

SPOUSAL FORM UPDATE

CGCC-GCA-2022-02-R

COMMENTS AND RESPONSES FOR PROPOSED REGULATIONS

45-DAY WRITTEN COMMENTS

The Commission received the following written comments/objections/recommendations regarding the text of the proposed action during the 45-day written comment period that commenced August 12, 2022 and ended September 26, 2022:

A. AMEND SECTION 12112. INITIAL LICENSE APPLICATIONS; REQUIRED FORMS.

This section provides the applications and other documents necessary for submitting an initial license application for a cardroom category license or third-party provider of proposition player services (TPPPS) category license.

1. Subsection (a) [pg. 1] provides that an application must include either a completed Application for Employee Category License, CGCC-CH2-04, or Application for Owner Category License, CGCC-CH2-05 [pg. 8].

- a. **Yolanda Morrow, representing the Bureau of Gambling Control within the Department of Justice (Bureau):** Ms. Morrow suggested that below form field “Associated Owner Category Licensee” on page 1 of the application should be added “Business Entity may include, but is not limited to, a corporation, sole proprietorship or partnership” as this will assist the Bureau in identifying ownership structures associated with an owner category license. Additionally, the Bureau recommends including a new form field of “gambling establishment.”

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that the form field “Associated Owner Category Licensee” requires the cardroom business licensee’s name, which is the business that operates the gambling establishment. Additionally, section 3 of the form requires a breakdown of each person (natural and non-natural) who is required to be licensed as an endorsee, which would identify the ownership structure.

- b. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended amending the explanation of cardroom endorsee license, in section 1A of the form [page 9], as follows:

An endorsed licensee is ~~any other type not covered above, such as:~~ an officer in a corporation, a shareholder, a limited partner in a partnership, any person who receives any percentage share of the revenues earned, or any funding source. An endorsed license also includes, but is not limited to, a sole proprietor, LLC, corporation, partnership, trust, or business entity that operates a gambling establishment.

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that this suggestion appears to confuse the term “cardroom business license” and “cardroom endorsee license.” A cardroom business licensee (who applies for a cardroom business license) is the person who “operates a gambling establishment.”

- c. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended amending the language in section 1B [pg. 9] related to the badge replacement request:

The Bureau will provide a replacement badge to a licensee if the requestor has a current valid initial, renewal, temporary, or interim license or Commission work permit pursuant to the California Code of Regulations, Section 12108. Additionally, the requestor must submit a Badge Replacement Request, CGCC-CH2-01 form (New 11/21) to the Bureau and pay the application fee in the amount of \$8-Application Fee.

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that comment appears to be mute since the publishing of the form Application for Owner Category License, CGCC-CH2-05, the form has been amended as part of another rulemaking, OAL Matter Number 2022-0721-10, which removed the Badge Replacement process for this portion of the form.

- d. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended amending the language of section 3 [pg. 10] to require a “current organization chart for the gambling establishment (cardroom) that includes the owner licensee, all endorsed licensees, and all key employees.”

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that this form is directed at both cardroom business licensees and TPPPS business licenses with the goal of making requirements consistent between the two license types whenever possible, and that requiring an organization chart for one license type and not the other would be inconsistent. Additionally, the terms used in the request are inconsistent with the terms defined in the Commission’s regulations. Finally, with the original adoption of this form, OAL Matter Number 2020-1013-02, the Commission elected to remove the requirement that an organizational chart be required.

- e. **Yolanda Morrow, representing the Bureau:** Ms. Morrow proposed amending a requirement to section 3 [pg. 10] that requires the names of proposed games:

Name of Proposed Games ([This is only applicable for initial applications](#)).

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that Business and Professions Code section 19864, subdivision (b)(3), requires that “[t]he application for a gambling license shall include...the gambling games proposed to be conducted.” The requirement makes no distinction between initial and renewal licenses.

- f. **Yolanda Morrow, representing the Bureau:** Ms. Morrow proposed the repeal of the requirement in section 3 [pg. 10] that requires the applicant to indicate endorsed owners.

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that Business and Professions Code section 19864, subdivision (b)(4), requires that “[t]he application for a gambling license shall include... the names of all persons directly or indirectly interested in the business and the nature of the interest.” Without this part of the form, there would not be any part that meets the requirement of this provision.

- g. **Yolanda Morrow, representing the Bureau:** Ms. Morrow proposed a new section to the form. This form would be titled Section 4: Entity Structure, and would require the applicant to submit a current organization chart which includes the names and titles of any officers, shareholders, partners, members, trustors, trustees, etc. that pertain to the entity.

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes with the original adoption of this form, OAL Matter Number 2020-1013-02, the Commission elected to remove the requirement that an organizational chart be required.

- h. **Yolanda Morrow, representing the Bureau:** Ms. Morrow proposed a new section to the form. This form would be titled Section 5: Entity Structure, and would require the applicant to submit a current organization chart which includes the names and titles of any officers, shareholders, partners, and members that are associated with the entity. Additional information about the specifics of the entity structure would be required, such as information including individual officers, directors, shareholders, partners, members, etc., of the entity.

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes with the original adoption of this form, OAL Matter Number 2020-1013-02, the Commission elected to remove the requirement that an organizational chart be required.

- i. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended requiring Designated Agent Information on the application.

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes in a previous rulemaking, OAL Matter Number 2020-1013-02, the Commission elected to remove repetitive and constant

submittal of designated agent information, opting for a single, consistent submittal process.

- j. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended requiring contact information on the application.

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes for initial applications, at least one supplemental application is always required and that the supplement will include information related to contact information. For renewal applications, the Bureau will already have relevant contact information on file, and the Commission otherwise provides a process that requires the update for contact information and therefore the inclusion here is not necessary.

- k. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended requiring title/capacity as part of the declaration.

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

2. Subsection (b), paragraph (2), [pg. 1] provides that the supplemental form Individual Owner/Principal: Supplemental Information, CGCC-CH2-07 [pg. 12] may be required.

- a. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended a general change to the form which would repeal all instances of "[i]f this applicant currently holds a valid license, this question need only be answered in a manner to update since the last time this form or another supplemental information form was submitted and licensure granted." [pg. 16-24]

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes in a previous rulemaking, OAL Matter Number 2020-1013-02, the Commission elected to add these statements in order to limit the repetitive information required to be submitted by an applicant.

- b. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended the following changes to the form fields [pg. 12]:

~~Title/Capacity~~ Gambling Establishment/TPPPS
Associated Owner Category Licensee / Business Entity
Associated Endorsed Owner, if Applicable / Please identify the business entity structure or officers, directors, shareholders, partners, members, etc. of the entity.

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that this form is submitted by a natural person who is part of the ownership structure. As such, requiring information about any business structure is inconsistent with the purpose of the form. Additionally, the requirement to provide the Associated Owner Category Licensee is the same as Gambling Establishment/TPPPS and requiring it twice is repetitive.

- c. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended the removal of the portion of section 1 that requires identification of the relationship to the owner category licensee [pg. 13]:

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that this part of the form is the only part of the overall application in which a specific natural person indicates all of the ways they need to be endorsed on the license certificate.

- d. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended the addition of “Occupation” to information required for current and former spouses/registered domestic partners [pg. 13].

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

- e. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended the addition of an additional question to section 8 [pg. 21]:

[Have you been a member, shareholder, officer, manager, or director of any gaming related \[...\] businesses within the past 10 years?](#)

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

- f. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended the addition of an additional question to section 9 [pg. 22]:

[Have you been a member, shareholder, officer, manager, or director of any gaming related \[...\] businesses within the past 10 years?](#)

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that section 9 is a section related to non-gaming business interests and its inclusion here is inappropriate.

- g. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended amending one requirement in section 11 [pg. 26]:

Current balance sheet and income statement for yourself and your businesses for the most [two \[sic\]](#) recent calendar years.”

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

- h. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended not removing the requirement that the Spousal Form be submitted alongside the Individual Owner/Principal: Supplemental Information, CGCC-CH2-07, and adding the following [pg. 26]:

[If the applicant's spouse is licensed, or applying for licensure, proceed to and complete section 5.](#)

Recommended Response: This comment was considered but not incorporated. In all cases where the Individual Owner/Principal: Supplemental Information, CGCC-CH2-07, is required an Application for Owner Category License, CGCC CH2-05, is also required. As part of this proposal, Spousal Information, CGCC-CH2-12, is being required with an Application for Owner Category License, CGCC CH2-05, and as such, including the requirement on the Individual Owner/Principal: Supplemental Information, CGCC-CH2-07, is now unnecessarily duplicative. Additionally, the additional instruction is not necessary as Spousal Information, CGCC-CH2-12, includes all relevant instructions.

3. Subsection (b), paragraph (3), [pg. 1] provides the form Key Employee or TPPPS Supervisor: Supplemental Information, CGCC-CH2-08 [pg. 27].
 - a. **Yolanda Morrow, representing the Bureau:** Ms. Morrow suggested that because applicants are not required to submit the Internal Revenue Service Request for Transcript of Tax Return during the initial application process, it should not listed on the form [pg. 38]:

~~Internal Revenue Service Request for Transcript of Tax Return (4506-T).
Provide Original~~

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission notes that by including the form in Section 11, the Commission has required the form, if applicable, when applicants submit the Key Employee or TPPPS Supervisor: Supplemental Information, CGCC-CH2-08.

4. Subsection (f) [pg. 2] provides the form Spousal Information, CGCC-CH2-12 to be completed with an Application for Owner Category License, CGCC CH2-05 [pg. 39].
 - a. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended the following revision to the form's instructions [pg. 39]:

If the applicant's spouse is licensed, or applying for licensure, proceed to and complete section 5.

~~Please note that if the Spouse is currently licensed or applying for licensure as an owner or an endorsed owner of the associated owner category licensee in conjunction with the applicant, then this form does not need to be completed.~~

Recommended Response: This comment was approved, in part. The Commission makes the following regulation amendment:

If the applicant's spouse is licensed or has applied for licensure with this associated owner category licensee, proceed to and complete section 5.
~~Please note that if the Spouse is currently licensed or applying for licensure as an owner or an endorsed owner of the associated owner category licensee in conjunction with the applicant, then this form does not need to be completed.~~

- b. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended the following changes to the form fields [pg. 12]:

Associated Owner Category Licensee / Business Entity
Gambling Establishment

Recommended Response: This comment was considered but not incorporated. The requirement to provide the Associated Owner Category Licensee is the same as Gambling Establishment or Business Entity and requiring it twice is repetitive.

- c. **Yolanda Morrow, representing the Bureau:** Ms. Morrow recommended amending the mailing address requirement to provide both a Street and Mailing address. [pg. 40]

Recommended Response: This comment was accepted.

- d. **Joe Patterson, representing the California Gaming Association (CGA):** Mr. Patterson recommended the following addition to section 2, item 1) of the Spousal Information form:

Note: If this item is selected, and any of items 2-4 are also selected, the spouse is required to submit a complete application as a cardroom endorsed owner or TPPPS endorsed owner. If this item is selected but items 2) through 4) are not selected, complete section 4.

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the existence of a community property interest cannot be "declared" into non-existence, and if it could, it would become the sole and separate property of the owner category licensee, which is already covered by section 3 on the Spousal Information form.

- e. **Joe Patterson, representing the CGA**: Mr. Patterson recommended the following addition to section 2, item 2) of the Spousal Information form:

[Note: If this item is selected, the spouse is required to submit a complete application as a cardroom endorsed owner or TPPPS endorsed owner.](#)

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission is proposing the following non-substantive change to the note below section 2, item 4:

Note: If any of [items 1\) through 4\)](#) ~~the above items~~ are selected, the spouse is required to submit a complete application as a cardroom endorsed owner or TPPPS endorsed owner.

- f. **Joe Patterson, representing the CGA**: Mr. Patterson recommended the following addition to section 2, item 3) of the Spousal Information form:

[Note: If this item is selected, the spouse is required to submit a complete application as a cardroom endorsed owner or TPPPS endorsed owner.](#)

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission is proposing the following non-substantive change to the note below section 2, item 4:

Note: If any of [items 1\) through 4\)](#) ~~the above items~~ are selected, the spouse is required to submit a complete application as a cardroom endorsed owner or TPPPS endorsed owner.

- g. **Joe Patterson, representing the CGA**: Mr. Patterson recommended the following addition to section 2, item 4) of the Spousal Information form:

[Note: If this item is selected, the spouse is required to submit a complete application as a cardroom endorsed owner or TPPPS endorsed owner.](#)

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in

proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the Commission is proposing the following non-substantive change to the note below section 2, item 4:

Note: If any of [items 1\) through 4\)](#) ~~the above items~~ are selected, the spouse is required to submit a complete application as a cardroom endorsed owner or TPPPS endorsed owner.

- h. **Joe Patterson, representing the CGA**: Mr. Patterson recommended the following addition to section 2, item 6) of the Spousal Information form:

[This includes if the applicant is a trustor or trustee of a trust that owns shares, but their spouse is not a co-trustee or current beneficiary](#)

Recommended Response: This comment was considered but not incorporated. The proposed addition is unnecessary as any relevant exclusion is already captured by the Commission’s proposed language. Moreover, while the situation provided by the comment might result in the spouse not having a community property interest, not all examples of the provided situation would necessarily result in there being no community property interest.

- i. **Joe Patterson, representing the CGA**: Mr. Patterson recommended adding “Section 4: Declaration of Limited Community Property Interest, to be completed only if Section 2 item 1 is selected and items 2) through 4) are not selected” with specified declarations to be made by the applicant and the applicant’s spouse.

Recommended Response: This comment is not specifically directed at the Commission’s proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the existence of a community property interest cannot be “declared” into non-existence, and if it could, it would become the sole and separate property of the owner category licensee, which is already covered by section 3 on the Spousal Information form.

- j. **Joe Patterson, representing the CGA**: Mr. Patterson recommended adding a new item to section 4 (moved to section 5 based on prior comments from Mr. Patterson):

[Any documentation that reflects the spouse’s consent to be bound by every provision or restriction contained in a governing document of a business](#)

[entity that limits the spouse's community property interest in the owner category licensee business.](#)

Recommended Response: This comment is not specifically directed at the Commission's proposed action or to the procedures followed by the agency in proposing or adopting this action, and therefore does not require a response in the final statement of reasons, as provided in Government Code section 11346.9, subdivision (a)(3).

The above being true, the action of a spouse to voluntarily restrict their "community property interest" does not alter the status of that community property interest. Even with a voluntary restriction, the spouse still retains a community property interest in the cardroom or TPPPS.
