Section 103.11 of Title 31 of the Code of Federal Regulations, and any successor provisions.

(e) Provide for the receipt of protests and written comments on an application by public agencies, public officials, local governing bodies, or residents of the location of the gambling establishment or future gambling establishment.
(f) Provide for the disapproval of advertising by licensed gambling establishments that is determined by the department to be deceptive to the public. Regulations adopted by the commission for advertising by licensed gambling establishments shall be consistent with the advertising regulations adopted by the California Horse Racing Board and the Lottery Commission. Advertisement that appeals to children or adolescents or that offers gambling as a means of becoming wealthy is presumptively deceptive.

(g) Govern all of the following:

1. The extension of credit.
2. The cashing, deposit, and redemption of checks or other negotiable instruments.
3. The verification of identification in monetary transactions.

(h) Prescribe minimum procedures for adoption by owner licensees to exercise effective control over their internal fiscal and gambling affairs, which shall include, but not be limited to, provisions for all of the following:

3. The provision of reliable records, accounts, and reports of transactions, operations, and events, including reports to the department.

(i) Provide for the adoption and use of internal audits, whether by qualified internal auditors or by certified public accountants. As used in this subdivision, “internal audit” means a type of control that operates through the testing and evaluation of other controls and that is also directed toward observing proper compliance with the minimum standards of control prescribed in subdivision (h).

(j) Require periodic financial reports from each owner licensee.

(k) Specify standard forms for reporting financial conditions, results of operations, and other relevant financial information.

(l) Formulate a uniform code of accounts and accounting classifications to ensure consistency, comparability, and effective disclosure of financial information.

(m) Prescribe intervals at which the information in subdivisions (j) and (k) shall be furnished to the department.

(n) Require audits to be conducted, in accordance with generally accepted auditing standards, of the financial statements of all owner licensees whose annual gross revenues equal or exceed a specified sum. However, nothing herein shall be construed to limit the department’s authority to require audits of any owner licensee. Audits, compilations, and reviews provided for in this subdivision shall be made by independent certified public accountants licensed to practice in this state.

(o) Restrict, limit, or otherwise regulate any activity that is related to the conduct of controlled gambling, consistent with the purposes of this chapter.

(p) Define and limit the area, games, hours of operation, number of tables, wagering limits, and equipment permitted, or the method of operation of games and equipment, if the commission, upon the recommendation of, or in consultation with, the department, determines that local regulation of these
subjects is insufficient to protect the health, safety, or welfare of residents in geographical areas proximate to a gambling establishment.

(q) Prohibit gambling enterprises from cashing checks drawn against any federal, state, or county fund, including, but not limited to, social security, unemployment insurance, disability payments, or public assistance payments. However, a gambling enterprise shall not be prohibited from cashing any payroll checks or checks for the delivery of goods or services that are drawn against a federal, state, or county fund.

(r) Provide for standards, specifications, and procedures governing the manufacture, distribution, including the sale and leasing, inspection, testing, location, operation, repair, and storage of gambling equipment, and for the licensing of persons engaged in the business of manufacturing, distributing, including the sale and leasing, inspection, testing, repair, and storage of gambling equipment.

(s) By December 31, 2011, provide procedures, criteria, and timelines for the processing and approval of applications for the licensing, temporary or interim licensing, or findings of suitability for receivers, trustees, beneficiaries, executors, administrators, conservators, successors in interest, or security interest holders for a gambling enterprise so that gambling enterprises may operate continuously in cases including, but not limited to, the death, insolvency, foreclosure, receivership, or incapacity of a licensee.

§ 19842. Prohibition of play of game or restriction in manner of play; violation of law or ordinance; construction; emergency regulations

(a) The commission shall not prohibit, on a statewide basis, the play of any game or restrict the manner in which any game is played, unless the commission, in a proceeding pursuant to this article, finds that the game, or the manner in which the game is played, violates a law of the United States, a law of this state, or a local ordinance.

(b) Nothing in this section shall be construed to limit the powers of the commission in a proceeding against a licensee pursuant to Article 10 (commencing with Section 19930).

(c) No regulation prohibiting a game or the manner in which a game is played shall be deemed to be an emergency regulation.

§ 19843. Placement of wager on controlled game by person at table

The commission shall not prohibit, on a statewide basis, the placing of a wager on a controlled game by a person at a gaming table, if the person is present at the table and actively participating in the hand with a single-seated player upon whose hand the wagers are placed.

§ 19844. Exclusion or ejection of individuals from gaming establishments; formulation of list; distribution; petition; action against licensee

(a) The commission shall, by regulation, provide for the formulation of a list of persons who are to be excluded or ejected from any gambling establishment. The list may include any person whose presence in the establishment is determined by the commission to pose a threat to the interests of this state or to controlled gambling, or both.

(b) In making the determination described in subdivision (a), the commission may consider, but is not limited to considering, any of the following:

(1) Prior conviction of a crime that is a felony in this state or under the laws of the United States, a crime involving moral turpitude, or a violation of the gambling laws of this or any other state.
(2) The violation of, or conspiracy to violate, the provisions of this chapter relating to the failure to disclose an interest in a gambling establishment for which the person is required to obtain a license, or the willful evasion of fees.

(3) A notorious or unsavory reputation that would adversely affect public confidence and trust that the gambling industry is free from criminal or corruptive elements.

(4) An order of exclusion or ejection from a racing enclosure issued by the California Horse Racing Board.

(c) The commission shall distribute the list of persons who are to be excluded or ejected from any gambling establishment to all owner licensees and shall provide notice to any persons included on the list.

(d) The commission shall adopt regulations establishing procedures for hearing of petitions by persons who are ejected or excluded from licensed premises pursuant to this section or pursuant to Section 19845.

(e) The commission may revoke, limit, condition, or suspend the license of an owner, or fine an owner licensee, if that licensee knowingly fails to exclude or eject from the gambling establishment of that licensee any person included on the list of persons to be excluded or ejected.

§ 19845. Removal of persons from licensed premises; reasons

(a) A licensee may remove from his or her licensed premises any person who, while on the premises:

(1) Is a disorderly person, as defined by Section 647 of the Penal Code.

(2) Interferes with a lawful gambling operation.

(3) Solicits or engages in any act of prostitution.

(4) Begs, is boisterous, or is otherwise offensive to other persons.

(5) Commits any public offense.

(6) Is intoxicated.

(7) Is a person who the commission, pursuant to regulation, has determined should be excluded from licensed gambling establishments in the public interest.

(b) Nothing in this section shall be deemed, expressly or impliedly, to preclude a licensee from exercising the right to deny access to or to remove any person from its premises or property for any reason the licensee deems appropriate.

§ 19846. Liability of gambling enterprises with respect to ejecting or excluding individuals

(a) Notwithstanding any other provision of law and except as provided in subdivision (b), a gambling enterprise that ejects or excludes an individual based upon Section 19844 or 19845 is not subject to civil liability for a mistake as to the grounds for ejecting or excluding a person if the ejection or exclusion was based upon a reasonable and good faith belief, after a reasonable investigation, that these sections applied to the individual in question.

(b) Notwithstanding subdivision (a), a gambling enterprise may not be relieved from liability for any damages arising from the means of ejection or exclusion.
Article 4. Licensing

§ 19850. State gambling license, key employee license, or work permit; requirements; violation; punishment

Every person who, either as owner, lessee, or employee, whether for hire or not, either solely or in conjunction with others, deals, operates, carries on, conducts, maintains, or exposes for play any controlled game in this state, or who receives, directly or indirectly, any compensation or reward, or any percentage or share of the money or property played, for keeping, running, or carrying on any controlled game in this state, shall apply for and obtain from the commission, and shall thereafter maintain, a valid state gambling license, key employee license, or work permit, as specified in this chapter. In any criminal prosecution for violation of this section, the punishment shall be as provided in Section 337j of the Penal Code.

§ 19850.5. Application of chapter

Notwithstanding Section 19850 or any other provision of law, this chapter shall apply to both of the following:

(a) The operation, regulation, and enforcement of remote caller bingo, as defined in paragraph (1) of subdivision (t) of Section 326.3 of the Penal Code, to the extent expressly made applicable by Section 326.3 of the Penal Code. No requirement contained in this chapter shall apply to remote caller bingo unless expressly made applicable by Section 326.3 of the Penal Code.

(b) The regulation of card-minding devices as provided in subdivision (p) of Section 326.5 of the Penal Code, to the extent expressly made applicable by Section 326.5 of the Penal Code. No requirement contained in this chapter shall apply to card-minding devices unless expressly made applicable by Section 326.5 of the Penal Code.

§ 19850.6. Remote caller bingo and card-minding devices; exemption from normal rulemaking procedural requirements; emergency regulations

(a) In order to avoid delays in implementing the California Remote Caller Bingo Act, including implementing remote caller bingo, testing and certifying card-minding devices, and to avoid disruption of fundraising efforts by nonprofit organizations, the Legislature finds and declares that it is necessary to provide the commission with a limited exemption from normal rulemaking procedural requirements. The commission is directed to adopt appropriate emergency regulations as soon as possible, the initial regulatory action to be filed with the Office of Administrative Law no later than May 1, 2009. It is the intent of the Legislature to provide the commission with full authority and sufficient flexibility to adopt all needed regulations. These regulations may be adopted in a series of regulatory actions. Subsequent regulatory actions may amend or repeal earlier regulatory actions, as necessary, to reflect program experience and concerns of the regulated public.

(b) The commission shall adopt emergency regulations concerning remote caller bingo and concerning card-minding devices no later than May 1, 2009. The adoption, amendment, repeal, or readoption of a regulation authorized by this section is deemed to address an emergency, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the commission is hereby exempted for this purpose from the requirements of subdivision (b) of Section 11346.1 of the Government Code, but shall otherwise be subject to the review and approval of the Office of Administrative Law.

(c) Notwithstanding any other law, all emergency regulations adopted by the commission pursuant to this section before July 1, 2009, shall remain in effect until December 31, 2011, except to the extent that the commission exercises its power to adopt, amend, or repeal these regulations in whole or in part.
§ 19851. State gambling license; owner of gambling enterprise; endorsement on license; application to key employee licenses

(a) The owner of a gambling enterprise shall apply for and obtain a state gambling license. The owner of a gambling enterprise shall be known as the owner-licensee.

(b) Other persons who also obtain a state gambling license, as required by this chapter, shall not receive a separate license certificate, but the license of every such person shall be endorsed on the license certificate that is issued to the owner of the gambling enterprise.

§ 19852. Owner not natural person; eligibility for state gambling license; individual licenses

Except as provided in Section 19852.2, an owner of a gambling enterprise that is not a natural person shall not be eligible for a state gambling license unless each of the following persons individually applies for and obtains a state gambling license:

(a) If the owner is a corporation, then each officer, director, and shareholder, other than a holding or intermediary company, of the owner. The foregoing does not apply to an owner that is either a publicly traded racing association or a qualified racing association.

(b) If the owner is a publicly traded racing association, then each officer, director, and owner, other than an institutional investor, of 5 percent or more of the outstanding shares of the publicly traded corporation.

(c) If the owner is a qualified racing association, then each officer, director, and shareholder, other than an institutional investor, of the subsidiary corporation and any owner, other than an institutional investor, of 5 percent or more of the outstanding shares of the publicly traded corporation.

(d) If the owner is a partnership, then every general and limited partner of, and every trustee or person, other than a holding or intermediary company, having or acquiring a direct or beneficial interest in, that partnership owner.

(e) If the owner is a trust, then the trustee and, in the discretion of the commission, any beneficiary and the trustor of the trust.

(f) If the owner is a limited liability company, every officer, manager, member, or owner.

(g) If the owner is a business organization other than a corporation, partnership, trust, or limited liability company, then all those persons as the commission may require, consistent with this chapter.

(h) Each person who receives, or is to receive, any percentage share of the revenue earned by the owner from gambling activities.

(i) Every employee, agent, guardian, personal representative, lender, or holder of indebtedness of the owner who, in the judgment of the commission, has the power to exercise a significant influence over the gambling operation.

§ 19852.2. Card clubs on or contiguous to the grounds of a racetrack; exemption from licensing requirements

(a) Notwithstanding Section 19852 or any other provision of law, and solely for the purpose of the licensure of a card club located on any portion of, or contiguous to, the grounds upon which a racetrack is or had been previously located and horserace meetings were authorized to be conducted by the California Horse Racing Board on or before January 1, 2012, that is owned by a limited partnership that
also owns or owned the racetrack, the commission may, at its discretion, exempt all of the following from the licensing requirements of this chapter:

(1) The limited partners in a limited partnership that holds interest in a holding company if all of the following criteria are met:

   (A) The limited partners of the limited partnership in the aggregate directly hold at least 95 percent of the interest in the holding company.

   (B) The limited partner is one of the following:

       (i) An “institutional investor” as defined in subdivision (w) of Section 19805.

       (ii) An “employee benefit plan” as defined in Section 1002(3) of Title 29 of the United States Code.

       (iii) An investment company that manages a state university endowment.

(2) Other limited partners in a limited partnership described in paragraph (1), if the partners do not number more than five and each partner indirectly owns 1 percent or less of the shares of the interest in the holding company.

(3) A limited partner in a limited partnership that holds in the aggregate less than 5 percent of the interest in a holding company.

(b) Nothing in this section shall be construed to limit the licensure requirements for a general partner of a limited partnership or a limited partner that is not specifically described in this section.

§ 19853. Registration, finding of suitability, or gambling license; commission or department requirement of certain individuals or corporations

(a) The commission, by regulation or order, may require that the following persons register with the commission, apply for a finding of suitability as defined in subdivision (j) of Section 19805, or apply for a gambling license:

(1) Any person who furnishes any services or any property to a gambling enterprise under any arrangement whereby that person receives payments based on earnings, profits, or receipts from controlled gambling.

(2) Any person who owns an interest in the premises of a licensed gambling establishment or in real property used by a licensed gambling establishment.

(3) Any person who does business on the premises of a licensed gambling establishment.

(4) Any person who is an independent agent of, or does business with, a gambling enterprise as a ticket purveyor, a tour operator, the operator of a bus program, or the operator of any other type of travel program or promotion operated with respect to a licensed gambling establishment.

(5) Any person who provides any goods or services to a gambling enterprise for compensation that the commission finds to be grossly disproportionate to the value of the goods or services provided.

(6) Every person who, in the judgment of the commission, has the power to exercise a significant influence over the gambling operation.

(b) The department may conduct any investigation it deems necessary to determine whether a publicly traded corporation is, or has, engaged in activities specified in paragraph (2), (3), or (4) of
subdivision (a), and shall report its findings to the commission. If a publicly traded corporation is engaged in activities described in paragraph (2), (3), or (4) of subdivision (a), the commission may require the corporation and the following other persons to apply for and obtain a license or finding of suitability:

(1) Any officer or director.

(2) Any owner, other than an institutional investor, of 5 percent or more of the outstanding shares of the corporation.

§ 19854. Key employee license; qualifications; effect of license; establishment of portable personal license program

(a) Every key employee shall apply for and obtain a key employee license.

(b) No person may be issued a key employee license unless the person would qualify for a state gambling license.

(c)(1) Except as provided in paragraph (2), a key employee license shall entitle the holder to work as a key employee in any key employee position at any gambling establishment, provided that the key employee terminates employment with one gambling establishment before commencing work for another.

(2) Notwithstanding paragraph (1), a key employee with a valid personal portable license may work as a key employee in any key employee position in more than one gambling establishment.

(d) The commission shall establish a program for portable personal licenses for key employees, as well as a process by which valid key employee licenses then in effect shall be converted to personal portable licenses. The commission may, as part of that process, establish a fee to be paid by a key employee when seeking a personal portable license. The commission shall seek to implement the requirements imposed by this subdivision on or before July 1, 2008.

§ 19855. License required prior to activity; period to file application

Except as otherwise provided by statute or regulation, every person who, by statute or regulation, is required to hold a state license shall obtain the license prior to engaging in the activity or occupying the position with respect to which the license is required. Every person who, by order of the commission, is required to apply for a gambling license or a finding of suitability shall file the application within 45 calendar days after receipt of the order.

§ 19856. License issuance; burden of proving qualifications; considerations

(a) Any person who the commission determines is qualified to receive a state license, having due consideration for the proper protection of the health, safety, and general welfare of the residents of the State of California and the declared policy of this state, may be issued a license. The burden of proving his or her qualifications to receive any license is on the applicant.

(b) An application to receive a license constitutes a request for a determination of the applicant’s general character, integrity, and ability to participate in, engage in, or be associated with, controlled gambling.

(c) In reviewing an application for any license, the commission shall consider whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the gambling operations with respect to which the license would be issued are free from criminal and dishonest elements and would be conducted honestly.
§ 19857. License issuance; applicant qualification requirements

No gambling license shall be issued unless, based on all of the information and documents submitted, the commission is satisfied that the applicant is all of the following:

(a) A person of good character, honesty, and integrity.

(b) A person whose prior activities, criminal record, if any, reputation, habits, and associations do not pose a threat to the public interest of this state, or to the effective regulation and control of controlled gambling, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, and activities in the conduct of controlled gambling or in the carrying on of the business and financial arrangements incidental thereto.

(c) A person that is in all other respects qualified to be licensed as provided in this chapter.

§ 19858. License to hold state gambling license to own gambling establishment; financial interest in organizations engaged in prohibited form of gambling; exemptions from prohibition; time frame and procedures relating to divestment

(a) Except as provided in subdivisions (b) and (c), a person shall be deemed to be unsuitable to hold a state gambling license to own a gambling establishment if the person, or any partner, officer, director, or shareholder of the person, has any financial interest in any business or organization that is engaged in any form of gambling prohibited by Section 330 of the Penal Code, whether within or without this state.

(b) Subdivision (a) shall not apply to a publicly traded racing association, a qualified racing association, or any person who is licensed pursuant to subdivision (b) or (c) of Section 19852.

(c) Subdivision (a) shall not apply to a person who meets all of the following criteria:

(1) The person is licensed or had an application to be licensed on file with the commission on or before February 1, 2013.

(2) The person has a financial interest in a business or organization engaged in gambling prohibited by Section 330 of the Penal Code that was closed and was not engaged in prohibited gambling at the time the person was either licensed or had filed an application to be licensed with the commission.

(3) The person has a financial interest in a gambling establishment that is located on any portion of, or contiguous to, the grounds on which a racetrack is or had been previously located and horserace meetings were authorized to be conducted by the California Horse Racing Board on or before January 1, 2012.

(4) The grounds upon which the gambling establishment described in paragraph (3) is located are directly or indirectly owned by a racetrack limited partnership owner. For purposes of this paragraph, a “racetrack limited partnership owner” is defined as a limited partnership, or a number of related limited partnerships, that is or are at least 80 percent capitalized by limited partners that are an “institutional investor” as defined in subdivision (w) of Section 19805, an “employee benefit plan” as defined in Section 1002(3) of Title 29 of the United States Code, or an investment company that manages a state university endowment.

(d) Within three years of the date the closed business or organization reopens or becomes engaged in any form of gambling prohibited by Section 330 of the Penal Code, a person described in subdivision (c) shall either divest that person’s interest in the business or organization, or divest that person’s interest in the gambling enterprise or gambling establishment for which the person is licensed or has applied to be licensed by the commission.
(e) A person described in subdivision (c) shall inform the commission within 30 days of the date on which a business or organization in which the person has a financial interest begins to engage in any form of gambling prohibited by Section 330 of the Penal Code.

(f) During the three-year divestment period described in subdivision (d), it is unlawful for any cross-promotion or marketing to occur between the business or organization that is engaged in any form of gambling prohibited by Section 330 of the Penal Code and the gambling enterprise or gambling establishment described in paragraph (3) of subdivision (c). For purposes of this subdivision, "cross-promotion or marketing" means the offering to any customers of the gambling enterprise or gambling establishment anything of value related to visiting or gambling at the business or organization engaged in any form of gambling prohibited by Section 330 of the Penal Code.

(g) During the three-year divestment period described in subdivision (d), any funds used in connection with the capital improvement of the gambling enterprise or gambling establishment described in paragraph (3) of subdivision (c) shall not be provided from the gaming revenues of either the business or organization engaged in gaming prohibited under Section 330 of the Penal Code.

(h) If, at the end of the three-year divestment period described in subdivision (d), any person described in subdivision (c) has not divested his or her interest in either the gambling enterprise or gambling establishment or the business or organization engaged in any form of gaming prohibited under Section 330 of the Penal Code, the prohibitions of Section 19858 as it read on January 1, 2013, apply.

§ 19858.5. Financial interest in another lawful gambling business

Notwithstanding Section 19858, the commission may, pursuant to this chapter, deem an applicant or licensee suitable to hold a state gambling license even if the applicant or licensee has a financial interest in another business that conducts lawful gambling outside the state that, if conducted within California, would be unlawful, provided that an applicant or licensee may not own, either directly or indirectly, more than a 1 percent interest in, or have control of, that business.

§ 19859. License denial; applicant disqualification

The commission shall deny a license to any applicant who is disqualified for any of the following reasons:

(a) Failure of the applicant to clearly establish eligibility and qualification in accordance with this chapter.

(b) Failure of the applicant to provide information, documentation, and assurances required by this chapter or requested by the chief, or failure of the applicant to reveal any fact material to qualification, or the supplying of information that is untrue or misleading as to a material fact pertaining to the qualification criteria.

(c) (1) Except as provided in paragraph (2), conviction of a felony, including a conviction by a federal court or a court in another state for a crime that would constitute a felony if committed in California.

(2) A conviction of a felony for the possession of cannabis, the facts of which would not constitute a felony or misdemeanor under California law on the date the application for a license is submitted, shall not constitute a basis to deny a license pursuant to this section.

(d) Conviction of the applicant for any misdemeanor involving dishonesty or moral turpitude within the 10-year period immediately preceding the submission of the application, unless the applicant has been granted relief pursuant to Section 1203.4, 1203.4a, or 1203.45 of the Penal Code; provided, however, that the granting of relief pursuant to Section 1203.4, 1203.4a, or 1203.45 of the Penal Code
shall not constitute a limitation on the discretion of the commission under Section 19856 or affect the applicant’s burden under Section 19857.

(e) Association of the applicant with criminal profiteering activity or organized crime, as defined by Section 186.2 of the Penal Code.

(f) Contumacious defiance by the applicant of any legislative investigatory body, or other official investigatory body of any state or of the United States, when that body is engaged in the investigation of crimes relating to gambling; official corruption related to gambling activities; or criminal profiteering activity or organized crime, as defined by Section 186.2 of the Penal Code.

(g) The applicant is less than 21 years of age, except as provided by this chapter.

§ 19860. License denial; establishment in location without required ordinance

(a) The commission shall deny a gambling license with respect to any gambling establishment that is located in a city, county, or city and county that does not have an ordinance governing all of the following matters:

(1) The hours of operation of gambling establishments.

(2) Patron security and safety in and around the gambling establishments.

(3) The location of gambling establishments.

(4) Wagering limits in gambling establishments.

(5) The number of gambling tables in each gambling establishment and in the jurisdiction.

(b) In any city, county, or city and county in which the local gambling ordinance does not govern the matters specified in subdivision (a), any amendment to the ordinance to govern those matters is not subject to Section 19961, provided that a local election is required to add these matters, and the ordinance only provides for private clubs by vote of the people, and that the ordinance is amended to contain these matters on or before July 1, 2000.

§ 19861. Denial of license; criteria

(a) Notwithstanding subdivision (j) of Section 19801, the commission shall not deny a license to a gambling establishment solely because it is not open to the public, if all of the following are true:

(1) The gambling establishment is situated in a local jurisdiction that has an ordinance allowing only private clubs, the gambling establishment was in operation as a private club under that ordinance on December 31, 1997, and it met all applicable state and local gaming registration requirements.

(2) The gambling establishment consists of no more than five gaming tables.

(3) Video recordings of the entrance to the gambling room or rooms and all tables situated therein are made during all hours of operation by means of closed-circuit television cameras, and these recordings are retained for a period of 30 days and are made available for review by the department upon request.

(4) The gambling establishment is open to members of the private club and their spouses in accordance with membership criteria in effect as of December 31, 1997.

(b) A gambling establishment meeting the criteria set forth in subdivision (a), in addition to the other requirements of this chapter, may be licensed to operate as a private club gambling establishment until
November 30, 2003, or until the ownership or operation of the gambling establishment changes from
the ownership or operation as of January 1, 1998, whichever occurs first. Operation of the gambling
establishments after this date shall only be permitted if the local jurisdiction approves an ordinance,
pursuant to Sections 19961 and 19962, authorizing the operation of gambling establishments that are
open to the public. The commission shall adopt regulations implementing this section. Before the
commission’s issuance of a license to a private club, the department shall ensure that the ownership of
the gambling establishment has remained constant since January 1, 1998, and the operation of the
gaming establishment has not been leased to a third party.

§ 19862. License denial; consideration by commission; additional grounds

(a) In addition to other grounds stated in this chapter, the commission may deny a gambling license
for any of the following reasons:

(1) If issuance of the license with respect to the proposed gambling establishment or expansion
would tend unduly to create law enforcement problems in a city, county, or city and county other
than the city, county, or city and county that has regulatory jurisdiction over the applicant’s
premises.

(2) If an applicant fails to conduct an economic feasibility study that demonstrates to the
satisfaction of the commission that the proposed gambling establishment will be economically
viable, and that the owners have sufficient resources to make the gambling establishment
successful. The commission shall hold a public meeting for the purpose of reviewing the
feasibility study. All papers, studies, projections, pro formas, and other materials filed with the
commission pursuant to an economic feasibility study are public records and shall be disclosed
to all interested parties.

(3) If issuance of the license is sought in respect to a new gambling establishment, or the
expansion of an existing gambling establishment, that is to be located or is located near an
existing school, an existing building used primarily as a place of worship, an existing playground
or other area of juvenile congregation, an existing hospital, convalescence facility, or near
another similarly unsuitable area, as determined by regulation of the commission, which is
located in a city, county, or city and county other than the city, county, or city and county that
has regulatory jurisdiction over the applicant’s gambling premises.

(b) For the purposes of this section, “expansion” means an increase of 25 percent or more in the
number of authorized gambling tables in a gambling establishment, based on the number of gambling
tables for which a license was initially issued pursuant to this chapter.

§ 19863. Publicly traded racing association or qualified racing association; gaming
establishment

A publicly traded racing association or a qualified racing association shall be allowed to operate
only one gambling establishment, and the gaming establishment shall be located on the same premises
as the entity’s racetrack.

§ 19864. State license application; forms; content

(a) Application for a state license or other commission action shall be submitted to the department
on forms furnished by the department.

(b) The application for a gambling license shall include all of the following:

(1) The name of the proposed licensee.

(2) The name and location of the proposed gambling establishment.
(3) The gambling games proposed to be conducted.

(4) The names of all persons directly or indirectly interested in the business and the nature of the interest.

(5) A description of the proposed gambling establishment and operation.

(6) Any other information and details the commission may require in order to discharge its duties properly.

§ 19865. Supplemental forms; content

The department shall furnish to the applicant supplemental forms, which the applicant shall complete and file with the department. These supplemental forms shall require, but shall not be limited to requiring, complete information and details with respect to the applicant's personal history, habits, character, criminal record, business activities, financial affairs, and business associates, covering at least a 10-year period immediately preceding the date of filing of the application. Each applicant shall submit two sets of fingerprints, using "live scan" or other prevailing, accepted technology, or on forms provided by the department. The department may submit one fingerprint card to the United States Federal Bureau of Investigation.

§ 19866. Information disclosure by applicant

An applicant for licensing or for any approval or consent required by this chapter, shall make full and true disclosure of all information to the department and the commission as necessary to carry out the policies of this state relating to licensing, registration, and control of gambling.

§ 19867. Deposit; costs and charges of investigation; refund; accounting

(a) An application for a license or a determination of suitability shall be accompanied by the deposit of a sum of money that, in the judgment of the chief, will be adequate to pay the anticipated costs and charges incurred in the investigation and processing of the application. The chief shall adopt a schedule of costs and charges of investigation for use as guidelines in fixing the amount of any required deposit under this section. The schedule shall distinguish between initial and renewal licenses with respect to costs and charges.

(b) During an investigation, the chief may require an applicant to deposit any additional sums as are required by the department to pay final costs and charges of the investigation.

(c) Any money received from an applicant in excess of the costs and charges incurred in the investigation or the processing of the application shall be refunded pursuant to regulations adopted by the department. At the conclusion of the investigation, the chief shall provide the applicant a written, itemized accounting of the costs and charges thereby incurred.

§ 19868. Investigation; commencement; conclusion; denial recommendation; report; confidential information; denial without prejudice

(a) Within a reasonable time after the filing of an application and any supplemental information the department may require, and the deposit of any fee required pursuant to Section 19867, the department shall commence its investigation of the applicant and, for that purpose, may conduct any proceedings it deems necessary. To the extent practicable, all applications shall be acted upon within 180 calendar days of the date of submission of a completed application. If an investigation has not been concluded within 180 days after the date of submission of a completed application, the department shall inform the applicant in writing of the status of the investigation and shall also provide the applicant with an estimated date on which the investigation may reasonably be expected to be concluded.
(b) If denial of the application, or approval of the license with restrictions or conditions on the license, is recommended, the chief shall prepare and file with the commission his or her written reasons upon which the recommendation is based.

(1) Prior to filing his or her recommendation with the commission, the chief shall meet with the applicant, or the applicant’s duly authorized representative, and inform him or her generally of the basis for any proposed recommendation that the application be denied, restricted, or conditioned.

(2) Not less than 10 business days prior to the meeting of the commission at which the application is to be considered, the department shall deliver to the applicant a summary of the chief’s final report and recommendation.

(3) This section requires the department neither to divulge to the applicant any confidential information received from any law enforcement agency or any information received from any person with assurances that the information would be maintained confidential, nor to divulge any information that might reveal the identity of any informer or jeopardize the safety of any person.

(c) If a restriction or condition on the license is recommended, the chief shall prepare and file with the commission his or her written reasons upon which the recommendation is based.

(1) Prior to filing his or her recommendation with the commission, and not less than 10 business days prior to the meeting of the commission at which the application is to be considered, the chief shall inform the applicant in writing generally of the basis for any proposed recommendation that the application be restricted or conditioned, including the legal and factual grounds on which the recommendation is based.

(2) This section does not require the department to divulge to the applicant any confidential information received from any law enforcement agency or any information received from any person with assurances that the information would be maintained confidential, or to divulge any information that might reveal the identity of any informer or jeopardize the safety of any person.

(d) A recommendation of denial of an application shall be without prejudice to a new and different application filed in accordance with applicable regulations.

§ 19869. Request for withdrawal of application; denial; grant with prejudice; fee refund

A request for withdrawal of an application may be made at any time prior to a final action upon the application by the commission by the filing of a written request to withdraw with the department. The commission shall not grant the request unless the applicant has established that withdrawal of the application would be consistent with the public interest and the policies of this chapter. If a request for withdrawal is denied, the department may go forward with its investigation and make a recommendation to the commission upon the application, if applicable, and the commission may act upon the application as if no request for withdrawal had been made. If a request for withdrawal is granted with prejudice, the applicant thereafter shall be ineligible to submit or renew its application until the expiration of one year from the date of the withdrawal. Unless the commission otherwise directs, any application fee or other payment relating to any application is not refundable by reason of withdrawal of an application.

§ 19870. Commission authority to deny or grant license; restrictions; statement of reasons for denial; record of meeting proceedings; review by petition

(a) The commission, after considering the recommendation of the chief and any other testimony and written comments as may be presented at the meeting, or as may have been submitted in writing
to the commission prior to the meeting, may deny the application, grant a license to an applicant who it
determines to be qualified to hold the license, or refer the application to an evidentiary hearing.

(b) When the commission grants an application for a license or approval, the commission may limit
or place restrictions on the license or approval as it may deem necessary in the public interest,
consistent with the policies described in this chapter.

c) If, during a meeting, the commission denies an application, denies approval, or approves with
limits, restrictions, or conditions, the action shall be stayed for a period of 30 days after the meeting,
during which the applicant may request an evidentiary hearing. If the applicant does not file a request
for an evidentiary hearing within 30 days, the action of the commission taken at the meeting is final. If
the applicant waives the right to hearing and assents to the action of the commission in writing, upon
receipt of the waiver by the commission, the action shall no longer be stayed. If the applicant files a
timely request for an evidentiary hearing, the action shall be vacated and the application shall be
reviewed de novo at the evidentiary hearing.

d) When an application is denied after an evidentiary hearing, the commission shall prepare and
file a detailed statement of its reasons for the denial.

e) All proceedings relating to an application at a meeting of the commission or at an evidentiary
hearing shall be recorded stenographically or by audio or video recording.

f) A decision of the commission after an evidentiary hearing, denying a license or approval, or
imposing any condition or restriction on the grant of a license or approval may be reviewed by petition
pursuant to Section 1085 of the Code of Civil Procedure. Section 1094.5 of the Code of Civil Procedure
does not apply to any judicial proceeding held to consider that petition, and the court may grant the
petition only if the court finds that the action of the commission was arbitrary and capricious, or that the
action exceeded the commission’s jurisdiction.

§ 19871. Conduct of commission meetings

(a) An evidentiary hearing described in Section 19870 shall be conducted in accordance with
regulations of the commission and as follows:

(1) Oral evidence shall be taken only upon oath or affirmation.

(2) Each party shall have all of the following rights:

   (A) To call and examine witnesses.

   (B) To introduce exhibits relevant to the issues of the case.

   (C) To cross-examine opposing witnesses on any matters relevant to the issues, even if the
       matter was not covered on direct examination.

   (D) To impeach any witness, regardless of which party first called the witness to testify.

   (E) To offer rebuttal evidence.

(3) If the applicant does not testify on their own behalf, the applicant may be called and
examined as if under cross-examination.

(4) The hearing need not be conducted according to technical rules relating to evidence and
witnesses. Any relevant evidence may be considered, and is sufficient in itself to support a
finding, if it is the sort of evidence on which responsible persons are accustomed to rely in the
conduct of serious affairs, regardless of the existence of any common law or statutory rule that might make improper the admission of that evidence over objection in a civil action.

(b) This section does not confer upon an applicant a right to discovery of the department’s investigative reports or to require disclosure of any document or information the disclosure of which is otherwise prohibited by any other provision of this chapter.

§ 19872. Ex parte communications; disqualification of commission members; application denial

(a) No member of the commission may communicate ex parte, directly or indirectly, with any applicant, or any agent, representative, or person acting on behalf of an applicant, upon the merits of an application for a license, permit, registration, or approval while the application is being investigated by the department or pending disposition before the department or the commission.

(b) No applicant, or any agent, representative, or person acting on behalf of an applicant, and no person who has a direct or indirect interest in the outcome of a proceeding to consider an application for a license, permit, registration, or approval may communicate ex parte, directly or indirectly, with any member of the commission, upon the merits of the application while the application is being investigated by the department or pending disposition before the department.

(c) No employee or agent of the department, applicant, or any agent, representative, or person acting on behalf of an applicant, and no person who has a direct or indirect interest in the outcome of a proceeding to consider an application for a license, permit, registration, or approval may communicate ex parte, directly or indirectly, with any member of the commission, upon the merits of the application, while the application is pending disposition before the commission.

(d) The receipt by a member of the commission of an ex parte communication prohibited by this section may provide the basis for disqualification of that member or the denial of the application. The commission shall adopt regulations to implement this subdivision.

(e) For the purposes of this subdivision, “ex parte” means a communication without notice and opportunity for all parties to participate in the communication.

(f) Nothing in this section precludes a communication made on the record at a public hearing on a properly agendized matter.

§ 19873. License assignment or transfer

No license may be assigned or transferred either in whole or in part.

§ 19874. License issue and delivery; terms and conditions

Subject to subdivision (b) of Section 19851, the commission shall issue and deliver to the applicant a license entitling the applicant to engage in the activity for which the license is issued, together with an enumeration of any specific terms and conditions of the license if both of the following conditions have been met:

(a) The commission is satisfied that the applicant is eligible and qualified to receive the license.

(b) All license fees required by statute and by regulations of the commission have been paid.

§ 19875. Owner’s gambling license; posting

An owner’s gambling license shall be posted at all times in a conspicuous place in the area where gambling is conducted in the establishment for which the license is issued until it is replaced by a succeeding license.
§ 19876. License renewal; application; fees; penalties; closure of premises

(a) Subject to the power of the commission to deny, revoke, suspend, condition, or limit any license, as provided in this chapter, a license shall be renewed biennially.

(b) An application for renewal of a gambling license shall be filed by the owner licensee or key employee with the department no later than 120 calendar days prior to the expiration of the current license. The commission shall act upon any application for renewal prior to the date of expiration of the current license. Upon renewal of any owner license, the commission shall issue an appropriate renewal certificate or validating device or sticker.

(c) Notwithstanding the provisions of subdivision (b), if an applicant has submitted an application for renewal prior to the original expiration date of the current license and the commission is unable to act on the application prior to the expiration date, the commission may extend the current license for up to 180 days.

(d) Unless the commission determines otherwise, renewal of an owner’s gambling license shall be deemed to effectuate the renewal of every other gambling license endorsed thereon.

(e) In addition to the penalties provided by law, any owner licensee who deals, operates, carries on, conducts, maintains, or exposes for play any gambling game after the expiration date of the gambling license is liable to the state for all license fees and penalties that would have been due upon renewal.

(f) If an owner licensee fails to renew the gambling license as provided in this chapter, the commission may order the immediate closure of the premises and a cessation of all gambling activity therein until the license is renewed.

(g) If an owner licensee applicant submits an application for renewal of the gambling license after the deadline described in subdivision (b) but before the original expiration date of the license, the commission may assess reasonable delinquency fees not to exceed three times the usual application fee.

§ 19876.5. Work permit or finding of suitability; application for renewal; extension

If an applicant has submitted an application for renewal prior to the original expiration date of a work permit or finding of suitability and the commission is unable to act on the application prior to the expiration date, the commission may extend the current work permit or finding of suitability for up to 180 days. The commission may adopt regulations to provide for the extension of other approvals.

§ 19877. Failure to file renewal application; surrender of license; renewal on fee payment

The failure of an owner licensee to file an application for renewal before the date specified in this chapter may be deemed a surrender of the license. A license has not been renewed within the meaning of this section until all required renewal fees have been paid.

§ 19878. Contract with or employment of person denied license or with a suspended or revoked license or an application withdrawn with prejudice; termination or suspension of employee; remuneration for services; contract provisions

(a) Neither an owner licensee, nor a California affiliate of an owner licensee, shall enter into, without prior approval of the commission, any contract or agreement with a person who is denied a license, or whose license is suspended or revoked by the commission, or with any business enterprise under the control of that person, after the date of receipt of notice of the commission’s action.
(b) An owner licensee or an affiliate of the owner licensee shall not employ, without prior approval of the commission, any person in any capacity for which he or she is required to be licensed, if the person has been denied a license, or if his or her license has been suspended or revoked after the date of receipt of notice of the action by the commission. Neither an owner licensee, nor a California affiliate of an owner licensee, without prior approval of the commission, shall enter into any contract or agreement with a person whose application has been withdrawn with prejudice, or with any business enterprise under the control of that person, for the period of time during which the person is prohibited from filing a new application for licensure.

(c)(1) If an employee who is required to be licensed pursuant to this chapter fails to apply for a license within the time specified by regulation, is denied a license, or has his or her license revoked by the commission, the employee shall be terminated in any capacity in which he or she is required to be licensed and he or she shall not be permitted to exercise a significant influence over the gambling operation, or any part thereof, upon being notified of that action.

(2) If an employee who is required to be licensed pursuant to this chapter has his or her license suspended, the employee shall be suspended in any capacity in which he or she is required to be licensed and shall not be permitted to exercise a significant influence over the gambling operation, or any part thereof, during the period of suspension, upon being notified of that action.

(3) If the owner licensee designates another employee to replace the employee whose employment was terminated, the owner licensee shall promptly notify the department and shall require the newly designated employee to apply for a license.

(d) An owner licensee or an affiliate of the owner licensee shall not pay to a person whose employment has been terminated pursuant to subdivision (c) any remuneration for any service performed in any capacity in which the person is required to be licensed except for amounts due for services rendered before the date of receipt of notice of the commission’s action. Neither an owner licensee, nor an affiliate thereof, during the period of suspension, shall pay to a person whose employment has been suspended pursuant to subdivision (c), any remuneration for any service performed in any capacity in which the person is required to be licensed, except for amounts due for services rendered before the date of receipt of notice of the commission’s action.

(e) Except as provided in subdivision (c), a contract or agreement for the provision of services or property to an owner licensee or an affiliate thereof, or for the conduct of any activity at a gambling establishment, which is to be performed by a person required by this chapter or by regulations adopted pursuant to this chapter, to be licensed, shall be terminated upon a suspension or revocation of the person’s license.

(f) In any case in which a contract or agreement for the provision of services or property to an owner licensee or an affiliate thereof, or for the conduct of any activity at a gambling establishment, is to be performed by a person required by this chapter or by regulations adopted by the commission to be licensed, the contract shall be deemed to include a provision for its termination without liability on the part of the owner licensee or its duly registered holding company upon a suspension or revocation of the person’s license. In any action brought by the department or commission to terminate a contract pursuant to subdivision (c) or (e), it shall not be a defense that the agreement does not expressly include the provision described in this subdivision, and the lack of express inclusion of the provision in the agreement shall not be a basis for enforcement of the contract by a party thereto.

§ 19879. License application denial; interest in business entity

With regard to a person who has had his or her application for a license denied by the commission, all of the following shall apply:
(a) Except as provided in subdivision (c), the person shall not be entitled to profit from his or her investment in any business entity that has applied for or been granted a state license.

(b) The person shall not retain his or her interest in a business entity described in subdivision (a) beyond that period prescribed by the commission.

(c) The person shall not accept more for his or her interest in a business entity described in subdivision (a) than he or she paid for it, or the market value on the date of the denial of the license or registration, whichever is higher.

(d) Nothing in this section shall be construed as a restriction or limitation on the powers of the commission specified in this chapter.

(11) Any further financial data that the department, with the approval of the commission, may deem necessary or appropriate for the protection of the state.

(12) An annual profit-and-loss statement and an annual balance sheet, and a copy of its annual federal income tax return, within 30 calendar days after that return is filed with the Internal Revenue Service.

§ 19881. Articles of incorporation; purposes to include conduct of controlled gambling; department approval

(a) A corporation is not eligible to receive a license to own a gambling enterprise unless the conduct of controlled gambling is among the purposes stated in its articles of incorporation and the articles of incorporation have been submitted to and approved by the department.

(b) The Secretary of State shall not accept for filing any articles of incorporation of any corporation that include as a stated purpose the conduct of controlled gambling, or any amendment thereto, or any amendment that adds this purpose to articles of incorporation already filed, unless the articles have, or amendment has, been approved by the department.

§ 19882. Owner of security; license denial; sale of security; violation; statement on security

(a) If at any time the commission denies a license to, or revokes the license of, an individual owner of any security issued by a corporation that applies for or holds an owner license, the commission shall immediately notify the individual and the corporation of that fact. The owner of the security shall sell the security for an amount not greater than fair market value, within 60 calendar days of the denial or revocation. Upon a showing of due diligence, the commission may extend the time for selling the security.

(b) Beginning upon the date when the commission serves notice of the denial upon the corporation, it is unlawful for the denied security owner to do any of the following:

(1) Receive any dividend, income, or interest upon any security described in subdivision (a), except dividends equal to the good faith estimate of the owner’s personal share of any income tax due on the ownership interest until the date of the sale, as determined in writing by an independent certified public accountant, or as may be necessary to protect the election of the gambling enterprise to be treated as an “S corporation” under Subchapter S (commencing with Section 1361) of Chapter 1 of Subtitle A of the Internal Revenue Code.

(2) Exercise, directly or through any trustee or nominee, any voting right conferred by any security described in subdivision (a).

(3) Receive any remuneration in any form from the corporation for services rendered or for any other purpose.
(c) Every security issued by a corporate owner licensee shall bear a statement, on both sides of the certificate evidencing the security, of the restrictions imposed by this section.

(a) To the extent required by this chapter, officers and directors, shareholders, lenders, holders of evidence of indebtedness, underwriters, agents, or employees of a corporate owner licensee shall be licensed individually. (e) If any person, other than an officer, director, or shareholder, who is required to apply for a gambling license fails to do so, the failure may be deemed to be a failure of the corporate owner licensee to require the application.

No limited partnership is eligible to receive a license to own a gambling enterprise unless the conduct of gambling is among the purposes stated in the certificate of limited partnership.

§ 19892. Approval of sale or transfer of interest; license denial to interest owner; return of capital account amount; violation; statement on certificate

(a) The purported sale, assignment, transfer, pledge, or other disposition of any interest in a partnership or limited liability company that holds a gambling license, or the grant of an option to purchase the interest, is void unless approved in advance by the commission.
(b) If at any time the commission denies a license to, or revokes the license of, an individual owner of any interest described in subdivision (a), the commission shall immediately notify the individual and the partnership or limited liability company of that fact. 2. In a security issued by a holding company that is not a publicly traded corporation.

3. In a security issued by a partnership, limited partnership, or limited liability company that is a holder of a gambling license in this state.

(b) The commission shall adopt regulations establishing the procedure for the enforcement of a security interest. Any remedy provided by the regulations for the enforcement of the security interest is in addition to any other remedy provided by law.
§ 19901. Agreements with licensee in accordance with regulations; violation

It is unlawful for any person to sell, purchase, lease, hypothecate, borrow or loan money, or create a voting trust agreement or any other agreement of any sort to, or with, any licensee in connection with any controlled gambling operation licensed under this chapter or with respect to any portion of the gambling operation, except in accordance with the regulations of the commission.

§ 19902. Contract to sell or lease property or interest in property; commission approval or licensing of purchaser or lessee; contract provision; closing date

When any person contracts to sell or lease any property or interest in property, real or personal, under circumstances that require the approval or licensing of the purchaser or lessee by the commission pursuant to subdivision (a) of Section 19853, the contract shall not specify a closing date for the transaction that is prior to that approval or licensing by the commission. Any provision of a contract that specifies an earlier closing date is void for all purposes, but the invalidity does not affect the validity of any other provision of the contract.

§ 19903. Contract to sell or lease property or interest in property; contract provision; payment of fees

When any person contracts to sell or lease any property or interest in property, real or personal, under circumstances that require the approval or licensing of the purchaser or lessee by the commission pursuant to subdivision (a) of Section 19853, the contract shall contain a provision satisfactory to the commission regarding responsibility for the payment of any fees due pursuant to any subsequent deficiency determinations made under this chapter that shall encompass any period of time before the closing date of the transaction.

§ 19904. Disposition of or option to purchase security; void unless approved

The purported sale, assignment, transfer, pledge, or other disposition of any security issued by a corporation that holds a gambling license, or the grant of an option to purchase that security, is void unless approved in advance by the commission.

Every owner licensee that is involved in a transaction for the extension or redemption of credit by the licensee, or for the payment, receipt, or transfer of coin, currency, or other monetary instruments, as specified by the commission, in an amount, denomination, or amount and denomination, or under circumstances prescribed by regulations, and any other participant in the transaction, as specified by the commission, shall, if required by regulation, make and retain a record of, or file with the department a report on, the transaction, at the time and in the manner prescribed by regulations.

§ 19906. Contract for the sale of a gambling enterprise; outstanding gaming chips

(a) A contract for the sale of a gambling enterprise shall state whether any outstanding gaming chips from the seller will be honored by the purchaser. If the contract does not require the purchaser to honor the outstanding gaming chips used by the seller, then the contract shall indicate what provisions have been made for the redemption of outstanding gaming chips as of the closing date of the sale.

(b) Prior to any action of the commission on the proposed contract for sale of the gambling enterprise, the department shall determine the amount of the seller's outstanding gaming chip liability. The seller shall satisfy the commission that the amount of liability is safeguarded by a surety bond, escrow account, or other form of security sufficient to guarantee the availability of funds for the redemption of outstanding gaming chips. The seller shall give notice to the patrons of the gambling enterprise in order to provide an adequate opportunity for redemption of any outstanding gaming chips.
Article 8. Work Permits

§ 19910. Legislative findings

The Legislature finds that to protect and promote the health, safety, good order, and general welfare of the inhabitants of this state, and to carry out the policy declared by this chapter, it is necessary that the department ascertain and keep itself informed of the identity, prior activities, and present location of all gambling enterprise employees and independent agents in the State of California, and when appropriate to do so, recommend to the commission for approval persons for employment in gambling establishments as provided in this article.

§ 19911. Eligibility; age; issuance of permit; employment of persons 18 through 20 years of age

(a) A person under 21 years of age is not eligible for a work permit, and a permit shall not be issued to a person under 21 years of age.

(b) A person who is 18 through 20 years of age may be employed to work in a gambling establishment, without a work permit, but shall not be allowed to perform any duties of a gambling enterprise employee on the floor of the gambling establishment or in areas that are identified as restricted access areas to gambling enterprise employees, including, but not limited to, the cage, count room, surveillance room, security office, vault, and card storage. A person who is 18 through 20 years of age may be employed in job classifications that entail providing services exclusively off the gaming floor and that are not involved in the play of a controlled game.

§ 19912. Gambling enterprise employee or independent agent; work permit application; persons employed without work permit; issuance or denial of work permit; procedures

(a) (1) A person shall not be employed as a gambling enterprise employee, or serve as an independent agent, except as provided in paragraph (2), (3), or (4), unless the person is the holder of one of the following:

(A) A valid work permit issued in accordance with the applicable ordinance or regulations of the county, city, or city and county in which the person’s duties are performed.

(B) A work permit issued by the commission pursuant to regulations adopted by the commission for the issuance and renewal of work permits. A work permit issued by the commission shall be valid for two years.

(2) An independent agent is not required to hold a work permit if the independent agent is not a resident of this state and has registered with the department in accordance with regulations.

(3) A person whose job duties are not supervisory, not related to the operation or administration of gambling, and who does not perform employment duties in the area where gambling is conducted, may begin working as a gambling enterprise employee after applying for a work permit provided that the person wears a temporary badge on their outermost garment at chest level with their name, picture, and the words “Non-Gaming Employee, Work Permit Pending.” Except as provided in paragraph (4), after the person has received a work permit, the person may perform any duties for which a work permit is required. If the person is denied a work permit, the person shall not work as a gambling enterprise employee in any gaming or nongaming job.

(4) A person who is 18 through 20 years of age may be employed without a work permit and only in a position that is not supervisory, not related to the operation or administration of gambling, and not allowed to perform duties in an area in which gambling is conducted, until the person reaches 21 years of age, if the person wears a badge on their outermost garment at
chest level with the words “Non-Gaming Employee: Under 21.” The badge shall have a different background color than the badges worn by other gambling enterprise employees.

(b) Except as provided in this section, a work permit shall not be issued by the commission or by any city, county, or city and county to any person who would be disqualified from holding a state gambling license for the reasons specified in subdivisions (a) to (g), inclusive, of Section 19859.

(c) The department may object to the issuance of a work permit by a city, county, or city and county for any cause specified under this chapter deemed reasonable by the department, and if the department objects to issuance of a work permit, the work permit issued by a city, county, or city and county shall be denied.

(1) The commission shall adopt regulations specifying particular grounds for objection to issuance of, or refusal to issue, a work permit.

(2) The ordinance of any city, county, or city and county relating to issuance of work permits shall permit the department to object to the issuance of any permit.

(3) Any person whose application for a work permit has been denied because of an objection by the department may apply to the commission for an evidentiary hearing in accordance with regulations.

(d) Application for a work permit for use in any jurisdiction where a locally issued work permit is not required by the licensing authority of a city, county, or city and county shall be made to the department, and may be granted or denied by the commission for any cause specified under this chapter.

(1) If the commission denies the application, it shall include in its notice of denial a statement of facts upon which it relied in denying the application.

(2) Upon receipt of an application for a work permit, the commission may issue a temporary work permit for a period specified by the commission, pending completion of the background investigation by the department and official action by the commission with respect to the work permit application.

(e) An order of the commission denying an application for, or placing restrictions or conditions on, a work permit, including an order declining to issue a work permit following review pursuant to paragraph (3) of subdivision (c), may be reviewed in accordance with subdivision (e) of Section 19870.

§ 19913. Order of summary suspension; content; hearing

(a) The commission may issue an order summarily suspending a person’s work permit, whether issued by a city, county, or city and county, or by the commission, upon a finding that the suspension is necessary for the immediate preservation of the public peace, health, safety, or general welfare. The order is effective when served upon the holder of the permit.

(b) The order of summary suspension shall state facts upon which the finding of necessity for the suspension is based. For the purposes of this section, the order of summary suspension shall be deemed an accusation.

(c) An order of summary suspension shall be signed by at least three members of the commission.

(d) The person whose work permit is summarily suspended has a right to a hearing to commence not more than 30 calendar days from the date of service of the suspension.
§ 19914. Revocation of permit; grounds; hearing

(a) The commission may revoke a work permit or, if issued by the licensing authority of a city, county, or city and county, notify the authority to revoke it, and the licensing authority shall revoke it, if the commission finds, after a hearing, that a gambling enterprise employee or independent agent has failed to disclose, misstated, or otherwise misled the department or the commission with respect to any fact contained in any application for a work permit, or if the commission finds that the employee or independent agent, subsequent to being issued a work permit, has done any of the following:

(1) Committed, attempted, or conspired to do any acts prohibited by this chapter.

(2) Engaged in any dishonest, fraudulent, or unfairly deceptive activities in connection with controlled gambling, or knowingly possessed or permitted to remain in or upon any premises any cards, dice, mechanical devices, or any other cheating device.

(3) Concealed or refused to disclose any material fact in any investigation by the department.

(4) Committed, attempted, or conspired to commit, any embezzlement or larceny against a gambling licensee or upon the premises of a gambling establishment.

(5) Been convicted in any jurisdiction of any offense involving or relating to gambling.

(6) Accepted employment without prior commission approval in a position for which the employee or independent agent could be required to be licensed under this chapter after having been denied a license or after failing to apply for licensing when requested to do so by the commission.

(7) Been refused the issuance of any license, permit, or approval to engage in or be involved with gambling or parimutuel wagering in any jurisdiction, or had the license, permit, or approval revoked or suspended.

(8) Been prohibited under color of governmental authority from being present upon the premises of any licensed gambling establishment or any establishment where parimutuel wagering is conducted, for any reason relating to improper gambling activities or any illegal act.

(9) Been convicted of any felony.

(b) The commission shall revoke a work permit if it finds, after hearing, that the holder thereof would be disqualified from holding a state gambling license for the reasons specified in subdivision (f) or (g) of Section 19859.

(c) This section shall not be construed to limit any powers of the commission with respect to licensing.

§ 19915. Fee for issuance of work permit

The fee for a work permit issued by the commission shall be not less than twenty-five dollars ($25) or more than two hundred fifty dollars ($250).

Article 9. Conditions of Operation

§ 19920. Operation to protect public health, safety, and general welfare; disciplinary action

It is the policy of the State of California to require that all establishments wherein controlled gambling is conducted in this state be operated in a manner suitable to protect the public health, safety, and general welfare of the residents of the state. The responsibility for the employment and
maintenance of suitable methods of operation rests with the owner licensee, and willful or persistent use or toleration of methods of operation deemed unsuitable by the commission or by local government shall constitute grounds for license revocation or other disciplinary action.

§ 19921. Persons under 21; areas of access in a gambling establishment; entrance; loitering prohibited
(a) A person under 21 years of age is not permitted to enter upon the premises of a licensed gambling establishment, or any part thereof, except for the following areas:

(1) An area separated from a gambling area, used for a nongaming purpose, including for maintenance, parking, or business offices, or for the purpose of dining or food or beverage service or preparation. For purposes of this subdivision, a place where food or beverages are dispensed primarily by a vending machine is not a place for dining.

(2) Restrooms.

(3) A supervised room that is physically separated from a gambling area and used primarily for the purpose of entertainment or recreation.

(4) Those areas authorized in connection with employment in accordance with subdivision (b) of Section 19911.

(b) A person who is under 21 years of age and not a gambling enterprise employee may enter upon or pass through a gambling area on a designated pathway to reach any of the areas described in paragraphs (1) to (3), inclusive, of subdivision (a) only if accompanied by a person or gambling enterprise employee who is 21 years of age or over.

(c) A person under 21 years of age shall not be permitted to loiter in a gaming area.

§ 19922. Gambling enterprise operation in violation of chapter provisions or regulations
No owner licensee shall operate a gambling enterprise in violation of any provision of this chapter or any regulation adopted pursuant to this chapter.

§ 19923. Gambling enterprise operation in violation of local ordinance
No owner licensee shall operate a gambling enterprise in violation of any governing local ordinance.

§ 19924. Security Controls; approval of commission
Each owner licensee shall maintain security controls over the gambling premises and all operations therein related to gambling, and those security controls are subject to the approval of the commission.

Article 10. Disciplinary Actions
§ 19930. Investigations; accusations; fines or penalties; payment of costs and deposit of funds
(a) The department shall make appropriate investigations as follows:

(1) Determine whether there has been any violation of this chapter or any regulations adopted thereunder.

(2) Determine any facts, conditions, practices, or matters that it may deem necessary or proper to aid in the enforcement of this chapter or any regulation adopted thereunder.

(3) To aid in adopting regulations.
(4) To secure information as a basis for recommending legislation relating to this chapter.

(b) If, after any investigation, the department is satisfied that a license, permit, finding of suitability, or approval should be suspended or revoked, it shall file an accusation with the commission in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(c) In addition to any action that the commission may take against a license, permit, finding of suitability, or approval, the commission may also require the payment of fines or penalties. However, no fine imposed shall exceed twenty thousand dollars ($20,000) for each separate violation of any provision of this chapter or any regulation adopted thereunder.

(d) In any case in which the administrative law judge recommends that the commission revoke, suspend, or deny a license, the administrative law judge may, upon presentation of suitable proof, order the licensee or applicant for a license to pay the department the reasonable costs of the investigation and prosecution of the case.

(1) The costs assessed pursuant to this subdivision shall be fixed by the administrative law judge and may not be increased by the commission. When the commission does not adopt a proposed decision and remands the case to the administrative law judge, the administrative law judge may not increase the amount of any costs assessed in the proposed decision.

(2) The department may enforce the order for payment in the superior court in the county in which the administrative hearing was held. The right of enforcement shall be in addition to any other rights that the department may have as to any licensee directed to pay costs.

(3) In any judicial action for the recovery of costs, proof of the commission’s decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(e) Notwithstanding any other provision of law, all costs recovered under this section shall be deposited in the fines and penalties account, a special account described in subdivision (a) of Section 19950.

(f) For purposes of this section, “costs” include costs incurred for any of the following:

(1) The investigation of the case by the department.

(2) The preparation and prosecution of the case by the Office of the Attorney General.

§ 19931. Emergency orders; grounds; action; period of effectiveness; accusation; hearing

(a) The department may issue any emergency orders against an owner licensee, or any person involved in a transaction requiring prior approval, that the department deems reasonably necessary for the immediate preservation of the public peace, health, safety, or general welfare.

(b) The emergency order shall set forth the grounds upon which it is based, including a statement of facts constituting the alleged emergency necessitating the action.

(c) The emergency order is effective immediately upon issuance and service upon the owner licensee or any agent of the licensee registered with the department for receipt of service, or, in cases involving prior approval, upon issuance and service upon the person or entity involved, or upon an agent of that person or entity authorized to accept service of process in this state. The emergency order may suspend, limit, condition, or take other action in relation to the license of one or more persons in an operation without affecting other individual licensees, registrants, or the licensed gambling
establishment. The emergency order remains effective until further order of the commission at a meeting or final disposition of a proceeding conducted pursuant to subdivision (d).

(d) Within two calendar days after issuance of an emergency order, the department shall file an accusation with the commission against the person or entity involved. Thereafter, the person or entity against whom the emergency order has been issued and served is entitled to a hearing that, if so requested, shall commence within 10 business days of the date of the request if a gambling operation is closed by the order, and in all other cases, within 30 calendar days of the date of the request. On application of the department, and for good cause shown, a court may extend the time within which a hearing is required to be commenced, upon those terms and conditions that the court deems equitable.

§ 19932. Judicial review; stay; abuse of discretion; denial or issuance of alternative writ; exclusive method of review

(a) Any person aggrieved by a final decision or order of the commission that limits, conditions, suspends, or revokes any previously granted license or approval, made after hearing by the commission, may petition the Superior Court for the County of Sacramento for judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and Section 11523 of the Government Code. Notwithstanding any other provision of law, the standard set forth in paragraph (1) of subdivision (h) of Section 1094.5 of the Code of Civil Procedure shall apply for obtaining a stay of the operation of a final decision or order of the commission. In every case where it is claimed that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in light of the whole record.

(b) The court may summarily deny the petition, or the court may issue an alternative writ directing the commission to certify the whole record in the case to the court within a time specified. No new or additional evidence shall be introduced in the court, but, if an alternative writ issues, the cause shall be heard on the whole record as certified by the commission.

(c) In determining the cause following issuance of an alternative writ, the court shall enter judgment affirming, modifying, or reversing the order of the commission, or the court may remand the case for further proceedings before, or reconsideration by, the commission.

(d) Except as otherwise provided in Section 19870 and subdivision (e) in Section 19912, this section provides the exclusive means to review adjudicatory decisions of the commission.

Article 11. Penalties

§ 19940. List of Persons to be Excluded or Ejected from Establishment; Violation on Entry

Any person included on the list of persons to be excluded or ejected from a gambling establishment pursuant to this chapter is guilty of a misdemeanor if he or she thereafter knowingly enters the premises of a licensed gambling establishment.

§ 19941. Prohibitions for persons under 21; violations; defense

(a) A person under 21 years of age shall not do any of the following:

(1) Play, be allowed to play, place wagers at, or collect winnings from, whether personally or through an agent, a gambling game.

(2) Be employed as an employee in a licensed gambling establishment, except as provided in Section 19912.
(3) Present or offer to a licensee, or to an agent of a licensee, written, printed, or photostatic
evidence of age and identity that is false, fraudulent, or not actually the person’s own for the
purpose of doing any of the things described in paragraphs (1) and (2).

(4) Loiter in or about a room in which a gambling game is operated or conducted.

(b) A licensee or employee in a gambling establishment who knowingly violates or knowingly
permits the violation of paragraphs (1) to (3), inclusive, of subdivision (a) is guilty of a misdemeanor.

(c) A person under 21 years of age who violates this section is guilty of a misdemeanor.

(d) Proof that a licensee, or agent or employee of a licensee, demanded, was shown, and acted in
reliance upon bona fide evidence of age and identity shall be a defense to any criminal prosecution
under this section or to any proceeding for the suspension or revocation of a license or work permit
based thereon. For the purposes of this section, “bona fide evidence of age and identity” means a
document issued by a federal, state, county, or municipal government, or subdivision or agency thereof,
including, but not limited to, a motor vehicle operator’s license or an identification card issued to a
member of the Armed Forces, that contains the name, date of birth, description, and picture of the
person.

§ 19942. License fee violations; offense; penalty

(a) Any person who willfully fails to report, pay, or truthfully account for and pay over any license fee
imposed by this chapter, or who willfully attempts in any manner to evade or defeat the license fee or
payment thereof, shall be punished by imprisonment in a county jail, by a fine of not more than five
thousand dollars ($5,000), or by both that imprisonment and fine.

(b) Any person who willfully violates any of the provisions of this chapter for which a penalty is not
expressly provided, is guilty of a misdemeanor.

§ 19943. Failure to comply with specified regulations; violations; penalty

(a) Except as specified in subdivision (c), this section applies to any person or business that is
engaged in controlled gambling, whether or not licensed to do so.

(b) Any person or business described in subdivision (a), with actual knowledge of the requirements
of regulations adopted by the commission pursuant to subdivision (d) of Section 19841, that knowingly
and willfully fails to comply with the requirements of those regulations shall be liable for a monetary
penalty. The commission may impose a monetary penalty for each violation. However, in the first
proceeding that is initiated pursuant to this subdivision, the penalties for all violations shall not exceed a
total sum of ten thousand dollars ($10,000). If a penalty was imposed in a prior proceeding before the
commission, the penalties for all violations shall not exceed a total sum of twenty-five thousand dollars
($25,000). If a penalty was imposed in two or more prior proceedings before the commission, the
penalties for all violations shall not exceed a total sum of one hundred thousand dollars ($100,000).

(c) This section does not apply to any case where the person is criminally prosecuted in federal or
state court for conduct related to a violation of Section 14162 of the Penal Code.

§ 19943.5. Department approval of controlled game; absolute defense; burden of proof

If a gambling enterprise conducts play of a controlled game that has been approved by the
department pursuant to Section 19826, and the controlled game is subsequently found to be unlawful,
so long as the game was played in the manner approved, the approval by the department shall be an
absolute defense to any criminal, administrative, or civil action that may be brought, provided that the
game is played during the time for which it was approved by the department and the gambling
enterprise ceases play upon notice that the game has been found unlawful. In any enforcement action,
the gambling enterprise shall have the burden of proving the department approved the controlled game and that the game was played in the manner approved.

§ 19944. Interference with performance of duties; violation

Any person who willfully resists, prevents, impedes, or interferes with the department or the commission or any of their agents or employees in the performance of duties pursuant to this chapter is guilty of a misdemeanor, punishable by imprisonment in a county jail for not more than six months, by a fine not exceeding one thousand dollars ($1,000), or by both that imprisonment and fine.

Article 12. Revenues

§ 19950. Disposition of fines and penalties to special account in General Fund; disposition of other fees and revenue to Gambling Control Fund; expenditures

(a) All fines and penalties collected pursuant to this chapter shall be deposited in a special account in the General Fund, and, upon appropriation, may be expended by the Department of Justice to offset costs incurred pursuant to this chapter.

(b) Except as otherwise provided in subdivision (a), all fees and revenue collected pursuant to this chapter shall be deposited in the Gambling Control Fund, which is hereby created in the State Treasury. The funds deposited in the Gambling Control Fund shall be available, upon appropriation by the Legislature, for expenditure by the department and commission exclusively for the support of the department and commission in carrying out their duties and responsibilities under this chapter.

§ 19951. Fees

(a) Every application for a license or approval shall be accompanied by a nonrefundable fee, the amount of which shall be adopted by regulation on or before January 1, 2009. The adopted fee shall not exceed one thousand two hundred dollars ($1,200). Prior to adoption of the regulation, the nonrefundable application fee shall be five hundred dollars ($500).

(b) (1) Any fee paid pursuant to this section, including all licenses issued to key employees and other persons whose names are endorsed upon the license, shall be assessed against the gambling license issued to the owner of the gambling establishment. This paragraph shall not apply to key employee licenses issued on and after January 1, 2009, or the implementation of regulations establishing a personal key employee license adopted pursuant to Section 19854, whichever is sooner.

(2) (A) The fee for initial issuance of a state gambling license shall be an amount determined by the commission in accordance with regulations adopted pursuant to this chapter.

(B) The fee for the renewal of a state gambling license shall be determined pursuant to the schedule in subdivision (c) or the schedule in subdivision (d), whichever amount is greater.

(C) The holder of a provisional license shall pay an annual fee pursuant to the schedule in subdivision (c).

(c) The schedule based on the number of tables is as follows:

(1) For a license authorizing one to five tables, inclusive, at which games are played, three hundred dollars ($300) for each table.

(2) For a license authorizing six to eight tables, inclusive, at which games are played, five hundred fifty dollars ($550) for each table.

(3) For a license authorizing 9 to 14 tables, inclusive, at which games are played, one thousand three hundred dollars ($1,300) for each table.
(4) For a license authorizing 15 to 25 tables, inclusive, at which games are played, two thousand seven hundred dollars ($2,700) for each table.

(5) For a license authorizing 26 to 70 tables, inclusive, at which games are played, four thousand dollars ($4,000) for each table.

(6) For a license authorizing 71 or more tables at which games are played, four thousand seven hundred dollars ($4,700) for each table.

(d) Without regard to the number of tables at which games may be played pursuant to a gambling license, if, at any time of any license renewal, or when a licensee is required to pay the fee described in subparagraph (C) of paragraph (2) of subdivision (b) it is determined that the gross revenues of an owner licensee during the licensee’s previous fiscal year fell within the following ranges, the annual fee shall be as follows:

(1) For a gross revenue of two hundred thousand dollars ($200,000) to four hundred ninety-nine thousand nine hundred ninety-nine dollars ($499,999), inclusive, the amount specified by the department pursuant to paragraph (2) of subdivision (c).

(2) For a gross revenue of five hundred thousand dollars ($500,000) to one million nine hundred ninety-nine thousand nine hundred ninety-nine dollars ($1,999,999), inclusive, the amount specified by the department pursuant to paragraph (3) of subdivision (c).

(3) For a gross revenue of two million dollars ($2,000,000) to nine million nine hundred ninety-nine thousand nine hundred ninety-nine dollars ($9,999,999), inclusive, the amount specified by the department pursuant to paragraph (4) of subdivision (c).

(4) For a gross revenue of ten million dollars ($10,000,000) to twenty-nine million nine hundred ninety-nine thousand nine hundred ninety-nine dollars ($29,999,999), the amount specified by the department pursuant to paragraph (5) of subdivision (c).

(5) For a gross revenue of thirty million dollars ($30,000,000) or more, the amount specified by the department pursuant to paragraph (6) of subdivision (c).

(e) The department may provide for payment of the annual gambling license fee on an annual or installment basis.

(f) For the purposes of this section, each table at which a game is played constitutes a single game table.

(g) It is the intent of the Legislature that the fees paid pursuant to this section are sufficient to enable the department and the commission to fully carry out their duties and responsibilities under this chapter.

§ 19952. Special license fee; excess tables for tournaments and special events

The commission, by regulation, shall establish fees for special licenses authorizing irregular operation of tables in excess of the total number of tables otherwise authorized to a licensed gambling establishment, for tournaments and other special events.

§ 19953. License tax; imposition by city, county, or city and county

Nothing contained in this chapter shall be deemed to restrict or limit the power of any city, county, or city and county to fix, impose, and collect a license tax.
§ 19954. Gambling Addiction Program Fund; fee

In addition to those fees required pursuant to Section 19951, each licensee shall pay an additional one hundred dollars ($100) for each table for which it is licensed to the State Department of Public Health for deposit in the Gambling Addiction Program Fund, which is hereby established to benefit those who have a gambling addiction problem. These funds shall be made available, upon appropriation by the Legislature, to community-based organizations that directly provide aid and assistance to those persons with a gambling addiction problem.

§ 19955. Temporary closure for nonpayment of fees

If an owner licensee fails to make timely payment of annual fees required under subparagraph (B) of paragraph (2) of subdivision (b) of Section 19951, the commission may order the temporary closure of the gambling establishment for up to 90 days after the payment due date, after which time, if the fees, or any portion thereof, remain unpaid, the gambling establishment’s state gambling license shall be deemed surrendered.

Article 13. Local Governments
§ 19960. Ordinances not inconsistent with chapter; issuance of gambling license; conditions

This chapter shall not prohibit the enactment, amendment, or enforcement of any ordinance by any city, county, or city and county relating to licensed gambling establishments that is not inconsistent with this chapter. No city, county, or city and county shall issue a gambling license with respect to any gambling establishment unless one of the following is true:

(a) The gambling establishment is located in a city, county, or city and county wherein, after January 1, 1984, an ordinance was adopted by the electors of the city, county, or city and county, in an election conducted pursuant to former Section 19819 of the Business and Professions Code, as that section read immediately before its repeal by the act that enacted this chapter.

(b) The gambling establishment is located in a city, county, or city and county wherein, prior to January 1, 1984, there was in effect an ordinance that expressly authorized the operation of one or more cardrooms.

(c) After the effective date of this chapter, a majority of the electors voting thereon affirmatively approve a measure permitting controlled gambling within that city, county, or city and county.

(1) The measure to permit controlled gambling shall appear on the ballot in substantially the following form:

(2) In addition, the initial implementing ordinances shall be drafted and appear in full on the sample ballot and shall set forth at least all of the following:

(A) The hours of operation.

(B) The games to be played.

(C) The wagering limits.

(D) The maximum number of gambling establishments permitted by the ordinance.

(E) The maximum number of tables permitted in each gambling establishment.

(2) Notwithstanding paragraph (1) and Section 19962, an ordinance may be amended without the approval of the electors after the effective date of this chapter to expand gambling by a change that results in an increase of less than 25 percent with respect to any of the matters set forth in paragraphs (1), (2), (3), and (5) of subdivision (b). Thereafter, any additional expansion shall be approved by a majority of the electors voting thereon.

(b) For the purposes of this article, “expansion of gambling” means, when compared to that authorized on January 1, 1996, or under an ordinance adopted pursuant to subdivision (a) of Section 19960, whichever is the lesser number, a change that results in any of the following:

(1) An increase of 25 percent or more in the number of gambling tables in the city, county, or city and county.

(e) Increasing the number of games offered in a gambling establishment does not constitute an expansion of gambling pursuant to this section.

(f) No city, county, or city and county shall amend its ordinance in a cumulative manner to increase gambling by more than 25 percent for the factors listed in subdivision (b), when compared to that authorized on January 1, 1996, without conducting an election pursuant to this section.

A city, county, or city and county may exercise the authority provided by this subdivision only one time, but this authority shall be in addition to any authorization under any other law for a city, county, or city and county to increase the number of gambling tables that may be operated in a gambling establishment in the city, county, or city and county.

(b) Notwithstanding Sections 19961 and 19962, and in addition to the authorization granted by subdivision (a), a city, county, or city and county may amend an ordinance to increase by two the number of gambling tables that may be operated in a gambling establishment in the city, county, or city and county, above the number of tables authorized in the ordinance that was in effect on January 1, 2013. § 19963. Limitations on issuance of gambling licenses

(a) In addition to any other limitations on the expansion of gambling imposed by Section 19962 or any provision of this chapter, the commission may not issue a gambling license for a gambling establishment that was not licensed to operate on December 31, 1999, unless an application to operate that establishment was on file with the department prior to September 1, 2000.

(b) This section shall remain in effect only until January 1, 2023, and as of that date is repealed, unless a later enacted statute that is enacted before January 1, 2023, deletes or extends that date.
§ 19964. Local license; owner licensee qualification; duty to issue

No city, county, or city and county may grant, or permit to continue in effect, a license to deal, operate, carry on, conduct, maintain, or expose for play any controlled game to any applicant or holder of a local license unless the applicant or local licensee is an owner licensee as defined in this chapter. Where this article refers to an expansion of gaming as compared to that permitted on January 1, 1996, for the purposes of this section, that reference shall be to the ordinance or resolutions that governed the gambling establishment as of that date.

Article 15. Additional Restrictions Related to Fair Elections and Corruption of Regulators

§ 19980. Legislative findings and declarations

(a) The Legislature finds and declares that there is a compelling governmental interest in ensuring that elections conducted pursuant to Section 19960 are conducted fairly and that electors in those elections are presented with fair and balanced arguments in support of and in opposition to the existence of gambling establishments. Large contributions by gambling operators or prospective gambling operators who will be financially interested in the outcome of the election often unfairly distort the context in which those elections take place.

(b) In California, in other states, and in other countries, there is ample historical evidence of the potential for revenues derived from gambling to be used to corrupt political officials in the regulation or prosecution of crimes related to gambling activities, embezzlement, and money laundering.

(c) This article is an exercise of the police power of the state for the protection of the health, safety, and welfare of the people of this state.

(b) A member of the commission shall not solicit or accept campaign contributions from any person, including any applicant or licensee.

(c) A member of the commission, the executive director, the chief, any employee of the commission, and any employee of the department who works on or supervises over gambling issues shall not, for a period of two years after leaving office or terminating employment, hold a direct or indirect interest in, hold employment with, represent, appear for, or negotiate on behalf of, a gambling establishment, gambling enterprise, registrant, or licensee.

(3) A report of any contribution of money or thing of value, in excess of one hundred dollars ($100), made to any committee, as defined by Section 82013 of the Government Code, associated with any election that is conducted pursuant to Section 19960, former Section 19950, or former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter, within three years of the date on which the application is submitted.

(4) A report of any other significant involvement by the applicant or licensee in an election that is conducted pursuant to Section 19960, former Section 19950, or former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter, within three years of the date on which the application is submitted.

(b)(1) The commission shall establish reasonable criteria for, and require the licensure and registration of, any person or entity that provides proposition player services at gambling establishments pursuant to this section, including owners, supervisors, and players. The commission may impose licensing requirements, disclosures, approvals, conditions, or limitations as it deems necessary to protect the integrity of controlled gambling in this state, and may assess, and the department may collect, reasonable fees and deposits as necessary to defray the costs of providing this regulation and oversight.

Any action taken pursuant to this subdivision does not prohibit the commencement of an administrative or criminal action by the Attorney General, a district attorney, or county counsel.

(j) The department may require an eligible organization to pay an annual registration fee of up to one hundred dollars ($100) per year to cover the actual costs of the department to administer and enforce this section. (3) The business association has its principal place of business in this state, the books and records of the business association show the state in which such money order, travelers check, or similar written instrument was purchased, and the laws of the state of purchase do not provide for the escheat of the sum payable on such instrument.

(b) Notwithstanding any other provision of this chapter, this section applies to sums payable on money orders, travelers checks, and similar written instruments deemed abandoned on or after February 1, 1965, except to the extent that such sums have been paid over to a state prior to January 1, 1974. For the purposes of this subdivision, the words “deemed abandoned” have the same meaning as those words have as used in Section 604 of Public Law Number 93-495 (October 28, 1974), 88th Statutes at Large 1500.1.

§ 1513. Property held or owing by banking or financial organizations or business associations

(a) Subject to Sections 1510 and 1511, the following property held or owing by a business association escheats to this state:

(1)(A) Except as provided in paragraph (6), any demand, savings, or matured time deposit, or account subject to a negotiable order of withdrawal, made with a banking organization, together with any interest or dividends thereon, excluding, from demand deposits and accounts subject to a negotiable order of withdrawal only, any reasonable service charges that may lawfully be withheld and that do not, where made in this state, exceed those set forth in schedules filed by the banking organization from time to time with the Controller, if the owner, for more than three years, has not done any of the following:
(i) Increased or decreased the amount of the deposit, cashed an interest check, or presented the passbook or other similar evidence of the deposit for the crediting of interest.

(ii) Corresponded electronically or in writing with the banking organization concerning the deposit.

(iii) Otherwise indicated an interest in the deposit as evidenced by a memorandum or other record on file with the banking organization.

(B) A deposit or account shall not, however, escheat to the state if, during the previous three years, the owner has owned another deposit or account with the banking organization or the owner has owned an individual retirement account or funds held by the banking organization under a retirement plan for self-employed individuals or a similar account or plan established pursuant to the internal revenue laws of the United States or the laws of this state, as described in paragraph (6), and, with respect to that deposit, account, or plan, the owner has done any of the acts described in clause (i), (ii), or (iii) of subparagraph (A), and the banking organization has communicated electronically or in writing with the owner, at the address to which communications regarding that deposit, account, or plan are regularly sent, with regard to the deposit or account that would otherwise escheat under subparagraph (A). For purposes of this subparagraph, “communications” includes account statements or statements required under the internal revenue laws of the United States.

(C) No banking organization may discontinue any interest or dividends on any savings deposit because of the inactivity contemplated by this section.

(2)(A) Except as provided in paragraph (6), any demand, savings, or matured time deposit, or matured investment certificate, or account subject to a negotiable order of withdrawal, or other interest in a financial organization or any deposit made therewith, and any interest or dividends thereon, excluding, from demand deposits and accounts subject to a negotiable order of withdrawal only, any reasonable service charges that may lawfully be withheld and that do not, where made in this state, exceed those set forth in schedules filed by the financial organization from time to time with the Controller, if the owner, for more than three years, has not done any of the following:

(i) Increased or decreased the amount of the funds or deposit, cashed an interest check, or presented an appropriate record for the crediting of interest or dividends.

(ii) Corresponded electronically or in writing with the financial organization concerning the funds or deposit.

(iii) Otherwise indicated an interest in the funds or deposit as evidenced by a memorandum or other record on file with the financial organization.

(B) A deposit or account shall not, however, escheat to the state if, during the previous three years, the owner has owned another deposit or account with the financial organization or the owner has owned an individual retirement account or funds held by the financial organization under a retirement plan for self-employed individuals or a similar account or plan established pursuant to the internal revenue laws of the United States or the laws of this state, as described in paragraph (6), and, with respect to that deposit, account, or plan, the owner has done any of the acts described in clause (i), (ii), or (iii) of subparagraph (A), and the financial organization has communicated electronically or in writing with the owner, at the address to which communications regarding that deposit, account, or plan are regularly sent, with regard to the deposit or account that would otherwise escheat under
subparagraph (A). For purposes of this subparagraph, “communications” includes account statements or statements required under the internal revenue laws of the United States.

(C) No financial organization may discontinue any interest or dividends on any funds paid toward purchase of shares or other interest, or on any deposit, because of the inactivity contemplated by this section.

(3) Any sum payable on a traveler’s check issued by a business association that has been outstanding for more than 15 years from the date of its issuance, if the owner, for more than 15 years, has not corresponded in writing with the business association concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the association.

(4) Any sum payable on any other written instrument on which a banking or financial organization is directly liable, including, by way of illustration but not of limitation, any draft, cashier’s check, teller’s check, or certified check, that has been outstanding for more than three years from the date it was payable, or from the date of its issuance if payable on demand, if the owner, for more than three years, has not corresponded electronically or in writing with the banking or financial organization concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the banking or financial organization.

(5) Any sum payable on a money order issued by a business association, including a banking or financial organization, that has been outstanding for more than seven years from the date it was payable, or from the date of its issuance if payable on demand, excluding any reasonable service charges that may lawfully be withheld and that do not, when made in this state, exceed those set forth in schedules filed by the business association from time to time with the Controller, if the owner, for more than seven years, has not corresponded electronically or in writing with the business association, banking, or financial organization concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the business association. For the purposes of this subdivision, “reasonable service charge” means a service charge that meets all of the following requirements:

(A) It is uniformly applied to all of the issuer’s money orders.

(B) It is clearly disclosed to the purchaser at the time of purchase and to the recipient of the money order.

(C) It does not begin to accrue until three years after the purchase date, and it stops accruing after the value of the money order escheats.

(D) It is permitted by contract between the issuer and the purchaser.

(E) It does not exceed 25 cents ($0.25) per month or the aggregate amount of twenty-one dollars ($21).

(6)(A) Any funds held by a business association in an individual retirement account or under a retirement plan for self-employed individuals or similar account or plan established pursuant to the internal revenue laws of the United States or of this state, if the owner, for more than three years after the funds become payable or distributable, has not done any of the following:

(i) Increased or decreased the principal.

(ii) Accepted payment of principal or income.

(iii) Corresponded electronically or in writing concerning the property or otherwise indicated an interest.

For purposes of this subparagraph, “communications” includes account statements or statements required under the internal revenue laws of the United States.

(C) These funds are not payable or distributable within the meaning of this subdivision unless either of the following is true:

(i) Under the terms of the account or plan, distribution of all or a part of the funds would then be mandatory.

(ii) For an account or plan not subject to mandatory distribution requirement under the internal revenue laws of the United States or the laws of this state, the owner has attained 70 ½ years of age.

(7) Any wages or salaries that have remained unclaimed by the owner for more than one year after the wages or salaries become payable.

(b) For purposes of this section, “service charges” means service charges imposed because of the inactivity contemplated by this section.

(c) A holder shall, commencing on or before January 1, 2018, regard the following transactions that are initiated electronically and are reflected in the books and records of the banking or financial organization as evidence that an owner has increased or decreased the amount of the funds or deposit in an account, for purposes of paragraphs (1) and (2) of subdivision (a):

(1) A single or recurring debit transaction authorized by the owner.

(2) A single or recurring credit transaction authorized by the owner.

(3) Recurring transactions authorized by the owner that represent payroll deposits or deductions.

(4) Recurring credits authorized by the owner or a responsible party that represent the deposit of any federal benefits, including social security benefits, veterans’ benefits, and pension payments.

§ 1513.5. Notice of escheat by banking or financial organization

(a) Except as provided in subdivision (c), if the holder has in its records an address for the apparent owner, which the holder’s records do not disclose to be inaccurate, every banking or financial organization shall make reasonable efforts to notify any owner by mail or, if the owner has consented to electronic notice, electronically, that the owner’s deposit, account, shares, or other interest in the banking or financial organization will escheat to the state pursuant to clause (i), (ii), or (iii) of subparagraph (A) of paragraph (1), (2), or (6) of subdivision (a) of Section 1513. The holder shall give notice either:
(1) Not less than two years nor more than two and one-half years after the date of last activity by, or communication with, the owner with respect to the account, deposit, shares, or other interest, as shown on the record of the banking or financial organization.

(2) Not less than 6 nor more than 12 months before the time the account, deposit, shares, or other interest becomes reportable to the Controller in accordance with this chapter.

(b) The notice required by this section shall specify the time that the deposit, account, shares, or other interest will escheat and the effects of escheat, including the necessity for filing a claim for the return of the deposit, account, shares, or other interest. The face of the notice shall contain a heading at the top that reads as follows: “THE STATE OF CALIFORNIA Requires US TO NOTIFY YOU THAT YOUR UNCLAIMED Property MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US,” or substantially similar language. The notice required by this section shall, in boldface type or in a font a minimum of two points larger than the rest of the notice, exclusive of the heading, (1) specify that since the date of last activity, or for the last two years, there has been no owner activity on the deposit, account, shares, or other interest; (2) identify the deposit, account, shares, or other interest by number or identifier, which need not exceed four digits; (3) indicate that the deposit, account, shares, or other interest is in danger of escheating to the state; and (4) specify that the Unclaimed Property Law requires banking and financial organizations to transfer funds of a deposit, account, shares, or other interest if it has been inactive for three years. It shall also include a form, as prescribed by the Controller, by which the owner may declare an intention to maintain the deposit, account, shares, or other interest. If that form is filled out, signed by the owner, and returned to the banking or financial organization, it shall satisfy the requirement of clause (iii) of subparagraph (A) of paragraph (1), clause (iii) of subparagraph (A) of paragraph (2), or clause (iii) of subparagraph (A) of paragraph (6) of subdivision (a) of Section 1513. In lieu of returning the form, the banking or financial organization may provide a telephone number or other electronic means to enable the owner to contact that organization. The contact, as evidenced by a memorandum or other record on file with the banking or financial organization, shall satisfy the requirement of clause (iii) of subparagraph (A) of paragraph (1), clause (iii) of subparagraph (A) of paragraph (2), or clause (iii) of subparagraph (A) of paragraph (6) of subdivision (a) of Section 1513. If the deposit, account, shares, or other interest has a value greater than two dollars ($2), the banking or financial organization may impose a service charge on the deposit, account, shares, or other interest for this notice in an amount not to exceed the administrative cost of mailing or electronically sending the notice and form and in no case to exceed two dollars ($2).

(c) Notice as provided by subdivisions (a) and (b) shall not be required for deposits, accounts, shares, or other interests of less than fifty dollars ($50), and, except as provided in subdivision (b), no service charge may be made for notice on these items.

(d) In addition to the notices required pursuant to subdivision (a), the holder may give additional notice as described in subdivision (b) at any time between the date of last activity by, or communication with, the owner and the date the holder transfers the deposit, account, shares, or other interest to the Controller.

(e) At the time a new account is opened with a banking or financial organization, the organization shall provide a written notice to the person opening the account informing the person that his or her property may be transferred to the appropriate state if no activity occurs in the account within the time period specified by state law. If the person opening the account has consented to electronic notice, that notice may be provided electronically.

§ 1514. Safe deposit box or other safekeeping depository, contents or proceeds of sale of contents; notice of escheat to state; default by owner

(a) The contents of, or the proceeds of sale of the contents of, any safe deposit box or any other safekeeping repository, held in this state by a business association, escheat to this state if unclaimed
by the owner for more than three years from the date on which the lease or rental period on the box or other repository expired, or from the date of termination of any agreement because of which the box or other repository was furnished to the owner without cost, whichever last occurs.

(b) If a business association has in its records an address for an apparent owner of the contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository described in subdivision (a), and the records of the business association do not disclose the address to be inaccurate, the business association shall make reasonable efforts to notify the owner by mail, or, if the owner has consented to electronic notice, electronically, that the owner’s contents, or the proceeds of the sale of the contents, will escheat to the state pursuant to this section. The business association shall give notice not less than 6 months and not more than 12 months before the time the contents, or the proceeds of the sale of the contents, become reportable to the Controller in accordance with this chapter.

(c) The face of the notice shall contain a heading at the top that reads as follows: “THE STATE OF CALIFORNIA REQUIRES US TO NOTIFY YOU THAT YOUR UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US,” or substantially similar language. The notice required by this subdivision shall specify the date that the property will escheat and the effects of escheat, including the necessity for filing a claim for the return of the property. The notice required by this section shall, in boldface type or in a font a minimum of two points larger than the rest of the notice, exclusive of the heading, do all of the following:

(1) Identify the safe deposit box or other safekeeping repository by number or identifier.

(2) State that the lease or rental period on the box or repository has expired or the agreement has terminated.

(3) Indicate that the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository will escheat to the state unless the owner requests the contents or their proceeds.

(4) Specify that the Unclaimed Property Law requires business associations to transfer the contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository to the Controller if they remain unclaimed for more than three years.

(5) Advise the owner to make arrangements with the business association to either obtain possession of the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository, or enter into a new agreement with the business association to establish a leasing or rental arrangement. If an owner fails to establish such an arrangement prior to the end of the period described in subdivision (a), the contents or proceeds shall escheat to this state.

(d) In addition to the notice required pursuant to subdivision (b), the business association may give additional notice in accordance with subdivision (c) at any time between the date on which the lease or rental period for the safe deposit box or repository expired, or from the date of the termination of any agreement, through which the box or other repository was furnished to the owner without cost, whichever is earlier, and the date the business association transfers the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository to the Controller.

(e) The contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository shall not escheat to the state if, as of June 30 or the fiscal yearend next preceding the date on which a report is required to be filed under Section 1530, the owner has owned, with a banking organization providing the safe deposit box or other safekeeping repository, any demand, savings, or matured time deposit, or account subject to a negotiable order of withdrawal,
which has not escheated under Section 1513 and is not reportable under subdivision (d) of Section 1530.

(f) The contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository shall not escheat to the state if, as of June 30 or the fiscal yearend next preceding the date on which a report is required to be filed under Section 1530, the owner has owned, with a financial organization providing the safe deposit box or other safekeeping repository, any demand, savings, or matured time deposit, or matured investment certificate, or account subject to a negotiable order of withdrawal, or other interest in a financial organization or any deposit made therewith, and any interest or dividends thereon, which has not escheated under Section 1513 and is not reportable under subdivision (d) of Section 1530.

(g) The contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository shall not escheat to the state if, as of June 30 or the fiscal yearend next preceding the date on which a report is required to be filed under Section 1530, the owner has owned, with a banking or financial organization providing the safe deposit box or other safekeeping repository, any funds in an individual retirement account or under a retirement plan for self-employed individuals or similar account or plan pursuant to the internal revenue laws of the United States or the income tax laws of this state, which has not escheated under Section 1513 and is not reportable under subdivision (d) of Section 1530.

(h) In the event the owner is in default under the safe deposit box or other safekeeping repository agreement and the owner has owned any demand, savings, or matured time deposit, account, or plan described in subdivision (e), (f), or (g), the banking or financial organization may pay or deliver the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository to the owner after deducting any amount due and payable from those proceeds under that agreement. Upon making that payment or delivery under this subdivision, the banking or financial organization shall be relieved of all liability to the extent of the value of those contents or proceeds.

(i) For new accounts opened for a safe deposit box or other safekeeping repository with a business association on and after January 1, 2011, the business association shall provide a written notice to the person leasing the safe deposit box or safekeeping repository informing the person that his or her property, or the proceeds of sale of the property, may be transferred to the appropriate state upon running of the time period specified by state law from the date the lease or rental period on the safe deposit box or repository expired, or from the date of termination of any agreement because of which the box or other repository was furnished to the owner without cost, whichever is earlier.

(j) A business association may directly escheat the contents of a safe deposit box or other safekeeping repository without exercising its rights under Article 2 (commencing with Section 1630) of Chapter 17 of Division 1 of the Financial Code.

§ 1515. Funds held or owing by life insurance corporations

(a) Subject to Section 1510, funds held or owing by a life insurance corporation under any life or endowment insurance policy or annuity contract which has matured or terminated escheat to this state if unclaimed and unpaid for more than three years after the funds became due and payable as established from the records of the corporation.

(b) If a person other than the insured or annuitant is entitled to the funds and no address of that person is known to the corporation or if it is not definite and certain from the records of the corporation what person is entitled to the funds, it is presumed that the last known address of the person entitled to the funds is the same as the last known address of the insured or annuitant according to the records of the corporation. This presumption is a presumption affecting the burden of proof.
(c) A life insurance policy not matured by actual proof of the death of the insured according to the records of the corporation is deemed to be matured and the proceeds due and payable if:

1. The insured has attained, or would have attained if he or she were living, the limiting age under the mortality table on which the reserve is based.
2. The policy was in force at the time the insured attained, or would have attained, the limiting age specified in paragraph (1).
3. Neither the insured nor any other person appearing to have an interest in the policy has, within the preceding three years, according to the records of the corporation (i) assigned, readjusted, or paid premiums on the policy, (ii) subjected the policy to loan, or (iii) corresponded in writing with the life insurance corporation concerning the policy.

(d) Any funds otherwise payable according to the records of the corporation are deemed due and payable although the policy or contract has not been surrendered as required.

§ 1515.5. Determination of abandonment of property distributable in course of demutualization or related reorganization of insurance company

Property distributable in the course of a demutualization or related reorganization of an insurance company is deemed abandoned as follows:

(a) On the date of the demutualization or reorganization, if the instruments or statements reflecting the distribution are not mailed to the owner because the address on the books and records for the holder is known to be incorrect.

(b) Two years after the date of the demutualization or reorganization, if instruments or statements reflecting the distribution are mailed to the owner and returned by the post office as undeliverable and the owner has done neither of the following:

1. Communicated in writing with the holder or its agent regarding the property.
2. Otherwise communicated with the holder or its agent regarding the property as evidenced by a memorandum or other record on file with the holder or its agent.

(c) Three years after the date of the demutualization or reorganization, if instruments or statements reflecting the distribution are mailed to the owner and not returned by the post office as undeliverable and the owner has done neither of the following:

1. Communicated in writing with the holder or its agent regarding the property.
2. Otherwise communicated with the holder or its agent regarding the property as evidenced by a memorandum or other record on file with the holder or its agent.

§ 1516. Undistributed dividends and distributions of business associations; notice of escheat; form

(a) Subject to Section 1510, any dividend, profit, distribution, interest, payment on principal, or other sum held or owing by a business association for or to its shareholder, certificate holder, member, bondholder, or other security holder, or a participating patron of a cooperative, who has not claimed it, or corresponded in writing with the business association concerning it, within three years after the date prescribed for payment or delivery, escheats to this state.

(b) Subject to Section 1510, any intangible interest in a business association, as evidenced by the stock records or membership records of the association, escheats to this state if (1) the interest in the
association is owned by a person who for more than three years has neither claimed a dividend or
other sum referred to in subdivision (a) nor corresponded in writing with the association or otherwise
indicated an interest as evidenced by a memorandum or other record on file with the association, and
(2) the association does not know the location of the owner at the end of the three-year period. With
respect to the interest, the business association shall be deemed the holder.

(c) Subject to Section 1510, any dividends or other distributions held for or owing to a person at the
time the stock or other security to which they attach escheat to this state also escheat to this state as
of the same time.

(d) If the business association has in its records an address for the apparent owner, which the
business association’s records do not disclose to be inaccurate, with respect to any interest that may
escheat pursuant to subdivision (b), the business association shall make reasonable efforts to notify the
owner by mail or, if the owner has consented to electronic notice, electronically, that the owner’s
interest in the business association will escheat to the state. The notice shall be given not less than 6
nor more than 12 months before the time the interest in the business association becomes reportable to
the Controller in accordance with this chapter. The face of the notice shall contain a heading at the top
that reads as follows: “THE STATE OF CALIFORNIA REQUIRES US TO NOTIFY YOU THAT YOUR
UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT
US,” or substantially similar language. The notice required by this subdivision shall specify the time that
the interest will escheat and the effects of escheat, including the necessity for filing a claim for the
return of the interest. The notice required by this section shall, in boldface type or in a font a minimum
of two points larger than the rest of the notice, exclusive of the heading, (1) specify that since the date
of last activity, or for the last two years, there has been no owner activity on the deposit, account,
shares, or other interest; (2) identify the deposit, account, shares, or other interest by number or
identifier, which need not exceed four digits; (3) indicate that the deposit, account, shares, or other
interest is in danger of escheating to the state; and (4) specify that the Unclaimed Property Law
requires business associations to transfer funds of a deposit, account, shares, or other interest if it has
been inactive for three years. It shall also include a form, as prescribed by the Controller, by which the
owner may confirm the owner’s current address. If that form is filled out, signed by the owner, and
returned to the holder, it shall be deemed that the business association knows the location of the
owner. In lieu of returning the form, the business association may provide a telephone number or other
electronic means to enable the owner to contact the association. With that contact, as evidenced by a
memorandum or other record on file with the business association, the business association shall be
deemed to know the location of the owner. The business association may impose a service charge on
the deposit, account, shares, or other interest for this notice and form in an amount not to exceed the
administrative cost of mailing or electronically sending the notice and form, and in no case to exceed
two dollars ($2).

(e) In addition to the notice required pursuant to subdivision (d), the holder may give additional
notice as described in subdivision (d) at any time between the date of last activity by, or communication
with, the owner and the date the holder transfers the deposit, shares, or other interest to the Controller.

§ 1517. Property distributable in course of voluntary or involuntary dissolution or
liquidation; business associations; insurers

distribution, shall be transferred to the Department of Insurance, with any proceeds of sale of property
and other funds to be deposited in the Insurance Fund for expenditure as provided in Section 12937 of the Insurance Code.

(c) This section applies to all tangible personal property located in this state and, subject to Section 1510, to all intangible personal property.

§ 1518. Property held by fiduciaries

(a) (1) All tangible personal property located in this state and, subject to Section 1510, all intangible personal property, including intangible personal property maintained in a deposit or account, and the income or increment on such tangible or intangible property, held in a fiduciary capacity for the benefit of another person escheats to this state if for more than three years after it becomes payable or distributable, the owner has not done any of the following:

(A) Increased or decreased the principal.

(B) Accepted payment of principal or income.

(C) Corresponded in writing concerning the property.

(D) Otherwise indicated an interest in the property as evidenced by a memorandum or other record on file with the fiduciary.

(2) Notwithstanding paragraph (1), tangible or intangible property, and the income or increment on the tangible or intangible property, held in a fiduciary capacity for another person shall not escheat to the state if the requirements of subparagraphs (A) and (B) are satisfied.

(i) Held another deposit or account for the benefit of the owner.

(ii) Maintained a deposit or account on behalf of the owner in an individual retirement account.

(iii) Held funds or other property under a retirement plan for a self-employed individual, or similar account or plan, established pursuant to the internal revenue laws of the United States or the laws of this state.

(B) During the previous three years, the owner has done any of the acts described in subparagraph (A), (B), (C), or (D) of paragraph (1) with respect to the deposit, account, or plan described in subparagraph (A), and the fiduciary has communicated electronically or in writing with the owner at the address to which communications regarding that deposit, account, or plan are regularly sent, with regard to the deposit, account, or plan that would otherwise escheat under this subdivision. “Communications,” for purposes of this subparagraph, includes account statements or statements required under the internal revenue laws of the United States.

(b) Funds in an individual retirement account or a retirement plan for self-employed individuals or similar account or plan established pursuant to the internal revenue laws of the United States or of this state are not payable or distributable within the meaning of subdivision (a) unless either of the following is true:

(1) Under the terms of the account or plan, distribution of all or part of the funds would then be mandatory.
(2) For an account or plan not subject to mandatory distribution requirement under the internal revenue laws of the United States or the laws of this state, the owner has attained 70 ½ years of age.

(c) For the purpose of this section, when a person holds property as an agent for a business association, he or she is deemed to hold the property in a fiduciary capacity for the business association alone, unless the agreement between him or her and the business association clearly provides the contrary. For the purposes of this chapter, if a person holds property in a fiduciary capacity for a business association alone, he or she is the holder of the property only insofar as the interest of the business association in the property is concerned and the association is deemed to be the holder of the property insofar as the interest of any other person in the property is concerned.

§ 1519. Property held for owner by government, governmental subdivision or agency

It is the intent of the Legislature that the provisions of this section shall apply retroactively to all funds held by business associations on or after January 1, 1977, and which remain undistributed by the business association as of the effective date of this act.

Further, it is the intent of the Legislature that nothing in this section shall be construed to change the authority of a court or administrative agency to order equitable remedies.

§ 1520. Other personal property held for another person in ordinary course of holder’s business; notice of potential escheat

(a) All tangible personal property located in this state and, subject to Section 1510, all intangible personal property, except property of the classes mentioned in Sections 1511, 1513, 1514, 1515, 1515.5, 1516, 1517, 1518, 1519, and 1521, including any income or increment thereon and deducting any lawful charges, that is held or owing in the ordinary course of the holder’s business and has remained unclaimed by the owner for more than three years after it became payable or distributable escheats to this state.

(b) Except as provided in subdivision (a) of Section 1513.5, subdivision (b) of Section 1514, and subdivision (d) of Section 1516, if the holder has in its records an address for the apparent owner of property valued at fifty dollars ($50) or more, which the holder’s records do not disclose to be inaccurate, the holder shall make reasonable efforts to notify the owner by mail or, if the owner has consented to electronic notice, electronically, that the owner’s property will escheat to the state pursuant to this chapter. The notice shall be mailed not less than 6 nor more than 12 months before the time when the owner’s property held by the business becomes reportable to the Controller in accordance with this chapter. The face of the notice shall contain a heading at the top that reads as follows: “THE STATE OF CALIFORNIA REQUIRES US TO NOTIFY YOU THAT YOUR UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US,” or
substantially similar language. The notice required by this subdivision shall specify the time when the property will escheat and the effects of escheat, including the need to file a claim in order for the owner’s property to be returned to the owner. The notice required by this section shall, in boldface type or in a font a minimum of two points larger than the rest of the notice, exclusive of the heading, (1) specify that since the date of last activity, or for the last two years, there has been no owner activity on the deposit, account, shares, or other interest; (2) identify the deposit, account, shares, or other interest by number or identifier, which need not exceed four digits; (3) indicate that the deposit, account, shares, or other interest is in danger of escheating to the state; and (4) specify that the Unclaimed Property Law requires holders to transfer funds of a deposit, account, shares, or other interest if it has been inactive for three years. It shall also include a form, as prescribed by the Controller, by which the owner may confirm the owner’s current address. If that form is filled out, signed by the owner, and returned to the holder, it shall be deemed that the account, or other device in which the owner’s property is being held, remains currently active and recommences the escheat period. In lieu of returning the form, the holder may provide a telephone number or other electronic means to enable the owner to contact the holder. With that contact, as evidenced by a memorandum or other record on file with the holder, the account or other device in which the owner’s property is being held shall be deemed to remain currently active and shall recommence the escheat period. The holder may impose a service charge on the deposit, account, shares, or other interest for this notice in an amount not to exceed the administrative cost of mailing or electronically sending the notice and form, and in no case to exceed two dollars ($2).

(c) In addition to the notice required pursuant to subdivision (b), the holder may give additional notice as described in subdivision (b) at any time between the date of last activity by, or communication with, the owner and the date the holder transfers the property to the Controller.

(d) For purposes of this section, “lawful charges” means charges that are specifically authorized by statute, other than the Unclaimed Property Law, or by a valid, enforceable contract.

(e) This section shall remain in effect only until January 1, 2023, and as of that date is repealed.

§ 1520.5. Application of § 1520

Section 1520 does not apply to gift certificates subject to Title 1.4A (commencing with Section 1749.45) of Part 4 of Division 3 of the Civil Code. However, Section 1520 applies to any gift certificate that has an expiration date and that is given in exchange for money or any other thing of value.

§ 1521. Employee benefit plan distributions, income and other increments; conditions; exception; claim for residuals

(a) Except as provided in subdivision (b), and subject to Section 1510, all employee benefit plan distributions and any income or other increment thereon escheats to the state if the owner has not, within three years after it becomes payable or distributable, accepted the distribution, corresponded in writing concerning the distribution, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the fiduciary of the trust or custodial fund or administrator of the plan under which the trust or fund is established. As used in this section, “fiduciary” means any person exercising any power, authority, or responsibility of management or disposition with respect to any money or other property of a retirement system or plan, and “administrator” means the person specifically so designated by the plan, trust agreement, contract, or other instrument under which the retirement system or plan is operated, or if none is designated, the employer.

(b) Except as provided in subdivision (c), an employee benefit plan distribution and any income or other increment thereon shall not escheat to this state if, at the time the distribution shall become payable to a participant in an employee benefit plan, the plan contains a provision for forfeiture or expressly authorizes the administrator to declare a forfeiture of a distribution to a beneficiary thereof who cannot be found after a period of time specified in the plan, and the trust or fund established under
the plan has not terminated prior to the date on which the distribution would become forfeitable in accordance with the provision.

(c) A participant entitled to an employee benefit plan distribution in the form of residuals shall be relieved from a forfeiture declared under subdivision (b) upon the making of a claim therefor.

§ 1522. Service, maintenance or other charge or fee; deduction

No service, handling, maintenance or other charge or fee of any kind which is imposed because of the inactive or unclaimed status contemplated by this chapter, may be deducted or withheld from any property subject to escheat under this chapter, unless specifically permitted by this chapter.

Even when specifically permitted by this chapter, such charges or fees may not be excluded, withheld or deducted from property subject to this chapter if, under its policy or procedure, the holder would not have excluded, withheld or deducted such charges or fees in the event the property had been claimed by the owner prior to being reported or remitted to the Controller.

§ 1523. Insurers; Proposition 103 rebates; unlocatable policyholders; use of escheated funds

If an insurer, after a good faith effort to locate and deliver to a policyholder a Proposition 103 rebate ordered or negotiated pursuant to Section 1861.01 of the Insurance Code, determines that a policyholder cannot be located, all funds attributable to that rebate escheat to the state and shall be delivered to the Controller. The funds subject to escheat on or after July 1, 1997, shall be transferred by the Controller to the Department of Insurance for deposit in the Insurance Fund in the following amounts and for the following purposes:

(a) Up to the amount that will repay principal and interest on the General Fund loan authorized by Item 0845-001-0001 of the Budget Act of 1996 for expenditure as provided in Section 12936 of the Insurance Code.

(b) The sum of four million dollars ($4,000,000) for expenditure during the 1998-1999 fiscal year as provided in Section 12967 of the Insurance Code.

§ 1528. Funds held by domestic fraternal benefit society; use

This chapter does not apply to unclaimed funds held by a life insurance corporation which is organized or admitted as a domestic fraternal benefit society under Chapter 10 (commencing with Section 10970) of Part 2 of Division 2 of the Insurance Code, so long as such funds are used for scholarship funds, exclusive of costs of administration thereof.

Article 3. Identification of Escheated Property

§ 1530. Report of escheated property

(a) Every person holding funds or other property escheated to this state under this chapter shall report to the Controller as provided in this section.

(b) The report shall be on a form prescribed or approved by the Controller and shall include:

(1) Except with respect to traveler’s checks and money orders, the name, if known, and last known address, if any, of each person appearing from the records of the holder to be the owner of any property of value of at least fifty dollars ($50) escheated under this chapter. This paragraph shall become inoperative on July 1, 2014.

(2) Except with respect to traveler’s checks and money orders, the name, if known, and last known address, if any, of each person appearing from the records of the holder to be the owner
of any property of value of at least twenty-five dollars ($25) escheated under this chapter. This paragraph shall become operative on July 1, 2014.

(3) In the case of escheated funds of life insurance corporations, the full name of the insured or annuitant, and his or her last known address, according to the life insurance corporation’s records.

(4) In the case of the contents of a safe deposit box or other safekeeping repository or in the case of other tangible property, a description of the property and the place where it is held and may be inspected by the Controller. The report shall set forth any amounts owing to the holder for unpaid rent or storage charges and for the cost of opening the safe deposit box or other safekeeping repository, if any, in which the property was contained.

(5) The nature and identifying number, if any, or description of any intangible property and the amount appearing from the records to be due, except that items of value under twenty-five dollars ($25) each may be reported in aggregate.

(6) Except for any property reported in the aggregate, the date when the property became payable, demandable, or returnable, and the date of the last transaction with the owner with respect to the property.

(7) Other information which the Controller prescribes by rule as necessary for the administration of this chapter.

(c) If the holder is a successor to other persons who previously held the property for the owner, or if the holder has changed his or her name while holding the property, he or she shall file with his or her report all prior known names and addresses of each holder of the property.

(d) The report shall be filed before November 1 of each year as of June 30 or fiscal yearend next preceding, but the report of life insurance corporations, and the report of all insurance corporation demutualization proceeds subject to Section 1515.5, shall be filed before May 1 of each year as of December 31 next preceding. The initial report for property subject to Section 1515.5 shall be filed on or before May 1, 2004, with respect to conditions in effect on December 31, 2003, and all property shall be determined to be reportable under Section 1515.5 as if that section were in effect on the date of the insurance company demutualization or related reorganization. The Controller may postpone the reporting date upon his or her own motion or upon written request by any person required to file a report.

(e) The report, if made by an individual, shall be verified by the individual; if made by a partnership, by a partner; if made by an unincorporated association or private corporation, by an officer; and if made by a public corporation, by its chief fiscal officer or other employee authorized by the holder.

§ 1531. Notice and publication of lists of escheated property

(a) Within one year after payment or delivery of escheated property as required by Section 1532, the Controller shall cause a notice to be published in a manner that the Controller determines to be reasonable, which may include, but not be limited to, newspapers, Internet Web sites, radio, television, or other media. In carrying out this duty, the Controller shall not use any of the following:

(1) Money appropriated for the Controller’s audit programs.

(2) More money than the Legislature appropriates for this subdivision’s purpose.

(3) A photograph in a notice.

(4) An elected official’s name in a notice.
(b) Within 165 days after the final date for filing the report required by Section 1530, the Controller shall mail a notice to each person having an address listed in the report who appears to be entitled to property of the value of fifty dollars ($50) or more escheated under this chapter. If the report filed pursuant to Section 1530 includes a social security number, the Controller shall request the Franchise Tax Board to provide a current address for the apparent owner on the basis of that number. The Controller shall mail the notice to the apparent owner for whom a current address is obtained if the address is different from the address previously reported to the Controller. If the Franchise Tax Board does not provide an address or a different address, then the Controller shall mail the notice to the address listed in the report required by Section 1530.

(c) The mailed notice shall contain all of the following:

(1) A statement that, according to a report filed with the Controller, property is being held to which the addressee appears entitled.

(2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder.

(3) A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the date specified in the notice, the property will be placed in the custody of the Controller and may be sold or destroyed pursuant to this chapter, and all further claims concerning the property or, if sold, the net proceeds of its sale, must be directed to the Controller.

(d) This section is intended to inform owners about the possible existence of unclaimed property identified pursuant to this chapter.

§ 1531.5. Notification program for possible owners of escheated property

(a) The Controller shall establish and conduct a notification program designed to inform owners about the possible existence of unclaimed property received pursuant to this chapter.

(b) Any notice sent pursuant to this section shall not contain a photograph or likeness of an elected official.

(c)(1) Notwithstanding any other law, upon the request of the Controller, a state or local governmental agency may furnish to the Controller from its records the address or other identification or location information that could reasonably be used to locate an owner of unclaimed property.

(2) If the address or other identification or location information requested by the Controller is deemed confidential under any laws or regulations of this state, it shall nevertheless be furnished to the Controller. However, neither the Controller nor any officer, agent, or employee of the Controller shall use or disclose that information except as may be necessary in attempting to locate the owner of unclaimed property.

(3) This subdivision shall not be construed to require disclosure of information in violation of federal law.

(4) If a fee or charge is customarily made for the information requested by the Controller, the Controller shall pay that customary fee or charge.

(d) Costs for administering this section shall be subject to the level of appropriation in the annual Budget Act.
§ 1531.6. Apparent owner of savings bond, war bond, or military award according to contents of safe deposit box or safekeeping repository; notice by Controller

(a) In addition to the notices required pursuant to this chapter, the Controller may mail a separate notice to an apparent owner of a United States savings bond, war bond, or military award whose name is shown on or can be associated with the contents of a safe deposit box or other safekeeping repository and is different from the reported owner of the safe deposit box or other safekeeping repository.

(b) A notice sent pursuant to this section shall not contain a photograph or likeness of an elected official.

(c)(1) Notwithstanding any other law, upon request of the Controller, a state or local governmental agency may furnish to the Controller from its records the address or other identification or location information that could reasonably be used to locate an owner of unclaimed property.

(2) If the address or other identification or location information requested by the Controller is deemed confidential under any law or regulation of the state, it shall nevertheless be furnished to the Controller. However, neither the Controller nor any officer, agent, or employee of the Controller shall use or disclose that information, except as may be necessary in attempting to locate the owner of unclaimed property.

(3) This subdivision shall not be construed to require disclosure of information in violation of federal law.

(4) If a fee or charge is customarily made for the information requested by the Controller, the Controller shall pay the customary fee or charge.

(d) Costs for administering this section shall be subject to the level of appropriation in the annual Budget Act.

§ 1532. Payment or delivery of escheated property

(a) Every person filing a report as provided by Section 1530 shall, no sooner than seven months and no later than seven months and 15 days after the final date for filing the report, pay or deliver to the Controller all escheated property specified in the report. Any payment of unclaimed cash in an amount of at least two thousand dollars ($2,000) shall be made by electronic funds transfer pursuant to regulations adopted by the Controller. The Controller may postpone the date for payment or delivery of the property, and the date for any report required by subdivision (b), upon the Controller’s own motion or upon written request by any person required to pay or deliver the property or file a report as required by this section.

(b) If a person establishes their right to receive any property specified in the report to the satisfaction of the holder before that property has been delivered to the Controller, or it appears that, for any other reason, the property may not be subject to escheat under this chapter, the holder shall not pay or deliver the property to the Controller but shall instead file a report with the Controller, on a form and in a format prescribed or approved by the Controller, containing information pertaining to the property subject to escheat.

(c) Any property not paid or delivered pursuant to subdivision (b) that is later determined by the holder to be subject to escheat under this chapter shall not be subject to the interest provision of Section 1577.

(d) The holder of any interest under subdivision (b) of Section 1516 shall deliver a duplicate certificate to the Controller or shall register the securities in uncertificated form in the name of the Controller. Upon delivering a duplicate certificate or providing evidence of registration of the securities
in uncertificated form to the Controller, the holder, any transfer agent, registrar, or other person acting for or on behalf of the holder in executing or delivering the duplicate certificate or registering the uncertificated securities, shall be relieved from all liability of every kind to any person including, but not limited to, any person acquiring the original certificate or the duplicate of the certificate issued to the Controller for any losses or damages resulting to that person by the issuance and delivery to the Controller of the duplicate certificate or the registration of the uncertificated securities to the Controller.

(e) Payment of any intangible property to the Controller shall be made at the office of the Controller in Sacramento or at another location as the Controller by regulation may designate. Except as otherwise agreed by the Controller and the holder, tangible personal property shall be delivered to the Controller at the place where it is held.

(f) Payment is deemed complete on the date the electronic funds transfer is initiated if the settlement to the state’s demand account occurs on or before the banking day following the date the transfer is initiated. If the settlement to the state’s demand account does not occur on or before the banking day following the date the transfer is initiated, payment is deemed to occur on the date settlement occurs.

(g) Any person required to pay cash by electronic funds transfer who makes the payment by means other than an authorized electronic funds transfer shall be liable for a civil penalty of 2 percent of the amount of the payment that is due pursuant to this section, in addition to any other penalty provided by law. Penalties are due at the time of payment. If the Controller finds that a holder’s failure to make payment by an appropriate electronic funds transfer in accordance with the Controller’s procedures is due to reasonable cause and circumstances beyond the holder’s control, and occurred notwithstanding the exercise of ordinary care and in the absence of willful neglect, that holder shall be relieved of the penalties.

(h) An electronic funds transfer shall be accomplished by an automated clearinghouse debit, an automated clearinghouse credit, a Federal Reserve Wire Transfer (Fedwire), or by an international funds transfer. Banking costs incurred for the automated clearinghouse debit transaction by the holder shall be paid by the state. Banking costs incurred by the state for the automated clearinghouse credit transaction may be paid by the holder originating the credit. Banking costs incurred for the Fedwire transaction charged to the holder and the state shall be paid by the person originating the transaction. Banking costs charged to the holder and to the state for an international funds transfer may be charged to the holder.

(i) For purposes of this section:

1. “Electronic funds transfer” means any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, that is initiated through an electronic terminal, telephonic instrument, modem, computer, or magnetic tape, so as to order, instruct, or authorize a financial institution to credit or debit an account.

2. “Automated clearinghouse” means any federal reserve bank, or an organization established by agreement with the National Automated Clearing House Association or any similar organization, that operates as a clearinghouse for transmitting or receiving entries between banks or bank accounts and that authorizes an electronic transfer of funds between those banks or bank accounts.

3. “Automated clearinghouse debit” means a transaction in which the state, through its designated depository bank, originates an automated clearinghouse transaction debiting the holder’s bank account and crediting the state's bank account for the amount of payment.
(4) "Automated clearinghouse credit" means an automated clearinghouse transaction in which the holder, through its own bank, originates an entry crediting the state’s bank account and debiting the holder’s bank account.

(5) "Fedwire" means any transaction originated by the holder and utilizing the national electronic payment system to transfer funds through federal reserve banks, pursuant to which the holder debits its own bank account and credits the state’s bank account.

(6) “International funds transfer” means any transaction originated by the holder and utilizing the international electronic payment system to transfer funds, pursuant to which the holder debits its own bank account, and credits the funds to a United States bank that credits the Unclaimed Property Fund.

§ 1532.1. Payment or delivery of property escheated to state

Notwithstanding Sections 1531 and 1532, property that escheats to the state pursuant to Section 1514 shall not be paid or delivered to the state until the earlier of (a) the time when the holder is requested to do so by the Controller or (b) within one year after the final date for filing the report required by Section 1530 as specified in subdivision (d) of Section 1530. Within one year after receipt of property as provided by this section, the Controller shall cause a notice to be published as provided in Section 1531.

§ 1533. Exclusion of certain tangible personal property from notice requirement and escheat

Tangible personal property may be excluded from the notices required by Section 1531, shall not be delivered to the State Controller, and shall not escheat to the state, if the State Controller, in his discretion, determines that it is not in the interest of the state to take custody of the property and notifies the holder in writing, within 120 days from receipt of the report required by Section 1530, of his determination not to take custody of the property.

Article 4. Payment of Claims

§ 1540. Filing of claim; form; consideration; interest; “owner” defined; state or local agency property

(a) Any person, excluding another state, who claims to have been the owner, as defined in subdivision (d), of property paid or delivered to the Controller under this chapter may file a claim to the property or to the net proceeds from its sale. The claim shall be on a form prescribed by the Controller and shall be verified by the claimant.

(b) The Controller shall consider each claim within 180 days after it is filed to determine if the claimant is the owner, as defined in subdivision (d), and may hold a hearing and receive evidence. The Controller shall give written notice to the claimant if the Controller denies the claim in whole or in part. The notice may be given by mailing it to the address, if any, stated in the claim as the address to which notices are to be sent. If no address is stated in the claim, the notice may be mailed to the address, if any, of the claimant as stated in the claim. A notice of denial need not be given if the claim fails to state either an address to which notices are to be sent or an address of the claimant.

(c) Interest shall not be payable on any claim paid under this chapter.

(d) Notwithstanding subdivision (g) of Section 1501, for purposes of filing a claim pursuant to this section, “owner” means the person who had legal right to the property before its escheat, the person’s heirs or estate representative, the person’s guardian or conservator, or a public administrator acting pursuant to the authority granted in Sections 7660 and 7661 of the Probate Code. An “owner” also means a nonprofit civic, charitable, or educational organization that granted a charter, sponsorship, or
approval for the existence of the organization that had the legal right to the property before its escheat but that has dissolved or is no longer in existence, if the charter, sponsorship, approval, organization bylaws, or other governing documents provide that unclaimed or surplus property shall be conveyed to the granting organization upon dissolution or cessation to exist as a distinct legal entity. Only an owner, as defined in this subdivision, may file a claim with the Controller pursuant to this article.

(e) Following a public hearing, the Controller shall adopt guidelines and forms that shall provide specific instructions to assist owners in filing claims pursuant to this article.

(f) Notwithstanding any other provision, property reported to, and received by, the Controller pursuant to this chapter in the name of a state agency, including the University of California and the California State University, or local agency, may be transferred by the Controller directly to the state or local agency without the filing of a claim. Property transferred pursuant to this subdivision is immune from suit pursuant to Section 1566 in the same manner as if the state or local agency had filed a claim to the property. For purposes of this subdivision,

§ 1541. Judicial action on determinations

Any person aggrieved by a decision of the Controller or as to whose claim the Controller has failed to make a decision within 180 days after the filing of the claim, may commence an action, naming the Controller as a defendant, to establish his or her claim in the superior court in any county or city and county in which the Attorney General has an office. The action shall be brought within 90 days after the decision of the Controller or within 270 days from the filing of the claim if the Controller fails to make a decision. The summons and a copy of the complaint shall be served upon the Controller and the Attorney General and the Controller shall have 60 days within which to respond by answer. The action shall be tried without a jury.

§ 1542. Recovery of property by another state; grounds

(a) At any time after property has been paid or delivered to the Controller under this chapter, another state is entitled to recover the property if:

(1) The property escheated to this state under subdivision (b) of Section 1510 because no address of the apparent owner of the property appeared on the records of the holder when the property was escheated under this chapter, the last known address of the apparent owner was in fact in that other state, and, under the laws of that state, the property escheated to that state.

(2) The last known address of the apparent owner of the property appearing on the records of the holder is in that other state and, under the laws of that state, the property has escheated to that state.

(3) The property is the sum payable on a travelers check, money order, or other similar instrument that escheated to this state under Section 1511, the travelers check, money order, or other similar instrument was in fact purchased in that other state, and, under the laws of that state, the property escheated to that state.

(4) The property is funds held or owing by a life insurance corporation that escheated to this state by application of the presumption provided by subdivision (b) of Section 1515, the last known address of the person entitled to the funds was in fact in that other state, and, under the laws of that state, the property escheated to that state.

(b) The claim of another state to recover escheated property under this section shall be presented in writing to the Controller, who shall consider the claim within 180 days after it is presented. The Controller may hold a hearing and receive evidence. The Controller shall allow the claim upon determination that the other state is entitled to the escheated property.
(c) Paragraphs (1) and (2) of subdivision (a) do not apply to property described in paragraph (3) or (4) of that subdivision.

Article 5. Administration of Unclaimed Property

§ 1560. Relief from liability by payment or delivery; payment to others; reimbursement; reclamation of property

(a) Upon the payment or delivery of escheated property to the Controller, the state shall assume custody and shall be responsible for the safekeeping of the property. Any person who pays or delivers escheated property to the Controller under this chapter and who, prior to escheat, if the person’s records contain an address for the apparent owner that the holder’s records do not disclose to be inaccurate, has made reasonable efforts to notify the owner by mail or, if the owner has consented to electronic notice, electronically, in substantial compliance with Sections 1513.5, 1514, 1516, and 1520, that the owner’s property, deposit, account, shares, or other interest will escheat to the state, is relieved of all liability to the extent of the value of the property so paid or delivered for any claim that then exists or that thereafter may arise or be made in respect to the property. Property removed from a safe-deposit box or other safekeeping repository shall be received by the Controller subject to any valid lien of the holder for rent and other charges, the rent and other charges to be paid out of the proceeds remaining after the Controller has deducted therefrom their selling cost.

(b) Any holder who has paid moneys to the Controller pursuant to this chapter may make payment to any person appearing to that holder to be entitled thereto, and upon filing proof of the payment and proof that the payee was entitled thereto, the Controller shall forthwith reimburse the holder for the payment without deduction of any fee or other charges. Where reimbursement is sought for a payment made on a negotiable instrument, including a traveler’s check or money order, the holder shall be reimbursed under this subdivision upon filing proof that the instrument was duly presented to them and that payment was made thereon to a person who appeared to the holder to be entitled to payment.

(c) The holder shall be reimbursed under this section even if they made the payment to a person whose claim against them was barred because of the expiration of any period of time as those described in Section 1570.

(d) Any holder who has delivered personal property, including a certificate of any interest in a business association, to the Controller pursuant to this chapter may reclaim the personal property if still in the possession of the Controller without payment of any fee or other charges upon filing proof that the owner thereof has claimed the personal property from the holder. The Controller may, in their discretion, accept an affidavit of the holder stating the facts that entitle the holder to reimbursement under this subdivision as sufficient proof for the purposes of this subdivision.

(e) This section shall remain in effect only until January 1, 2023, and as of that date is repealed.

§ 1561. Defense of payee against claims of others; indemnification; mistake of law or fact; refund or redelivery of property

(a) If the holder pays or delivers escheated property to the State Controller in accordance with this chapter and thereafter any person claims the property from the holder or another state claims the property from the holder under that state’s laws relating to escheat, the State Controller shall, upon written notice of such claim, defend the holder against the claim and indemnify him against any liability on the claim.

(b) If any holder, because of mistake of law or fact, pays or delivers any property to the State Controller that has not escheated under this chapter and thereafter claims the property from the State Controller, the State Controller shall, if he has not disposed of the property in accordance with this chapter, refund or redeliver the property to the holder without deduction for any fee or other charge.
(c) As used in this section, “escheated property” means property which this chapter provides escheats to this state, whether or not it is determined that another state had a superior right to esheat such property at the time it was paid or delivered to the State Controller or at some time thereafter.

§ 1562. Income accruing after payment or delivery

When property other than money is delivered to the State Controller under this chapter, any dividends, interest or other increments realized or accruing on such property at or prior to liquidation or conversion thereof into money, shall upon receipt be credited to the owner’s account by the State Controller. Except for amounts so credited the owner is not entitled to receive income or other increments on money or other property paid or delivered to the State Controller under this chapter. All interest received and other income derived from the investment of moneys deposited in the Unclaimed Property Fund under the provisions of this chapter shall, on order of the State Controller, be transferred to the General Fund.

§ 1563. Sale of escheated property

(a) Except as provided in subdivisions (b) and (c), all escheated property delivered to the Controller under this chapter shall be sold by the Controller to the highest bidder at public sale in whatever city in the state affords in his or her judgment the most favorable market for the property involved, or the Controller may conduct the sale by electronic media, including, but not limited to, the Internet, if in his or her judgment it is cost effective to conduct the sale of the property involved in that manner. However, no sale shall be made pursuant to this subdivision until 18 months after the final date for filing the report required by Section 1530. The Controller may decline the highest bid and reoffer the property for sale if he or she considers the price bid insufficient. The Controller need not offer any property for sale if, in his or her opinion, the probable cost of sale exceeds the value of the property. Any sale of escheated property held under this section shall be preceded by a single publication of notice thereof, at least one week in advance of sale, in an English language newspaper of general circulation in the county where the property is to be sold.

(b) Securities listed on an established stock exchange shall be sold at the prevailing prices on that exchange. Other securities may be sold over the counter at prevailing prices or by any other method that the Controller may determine to be advisable. The expiration of any period of time specified by statute or court order, during which an action or proceeding may be commenced or enforced to obtain payment of a claim for money or recovery of

The State Controller may enter into an agreement to provide information needed to enable another state to determine unclaimed property it may be entitled to escheat if such other state or an official thereof agrees to provide this state with information needed to enable this state to determine unclaimed property it may be entitled to escheat. The State Controller may, by regulation, require the reporting of
information needed to enable him to comply with agreements made pursuant to this section and may, by regulation, prescribe the form, including verification, of the information to be reported and the times for filing the reports.

§ 1574. Action by Attorney General, in name of other state, to enforce unclaimed property laws of other state

(b) This state shall pay all reasonable costs incurred by the other state in any action brought under the authority of this section. The State Controller may agree to pay to any state bringing such an action a reward not to exceed fifteen percent of the value, after deducting reasonable costs, of any property recovered for this state as a direct or indirect result of such action. Any costs or rewards paid pursuant to this section shall be paid from the Abandoned Property Account in the Unclaimed Property Fund and shall not be deducted from the amount that is subject to be claimed by the owner in accordance with this chapter.

§ 1576. Penalties

(a) Any person who willfully fails to render any report or perform other duties, including use of the report format described in Section 1530, required under this chapter shall be punished by a fine of one hundred dollars ($100) for each day such report is withheld or such duty is not performed, but not more than ten thousand dollars ($10,000).

(c) No person shall be considered to have willfully failed to report, pay, or deliver escheated property, or perform other duties unless he or she has failed to respond within a reasonable time after notification by certified mail by the Controller’s office of his or her failure to act.
§ 1577. Failure to report, pay or deliver property; interest; substantial compliance of report, limitation on interest

In addition to any damages, penalties, or fines for which a person may be liable under other provisions of law, any person who fails to report, pay, or deliver unclaimed property within the time prescribed by this chapter, unless that failure is due to reasonable cause, shall pay to the Controller interest at the rate of 12 percent per annum on that property or value thereof from the date the property should have been reported, paid, or delivered. If a holder pays or delivers unclaimed property in a timely manner, but files a report that is not in substantial compliance with the requirements of Section 1530, the interest payable shall not exceed ten thousand dollars ($10,000). The holder shall not be subject to any interest payment if the holder’s failure to report in substantial compliance with the requirements of Section 1530 is due to reasonable cause.

§ 1577.5. Amnesty program

(a) Section 1577 does not apply to, and interest may not be imposed upon, any escheated property paid or delivered to the Controller at any time on or before December 31, 2002.

(5) Reports respecting the property are reported by electronic media satisfactory to the Controller, provided that paper reports shall be permitted with respect to holders reporting fewer than 50 accounts or other items.

(6) All property reported after the effective date of this act shall be reported on a report separate from property currently reportable, and may not be reported with property not eligible for the amnesty program.

(7) The property is paid or delivered to the Controller at the time the report is made.

(8) Securities are remitted in accordance with Section 1532.

(9) Records shall be maintained in a manner satisfactory to the Controller, to permit verification and compliance audits.

(c) Nothing in subdivision (a) shall create an entitlement to a refund of interest paid to the Controller prior to the effective date of this section.
(d) The Controller shall conduct an outreach and publicity program regarding the provisions of this section.

(e) The Controller shall submit a report to the Legislature on the amnesty program. The report shall include a comprehensive accounting of all unclaimed property surrendered under the amnesty program, the date the property was surrendered, and the identities of the holders of surrendered unclaimed property. Article 7. Miscellaneous

§ 1580. Rules and regulations

The State Controller is hereby authorized to make necessary rules and regulations to carry out the provisions of this chapter.

§ 1581. Record of sales of travelers checks, money orders, etc.; civil penalty

(a) Any business association that sells in this state its travelers checks, money orders, or other similar written instruments (other than third-party bank checks) on which such business association is directly liable, or that provides such travelers checks, money orders, or similar written instruments to others for sale in this state, shall maintain a record indicating those travelers checks, money orders, or similar written instruments that are purchased from it in this state.

(b) The record required by this section may be destroyed after it has been retained for such reasonable time as the State Controller shall designate by regulation.

(c) Any business association that willfully fails to comply with this section is liable to the state for a civil penalty of five hundred dollars ($500) for each day of such failure to comply, which penalty may be recovered in an action brought by the State Controller.

§ 1582. Agreements to locate, deliver or recover property; time; validity; availability of records for public inspection or copying

No agreement to locate, deliver, recover, or assist in the recovery of property reported under Section 1530, entered into between the date a report is filed under subdivision (d) of Section 1530 and the date of publication of notice under Section 1531 is valid. Such an agreement made after publication of notice is valid if the fee or compensation agreed upon is not in excess of 10 percent of the recoverable property and the agreement is in writing and signed by the owner after disclosure in the agreement of the nature and value of the property and the name and address of the person or entity in possession of the property. Nothing in this section shall be construed to prevent an owner from asserting, at any time, that any agreement to locate property is based upon an excessive or unjust consideration.

Notwithstanding any other provision of law, records of the Controller’s office pertaining to unclaimed property are not available for public inspection or copying until after publication of notice of the property or, if publication of notice of the property is not required, until one year after delivery of the property to the Controller.
Part 4, Title 3, Chapter 2
§ 1985. “Subpoena” defined; affidavit for subpoena duces tecum; issuance of subpoena in blank

(a) The process by which the attendance of a witness is required is the subpoena. It is a writ or order directed to a person and requiring the person’s attendance at a particular time and place to testify as a witness. It may also require a witness to bring any books, documents, electronically stored information, or other things under the witness’s control which the witness is bound by law to produce in evidence. When a county recorder is using the microfilm system for recording, and a witness is subpoenaed to present a record, the witness shall be deemed to have complied with the subpoena if the witness produces a certified copy thereof.

(b) A copy of an affidavit shall be served with a subpoena duces tecum issued before trial, showing good cause for the production of the matters and things described in the subpoena, specifying the exact matters or things desired to be produced, setting forth in full detail the materiality thereof to the issues involved in the case, and stating that the witness has the desired matters or things in his or her possession or under his or her control.

(c) The clerk, or a judge, shall issue a subpoena or subpoena duces tecum signed and sealed but otherwise in blank to a party requesting it, who shall fill it in before service. An attorney at law who is the attorney of record in an action or proceeding, may sign and issue a subpoena to require attendance before the court in which the action or proceeding is pending or at the trial of an issue therein, or upon the taking of a deposition in an action or proceeding pending therein; the subpoena in such a case need not be sealed. An attorney at law who is the attorney of record in an action or proceeding, may sign and issue a subpoena duces tecum to require production of the matters or things described in the subpoena.

§ 1985.1. Agreement to appear at time other than specified in subpoena

Any person who is subpoenaed to appear at a session of court, or at the trial of an issue therein, may, in lieu of appearance at the time specified in the subpoena, agree with the party at whose request the subpoena was issued to appear at another time or upon such notice as may be agreed upon. Any failure to appear pursuant to such agreement may be punished as a contempt by the court issuing the subpoena. The facts establishing or disproving such agreement and the failure to appear may be proved by an affidavit of any person having personal knowledge of the facts.

§ 1985.2. Subpoenas; civil trials, attendance of witnesses; notice

Any subpoena which requires the attendance of a witness at any civil trial shall contain the following notice in a type face designed to call attention to the notice:

Contact the attorney requesting this subpoena, listed above, before the date on which you are required to be in court, if you have any question about the time or date for you to appear, or if you want to be certain that your presence in court is required.

§ 1985.3. Subpoena duces tecum; personal records of consumer

(a) For purposes of this section, the following definitions apply:

(1) “Personal records” means the original, any copy of books, documents, other writings, or electronically stored information pertaining to a consumer and which are maintained by any “witness” which is a physician, dentist, ophthalmologist, optometrist, chiropractor, physical therapist, acupuncturist, podiatrist, veterinarian, veterinary hospital, veterinary clinic, pharmacist, pharmacy, hospital, medical center, clinic, radiology or MRI center, clinical or diagnostic laboratory, state or national bank, state or federal association (as defined in Section 5102 of the Financial Code), state or federal credit union, trust company, anyone authorized by
this state to make or arrange loans that are secured by real property, security brokerage firm, insurance company, title insurance company, underwritten title company, escrow agent licensed pursuant to Division 6 (commencing with Section 17000) of the Financial Code or exempt from licensure pursuant to Section 17006 of the Financial Code, attorney, accountant, institution of the Farm Credit System, as specified in Section 2002 of Title 12 of the United States Code, or telephone corporation which is a public utility, as defined in Section 216 of the Public Utilities Code, or psychotherapist, as defined in Section 1010 of the Evidence Code, or a private or public preschool, elementary school, secondary school, or postsecondary school as described in Section 76244 of the Education Code.

(2) “Consumer” means any individual, partnership of five or fewer persons, association, or trust which has transacted business with, or has used the services of, the witness or for whom the witness has acted as agent or fiduciary.

(3) “Subpoenaing party” means the person or persons causing a subpoena duces tecum to be issued or served in connection with any civil action or proceeding pursuant to this code, but shall not include the state or local agencies described in Section 7465 of the Government Code, or any entity provided for under Article VI of the California Constitution in any proceeding maintained before an adjudicative body of that entity pursuant to Chapter 4 (commencing with Section 6000) of Division 3 of the Business and Professions Code.

(4) “Deposition officer” means a person who meets the qualifications specified in Section 2020.420.

(b) Prior to the date called for in the subpoena duces tecum for the production of personal records, the subpoenaing party shall serve or cause to be served on the consumer whose records are being sought a copy of the subpoena duces tecum, of the affidavit supporting the issuance of the subpoena, if any, and of the notice described in subdivision (e), and proof of service as indicated in paragraph (1) of subdivision (c). This service shall be made as follows:

(1) To the consumer personally, or at his or her last known address, or in accordance with Chapter 5 (commencing with Section 1010) of Title 14 of Part 3, or, if he or she is a party, to his or her attorney of record. If the consumer is a minor, service shall be made on the minor’s parent, guardian, conservator, or similar fiduciary, or if one of them cannot be located with reasonable diligence, then service shall be made on any person having the care or control of the minor or with whom the minor resides or by whom the minor is employed, and on the minor if the minor is at least 12 years of age.

(2) Not less than 10 days prior to the date for production specified in the subpoena duces tecum, plus the additional time provided by Section 1013 if service is by mail.

(3) At least five days prior to service upon the custodian of the records, plus the additional time provided by Section 1013 if service is by mail.

(c) Prior to the production of the records, the subpoenaing party shall do either of the following:

(1) Serve or cause to be served upon the witness a proof of personal service or of service by mail attesting to compliance with subdivision (b).

(2) Furnish the witness a written authorization to release the records signed by the consumer or by his or her attorney of record. The witness may presume that any attorney purporting to sign the authorization on behalf of the consumer acted with the consent of the consumer, and that any objection to release of records is waived.
(d) A subpoena duces tecum for the production of personal records shall be served in sufficient time to allow the witness a reasonable time, as provided in Section 2020.410, to locate and produce the records or copies thereof.

(e) Every copy of the subpoena duces tecum and affidavit, if any, served on a consumer or his or her attorney in accordance with subdivision (b) shall be accompanied by a notice, in a typeface designed to call attention to the notice, indicating that (1) records about the consumer are being sought from the witness named on the subpoena; (2) if the consumer objects to the witness furnishing the records to the party seeking the records, the consumer must file papers with the court or serve a written objection as provided in subdivision (g) prior to the date specified for production on the subpoena; and (3) if the party who is seeking the records will not agree in writing to cancel or limit the subpoena, an attorney should be consulted about the consumer’s interest in protecting his or her rights of privacy. If a notice of taking of deposition is also served, that other notice may be set forth in a single document with the notice required by this subdivision.

(f) A subpoena duces tecum for personal records maintained by a telephone corporation which is a public utility, as defined in Section 216 of the Public Utilities Code, shall not be valid or effective unless it includes a consent to release, signed by the consumer whose records are requested, as required by Section 2891 of the Public Utilities Code.

(g) Any consumer whose personal records are sought by a subpoena duces tecum and who is a party to the civil action in which this subpoena duces tecum is served may, prior to the date for production, bring a motion under Section 1987.1 to quash or modify the subpoena duces tecum. Notice of the bringing of that motion shall be given to the witness and deposition officer at least five days prior to production. The failure to provide notice to the deposition officer shall not invalidate the motion to quash or modify the subpoena duces tecum but may be raised by the deposition officer as an affirmative defense in any action for liability for improper release of records.

Any other consumer or nonparty whose personal records are sought by a subpoena duces tecum may, prior to the date of production, serve on the subpoenaing party, the witness, and the deposition officer, a written objection that cites the specific grounds on which production of the personal records should be prohibited.

No witness or deposition officer shall be required to produce personal records after receipt of notice that the motion has been brought by a consumer, or after receipt of a written objection from a nonparty consumer, except upon order of the court in which the action is pending or by agreement of the parties, witnesses, and consumers affected.

The party requesting a consumer’s personal records may bring a motion under Section 1987.1 to enforce the subpoena within 20 days of service of the written objection. The motion shall be accompanied by a declaration showing a reasonable and good faith attempt at informal resolution of the dispute between the party requesting the personal records and the consumer or the consumer’s attorney.

(h) Upon good cause shown and provided that the rights of witnesses and consumers are preserved, a subpoenaing party shall be entitled to obtain an order shortening the time for service of a subpoena duces tecum or waiving the requirements of subdivision (b) where due diligence by the subpoenaing party has been shown.

(i) Nothing contained in this section shall be construed to apply to any subpoena duces tecum which does not request the records of any particular consumer or consumers and which requires a custodian of records to delete all information which would in any way identify any consumer whose records are to be produced.
(j) This section shall not apply to proceedings conducted under Division 1 (commencing with Section 50), Division 4 (commencing with Section 3200), Division 4.5 (commencing with Section 6100), or Division 4.7 (commencing with Section 6200), of the Labor Code.

(k) Failure to comply with this section shall be sufficient basis for the witness to refuse to produce the personal records sought by a subpoena duces tecum.

(l) If the subpoenaing party is the consumer, and the consumer is the only subject of the subpoenaed records, notice to the consumer, and delivery of the other documents specified in subdivision (b) to the consumer, is not required under this section.

§ 1985.4. Application of procedures in § 1985.3; subpoena duces tecum for records exempt from public disclosure under Public Records Act and maintained by state or local agency

The procedures set forth in Section 1985.3 are applicable to a subpoena duces tecum for records containing "personal information," as defined in Section 1798.3 of the Civil Code which are otherwise exempt from public disclosure under Section 6254 of the Government Code which are maintained by a state or local agency as defined in Section 6252 of the Government Code. For the purposes of this section, "witness" means a state or local agency as defined in Section 6252 of the Government Code and "consumer" means any employee of any state or local agency as defined in Section 6252 of the Government Code, or any other natural person. Nothing in this section shall pertain to personnel records as defined in Section 832.8 of the Penal Code.

Whenever a support judgment or order has been rendered by a court of this state against an individual who is entitled to unemployment compensation benefits or unemployment compensation disability benefits, the local child support agency may file a certification of support judgment or support order with the Department of Child Support Services, verifying under penalty of perjury that there is or has been a judgment or an order for support with sums overdue thereunder. The department shall periodically present and keep current, by deletions and additions, a list of the certified support judgments and orders and shall periodically notify the Employment Development Department of individuals certified as owing support obligations.

(b) If the Employment Development Department determines that an individual who owes support may have a claim for unemployment compensation disability insurance benefits under a voluntary plan approved by the Employment Development Department in accordance with Chapter 6 (commencing with Section 3251) of Part 2 of Division 1 of the Unemployment Insurance Code, the Employment Development Department shall immediately notify the voluntary plan payer. When the department notifies the Employment Development Department of changes in an individual's support obligations, the Employment Development Department shall promptly notify the voluntary plan payer of these changes. The Employment Development Department shall maintain and keep current a record of individuals who owe support obligations who may have claims for unemployment compensation or unemployment compensation disability benefits.

(c) Notwithstanding any other law, the Employment Development Department shall withhold the amounts specified below from the unemployment compensation benefits or unemployment compensation disability benefits of individuals with unmet support obligations. The Employment Development Department shall forward the amounts to the Department of Child Support Services for distribution to the appropriate certifying county.

(d) Notwithstanding any other law, during the payment of unemployment compensation disability benefits to an individual, with respect to whom the Employment Development Department has notified a voluntary plan payer that the individual has a support obligation, the voluntary plan payer shall withhold the amounts specified below from the individual's unemployment compensation disability benefits and shall forward the amounts to the appropriate certifying county.

(e) The amounts withheld in subdivisions (c) and (d) shall be equal to 25 percent of each weekly unemployment compensation benefit payment or periodic unemployment compensation disability benefit payment, rounded down to the nearest whole dollar, which is due the individual identified on the certified list. However, the amount withheld may be reduced to a lower whole dollar amount through a written agreement between the individual and the local child support agency or through an order of the court.

(f) The department shall ensure that the appropriate certifying county shall resolve any claims for refunds in the amounts overwithheld by the Employment Development Department or voluntary plan payer.

(g) No later than the time of the first withholding, the individuals who are subject to the withholding shall be notified by the payer of benefits of all of the following:

111
(1) That the individual’s unemployment compensation benefits or unemployment compensation disability benefits have been reduced by a court-ordered support judgment or order pursuant to this section.

(2) The address and telephone number of the local child support agency that submitted the certificate of support judgment or order.

(3) That the support order remains in effect even though the individual is unemployed or disabled unless it is modified by court order, and that if the amount withheld is less than the monthly support obligation, an arrearage will accrue.

(h) The individual may ask the appropriate court for an equitable division of the individual’s unemployment compensation or unemployment compensation disability amounts withheld to take into account the needs of all the persons the individual is required to support.

(i) The Department of Child Support Services and the Employment Development Department shall enter into any agreements necessary to carry out this section.

(j) For purposes of this section, “support obligations” means the child and related spousal support obligations that are being enforced pursuant to a plan described in Section 454 of the Social Security Act and as that section may hereafter be amended. However, to the extent “related spousal support obligation” may not be collected from unemployment compensation under federal law, those obligations shall not be included in the definition of support obligations under this section.

§ 17520. License applicants; compliance with support orders; license issuance, renewal, and suspension; review

(a) As used in this section:

(1) “Applicant” means a person applying for issuance or renewal of a license.

(2) “Board” means an entity specified in Section 101 of the Business and Professions Code, the entities referred to in Sections 1000 and 3600 of the Business and Professions Code, the State Bar of California, the Department of Real Estate, the Department of Motor Vehicles, the Secretary of State, the Department of Fish and Wildlife, and any other state commission, department, committee, examiner, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, or to the extent required by federal law or regulations, for recreational purposes. This term includes all boards, commissions, departments, committees, examiners, entities, and agencies that issue a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession. The failure to specifically name a particular board, commission, department, committee, examiner, entity, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession does not exclude that board, commission, department, committee, examiner, entity, or agency from this term.

(3) “Certified list” means a list provided by the local child support agency to the Department of Child Support Services in which the local child support agency verifies, under penalty of perjury, that the names contained therein are support obligors found to be out of compliance with a judgment or order for support in a case being enforced under Title IV-D of the federal Social Security Act.

(4) “Compliance with a judgment or order for support” means that, as set forth in a judgment or order for child or family support, the obligor is no more than 30 calendar days in arrears in making payments in full for current support, in making periodic payments in full, whether court
ordered or by agreement with the local child support agency, on a support arrearage, or in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a judgment for reimbursement for public assistance, or has obtained a judicial finding that equitable estoppel as provided in statute or case law precludes enforcement of the order. The local child support agency is authorized to use this section to enforce orders for spousal support only when the local child support agency is also enforcing a related child support obligation owed to the obligee parent by the same obligor, pursuant to Sections 17400 and 17604.

(5) “License” includes membership in the State Bar of California, and a certificate, credential, permit, registration, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession, or to operate a commercial motor vehicle, including appointment and commission by the Secretary of State as a notary public. “License” also includes any driver’s license issued by the Department of Motor Vehicles, any commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, any license used for recreational purposes. This term includes all licenses, certificates, credentials, permits, registrations, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession. The failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board that allows a person to engage in a business, occupation, or profession, does not exclude that license, certificate, credential, permit, registration, or other authorization from this term.

(6) “Licensee” means a person holding a license, certificate, credential, permit, registration, or other authorization issued by a board, to engage in a business, occupation, or profession, or a commercial driver’s license as defined in Section 15210 of the Vehicle Code, including an appointment and commission by the Secretary of State as a notary public. “Licensee” also means a person holding a driver’s license issued by the Department of Motor Vehicles, a person holding a commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, a person holding a license used for recreational purposes. This term includes all persons holding a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, and the failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board does not exclude that person from this term. For licenses issued to an entity that is not an individual person, “licensee” includes an individual who is either listed on the license or who qualifies for the license.

(b) The local child support agency shall maintain a list of those persons included in a case being enforced under Title IV-D of the federal Social Security Act against whom a support order or judgment has been rendered by, or registered in, a court of this state, and who are not in compliance with that order or judgment. The local child support agency shall submit a certified list with the names, social security numbers, individual taxpayer identification numbers, or other uniform identification numbers, and last known addresses of these persons and the name, address, and telephone number of the local child support agency who certified the list to the department. The local child support agency shall verify, under penalty of perjury, that the persons listed are subject to an order or judgment for the payment of support and that these persons are not in compliance with the order or judgment. The local child support agency shall submit to the department an updated certified list on a monthly basis.

(c) The department shall consolidate the certified lists received from the local child support agencies and, within 30 calendar days of receipt, shall provide a copy of the consolidated list to each board that is responsible for the regulation of licenses, as specified in this section.

(d) On or before November 1, 1992, or as soon thereafter as economically feasible, as determined by the department, all boards subject to this section shall implement procedures to accept and process
the list provided by the department, in accordance with this section. Notwithstanding any other law, all boards shall collect social security numbers or individual taxpayer identification numbers from all applicants for the purposes of matching the names of the certified list provided by the department to applicants and licensees and of responding to requests for this information made by child support agencies.

(e)(1) Promptly after receiving the certified consolidated list from the department, and prior to the issuance or renewal of a license, each board shall determine whether the applicant is on the most recent certified consolidated list provided by the department. The board shall have the authority to withhold issuance or renewal of the license of an applicant on the list.

(2) If an applicant is on the list, the board shall immediately serve notice as specified in subdivision (f) on the applicant of the board’s intent to withhold issuance or renewal of the license. The notice shall be made personally or by mail to the applicant’s last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(A) The board shall issue a temporary license valid for a period of 150 days to any applicant whose name is on the certified list if the applicant is otherwise eligible for a license.

(B) Except as provided in subparagraph (D), the 150-day time period for a temporary license shall not be extended. Except as provided in subparagraph (D), only one temporary license shall be issued during a regular license term and it shall coincide with the first 150 days of that license term. As this paragraph applies to commercial driver’s licenses, “license term” shall be deemed to be 12 months from the date the application fee is received by the Department of Motor Vehicles. A license for the full or remainder of the license term shall be issued or renewed only upon compliance with this section.

(C) In the event that a license or application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board.

(D) This paragraph shall apply only in the case of a driver’s license, other than a commercial driver’s license. Upon the request of the local child support agency or by order of the court upon a showing of good cause, the board shall extend a 150-day temporary license for a period not to exceed 150 extra days.

(3)(A) The department may, when it is economically feasible for the department and the boards to do so as determined by the department, in cases where the department is aware that certain child support obligors listed on the certified lists have been out of compliance with a judgment or order for support for more than four months, provide a supplemental list of these obligors to each board with which the department has an interagency agreement to implement this paragraph. Upon request by the department, the licenses of these obligors shall be subject to suspension, provided that the licenses would not otherwise be eligible for renewal within six months from the date of the request by the department. The board shall have the authority to suspend the license of any licensee on this supplemental list.

(B) If a licensee is on a supplemental list, the board shall immediately serve notice as specified in subdivision (f) on the licensee that the license will be automatically suspended 150 days after notice is served, unless compliance with this section is achieved. The notice shall be made personally or by mail to the licensee’s last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(C) The 150-day notice period shall not be extended.
(D) In the event that any license is suspended pursuant to this section, any funds paid by the licensee shall not be refunded by the board.

(E) This paragraph shall not apply to licenses subject to annual renewal or annual fee.

(f) Notices shall be developed by each board in accordance with guidelines provided by the department and subject to approval by the department. The notice shall include the address and telephone number of the local child support agency that submitted the name on the certified list, and shall emphasize the necessity of obtaining a release from that local child support agency as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) In the case of applicants not subject to paragraph (3) of subdivision (e), the notice shall inform the applicant that the board shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 150 calendar days if the applicant is otherwise eligible and that upon expiration of that time period the license will be denied unless the board has received a release from the local child support agency that submitted the name on the certified list.

(2) In the case of licensees named on a supplemental list, the notice shall inform the licensee that the license will continue in its existing status for no more than 150 calendar days from the date of mailing or service of the notice and thereafter will be suspended indefinitely unless, during the 150-day notice period, the board has received a release from the local child support agency that submitted the name on the certified list. Additionally, the notice shall inform the licensee that any license suspended under this section will remain so until the expiration of the remaining license term, unless the board receives a release along with applications and fees, if applicable, to reinstate the license during the license term.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board. The Department of Child Support Services shall also develop a form that the applicant shall use to request a review by the local child support agency. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(g)(1) Each local child support agency shall maintain review procedures consistent with this section to allow an applicant to have the underlying arrearage and any relevant defenses investigated, to provide an applicant information on the process of obtaining a modification of a support order, or to provide an applicant assistance in the establishment of a payment schedule on arrearages if the circumstances so warrant.

(2) It is the intent of the Legislature that a court or local child support agency, when determining an appropriate payment schedule for arrearages, base its decision on the facts of the particular case and the priority of payment of child support over other debts. The payment schedule shall also recognize that certain expenses may be essential to enable an obligor to be employed. Therefore, in reaching its decision, the court or the local child support agency shall consider both of these goals in setting a payment schedule for arrearages.

(h) If the applicant wishes to challenge the submission of their name on the certified list, the applicant shall make a timely written request for review to the local child support agency who certified the applicant’s name. A request for review pursuant to this section shall be resolved in the same manner and timeframe provided for resolution of a complaint pursuant to Section 17800. The local child support agency shall immediately send a release to the appropriate board and the applicant, if any of the following conditions are met:

(1) The applicant is found to be in compliance or negotiates an agreement with the local child support agency for a payment schedule on arrearages or reimbursement.
(2) The applicant has submitted a request for review, but the local child support agency will be unable to complete the review and send notice of its findings to the applicant within the time specified in Section 17800.

(3) The applicant has filed and served a request for judicial review pursuant to this section, but a resolution of that review will not be made within 150 days of the date of service of notice pursuant to subdivision (f). This paragraph applies only if the delay in completing the judicial review process is not the result of the applicant’s failure to act in a reasonable, timely, and diligent manner upon receiving the local child support agency’s notice of findings.

(4) The applicant has obtained a judicial finding of compliance as defined in this section.

(i) An applicant is required to act with diligence in responding to notices from the board and the local child support agency with the recognition that the temporary license will lapse or the license suspension will go into effect after 150 days and that the local child support agency and, where appropriate, the court must have time to act within that period. An applicant’s delay in acting, without good cause, which directly results in the inability of the local child support agency to complete a review of the applicant’s request or the court to hear the request for judicial review within the 150-day period shall not constitute the diligence required under this section which would justify the issuance of a release.

(j) Except as otherwise provided in this section, the local child support agency shall not issue a release if the applicant is not in compliance with the judgment or order for support. The local child support agency shall notify the applicant, in writing, that the applicant may, by filing an order to show cause or notice of motion, request any or all of the following:

(1) Judicial review of the local child support agency’s decision not to issue a release.

(2) A judicial determination of compliance.

(3) A modification of the support judgment or order.

The notice shall also contain the name and address of the court in which the applicant shall file the order to show cause or notice of motion and inform the applicant that their name shall remain on the certified list if the applicant does not timely request judicial review. The applicant shall comply with all statutes and rules of court regarding orders to show cause and notices of motion.

This section does not limit an applicant from filing an order to show cause or notice of motion to modify a support judgment or order or to fix a payment schedule on arrearages accruing under a support judgment or order or to obtain a court finding of compliance with a judgment or order for support.

(k) The request for judicial review of the local child support agency’s decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. The court shall hold an evidentiary hearing within 20 calendar days of the filing of the request for review. Judicial review of the local child support agency’s decision shall be limited to a determination of each of the following issues:

(1) Whether there is a support judgment, order, or payment schedule on arrearages or reimbursement.

(2) Whether the petitioner is the obligor covered by the support judgment or order.

(3) Whether the support obligor is or is not in compliance with the judgment or order of support.
(4)(A) The extent to which the needs of the obligor, taking into account the obligor’s payment history and the current circumstances of both the obligor and the obligee, warrant a conditional release as described in this subdivision.

(B) The request for judicial review shall be served by the applicant upon the local child support agency that submitted the applicant’s name on the certified list within seven calendar days of the filing of the petition. The court has the authority to uphold the action, unconditionally release the license, or conditionally release the license.

(C) If the judicial review results in a finding by the court that the obligor is in compliance with the judgment or order for support, the local child support agency shall immediately send a release in accordance with subdivision (l) to the appropriate board and the applicant. If the judicial review results in a finding by the court that the needs of the obligor warrant a conditional release, the court shall make findings of fact stating the basis for the release and the payment necessary to satisfy the unrestricted issuance or renewal of the license without prejudice to a later judicial determination of the amount of support arrearages, including interest, and shall specify payment terms, compliance with which are necessary to allow the release to remain in effect.

(l)(1) The department shall prescribe release forms for use by local child support agencies. When the obligor is in compliance, the local child support agency shall mail to the applicant and the appropriate board a release stating that the applicant is in compliance. The receipt of a release shall serve to notify the applicant and the board that, for the purposes of this section, the applicant is in compliance with the judgment or order for support. A board that has received a release from the local child support agency pursuant to this subdivision shall process the release within five business days of its receipt.

(2) When the local child support agency determines, subsequent to the issuance of a release, that the applicant is once again not in compliance with a judgment or order for support, or with the terms of repayment as described in this subdivision, the local child support agency may notify the board, the obligor, and the department in a format prescribed by the department that the obligor is not in compliance.

(3) The department may, when it is economically feasible for the department and the boards to develop an automated process for complying with this subdivision, notify the boards in a manner prescribed by the department, that the obligor is once again not in compliance. Upon receipt of this notice, the board shall immediately notify the obligor on a form prescribed by the department that the obligor’s license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The obligor shall be further notified that the license will remain suspended until a new release is issued in accordance with subdivision (h). This section does not limit the obligor from seeking judicial review of suspension pursuant to the procedures described in subdivision (k).

(m) The department may enter into interagency agreements with the state agencies that have responsibility for the administration of boards necessary to implement this section, to the extent that it is cost effective to implement this section. These agreements shall provide for the receipt by the other state agencies and boards of federal funds to cover that portion of costs allowable in federal law and regulation and incurred by the state agencies and boards in implementing this section. Notwithstanding any other law, revenue generated by a board or state agency shall be used to fund the nonfederal share of costs incurred pursuant to this section. These agreements shall provide that boards shall reimburse the department for the nonfederal share of costs incurred by the department in implementing this section. The boards shall reimburse the department for the nonfederal share of costs incurred pursuant to this section from moneys collected from applicants and licensees.
(n) Notwithstanding any other law, in order for the boards subject to this section to be reimbursed for the costs incurred in administering its provisions, the boards may, with the approval of the appropriate department director, levy on all licensees and applicants a surcharge on any fee or fees collected pursuant to law, or, alternatively, with the approval of the appropriate department director, levy on the applicants or licensees named on a certified list or supplemental list, a special fee.

(o) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section. The procedures specified in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial, suspension, or failure to issue or renew a license or the issuance of a temporary license pursuant to this section.

(p) In furtherance of the public policy of increasing child support enforcement and collections, on or before November 1, 1995, the State Department of Social Services shall make a report to the Legislature and the Governor based on data collected by the boards and the district attorneys in a format prescribed by the State Department of Social Services. The report shall contain all of the following:

1. The number of delinquent obligors certified by district attorneys under this section.

2. The number of support obligors who also were applicants or licensees subject to this section.

3. The number of new licenses and renewals that were delayed, temporary licenses issued, and licenses suspended subject to this section and the number of new licenses and renewals granted and licenses reinstated following board receipt of releases as provided by subdivision (h) by May 1, 1995.

4. The costs incurred in the implementation and enforcement of this section.

(q) A board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or has been granted a temporary license under this section shall respond only that the license was denied or suspended or the temporary license was issued pursuant to this section. Information collected pursuant to this section by a state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code).

(r) Any rules and regulations issued pursuant to this section by a state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.

(s) The department and boards, as appropriate, shall adopt regulations necessary to implement this section.

(t) The Judicial Council shall develop the forms necessary to implement this section, except as provided in subdivisions (f) and (l).

(u) The release or other use of information received by a board pursuant to this section, except as authorized by this section, is punishable as a misdemeanor.
(v) The State Board of Equalization shall enter into interagency agreements with the department and the Franchise Tax Board that will require the department and the Franchise Tax Board to maximize the use of information collected by the State Board of Equalization, for child support enforcement purposes, to the extent it is cost effective and permitted by the Revenue and Taxation Code.

(w)(1) The suspension or revocation of a driver’s license, including a commercial driver’s license, under this section shall not subject the licensee to vehicle impoundment pursuant to Section 14602.6 of the Vehicle Code.

(2) Notwithstanding any other law, the suspension or revocation of a driver’s license, including a commercial driver’s license, under this section shall not subject the licensee to increased costs for vehicle liability insurance.

(x) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(y) All rights to administrative and judicial review afforded by this section to an applicant shall also be afforded to a licensee.

§ 17521. Order to show cause or notice of motion for judicial review of district attorney’s decision; appropriate court

The order to show cause or notice of motion described in subdivision (j) of Section 17520 shall be filed and heard in the superior court.

§ 17522. Delinquent support obligors; collection or lien enforcement by levy

(a) Notwithstanding any other law, if a support obligor is delinquent in the payment of support for at least 30 days and the local child support agency is enforcing the support obligation pursuant to Section 17400, the local child support agency may collect the delinquency or enforce a lien by levy served on all persons having in their possession, or who will have in their possession or under their control, credits or personal property belonging to the delinquent support obligor, or who owe any debt to the obligor at the time they receive the notice of levy.

(b) A levy may be issued by a local child support agency for a support obligation that accrued under a court order or judgment if the obligor had notice of the accrued support arrearage as provided in this section, and did not make a timely request for review.

(c) The notice requirement shall be satisfied by the local child support agency sending a statement of support arrearages to the obligor at the obligor’s last known address by first-class mail, postage prepaid. The notice shall advise the obligor of the amount of the support arrearage. The notice shall advise the obligor that the obligor may have the arrearage determination reviewed by administrative procedures and state how the review may be obtained. The local child support agency shall conduct the review pursuant to this section in the same manner and timeframe provided for resolution of a complaint pursuant to Section 17800. The notice shall also advise the obligor of the right to seek a judicial determination of arrearages pursuant to Section 17526 and shall include a form to be filed with the court to request a judicial determination of arrearages. If the obligor requests an administrative review of the arrearage determination within 20 days from the date the notice was mailed to the obligor, the local child support agency may not issue the levy for a disputed amount of support until the administrative review procedure is completed.

(d) If the obligor requests a judicial determination of the arrearages within 20 days from the date the notice was mailed to the obligor, the local child support agency shall not issue the levy for a disputed amount of support until the judicial determination is complete.
(e) A person upon whom a levy has been served who possesses or controls any credits or personal property belonging to the delinquent support obligor or owing any debts to the delinquent support obligor at the time of receipt of the levy or coming into the person’s possession or control within one year of receipt of the notice of levy, shall surrender the credits or personal property to the local child support agency or pay to the local child support agency the amount of any debt owing the delinquent support obligor within 10 days of service of the levy, and shall surrender the credits or personal property, or the amount of any debt owing to the delinquent support obligor coming into the person’s possession or control within one year of receipt of the notice of levy, within 10 days of the date of coming into possession or control of the credits or personal property or the amount of any debt owing to the delinquent support obligor.

(f) A person who surrenders any credits or personal property or pays the debts owing the delinquent support obligor to the local child support agency pursuant to this section shall be discharged from any obligation or liability to the delinquent support obligor to the extent of the amount paid to the local child support agency as a result of the levy.

(g) When the levy is made on a deposit or credits or personal property in the possession or under the control of a bank, savings and loan association, or other financial institution as defined by Section 669A(d)(1) of Title 42 of the United States Code, the notice of levy may be delivered or mailed to a centralized location designated by the bank, savings and loan association, or other financial institution pursuant to Section 689.040 of the Code of Civil Procedure.

(h) A person who is served with a levy pursuant to this section and who fails or refuses to surrender any credits or other personal property or pay any debts owing to the delinquent support obligor shall be liable in their own person or estate to the local child support agency in an amount equal to the value of the credits or other personal property or in the amount of the levy, up to the amount specified in the levy.

(i) If an amount required to be paid pursuant to a levy under this section is not paid when due, the local child support agency may issue a warrant for enforcement of a lien and for the collection of any amount required to be paid to the local child support agency under this section. The warrant shall be directed to any sheriff, marshal, or the Department of the California Highway Patrol and shall have the same force and effect as a writ of execution. The warrant shall be levied and sale made pursuant to it in the manner and with the same force and effect as a levy and sale pursuant to a writ of execution. The local child support agency may pay or advance to the levying officer the same fees, commissions, and expenses for services under this section as are provided by law for similar services pursuant to a writ of execution, except for those fees and expenses for which a district attorney is exempt by law from paying. The local child support agency, and not the court, shall approve the fees for publication in a newspaper.

(j) The fees, commissions, expenses, and the reasonable costs associated with the sale of property levied upon by warrant or levy pursuant to this section, including, but not limited to, appraisers’ fees, auctioneers’ fees, and advertising fees are an obligation of the support obligor and may be collected from the obligor by virtue of the warrant or levy or in any other manner as though these items were support payments delinquent for at least 30 days.

§ 17522.5. Issuance of levy or notice to withhold; liquidation of asset by person, financial institution, or securities intermediary in possession or control of financial asset; manner of liquidation and transfer of proceeds; value of financial assets exceeding total amount of support due; instructions for liquidation by obligor

(a) Notwithstanding Section 8112 of the Commercial Code and Section 700.130 of the Code of Civil Procedure, when a local child support agency pursuant to Section 17522, or the department pursuant to Section 17454 or 17500, issues a levy upon, or requires by notice any employer, person, political
officer or entity, or depository institution to withhold the amount of, as applicable, a financial asset for the purpose of collecting a delinquent child support obligation, the person, financial institution, or securities intermediary (as defined in Section 8102 of the Commercial Code) in possession or control of the financial asset shall liquidate the financial asset in a commercially reasonable manner within 20 days of the issuance of the levy or the notice to withhold. Within five days of liquidation, the person, financial institution, or securities intermediary shall transfer to the State Disbursement Unit, established under Section 17309, the proceeds of the liquidation, less any reasonable commissions or fees, or both, which are charged in the normal course of business.

(b) If the value of the financial assets exceed the total amount of support due, the obligor may, within 10 days after the service of the levy or notice to withhold upon the person, financial institution, or securities intermediary, instruct the person, financial institution, or securities intermediary who possesses or controls the financial assets as to which financial assets are to be sold to satisfy the obligation for delinquent support. If the obligor does not provide instructions for liquidation, the person, financial institution, or securities intermediary who possesses or controls the financial assets shall liquidate the financial assets in a commercially reasonable manner and in an amount sufficient to cover the obligation for delinquent child support, and any reasonable commissions or fees, or both, which are charged in the normal course of business, beginning with the financial assets purchased most recently.

(c) For the purposes of this section, a financial asset shall include, but not be limited to, an uncertificated security, certificated security, or security entitlement (as defined in Section 8102 of the Commercial Code), security (as defined in Section 8103 of the Commercial Code), or a securities account (as defined in Section 8501 of the Commercial Code).

§ 17523. Lien for child support against personal property; perfection; priority; enforcement

(a) Notwithstanding any other provision of law, if a support obligor is delinquent in the payment of support and the local child support agency is enforcing the support obligation pursuant to Section 17400 or 17402, a lien for child support shall arise against the personal property of the support obligor in either of the following circumstances:

(1) By operation of law for all amounts of overdue support, regardless of whether the amounts have been adjudicated or otherwise determined.

(2) When either a court having continuing jurisdiction or the local child support agency determines a specific amount of arrearages is owed by the support obligor.

(b) The lien for child support shall be perfected by filing a notice of child support lien with the Secretary of State pursuant to Section 697.510 of the Code of Civil Procedure. Once filed, the child support lien shall have the same priority, force, and effect as a judgment lien on personal property pursuant to Article 3 (commencing with Section 697.510) of Chapter 2 of Division 2 of Article 9 of the Code of Civil Procedure.

(c) For purposes of this section, the following definitions shall apply:

(1) “Notice of child support lien” means a document filed with the Secretary of State that substantially complies with the requirements of Section 697.530 of the Code of Civil Procedure.

(2) “Support obligor is delinquent in payment of support” means that the support obligor has failed to make payment equal to one month’s support obligation.

(3) “Personal property” means that property that is subject to attachment by a judgment lien pursuant to Section 697.530 of the Code of Civil Procedure.

(d) Nothing in this section shall affect the priority of any of the following interests:
(1) State tax liens as set forth in Article 2 (commencing with Section 7170) of Division 7 of Title 1 of the Government Code.

(2) Liens or security interests as set forth in Article 3 (commencing with Section 697.510) of Chapter 2 of Division 2 of Article 9 of the Code of Civil Procedure.

(e) As between competing child support liens and state tax liens, a child support lien arising under this section shall have priority over a state tax lien if (1) the child support lien is filed with the Secretary of State, (2) the notice of child support lien is filed in an action or proceeding in which the obligor may become entitled to property or money judgment, or (3) the levy for child support on personal property is made, before a notice of state tax lien is filed with the Secretary of State pursuant to Section 7171 of the Government Code or filed in an action or proceeding in accordance with Section 7173 of the Government Code.

(f) A personal property lien for child support arising in another state may be enforced in the same manner and to the same extent as a personal property lien arising in this state.

§ 17523.5. Lien for child support against real property; digitized or digital electronic record

(a) (1) Notwithstanding any other law, in connection with the duty of the department and the local child support agency to promptly and effectively collect and enforce child support obligations under Title IV-D, the transmission, filing, and recording of a lien record by departmental and local child support agency staff that arises pursuant to subdivision (a) of Section 4506 of this code or Section 697.320 of the Code of Civil Procedure against the real property of a support obligor in the form of a digital or a digitized electronic record shall be permitted and governed only by this section.

(2) A facsimile signature that complies with the requirements of paragraph (2) of subdivision (b) of Section 27201 of the Government Code shall be accepted on any document relating to a lien that is filed or recorded pursuant to this section.

(3) The department and the local child support agency may use the California Child Support Enforcement System to transmit, file, and record a lien record under this section.

(b) Nothing in this section shall be construed to require a county recorder to establish an electronic recording delivery system or to enter into a contract with an entity to implement this section.

(c) For purposes of this section, the following terms have the following meanings:

(1) “Digital electronic record” means a record containing information that is created, generated, sent, communicated, received, or stored by electronic means, but not created in original paper form.

(2) “Digitized electronic record” means a scanned image of the original paper document.

§ 17524. Statement of arrearages

(a) Upon making application to the local child support agency for child support enforcement services pursuant to Section 17400, every applicant shall be requested to give the local child support agency a statement of arrearages stating whether any support arrearages are owed. If the applicant alleges arrearages are owed, the statement shall be signed under penalty of perjury.

(b) For all cases opened by the district attorney or local child support agency after December 31, 1995, the local child support agency shall enforce only arrearages declared under penalty of perjury pursuant to subdivision (a), arrearages accrued after the case was opened, or arrearages determined
by the court in the child support action. Arrearages may be determined by judgment, noticed motion, renewal of judgment, or registration of the support order.

(c) For all cases opened by the district attorney on or before December 31, 1995, the local child support agency shall enforce only arrearages that have been based upon a statement of arrears signed under penalty of perjury or where the local child support agency has some other reasonable basis for believing the amount of claimed arrearages to be correct.

§ 17525. Notice of support delinquency; contents

(a) Whenever a state or local governmental agency issues a notice of support delinquency, the notice shall state the date upon which the amount of the delinquency was calculated, and shall notify the obligor that the amount calculated may, or may not, include accrued interest. This requirement shall not be imposed until the local child support agency has instituted the California Child Support Enforcement System implemented and maintained by the Department of Child Support Services pursuant to Section 17308. The notice shall further notify the obligor of the right to an administrative determination of arrears by requesting that the local child support agency review the arrears, but that payments on arrears continue to be due and payable unless and until the local child support agency notifies the obligor otherwise. A state agency shall not be required to suspend enforcement of any arrearages as a result of the obligor’s request for an administrative determination of arrears, unless the agency receives notification of a suspension pursuant to subdivision (b) of Section 17526.

(b) For purposes of this section, “notice of support delinquency” means a notice issued to a support obligor that includes a specific statement of the amount of delinquent support due and payable.

(c) This section does not require a state or local entity to calculate the amount of a support delinquency, except as otherwise required by law.

§ 17526. Statement of arrearages; review

(a) Upon request of an obligor or obligee, the local child support agency shall review the amount of arrearages alleged in a statement of arrears that may be submitted to the local child support agency by an applicant for child support enforcement services. The local child support agency shall complete the review in the same manner and pursuant to the same timeframes as a complaint submitted pursuant to Section 17800. In the review, the local child support agency shall consider all evidence and defenses submitted by either parent on the issues of the amount of support paid or owed.

(b) The local child support agency may, in its discretion, suspend enforcement or distribution of arrearages if it believes there is a substantial probability that the result of the administrative review will result in a finding that there are no arrearages.

(c) Any party to an action involving child support enforcement services of the local child support agency may request a judicial determination of arrearages. The party may request an administrative review of the alleged arrearages prior to requesting a judicial determination of arrearages. The local child support agency shall complete the review in the same manner and pursuant to the same timeframes specified in subdivision (a). Any motion to determine arrearages filed with the court shall include a monthly breakdown showing amounts ordered and amounts paid, in addition to any other relevant information.

(d) A county that submits a claim for reimbursement as a state-mandated local program of costs incurred with respect to the administrative review of alleged child support arrears pursuant to this section shall be ineligible for state subventions or, to the extent permitted by federal law, state-administered federal subventions, for child support in the amount of any local costs under this section.
§ 17528. Public Employees' Retirement System; withholding overdue support obligations

(a) As authorized by subdivision (c) of Section 704.110 of the Code of Civil Procedure, the following actions shall be taken in order to enforce support obligations that are not being met:

(1) Within 18 months of implementation of the California Child Support Enforcement System (CSE), or its replacement as prescribed by former Section 10815 of the Welfare and Institutions Code, and certification of CSE or its replacement by the United States Department of Health and Human Services, the department shall compile a file of all support judgments and orders that are being enforced by local child support agencies pursuant to Section 17400 that have sums overdue by at least 60 days or by an amount equal to 60 days of support.

(2) The file shall contain the name and social security number of the person who owes overdue support, the amount of overdue support as of the date the file is created, the name of the county in which the support obligation is being enforced by the local child support agency, and any other information that is deemed necessary by the department and the Public Employees' Retirement System.

(3) The department shall provide the certified file to the Public Employees' Retirement System for the purpose of matching the names in the file with members and beneficiaries of the Public Employees' Retirement System that are entitled to receive Public Employees' Retirement System benefits. The department and the Public Employees' Retirement System shall work cooperatively to develop an interface in order to match the names in their respective electronic data processing systems. The interface required to intercept benefits that are payable periodically shall be done as soon as it is technically feasible.

(4) The department shall update the certified file no less than on a monthly basis to add new cases within the local child support agencies or existing cases that become delinquent and to delete persons who are no longer delinquent. The department shall provide the updated file no less than on a monthly basis to the Public Employees' Retirement System.

(5) Information contained in the certified file provided to the Public Employees' Retirement System by the department and the local child support agencies and information provided by the Public Employees' Retirement System to the department shall be used exclusively for child support enforcement purposes and may not be used for any other purpose.

(b) Notwithstanding any other law, the Public Employees' Retirement System shall withhold the amount certified from the benefits and refunds to be distributed to members with overdue support obligations or from benefits to be distributed to beneficiaries with overdue support obligations. If the benefits are payable periodically, the amount withheld pursuant to this section shall not exceed the amount permitted to be withheld for an earnings withholding order for support under Section 706.052 of the Code of Civil Procedure.

(c) The Public Employees' Retirement System shall forward the amounts withheld pursuant to subdivision (b) within 10 days of withholding to the department for distribution to the appropriate county.

(d) On an annual basis, the department shall notify individuals with overdue support obligations that PERS benefits or PERS contribution refunds may be intercepted for the purpose of enforcing family support obligations.

(e) No later than the time of the first withholding, the Public Employees’ Retirement System shall send those persons subject to withholding the following:
(1) Notice that the person's benefits or retirement contribution refund have been reduced by payment on a support judgment pursuant to this section.

(2) A form developed by the department that the applicant shall use to request either a review by the local child support agency or a court hearing, as appropriate.

(f) The notice shall include the address and telephone number of the local child support agency that is enforcing the support obligation pursuant to Section 17400, and shall specify that the form requesting either a review by the local child support agency or a court hearing must be received by the local child support agency within 20 days of the date of the notice.

(g) The form shall include instructions that are designed to enable the member or beneficiary to obtain a review or a court hearing as appropriate on their own behalf. The form shall specify that if the member or beneficiary disputes the amount of support arrearages certified by the local child support agency pursuant to this section, the member or beneficiary may request a review by the local child support agency.

(h) The department shall develop procedures that are consistent with this section to be used by each local child support agency in conducting the requested review. The local child support agency shall complete the review in accordance with the procedures developed by the department and shall notify the member or beneficiary of the result of the review within 20 days of receiving the request for review. The notification of review results shall include a request for hearing form and shall inform the member or beneficiary that if the member or beneficiary returns the completed request for hearing form within 20 days of the date of the notice of review results, the local child support agency shall calendar the matter for court review. If the local child support agency cannot complete the review within 20 days, the local child support agency shall calendar the matter for hearing as specified in subdivision (k).

(i) The form specified in subdivision (g) shall also notify the member or beneficiary that the member or beneficiary may request a court hearing to claim an exemption of any benefit not payable periodically by returning the completed form to the local child support agency within 20 days. If the local child support agency receives a timely request for a hearing for a claim of exemption, the local child support agency shall calendar a court hearing. The amount of the exemption, if any, shall be determined by the court in accordance with the procedures set forth in Section 703.070 of the Code of Civil Procedure.

(j) If the local child support agency receives the form requesting either a review by the local child support agency or a court hearing within the 20 days specified in subdivision (f), the local child support agency shall not distribute the amount intercepted until the review by the local child support agency or the court hearing is completed. If the local child support agency determines that all or a portion of the member's or beneficiary's benefits were intercepted in error, or if the court determines that any amount of the benefits are exempt, the local child support agency shall refund any amount determined to be exempt or intercepted in excess of the correct amount to the member or beneficiary within 10 days of determination that a refund is due.

(k) A hearing properly requested pursuant to this section shall be calendared by the local child support agency. The hearing shall be held within 20 days from the date that the local child support agency receives the request for hearing. The local child support agency shall provide notice of the time and place for hearing by first-class mail no later than five days prior to the hearing.

(l) This section does not limit any existing rights of the member or beneficiary, including, but not limited to, the right to seek a determination of arrearages or other appropriate relief directly from the court. However, if the procedures of this section are not utilized by the member or beneficiary, the court may not require the local child support agency to refund any money that was distributed to the child support obligee prior to the local child support agency receiving notice of a court determination that a refund is due to the member or beneficiary.
(m) The Department of Child Support Services and the Public Employees’ Retirement System shall enter into any agreement necessary to implement this section, which shall include provisions for the department to provide funding to the Public Employees’ Retirement System to develop, implement, and maintain the intercept process described in this section.

(n) The Public Employees’ Retirement System shall not assess service charges on members or beneficiaries in order to recover any administrative costs resulting from complying with this section.

§ 17530. Support enforcement action; allegation of error due to mistaken identity; administrative and judicial remedies; penalty

(a) Notwithstanding any other law, this section applies to any actions taken to enforce a judgment or order for support entered as a result of action filed by the local child support agency pursuant to Section 17400, 17402, or 17404, where it is alleged that the enforcement actions have been taken in error against a person who is not the support obligor named in the judgment or order.

(b) A person claiming that a support enforcement action has been taken against that person, or the person’s wages or assets, in error, shall file a claim of mistaken identity with the local child support agency. The claim shall include verifiable information or documentation to establish that the person against whom the enforcement actions have been taken is not the person named in the support order or judgment. The local child support agency shall resolve a claim of mistaken identity submitted pursuant to this section in the same manner and timeframes provided for resolution of a complaint pursuant to Section 17800.

(c) If the local child support agency determines that a claim filed pursuant to this section is meritorious, or if the court enters an order pursuant to Section 17433, the agency shall immediately take the steps necessary to terminate all enforcement activities with respect to the claimant, to return to the claimant any assets seized, to terminate any levying activities or attachment or assignment orders, to release any license renewal or application being withheld pursuant to Section 17520, to return any sums paid by the claimant pursuant to the judgment or order, including sums paid to any federal, state, or local government, but excluding sums paid directly to the support obligee, and to ensure that all other enforcement agencies and entities cease further actions against the claimant. With respect to a claim filed under this section, the local child support agency shall also provide the claimant with a statement certifying that the claimant is not the support obligor named in the support order or judgment, which statement shall be prima facie evidence of the claimant’s identity in any subsequent enforcement proceedings or actions with respect to that support order or judgment.

(d) If the local child support agency rejects a claim pursuant to this section, or if the agency, after finding a claim to be meritorious, fails to take any of the remedial steps provided in subdivision (c), the claimant may file an action with the superior court to establish the mistaken identity or to obtain the remedies described in subdivision (c), or both.

(e) Filing a false claim pursuant to this section shall be a misdemeanor.

§ 17531. Closure of a child support case; summary criminal history information in case; deletion or purging of file

When a local child support agency closes a child support case containing summary criminal history information, the local child support agency shall delete or purge from the file and destroy any documents or information concerning or arising from offenses for or of which the parent has been arrested, charged, or convicted, other than offenses related to the parent’s having failed to provide support for minor children, no later than four years and four months, or any other timeframe that is consistent with federal regulations controlling child support records retention, after the date the local child support agency closes the case.
§ 17540. Payment of county claims for federal and state reimbursement; waiver of time limitation

(a)(1) Commencing July 1, 2000, the department shall pay only those county claims for federal or state reimbursement under this division which are filed with the department within nine months of the end of the calendar quarter in which the costs are paid. A claim filed after that time may only be paid if the claim falls within the exceptions set forth in federal law.

(2) The department may change the nine-month limitation specified in paragraph (1), as deemed necessary by the department to comply with federal changes which affect time limits for filing a claim.

(b)(1) The department may waive the time limit imposed by subdivision (a) if the department determines there was good cause for a county’s failure to file a claim or claims within the time limit.

(2)(A) For purposes of this subdivision, “good cause” means circumstances which are beyond the county’s control, including acts of God and documented action or inaction by the state or federal government.

(B) “Circumstances beyond the county’s control” do not include neglect or failure on the part of the county or any of its offices, officers, or employees.

(C) A county shall request a waiver of the time limit imposed by this section for good cause in accordance with regulations adopted and promulgated by the department.

(3) The department’s authority to waive the time limit under this subdivision shall be subject to the availability of funds and shall not apply to claims submitted more than 18 months after the end of the calendar quarter in which costs were paid.

§ 17550. Establishment of regulations by which the local child support agency may compromise parents’ liability for public assistance debt in cases of separation or desertion of parent from child; conditions

(a) The Department of Child Support Services, in consultation with the State Department of Social Services, shall establish regulations by which the local child support agency, in any case of separation or desertion of a parent from a child that results in aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code being granted to the child, may compromise the obligor parent or parents’ liability for public assistance debt, including interest thereon, owed to the state where the child for whom public assistance was paid is residing with the obligor parent, and all of the following conditions are met:

(1) The obligor parent establishes one of the following:

(A) The child has been adjudged a dependent of the court under Section 300 of the Welfare and Institutions Code and the child has been reunified with the obligor parent pursuant to a court order.

(B) The child received public assistance while living with a guardian or relative caregiver and the child has been returned to the custody of the obligor parent, provided that the obligor parent for whom the debt compromise is being considered was the parent with whom the child resided prior to the child’s placement with the guardian or relative caregiver.

(2) The obligor parent, for whom the debt compromise is being considered, has an income less than 250 percent of the current federal poverty level.
(3) The local child support agency, pursuant to regulations set forth by the department, has determined that the compromise is necessary for the child’s support.

(b) Prior to compromising an obligor parent’s liability for debt incurred for either AFDC-FC payments provided to a child pursuant to Section 11400 of the Welfare and Institutions Code, or incurred for CalWORKs payments provided on behalf of a child, the local child support agency shall consult with the county child welfare department.

(c) This section does not relieve an obligor, who has not been reunited with their child, of any liability for public assistance debt.

(d) For the purposes of this section, the following definitions apply:

(1) “Guardian” means the legal guardian of the child, who assumed care and control of the child while the child was in the guardian’s control, and who is not a biological or adoptive parent.

(2) “Relative caregiver” means a relative as defined in subdivision (c) of Section 11362 of the Welfare and Institutions Code, who assumed primary responsibility for the child while the child was in the relative’s care and control, and who is not a biological or adoptive parent.

(e) The department shall promulgate all necessary regulations pursuant to this section on or before October 1, 2002, including regulations that set forth guidelines to be used by the local child support agency when compromising public assistance debt.

§ 17552. Regulations concerning determinations whether or not best interests of child or nonminor require case to be referred to local child support agency for child support services in situations resulting in foster care assistance, CalWORKs or Kin-GAP payments, or other specified aid; determination factors; review; nonminor dependents

(a) The State Department of Social Services, in consultation with the Department of Child Support Services, shall promulgate regulations by which the county child welfare department, in any case of separation or desertion of a parent or parents from a child that results in foster care assistance payments under Section 11400 of, or a voluntary placement under Section 11401.1 of, or the payments for a minor child placed in the same home as a minor or nonminor dependent parent under Section 11401.4 of, the Welfare and Institution Code, or CalWORKs payments to a caretaker relative of a child who comes within the jurisdiction of the juvenile court under Section 300, 601, or 602 of the Welfare and Institutions Code, who has been removed from the parental home and placed with the caretaker relative by court order, and who is under the supervision of the county child welfare agency or probation department under Section 11250 of, or Kin-GAP payments under Article 4.5 (commencing with Section 11360) or Article 4.7 (commencing with Section 11385) of, or aid under subdivision (c) of Section 10101 of, the Welfare and Institutions Code, shall determine whether it is in the best interests of the child or nonminor to have the case referred to the local child support agency for child support services. If reunification services are not offered or are terminated, the case may be referred to the local child support agency, unless the child’s permanent plan is legal guardianship with a relative who is receiving Kin-GAP and the payment of support by the parent may compromise the stability of the current placement with the related guardian, or the permanent plan is transitional foster care for the nonminor under Section 11403 of the Welfare and Institutions Code. In making the determination, the department regulations shall provide the factors the county child welfare department shall consider, including:

(1) Whether the payment of support by the parent will pose a barrier to the proposed reunification, in that the payment of support will compromise the parent’s ability to meet the requirements of the parent’s reunification plan.
(2) Whether the payment of support by the parent will pose a barrier to the proposed reunification in that the payment of support will compromise the parent’s current or future ability to meet the financial needs of the child.

(b) The department regulations shall provide that, where the county child welfare department determines that it is not in the best interest of the child to seek a support order against the parent, the county child welfare department shall refrain from referring the case to the local child support agency. The regulations shall define those circumstances in which it is not in the best interest of the child to refer the case to the local child support agency.

(c) The department regulations shall provide, where the county child welfare department determines that it is not in the child’s best interest to have the case referred to the local child support agency, the county child welfare department shall review that determination periodically to coincide with the redetermination of AFDC-FC eligibility under Section 11401.5 of, or the CalWORKs eligibility under Section 11265 of, or Kin-GAP eligibility under Article 4.5 (commencing with Section 11360) or Article 4.7 (commencing with Section 11385) of Chapter 2 of Part 3 of Division 9 of, the Welfare and Institutions Code, and shall refer the child’s case to the local child support agency upon a determination that, due to a change in the child’s circumstances, it is no longer contrary to the child’s best interest to have the case referred to the local child support agency.

(d) The State Department of Social Services shall promulgate all necessary regulations pursuant to this section on or before October 1, 2002.

(e) Notwithstanding any other law, a nonminor dependent, as described in subdivision (v) of Section 11400 of the Welfare and Institutions Code, who is over 19 years of age, is not a child for purposes of referral to the local child support agency for collection or enforcement of child support.

(f) Notwithstanding any other law, a minor or a nonminor dependent, as defined in subdivision (v) of Section 11400 of the Welfare and Institutions Code, who has a minor child placed in the same licensed or approved facility pursuant to Section 11401.4 of the Welfare and Institutions Code is not a parent for purposes of referral to the local child support agency for collection or enforcement of child support.

§ 17555. Appropriations in annual Budget Act for purpose of augmenting funding for collection responsibilities; requirements; legislative intent

(a) Any appropriation made available in the annual Budget Act for the purposes of augmenting funding for local child support agencies in the furtherance of their revenue collection responsibilities shall be subject to all of the following requirements:

(1) Each local child support agency shall submit to the department an early intervention plan with all components to take effect upon receipt of their additional allocation as a result of this proposal.

(2) Funds shall be distributed to counties based on their performance on the following two federal performance measures:

(A) Measure 3: Collections on Current Support.

(B) Measure 4: Cases with Collections on Arrears.

(3) A local child support agency shall be required to use and ensure that 100 percent of the new funds allocated are dedicated to maintaining caseworker staffing levels in order to stabilize child support collections.
(4) At the end of each fiscal year that this augmentation is in effect, the department shall provide a report on the cost-effectiveness of this augmentation, including an assessment of caseload changes over time.

(b) It is the intent of the Legislature to review the results of this augmentation and the level of related appropriation during the legislative budget review process.

§ 17556. Annual report

On or before March 1, 2019, and annually thereafter, the department shall submit a report to the Legislature providing information on the status of all of the following:

(a) Case-to-staff ratios for each local child support agency.

(b) Collections to families and recoupment collections to county, state, and federal governmental agencies.

(c) Cost avoidance benefits.

(d) The number of families served by the child support program.

§ 17560. Arrears collection enhancement process; development of program; acceptance of offers in compromise

(a) The department shall establish and operate a statewide compromise of arrears program pursuant to which the department may accept offers in compromise of child support arrears and interest accrued thereon owed to the state for reimbursement of aid paid pursuant to Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code. The program shall operate uniformly across California and shall take into consideration the needs of the children subject to the child support order and the obligor’s ability to pay.

(b) If the obligor owes current child support, the offer in compromise shall require the obligor to be in compliance with the current support order for a set period of time before any arrears and interest accrued thereon may be compromised.

(c) Absent a finding of good cause, or a determination by the director that it is in the best interest of the state to do otherwise, any offer in compromise entered into pursuant to this section shall be rescinded, all compromised liabilities shall be reestablished notwithstanding any statute of limitations that otherwise may be applicable, and no portion of the amount offered in compromise may be refunded, if either of the following occurs:

(1) The department or local child support agency determines that the obligor did any of the following acts regarding the offer in compromise:

   (A) Concealed from the department or local child support agency any income, assets, or other property belonging to the obligor or any reasonably anticipated receipt of income, assets, or other property.

   (B) Intentionally received, withheld, destroyed, mutilated, or falsified any information, document, or record, or intentionally made any false statement, relating to the financial conditions of the obligor.

(2) The obligor fails to comply with any of the terms and conditions of the offer in compromise.

(d) Pursuant to subdivision (k) of Section 17406, in no event may the administrator, director, or director’s designee within the department, accept an offer in compromise of any child support arrears owed directly to the custodial party unless that party consents to the offer in compromise in writing and
participates in the agreement. Prior to giving consent, the custodial party shall be provided with a clear written explanation of the rights with respect to child support arrears owed to the custodial party and the compromise thereof.

(e) Subject to the requirements of this section, the director shall delegate to the administrator of a local child support agency the authority to compromise an amount of child support arrears up to five thousand dollars ($5,000), and may delegate additional authority to compromise up to an amount determined by the director to support the effective administration of the offers in compromise program.

(f) For an amount to be compromised under this section, the following conditions shall exist:

1. The administrator, director or director’s designee within the department determines that acceptance of an offer in compromise is in the best interest of the state and that the compromise amount equals or exceeds what the state can expect to collect for reimbursement of aid paid pursuant to Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code in the absence of the compromise, based on the obligor’s ability to pay.

2. Acceptance of an offer in compromise shall be deemed to be in the best interest of the state, absent a finding of good cause to the contrary, with regard to arrears that accrued as a result of a decrease in income when an obligor was a reservist or member of the National Guard, was activated to United States military service, and failed to modify the support order to reflect the reduction in income. Good cause to find that the compromise is not in the best interest of the state shall include circumstances in which the service member’s failure to seek, or delay in seeking, the modification were not reasonable under the circumstances faced by the service member. The director, no later than 90 days after the effective date of the act adding this subparagraph, shall establish rules that compromise, at a minimum, the amount of support that would not have accrued had the order been modified to reflect the reduced income earned during the period of active military service.

3. Any other terms and conditions that the director establishes that may include, but may not be limited to, paying current support in a timely manner, making lump-sum payments, and paying arrears in exchange for compromise of interest owed.

4. The obligor shall provide evidence of income and assets, including, but not limited to, wage stubs, tax returns, and bank statements as necessary to establish all of the following:

A. That the amount set forth in the offer in compromise of arrears owed is the most that can be expected to be paid or collected from the obligor’s present assets or income.

B. That the obligor does not have reasonable prospects of acquiring increased income or assets that would enable the obligor to satisfy a greater amount of the child support arrears than the amount offered, within a reasonable period of time.

C. That the obligor has not withheld payment of child support in anticipation of the offers in compromise program.

(g) A determination by the administrator, director or the director’s designee within the department that it would not be in the best interest of the state to accept or rescind an offer in compromise in satisfaction of child support arrears shall be final and not subject to the provisions of Chapter 5 (commencing with Section 17800) of Division 17, or subject to judicial review.

(h) Any offer in compromise entered into pursuant to this section shall be filed with the appropriate court. The local child support agency shall notify the court if the compromise is rescinded pursuant to subdivision (c).
(i) Any compromise of child support arrears pursuant to this section shall maximize to the greatest extent possible the state’s share of the federal performance incentives paid pursuant to the Child Support Performance and Incentive Act of 1998, and shall comply with federal law.

(j) The department shall ensure uniform application of this section across the state.

Government Code

Title 2, Division 3, Part 1, Chapter 1

Article 9. Meetings

§ 11120. Public policy; legislative finding and declaration; citation of article

It is the public policy of this state that public agencies exist to aid in the conduct of the people’s business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that the deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act.

(a) As used in this article, “meeting” includes any congregation of a majority of the members of a state body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the state body to which it pertains.

(b)(1) A majority of the members of a state body shall not, outside of a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter of the state body.

§ 11123. Open meetings; teleconference requirements

(a) All meetings of a state body shall be open and public and all persons shall be permitted to attend any meeting of a state body except as otherwise provided in this article.

(b)(1) This article does not prohibit a state body from holding an open or closed meeting by teleconference for the benefit of the public and state body. The meeting or proceeding held by teleconference shall otherwise comply with all applicable requirements or laws relating to a specific type of meeting or proceeding, including the following:

(A) The teleconferencing meeting shall comply with all requirements of this article applicable to other meetings.

(B) The portion of the teleconferenced meeting that is required to be open to the public shall be audible to the public at the location specified in the notice of the meeting.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(D) All votes taken during a teleconferenced meeting shall be by rollcall.

(E) The portion of the teleconferenced meeting that is closed to the public may not include the consideration of any agenda item being heard pursuant to Section 11125.5.
(F) At least one member of the state body shall be physically present at the location specified in the notice of the meeting.

(2) For the purposes of this subdivision, “teleconference” means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. This section does not prohibit a state body from providing members of the public with additional locations in which the public may observe or address the state body by electronic means, through either audio or both audio and video.

(c) The state body shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

§ 11123.1. State body meetings to meet protections and prohibitions of the Americans with Disabilities Act

All meetings of a state body that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

§ 11123.5. Open meeting by teleconference; meeting minutes; public notice; location of member participating remotely; meeting agenda; primary physical meeting location; audio of meeting; failure of means of remote access

(a) In addition to the authorization to hold a meeting by teleconference pursuant to subdivision (b) of Section 11123, any state body that is an advisory board, advisory commission, advisory committee, advisory subcommittee, or similar multimember advisory body may hold an open meeting by teleconference as described in this section, provided the meeting complies with all of the section’s requirements and, except as set forth in this section, it also complies with all other applicable requirements of this article.

(b) A member of a state body as described in subdivision (a) who participates in a teleconference meeting from a remote location subject to this section’s requirements shall be listed in the minutes of the meeting.

(c) The state body shall provide notice to the public at least 24 hours before the meeting that identifies any member who will participate remotely by posting the notice on its Internet Web site and by emailing notice to any person who has requested notice of meetings of the state body under this article. The location of a member of a state body who will participate remotely is not required to be disclosed in the public notice or email and need not be accessible to the public. The notice of the meeting shall also identify the primary physical meeting location designated pursuant to subdivision (e).

(d) This section does not affect the requirement prescribed by this article that the state body post an agenda of a meeting at least 10 days in advance of the meeting. The agenda shall include information regarding the physical meeting location designated pursuant to subdivision (e), but is not required to disclose information regarding any remote location.

(e) A state body described in subdivision (a) shall designate the primary physical meeting location in the notice of the meeting where members of the public may physically attend the meeting and participate. A quorum of the members of the state body shall be in attendance at the primary physical meeting location, and members of the state body participating remotely shall not count towards establishing a quorum. All decisions taken during a meeting by teleconference shall be by rollcall vote. The state body shall post the agenda at the primary physical meeting location, but need not post the agenda at a remote location.
(f) When a member of a state body described in subdivision (a) participates remotely in a meeting subject to this section’s requirements, the state body shall provide a means by which the public may remotely hear audio of the meeting or remotely observe the meeting, including, if available, equal access equivalent to members of the state body participating remotely. The applicable teleconference phone number or Internet Web site, or other information indicating how the public can access the meeting remotely, shall be in the 24-hour notice described in subdivision (a) that is available to the public.

(g) Upon discovering that a means of remote access required by subdivision (f) has failed during a meeting, the state body described in subdivision (a) shall end or adjourn the meeting in accordance with Section 11128.5. In addition to any other requirements that may apply, the state body shall provide notice of the meeting’s end or adjournment on its Internet Web site and by email to any person who has requested notice of meetings of the state body under this article. If the meeting will be adjourned and reconvened on the same day, further notice shall be provided by an automated message on a telephone line posted on the state body’s agenda, or by a similar means, that will communicate when the state body intends to reconvene the meeting and how a member of the public may hear audio of the meeting or observe the meeting.

(h) For purposes of this section:

(1) “Participate remotely” means participation in a meeting at a location other than the physical location designated in the agenda of the meeting.

(2) “Remote location” means a location other than the primary physical location designated in the agenda of a meeting.

(3) “Teleconference” has the same meaning as in Section 11123.

(i) This section does not limit or affect the ability of a state body to hold a teleconference meeting under another provision of this article.

§ 11124. Conditions for attendance

No person shall be required, as a condition to attendance at a meeting of a state body, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

§ 11124.1. Audio or video recording of proceedings; inspection of state’s recording; broadcast restrictions

(a) Any person attending an open and public meeting of the state body shall have the right to record the proceedings with an audio or video recorder or a still or motion picture camera in the absence of a reasonable finding by the state body that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.

(b) Any audio or video recording of an open and public meeting made for whatever purpose by or at the direction of the state body shall be subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), but may be erased or destroyed 30 days after the recording. Any inspection of an audio or video recording shall be provided without charge on equipment made available by the state body.
(c) No state body shall prohibit or otherwise restrict the broadcast of its open and public meetings in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings.

§ 11125. Notice of meeting

(a) The state body shall provide notice of its meeting to any person who requests that notice in writing. Notice shall be given and also made available on the Internet at least 10 days in advance of the meeting, and shall include the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting. The written notice shall additionally include the address of the Internet site where notices required by this article are made available.

(b) The notice of a meeting of a body that is a state body shall include a specific agenda for the meeting, containing a brief description of the items of business to be transacted or discussed in either open or closed session. A brief general description of an item generally need not exceed 20 words. A description of an item to be transacted or discussed in closed session shall include a citation of the specific statutory authority under which a closed session is being held. No item shall be added to the agenda subsequent to the provision of this notice, unless otherwise permitted by this article.

(c) Notice of a meeting of a state body that complies with this section shall also constitute notice of a meeting of an advisory body of that state body, provided that the business to be discussed by the advisory body is covered by the notice of the meeting of the state body, provided that the specific time and place of the advisory body’s meeting is announced during the open and public state body’s meeting, and provided that the advisory body’s meeting is conducted within a reasonable time of, and nearby, the meeting of the state body.

(d) A person may request, and shall be provided, notice pursuant to subdivision (a) for all meetings of a state body or for a specific meeting or meetings. In addition, at the state body’s discretion, a person may request, and may be provided, notice of only those meetings of a state body at which a particular subject or subjects specified in the request will be discussed.

(e) A request for notice of more than one meeting of a state body shall be subject to the provisions of Section 14911.

(f) The notice shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by any person with a disability. The notice shall include information regarding how, to whom, and by when a request for any disability-related modification or accommodation, including auxiliary aids or services may be made by a person with a disability who requires these aids or services in order to participate in the public meeting.

§ 11125.1. Agendas and other writings distributed for discussion or consideration at public meetings; public records; Franchise Tax Board; inspection; availability on the Internet; closed sessions

(a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and other writings, when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.
(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by a person with a disability.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by the Franchise Tax Board staff or individual members to members of the state body prior to or during a meeting shall be:

1. Made available for public inspection at that meeting.

2. Distributed to all persons who request notice in writing pursuant to subdivision (a) of Section 11125.

(d) Prior to the State Board of Equalization taking final action on any item that does not involve a named tax or fee payer, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by board staff or individual members to members of the state body prior to or during a meeting shall be:

1. Made available for public inspection at that meeting.

2. Distributed to all persons who request or have requested copies of these writings.

(e) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 6253, except that no surcharge shall be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall not be construed to limit or delay the public’s right to inspect any record required to be disclosed by that act, or to limit the public’s right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(f) “Writing” for purposes of this section means “writing” as defined under Section 6252.

§ 11125.2. Appointment, employment or dismissal of public employees; closed sessions; public report

Any state body shall report publicly at a subsequent public meeting any action taken, and any rollcall vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.

§ 11125.3. Action on items of business not appearing on agenda; notice

(a) Notwithstanding Section 11125, a state body may take action on items of business not appearing on the posted agenda under any of the conditions stated below:
(1) Upon a determination by a majority vote of the state body that an emergency situation exists, as defined in Section 11125.5.

(2) Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet as soon as is practicable after the decision to consider additional items at a meeting has been made.

§ 11125.4. Special meetings; authorized purposes; notice; required finding of hardship or need to protect public interest

(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes when compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or when immediate action is required to protect the public interest:

(1) To consider “pending litigation” as that term is defined in subdivision (e) of Section 11126.

(2) To consider proposed legislation.

(3) To consider issuance of a legal opinion.

(4) To consider disciplinary action involving a state officer or employee.

(5) To consider the purchase, sale, exchange, or lease of real property.

(6) To consider license examinations and applications.

(7) To consider an action on a loan or grant provided pursuant to Division 31 (commencing with Section 50000) of the Health and Safety Code.

(8) To consider its response to a confidential final draft audit report as permitted by Section 11126.2.

(9) To provide for an interim executive officer of a state body upon the death, incapacity, or vacancy in the office of the executive officer.

(b) When a special meeting is called pursuant to one of the purposes specified in subdivision (a), the state body shall provide notice of the special meeting to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after the decision to call a special meeting has been made, but shall deliver the notice in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the special meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet within the time periods required by this section. The notice shall specify the time and place of the special meeting and the business to
be transacted. The written notice shall additionally specify the address of the Internet Web site where notices required by this article are made available. No other business shall be considered at a special meeting by the state body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the state body a written waiver of notice. The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

§ 11125.5. Emergency meetings

(a) In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a state body may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4.

(b) For purposes of this section, “emergency situation” means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:

(1) Work stoppage or other activity that severely impairs public health or safety, or both.

(2) Crippling disaster that severely impairs public health or safety, or both.

(c) However, newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the state body, or a designee thereof, one hour prior to the emergency meeting by telephone. Notice shall also be made available on the Internet as soon as is practicable after the decision to call the emergency meeting has been made. If telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the presiding officer of the state body, or a designee thereof, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the roolcall vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place, and also made available on the Internet for a minimum of 10 days, as soon after the meeting as possible.

§ 11125.7. Agenda item discussion before state body; opportunity for public address; regulation by state body; freedom of expression; equal time provisions modified for use of translator; application of provisions

(a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body’s discussion or consideration of the item. This section is not applicable if the agenda item
has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee’s consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public if no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.

(c)(1) Notwithstanding subdivision (b), when a state body limits time for public comment the state body shall provide at least twice the allotted time to a member of the public who utilizes a translator or other translating technology to ensure that non-English speakers receive the same opportunity to directly address the state body.

(2) Paragraph (1) shall not apply if the state body utilizes simultaneous translation equipment in a manner that allows the state body to hear the translated public testimony simultaneously.

(d) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(e) This section is not applicable to any of the following:

(1) Closed sessions held pursuant to Section 11126.

(2) Decisions regarding proceedings held pursuant to Chapter 5 (commencing with Section 11500), relating to administrative adjudication, or to the conduct of those proceedings.

(3) Hearings conducted by the California Victim Compensation Board pursuant to Sections 13963 and 13963.1.

(4) Agenda items that involve decisions of the Public Utilities Commission regarding adjudicatory hearings held pursuant to Chapter 9 (commencing with Section 1701) of Part 1 of Division 1 of the Public Utilities Code. (2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of their right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or

Those matters may include review of an applicant's qualifications for licensure and an inquiry specifically related to the state body’s enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.

§ 11400.20. Regulations

(a) Before, on, or after July 1, 1997, an agency may adopt interim or permanent regulations to govern an adjudicative proceeding under this chapter or Chapter 5 (commencing with Section 11500). Nothing in this section authorizes an agency to adopt regulations to govern an adjudicative proceeding required to be conducted by an administrative law judge employed by the Office of Administrative Hearings, except to the extent the regulations are otherwise authorized by statute.

(b) Except as provided in Section 11351:

(1) Interim regulations need not comply with Article 5 (commencing with Section 11346) or Article 6 (commencing with Section 11349) of Chapter 3.5, but are governed by Chapter 3.5 (commencing with Section 11340) in all other respects.

(2) Interim regulations expire on December 31, 1998, unless earlier terminated or replaced by or readopted as permanent regulations under paragraph (3). If on December 31, 1998, an agency has completed proceedings to replace or readopt interim regulations and has submitted permanent regulations for review by the Office of Administrative Law, but permanent regulations have not yet been filed with the Secretary of State, the interim regulations are extended until the date permanent regulations are filed with the Secretary of State or March 31, 1999, whichever is earlier.

(3) Permanent regulations are subject to all the provisions of Chapter 3.5 (commencing with Section 11340), except that if by December 31, 1998, an agency has submitted the regulations for review by the Office of Administrative Law, the regulations are not subject to review for necessity under Section 11349.1 or 11350.
Article 3. Application of Chapter

§ 11410.40. Adoption by exempt agency

Notwithstanding any other provision of this article, by regulation, ordinance, or other appropriate action, an agency may adopt this chapter or any of its provisions for the formulation and issuance of a decision, even though the agency or decision is exempt from application of this chapter.

Article 4. Governing Procedure

§ 11415.10. Statutes and regulations; Administrative Procedure Act

(a) The governing procedure by which an agency conducts an adjudicative proceeding is determined by the statutes and regulations applicable to that proceeding. If no other governing procedure is provided by statute or regulation, an agency may conduct an adjudicative proceeding under the administrative adjudication provisions of the Administrative Procedure Act.

(b) This chapter supplements the governing procedure by which an agency conducts an adjudicative proceeding.

§ 11415.20. Controlling law

A state statute or a federal statute or regulation applicable to a particular agency or decision prevails over a conflicting or inconsistent provision of this chapter.

Article 11. Subpoenas

§ 11450.05. Application of article

(a) This article applies in an adjudicative proceeding required to be conducted under Chapter 5 (commencing with Section 11500).

(b) An agency may use the subpoena procedure provided in this article in an adjudicative proceeding not required to be conducted under Chapter 5 (commencing with Section 11500), in which case all the provisions of this article apply including, but not limited to, issuance of a subpoena at the request of a party or by the attorney of record for a party under Section 11450.20.

§ 11450.20. Issuer; service

(a) Subpoenas and subpoenas duces tecum shall be issued by the agency or presiding officer at the request of a party, or by the attorney of record for a party, in accordance with Sections 1985 to 1985.4, inclusive, of the Code of Civil Procedure.

(b) The process extends to all parts of the state and shall be served in accordance with Sections 1987 and 1988 of the Code of Civil Procedure. A subpoena or subpoena duces tecum may also be delivered by certified mail return receipt requested or by messenger. Service by messenger shall be effected when the witness acknowledges receipt of the subpoena to the sender, by telephone, by mail, or in person, and identifies himself or herself either by reference to date of birth and driver’s license number or Department of Motor Vehicles identification number, or the sender may verify receipt of the subpoena by obtaining other identifying information from the recipient. The sender shall make a written notation of the acknowledgment. A subpoena issued and acknowledged pursuant to this section has the same force and effect as a subpoena personally served. Failure to comply with a subpoena issued and acknowledged pursuant to this section may be punished as a contempt and the subpoena may so state. A party requesting a continuance based upon the failure of a witness to appear at the time and place required for the appearance or testimony pursuant to a subpoena, shall prove that the party has complied with this section. The continuance shall only be granted for a period of time that would allow personal service of the subpoena and in no event longer than that allowed by law.
No witness is obliged to attend unless the witness is a resident of the state at the time of service.

§ 11450. Objections; protective orders
(a) A person served with a subpoena or a subpoena duces tecum may object to its terms by a motion for a protective order, including a motion to quash.

(b) The objection shall be resolved by the presiding officer on terms and conditions that the presiding officer declares. The presiding officer may make another order that is appropriate to protect the parties or the witness from unreasonable or oppressive demands, including violations of the right to privacy.

(c) A subpoena or a subpoena duces tecum issued by the agency on its own motion may be quashed by the agency.

§ 11450.50. Written notice
(a) In the case of the production of a party to the record of a proceeding or of a person for whose benefit a proceeding is prosecuted or defended, the service of a subpoena on the witness is not required if written notice requesting the witness to attend, with the time and place of the hearing, is served on the attorney of the party or person.

(b) Service of written notice to attend under this section shall be made in the manner and is subject to the conditions provided in Section 1987 of the Code of Civil Procedure for service of written notice to attend in a civil action or proceeding.

Title 2, Division 3, Part 1, Chapter 5
§ 11512. Presiding officer; participation of agency in hearing; conduct of hearing; disqualification of administrative law judge or agency member; reporter; proposed decision
(a) Every hearing in a contested case shall be presided over by an administrative law judge. The agency itself shall determine whether the administrative law judge is to hear the case alone or whether the agency itself is to hear the case with the administrative law judge.

(b) When the agency itself hears the case, the administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the agency on matters of law; the agency itself shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the administrative law judge alone hears a case, he or she shall exercise all powers relating to the conduct of the hearing. A ruling of the administrative law judge admitting or excluding evidence is subject to review in the same manner and to the same extent as the administrative law judge’s proposed decision in the proceeding.

(c) An administrative law judge or agency member shall voluntarily disqualify himself or herself and withdraw from any case in which there are grounds for disqualification, including disqualification under Section 11425.40. The parties may waive the disqualification by a writing that recites the grounds for disqualification. A waiver is effective only when signed by all parties, accepted by the administrative law judge or agency member, and included in the record. Any party may request the disqualification of any administrative law judge or agency member by filing an affidavit, prior to the taking of evidence at a hearing, stating with particularity the grounds upon which it is claimed that the administrative law judge or agency member is disqualified. Where the request concerns an agency member, the issue shall be determined by the other members of the agency. Where the request concerns the administrative law judge, the issue shall be determined by the agency itself if the agency itself hears the case with the administrative law judge, otherwise the issue shall be determined by the administrative law judge. No agency member shall withdraw voluntarily or be subject to disqualification if his or her disqualification
would prevent the existence of a quorum qualified to act in the particular case, except that a substitute qualified to act may be appointed by the appointing authority.

(d) The proceedings at the hearing shall be reported by a stenographic reporter. However, upon the consent of all the parties, the proceedings may be reported electronically.

(e) Whenever, after the agency itself has commenced to hear the case with an administrative law judge presiding, a quorum no longer exists, the administrative law judge who is presiding shall complete the hearing as if sitting alone and shall render a proposed decision in accordance with subdivision (b) of Section 11517.

§ 11517. Contested case; original hearing; agency or administrative law judge

(a) A contested case may be originally heard by the agency itself and subdivision (b) shall apply. Alternatively, at the discretion of the agency, an administrative law judge may originally hear the case alone and subdivision (c) shall apply.

(b) If a contested case is originally heard before an agency itself, all of the following provisions apply:

(1) An administrative law judge shall be present during the consideration of the case and, if requested, shall assist and advise the agency in the conduct of the hearing.

(2) No member of the agency who did not hear the evidence shall vote on the decision.

(3) The agency shall issue its decision within 100 days of submission of the case.

(c)(1) If a contested case is originally heard by an administrative law judge alone, he or she shall prepare within 30 days after the case is submitted to him or her a proposed decision in a form that may be adopted by the agency as the final decision in the case. Failure of the administrative law judge to deliver a proposed decision within the time required does not prejudice the rights of the agency in the case. Thirty days after the receipt by the agency of the proposed decision, a copy of the proposed decision shall be filed by the agency as a public record and a copy shall be served by the agency on each party and his or her attorney. The filing and service is not an adoption of a proposed decision by the agency.

(2) Within 100 days of receipt by the agency of the administrative law judge’s proposed decision, the agency may act as prescribed in subparagraphs (A) to (E), inclusive. If the agency fails to act as prescribed in subparagraphs (A) to (E), inclusive, within 100 days of receipt of the proposed decision, the proposed decision shall be deemed adopted by the agency. The agency may do any of the following:

(A) Adopt the proposed decision in its entirety.

(B) Reduce or otherwise mitigate the proposed penalty and adopt the balance of the proposed decision.

(C) Make technical or other minor changes in the proposed decision and adopt it as the decision. Action by the agency under this paragraph is limited to a clarifying change or a change of a similar nature that does not affect the factual or legal basis of the proposed decision.

(D) Reject the proposed decision and refer the case to the same administrative law judge if reasonably available, otherwise to another administrative law judge, to take additional evidence. If the case is referred to an administrative law judge pursuant to this subparagraph, he or she shall prepare a revised proposed decision, as provided in
paragraph (1), based upon the additional evidence and the transcript and other papers that are part of the record of the prior hearing. A copy of the revised proposed decision shall be furnished to each party and his or her attorney as prescribed in this subdivision.

(E) Reject the proposed decision, and decide the case upon the record, including the transcript, or upon an agreed statement of the parties, with or without taking additional evidence. By stipulation of the parties, the agency may decide the case upon the record without including the transcript. If the agency acts pursuant to this subparagraph, all of the following provisions apply:

(i) A copy of the record shall be made available to the parties. The agency may require payment of fees covering direct costs of making the copy.

(ii) The agency itself shall not decide any case provided for in this subdivision without affording the parties the opportunity to present either oral or written argument before the agency itself. If additional oral evidence is introduced before the agency itself, no agency member may vote unless the member heard the additional oral evidence.

(iii) The authority of the agency itself to decide the case under this subdivision includes authority to decide some but not all issues in the case.

(iv) If the agency elects to proceed under this subparagraph, the agency shall issue its final decision not later than 100 days after rejection of the proposed decision. If the agency elects to proceed under this subparagraph, and has ordered a transcript of the proceedings before the administrative law judge, the agency shall issue its final decision not later than 100 days after receipt of the transcript. If the agency finds that a further delay is required by special circumstance, it shall issue an order delaying the decision for no more than 30 days and specifying the reasons therefor. The order shall be subject to judicial review pursuant to Section 11523.

(d) The decision of the agency shall be filed immediately by the agency as a public record and a copy shall be served by the agency on each party and his or her attorney.

§ 11521. Reconsideration

(a) The agency itself may order a reconsideration of all or part of the case on its own motion or on petition of any party. The agency shall notify a petitioner of the time limits for petitioning for reconsideration. The power to order a reconsideration shall expire 30 days after the delivery or mailing of a decision to a respondent, or on the date set by the agency itself as the effective date of the decision if that date occurs prior to the expiration of the 30-day period or at the termination of a stay of not to exceed 30 days which the agency may grant for the purpose of filing an application for reconsideration. If additional time is needed to evaluate a petition for reconsideration filed prior to the expiration of any of the applicable periods, an agency may grant a stay of that expiration for no more than 10 days, solely for the purpose of considering the petition. If no action is taken on a petition within the time allowed for ordering reconsideration, the petition shall be deemed denied.

(b) The case may be reconsidered by the agency itself on all the pertinent parts of the record and such additional evidence and argument as may be permitted, or may be assigned to an administrative law judge. A reconsideration assigned to an administrative law judge shall be subject to the procedure provided in Section 11517. If oral evidence is introduced before the agency itself, no agency member may vote unless he or she heard the evidence.
Title 2, Division 3, Part 2, Chapter 1

Article 2. Powers and Duties

§ 12010. Supervision of executive and ministerial officers

The Governor shall supervise the official conduct of all executive and ministerial officers.

§ 12010.5. Executive agencies; distribution of deputies and employees selected by civil-service-exempt officers

Notwithstanding any other provision of statutory law, the Governor shall determine the distribution in the executive agencies of deputies or employees selected pursuant to subdivision (g) of Section 4 of Article VII of the California Constitution by civil-service-exempt officers appointed by the Governor pursuant to subdivision (f) of Section 4 of Article VII of the California Constitution, except deputies or employees subject to the consent or confirmation of the Senate.

§ 12010.6. Executive agencies; civil-service-exempt officers and employees; positions vacated by civil service employees

(a) The purpose of this section is to increase the Governor’s managerial flexibility without increasing costs. It is the intent of the Legislature that positions designated as exempt from civil service by this section shall be filled by a Governor’s appointment only after they are vacated by civil service employees.

(b) The Governor may designate as exempt from civil service positions in the executive agencies over which the Governor has line responsibility and which have civil-service-exempt officers and employees appointed pursuant to subdivision (f) or (g) of Section 4 of Article VII of the California Constitution; provided that the designations shall be limited to positions covered by these subdivisions and shall not cause the total number of positions exempted under these subdivisions to exceed one-half of 1 percent of the number of full-time equivalent positions in these agencies collectively.

(c) The Governor may appoint a person to a position designated as exempt from civil service pursuant to this section only after the position is no longer held by a civil service employee.

(d) Positions designated by the Governor as exempt from civil service pursuant to this section shall be limited to those designated as managerial positions under Section 3513 by the Department of Human Resources.

(e) The authority to designate positions as exempt from civil service shall not result in the displacement of civil service employees and shall not result in hiring additional employees into positions not authorized in the Budget Act.

(f) The Department of Human Resources shall report to the Joint Legislative Audit Committee by January 31 of each year the current percentage of civil-service-exempt officers and employees in state service.

§ 12011. Filling of offices; performance of duties; remedies

The Governor shall see that all offices are filled and their duties performed. If default occurs, the Governor shall apply such remedy as the law allows. If the remedy is imperfect, the Governor shall so advise the Legislature at its next session.
§ 12011.5. Judicial vacancies; State Bar evaluation of candidates and appointees; demographic data of applicants; collection and release

(a) In the event of a vacancy in a judicial office to be filled by appointment of the Governor, or in the event that a declaration of candidacy is not filed by a judge and the Governor is required under subdivision (d) of Section 16 of Article VI of the California Constitution to nominate a candidate, the Governor shall first submit to a designated agency of the State Bar of California the names of all potential appointees or nominees for the judicial office for evaluation of their judicial qualifications.

(b) The membership of the designated agency of the State Bar responsible for evaluation of judicial candidates shall consist of attorney members and public members with the ratio of public members to attorney members determined, to the extent practical, by the ratio established in Section 6013.5 of the Business and Professions Code. It is the intent of this subdivision that the designated agency of the State Bar responsible for evaluation of judicial candidates shall be broadly representative of the ethnic, gender, and racial diversity of the population of California and composed in accordance with Sections 11140 and 11141. The further intent of this subdivision is to establish a selection process for membership on the designated agency of the State Bar responsible for evaluation of judicial candidates under which no member of that agency shall provide inappropriate, multiple representation for purposes of this subdivision. Each member of the designated agency of the State Bar responsible for evaluation of judicial candidates shall complete a minimum of 60 minutes of training in the areas of fairness and bias in the judicial appointments process at an orientation for new members. If the member serves more than one term, the member shall complete an additional 60 minutes of that training during the member’s service on the designated agency of the State Bar responsible for evaluation of judicial candidates.

(c) Upon receipt from the Governor of the names of candidates for judicial office and their completed personal data questionnaires, the State Bar shall use appropriate confidential procedures to evaluate and determine the qualifications of each candidate with regard to the candidate’s ability to discharge the judicial duties of the office to which the appointment or nomination shall be made. Within 90 days of submission by the Governor of the name of a potential appointee for judicial office, the State Bar shall report, in confidence, to the Governor its recommendation whether the candidate is exceptionally well qualified, well qualified, qualified, or not qualified and the reasons therefor, and may report, in confidence, other information as the State Bar deems pertinent to the qualifications of the candidate.

(d) In determining the qualifications of a candidate for judicial office, the State Bar shall consider, among other appropriate factors, the candidate’s industry, judicial temperament, honesty, objectivity, community respect, integrity, health, ability, and legal experience. The State Bar shall consider legal experience broadly, including, but not limited to, litigation and nonlitigation experience, legal work for a business or nonprofit entity, experience as a law professor or other academic position, legal work in any of the three branches of government, and legal work in dispute resolution.

(e) The State Bar shall establish and promulgate rules and procedures regarding the investigation of the qualifications of candidates for judicial office by the designated agency. These rules and procedures shall establish appropriate, confidential methods for disclosing to the candidate the subject matter of substantial and credible adverse allegations received regarding the candidate’s health, physical or mental condition, or moral turpitude that, unless rebutted, would be determinative of the candidate’s unsuitability for judicial office. No provision of this section shall be construed as requiring that a rule or procedure be adopted that permits the disclosure to the candidate of information from which the candidate may infer the source, and no information shall either be disclosed to the candidate nor be obtainable by any process that would jeopardize the confidentiality of communications from persons whose opinion has been sought on the candidate’s qualifications.
(f) All communications, written, verbal, or otherwise, of and to the Governor, the Governor’s authorized agents or employees, including, but not limited to, the Governor’s Legal Affairs Secretary and Appointments Secretary, or of and to the State Bar in furtherance of the purposes of this section are absolutely privileged from disclosure and confidential, and any communication made in the discretion of the Governor or the State Bar with a candidate or person providing information in furtherance of the purposes of this section shall not constitute a waiver of the privilege or a breach of confidentiality.

(g) If the Governor has appointed a person to a trial court who has been found not qualified by the designated agency, the State Bar may make public this fact after due notice to the appointee of its intention to do so, but that notice or disclosure shall not constitute a waiver of privilege or breach of confidentiality with respect to communications of or to the State Bar concerning the qualifications of the appointee.

(h) If the Governor has nominated or appointed a person to the Supreme Court or court of appeal in accordance with subdivision (d) of Section 16 of Article VI of the California Constitution, the Commission on Judicial Appointments may invite, or the State Bar’s governing board or its designated agency may submit to the commission, its recommendation, and the reasons therefor, but that disclosure shall not constitute a waiver of privilege or breach of confidentiality with respect to communications of or to the State Bar concerning the qualifications of the nominee or appointee.

(i) A person or entity shall not be liable for an injury caused by an act or failure to act, be it negligent, intentional, discretionary, or otherwise, in the furtherance of the purposes of this section, including, but not limited to, providing or receiving information, making recommendations, and giving reasons therefor. As used in this section, the term “State Bar” means its governing board and members thereof, the designated agency of the State Bar and members thereof, and employees and agents of the State Bar.

(j) At any time prior to the receipt of the report from the State Bar specified in subdivision (c) the Governor may withdraw the name of a person submitted to the State Bar for evaluation pursuant to this section.

(k) A candidate for judicial office shall not be appointed until the State Bar has reported to the Governor pursuant to this section, or until 90 days have elapsed after submission of the candidate’s name to the State Bar, whichever occurs earlier. The requirement of this subdivision shall not apply to a vacancy in judicial office occurring within the 90 days preceding the expiration of the Governor’s term of office, provided, however, that with respect to those vacancies and with respect to nominations pursuant to subdivision (d) of Section 16 of Article VI of the California Constitution, the Governor shall be required to submit any candidate’s name to the State Bar in order to provide an opportunity, if time permits, to make an evaluation.

(l) Nothing in this section shall be construed as imposing an additional requirement for an appointment or nomination to judicial office, nor shall anything in this section be construed as adding additional qualifications for the office of a judge.

(m) The Board of Governors of the State Bar shall not conduct or participate in, or authorize a committee, agency, employee, or commission of the State Bar to conduct or participate in, an evaluation, review, or report on the qualifications, integrity, diligence, or judicial ability of any specific justice of a court provided for in Section 2 or 3 of Article VI of the California Constitution without prior review and statutory authorization by the Legislature, except an evaluation, review, or report on potential judicial appointees or nominees as authorized by this section.

The provisions of this subdivision shall not be construed to prohibit a member of the State Bar from conducting or participating in an evaluation, review, or report in the member’s individual capacity.
(n)(1) Notwithstanding any other provision of this section, but subject to paragraph (2), on or before March 1 of each year for the prior calendar year, all of the following shall occur:

(A) The Governor shall collect and release, on an aggregate statewide basis, all of the following:

(i) Demographic data provided by all judicial applicants relative to ethnicity, race, disability, veteran status, gender, gender identity, and sexual orientation.

(ii) Demographic data relative to ethnicity, race, disability, veteran status, gender, gender identity, and sexual orientation as provided by all judicial applicants, both as to those judicial applicants who have been and those who have not been submitted to the State Bar for evaluation.

(iii) Demographic data relative to ethnicity, race, disability, veteran status, gender, gender identity, and sexual orientation of all judicial appointments or nominations as provided by the judicial appointee or nominee.

(B) The designated agency of the State Bar responsible for evaluation of judicial candidates shall collect and release both of the following on an aggregate statewide basis:

(i) Statewide demographic data provided by all judicial applicants reviewed relative to ethnicity, race, disability, veteran status, gender, gender identity, sexual orientation, and areas of legal practice and employment.

(ii) The statewide summary of the recommendations of the designated agency of the State Bar by ethnicity, race, disability, veteran status, gender, gender identity, sexual orientation, and areas of legal practice and employment.

(C) The Administrative Office of the Courts shall collect and release the demographic data provided by justices and judges described in Article VI of the California Constitution relative to ethnicity, race, disability, veteran status, gender, gender identity, and sexual orientation by specific jurisdiction.

(2) For purposes of subparagraph (A) of paragraph (1), in the year following a general election or recall election that will result in a new Governor taking office prior to March 1, the departing Governor shall provide all of the demographic data collected for the year by that Governor pursuant to this subdivision to the incoming Governor. The incoming Governor shall then be responsible for releasing the provided demographic data, and the demographic data collected by that incoming Governor, if any, prior to the March 1 deadline imposed pursuant to this subdivision.

(3) Demographic data disclosed or released pursuant to this subdivision shall disclose only aggregated statistical data and shall not identify any individual applicant, justice, or judge.

(4) The State Bar and the Administrative Office of the Courts shall use the following ethnic and racial categories: American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or other Pacific Islander, White, some other race, and more than one race, as those categories are defined by the United States Census Bureau for the 2010 Census for reporting purposes.

(5) Demographic data disclosed or released pursuant to this subdivision shall also indicate the percentage of respondents who declined to respond.

(6) For purposes of this subdivision, the collection of demographic data relative to disability and veteran status shall be required only for judicial applicants, candidates, appointees, nominees,
justices, and judges who apply, or are reviewed, appointed, nominated, or elected, on or after January 1, 2014. The release of this demographic data shall begin in 2015.

(7) For purposes of this subdivision, the following terms have the following meanings:

(A) “Disability” includes mental disability and physical disability, as defined in subdivisions (j) and (m) of Section 12926.

(B) “Veteran status” has the same meaning as specified in Section 101(2) of Title 38 of the United States Code.

(o) The Governor and members of judicial selection advisory committees are encouraged to give particular consideration to candidates from diverse backgrounds and cultures reflecting the demographics of California, including candidates with demographic characteristics underrepresented among existing judges and justices.

(p) If any provision of this section other than a provision relating to or providing for confidentiality or privilege from disclosure of any communication or matter, or the application of the provision to any person or circumstances, is held invalid, the remainder of this section, to the extent it can be given effect, or the application of the provision to persons or circumstances other than those as to which it is held invalid, shall not be affected thereby, and to this extent the provisions of this section are severable. If any other act of the Legislature conflicts with the provisions of this section, this section shall prevail.

§ 12012. Communication with other states and United States

The Governor is the sole official organ of communication between the government of this State and the government of any other State or of the United States.

§ 12012.1. Transfer of offender to foreign country; approval

Whenever a treaty is in force providing for the transfer of offenders between the United States and a foreign country, the Governor or the Governor’s designee is authorized to give the approval of the state to a transfer as provided in the treaty, upon the application of a person under the jurisdiction of the Department of Corrections, the Department of the Youth Authority, and the State Department of Health Services.

§ 12012.3. Governor’s Tribal Advisor; appointment; qualifications

(a) There is within the office of the Governor, the office of the Governor’s Tribal Advisor, which shall be headed by the Governor’s Tribal Advisor.

(b) The Governor’s Tribal Advisor shall be appointed by, and serve at the pleasure of, the Governor.

(c) The Governor’s Tribal Advisor shall be an enrolled member of a federally recognized tribe in California.

§ 12012.5. Ratification of tribal-state compacts

(a) The following tribal-state compacts entered in accordance with the Indian Gaming Regulatory Act of 1988 (18 U.S.C. Sec. 1166 et seq. and 25 U.S.C. Sec. 2701 et seq.) are hereby ratified:

(2) The compact between the State of California and the Big Sandy Rancheria of Mono Indians, executed on July 20, 1998.
(3) The compact between the State of California and the Cher-Ae Heights Indian Community of Trinidad Rancheria, executed on July 13, 1998.

(6) The compact between the State of California and the Pala Band of Mission Indians, as approved by the Secretary of the Interior on April 25, 1998.

(10) The compact between the State of California and the Table Mountain Rancheria, executed on July 13, 1998.

(11) The compact between the State of California and the Viejas Band of Kumeyaay Indians, executed on or about August 17, 1998.

The terms of each compact apply only to the State of California and the tribe that has signed it, and the terms of these compacts do not bind a tribe that is not a signatory to any of the compacts.

(b) Any other compact entered into between the State of California and any other federally recognized Indian tribe which is executed after August 24, 1998, is hereby ratified if (1) the compact is identical in all material respects to any of the compacts ratified pursuant to subdivision (a), and (2) the compact is not rejected by each house of the Legislature, two-thirds of the membership thereof concurring, within 30 days of the date of the submission of the compact to the Legislature by the Governor. However, if the 30-day period ends during a joint recess of the Legislature, the period shall be extended until the fifteenth day following the day on which the Legislature reconvenes. A compact will be deemed to be materially identical to a compact ratified pursuant to subdivision (a) if the Governor certifies that it is materially identical at the time the Governor submits it to the Legislature.

(c) The Legislature acknowledges the right of federally recognized tribes to exercise their sovereignty to negotiate and enter into compacts with the state that are materially different from the compacts ratified pursuant to subdivision (a). These compacts shall be ratified upon approval of each house of the Legislature, a majority of the membership thereof concurring.

(d) The Governor is the designated state officer responsible for negotiating and executing, on behalf of the state, tribal-state gaming compacts with federally recognized Indian tribes in the State of California pursuant to the federal Indian Gaming Regulatory Act of 1988 (18 U.S.C. Sec. 1166 et seq. and 25 U.S.C. Sec. 2701 et seq.) for the purpose of authorizing class III gaming, as defined in that act, on Indian lands. Nothing in this section shall be construed to deny the existence of the Governor’s authority to have negotiated and executed tribal-state compacts prior to the effective date of this section.

(e) The Governor is authorized to waive the state’s immunity to suit in federal court in connection with any compact negotiated with an Indian tribe or any action brought by an Indian tribe under the Indian Gaming Regulatory Act (18 U.S.C. Sec. 1166 et seq. and 25 U.S.C. Sec. 2701 et seq.).
(f) In deference to tribal sovereignty, the execution of, and compliance with the terms of, any compact specified under subdivision (a) or (b) shall not be deemed to constitute a project for purposes of the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(g) Nothing in this section shall be interpreted to authorize the unilateral imposition of a statewide limit on the number of lottery devices or of an allocation system for lottery devices on an Indian tribe that has not entered into a compact that provides for such a limit or allocation system. Each tribe may negotiate separately with the state over these matters on a government-to-government basis.

§ 12012.25. Ratification of tribal-state gaming compacts

(a) The following tribal-state gaming compacts entered into in accordance with the Indian Gaming Regulatory Act of 1988 (18 U.S.C. Sec. 1166 to 1168, incl., and 25 U.S.C. Sec. 2701 et seq.) are hereby ratified:

(1) The compact between the State of California and the Alturas Rancheria, executed on September 10, 1999.

(3) The compact between the State of California and the Big Sandy Rancheria Band of Mono Indians, executed on September 10, 1999.

(4) The compact between the State of California and the Big Valley Rancheria, executed on September 10, 1999.

(9) The compact between the State of California and the Cahto Tribe of Laytonville, executed on September 10, 1999.

(12) The compact between the State of California and the Chemehuevi Indian Tribe, executed on September 10, 1999.

For each fiscal year commencing with the 2016-17 fiscal year, all of the following shall apply:

(a) On or before the day of the May budget revision for each fiscal year, the California Gambling Control Commission shall determine the anticipated total amount of shortfalls in payment likely to occur in the Indian Gaming Revenue Sharing Trust Fund for the next fiscal year, and shall provide to the committee in the Senate and Assembly that considers the State Budget an estimate of the amount needed to transfer from the Indian Gaming Special Distribution Fund to backfill the Indian Gaming Revenue Sharing Trust Fund for the next fiscal year. The anticipated total amount of shortfalls to be transferred from the Indian Gaming Special Distribution Fund to the Indian Gaming Revenue Sharing Trust Fund shall be determined by the California Gambling Control Commission as follows:

(1) The anticipated number of eligible recipient Indian tribes that will be eligible to receive payments for the next fiscal year, multiplied by one million one hundred thousand dollars ($1,100,000), with that product reduced by the amount anticipated to be paid by the tribes directly into the Indian Gaming Revenue Sharing Trust Fund for the next fiscal year.

In addition to the specific provisions contained in this article directed toward that purpose, it is the intent of the Legislature that all officers of the state government so conduct the affairs of the state government for which they exercise responsibility and authority as: (1) to be mindful of problems occasioned by transitions in the office of Governor, (2) to take appropriate lawful steps to avoid or minimize disruptions that might be occasioned by the transfer of the executive power, and (3) otherwise to promote orderly transitions in the office of Governor.

Every state agency shall furnish to the Governor-elect any information, assistance, supplies, transportation, and facilities necessary in connection with the preparation of the annual state budget for submission to the Legislature.

The Director of Finance, after consultation with the Governor-elect, shall appoint such persons as necessary to assist the Governor-elect in the preparation of the annual state budget and the assumption of the other duties of the Governor.

§ 12017. Reprieves, pardons and commutations; report to Legislature

At each session the Governor shall report to the Legislature each reprieve, pardon, and commutation granted, stating the name of the convict, the crime of which the convict was convicted, the sentence, its date, the date of the pardon, reprieve, or commutation, and the reasons for granting the same.

§ 12018. Designation of single state agency to be responsible for each federal program

Except as otherwise provided by statute, the Governor may designate which single state agency shall be responsible for each federal program in which federal money is given to the state with the requirement that it be handled by a single state agency.
Whenever the Governor designates an agency pursuant to this section, the Governor shall notify the Joint Legislative Budget Committee of the agency designated and the federal program for which that agency was designated.

This site and inventory shall be referred to as the California Affordable Housing Connection. It is the intent of the Legislature that a technology center within a California institution of higher education develop a site and that state agencies allow access to relevant digital data for the development of the site. It is further the intent of the Legislature that the Internet site be a resource to individuals and agencies interested in locating affordable housing for low-income persons and families.

(b) The interactive site shall contain specified information on publicly assisted or financed housing, including, but not limited to, housing assisted through the United States Department of Housing and Urban Development, the United States Department of Agriculture’s Rural Housing Service, the California Housing Finance Agency, the California Tax Credit Allocation Committee, the California Department of Housing and Community Development, and local housing and redevelopment agencies as data are available. It is the intent of the Legislature that those entities, to the extent feasible, enter new data as often as it becomes available.

(c)(1) The inventory information shall include, but not be limited to, (A) the name, address, number of units, and contact information of housing properties, and (B) subsidy program information, including program description, eligibility requirements, estimated rent levels, and application information.

(2) The information shall be organized to facilitate consumer inquiries based on geographic location and other individual or household factors. Consumer data gathered through the Internet interaction or interview process shall include, but not be limited to, the number of persons in the household, household income, heads of household and household members 62 years of age or older or with a disability, number of dependents and child care payments, family caretaking and medical expenses, the size of a desired apartment, such as efficiency or one or two bedrooms, and the city or ZIP Code for desired housing, including the opportunity to specify both urban and rural geographic preferences.

(d) The interactive site shall have the capacity to list housing options according to the degree that known program attributes match the consumer characteristics submitted to the site.

(f) Information on the site shall be made available in English and Spanish.

(g) The site shall have disclaimers that include, but are not limited to, all of the following:

(1) That the listing of housing programs or properties is a factual representation, and not an approval of the quality or physical characteristics of specific housing properties.
(2) That there is the potential of waiting lists for the properties and programs listed and that consumers or agencies should contact housing providers directly to inquire about availability of units.

(3) That all consumer information entered into the California Affordable Housing Connection by users shall remain confidential and shall not be used for any other purpose.

(h) The Director of e-Government shall also designate or request the technology center within a California institution of higher education chosen to develop the site to maintain and update the information contained in the inventory at least on a biannual basis, as new data become available, such as when affordable housing properties are added to California’s housing stock or previous properties no longer participate in affordable housing programs. It is the intent of the Legislature that the relevant state departments cooperate with the California institution of higher education by providing existing housing data pertinent to the Internet site.

(i) After data is compiled pursuant to this section for purposes of creating and maintaining an inventory, this data shall be available to the state at no cost.

(j) Two years following commencement of the development of the site pursuant to this section, the Director of e-Government shall provide a report to the Legislature detailing the participation of agencies in the California Affordable Housing Connection and a summary of the development of the site.

(d) “Organized crime” means crime that is of a conspiratorial nature and that is either of an organized nature and seeks to supply illegal goods or services such as narcotics, prostitution, pimping and pandering, loan-sharking, counterfeiting of a registered mark in violation of Section 350, the piracy of a recording or audiovisual work in violation of Section 653w, gambling, and pornography, or that, through planning and coordination of individual efforts, seeks to conduct the illegal activities of arson for profit, hijacking, insurance fraud, smuggling, operating vehicle theft rings, fraud against the beverage container recycling program, embezzlement, securities fraud, insurance fraud in violation of the provisions listed in paragraph (34) of subdivision (a), grand theft, money laundering, forgery, or systematically encumbering the assets of a business for the purpose of defrauding creditors. “Organized crime” also means crime committed by a criminal street gang, as defined in subdivision (f) of Section 186.22. “Organized crime” also means false or fraudulent activities, schemes, or artifices, as described in Section 14107 of the Welfare and Institutions Code, and the theft of personal identifying information, as defined in Section 530.5.

(e) “Underlying offense” means an offense enumerated in subdivision (a) for which the defendant is being prosecuted.

§ 186.3. Assets subject to forfeiture

(a) In any case in which a person is alleged to have been engaged in a pattern of criminal profiteering activity, upon a conviction of the underlying offense, the assets listed in subdivisions (b) and (c) shall be subject to forfeiture upon proof of the provisions of subdivision (d) of Section 186.5.

(a) The prosecuting agency shall, in conjunction with the criminal proceeding, file a petition of forfeiture with the superior court of the county in which the defendant has been charged with the underlying criminal offense, which shall allege that the defendant has engaged in a pattern of criminal profiteering activity, including the acts or threats chargeable as crimes and the property forfeitable pursuant to Section 186.3. The prosecuting agency shall make service of process of a notice regarding that petition upon every individual who may have a property interest in the alleged proceeds, which notice shall state that any interested party may file a verified claim with the superior court stating the amount of their claimed interest and an affirmation or denial of the prosecuting agency’s allegation. If the notices cannot be given by registered mail or personal delivery, the notices shall be published for at
least three successive weeks in a newspaper of general circulation in the county where the property is located. If the property alleged to be subject to forfeiture is real property, the prosecuting agency shall, at the time of filing the petition of forfeiture, record a lis pendens in each county in which the real property is situated which specifically identifies the real property alleged to be subject to forfeiture. The judgment of forfeiture shall not affect the interest in real property of any third party which was acquired prior to the recording of the lis pendens.

(b) All notices shall set forth the time within which a claim of interest in the property seized is required to be filed pursuant to Section 186.5.

§ 186.5. Claims of interest in property or proceeds; admission or denial; forfeiture hearing

(a) Any person claiming an interest in the property or proceeds may, at any time within 30 days from the date of the first publication of the notice of seizure, or within 30 days after receipt of actual notice, file with the superior court of the county in which the action is pending a verified claim stating his or her interest in the property or proceeds. A verified copy of the claim shall be given by the claimant to the Attorney General or district attorney, as appropriate.

(b)(1) If, at the end of the time set forth in subdivision (a), an interested person, other than the defendant, has not filed a claim, the court, upon motion, shall declare that the person has defaulted upon his or her alleged interest, and it shall be subject to forfeiture upon proof of the provisions of subdivision (d).

(2) The defendant may admit or deny that the property is subject to forfeiture pursuant to the provisions of this chapter. If the defendant fails to admit or deny or to file a claim of interest in the property or proceeds, the court shall enter a response of denial on behalf of the defendant.

(c)(1) The forfeiture proceeding shall be set for hearing in the superior court in which the underlying criminal offense will be tried.

(2) If the defendant is found guilty of the underlying offense, the issue of forfeiture shall be promptly tried, either before the same jury or before a new jury in the discretion of the court, unless waived by the consent of all parties.

(d) At the forfeiture hearing, the prosecuting agency shall have the burden of establishing beyond a reasonable doubt that the defendant was engaged in a pattern of criminal profiteering activity and that the property alleged in the petition comes within the provisions of subdivision (b) or (c) of Section 186.3.

§ 186.6. Orders to preserve status quo of property; injunctive relief; appointment of receiver; bond or undertaking; other interests protected

(a) Concurrent with, or subsequent to, the filing of the petition, the prosecuting agency may move the superior court for the following pendente lite orders to preserve the status quo of the property alleged in the petition of forfeiture:

(1) An injunction to restrain all interested parties and enjoin them from transferring, encumbering, hypothecating or otherwise disposing of that property.

(2) Appointment of a receiver to take possession of, care for, manage, and operate the assets and properties so that such property may be maintained and preserved.

(b) No preliminary injunction may be granted or receiver appointed without notice to the interested parties and a hearing to determine that such an order is necessary to preserve the property, pending the outcome of the criminal proceedings, and that there is probable cause to believe that the property alleged in the forfeiture proceedings are proceeds or property interests forfeitable under Section 186.3.
However, a temporary restraining order may issue pending that hearing pursuant to the provisions of Section 527 of the Code of Civil Procedure.

(c) Notwithstanding any other provision of law, the court in granting these motions may order a surety bond or undertaking to preserve the property interests of the interested parties.

(d) The court shall, in making its orders, seek to protect the interests of those who may be involved in the same enterprise as the defendant, but who were not involved in the commission of the criminal profiteering activity.

§ 186.7. Findings and orders of disposition; security interests and liens; evaluation and sale of property

(a) If the trier of fact at the forfeiture hearing finds that the alleged property or proceeds is forfeitable pursuant to Section 186.3 and the defendant was engaged in a pattern of criminal profiteering activity, the court shall declare that property or proceeds forfeited to the state or local governmental entity, subject to distribution as provided in Section 186.8. No property solely owned by a bona fide purchaser for value shall be subject to forfeiture.

(b) If the trier of fact at the forfeiture hearing finds that the alleged property is forfeitable pursuant to Section 186.3 but does not find that a person holding a valid lien, mortgage, security interest, or interest under a conditional sales contract acquired that interest with actual knowledge that the property was to be used for a purpose for which forfeiture is permitted, and the amount due to that person is less than the appraised value of the property, that person may pay to the state or the local governmental entity which initiated the forfeiture proceeding, the amount of the registered owner’s equity, which shall be deemed to be the difference between the appraised value and the amount of the lien, mortgage, security interest, or interest under a conditional sales contract. Upon that payment, the state or local governmental entity shall relinquish all claims to the property. If the holder of the interest elects not to make that payment to the state or local governmental entity, the property shall be deemed forfeited to the state or local governmental entity and the ownership certificate shall be forwarded. The appraised value shall be determined as of the date judgment is entered either by agreement between the legal owner and the governmental entity involved, or if they cannot agree, then by a court-appointed appraiser for the county in which the action is brought. A person holding a valid lien, mortgage, security interest, or interest under a conditional sales contract shall be paid the appraised value of his or her interest.

(c) If the amount due to a person holding a valid lien, mortgage, security interest, or interest under a conditional sales contract is less than the value of the property and the person elects not to make payment to the governmental entity, the property shall be sold at public auction by the Department of General Services or by the local governmental entity which shall provide notice of that sale by one publication in a newspaper published and circulated in the city, community, or locality where the sale is to take place.

(d) Notwithstanding subdivision (c), a county may dispose of any real property forfeited to the county pursuant to this chapter pursuant to Section 25538.5 of the Government Code.

§ 186.8. Disposition of money forfeited or sale proceeds; deposit into certain accounts

Notwithstanding that no response or claim has been filed pursuant to Section 186.5, in all cases where property is forfeited pursuant to this chapter and, if necessary, sold by the Department of General Services or local governmental entity, the money forfeited or the proceeds of sale shall be distributed by the state or local governmental entity as follows:

(a) To the bona fide or innocent purchaser, conditional sales vendor, or holder of a valid lien, mortgage, or security interest, if any, up to the amount of his or her interest in the property or proceeds, when the court declaring the forfeiture orders a distribution to that person. The court shall endeavor to
discover all those lienholders and protect their interests and may, at its discretion, order the proceeds placed in escrow for up to an additional 60 days to ensure that all valid claims are received and processed.

(b) To the Department of General Services or local governmental entity for all expenditures made or incurred by it in connection with the sale of the property, including expenditures for any necessary repairs, storage, or transportation of any property seized under this chapter.

(c) To the General Fund of the state or a general fund of a local governmental entity, whichever prosecutes.

(d) In any case involving a violation of subdivision (b) of Section 311.2, or Section 311.3 or 311.4, in lieu of the distribution of the proceeds provided for by subdivisions (b) and (c), the proceeds shall be deposited in the county children’s trust fund, established pursuant to Section 18966 of the Welfare and Institutions Code, of the county that filed the petition of forfeiture. If the county does not have a children’s trust fund, the funds shall be deposited in the State Children’s Trust Fund, established pursuant to Section 18969 of the Welfare and Institutions Code.

(e) In any case involving crimes against the state beverage container recycling program, in lieu of the distribution of proceeds provided in subdivision (c), the proceeds shall be deposited in the penalty account established pursuant to subdivision (d) of Section 14580 of the Public Resources Code, except that a portion of the proceeds equivalent to the cost of prosecution in the case shall be distributed to the local prosecuting entity that filed the petition of forfeiture.

(f)(1) In any case described in paragraph (29) or (30) of subdivision (a) of Section 186.2, or paragraph (33) of subdivision (a) of Section 186.2 where the victim is a minor, in lieu of the distribution provided for in subdivision (c), the proceeds shall be deposited in the Victim-Witness Assistance Fund to be available for appropriation to fund child sexual exploitation and child sexual abuse victim counseling centers and prevention programs under Section 13837. Fifty percent of the funds deposited in the Victim-Witness Assistance Fund pursuant to this subdivision shall be granted to community-based organizations that serve minor victims of human trafficking.

(2) Notwithstanding paragraph (1), any proceeds specified in paragraph (1) that would otherwise be distributed to the General Fund of the state under subdivision (c) pursuant to a paragraph in subdivision (a) of Section 186.2 other than paragraph (29) or (30) of subdivision (a) of Section 186.2, or paragraph (33) of subdivision (a) of Section 186.2 where the victim is a minor, shall, except as otherwise required by law, continue to be distributed to the General Fund of the state as specified in subdivision (c).

Part 1, Title 9, Chapter 9
§ 319. Definition

A lottery is any scheme for the disposal or distribution of property by chance, among persons who have paid or promised to pay any valuable consideration for the chance of obtaining such property or a portion of it, or for any share or any interest in such property, upon any agreement, understanding, or expectation that it is to be distributed or disposed of by lot or chance, whether called a lottery, raffle, or gift enterprise, or by whatever name the same may be known.

§ 319.3. Sports trading card grab bag

(a) In addition to Section 319, a lottery also shall include a grab bag game which is a scheme whereby, for the disposal or distribution of sports trading cards by chance, a person pays valuable consideration to purchase a sports trading card grab bag with the understanding that the purchaser has a chance to win a designated prize or prizes listed by the seller as being contained in one or more, but not all, of the grab bags.
(b) For purposes of this section, the following definitions shall apply:

(1) “Sports trading card grab bag” means a sealed package which contains one or more sports trading cards that have been removed from the manufacturer’s original packaging. A “sports trading card grab bag” does not include a sweepstakes, or procedure for the distribution of any sports trading card of value by lot or by chance, which is not unlawful under other provisions of law.

(2) “Sports trading card” means any card produced for use in commerce that contains a company name or logo, or both, and an image, representation, or facsimile of one or more players or other team member or members in any pose, and that is produced pursuant to an appropriate licensing agreement.

§ 319.5. Reverse vending machines

Neither this chapter nor Chapter 10 (commencing with Section 330) applies to the possession or operation of a reverse vending machine. As used in this section a reverse vending machine is a machine in which empty beverage containers are deposited for recycling and which provides a payment of money, merchandise, vouchers, or other incentives at a frequency less than upon each deposit. The pay out of a reverse vending machine is made on a deposit selected at random within the designated number of required deposits.

The deposit of an empty beverage container in a reverse vending machine does not constitute consideration within the definition of lottery in Section 319.

§ 320. Contriving, preparing or drawing

Every person who contrives, prepares, sets up, proposes, or draws any lottery, is guilty of a misdemeanor.

§ 320.5. Raffles

(a) Nothing in this chapter applies to any raffle conducted by an eligible organization as defined in subdivision (c) for the purpose of directly supporting beneficial or charitable purposes or financially supporting another private, nonprofit, eligible organization that performs beneficial or charitable purposes if the raffle is conducted in accordance with this section.

(b) For purposes of this section, “raffle” means a scheme for the distribution of prizes by chance among persons who have paid money for paper tickets that provide the opportunity to win these prizes, where all of the following are true:

(1) Each ticket is sold with a detachable coupon or stub, and both the ticket and its associated coupon or stub are marked with a unique and matching identifier.

(2) Winners of the prizes are determined by draw from among the coupons or stubs described in paragraph (1) that have been detached from all tickets sold for entry in the draw.

(3) The draw is conducted in California under the supervision of a natural person who is 18 years of age or older.

(4)(A) At least 90 percent of the gross receipts generated from the sale of raffle tickets for any given draw are used by the eligible organization conducting the raffle to benefit or provide support for beneficial or charitable purposes, or it may use those revenues to benefit another private, nonprofit organization, provided that an organization receiving these funds is itself an eligible organization as defined in subdivision (c). As used in this section, “beneficial purposes” excludes purposes that are intended to benefit officers, directors, or members, as defined by Section 5056 of the Corporations Code, of the eligible organization. In no event shall funds
raised by raffles conducted pursuant to this section be used to fund any beneficial, charitable, or other purpose outside of California. This section does not preclude an eligible organization from using funds from sources other than the sale of raffle tickets to pay for the administration or other costs of conducting a raffle.

(B) An employee of an eligible organization who is a direct seller of raffle tickets shall not be treated as an employee for purposes of workers’ compensation under Section 3351 of the Labor Code if the following conditions are satisfied:

(ii) The services performed by the person are performed pursuant to a written contract between the seller and the eligible organization and the contract provides that the person will not be treated as an employee with respect to the selling of raffle tickets for workers’ compensation purposes.

(C) For purposes of this section, employees selling raffle tickets shall be deemed to be direct sellers as described in Section 650 of the Unemployment Insurance Code as long as they meet the requirements of that section.

(c) For purposes of this section, “eligible organization” means a private, nonprofit organization that has been qualified to conduct business in California for at least one year prior to conducting a raffle and is exempt from taxation pursuant to Sections 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701l, 23701t, or 23701w of the Revenue and Taxation Code.

(d) Any person who receives compensation in connection with the operation of the raffle shall be an employee of the eligible organization that is conducting the raffle, and in no event may compensation be paid from revenues required to be dedicated to beneficial or charitable purposes.

(e) No raffle otherwise permitted under this section may be conducted by means of, or otherwise utilize, any gaming machine, apparatus, or device, whether or not that machine, apparatus, or device meets the definition of slot machine contained in Section 330a, 330b, or 330.1.

(2) A raffle may not be operated or conducted in any manner over the Internet, nor may raffle tickets be sold, traded, or redeemed over the Internet. For purposes of this paragraph, an eligible organization shall not be deemed to operate or conduct a raffle over the Internet, or sell raffle tickets over the Internet, if the eligible organization advertises its raffle on the Internet or permits others to do so. Information that may be conveyed on an Internet Web site pursuant to this paragraph includes, but is not limited to, all of the following:

(F) Raffle contact information, including the eligible organization’s name, address, telephone number, facsimile number, or e-mail address.

(g) No individual, corporation, partnership, or other legal entity shall hold a financial interest in the conduct of a raffle, except the eligible organization that is itself authorized to conduct that raffle, and any private, nonprofit, eligible organizations receiving financial support from that charitable organization pursuant to subdivisions (a) and (b).

(h) An eligible organization may not conduct a raffle authorized under this section, unless it registers annually with the Department of Justice. The department shall furnish a registration form via the Internet or upon request to eligible nonprofit organizations. This information shall include, but is not limited to, the following:

The fee shall be deposited by the department into the General Fund.

(3) The department shall receive General Fund moneys for the costs incurred pursuant to this section subject to an appropriation by the Legislature.

(4) The department shall adopt regulations necessary to effectuate this section, including emergency regulations, pursuant to the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

(A) The aggregate gross receipts from the operation of raffles.

(B) The aggregate direct costs incurred by the eligible organization from the operation of raffles.

(C) The charitable or beneficial purposes for which proceeds of the raffles were used, or identify the eligible recipient organization to which proceeds were directed, and the amount of those proceeds.

(7) The department shall annually furnish to registrants a form to collect this information.
(8) The registration and reporting provisions of this section do not apply to any religious corporation sole or other religious corporation or organization that holds property for religious purposes, to a cemetery corporation regulated under Chapter 19 of Division 3 of the Business and Professions Code, or to any committee as defined in Section 82013 that is required to and does file any statement pursuant to the provisions of Article 2 (commencing with Section 84200) of Chapter 4 of Title 9, or to a charitable corporation organized and operated primarily as a religious organization, educational institution, hospital, or a health care service plan licensed pursuant to Section 1349 of the Health and Safety Code.

(i) The department may take legal action against a registrant if it determines that the registrant has violated this section or any regulation adopted pursuant to this section, or that the registrant has engaged in any conduct that is not in the best interests of the public’s health, safety, or general welfare. Any action taken pursuant to this subdivision does not prohibit the commencement of an administrative or criminal action by the Attorney General, a district attorney, city attorney, or county counsel.

(j) Each action and hearing conducted to deny, revoke, or suspend a registry, or other administrative action taken against a registrant shall be conducted pursuant to the Administrative Procedure Act (Chapters 4.5 (commencing with Section 11400) and 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code). The department may seek recovery of the costs incurred in investigating or prosecuting an action against a registrant or applicant in accordance with those procedures specified in Section 125.3 of the Business and Professions Code. A proceeding conducted under this subdivision is subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure.

(k) The Department of Justice shall conduct a study and report to the Legislature by December 31, 2003, on the impact of this section on raffle practices in California. Specifically, the study shall include, but not be limited to, information on whether the number of raffles has increased, the amount of money raised through raffles and whether this amount has increased, whether there are consumer complaints, and whether there is increased fraud in the operation of raffles.

(l) This section shall become operative on July 1, 2001.

(m) A raffle shall be exempt from this section if it satisfies all of the following requirements:

(1) It involves a general and indiscriminate distribution of the tickets.

(2) The tickets are offered on the same terms and conditions as the tickets for which a donation is given.

(3) The scheme does not require any of the participants to pay for a chance to win.

§ 326.4. Charity Bingo Mitigation Fund

(a) Consistent with the Legislature’s finding that card-minding devices, as described in subdivision (p) of Section 326.5, are the only permissible electronic devices to be used by charity bingo players, and in an effort to ease the transition to remote caller bingo on the part of those nonprofit organizations that, as of July 1, 2008, used electronic devices other than card-minding devices to conduct games in reliance on an ordinance of a city, county, or city and county that, as of July 1, 2008, expressly recognized the operation of electronic devices other than card-minding devices by organizations purportedly authorized to conduct bingo in the city, county, or city and county, there is hereby created the Charity Bingo Mitigation Fund.

(b) The Charity Bingo Mitigation Fund shall be administered by the Department of Justice.

(c) Mitigation payments to be made by the Charity Bingo Mitigation Fund shall not exceed five million dollars ($5,000,000) in the aggregate.

(d)(1) To allow the Charity Bingo Mitigation Fund to become immediately operable, five million dollars ($5,000,000) shall be loaned from the accrued interest in the Indian Gaming Special Distribution Fund to the Charity Bingo Mitigation Fund on or after January 1, 2009, to make mitigation payments to eligible nonprofit organizations. Five million dollars ($5,000,000) of this loan amount is hereby appropriated to the California Gambling Control Commission for the purposes of providing mitigation payments to certain charitable organizations, as described in subdivision (e). Pursuant to Section 16304 of the Government Code, after three years the unexpended balance shall revert back to the Charity Bingo Mitigation Fund.

(2) To reimburse the Special Distribution Fund, those nonprofit organizations that conduct a remote caller bingo game pursuant to Section 326.3 shall pay to the Department of Justice an amount equal to 5 percent of the gross revenues of each remote caller bingo game played until that time as the full advanced amount plus interest on the loan at the rate accruing to moneys in the Pooled Money Investment Account is reimbursed.

(e)(1) An organization meeting the requirements in subdivision (a) shall be eligible to receive mitigation payments from the Charity Bingo Mitigation Fund only if the city, county, or city and county in which the organization is located maintained official records of the net revenues generated for the fiscal year ending June 30, 2008, by the organization from the use of electronic devices or the organization maintained audited financial records for the fiscal year ending June 30, 2008, which show the net revenues generated from the use of electronic devices.

(2) In addition, an organization applying for mitigation payments shall provide proof that its board of directors has adopted a resolution and its chief executive officer has signed a statement executed under penalty of perjury stating that, as of January 1, 2009, the organization has ceased using electronic devices other than card-minding devices, as described in subdivision (p) of Section 326.5, as a fundraising tool.

(3) Each eligible organization may apply to the California Gambling Control Commission no later than January 31, 2009, for the mitigation payments in the amount equal to net revenues from the fiscal year ending June 30, 2008, by filing an application, including therewith documents and other proof of eligibility, including any and all financial records documenting the organization’s net revenues for the fiscal year ending June 30, 2008, as the California Gambling Control Commission may require. The California Gambling Control Commission is authorized to access
and examine the financial records of charities requesting funding in order to confirm the legitimacy of the request for funding. In the event that the total of those requests exceeds five million dollars ($5,000,000), payments to all eligible applicants shall be reduced in proportion to each requesting organization’s reported or audited net revenues from the operation of electronic devices.

§ 326.45. Appropriation for operating, personnel, and other startup costs

Up to five hundred thousand dollars ($500,000), as determined by order of the Director of Finance, is hereby appropriated from the California Bingo Fund to the California Gambling Control Commission for use in the 2008-09 fiscal year for the purposes described in subparagraph (C) of paragraph (3) of subdivision (q) of Section 326.3.

§ 326.5. Bingo games for charity

(a) Neither the prohibition on gambling in this chapter nor in Chapter 10 (commencing with Section 330) applies to any bingo game that is conducted in a city, county, or city and county pursuant to an ordinance enacted under Section 19 of Article IV of the State Constitution, if the ordinance allows games to be conducted only in accordance with this section and only by organizations exempted from the payment of the bank and corporation tax by Sections 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701w, and 23701l of the Revenue and Taxation Code and by mobilehome park associations, senior citizens organizations, and charitable organizations affiliated with a school district; and if the receipts of those games are used only for charitable purposes.

(b) It is a misdemeanor for any person to receive or pay a profit, wage, or salary from any bingo game authorized by Section 19 of Article IV of the State Constitution. Security personnel employed by the organization conducting the bingo game may be paid from the revenues of bingo games, as provided in subdivisions (j) and (k).

(c) A violation of subdivision (b) shall be punishable by a fine not to exceed ten thousand dollars ($10,000), which fine is deposited in the general fund of the city, county, or city and county that enacted the ordinance authorizing the bingo game. A violation of any provision of this section, other than subdivision (b), is a misdemeanor.

(d) The city, county, or city and county that enacted the ordinance authorizing the bingo game may bring an action to enjoin a violation of this section.

(e) Minors shall not be allowed to participate in any bingo game.

(f) An organization authorized to conduct bingo games pursuant to subdivision (a) shall conduct a bingo game only on property owned or leased by it, or property whose use is donated to the organization, and which property is used by that organization for an office or for performance of the purposes for which the organization is organized. Nothing in this subdivision shall be construed to require that the property owned or leased by, or whose use is donated to, the organization be used or leased exclusively by, or donated exclusively to, that organization.

(g) All bingo games shall be open to the public, not just to the members of the authorized organization.

(h) A bingo game shall be operated and staffed only by members of the authorized organization that organized it. Those members shall not receive a profit, wage, or salary from any bingo game. Only the organization authorized to conduct a bingo game shall operate such a game, or participate in the promotion, supervision, or any other phase of a bingo game. This subdivision does not preclude the employment of security personnel who are not members of the authorized organization at a bingo game by the organization conducting the game.
(j) Any individual, corporation, partnership, or other legal entity, except the organization authorized to conduct a bingo game, shall not hold a financial interest in the conduct of a bingo game.

(j) With respect to organizations exempt from payment of the bank and corporation tax by Section 23701d of the Revenue and Taxation Code, all profits derived from a bingo game shall be kept in a special fund or account and shall not be commingled with any other fund or account. Those profits shall be used only for charitable purposes.

(k) With respect to other organizations authorized to conduct bingo games pursuant to this section, all proceeds derived from a bingo game shall be kept in a special fund or account and shall not be commingled with any other fund or account. Proceeds are the receipts of bingo games conducted by organizations not within subdivision (j). Those proceeds shall be used only for charitable purposes, except as follows:

(1) The proceeds may be used for prizes.

(2)(A) Except as provided in subparagraph (B), a portion of the proceeds, not to exceed 20 percent of the proceeds before the deduction for prizes, or two thousand dollars ($2,000) per month, whichever is less, may be used for the rental of property and for overhead, including the purchase of bingo equipment, administrative expenses, security equipment, and security personnel.

(B) For the purposes of bingo games conducted by the Lake Elsinore Elks Lodge, a portion of the proceeds, not to exceed 20 percent of the proceeds before the deduction for prizes, or three thousand dollars ($3,000) per month, whichever is less, may be used for the rental of property and for overhead, including the purchase of bingo equipment, administrative expenses, security equipment, and security personnel. Any amount of the proceeds that is additional to that permitted under subparagraph (A), up to one thousand dollars ($1,000), shall be used for the purpose of financing the rebuilding of the facility and the replacement of equipment that was destroyed by fire in 2007. The exception to subparagraph (A) that is provided by this subparagraph shall remain in effect only until the cost of rebuilding the facility is repaid, or January 1, 2019, whichever occurs first.

(3) The proceeds may be used to pay license fees.

(4) A city, county, or city and county that enacts an ordinance permitting bingo games may specify in the ordinance that if the monthly gross receipts from bingo games of an organization within this subdivision exceed five thousand dollars ($5,000), a minimum percentage of the proceeds shall be used only for charitable purposes not relating to the conducting of bingo games and that the balance shall be used for prizes, rental of property, overhead, administrative expenses, and payment of license fees. The amount of proceeds used for rental of property, overhead, and administrative expenses is subject to the limitations specified in paragraph (2).

(l)(1) A city, county, or city and county may impose a license fee on each organization that it authorizes to conduct bingo games. The fee, whether for the initial license or renewal, shall not exceed fifty dollars ($50) annually, except as provided in paragraph (2). If an application for a license is denied, one-half of any license fee paid shall be refunded to the organization.

(2) In lieu of the license fee permitted under paragraph (1), a city, county, or city and county may impose a license fee of fifty dollars ($50) paid upon application. If an application for a license is denied, one-half of the application fee shall be refunded to the organization. An additional fee for law enforcement and public safety costs incurred by the city, county, or city and county that are directly related to bingo activities may be imposed and shall be collected monthly by the city, county, or city and county issuing the license; however, the fee shall not exceed the actual costs incurred in providing the service.
(m) A person shall not be allowed to participate in a bingo game, unless the person is physically present at the time and place where the bingo game is being conducted.

(n) The total value of prizes available to be awarded during the conduct of any bingo games shall not exceed five hundred dollars ($500) in cash or kind, or both, for each separate game which is held.

(o) As used in this section, “bingo” means a game of chance in which prizes are awarded on the basis of designated numbers or symbols that are marked or covered by the player on a tangible card in the player’s possession and that conform to numbers or symbols, selected at random and announced by a live caller. Notwithstanding Section 330c, as used in this section, the game of bingo includes tangible cards having numbers or symbols that are concealed and preprinted in a manner providing for distribution of prizes. Electronics or video displays shall not be used in connection with the game of bingo, except in connection with the caller’s drawing of numbers or symbols and the public display of that drawing, and except as provided in subdivision (p). The winning cards shall not be known prior to the game by any person participating in the playing or operation of the bingo game. All preprinted cards shall bear the legend, “for sale or use only in a bingo game authorized under California law and pursuant to local ordinance.” Only a covered or marked tangible card possessed by a player and presented to an attendant may be used to claim a prize. It is the intention of the Legislature that bingo as defined in this subdivision applies exclusively to this section and shall not be applied in the construction or enforcement of any other provision of law.

(p)(1) Players who are physically present at a bingo game may use hand-held, portable card-minding devices, as described in this subdivision, to assist in monitoring the numbers or symbols announced by a live caller as those numbers or symbols are called in a live game. Card-minding devices may not be used in connection with any game where a bingo card may be sold or distributed after the start of the ball draw for that game. A card-minding device shall do all of the following:

(A) Be capable of storing in the memory of the device bingo faces of tangible cards purchased by a player.

(B) Provide a means for bingo players to input manually each individual number or symbol announced by a live caller.

(C) Compare the numbers or symbols entered by the player to the bingo faces previously stored in the memory of the device.

(D) Identify winning bingo patterns that exist on the stored bingo faces.

(2) A card-minding device shall perform no functions involving the play of the game other than those described in paragraph (1). Card-minding devices shall not do any of the following:

(A) Be capable of accepting or dispensing any coins, currency, or other representative of value or on which value has been encoded.

(B) Be capable of monitoring any bingo card face other than the faces of the tangible bingo card or cards purchased by the player for that game.

(C) Display or represent the game result through any means, including, but not limited to, video or mechanical reels or other slot machine or casino game themes, other than highlighting the winning numbers or symbols marked or covered on the tangible bingo cards or giving an audio alert that the player’s card has a prize-winning pattern.

(D) Determine the outcome of any game or be physically or electronically connected to any component that determines the outcome of a game or to any other bingo equipment, including, but not limited to, the ball call station, or to any other card-minding device. No
other player-operated or player-activated electronic or electromechanical device or equipment is permitted to be used in connection with a bingo game.

(3)(A) A card-minding device shall be approved in advance by the department as meeting the requirements of this section and any additional requirements stated in regulations adopted by the department. Any proposed material change to the device, including any change to the software used by the device, shall be submitted to the department and approved by the department prior to implementation.

(B) In accordance with Chapter 5 (commencing with Section 19800) of Division 8 of the Business and Professions Code, the commission shall establish reasonable criteria for, and require the licensure of, any person that directly or indirectly manufactures, distributes, supplies, vends, leases, or otherwise provides card-minding devices or other supplies, equipment, or services related to card-minding devices designed for use in the playing of bingo games by any nonprofit organization.

(C) A person or entity that supplies or services any card-minding device shall meet all licensing requirements established by the commission in regulations.

(4) The costs of any testing, certification, license, or determination required by this subdivision shall be borne by the person or entity seeking it.

(5) On and after January 1, 2010, the Department of Justice may inspect all card-minding devices at any time without notice, and may immediately prohibit the use of any device that does not comply with the requirements established by the department in regulations. The Department of Justice may at any time, without notice, impound any device the use of which has been prohibited by the commission.

(6) The Department of Justice shall issue regulations to implement the requirements of this subdivision, and the California Gambling Control Commission may issue regulations regarding the means by which the operator of a bingo game, as required by applicable law, may offer assistance to a player with disabilities in order to enable that player to participate in a bingo game, provided that the means of providing that assistance shall not be through any electronic, electromechanical, or other device or equipment that accepts the insertion of any coin, currency, token, credit card, or other means of transmitting value, and does not constitute or is not a part of a system that constitutes a video lottery terminal, slot machine, or device prohibited by Chapter 10 (commencing with Section 330).

(7) The following definitions apply for purposes of this subdivision:

(A) “Commission” means the California Gambling Control Commission.

(B) “Department” means the Department of Justice.

(C) “Person” includes a natural person, corporation, limited liability company, partnership, trust, joint venture, association, or any other business organization.

§ 327. Endless chain schemes

Every person who contrives, prepares, sets up, proposes, or operates any endless chain is guilty of a public offense, and is punishable by imprisonment in the county jail not exceeding one year or in state prison for 16 months, two, or three years.

As used in this section, an “endless chain” means any scheme for the disposal or distribution of property whereby a participant pays a valuable consideration for the chance to receive compensation for introducing one or more additional persons into participation in the scheme or for the chance to receive compensation when a person introduced by the participant introduces a new participant.
Compensation, as used in this section, does not mean or include payment based upon sales made to persons who are not participants in the scheme and who are not purchasing in order to participate in the scheme.

§ 328. Printed materials for lotteries legally conducted outside state

Nothing in this chapter shall make unlawful the printing or other production of any advertisements for, or any ticket, chance, or share in a lottery conducted in any other state or nation where such lottery is not prohibited by the laws of such state or nation; or the sale of such materials by the manufacturer thereof to any person or entity conducting or participating in the conduct of such a lottery in any such state or nation. This section does not authorize any advertisement within California relating to lotteries, or the sale or resale within California of lottery tickets, chances, or shares to individuals, or acts otherwise in violation of any laws of the state.

§ 329. Evidence; elements of proof

Upon a trial for the violation of any of the provisions of this chapter, it is not necessary to prove the existence of any lottery in which any lottery ticket purports to have been issued, or to prove the actual signing of any such ticket or share, or pretended ticket or share, of any pretended lottery, nor that any lottery ticket, share, or interest was signed or issued by the authority of any manager, or of any person assuming to have authority as manager; but in all cases proof of the sale, furnishing, bartering, or procuring of any ticket, share, or interest therein, or of any instrument purporting to be a ticket, or part or share of any such ticket, is evidence that such share or interest was signed and issued according to the purport thereof.

(A) Failure of the applicant to respond to Bureau inquiries; or,

(B) Notice by the applicant or his, her, or its designated agent on the applicant's behalf that the application is no longer being pursued because, for example, the applicant is deceased or no longer employed in a capacity that requires Commission consideration.

(2) If an application has been deemed abandoned, a notice of abandonment will be sent to the applicant or his, her or its designated agent, with a copy to the Commission, stating the reasons
for abandonment of the application and that the Bureau will consider the application abandoned unless the applicant contacts the Bureau within 30 calendar days from the date of the notice.

(b)(1) At any time after the Bureau report is submitted to the Commission and the Bureau either recommended approval or made no recommendation, the Executive Director may deem an application abandoned based upon the following:

(A) Information related to abandonment provided to the Commission as a result of the Bureau's background investigation;

(B) Failure of the applicant to respond to Bureau or Commission inquiries; or,

(C) Notice by the applicant or his, her or its designated agent that the application is no longer being pursued.

(2) If an application has been deemed abandoned, a notice of abandonment will be sent to the applicant, pursuant to Section 12006, with a copy to the Bureau, stating the reasons for abandonment of the application and that the Commission will consider the application abandoned unless the applicant contacts the Commission within 30 calendar days from the date of the notice.

(c) At any time after the Bureau report is submitted to the Commission, the Commission may deem an application abandoned at its discretion, pursuant to Section 12054 after taking into consideration those criteria listed under subparagraphs (A) through (C), inclusive, of paragraph (1) of subsection (b).

(d) Upon abandonment of an application, a refund of any unused portion of a background investigation deposit will be made.

(e) An applicant who has his, her, or its application deemed abandoned will not have a right to an evidentiary hearing pursuant to Section 12056.

(f) If an application is deemed abandoned, any temporary or interim license issued to the applicant will be cancelled by the Executive Director. If the abandonment was pursuant to subsection (a) of Section 12017, the Bureau must provide notification to the Commission at the conclusion of the 30 calendar day notice period if no response has been received from the applicant.

§ 12035. Issuance of Interim Renewal Licenses.

(a) The Commission will issue an interim renewal license to an applicant for renewal of a license, work permit, finding of suitability, or other approval no later than when their existing license, work permit, finding of suitability, or other approval expires and:

(1) The Commission has elected to hold an evidentiary hearing pursuant to paragraph (4) of subsection (a) of Section 12054;

(2) The Executive Director determines, pursuant to subsection (a) of Section 12060, that it is appropriate for the application to be considered at a GCA hearing; or,

(3) An accusation is pending pursuant to Business and Professions Code section 19930 and under Chapter 10 of this division.

(4) The Commission has elected to issue a renewal license, work permit, finding of suitability, or other approval with conditions, restrictions, or limitations pursuant to paragraph (2) of subsection (a) of Section 12054.
(5) The Commission has elected to deny an application for a renewal license, work permit, or finding of suitability, or other approval pursuant to paragraph (3) of subsection (a) of Section 12054.

(b) The Commission will issue a new interim renewal license if the hearing process has not been, or will not be, concluded by the expiration date of the current interim renewal license and the interim renewal license holder submits the items identified in paragraphs (1) and (2):

(1) A completed application of the same type as the application pending evidentiary hearing to the Bureau with the appropriate:

(A) Form;
(B) Renewal timeframe;
(C) Fees and costs;
(D) Supplemental forms if required; and

(2) An update to the Commission, in coordination where possible with the complainant as specified under subsection (a) of Section 12056, on the status of the hearing and provide a justification for the delay in concluding the hearing during the term of the first interim renewal license period.

(3) Failure to provide a justification for the delay supported by good cause under paragraph (2) may result in the Commission, in the interests of justice and judicial economy, setting a time for a GCA hearing, including retracting an application referred to an APA hearing and referring it to a GCA hearing pursuant to paragraph (4) of subsection (a) of Section 12054.

(c) The following conditions apply to all interim renewal licenses issued under subsection (a):

(1) An interim renewal license will be issued with the same conditions, limitations, or restrictions, if any, that existed for the previous license, except for any condition that by Commission decision has been determined to be satisfied and no longer applicable. This paragraph does not preclude the Commission from applying additional conditions through a separate GCA hearing or with the consent of the applicant.

(2) An interim renewal license will be valid for a period of two years from the date the previous license, work permit, or other approval involving a finding of suitability, as well as an interim renewal license, expires, or until a decision is final under Section 12066, whichever is earlier, and is not subject to renewal.

(3) The holder of an interim renewal license must pay all applicable annual fees associated with that license.

(d) The issue date of the most recently granted interim renewal license will serve as the issue date for any initial or renewal license, work permit, or other approval granted thereafter.

(e) The issuance of an interim renewal license does not limit or impair, and is without prejudice to, any exercise of the discretion vested in the Commission with respect to the license at issue in the hearing process.

(f) The issuance of an interim renewal license is without prejudice to the Bureau’s prosecution of an accusation and has no preclusive effect on any ground for discipline that may exist against the licensee, whether or not presented in an accusation.
§ 12040. Mandatory and Discretionary Grounds for Denial

(1) Will be denied if the Commission finds that the applicant has not satisfied the requirements of Business and Professions Code section 19857; or,

(a) Nothing in this article is intended to limit the manner in which the Commission reviews an application, or otherwise limit its authority or discretion under the Act.

(b) This article does not apply to accusations brought under Business and Professions Code section 19930, subdivision (b) to revoke, suspend, or discipline a license, registration, permit, finding of suitability, renewal or other approval under the Act or a matter proceeding pursuant to Chapter 10 of this division.

(c) An applicant for any license, permit, finding of suitability, renewal, or other approval will be given notice of the meeting at which the application is scheduled to be heard. Notice will be given pursuant to Section 12006.

(d) Any application for a license, work permit, registration, or other approval involving a finding of suitability scheduled for Commission consideration at a noticed public meeting may be rescheduled for a later public meeting by the Executive Director, prior to the meeting, or by the Commission at the meeting, provided that in the case of renewal applications, the Commission must act before the license expires.

The evidence will be presented by the complainant, which is selected by the Executive Director or the Commission, and may be either the Bureau or an advocate of the Commission. If an advocate of the Commission is selected, the determination will include a list of employees of the Commission who will be designated as an advocate of the Commission.

(b) Nothing in this section, Section 12058 or Section 12060 confers upon an applicant a right to discovery of the Commission's or Bureau's confidential information or to require production of any document or the disclosure of information which is otherwise prohibited by any provision of the Act, or is privileged from disclosure or otherwise made confidential by any other provision of law. Documentary evidence may be redacted as needed to prevent the disclosure of confidential information. Exculpatory or mitigating information will be provided to the applicant, but any confidential information may be redacted by the Bureau.

(c) Under either an APA or a GCA hearing, all parties will bear their own costs. This does not prevent the Bureau from requiring that additional sums be deposited pursuant to Business and Professions Code section 19867 for any necessary supplemental investigations.

(d) Where an application has been referred to a GCA hearing or an APA hearing, the Commission retains the authority to retract the referral, pursuant to paragraph (4) of subsection (a) of Section 12054, and refer the application to a GCA hearing or APA hearing pursuant to subsection (a) of Section 12054, or hear the matter at a Section 12054 meeting.

§ 12057. Default Decisions and Uncontested Applications.

(a) When an applicant fails to submit a completed Notice of Defense, CGCC-CH1-03 according to the timelines on the form, affirmatively waives his, her, or its right to an evidentiary hearing, or fails to appear at an evidentiary hearing, the Commission will, based on the interests of justice and judicial economy:

(a) When the Commission elects to hold an APA hearing the Commission will determine whether the APA hearing will be held before an Administrative Law Judge sitting on behalf of the Commission or before the Commission itself with an Administrative Law Judge presiding in accordance with Government Code section 11512. Notice of the APA hearing will be provided to the applicant pursuant to Government Code section 11500 et seq.

(b) The burden of proof is on the applicant to prove his, her, or its qualifications to receive any license or other approval under the Act.

(c) A Statement of Issues will be prepared and filed according to Government Code section 11504 by the complainant.

(e) The evidentiary hearing will proceed as indicated in the notice, unless and until the Executive Director or Commission approves the retraction of referral to an APA hearing.

§ 12060. GCA Hearings.

(a) If the Executive Director determines it is appropriate, he or she may set an application for consideration at a GCA hearing in advance of a meeting pursuant to Section 12054. The Executive Director will give notice to the applicant, pursuant to paragraph (2) subsection (c) of Section 12052, to the Office of the Attorney General, and to the Bureau no later than 90 calendar days in advance of the

(b) When a GCA hearing is elected pursuant to Section 12056, subsection (a), the Executive Director will give notice to the applicant, pursuant to paragraph (2) subsection (c) of Section 12052, to the Office of the Attorney General, and to the Bureau no later than 60 calendar days in advance of the GCA hearing.

(c) An applicant may request that his, her, or its GCA hearing be held at a Southern California location instead of the Commission’s principal office in Sacramento, by completing the appropriate section on the Notice of Defense, CGCC-CH1-03 (Rev. 08/21). The request must be made on the initial Notice of Defense form submitted to the Commission and Bureau within the timeframes specified on the form.

(1) The Executive Director will approve a Southern California GCA hearing, if the request is timely made on the initial Notice of Defense form and meets all of the following criteria:

(A) The GCA hearing is estimated by Commission staff to last no longer than four hours.

(B) The primary residence of the applicant is located in one of the following counties: Imperial, Kern, Los Angeles, Orange, Riverside, San Diego, San Luis Obispo, San Bernardino, Santa Barbara, or Ventura.

(C) A GCA hearing will be noticed for a Southern California location only when it is in the best public interest, promotes judicial economy, and comports with the Commission’s availability.

(2) If at any time before the hearing, the Executive Director determines that the criteria in subparagraphs (A) through (C) of paragraph (1) are no longer met, Commission staff may cancel the Southern California GCA hearing and issue a new notice for a hearing at the Commission’s principal office in Sacramento.

(d) The presiding officer and her or his support staff will have no communication with the Commission or Commission staff upon the merits of an application prior to the evidentiary hearing. The Executive Director will designate a presiding officer which will be:

(e) The applicant or the complainant, or the applicant and the complainant, may request a continuance in writing to the Executive Director stating the reason for the continuance and any proposed future hearing dates. (f) The complainant will provide to the applicant, subject to subsection (b) of Section 12056, at least 45 calendar days prior to the GCA hearing, and the applicant must provide to the complainant, at least 30 calendar days prior to the GCA hearing, the following items:

(F) Other issues that may be deemed appropriate to promote the orderly and prompt conduct of the hearing.

(2) The GCA hearing need not be conducted according to technical rules of evidence. (l) Except as otherwise provided in subsection (h), the complainant and applicant will have the right to call and examine witnesses under oath; to introduce relevant exhibits and documentary evidence; to cross-examine opposing witnesses on any relevant matter, even if the matter was not covered in direct
examination; to impeach any witness, regardless of which party first called the witness to testify; and to offer rebuttal evidence. If the applicant does not testify on his, her or its behalf, the applicant may be called and examined, under oath, as if under cross-examination.

(m) Oral evidence will be taken upon oath or affirmation, which may be administered by the Executive Director, a member of the Commission, or the presiding officer if an Administrative Law Judge.

(n) At the conclusion of the evidentiary hearing, the members of the Commission will take the matter under submission, may discuss the matter in a closed session meeting, and may schedule future closed session meetings for deliberation.

§ 12062. Issuance of GCA Hearing Decisions.

(a) Within 75 calendar days of the conclusion of a GCA hearing, the Commission will issue its decision, which will comply with Business and Professions Code section 19870, and will be served pursuant to Section 12006 and, in the case of a gambling license, on any associated or endorsed owner or owner-licensee.

(b) All decisions of the Commission issued pursuant to this section will specify an effective date and may include further directions as to any stay provisions or orders to divest.

(c) Only members of the Commission who heard the evidence presented in the hearing are eligible to vote on a decision and may vote by mail or by another appropriate method unless such a requirement would prevent the existence of a quorum qualified to act on the particular application. In that event, a member of the Commission who has not heard the evidence may be allowed to vote after a review of the complete record and any additional briefing or hearing the Commission believes necessary.

§ 12064. Requests for Reconsideration.

(a) After the Commission issues a decision following a GCA hearing conducted pursuant to Section 12060, an applicant denied a license, permit, registration, or finding of suitability, or whose license, permit, registration, or finding of suitability has had conditions, restrictions, or limitations imposed upon it, may request reconsideration by the Commission. A request for reconsideration must be:

(1) Made in writing to the Commission, copied to the complainant. The Bureau may provide a written response to the Commission within 10 calendar days of receipt of the request; and,

(2) Received by the Commission and complainant within 30 calendar days of service of the decision, or before the effective date specified in the decision, whichever is earlier.

(b) A request for reconsideration must state the reasons for the request, which must be based upon either:

(2) Other good cause which the Commission may decide, in its sole discretion, merits reconsideration.
(c) The Commission will place the request on the Commission’s agenda within 60 calendar days of its receipt. The applicant and complainant will be given at least 10 calendar days’ advance written notice, pursuant to Section 12006, of the date and time of the Commission meeting at which the request will be heard. The applicant and complainant, whether present at that meeting or not, will be notified in writing of the Commission’s decision on the request within 10 calendar days following the meeting pursuant to Section 12006.

(d) The effective date of the decision will be stayed while the request is under review by the Commission.

(e) The granting or denial of reconsideration under this section will be at the sole discretion of the Commission.

(f) When the Commission grants reconsideration, the decision is stayed pending further action on the application, including but not limited to affirming its decision, or vacating the initial decision and issuing a reconsidered decision.

(g) The Commission may stay the effective date of the decision for a period it deems appropriate when the Commission denies a request for reconsideration.

§ 12066. Final Decisions; Judicial Review.

(a) A withdrawal or abandonment decision is final:

§ 12128. Cancellation or Conditioning of Temporary Licenses.

(a) Any temporary license issued in accordance with this article will be cancelled or conditioned, as provided in subsection (a) and (b), if at any time, any of the following apply:

(1) The Commission determines that it has received reliable information that the holder of the temporary license is ineligible under paragraphs (2) or (3) subsection (a) of Section 12124, has failed to reveal any fact material to the holder’s qualification for a temporary license, or has supplied information to the Bureau or Commission that is untrue or misleading as to a material fact pertaining to the criteria for issuance of a temporary license.

(2) The applicant’s initial license application is referred by a vote of the Commission to an evidentiary hearing, and the Commission directs the Executive Director to cancel or condition the temporary license.

§ 12130. TPPPS Registration.

(a) For the purposes of this section:

(1) “TPPPS registrant” means a person having a valid TPPPS registration.

(2) “TPPPS registration” means a registration for an owner or employee of a provider of third-party proposition player services that was issued by the Commission prior to the effective date of this regulation.

(b) TPPPS registrations approved by the Commission prior to the effective date of this regulation will remain in effect until the conclusion of their term of approval. No request for the renewal of a TPPPS registration will be accepted by the Bureau after July 1, 2021.

(c) Renewal TPPPS registration will be issued for a period of one year.
(d) A TPPPS registration includes all conditions of a temporary license provided in subsections (a), (b), and subsections (d) and (e) of Section 12122.

(e) If a TPPPS registrant is a corporation, partnership, limited liability company, or other business entity, each owner, and individual having a relationship to that entity specified in Business and Professions Code section 19852, subdivisions (a) through (i), inclusive, must individually request and obtain registration as an owner listed on the business entity’s registration certificate.

(f) If the request is for a TPPPS supervisor or TPPPS worker registration, the provider of third-party proposition player services that will employ the TPPPS registrant must be currently registered or licensed to provide third-party proposition player services under this chapter.

(g) To request renewal, a TPPPS registrant must submit to the Bureau, no later than 120 calendar days prior to the expiration of the current TPPPS registration, a letter requesting renewal and a processing fee of $500.

(h) The Bureau will notify the TPPPS registrant in writing within 20 working days of receiving the renewal request, that the request or resubmitted request is complete and accepted for filing, or that the request or resubmitted request is deficient. If a request for a TPPPS registration is incomplete, the Bureau will request in writing any information needed in order to complete the request. The TPPPS registrant will be permitted 30 calendar days in which to furnish the information. If the TPPPS registrant fails to respond to the request, the renewal request will be deemed abandoned and no further action will be taken on it.

(i) Upon determination that a request for renewal of TPPPS registration is complete, the request will be processed by the Bureau within 60 calendar days and the Executive Director will either issue the TPPPS registration and badge applied for or will notify the TPPPS registrant of denial and the grounds therefore under Section 12040.

(j) TPPPS registrants that have been summoned for licensure by the Bureau will be automatically converted to temporary licenses at the expiration of the current TPPPS registration.

(k) Except as provided for in this section, any person holding a TPPPS registration is subject to the requirements of the equivalent license (example, a TPPPS player registrant or TPPPS other employee registrant is subject to all requirements of a TPPPS worker license).

(l) This Section will be automatically repealed on January 1, 2023.

Article 4. Interim Owner Category License

§ 12132. Article Definitions.

(a) Except as otherwise provided in Section 12002, subsection (b) of Section 12100 and in subsection (b) of this section, the definitions in Business and Professions Code section 19805 govern the construction of this article.

(b) As used in this article:

(1) “Applicant” means a new owner or individual in control of an ownership interest of a cardroom business licensee or TPPPS business licensee, who submits an application to the Bureau for an interim owner category license pursuant to Section 12136

(2) “Interim owner category license” means a license issued by the Commission which permits the interim operation of a cardroom business licensee or TPPPS business licensee following a
qualifying event, during which time the Bureau processes and the Commission considers an application for a regular license from a new owner.

(3) “New owner” means an individual who is a trustee (other than a trustee in bankruptcy), beneficiary, successor in interest, or security interest holder who becomes an owner of, or obtains an ownership interest in a cardroom business licensee or TPPPS business licensee as a result of a qualifying event.

(4) “Qualifying event” means an event, such as those specified in Business and Professions Code section 19841, subdivision (s), that results in a change in the ownership for sole proprietors or in the control of the ownership interest for non-natural persons of a cardroom business license or TPPPS business licensee and prevents the cardroom business license or TPPPS business licensee from conducting gambling operations or the provision of third-party proposition player services because the new owner or individual(s) in control does not hold a valid license. A qualifying event does not include any planned or negotiated transaction where a current licensee retains the capacity and authority to continue gambling operations or the provision of third-party proposition player services until approval of the transaction and issuance of any license by the Commission (e.g., a sale, the transfer of shares, incorporation, etc.).

(5) “Regular license” means an initial cardroom owner type license or initial TPPPS owner type license, as appropriate, issued by the Commission pursuant to Section 12112.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19984, Business and Professions Code.

(a) Subject to the provisions of the Act, this division and Title 11, Division 3, of the California Code of Regulations, a cardroom business licensee may continue gambling operations or a TPPPS business license may continue to provide third-party proposition player services following a qualifying event only if an owner or a licensed person affiliated with the cardroom business licensee or TPPPS business licensee has control of the gambling operations or the provision of third-party proposition player services, as applicable, the Commission and Bureau are notified of the qualifying event within 10 calendar days of that event, and the new owner, or individual in control of the ownership interest, submits a request for an interim owner category license to the Bureau as provided in Section 12136. Gambling operations or the provision of third-party proposition player services, as applicable, must be immediately terminated if the Commission denies an applicant’s request for an interim owner category license, or approves an applicant’s request to withdraw that application, and no other person has applied for or been granted an interim or regular owner category license for that cardroom business licensee or TPPPS business licensee.

(b) If, as a result of a qualifying event, a new owner intends to sell his or her interest in the cardroom business licensee or TPPPS business licensee without someone obtaining an interim or regular owner category license, he or she must provide written notification to the Bureau of that intent within 30 calendar days of that qualifying event.

(c) If, during the term of an interim owner category license, the Bureau determines that the holder of that license may be disqualified for any of the reasons set forth in Business and Professions Code section 19859, or may have violated one or more of the conditions under which the interim owner category license was issued, the Bureau must notify the Commission and the holder of the interim license. The matter will be set for Commission consideration at a Commission meeting, which may be no sooner than 45 calendar days after the Bureau’s notice. The Bureau will present the information related to its notice at the Commission meeting. The interim license holder may address the
Commission by way of an oral or written statement, or both, at the Commission meeting. The Commission may act to cancel the interim owner category license.

(d) This section does not preclude the Commission from issuing temporary licenses pursuant to Business and Professions Code section 19824, subdivision (f).

(e) Neither an applicant for an interim owner category license nor the holder of an interim owner category license has the right to an evidentiary hearing in the event the applicant is approved with conditions, denied or cancelled.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19984, Business and Professions Code.

§ 12136. Applications and Required Forms.

(a) In order to be considered for an interim owner category license, a new owner, or individual in control of the ownership interest, must submit all of the following within 30 calendar days of a qualifying event:

1. A complete application for an owner category license pursuant to Section 12112;

2. A signed written request for an interim owner category license that describes the qualifying event and identifies the key employee licensee or TPPPS supervisor licensee, as appropriate, who will control and oversee gambling operations or the provision of third-party proposition player services; and,

3. A copy of any document that evidences the succession to the owner’s interest in the cardroom business licensee or TPPPS business license, which may include, as applicable, any of the following:

   A. In the case of the death of an owner, a copy of the death certificate;
   
   B. In the case of the incapacity of an owner, a copy of any document that evidences the owner’s incapacity and the appointment of a conservator; or,
   
   C. In the case of insolvency, foreclosure or receivership of a cardroom business license or TPPPS business license, a copy of any pertinent agreement, note, mortgage, lease, deed of trust, and any document, notice or order that evidences the insolvency, foreclosure or receivership.

(b) The time period for submission specified in subsection (a) may be extended, at the discretion of the Commission or the Executive Director, if the new owner, or individual in control of the ownership interest, is able to provide satisfactory evidence of any facts or circumstances that interfere with timely submission, including but not limited to, a lack of actual knowledge of the occurrence of the qualifying event, and that all appropriate and reasonable actions have been taken to overcome those impediments.

(c) A signed written request for a renewal interim owner category license may be submitted 60 calendar days prior to the expiration of the interim owner category license if the Bureau has not yet submitted to the Commission its Bureau report for the initial owner category licenses and no temporary owner category license has been issued.

(d) If the required items of paragraph (a) are not submitted within the time period for submission, the cardroom business licensee must immediately cease all gambling operations or the TPPPS business licensee must immediately cease the provision of proposition player services.
§ 12138. Criteria.

(a) A request for an interim owner category license will be ancillary to and concurrent with an application for a regular license. The application for a regular license will be processed in accordance with Section 12112. The request for an interim owner category license will be processed as follows:

(1) The maximum time within which the Bureau may notify the applicant in writing that a request for an interim owner category license is complete and accepted for filing, or that a request is deficient and identifying what specific additional information is required, is 10 calendar days after receipt of the request. If additional information is required, the Bureau will allow the applicant 10 calendar days to submit the additional information. If the requested information is not supplied within 10 calendar days, the request for an interim owner category license will be considered abandoned and no further action will be taken on the request. A cardroom business licensee or TPPPS business licensee must immediately terminate gambling operations or the provision of third-party proposition player services if a request for an interim owner category license is abandoned by the applicant and no other person has applied for or been granted an interim, temporary or regular license for that cardroom business licensee or TPPPS business licensee.

(2) Once the Bureau determines that a request for an interim owner category license is complete, the matter will be set for consideration at a noticed Commission meeting. The Bureau will provide their review to the Commission no later than 40 calendar days after receipt of the request. Pursuant to the provisions of the Act and this division, the Commission will grant or deny the request for an interim owner category license within 60 calendar days after receipt of the request. A request for an interim owner category license will be denied by the Commission if the applicant is disqualified for any reason set forth in section 19859 of the Business and Professions Code.

(b) All of the following criteria will apply to a request for an interim owner category licensee:

(1) In the event a regular license is issued to an applicant prior to action by the Commission on any related request for an interim owner category license, the request for an interim owner category license will be abandoned.

(2) Denial of a request for an interim owner category license, or cancellation of an interim owner category license, will not suspend or otherwise affect the processing and review of the related application for a regular license.

§ 12140. Conditions.

All of the following conditions apply to an interim owner category license granted by the Commission:

(a) Upon issuance or denial of a regular license, any related interim owner category license will become invalid.

(b) The term of an interim owner category license will be determined by the Commission and will be based in part on the time necessary to process and consider the application for a regular license, but in no event will the term be longer than two years. The Commission may issue a renewal interim owner
category license if the application process has not been, or will not be, concluded by the expiration date of the interim owner category license.

(c) Issuance of an interim owner category license does not prejudice or obligate the Commission to grant a regular license. Issuance of a regular owner category license is subject to the results of a complete background investigation by the Bureau, the conduct of the applicant during the term of the interim owner category license, and final approval of the Commission pursuant to Sections 12112 and 12040.

(d) Issuance of an interim owner category license does not create a vested right in the holder to either an extension of the interim owner category license or the issuance of a regular license.

(e) Issuance of an interim owner category license does not change the qualification, or disqualification, requirements for a regular license under the Act or this division.

(f) The holder of the interim owner category license must maintain a key employee licensee or TPPPS supervisor licensee who will control and oversee gambling operations or the provision of third-party proposition player services at all times. The holder of an interim owner category license must provide the Bureau with the name of any new key employee licensee or TPPPS supervisor licensee appointed pursuant to paragraph (2) of subsection (a) of Section 12136 within 30 calendar days following the appointment of that key employee licensee or TPPPS supervisor licensee. Within 30 calendar days of its occurrence, the holder of an interim owner category license must provide the Bureau with the name of any person who provides any service or property to the cardroom business licensee or TPPPS business licensee under any arrangement whereby the person receives payment based on the earnings, profits or receipts of the cardroom business licensee or TPPPS business licensee.

(g) The holder of an interim owner category license must pay all applicable annual fees associated with the license.

(h) The holder of an interim owner category license must comply with the provisions of the Act, this division and Title 11, Division 3, of the California Code of Regulations.

(i) During the term of an interim owner category license, any proceeds derived from the operation of the gambling enterprise that would otherwise be payable to a new owner must be held in an escrow account and not disbursed until the disposition of ownership interest has been resolved and received Commission approval and all owner category licensees have been approved by the Commission for a regular license pursuant to Section 12112. This paragraph does not prevent the payment of any taxes, operating expenses, preexisting obligations, preexisting dependent support or any other distribution of proceeds that is approved by the Commission.

(j) The Commission, in its sole discretion and on an individual case-by-case basis, may impose any additional conditions necessary to address particular factual situations related to a request for an interim owner category license.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19874, Business and Professions Code.

Article 5. Surrender or Abandonment of Cardroom Business License.

§ 12142. Cardroom Business License; Surrender; Abandonment.

(a) A cardroom business licensee may propose to surrender their cardroom business license at any time prior to expiration. In order to propose the surrender of a cardroom business license, the cardroom business licensee must submit a written request to the Commission, with a copy to the
Bureau. A proposed surrender will be agendized for consideration at the next available Commission meeting. Each proposed surrender will be considered on its merits by the Commission. A proposed surrender is not effective unless and until the surrender is accepted by the Commission. A proposed surrender may be rejected if the Commission determines that acceptance would not be in the public interest, for example, if the cardroom business licensee is currently under investigation or if disciplinary action has been initiated.

(b) A cardroom business license that has been surrendered or abandoned after the effective date of this section is subject to the following:

(1) The license cannot be reactivated, reinstated, reissued, or renewed.

(2) The cardroom business licensee associated with that cardroom business license is no longer eligible to conduct any gambling operation under that license.

(3) Business and Professions Code section 19963 precludes that gambling establishment from being reopened in that jurisdiction or in any other jurisdiction.

§ 12144. Cardroom Business License: Prior Surrender or Abandonment.

(a) A cardroom business license that was valid as of December 31, 1999, or that was issued pursuant to an application on file with the department prior to September 1, 2000, and that was surrendered or expired without being renewed prior to January 6, 2011, will be eligible for reinstatement in accordance with the following guidelines:

(1) The applicant seeking to reinstate the license must be the last holder of the license that he or she is seeking to reinstate.

(2) The applicant must notify the Commission, in writing, within 30 calendar days of the effective date of this section of the intent to apply for reinstatement of the license.

(3) The applicant must submit a complete application for an initial cardroom business license pursuant to Section 12112, and all documentation required by subsection (b) within 12 months of the effective date of this section.

(b) The following documentation is required of any applicant applying to reinstate a cardroom business license under this section:

(1) A copy of the last license issued by the state, or other documentation satisfactory to the Commission, authorizing the applicant to operate the gambling establishment, which may include either a provisional license or a cardroom business license. For a corporation or partnership, the applicant must also demonstrate that it is the same entity as was previously licensed to operate the gambling establishment.

(2) A written document addressing the circumstances under which the previous license was surrendered, abandoned, or allowed to expire without being renewed, as well as the applicant’s prior efforts, if any, to have the license renewed.

(3) A copy of the current applicable local gambling ordinance.

(4) An opinion from the chief legal officer of the local jurisdiction, dated no earlier than the effective date of this section, certifying that the reopening of the gambling establishment is authorized by and consistent with the local gambling ordinance.
(5) A copy of a formal resolution or other evidence satisfactory to the Commission, adopted by the applicable city council, board of supervisors, or other local governing authority, dated no earlier than the effective date of this section, which clearly states a willingness to issue a local license to the applicant, contingent upon issuance of a state license.

(6) A statement signed by the chief law enforcement officer of the local jurisdiction, dated no earlier than the effective date of this section, confirming that he or she supports the reopening of the gambling establishment.

(7) An economic feasibility study that demonstrates to the satisfaction of the Commission that the proposed gambling establishment will be economically viable, and that the owners have sufficient resources to make the gambling establishment successful and to fully comply with all requirements of the local ordinance, the Act, applicable state regulations, and all local, state, and federal tax laws.

(c) In making the determination to grant or deny a request to reactivate a license pursuant to this section, the Commission must consider, but is not limited to considering, the following:

(1) Generally, whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the gambling operations with respect to which the license would be issued are free from criminal and dishonest elements and would be conducted honestly.

(2) The circumstances under which the previous license was surrendered, abandoned, or allowed to expire without being renewed. Among other things, the Commission may consider, in its discretion, any or all of the following:

(A) The presence or absence of any extenuating circumstances.
(B) Information which indicates an attempt to avoid adverse action arising from potential misconduct as a licensee.
(C) A voluntary decision to relinquish the prior license.
(D) The applicant’s prior efforts, if any, to have the license reissued or reactivated.

(3) In the case of a corporation or partnership, changes in the legal status or composition of the licensed entity

(4) The potential impact a reopened gambling establishment may have on the incidence of problem gambling.

(5) The potential impact on the local economy, including revenues to the local jurisdiction and the number of jobs that may be created.

(6) The economic impact on cardrooms located within a 20 statute mile radius.

(d) The gambling establishment to be reopened must be located in the same local jurisdiction in which it was previously licensed.

(e) No temporary licenses may be issued to any applicant under this section.

(f) A cardroom business license meeting the qualifications of subsection (a) will be considered abandoned if the time limits imposed by paragraphs (2) and (3) of subsection (a) are not met. An abandoned license will be subject to the provisions of subsection (b) of Section 12142.

§ 12250. Definitions.

(a) Except as otherwise provided in Section 12002 and in subsection (b) of this section, the definitions in Business and Professions Code section 19805 govern the construction of this chapter.

(b) For the purposes of this chapter, the following definitions apply:

Article 2. Playing Books

§ 12260. General Provisions.

(a) Nothing in this article prohibits a TPPPS business licensee from using more stringent standards, or from having other applications or programs accessible from a terminal with access to the playing book system. Programs performing processes other than playing book functions may be a separate application, but any program with access to the electronic playing book database must be approved by the Bureau. The TPPPS business licensee is responsible to ensure that there is no data leakage or data contamination between the playing book database and an unauthorized source.

(b) A TPPPS business licensee is responsible for assuring that its authorized players maintain accurate, complete, legible, and up-to-date playing books in conformity with regulations of the
Commission for all sessions of play. A playing book must be established and maintained in either hardcopy or electronic form.

(h) If a TPPPS supervisor licensee is not present to sign, the funds must be deposited into a TPPPS business licensee player’s bank within the gambling establishment; and, a cage receipt must be obtained and substituted for that signature.
(i) For electronic playing books, the version of the playing book form to be signed by the authorized player whose activity is being recorded must be in the same format as the printed version of the approved playing book form and visible as one document on the playing book device. If screen size is a constraint, scrolling across or up and down to view different areas of the form is permitted.

(j) All IT technicians employed by or contracting with a TPPPS business licensee must be licensed as TPPPS workers regardless if they are present in the gambling establishment or not. This requirement applies to any subcontractor, independent contractor, or employee thereof who is authorized to perform IT technician duties as defined in paragraph (7) of subsection (b) of Section 12250.

(k) Any incident notification requirements as found in section 12290(c) must be submitted to the Bureau with the following information:

(c) The Bureau must notify the applicant in writing that an application or a resubmitted application for an initial or amended hardcopy playing book form is complete and accepted for filing; or, is deficient and what is necessary to correct any deficiencies within 10 working days after the receipt of the application. The Bureau must review and approve or disapprove an initial or amended playing book
form within 30 calendar days of receiving a completed application. Written notices regarding this review must be sent to the TPPPS business licensee or the designated agent.

(d) If a change is non-substantive, for example, the addition of a Bureau-approved controlled game, or a change in formatting, font, spacing, or other cosmetic change, the TPPPS business licensee must submit a notice and copy of the revised form to the Bureau to update the Bureau’s records. This notice will be deemed accepted unless otherwise notified in writing by the Bureau within 30 calendar days of receiving the notice. This may include, but is not limited to, a signature signed onto a touch-screen, the activation of a mandatory checkbox, or the use of one or more secured authentications, or any combination thereof. Examples of authentication include, but are not limited to, unique username, password, pin, fob/badge recognition, security image, caption verification, security question, Quick Response (QR) coding, biometrical verification, or facial recognition, or any combination thereof.

After three failed attempts by a user to access the system, the database must log the failed attempts and must not permit access under that user's authentications until the login account has been reset.

(2) An IT technician requires a minimum of three methods of authentication for login to access the database, including but not limited to the options in paragraph (5) of subsection (c) of Section 12262. The database must only allow IT technicians with active authentications to access the database. If an IT technician has three failed attempts and is denied access to the database, the database must log the failed attempts, notify the TPPPS business licensee, and not permit access under that individual authentication until reset by another person with IT technician permissions.

(3) The authentication for any person losing permission to use the system must be made inactive within 24 hours of the loss of permission.

(4) The database must not allow a user to be active on more than one terminal or device at a time without specific permissions as indicated on the chart of system access for the electronic playing book system. The database must be able to identify the terminal and user accessing the system at all times.

(c) The primary database must meet the following information storage and retrieval requirements:

(e) The database must have date and time synchronization for all playing book devices, terminals, and the database, controlled or updated by a network time protocol server.

(f) The database must meet the following location requirements:

1. The location of the database must be in California and disclosed to the Bureau in accordance with Section 12003; and,

2. A backup storage location must be at a site other than where the primary database is located for increased protection. A backup storage location must be in California and disclosed to the Bureau with consent to entry and administrative inspection by the Bureau.

(b) Each TPPPS contract will specifically require all of the following to be separately set forth at the beginning of the contract in the following order:

(1) The names of the parties to the contract.

(2) The effective dates of the TPPPS contract; expiration date must be the last day of the month.

(3) The specific name of the Bureau-approved gaming activities for which proposition player services may be provided.

(4) The maximum and minimum number of gaming tables available to the proposition player provider service.

(5) That no more than one authorized player from each TPPPS business licensee may simultaneously play at a table.

(8) That proposition player services must be provided in the gambling establishment only in compliance with laws and regulations pertaining to controlled gambling.

(9) That proposition player services may be provided only by authorized players with current licensing under Chapter 2.

(10) That the TPPPS business licensee must provide the cardroom business licensee with a copy of its TPPPS certificate, and that the cardroom business licensee must maintain the TPPPS certificate on file, together with a copy of the TPPPS contract applying to that establishment.

(11) That an authorized player may not provide proposition player services in a gambling establishment where he or she holds a cardroom owner type license, or is operating with a cardroom employee type license.

(12) That collection fees charged by the cardroom business licensee for participation in any controlled game must be the same as those charged to other participants assuming the player dealer position during the play of the game.

(13) Any agreement between the TPPPS business licensee and the cardroom business licensee for TPPPS business licensees or TPPPS supervisors licensees to inspect or receive a copy of surveillance recordings of tables at which proposition player services are provided under the TPPPS contract during the times the services are provided, as necessary for business purposes.

(14) A full disclosure of any financial arrangements entered into during the term of the TPPPS contract for any purpose between the cardroom business licensee and any licensee covered by the TPPPS contract. If there is no financial consideration that passes under the TPPPS contract, a statement to that effect must be included.

(15) That any legal dispute between the TPPPS business licensee and the cardroom business licensee, including any exclusion of a licensed TPPPS category licensee covered by the contract with the cardroom business licensee must be reported in writing within ten calendar days by the TPPPS business licensee and the cardroom business licensee to both the Commission and the Bureau.

(16) That the TPPPS business licensee and the cardroom business licensee must report in writing within ten calendar days to both the Commission and the Bureau the identity of any temporary TPPPS category licensee whose activities are covered by the TPPPS contract and who is arrested in the gambling establishment by a peace officer, who is removed from the gambling establishment by a peace officer or the cardroom business licensee, or who is involved in a patron dispute regarding his or her activities in the gambling establishment that is the subject of a report to a peace officer and that results in removal of one or more individuals.

(18) That the criteria for granting any rebates by authorized players to patrons be fully disclosed in the TPPPS contract; and that neither the cardroom business licensee nor any cardroom employee type licensee may have any role in rebates. If there are no criteria for granting rebates, a statement to that effect must be included.
(19) That any tipping arrangements must be specified in the TPPPS contract and that percentage tips may not be given. If there are no tipping arrangements, a statement to that effect must be included.

(20) That the TPPPS business licensee may reimburse the cardroom business licensee in specified amounts for equipment such as surveillance cameras and monitors, or cards, shuffling machines, and dice. Neither the TPPPS business licensee nor its cardroom employee type licensees may purchase, lease, or control such equipment. If there is no arrangement to reimburse the cardroom business licensee for equipment, a statement to that effect must be included.

(21) That the contract is a complete expression of all agreements and financial arrangements between the parties; that any addition to or modification of the contract, including any supplementary written or oral agreements, must be approved in advance by the Bureau pursuant to Section 12276 before the addition or modification takes effect.

(c)(1) Except as expressly authorized by this subsection, a TPPPS contract may not include any provision authorizing payment to or receipt by the cardroom business licensee, or a designee thereof, of any share of the profits or revenues of the TPPPS business licensee. Any payments made by a licensee to the cardroom business licensee for a purpose determined by agreement with the cardroom business licensee must be specifically authorized by the TPPPS contract. All payments must be specified in the TPPPS contract. The TPPPS contract must identify the total charge for each of the following categories: services, facilities, and advertising. In addition, the TPPPS contract must include a detailed list, excluding specific costs, of the items provided or received in each of these categories.

(2) In no event may a TPPPS contract provide for any payment based on a percentage or fraction of the TPPPS business licensee’s gross profits or wagers made or the number of players. All payments must be fixed and may only be made for services and facilities requested by, and provided to, the cardroom business licensee, and for a reasonable share of the cost of advertising with respect to gaming at the gambling establishment in which the TPPPS business licensee participates.

(3) No contract provision may authorize any payments for services or facilities that are substantially disproportionate to the value of the services or facilities provided. No TPPPS contract may include any charge, direct or indirect, for the value of an exclusive right to conduct proposition play within all or a portion of the cardroom business licensee. No payment other than the collection fee for play, may be required for play at any table, including, without limitation, reservation of a seat.

(d) The TPPPS contract may not contain any provision that limits contact with officials or employees of the Commission or Bureau. The TPPPS contract must prohibit a TPPPS owner type licensee and the cardroom business licensee from retaliating against any licensee on account of contact with an official or employee of the Commission or Bureau or any other public official or agency.

(e) A TPPPS contract must be consistent with the provisions of Business and Professions Code section 19984, subdivision (a), prohibiting a gambling establishment or the cardroom business licensee from having any interest, whether direct or indirect, in funds wagered, lost, or won. No TPPPS contract may be approved that would permit the cardroom business licensee to bank any game in the gambling establishment.

(f) Each TPPPS contract approved by the Bureau must contain a provision authorizing the Commission, after receiving the findings and recommendation of the Bureau, to terminate the TPPPS contract for any material violation of any term required by this section.
(g) A TPPPS business licensee may contract with more than one cardroom business licensee at the same time; a cardroom business licensee may contract with more than one TPPPS business licensee at the same time. This subsection is not intended to prohibit a TPPPS contract in which a cardroom business licensee and a TPPPS business licensee agree that one TPPPS business licensee will be the exclusive provider of proposition player services to that cardroom business licensee.

Provision of proposition player services by any person subject to licensing under Chapter 2, or engagement of proposition player services by a cardroom owner type licensee, without a TPPPS contract as required by this section is a violation of this section. The Bureau must approve a TPPPS contract only if all the following requirements have been satisfied:

(D) The TPPPS contract will not undermine public trust that the controlled gambling operations covered by the TPPPS contract will be conducted honestly, by reason of the existence or perception of any collusive arrangement between any party to the TPPPS contract and the cardroom owner type licensee or TPPPS business endorsee licensee or otherwise.

(2) A complete application for TPPPS contract approval must include all of the following:

(A) A completed Application for Contract Approval to Provide Proposition Player Services, CGCC-CH3-02 (Rev. 09/21) referenced in paragraph (2).

§ 12362. Statewide Involuntary Exclusion List.

(a) A cardroom business licensee may remove a person from the gambling establishment pursuant to Business and Professions Code section 19801, subdivision (j), or Business and Professions Code section 19845. A cardroom business licensee may also have an internal removal list to bar certain individuals from entering the specific gambling establishment only.

(b) A cardroom business licensee or government official (such as law enforcement, or agents of the California Horse Racing Board, Bureau, or Commission) (“requestor”) may submit, on Request for Statewide Involuntary Exclusion of an Individual, CGCC-CH7-01 (New 05/20), which is attached in Appendix A to this chapter, a request to exclude an individual from all California gambling establishments based upon the reasons listed in Business and Professions Code section 19844 or 19845, subdivision (a)(7). Such request will have the protections afforded under Business and Professions Code section 19846, subdivision (a).
(c) Removal of an individual from a specific gambling establishment, as described in subsection (a) above, or statewide exclusion, pursuant to the request described in subsection (b) above, may not be based upon the sex, race, color, religion, ancestry, national origin, marital status, sexual orientation, medical condition, or disability of the individual, with the exception that a problem or pathological gambler may be excluded pursuant to Article 6 of these regulations (commencing with section 12460) or involuntarily excluded pursuant to this section.

(d) Upon receipt of a request by a cardroom business licensee or governmental official for statewide involuntary exclusion of an individual, the Executive Director will review the reason for exclusion. If there appears to be good cause to place an individual on the statewide involuntary exclusion list, the Executive Director will issue a notice of exclusion to the individual. Such notice will state the grounds for exclusion and may be served by personal service, by certified mail at the last known address of the individual, or by publication daily for 1 week in a newspaper of general circulation in the vicinity of the requestor. The exclusion will be effective upon perfection of notice and will remain in effect until the individual is removed from the list by Commission decision.

(e) An individual may contest the Commission's notice of exclusion by requesting a hearing from the Commission. Such hearing may be pursuant to Business and Professions Code section 19871 or pursuant to Government Code section 11500 et seq., as determined by the Executive Director. Such hearing will occur within 60 days of the request for hearing, unless the time of the hearing is changed by agreement of the Commission and the individual requesting the hearing.

(f) If the individual fails to appear at the time and place set for hearing, and the individual does not contact the Commission within 24 hours to give good cause why the hearing should be reset, a default decision will be issued affirming the exclusion.

(g) At the hearing, the individual may appear in person and/or be represented by counsel at the individual's own expense and present relevant testimony or documentary evidence. If a governmental agency requested that the individual be placed on the statewide involuntary exclusion list, the governmental agency may appear. If a licensee requested that the individual be placed on the statewide involuntary exclusion list, then the licensee or designated agent may appear.

(h) The standard of proof will be preponderance of the evidence that the individual poses a threat either to the public, cardroom employee type licensees, or the gambling industry, or should be excluded pursuant to Business and Professions Code section 19844 or 19845, subdivision (a)(7). The burden of proof will be on the Commission staff. Evidence of exclusion or discipline by another gaming jurisdiction based upon the factors described in Business and Professions Code section 19844 or 19845, subdivision (a)(7) may be introduced.

(i) The final decision in the matter will be in writing, will state any term-length for the exclusion if other than lifetime, will be sent by certified mail or personal service to the individual and the governmental agency or cardroom business licensee which requested the individual be placed on the statewide involuntary exclusion list, and will be effective immediately.

(j) If the individual requested a hearing after the Commission's notice of exclusion and was given a final decision in the matter that affirmed the exclusion, that individual cannot petition the Commission to be removed from the statewide involuntary exclusion list for a minimum of one year after the date of the final decision.

(k) Petitions to be removed from the statewide involuntary exclusion list must be in writing, directed to the Executive Director, and sent to the Commission at 2399 Gateway Oaks Drive, Suite 220, Sacramento, CA 95833. Petitioners should clearly state the circumstances of the ejection or exclusion, any new evidence which is material and necessary, including evidence that circumstances have changed since placement on the statewide involuntary exclusion list, and why they do not pose a threat to the public, cardroom employee type licensees, the gambling industry, or should otherwise not be
excluded pursuant to Business and Professions Code section 19844 or 19845, subdivision (a)(7). This statement must be signed under penalty of perjury under the laws of the State of California. The Executive Director may summarily deny the petition without prejudice due to lack of compliance with this subsection. If not summarily denied, the Executive Director will provide notice and opportunity to comment to the requestor. After review of the requestor's comments, the Executive Director, may notify the Bureau to remove the individual from the statewide involuntary exclusion list, or may set the matter for hearing pursuant to Business and Professions Code section 19871 or pursuant to Government Code section 11500 et seq., as determined by the Executive Director.

(l) The Executive Director may order an individual removed from the list after verified information is received that the individual is deceased and will so notify the Bureau.

(m) If the Commission determines that an individual should be removed from the statewide involuntary exclusion list, the Commission's decision will include an order removing the individual's name from the list, and will so notify the Bureau. The Bureau will amend the exclusion database and send notification to all gambling establishments and to the requestor.

(n) Judicial review of the Commission's decision will be in accordance with Code of Civil Procedure, section 1094.5.

(o) The statewide involuntary exclusion list will be maintained by the Bureau, sent or made available to all gambling establishments, and may be shared with law enforcement personnel of any jurisdiction.

(p) Cardroom business licensees must implement policies and procedures designed to thwart excluded persons, as noticed by the Bureau, from entering the gambling establishment, ejection or removal procedures of any patrons once recognized as being a known excluded person, and notification to the Bureau of any incidents of attempted entry, entry, or removals of known excluded persons. This regulation does not require a cardroom business licensee's policies and procedures to include patrons providing proof of identification before entering the gambling establishment. This regulation does not require the gambling establishment to use physical force in ejecting or removing an excluded person.

(q) The Commission may discipline a licensee that knowingly fails to take prompt, reasonable action to eject or exclude an individual listed on the statewide involuntary exclusion list, or fails to notify the Bureau of any entries or attempts to enter by an excluded person, pursuant to Chapter 10 of these regulations.

(r) This regulation does not create any right or cause of action against a cardroom business licensee, government official (such as law enforcement, or agents of the California Horse Racing Board, Bureau, or Commission) by an excluded person or abrogate the existing statutory privileges and immunities of a cardroom business licensee or requestor, or limit or expand the provisions of Business and Professions Code section 19846.

(a) For purposes of this section:

(1) "Neighboring jurisdiction" means any other adjoining jurisdiction whose common boundary line with the governing local jurisdiction is 1,000 feet or less from the proposed new location of the gambling establishment.

(2) "Relocation" means the physical relocation of a gambling establishment, including the buildings, grounds and parking lots, from one site consisting of one or more contiguous parcels
to another site, consisting entirely of different parcels. Relocation does not include the addition of new, contiguous parcels to the current site or modification of existing buildings.

(b) A cardroom business licensee must notify the Bureau of a planned relocation of a gambling establishment at least 90 days in advance of the intended commencement of gambling operations at the new location on the form Notice of Relocation, CGCC-CH7-02 (New 05/20), which is attached in Appendix A to this Chapter. A draft floor plan of the proposed gambling establishment depicting, at a minimum, the location of the main cage, the count room, the surveillance room, and the gaming area(s) must accompany the notice to the Bureau.

(1) If the new location is more than 1,000 feet from any boundary line of its governing local jurisdiction, the cardroom business licensee must submit to the Bureau all of the following information and documents, of which the information and documents specified in subparagraphs (A) through (C), inclusive, are to be submitted no later than 30 days prior to the Bureau's site visit conducted pursuant to subsection (d):

(A) A copy of the cardroom business licensee's fully executed rental or lease agreement for, or evidence of the cardroom business licensee's ownership of, the proposed new location.

(B) A copy of the cardroom business licensee's fire safety and evacuation plan for the proposed new location, prepared in compliance with Section 12370.

(C) A copy of the cardroom business licensee's security and surveillance plan for the proposed new location, prepared in compliance with Section 12372.

(D) Documentary evidence of the issuance to the cardroom business licensee of all required approvals, licenses and permits by any applicable local jurisdictional entity concerning the new location; e.g., business licenses, occupancy permits, conditional use permits, zoning variances, local gaming licenses, etc. These documents, if available, must be submitted at the same time as the documents specified in subparagraphs (A) through (C), inclusive, or, if not available, must be submitted upon availability and prior to the commencement of gambling operations.

(E) Documentary evidence of the issuance to the cardroom business licensee of all required approvals, licenses and permits, other than those specifically relating to gambling operations, by any applicable state or federal agency concerning the new location; e.g., liquor licenses, check cashing permits, etc. These documents are not required to be submitted prior to the commencement of gambling operations or the Bureau's site visit pursuant to subsection (d), but must be submitted to the Bureau prior to the commencement of the associated activity.

(2)(A) If the new location is 1,000 feet or less from any boundary line of its governing local jurisdiction, the cardroom business licensee must, in addition to the documentation required by paragraph (1), and prior to the commencement of gambling operations, submit documentation from the appropriate agency or department in the neighboring jurisdiction confirming that the agency or department has no objection to the planned location of the gambling establishment.

(B) As an alternative to obtaining advance confirmation, the cardroom business licensee may submit to the appropriate agency or department in the neighboring jurisdiction, a copy of its Notice of Relocation concurrent with the submission to the Bureau. The cardroom business licensee must provide the Bureau with proof of submission of the notice to the neighboring jurisdiction. The copy of the notice submitted to a neighboring jurisdiction must be accompanied by a written statement from the cardroom business licensee which, at a minimum, must include the following information:
“The appropriate agency or department of [name of neighboring jurisdiction] may submit objections to the proposed relocation of [name of gambling establishment] to the Bureau of Gambling Control, at Post Office Box 168024, Sacramento, CA 95816-8024. Any objections to the proposed location must be received by the Bureau within 45 days of the date of this notice and must be based upon evidence of probable negative effects resulting from the gambling establishment's relocation or proof that the legitimate interests of residents in the neighboring jurisdiction are threatened.”

(C) This paragraph does not apply to a gambling establishment that is all of the following:

1. Already located 1,000 feet or less from any boundary line;

2. After the relocation, it will continue to be within 1,000 feet of same neighboring jurisdiction;

3. Any reduction in distance is less than half of the current distance from the same boundary line; and,

4. Any distance moved parallel to the boundary line is less than half of the current distance from the same boundary line.

(c)(1) If a cardroom business licensee does not provide documentation from a neighboring jurisdiction as provided in subparagraph (A) of paragraph (2) of subsection (b), and the Bureau receives objections to the relocation from a neighboring jurisdiction, the cardroom business licensee may not be relocated without Commission review. The Bureau must forward the relocation notice to the Commission within 10 days of receipt by the Bureau of objections from any neighboring jurisdiction for placement on a Commission agenda for consideration. The Commission will notify the objecting neighboring jurisdiction, the Bureau, and the licensee of the time and place of the Commission hearing at least 10 days prior to the hearing in order for all parties to have the opportunity to attend and be heard.

(2) If a cardroom business licensee obtains documentation from a neighboring jurisdiction as provided in paragraph (2) of subsection (b), or if the Bureau does not receive timely objections to the relocation from a neighboring jurisdiction, no Commission review will be required and the Bureau may proceed as if paragraph (2) of subsection (b) did not apply.

(d)(1) The Bureau must schedule and conduct a site visit prior to the intended commencement of gambling operations as indicated in subsection (b). A written report of the findings of the site visit must be provided to the Commission, as well as any follow-up reports. The Bureau’s site visit report must include determinations regarding compliance with, at a minimum, the following internal control requirements of Article 3 of Chapter 7:

(A) Drop and drop collection, pursuant to Section 12384;

(B) Count and count room functions, pursuant to Section 12385;

(C) Cage functions, pursuant to Section 12386;

(D) Security, pursuant to Section 12395; and,

(E) Surveillance, pursuant to Section 12396.

(2) If the Bureau notes any deficiency in compliance with laws or regulations, including, but not limited to, a deficiency in the internal controls listed in paragraph (1), it will issue a notice to the cardroom business licensee to correct the deficiency. The notice must describe each deficiency and specify a reasonable time in which the deficiency is to be corrected. The commencement of gambling operations will not be delayed unless the deficiency prevents substantial compliance
with laws or regulations and materially threatens public safety or the integrity of the gambling operation, and the deficiency cannot be corrected or mitigated within a reasonable time. Failure to correct or otherwise mitigate the deficiency may be considered during the license renewal process and may result in disciplinary action under Chapter 10 of this division.

(e) No gambling operations may be conducted at any new location until the provisions of subsections (b) and, if applicable, (c), have been complied with.

(f) If any gambling operations are conducted in violation of subsection (e), the cardroom business licensee and each cardroom endorsee licensee will be subject to disciplinary action under Chapter 10 of this division. For the purposes of this subsection, each day or portion thereof, whether consecutive or not, during which any gambling operations are conducted in violation of subsection (e) will constitute a separate violation.

(g) Failure to timely provide notice to the Bureau as required by subsection (b) will constitute a ground for disciplinary action under Chapter 10 of this division.

(1) The annual fee specified in subdivision (c) of section 19951 will be based on the number of permanent tables authorized by the cardroom business license at the close of the cardroom business licensee’s preceding fiscal year.

(2) The annual fee specified in subdivision (d) of section 19951 will be based on the cardroom business licensee’s gross revenues for the preceding fiscal year.

(2) The Bureau must approve or deny the request within 30 calendar days of receipt.

In order to promote the purposes of the Act to provide for effective regulation of gambling enterprises, owner licensees must notify the Commission and Bureau of, and may exclude from the gambling establishment, any person(s) that the cardroom business licensee reasonably believes is conducting prohibited player-dealer participation, pursuant to Section 12005, within the gambling establishment. A cardroom business licensee acting under this section must notify the Commission and Bureau in writing of any such person(s) and of any such exclusion, including the identity of the excluded individuals and entity if known, within ten business days following the exclusion. Upon receiving such notice, the Commission will notify the person(s) in writing of the license requirement of Chapter 2 and may notify some or all cardroom business licensees of the name of the unlicensed person(s), if known, and may condition any subsequent license of the person with a 60 to 90 day suspension of licensure or require the payment of a civil penalty under Business and Professions Code section 19930, subdivision (c), or both.

§ 12370. Emergency Planning and Preparedness.

(a) As required by California Code of Regulations Title 24, Part 9, Chapter 4 (commencing with Section 401), and Title 19, Section 3.09, a gambling establishment shall prepare and maintain a fire safety and evacuation plan, conduct emergency evacuation drills and conduct employee training on the content of their fire safety and evacuation plan. Fire safety and evacuation plans, emergency evacuation drills and employee training procedures adopted pursuant to this section must comply with, as applicable, California Code of Regulations Title 24, Part 9, Chapter 4 (commencing with Section 401) and Title 19, Section 3.09, or those standards adopted by local ordinance pursuant to Health and Safety Code section 13143.5.

(b) Each applicant for a cardroom business license under Chapter 2 of this Division must submit to the Bureau one copy of a current fire safety and evacuation plan, pursuant to this section, together with those application documents required by Section 12112.

(c) Each cardroom business licensee must submit one copy of its current fire safety and evacuation plan, pursuant to this section, with the first biennial license renewal application submitted after the effective date of this section, and with every second renewal application submitted thereafter.

(d) If a cardroom business licensee’s fire safety and evacuation plan is revised as a result of the addition of permanent tables, or as a result of any change to the physical premises which alters the locations of phones, fire extinguishers, manual fire alarm pull stations or exits, or which alters evacuation routes or procedures, the cardroom business licensee must submit one copy of its revised fire safety and evacuation plan with the first biennial license renewal application submitted immediately following any revision, and, subsection (c) notwithstanding, with every second renewal application submitted thereafter.
(e) Each fire safety and evacuation plan submitted to the Bureau pursuant to this Section must include the following documentation, as applicable:

(1) If the responsible local authority provides reviews, the cardroom business licensee must send to the Bureau documentation showing that the local authority approved the fire safety and evacuation plan, pursuant to Health and Safety Code section 13143.5 and California Code of Regulations Title 24, Part 9, Chapter 1, Section 111.2.1.1. Health and Safety Code section 13143.5, subdivision (f), paragraph (2), provides that any fee charged pursuant to the enforcement authority of subdivision (f) may not exceed the estimated reasonable cost of providing the service for which the fee is charged.

(2) If the responsible local authority does not provide reviews, the cardroom business licensee must send the fire safety and evacuation plan to the State Fire Marshal, and must send to the Bureau documentation showing that the State Fire Marshal has approved the fire safety and evacuation plan.

(f) Failure by a cardroom business licensee to develop and implement a fire safety and evacuation plan, conduct emergency evacuation drills or conduct employee training on the content of its fire safety and evacuation plan pursuant to this section, constitutes an unsuitable method of operation and also may result in denial of an application for license renewal, pursuant to Section 12144, or in the suspension or revocation of its existing license, pursuant to Chapter 10 of this division.

(g) In addition to any other remedy under the Act or this division, the Commission may assess a civil penalty of at least $500 but not more than $5000 for each violation of this section.

§ 12372. Security and Surveillance Plan.

(a) No later than December 1, 2011, each gambling establishment in Tier I and Tier II, as provided in subsection (b) of Section 12380, shall develop and implement a written security and surveillance plan for the gambling establishment that includes, but is not limited to, provisions for the following:

(1) Close monitoring and control of all controlled gambling and gaming activity;

(2) Close monitoring and control of access to restricted areas of the gambling establishment that include, but are not limited to, cages, count rooms, vaults, security offices and surveillance rooms;

(3) Surveillance procedures, including video recording requirements, as applicable;

(4) Lighting in and around the gambling establishment;

(5) Specific conditions, procedures and instructions for reporting suspected criminal incidents or activity to state and local law enforcement agencies;

(6) Procedures for securing or protecting persons, property, assets and records.

(b) No later than December 1, 2011, each gambling establishment in Tiers III through and including V, as provided in subsection (b) of Section 12380, shall develop and implement a security and surveillance plan for the gambling establishment that, in addition to the requirements of subsection (a), includes, but is not limited to, provisions for the following:

(1) A listing of the names and job titles of the employees who are responsible for making decisions that involve the security of patrons, patrons' property, employees, employees' property, and the gambling establishment's property, cash or equivalent assets and records;
(2) The presence and duties of uniformed security personnel;

(3) Surveillance procedures, including video recording and monitoring requirements, as applicable;

(4) Specific conditions, procedures and instructions for stopping controlled gambling and gaming activities; and

(5) Specific employee training schedules that relate to the gambling establishment’s security and surveillance plan.

(c)(1) Each security and surveillance plan must identify and comply with all state and local requirements and must implement all applicable provisions of Article 3 of this chapter. Each cardroom business licensee must submit, pursuant to paragraph (2), (3) or (4), as an attachment to its security and surveillance plan, copies of identified, applicable local ordinances and any locally-issued certificate of compliance with those ordinances.

(2) Each applicant for a cardroom business license under Chapter 2 of this Division must submit to the Bureau one copy of a current security and surveillance plan, pursuant to this section, together with those application documents required by Section 12112.

(3) Each cardroom business licensee must submit to the Bureau one copy of its current security and surveillance plan with the first biennial license renewal application that is submitted eighteen months after the effective date of this section, and with every second renewal application submitted thereafter.

(4) If a cardroom business licensee’s security and surveillance plan is revised as a result of the addition of permanent tables, or as a result of any change to the physical premises which alters the locations or configurations of any restricted areas of the gambling establishment, or which alters or affects any security or surveillance capabilities or procedures, the cardroom business licensee must submit one copy of its revised security and surveillance plan with the first biennial license renewal application submitted immediately following any revision to its security and surveillance plan, and, paragraph (3) notwithstanding, with every second renewal application submitted thereafter.

(5) If the responsible local authority provides reviews of security or surveillance plans, the cardroom business licensee must send documentation of the areas reviewed by the responsible local authority and whether or not the responsible local authority approved those areas of the security and surveillance plan under the responsible local authority’s jurisdiction.

(d) The Bureau will review the cardroom business licensee’s security and surveillance plan, including those provisions under the responsible local authority’s jurisdiction, whether reviewed by the local authority or not, and those provisions not under the responsible local authority’s jurisdiction. If the Bureau determines that the cardroom business licensee’s security and surveillance plan does not address the elements set forth in this section, then the Bureau may issue a determination identifying the deficiencies and specifying a time certain within which those deficiencies must be cured.

(e)(1) Each cardroom business licensee must, at least annually, provide for a review of the requirements of the security and surveillance plan with those employees that have been assigned duties under the plan, ensuring that each employee has a general understanding of the provisions of the plan applicable to his or her position and understands his or her specific duties under the plan. This annual review must be documented, including a signature from each employee indicating that they have participated in the review and a signature from the person who provided the review.

(2) When a new employee begins work, the cardroom business licensee, or the cardroom business licensee’s designate, must review the requirements of the security and surveillance
plan with the new employee, ensuring that each new employee has a general understanding of the provisions of the plan applicable to his or her position and understands his or her specific duties under the plan. This initial review must be documented as provided in paragraph (1).

(f) Failure by a cardroom business licensee to develop and implement a security and surveillance plan, or to cure a deficiency identified pursuant to subsection (d), constitutes an unsuitable method of operation and also may result in denial of an application for license renewal pursuant to Section 12144, or in the suspension or revocation of its existing license pursuant to Chapter 10 of this division.

(g) In addition to any other remedy under the Act or this division, the Commission may assess a civil penalty of at least $500 but no more than $5000 for each violation of this section.

Article 3. Minimum Internal Control Standards (MICS) for Cardroom Business Licensees.

§ 12380. Minimum Internal Control Standards; General Terms, Conditions, Definitions.

(a) “Minimum Internal Control Standards,” or “MICS,” are the minimum requirements to operate a gambling establishment as set forth in this chapter, and include, but are not limited to, administration controls, and controls requiring segregation of duties. A cardroom business licensee must meet or exceed these requirements in controlling their gambling operation.

(b) The purposes of the MICS are to better ensure the maintenance of accurate records, the recording of all income, the safeguarding of assets and records of the gambling establishment, operational efficiency and integrity, and adherence to prescribed policies and procedures.

(c) Failure by a cardroom business licensee to comply with the requirements of this article constitutes an unsuitable method of operation and is a ground for disciplinary action.

(d) For purposes of this article:

(1) “Tier I licensee,” means a cardroom business licensee authorized to operate one to five tables.

(2) “Tier II licensee,” means a cardroom business licensee authorized to operate six to ten tables.

(3) “Tier III licensee,” means a cardroom business licensee authorized to operate eleven to thirty tables.

(4) “Tier IV licensee,” means a cardroom business licensee authorized to operate thirty-one to sixty tables.

(5) “Tier V licensee,” means a cardroom business licensee authorized to operate sixty-one or more tables.

(6) Absent specific reference to a particular tier, any requirement of any regulation in this article will be deemed to be applicable to all cardroom business licensees.

Note: Authority cited: Sections 19840, 19841 and 19924, Business and Professions Code. Reference: Sections 19840, 19841, 19922 and 19924, Business and Professions Code.

(a) All cardroom business licensees must have written policies and procedures that meet or exceed the MICS contained in this article.

(b) A cardroom business licensee’s policies and procedures must be communicated to employees through new employee orientations and periodic training sessions.

(c) Adherence to the policies and procedures established to comply with this article will be required.

(d) On request, copies of a cardroom business licensee’s policies and procedures must be provided, within a reasonable time specified, for the Commission and/or Bureau to review.

(e) Unless otherwise specified in this chapter, all forms, books, records, logs, lists and any and all other original source or duplicate documentation required to be maintained by a cardroom business licensee pursuant to this chapter must be:

   (1) Recorded in English;
   (2) Recorded in a permanent form or media; and
   (3) Maintained for a minimum of three years, unless otherwise specified, in a secured area on site at the gambling establishment or at a California facility approved in advance by the Bureau.

   (f) In addition to the requirements of subsection (a) through and including (e), cardroom business licensees in Tiers II through and including V must assign the overall responsibility for establishing, periodically reviewing, monitoring, and testing for compliance with their MICS policies and procedures to a specific cardroom endorsee licensee or key employee licensee and must document the assignment in the cardroom business licensee’s policies and procedures. Tests for compliance with MICS policies and procedures must be performed at least annually, and may be performed by a cardroom business licensee’s staff, other than the person or persons who normally perform the duties being tested, or by agents or outside consultants (e.g., a certified public accountant) for the cardroom business licensee. The results of the tests, and a detailed record of the efforts to correct any noncompliance found as a result of the tests, must be documented and the documentation retained by the cardroom business licensee.

§ 12384. Drop and Drop Collection.

(a) The policies and procedures for all Tiers must meet or exceed the following standards for the drop and collection of the drop for non-electronic gambling tables:

   (1) Drop collection fees must be deposited into a secure container, known as a “drop box,” that must be securely attached to the gambling table. A drop box must be constructed and controlled in a manner to provide for the security of its contents.

   (2) If a jackpot or any other player-funded gaming activity is offered, jackpot collections must be deposited into a separate drop box, or otherwise segregated, and accounted for separately.

   (3) Drop boxes must have all of the following:

      (A) A lock securing the contents.
      (B) A separate lock securing the drop box to the gambling table. This lock must be keyed differently from the lock securing the contents of the drop box.
(C) An individual identifier that corresponds to the gambling table to which the drop box is
attached and the shift, if applicable, for which it is used, and that can be documented when
the box is removed from the table. Visible drop box identifiers must be imprinted or
impressed on the box and capable of being seen and read in video surveillance recordings,
either while attached to the table or when removed from the table and immediately displayed
to a surveillance camera. If a bar code or an equivalent system is used, in addition to the
imprinted or impressed identifiers, it must have the capability to identify each drop box by
shift and table, the person or persons performing the collection, and the date and time of the
collection.

(D) An opening through which chips collected for fees must be inserted.

(4) An emergency, interim, or temporary drop box may be maintained without a number or
marking, if the applicable designation is permanently imprinted or impressed thereon and, when
put into use, it is temporarily marked as provided in subparagraph (C) of paragraph (3) above.

(5) A drop box, when removed from a gambling table, whether in use or not, must be afforded
security sufficient to protect the drop box and its contents and must be stored in a secure area
while awaiting the count.

(6) A drop box, when not in use during a shift, may be stored on a gambling table.

(7) The cardroom business licensee must establish and schedule the time(s) for the collection
of drop boxes and must ensure that the entire drop collection process is recorded by video
surveillance. Except as otherwise provided in subsection (c), the drop box collection may be
performed more frequently or less frequently than the time(s) scheduled by the cardroom
business licensee when circumstances warrant a reasonable deviation from the established
schedule.

(8) The drop collection must be performed by at least one licensed or permitted individual.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III
through and including V must include the following standards for drop collection:

(1) All drop boxes, whether in use or not, must be removed from the gambling table as provided
in subsection (a) by at least one employee of the gambling establishment who holds a valid
cardroom category license, accompanied by at least one member of the security department or
its equivalent. The employee of the gambling establishment may not be a member of the
security department or its equivalent.

(2) Notwithstanding the provisions of paragraph (1) of this subsection, or any other provision of
this article related to the designation of employees to perform the drop collection, a Tier III
licensee that does not directly employ security personnel may have the drop collection
performed by at least two employees of the gambling establishment who hold a valid cardroom
category license and who are each assigned to a different department.

(3) The names of the individuals performing the drop collection must be documented either by
software or in writing and, when documented in writing, those individuals who performed the
collection must legibly print their names and sign the documentation.

(4) A drop box, when not in use during a shift, may be stored on a gambling table if the entire
area is covered by recorded video surveillance during that period of time.

(c) In addition to the requirements of subsections (a) and (b), the policies and procedures for Tiers
IV and V must include standards for drop collection that provide for the designation of at least one
employee of the gambling establishment who holds a valid cardroom category license to video monitor
the drop box collection process and that the entire drop collection process be continuously recorded by video surveillance.

§ 12385. Count; Count Room Functions.

(a) The policies and procedures for all Tiers must meet or exceed the following standards for count room functions:

(1) The cardroom business licensee must ensure that the contents of drop boxes are counted and recorded in a manner and in a location within the licensed gambling establishment that ensures the appropriate security and proper accounting of all gambling chips.

(2) The cardroom business licensee must designate an individual or individuals, each holding a valid cardroom category license, who must be responsible for performing the drop count. The opening, counting and recording of the contents of a drop box must be performed in the presence of and by the designated individual(s).

(3)(A) Drop box counts must be permanently recorded, in ink or another form approved by the cardroom business licensee, on a daily count sheet or the equivalent, which documents all of the following information, as applicable:

1. The name of the gambling establishment;
2. The date and time of the count;
3. The shift, individual box number and table number of each box counted;
4. The amount in each individual box;
5. The total number of boxes counted; and
6. The printed or recorded name(s) of the individual(s) conducting the count and, if a hard copy record, the signature(s) of the individual(s).

(B) Corrections to the information initially recorded for the drop count prior to the completion and signing of a hard copy daily count sheet are permitted. Corrections must be made by drawing a single line through the error and writing the correct figures above the original figures or by another method approved by the Bureau. The designated individual making the correction must write his or her initials and the date, in ink, immediately next to the correct figures. The correction, in a hard copy of a daily count sheet, of errors discovered subsequent to the completion and signing by the designated individual(s) will require the completion of a revised or amended count sheet, which must be maintained with the original count sheet.

(4) The entire count process, beginning with the opening of the first drop box and continuing through completion of the count sheet, must be continuously recorded by video surveillance.

(5) The contents of a drop box may not be mixed or commingled with the contents of any other drop box prior to the counting and recording of its contents.

(6) A drop box must be emptied in a manner that will identify and record the box identification, as specified in Section 12384, subsection (a), paragraph (3), subparagraph (C), and paragraph (4), and so that video surveillance recording will document that all contents are removed from the drop box for the count.
(b)(1) In addition to the requirements of subsection (a), the policies and procedures for Tiers II through and including V must include standards for count room functions that require the use and maintenance of a secured area known as the count room for the counting of gambling chips, which must:

(A) Be designed and constructed to provide appropriate security for the materials housed therein and for the activities conducted therein;

(B) Not be used as a storage facility for items or materials not directly associated with the count process or cage functions, nor have any removable containers other than drop boxes that could be used to conceal chips or cash.

(2) If the count room is used to store chips, cash, drop boxes or any other items or materials that are directly associated with the count, the interior of the room and all of its contents must be under constant recorded video surveillance.

(c) In addition to the requirements of subsection (a) and (b), the policies and procedures for Tiers III through and including V must include the following standards for count room functions:

(1) The number of individuals designated by the cardroom business licensee, pursuant to paragraph (2) of subsection (a), to perform the drop count cannot be less than two individuals, or one individual using an automated chip counting machine that counts, sorts and racks the chips, and records the count electronically on the cardroom business licensee's computer system.

(2) The designated individuals performing the count must be attired so as to reduce their ability to conceal chips on their person; for example, by wearing, over their regular clothing, smocks or other clothing with no pockets.

(3) At the conclusion of the count, a cage or vault cashier or at least the equivalent must count the chips received and verify the accuracy of the count and count sheets.

(4) Count sheets verified pursuant to paragraph (3) above must, immediately following verification, be remitted to the accounting department or its equivalent, or deposited in a locked box, located in a secure area of the gambling establishment, the contents of which are accessible only by the accounting department or its equivalent. Count sheets must be maintained and controlled by the accounting department or its equivalent.

(d) In addition to the requirements of subsections (a) through and including (c), the policies and procedures for Tiers IV and V must include the following standards for count room functions:

(1) The count room must be a fully enclosed room that is separate and apart from all other rooms in the gambling establishment and is equipped with an alarm system or device connected to all entrances to the count room which causes a signaling to the surveillance unit or its equivalent, whenever any door to the count room is opened.

(2) Immediately prior to the commencement of the count, one of the designated individuals must notify the surveillance unit, or its equivalent, that the count is about to begin. At least one employee of the gambling establishment who holds a valid cardroom category license must be designated to video monitor the count process and the entire count process must be continuously recorded by video surveillance.

(3) Immediately prior to the opening of a drop box, the door to the count room must be secured. Except as otherwise authorized by the cardroom business licensee's policies and procedures, no person may be permitted to enter or leave the count room, except during a
normal work break or in an emergency, until the entire counting, recording, and verification process is completed.

(e) In addition to the requirements of subsections (a) through and including (d), the policies and procedures for Tier V must include standards for count room functions that require the drop count to be performed by not less than three individuals designated by the cardroom business licensee pursuant to paragraph (2) of subsection (a), or two individuals using an automated chip counting machine that counts, sorts and racks the chips, and records the count electronically on the licensee's computer system.

Note: Authority cited: Sections 19840, 19841 and 19924, Business and Professions Code. Reference: Sections 19841, 19922 and 19924, Business and Professions Code.

§ 12386. Cage Operation and Functions.

(a) The policies and procedures for all tiers must meet or exceed the following standards for cages:

(1) The cardroom business licensee must maintain within the gambling establishment at least one separate and secure area at a fixed location that is designated as a cage. A cage must be located, designed, constructed and operated to provide convenience for patron transactions while maintaining appropriate security and accountability for all monetary transactions occurring at the cage and all cage contents.

(2) The cardroom business licensee must assign at least one gambling enterprise employee to process monetary transactions at a cage. The titles, classifications, or positions of all employees assigned to process monetary transactions at a cage must be listed on the gambling enterprise’s organizational chart. The assigned employees’ duties may include any or all of the following:

(A) Custody of the cage inventory or individual cashier’s banks, which is comprised of currency, coin, patron checks, gambling chips, forms, documents and records consistent with the operation of a cage or an individual cashier’s bank.

(B) Receipt and distribution of gambling chips through internal operations.

(C) Sale and redemption of chips through patron transactions.

(D) Deposits to and withdrawals from players’ banks and dealers’ banks, if applicable.

(E) Check cashing and extensions of credit for patrons, as permitted by the cardroom business licensee’s policies and procedures.

(F) Preparation of cage accountability reconciliations and records necessary to document compliance with the requirements of this chapter.

(G) Recording patron information that is necessary for compliance with the requirements of sections 5313 and 5314 of Title 31 of the United States Code, applicable regulations in Chapter X (effective as of July 1, 2011) of Title 31 of the Code of Federal Regulations and any successor provisions, and subsection (a) of Section 12315.

(H) The proper accounting and safeguarding of any cage bank or cashier’s bank, and gambling equipment or confidential documents when kept in a cage.

(3) Routine access and entry into a cage, or an area designated as a cage pursuant to paragraph (1) of this subsection, must be limited to on-duty cage personnel assigned pursuant to paragraph (2) of this subsection. Other employees of the gambling enterprise who hold a
valid cardroom category license may be granted access to a cage or cage area for the purpose of performing their duties.

(4) A log must be maintained, either in writing or electronically, to document entry into a cage by any person not authorized access pursuant to paragraphs (2) and (3) of this subsection. The log must contain the person's name, title, date of entry, and time entering and exiting; or provide substantially equivalent information through an automated access control system. Any automated access control system must provide a secure, tamperproof means of recording and maintaining entry and exit information.

(5)(A) Cage and cashiers' banks must be reconciled after each shift by the incoming and outgoing assigned cage employees. If an imprest is used, each outgoing cage employee responsible for an imprest must balance his or her imprest to the imprest amount. The recordable cage transactions and reconciliations must be posted and reconciled to the general ledger at least monthly.

(B) The reconciliation of each cage and cashiers' bank must be documented on a cage accountability form that must include, at a minimum, all of the following, as applicable:

1. The date of the reconciliation;

2. The designation of the shift being reconciled;

3. An accounting of the contents of the cage bank, cashiers' banks, and, if applicable, players' banks in use during the subject shift, including:
   i. The beginning shift balances, unless an imprest is used;
   ii. All transactions recordable to the general ledger;
   iii. The ending balances of cash and chips;
   iv. An identification of any overage or shortage with an explanation, if known.

4. The amount assigned or issued from the cage to dealers' banks and floor banks in use during the subject shift.

5. The printed name and signature of each assigned cage employee performing the reconciliation, as applicable.

(6) The purchase or redemption of gambling chips by a patron may only occur at a cage or from an authorized cardroom category licensee on the gambling floor. Cardroom category licensees may not permit TPPPS category licensees to purchase or redeem gambling chips for cash or cash equivalents from a patron or to sell gambling chips to a patron. For the purposes of this article, the sale, purchase or redemption of gambling chips may not include the exchange of a chip or chips of one total value for a chip or chips of an equal total value.

(7) If a cardroom business licensee operates more than one cage at any time during any shift, all cages, irrespective of their designations (e.g., main cage, satellite cage, auxiliary cage, supplementary cage, secondary cage, back up cage, support cage, etc.), will be subject to and comply with all provisions of this article applicable to the operation and functions of cages for the cardroom business licensee's tier.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III through and including V must require that the cage and cashiers' banks reconciliations specified in paragraph (5) of subsection (a) be posted and reconciled to the general ledger by someone other than an assigned cage employee or cage supervisor.
(c) In addition to the requirements of subsections (a) and (b), the policies and procedures for Tiers IV and V must include the following standards for a cage:

(1) A cage must be a secure enclosed structure with at least one cashier window through which items such as gambling chips, cash, checks, and documents may be passed to serve patrons and cardroom category licensees. The design and construction of a cage must include:

(A) Secure cashier windows designed to prevent entry by a patron or another individual, and to prevent theft from the cage;

(B) A manually triggered silent alarm system connected directly to the surveillance unit, or its equivalent, or an alarm monitoring agency; and

(C) Access through a secured door or doors, which must be under constant recorded video surveillance in accordance with the applicable provisions of Section 12396.

(2) In addition to the information specified in paragraph (5) of subsection (a), the cage accountability form referenced therein must include an itemization of the following:

(A) Cash and coin by denomination;

(B) Gambling chips by denomination;

(C) All other items of monetary value (e.g., markers, patron checks, players' banks, etc.), specifying the amount of each;

(D) The amount assigned to each dealer's bank and floor bank.

(3) The cardroom business licensee must maintain a record, either in writing or electronically, of the names or classifications of all persons assigned pursuant to paragraph (2) of subsection (a) as being authorized to access or enter a cage, which record must specify those persons who possess the combination or the keys or who control the mechanism to open the devices securing the entrance to a cage, and those who possess the ability to operate the alarm system. The record must be updated each time an assignment is added or deleted.

(d) In addition to the requirements of subsections (a), (b) and (c), the policies and procedures for Tier V must include standards for a cage that require monitored and recorded video surveillance of the interior of the cage and all of its contents, and the exterior of all access doors in accordance with the applicable provisions of Section 12396.

Note: Authority cited: Sections 19840, 19841 and 19924, Business and Professions Code. Reference: Sections 19841, 19922 and 19924, Business and Professions Code.

§ 12387. Security and use of Floor Banks; Security of Gambling Equipment and Confidential Documents.

(a) The policies and procedures for all tiers must meet or exceed the following standards for the security of floor banks:

(1) When kept, held, or stored in any public area of the gambling establishment, a floor bank must be secured in a receptacle, drawer, or compartment with a locking mechanism securing the contents. The receptacle, drawer, or compartment must remain locked at all times, except when being accessed by assigned cardroom category licensees in the performance of their duties. If a keyed lock or locking mechanism is used, the key must not be left in the lock when the drawer or compartment is not being accessed. All keys, combinations, and access codes are subject to the applicable key security and control provisions of Section 12395.
(2) The lock or locking mechanism of each receptacle containing a floor bank, must be keyed differently from the lock or locking mechanism of any other receptacle, drawer, or compartment of any furnishing, fixture, cabinet, appurtenance, or device (hereafter cabinet) in the gambling establishment, except in the following circumstances:

(A) When a single assigned cardroom employee type licensee requires access to multiple receptacles in the performance of his or her duties; that access is limited solely to that employee during his or her assigned shift; and each of the receptacles contains a floor bank, those receptacles may have a key, combination, or access code in common with each other.

(B) Cardroom owner type licensees and key employee supervisor licensees whose duties include the supervision or oversight of cardroom employee type licensees who utilize and have access to floor banks in the performance of their assigned duties, may have a master or duplicate key that will open some or all of the locking mechanisms for the receptacles containing a floor bank to which any of their subordinate employees have access.

(3) Any cabinet having a drawer, compartment, or receptacle containing or intended to contain a floor bank must be located so that it is clearly visible for security and surveillance purposes. The cabinet must be kept under continuous recorded video surveillance, in accordance with the applicable provisions of Section 12396. The camera coverage must be adequate to enable monitoring and recording of the contents of any drawer when open, to the extent reasonably possible, and of all activities involving the floor bank. If a mobile cabinet is used, it must be kept at a fixed secure location under continuous recorded video surveillance when not being actively used on the gambling floor.

(4) No gambling equipment, documents, supplies, or other materials that are not directly related to a floor bank may be commingled with or kept in the same receptacle with a floor bank. Neither the cabinet nor any other drawer, compartment, or receptacle therein, may be used to hold, store, keep, or safeguard any personal property or possession of any cardroom employee type licensee, patron, or any other person, nor any equipment, documents, supplies, or other materials that are not directly related to the conduct of gambling operations.

(5) Each floor bank must be individually balanced not less than daily and the imprest amount verified. Any shortages or overages must be documented in an exception report and included in the appropriate cage bank reconciliation.

(6) The cardroom business licensee must establish a maximum imprest amount that may be assigned to each floor bank based on a reasonable estimate of the amount necessary for the activities associated with the bank during any shift. The maximum imprest amount that may be assigned to a floor bank in a mobile cabinet may not exceed $30,000 at any time.

(7) The cardroom business licensee’s policies and procedures must include specific provisions governing the sale or distribution of gambling chips and the disbursement of cash to patrons from a floor bank by the assigned cardroom employee type licensee. The redemption of chips by a patron from a floor bank may not exceed a total of $500, except when that floor bank is being temporarily operated as a cage and all applicable provisions of Section 12386 are complied with. No chip redemptions may be transacted at any time from a floor bank in a mobile cabinet.

(b) The policies and procedures for all tiers must meet or exceed the following standards for the security of gambling equipment and confidential documents:

1) (A) When kept, held, or stored in any public area of the gambling establishment, gambling equipment not actively being used must be secured in a receptacle, drawer, or compartment, with a locking mechanism securing the contents. The locking mechanism must remain locked
at all times, except when being accessed by an authorized cardroom employee type licensee in the performance of his or her duties. If a keyed lock or locking mechanism is used, the key may not be left in the lock when the receptacle is not being accessed. All keys, combinations, and access codes must be subject to the applicable key security and control provisions of Section 12395. This subparagraph may not apply to any gambling equipment that cannot be secured in a receptacle, drawer, or compartment when not in use due to its size.

(B) When kept, held, or stored in any public area of the gambling establishment, confidential documents must be secured in a receptacle, drawer, or compartment, as specified in subparagraph (A), except when in use or when maintained electronically. Confidential documents, when in use or maintained electronically, must be kept out of public view, to the extent reasonably possible.

(2) The lock or locking mechanism of each receptacle containing any gambling equipment or confidential documents, must be keyed differently from the lock or locking mechanism of any other receptacle, drawer, or compartment of any cabinet in the gambling establishment, except in the following circumstances:

(A) When a single assigned cardroom employee type licensee requires access to multiple receptacles in the performance of his or her duties; that access is limited solely to that employee during his or her assigned shift; and each of the receptacles contains either gambling equipment or confidential documents, those receptacles may have a key, combination, or access code in common with each other.

(B) Cardroom owner type licensees and key employee supervisors licensees whose duties include the supervision or oversight of cardroom employee type licensees who utilize and have access to gambling equipment or confidential documents in the performance of their assigned duties, may have a master or duplicate key that will open some or all of the locking mechanisms for the receptacles to which any of their subordinate employees have access.

(3) Any cabinet having a drawer, compartment, or receptacle containing gambling equipment or confidential documents must be located so that it is clearly visible for security and surveillance purposes. The cabinet must be kept under continuous recorded video surveillance, in accordance with the applicable provisions of Section 12396.

(4) No gambling equipment or confidential documents will be commingled with or kept in the same drawer or compartment with a floor bank, or commingled with or kept in the same drawer or compartment with any personal property or possession of any cardroom employee type licensee, patron, or any other person.

(5) The cardroom business licensee’s policies and procedures must include specific provisions governing the storage, distribution, and tracking of gambling equipment kept, held, or stored on or near the gaming floor or in any other public area of the gambling establishment.

(c) If a cardroom business licensee provides to any TPPPS business licensee or its employees access to or the use of any cabinet, or any receptacle, drawer, or compartment in any cabinet described in subsection (a) or (b), that access or use must be exclusive to that TPPPS business licensee and its employees, and that cabinet may not be used by the cardroom business licensee for any purpose.

§ 12388. Extension of Credit, Check Cashing, and Automatic Teller Machines (ATMS).

(a) A cardroom business licensee may extend credit to a patron if, prior to extending credit to the patron, the cardroom business licensee determines that an extension of credit is not prohibited by any statute, law, regulation, or local ordinance. A cardroom business licensee may not extend credit to a TPPPS category licensee that is a party to a contract with the TPPPS owner type licensee to provide third-party proposition player services. A cardroom business licensee may not extend credit to an employee of the licensee to act as a “house prop player” or “public relations player” in any controlled game. In addition to complying with all laws regarding the issuance of credit, a cardroom business licensee that extends credit to a patron must address, in written policies and procedures and credit application form(s), the following requirements for the extension and collection of credit:

(1) Establish a method for determining the maximum amount which will be advanced to a patron, changes in the credit amount, the maximum time an extension of credit will be outstanding, and repayment terms.

(2) Prior to extending credit to a patron for the first time, ensure that the person requesting the credit is identified by examining the patron's unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver's license or passport.

(3) Ensure that the patron is credit worthy through an assessment of one of the following:

(A) Receipt of patron information on a credit application form which includes the patron's name and signature, current address, telephone number, social security number, bank and/or trade references, employment information and income information, which must be verified and used to form an assessment of the patron's financial situation, collateral circumstances and credit worthiness.

(B) Receipt of a signed and dated authorization from the patron to access their consumer credit report from a bona fide credit-reporting agency to show the patron has an established credit history consistent with approved credit policies and receipt of information from a bona fide credit-reporting agency that the patron has an established credit history consistent with approved credit policies.

(C) If any previous credit transactions exist between the patron and the gambling establishment, an examination of those records showing that the patron has paid in a timely manner all credit instruments and/or otherwise documenting that there is a reasonable basis for extending the credit amount to the patron.

(4) A cardroom owner type licensee or designated key employee licensee other than a dealer must approve any credit application.

(5) No credit may be extended to any patron who has signed a self-exclusion form (Title 4 CCR Section 12464) or has self-restricted access to credit (Title 4 CCR Section 12463) for the time period of the exclusion or restriction.

(6) Notify the patron of the issuance or denial of credit. The notification for issuing credit must include the date of issuance, terms of repayment, and interest charges, if applicable. If a patron is denied credit, and the denial is based, in whole or part, on any information contained in a consumer credit report, the cardroom business licensee must comply with Civil Code section 1785.20.

(7) If a patron is approved for credit pursuant to subparagraph (B) of paragraph (3), a copy of the patron's consumer credit report obtained by the cardroom business licensee must be kept on file with the cardroom for as long as that patron's credit account is open.
(8) Written or electronic records must be maintained on each attempt to collect on delinquent credit accounts.

(9) For each patron issued credit, the cardroom business licensee must maintain a record of the patron’s credit limit, payment schedule, outstanding credit balance, and the patron’s signature on a credit agreement.

(b) For each patron that is issued credit for the first time, the following information must be collected and maintained:

(1) Patron’s name, current address and telephone number;

(2) A photocopy of the patron’s unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver’s license or passport;

(3) Basis upon which credit verified, as listed in subsection (a)(3);

(4) Documentation of authorization by a person designated by management to approve credit.

(c) If payment upon an extension of credit is delinquent for more than 90 days, as determined by the original credit agreement, the person to whom credit was extended must be prohibited from obtaining additional credit until the amount owed is paid in full.

(d) No cardroom business licensee may cash any check if cashing such a check is prohibited by any statute, regulation, or ordinance. No cardroom employee type licensee will be permitted to cash any check drawn against any federal, state, county, or other government fund, including, but not limited to, social security, unemployment insurance, disability payments, or public assistance payments, as outlined in Business and Professions Code section 19841, subdivision (q), unless the check is for wages or payment for goods or services.

(e) A cardroom business licensee who does not deposit a patron’s check within three banking days after receipt will be considered to have extended credit to that patron.

(f) A cardroom business licensee will not allow a patron to replace, redeem, reclaim or repurchase a personal check with a subsequent personal check, unless that patron has been approved for an extension of credit as provided in this Article and the amount of the check or checks to be replaced is within the patron’s approved credit limit.

(2) A subsequent personal check used by a patron to replace a previous personal check may not be replaced with another personal check at any time after receipt by the cardroom business licensee.

(3) Paragraph (1) of this subsection does not apply to a personal check that has not been deposited by a cardroom business licensee within three banking days after a receipt, or to a dishonored check.

(g) A cardroom business licensee that cashes checks for a patron must address, in written policies and procedures, the following requirements for the cashing of checks:

(1) Prior to cashing a check for a patron, the designated employee must determine that:

(A) The cardroom business licensee’s records do not contain information reflecting that the patron presenting the check has signed a self-exclusion form or self-restricted access to check cashing for the time period of the exclusion or restriction,

(B) Cashing such check is not prohibited,
(C) Cashing such check conforms to the cardroom business licensee's approval process,

(D) The check is for a specific amount and within the patron's established check cashing amount limit, and, in the case of a personal check, includes the current date, and,

(E) In the case of a third party check, the check is endorsed over to the gambling establishment.

(2) If personal checks, cashier's checks, or payroll checks are cashed, the cardroom business licensee or designated employee must examine and, if the patron is not approved for credit or check cashing, record an unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver's license or passport. If the patron's identification information is already on file with the cardroom business licensee, then retrieval and examination of this identification file by the cardroom business licensee or designated employee will satisfy the provisions of this paragraph.

(3) Records of all returned checks must be maintained by the gambling establishment and must include, at a minimum, the following:

   (A) Date on the check.
   
   (B) Name of the customer presenting the check.
   
   (C) Amount of the check.
   
   (D) Date(s) the check was dishonored.
   
   (E) Date(s) and amount(s) of any collection received on the check after being returned by a bank.

(4) If a check is dishonored, the person who proffered the check must be prohibited from cashing additional checks until the amount owed is paid in full, but may replace a dishonored check in accordance with the policies of the licensed gambling establishment.

(5) The cardroom business licensee must include written procedures for the collection of checks dishonored for non-sufficient funds (NSF), including a point in time that the NSF check will be written off as a bad debt.

(h) If a cardroom business licensee that cashes checks for a patron charges a check-cashing fee, the cardroom business licensee must obtain and maintain an unexpired California Department of Justice Check Cashing Permit pursuant to Civil Code section 1789.37.

(i) Checks accepted or credit instruments completed in accordance with this Article are valid and enforceable instruments.

(j) A licensed gambling establishment may not have an ATM (automatic teller machine or cash- or voucher-dispensing machine) accessible by an individual while physically seated at a gaming table, unless otherwise required under the Americans with Disabilities Act.

(k) ATMs must be configured to reject Electronic Benefit Transfer cards (EBTs) issued by the State of California or by any city, county, or city and county, therein.

A cardroom business licensee must have policies and procedures in place to ensure compliance with Section 12315.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III through and including V must include standards for gambling floor operations that provide for, Title 11, CCR, Section 2050 notwithstanding, at least one cardroom owner type licensee or key employee license to be on the premises at all times that the gambling establishment is open to the public to supervise the gambling operation and ensure immediate compliance with the Act and these regulations.

§ 12396. Surveillance.

(a) The policies and procedures for all Tiers must meet or exceed the following standards for surveillance:

(1) Cardroom business licensees must install and maintain, on site in their gambling establishment, a surveillance system, with video recording and closed circuit television (CCTV) monitoring capabilities, to record critical activities related to the cardroom business licensees’ gambling operations. The surveillance system must record with reasonable coverage and clarity, at a minimum, the gambling operation, the payment of player drop fees, the collection of drop boxes, the drop count processes, cage and cashier activities, gambling equipment storage areas, except for furniture storage areas, and the interior of gambling establishment entrances and exits. The video recording equipment must include date and time generators which must display the current date and time of recorded events on videotape or digital recordings. The displayed date and time must not significantly obstruct the view of recorded images. The surveillance system may have remote, off-site access capabilities, but only ancillary to any on-site systems required by this section.

(2) All surveillance recordings must be made in real time mode, or at a speed sufficient to capture and record with reasonable completeness the actions of all individuals being observed, except that any recordings of the gambling establishment parking areas, and the gambling establishment entrances and exits may be recorded in time-lapse mode, at a minimum speed of 15 frames per second.

(3) All video surveillance cameras must be installed in a manner that prevents them from being intentionally obstructed, tampered with or disabled by patrons or employees, to the extent reasonably possible. All recording and monitoring equipment must be located in secure rooms or areas of the gambling establishment so that access is controlled.

(C) The DVR system must have the capability to reproduce or copy all or any portion of the stored data from the media storage system to a digital video disk (DVD).

(D) A single DVR system may not have more than 8 cameras required by the standards of this section, unless the DVR system has an appropriate backup system to ensure that there is no loss of data in the event of a failure of the primary DVR system or any single component of that system.

(6) Videotapes or other recording media must be marked or coded to denote the activity recorded.

(7)(A) Unless otherwise requested by the Bureau, all recordings must be retained for a minimum of seven complete days of operation, except that recordings that are determined by the Bureau or a law enforcement agency to be of evidentiary value must be retained for a period specified in writing by the determining agency. Recordings of any criminal offense subject to reporting pursuant to paragraph (3) of subsection (a) of Section 12395 must be retained indefinitely, or until the Bureau authorizes their disposal.

(B) Subsection (f) notwithstanding, the seven day retention period specified in subparagraph (A) must be increased to 14 days no later than June 1, 2013.

(8) For the purpose of enforcing the provisions of the Act, this division, or Division 3 of Title 11 of the California Code of Regulations, Bureau staff, with the approval of the chief, may, at any time during the gambling establishment's actual hours of operation, demand immediate access to the surveillance room and any area of the gambling establishment where surveillance equipment is installed or maintained or where surveillance video recordings are stored, and such access must be provided by the cardroom business licensee or the cardroom business licensee's authorized representative. The Bureau may, pursuant to subparagraph (D) of paragraph (1) of subdivision (a) of section 19827 of the Business and Professions Code, take custody of and remove from the gambling establishment the original of any video recording, or a copy of any digital recording, required to be made and maintained pursuant to the Act or this division. Any surveillance video recording that is in the custody of the Bureau pursuant to this paragraph may be disclosed by the Bureau only when necessary to administer or enforce the provisions of the Act, this division, or Division 3 of Title 11 of the California Code of Regulations, or when necessary to comply with a court order. Upon reasonable request of the cardroom business licensee or the cardroom business licensee's authorized representative, a copy of the recordings must be made and left on the premises if copying equipment is available to enable Bureau staff to make copies. If copying equipment is not available to Bureau staff, upon reasonable request of the cardroom business licensee or the cardroom business licensee's authorized representative, a copy of the recordings will be provided to the cardroom business licensee at the cardroom business licensee's expense, unless the Bureau expressly waives its costs of providing the copies.

(9) Cardroom business licensees must prominently display in a place and manner conspicuous to all patrons entering and exiting the gambling establishment, a sign containing the following statement printed in bold lettering of sufficient size to be visible and readable: “All Public Areas, Entrances and Exits of This Establishment are Subject to Surveillance and Video Recording.” The lettering and background must be of contrasting colors, and the sign must comply in all respects with applicable signage requirements, if any, of the local jurisdiction.

(b) The disciplinary guidelines in this chapter are designed to promote fairness and flexibility in dealing with a wide range of disciplinary scenarios. Variation in penalties based on circumstances and factors in aggravation or mitigation are part of this disciplinary scheme to promote compliance with applicable laws and regulations.

(c) Nothing in this chapter is intended to limit the authority of the Commission to issue orders of summary suspension pursuant to Business and Professions Code section 19913, or to limit the authority of the Bureau to issue emergency orders pursuant to Business and Professions Code section 19931.

(d) Nothing in this chapter will be construed to prevent the Commission from:

(1) Ordering an investigation by Commission staff on a matter brought before the Commission;

(2) Instituting a civil action in any superior court to restrain a violation of the Act, pursuant to Business and Professions Code section 19824, subdivision (g);

(c) Any settlement of an accusation shall be submitted by the Bureau for approval by the Commission at a noticed Commission meeting. The Commission shall have final approval authority concerning any such settlement. (c) The Administrative Law Judge and Commission will base their decisions on written findings of fact, including findings concerning any relevant aggravating or mitigating factors. Findings of fact will be based upon a preponderance of the evidence standard. The “preponderance of the evidence standard” is such evidence as when considered and compared with that opposed to it, has more convincing force, and produces a belief in the mind of the fact-finder that what is sought to be proved is more likely true than not true.

(d) Upon a finding of a violation of the Act, any regulations adopted pursuant thereto, any law related to gambling or gambling establishments, violation of a previously imposed disciplinary or license condition, or laws whose violation is materially related to suitability for a license, registration, permit, or approval, the Commission may do any one or more of the following:

(D) If the respondent is a key employee licensee or TPPPS supervisor licensee, the monetary penalty will be $100 per day for the number of calendar days for which the suspension is stayed.

(E) If the respondent is a holder of a work permit or TPPPS worker license, or a person not otherwise described above, the monetary penalty will be $50 per day for the number of calendar days for which the suspension is stayed.

(g) For decisions concerning a cardroom business licensee, findings must be made regarding the number of tables in operation at the establishment and the annual gross gaming revenue of the establishment.

(h) For decisions concerning TPPPS owner type licensee, findings must be made regarding the maximum number of tables for which proposition player services have been contracted at the gambling establishment where the violation was charged.

(i) Any order to pay the costs of investigation or prosecution of the case shall be fixed pursuant to Business and Professions Code section 19930, subdivision (d).

(j) For multiple violations, or for suspensions imposed by other jurisdictions based on the same violations, the decision must state whether any Commission-imposed suspensions must run consecutively or concurrently.

(k) Where a violation arises from a practice that is repeated many times an hour or day in the conduct of controlled games, each instance of the practice will not be charged as a separate violation; however, the frequency and duration of the practice will be treated as aggravating or mitigating factors.

law governing similar gaming within the jurisdiction of the State within which such Indian lands are located. No person or entity, other than the Indian tribe, shall be eligible to receive a tribal license to own a class II gaming activity conducted on Indian lands within the jurisdiction of the Indian tribe if such person or entity would not be eligible to receive a State license to conduct the same activity within the jurisdiction of the State.

(B)(i) The provisions of subparagraph (A) of this paragraph and the provisions of subparagraphs (A) and (B) of paragraph (2) shall not bar the continued operation of an individually owned class II gaming operation that was operating on September 1, 1986, if--

(c) Issuance of gaming license; certificate of self-regulation

(1) The Commission may consult with appropriate law enforcement officials concerning gaming licenses issued by an Indian tribe and shall have thirty days to notify the Indian tribe of any objections to issuance of such license.

(3) Any Indian tribe which operates a class II gaming activity and which--

(B) has otherwise complied with the provisions of this section may petition the Commission for a certificate of self-regulation.

(4) The Commission shall issue a certificate of self-regulation if it determines from available information, and after a hearing if requested by the tribe, that the tribe has--

(A) conducted its gaming activity in a manner which--

(C) the Commission may not assess a fee on such activity pursuant to section 2717 of this title in excess of one quarter of 1 per centum of the gross revenue.

(6) The Commission may, for just cause and after an opportunity for a hearing, remove a certificate of self-regulation by majority vote of its members.

(2)(A) If any Indian tribe proposes to engage in, or to authorize any person or entity to engage in, a class III gaming activity on Indian lands of the Indian tribe, the governing body of the Indian tribe shall adopt and submit to the Chairman an ordinance or resolution that meets the requirements of subsection (b).

(B) The Chairman shall approve any ordinance or resolution described in subparagraph (A), unless the Chairman specifically determines that--
(i) the ordinance or resolution was not adopted in compliance with the governing documents of the Indian tribe, or

(ii) the tribal governing body was significantly and unduly influenced in the adoption of such ordinance or resolution by any person identified in section 2711(e)(1)(D) of this title. Upon the approval of such an ordinance or resolution, the Chairman shall publish in the Federal Register such ordinance or resolution and the order of approval.

(C) Effective with the publication under subparagraph (B) of an ordinance or resolution adopted by the governing body of an Indian tribe that has been approved by the Chairman under subparagraph (B), class III gaming activity on the Indian lands of the Indian tribe shall be fully subject to the terms and conditions of the Tribal-State compact entered into under paragraph (3) by the Indian tribe that is in effect.

(D)(i) The governing body of an Indian tribe, in its sole discretion and without the approval of the Chairman, may adopt an ordinance or resolution revoking any prior ordinance or resolution that authorized class III gaming on the Indian lands of the Indian tribe. Such revocation shall render class III gaming illegal on the Indian lands of such Indian tribe.

(ii) The Indian tribe shall submit any revocation ordinance or resolution described in clause (i) to the Chairman. The Chairman shall publish such ordinance or resolution in the Federal Register and the revocation provided by such ordinance or resolution shall take effect on the date of such publication.

(iii) Notwithstanding any other provision of this subsection--

(I) any person or entity operating a class III gaming activity pursuant to this paragraph on the date on which an ordinance or resolution described in clause (i) that revokes authorization for such class III gaming activity is published in the Federal Register may, during the 1-year period beginning on the date on which such revocation ordinance or resolution is published under clause (ii), continue to operate such activity in conformance with the Tribal-State compact entered into under paragraph (3) that is in effect, and

(II) any civil action that arises before, and any crime that is committed before, the close of such 1-year period shall not be affected by such revocation ordinance or resolution.

(3)(A) Any Indian tribe having jurisdiction over the Indian lands upon which a class III gaming activity is being conducted, or is to be conducted, shall request the State in which such lands are located to enter into negotiations for the purpose of entering into a Tribal-State compact governing the conduct of gaming activities. Upon receiving such a request, the State shall negotiate with the Indian tribe in good faith to enter into such a compact.

(B) Any State and any Indian tribe may enter into a Tribal-State compact governing gaming activities on the Indian lands of the Indian tribe, but such compact shall take effect only when notice of approval by the Secretary of such compact has been published by the Secretary in the Federal Register.

(C) Any Tribal-State compact negotiated under subparagraph (A) may include provisions relating to--

(i) the application of the criminal and civil laws and regulations of the Indian tribe or the State that are directly related to, and necessary for, the licensing and regulation of such activity;
(ii) the allocation of criminal and civil jurisdiction between the State and the Indian tribe necessary for the enforcement of such laws and regulations;

(iii) the assessment by the State of such activities in such amounts as are necessary to defray the costs of regulating such activity;

(iv) taxation by the Indian tribe of such activity in amounts comparable to amounts assessed by the State for comparable activities;

(v) remedies for breach of contract;

(vi) standards for the operation of such activity and maintenance of the gaming facility, including licensing; and

(vii) any other subjects that are directly related to the operation of gaming activities.

(4) Except for any assessments that may be agreed to under paragraph (3)(C)(iii) of this subsection, nothing in this section shall be interpreted as conferring upon a State or any of its political subdivisions authority to impose any tax, fee, charge, or other assessment upon an Indian tribe or upon any other person or entity authorized by an Indian tribe to engage in a class III activity. No State may refuse to enter into the negotiations described in paragraph (3)(A) based upon the lack of authority in such State, or its political subdivisions, to impose such a tax, fee, charge, or other assessment.

(5) Nothing in this subsection shall impair the right of an Indian tribe to regulate class III gaming on its Indian lands concurrently with the State, except to the extent that such regulation is inconsistent with, or less stringent than, the State laws and regulations made applicable by any Tribal-State compact entered into by the Indian tribe under paragraph (3) that is in effect.

(6) The provisions of section 1175 of Title 15 shall not apply to any gaming conducted under a Tribal-State compact that--

(B) is in effect.

(7)(A) The United States district courts shall have jurisdiction over--

(ii) any cause of action initiated by a State or Indian tribe to enjoin a class III gaming activity located on Indian lands and conducted in violation of any Tribal-State compact entered into under paragraph (3) that is in effect, and

(iii) any cause of action initiated by the Secretary to enforce the procedures prescribed under subparagraph (B)(vii).

(B)(i) An Indian tribe may initiate a cause of action described in subparagraph (A)(i) only after the close of the 180-day period beginning on the date on which the Indian tribe requested the State to enter into negotiations under paragraph (3)(A).

(ii) In any action described in subparagraph (A)(i), upon the introduction of evidence by an Indian tribe that--

(I) a Tribal-State compact has not been entered into under paragraph (3), and
(II) the State did not respond to the request of the Indian tribe to negotiate such a compact or did not respond to such request in good faith, the burden of proof shall be upon the State to prove that the State has negotiated with the Indian tribe in good faith to conclude a Tribal-State compact governing the conduct of gaming activities.

(iii) If, in any action described in subparagraph (A)(i), the court finds that the State has failed to negotiate in good faith with the Indian tribe to conclude a Tribal-State compact governing the conduct of gaming activities, the court shall order the State and the Indian Tribe to conclude such a compact within a 60-day period. In determining in such an action whether a State has negotiated in good faith, the court--

(I) may take into account the public interest, public safety, criminality, financial integrity, and adverse economic impacts on existing gaming activities, and

(II) shall consider any demand by the State for direct taxation of the Indian tribe or of any Indian lands as evidence that the State has not negotiated in good faith.

(iv) If a State and an Indian tribe fail to conclude a Tribal-State compact governing the conduct of gaming activities on the Indian lands subject to the jurisdiction of such Indian tribe within the 60-day period provided in the order of a court issued under clause (iii), the Indian tribe and the State shall each submit to a mediator appointed by the court a proposed compact that represents their last best offer for a compact. The mediator shall select from the two proposed compacts the one which best comports with the terms of this chapter and any other applicable Federal law and with the findings and order of the court.

(v) The mediator appointed by the court under clause (iv) shall submit to the State and the Indian tribe the compact selected by the mediator under clause (iv).

(vi) If a State consents to a proposed compact during the 60-day period beginning on the date on which the proposed compact is submitted by the mediator to the State under clause (v), the proposed compact shall be treated as a Tribal-State compact entered into under paragraph (3).

(vii) If the State does not consent during the 60-day period described in clause (vi) to a proposed compact submitted by a mediator under clause (v), the mediator shall notify the Secretary and the Secretary shall prescribe, in consultation with the Indian tribe, procedures--

(I) which are consistent with the proposed compact selected by the mediator under clause (iv), the provisions of this chapter, and the relevant provisions of the laws of the State, and

(II) under which class III gaming may be conducted on the Indian lands over which the Indian tribe has jurisdiction.

(8)(A) The Secretary is authorized to approve any Tribal-State compact entered into between an Indian tribe and a State governing gaming on Indian lands of such Indian tribe.

(B) The Secretary may disapprove a compact described in subparagraph (A) only if such compact violates--

(i) any provision of this chapter,

(ii) any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or
(iii) the trust obligations of the United States to Indians.

(C) If the Secretary does not approve or disapprove a compact described in subparagraph (A) before the date that is 45 days after the date on which the compact is submitted to the Secretary for approval, the compact shall be considered to have been approved by the Secretary, but only to the extent the compact is consistent with the provisions of this chapter.

(D) The Secretary shall publish in the Federal Register notice of any Tribal-State compact that is approved, or considered to have been approved, under this paragraph.

(9) An Indian tribe may enter into a management contract for the operation of a class III gaming activity if such contract has been submitted to, and approved by, the Chairman. The Chairman’s review and approval of such contract shall be governed by the provisions of subsections (b), (c), (d), (f), (g), and (h) of section 2711 of this title.

(e) Approval of ordinances

For purposes of this section, by not later than the date that is 90 days after the date on which any tribal gaming ordinance or resolution is submitted to the Chairman, the Chairman shall approve such ordinance or resolution if it meets the requirements of this section. Any such ordinance or resolution not acted upon at the end of that 90-day period shall be considered to have been approved by the Chairman, but only to the extent such ordinance or resolution is consistent with the provisions of this chapter.

§ 2711. Management contracts

(a) Class II gaming activity; information on operators

(1) Subject to the approval of the Chairman, an Indian tribe may enter into a management contract for the operation and management of a class II gaming activity that the Indian tribe may engage in under section 2710(b)(1) of this title, but, before approving such contract, the Chairman shall require and obtain the following information:

(A) the name, address, and other additional pertinent background information on each person or entity (including individuals comprising such entity) having a direct financial interest in, or management responsibility for, such contract, and, in the case of a corporation, those individuals who serve on the board of directors of such corporation and each of its stockholders who hold (directly or indirectly) 10 percent or more of its issued and outstanding stock;

(B) a description of any previous experience that each person listed pursuant to subparagraph (A) has had with other gaming contracts with Indian tribes or with the gaming industry generally, including specifically the name and address of any licensing or regulatory agency with which such person has had a contract relating to gaming; and

(C) a complete financial statement of each person listed pursuant to subparagraph (A).

(2) Any person listed pursuant to paragraph (1)(A) shall be required to respond to such written or oral questions that the Chairman may propound in accordance with his responsibilities under this section.

(3) For purposes of this chapter, any reference to the management contract described in paragraph (1) shall be considered to include all collateral agreements to such contract that relate to the gaming activity.

(b) Approval
The Chairman may approve any management contract entered into pursuant to this section only if he determines that it provides at least--

(1) for adequate accounting procedures that are maintained, and for verifiable financial reports that are prepared, by or for the tribal governing body on a monthly basis;

(2) for access to the daily operations of the gaming to appropriate tribal officials who shall also have a right to verify the daily gross revenues and income made from any such tribal gaming activity;

(3) for a minimum guaranteed payment to the Indian tribe that has preference over the retirement of development and construction costs;

(4) for an agreed ceiling for the repayment of development and construction costs;

(5) for a contract term not to exceed five years, except that, upon the request of an Indian tribe, the Chairman may authorize a contract term that exceeds five years but does not exceed seven years if the Chairman is satisfied that the capital investment required, and the income projections, for the particular gaming activity require the additional time; and

(6) for grounds and mechanisms for terminating such contract, but actual contract termination shall not require the approval of the Commission.

(c) Fee based on percentage of net revenues

(1) The Chairman may approve a management contract providing for a fee based upon a percentage of the net revenues of a tribal gaming activity if the Chairman determines that such percentage fee is reasonable in light of surrounding circumstances. Except as otherwise provided in this subsection, such fee shall not exceed 30 percent of the net revenues.

(2) Upon the request of an Indian tribe, the Chairman may approve a management contract providing for a fee based upon a percentage of the net revenues of a tribal gaming activity that exceeds 30 percent but not 40 percent of the net revenues if the Chairman is satisfied that the capital investment required, and income projections, for such tribal gaming activity require the additional fee requested by the Indian tribe.

(d) Period for approval; extension

By no later than the date that is 180 days after the date on which a management contract is submitted to the Chairman for approval, the Chairman shall approve or disapprove such contract on its merits. The Chairman may extend the 180-day period by not more than 90 days if the Chairman notifies the Indian tribe in writing of the reason for the extension. The Indian tribe may bring an action in a United States district court to compel action by the Chairman if a contract has not been approved or disapproved within the period required by this subsection.

(e) Disapproval

The Chairman shall not approve any contract if the Chairman determines that--

(2) the management contractor has, or has attempted to, unduly interfere or influence for its gain or advantage any decision or process of tribal government relating to the gaming activity;

(3) the management contractor has deliberately or substantially failed to comply with the terms of the management contract or the tribal gaming ordinance or resolution adopted and approved pursuant to this chapter; or

(4) a trustee, exercising the skill and diligence that a trustee is commonly held to, would not approve the contract.

(f) Modification or voiding

The Chairman, after notice and hearing, shall have the authority to require appropriate contract modifications or may void any contract if he subsequently determines that any of the provisions of this section have been violated.

(g) Interest in land

No management contract for the operation and management of a gaming activity regulated by this chapter shall transfer or, in any other manner, convey any interest in land or other real property, unless specific statutory authority exists and unless clearly specified in writing in said contract.

(h) Authority

The authority of the Secretary under section 81 of this title, relating to management contracts regulated pursuant to this chapter, is hereby transferred to the Commission.

(i) Investigation fee

The Commission shall require a potential contractor to pay a fee to cover the cost of the investigation necessary to reach a determination required in subsection (e) of this section.

§ 2712. Review of existing ordinances and contracts

(a) Notification to submit

As soon as practicable after the organization of the Commission, the Chairman shall notify each Indian tribe or management contractor who, prior to October 17, 1988, adopted an ordinance or resolution authorizing class II gaming or class III gaming or entered into a management contract, that such ordinance, resolution, or contract, including all collateral agreements relating to the gaming activity, must be submitted for his review within 60 days of such notification. Any activity conducted under such ordinance, resolution, contract, or agreement shall be valid under this chapter, or any amendment made by this chapter, unless disapproved under this section.

(b) Approval or modification of ordinance or resolution
(1) By no later than the date that is 90 days after the date on which an ordinance or resolution authorizing class II gaming or class III gaming is submitted to the Chairman pursuant to subsection (a), the Chairman shall review such ordinance or resolution to determine if it conforms to the requirements of section 2710(b) of this title.

(2) If the Chairman determines that an ordinance or resolution submitted under subsection (a) conforms to the requirements of section 2710(b) of this title, the Chairman shall approve it.

(3) If the Chairman determines that an ordinance or resolution submitted under subsection (a) does not conform to the requirements of section 2710(b) of this title, the Chairman shall provide written notification of necessary modifications to the Indian tribe which shall have not more than 120 days to bring such ordinance or resolution into compliance.

(c) Approval or modification of management contract

(1) Within 180 days after the submission of a management contract, including all collateral agreements, pursuant to subsection (a), the Chairman shall subject such contract to the requirements and process of section 2711 of this title.

(2) If the Chairman determines that a management contract submitted under subsection (a), and the management contractor under such contract, meet the requirements of section 2711 of this title, the Chairman shall approve the management contract.

(3) If the Chairman determines that a contract submitted under subsection (a), or the management contractor under a contract submitted under subsection (a), does not meet the requirements of section 2711 of this title, the Chairman shall provide written notification to the parties to such contract of necessary modifications and the parties shall have not more than 120 days to come into compliance. If a management contract has been approved by the Secretary prior to October 17, 1988, the parties shall have not more than 180 days after notification of necessary modifications to come into compliance.

§ 2713. Civil penalties

(a) Authority; amount; appeal; written complaint

(1) Subject to such regulations as may be prescribed by the Commission, the Chairman shall have authority to levy and collect appropriate civil fines, not to exceed $25,000 per violation, against the tribal operator of an Indian game or a management contractor engaged in gaming for any violation of any provision of this chapter, any regulation prescribed by the Commission pursuant to this chapter, or tribal regulations, ordinances, or resolutions approved under section 2710 or 2712 of this title.

(2) The Commission shall, by regulation, provide an opportunity for an appeal and hearing before the Commission on fines levied and collected by the Chairman.

(3) Whenever the Commission has reason to believe that the tribal operator of an Indian game or a management contractor is engaged in activities regulated by this chapter, by regulations prescribed under this chapter, or by tribal regulations, ordinances, or resolutions, approved under section 2710 or 2712 of this title, that may result in the imposition of a fine under subsection (a)(1), the permanent closure of such game, or the modification or termination of any management contract, the Commission shall provide such tribal operator or management contractor with a written complaint stating the acts or omissions which form the basis for such belief and the action or choice of action being considered by the Commission. The allegation shall be set forth in common and concise language and must specify the statutory or regulatory provisions alleged to have been violated, but may not consist merely of allegations stated in statutory or regulatory language.
(b) Temporary closure; hearing

(1) The Chairman shall have power to order temporary closure of an Indian game for substantial violation of the provisions of this chapter, of regulations prescribed by the Commission pursuant to this chapter, or of tribal regulations, ordinances, or resolutions approved under section 2710 or 2712 of this title.

(2) Not later than thirty days after the issuance by the Chairman of an order of temporary closure, the Indian tribe or management contractor involved shall have a right to a hearing before the Commission to determine whether such order should be made permanent or dissolved. Not later than sixty days following such hearing, the Commission shall, by a vote of not less than two of its members, decide whether to order a permanent closure of the gaming operation.

(c) Appeal from final decision

A decision of the Commission to give final approval of a fine levied by the Chairman or to order a permanent closure pursuant to this section shall be appealable to the appropriate Federal district court pursuant to chapter 7 of Title 5.

(d) Regulatory authority under tribal law

Nothing in this chapter precludes an Indian tribe from exercising regulatory authority provided under tribal law over a gaming establishment within the Indian tribe’s jurisdiction if such regulation is not inconsistent with this chapter or with any rules or regulations adopted by the Commission.

§ 2714. Judicial review

Decisions made by the Commission pursuant to sections 2710, 2711, 2712, and 2713 of this title shall be final agency decisions for purposes of appeal to the appropriate Federal district court pursuant to chapter 7 of Title 5.

§ 2715. Subpoena and deposition authority

(a) Attendance, testimony, production of papers, etc.

By a vote of not less than two members, the Commission shall have the power to require by subpoena the attendance and testimony of witnesses and the production of all books, papers, and documents relating to any matter under consideration or investigation. Witnesses so summoned shall be paid the same fees and mileage that are paid witnesses in the courts of the United States.

(b) Geographical location

The attendance of witnesses and the production of books, papers, and documents, may be required from any place in the United States at any designated place of hearing. The Commission may request the Secretary to request the Attorney General to bring an action to enforce any subpoena under this section.

(c) Refusal of subpoena; court order; contempt

Any court of the United States within the jurisdiction of which an inquiry is carried on may, in case of contumacy or refusal to obey a subpoena for any reason, issue an order requiring such person to appear before the Commission (and produce books, papers, or documents as so ordered) and give evidence concerning the matter in question and any failure to obey such order of the court may be punished by such court as a contempt thereof.

(d) Depositions; notice
A Commissioner may order testimony to be taken by deposition in any proceeding or investigation pending before the Commission at any stage of such proceeding or investigation. Such depositions may be taken before any person designated by the Commission and having power to administer oaths. Reasonable notice must first be given to the Commission in writing by the party or his attorney proposing to take such deposition, and, in cases in which a Commissioner proposes to take a deposition, reasonable notice must be given. The notice shall state the name of the witness and the time and place of the taking of his deposition. Any person may be compelled to appear and depose, and to produce books, papers, or documents, in the same manner as witnesses may be compelled to appear and testify and produce like documentary evidence before the Commission, as hereinbefore provided.

(e) Oath or affirmation required

Every person deposing as herein provided shall be cautioned and shall be required to swear (or affirm, if he so requests) to testify to the whole truth, and shall be carefully examined. His testimony shall be reduced to writing by the person taking the deposition, or under his direction, and shall, after it has been reduced to writing, be subscribed by the deponent. All depositions shall be promptly filed with the Commission.

(f) Witness fees

Witnesses whose depositions are taken as authorized in this section, and the persons taking the same, shall severally be entitled to the same fees as are paid for like services in the courts of the United States.

(2)(A) The rate of the fees imposed under the schedule established under paragraph (1) shall be--

(i) no more than 2.5 percent of the first $1,500,000, and

(ii) no more than 5 percent of amounts in excess of the first $1,500,000, of the gross revenues from each activity regulated by this chapter.
(B) The total amount of all fees imposed during any fiscal year under the schedule established under paragraph (1) shall not exceed 0.080 percent of the gross gaming revenues of all gaming operations subject to regulation under this chapter.

(3) The Commission, by a vote of not less than two of its members, shall annually adopt the rate of the fees authorized by this section which shall be payable to the Commission on a quarterly basis.

(4) Failure to pay the fees imposed under the schedule established under paragraph (1) shall, subject to the regulations of the Commission, be grounds for revocation of the approval of the Chairman of any license, ordinance, or resolution required under this chapter for the operation of gaming.

(5) To the extent that revenue derived from fees imposed under the schedule established under paragraph (1) are not expended or committed at the close of any fiscal year, such surplus funds shall be credited to each gaming activity on a pro rata basis against such fees imposed for the succeeding year.

(6) For purposes of this section, gross revenues shall constitute the annual total amount of money wagered, less any amounts paid out as prizes or paid for prizes awarded and less allowance for amortization of capital expenditures for structures.

(b)(1) The Commission, in coordination with the Secretary and in conjunction with the fiscal year of the United States, shall adopt an annual budget for the expenses and operation of the Commission.

(2) The budget of the Commission may include a request for appropriations, as authorized by section 2718 of this title, in an amount equal the amount of funds derived from assessments authorized by subsection (a) for the fiscal year preceding the fiscal year for which the appropriation request is made.

(3) The request for appropriations pursuant to paragraph (2) shall be subject to the approval of the Secretary and shall be included as a part of the budget request of the Department of the Interior.

(a) Prohibition on lands acquired in trust by Secretary

Except as provided in subsection (b), gaming regulated by this chapter shall not be conducted on lands acquired by the Secretary in trust for the benefit of an Indian tribe after October 17, 1988, unless-
(1) such lands are located within or contiguous to the boundaries of the reservation of the Indian tribe on October 17, 1988; or

(B) such lands are located in a State other than Oklahoma and are within the Indian tribe’s last recognized reservation within the State or States within which such Indian tribe is presently located.

(b) Exceptions

(1) Subsection (a) will not apply when--

(A) the Secretary, after consultation with the Indian tribe and appropriate State and local officials, including officials of other nearby Indian tribes, determines that a gaming establishment on newly acquired lands would be in the best interest of the Indian tribe and its members, and would not be detrimental to the surrounding community, but only if the Governor of the State in which the gaming activity is to be conducted concurs in the Secretary’s determination; or

(B) lands are taken into trust as part of--

(i) a settlement of a land claim,

(ii) the initial reservation of an Indian tribe acknowledged by the Secretary under the Federal acknowledgment process, or

(iii) the restoration of lands for an Indian tribe that is restored to Federal recognition.

(2) Subsection (a) shall not apply to--

(3) Upon request of the governing body of the Miccosukee Tribe of Indians of Florida, the Secretary shall, notwithstanding any other provision of law, accept the transfer by such Tribe to the Secretary of the interests of such Tribe in the lands described in paragraph (2)(B) and the Secretary shall declare that such interests are held in trust by the Secretary for the benefit of such Tribe and that such interests are part of the reservation of such Tribe under sections 5108 and 5110 of this title, subject to any encumbrances and rights that are held at the time of such transfer by any person or entity other than such Tribe. The Secretary shall publish in the Federal
Register the legal description of any lands that are declared held in trust by the Secretary under this paragraph.

(c) Authority of Secretary not affected

Nothing in this section shall affect or diminish the authority and responsibility of the Secretary to take land into trust.

(d) Application of Title 26

(1) The provisions of Title 26 (including sections 1441, 3402(q), 6041, and 6050I, and chapter 35 of such title) concerning the reporting and withholding of taxes with respect to the winnings from gaming or wagering operations shall apply to Indian gaming operations conducted pursuant to this chapter, or under a Tribal-State compact entered into under section 2710(d)(3) of this title that is in effect, in the same manner as such provisions apply to State gaming and wagering operations.

(2) The provisions of this subsection shall apply notwithstanding any other provision of law enacted before, on, or after October 17, 1988, unless such other provision of law specifically cites this subsection.

§ 2720. Dissemination of information
