(c) Notwithstanding subdivision (a), the Legislature by statute may authorize cities and counties to provide for bingo games, but only for charitable purposes.

(d) Notwithstanding subdivision (a), there is authorized the establishment of a California State Lottery.

(e) The Legislature has no power to authorize, and shall prohibit, casinos of the type currently operating in Nevada and New Jersey.

## **Division 7, Part 3, Chapter 1.**

### **Article 2. Particular Offenses**

#### **§ 17539. Legislative findings**

The Legislature finds that there is a compelling need for more complete disclosure of rules and operation of contests in which money or other valuable consideration may be solicited; that current methods of disclosure are inadequate and create misunderstandings as to the true requirements for participation and winning of prizes offered; that certain problems which have arisen are peculiar to contests; that the provisions of Sections 17539.1 through 17539.3 are necessary to the public welfare and that the terms hereof shall be interpreted so as to provide maximum disclosure to and fair treatment of persons who may or do enter such contests.

#### **§ 17539.1. Unfair acts prohibited**

(a) The following unfair acts or practices undertaken by, or omissions of, any person in the operation of any contest or sweepstakes are prohibited:

- (1) Failing to clearly and conspicuously disclose, at the time of the initial contest solicitation, at the time of each precontest promotional solicitation and each time the payment of money is required to become or to remain a contestant, the total number of contestants anticipated based on prior experience and the percentages of contestants correctly solving each puzzle used in the three most recently completed contests conducted by the person. If the person has not operated or promoted three contests he or she shall disclose for each prior contest if any, the information required by this section.
- (2) Failing to promptly send to each member of the public upon his or her request, the actual number and percentage of contestants correctly solving each puzzle or game in the contest most recently completed.
- (3) Misrepresenting in any manner the odds of winning any prize.
- (4) Misrepresenting in any manner, the rules, terms, or conditions of participation in a contest.
- (5) Failing to clearly and conspicuously disclose with all contest puzzles and games and with all promotional puzzles and games all of the following:
  - (A) The maximum number of puzzles or games that may be necessary to complete the contest and determine winners.
  - (B) The maximum amount of money, including the maximum cost of any postage and handling fees, that a participant may be asked to pay to win each of the contest prizes then offered.
  - (C) That future puzzles or games, if any, or tie breakers, if any, will be significantly more difficult than the initial puzzle.
  - (D) The date or dates on or before which the contest will terminate and upon which all prizes will be awarded.

- (E) The method of determining prizewinners if a tie remains after the last tie breaker puzzle is completed.
- (F) All rules, regulations, terms, and conditions of the contest.
- (6) Failing to clearly and conspicuously disclose the exact nature and approximate value of the prizes when offered.
- (7) Failing to award and distribute all prizes of the value and type represented.
- (8) Representing directly or by implication that the number of participants has been significantly limited, or that any particular person has been selected to win a prize unless such is the fact.
- (9) Representing directly or by implication that any particular person has won any money, prize, thing, or other value in a contest unless there has been a real contest in which a meaningful percentage, which shall be at least a majority, of the participants in such contests have failed to win a prize, money, thing, or other value.
- (10) Representing directly or by implication that any particular person has won any money, prize, thing, or other value without disclosing the exact nature and approximate value thereof.
- (11) Using the word “lucky” to describe any number, ticket, coupon, symbol, or other entry, or representing in any other manner directly or by implication that any number, ticket, coupon, symbol, or other entry confers or will confer an advantage upon the recipient that other recipients will not have, that the recipient is more likely to win a prize than are others, or that the number, ticket, coupon, symbol, or other entry has some value that other entries do not have.
- (12) Using or offering for use any method intended to be used by a person interacting with an electronic video monitor to simulate gambling or play gambling-themed games in a business establishment that (A) directly or indirectly implements the predetermination of sweepstakes cash, cash-equivalent prizes, or other prizes of value, or (B) otherwise connects a sweepstakes player or participant with sweepstakes cash, cash-equivalent prizes, or other prizes of value. For the purposes of this paragraph, “business establishment” means a business that has any financial interest in the conduct of the sweepstakes or the sale of the products or services being promoted by the sweepstakes at its physical location. This paragraph does not make unlawful game promotions or sweepstakes conducted by for-profit commercial entities on a limited and occasional basis as an advertising and marketing tool that are incidental to substantial bona fide sales of consumer products or services and that are not intended to provide a vehicle for the establishment of places of ongoing gambling or gaming.
- (13) Failing to obtain the express written or oral consent of individuals before their names are used for a promotional purpose in connection with a mailing to a third person.
- (14) Using or distributing simulated checks, currency, or any simulated item of value unless there is clearly and conspicuously printed thereon the words: SPECIMEN—NONNEGOTIABLE.

(15) Representing, directly or by implication, orally or in writing, that any tie breaker puzzle may be entered upon the payment of money qualifying the contestant for an extra cash or any other type prize or prizes unless:

(A) It is clearly and conspicuously disclosed that the payments are optional and that contestants are not required to pay money, except for reasonable postage and handling fees, to play for an extra cash or any other type of prize or prizes; and

(B) Contestants are clearly and conspicuously given the opportunity to indicate they wish to enter such phase of the contest for free, except for reasonable postage and handling fees the amount of which shall not exceed one dollar and fifty cents (\$1.50) plus the actual cost of postage and which shall be clearly and conspicuously disclosed at the time of the initial contest solicitation and each time thereafter that the payment of such fees is required. The contestants' opportunity to indicate they wish to enter for free shall be in immediate conjunction with and in a like manner as the contestants' opportunity to indicate they wish to play for an extra prize.

(b) For the purposes of this section, "sweepstakes" means a procedure, activity, or event, for the distribution, donation, or sale of anything of value by lot, chance, predetermined selection, or random selection that is not unlawful under other provisions of law, including, but not limited to, Chapter 9 (commencing with Section 319) and Chapter 10 (commencing with Section 330) of Title 9 of Part 1 of the Penal Code.

(c) This section does not apply to an advertising plan or program that is regulated by, and complies with, the requirements of Section 17537.1.

(d) Nothing in this section shall be deemed to render lawful any activity that is unlawful pursuant to other law, including, but not limited to, Section 320, 330a, 330b, 330.1, or 337j of the Penal Code.

(e) Nothing in this section shall be deemed to render unlawful or restrict otherwise lawful games and methods used by a gambling enterprise licensed under the Gambling Control Act or operations of the California State Lottery.

#### **§ 17539.15. Solicitation materials containing sweepstakes entries or selling information regarding sweepstakes; regulations**

(a) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent, taking into account the context in which the representation is made, including, without limitation, emphasis, print, size, color, location, and presentation of the representation and any qualifying language, that a person is a winner or has already won a prize or any particular prize unless that person has in fact won a prize or any particular prize. If the representation is made on or visible through the mailing envelope containing the sweepstakes materials, the context in which the representation is to be considered, including any qualifying language, shall be limited to what appears on, appears from, or is visible through, the mailing envelope.

(b) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall include a clear and conspicuous statement of the no-purchase-or-payment-necessary message, in readily understandable terms, in the official rules included in those solicitation materials and, if the official rules do not appear thereon, on the entry-order device included in those solicitation materials. The no-purchase-or-payment-necessary message included in the official rules shall be set out in a separate paragraph in the

official rules and be printed in capital letters in contrasting typeface not smaller than the largest typeface used in the text of the official rules.

(c) Sweepstakes entries not accompanied by an order for products or services shall not be subjected to any disability or disadvantage in the winner selection process to which an entry accompanied by an order for products or services would not be subject.

(d) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that an entry in the promotional sweepstakes accompanied by an order for products or services will be eligible to receive additional prizes or be more likely to win than an entry not accompanied by an order for products or services or that an entry not accompanied by an order for products or services will have a reduced chance of winning a prize in the promotional sweepstakes.

(e) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that a person has been specially selected in connection with a sweepstakes unless it is true.

(f) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that the person receiving the solicitation has received any special treatment or personal attention from the sweepstakes sponsor or any officer, employee, or agent of the sweepstakes sponsor unless the representation of special treatment or personal attention is true.

(g) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that a person is being notified a second or final time of the opportunity to receive or compete for a prize, unless that representation is true.

(h) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not represent that a prize notice is urgent or otherwise convey an impression of urgency by use of description, phrasing on a mailing envelope, or similar method, unless there is a limited time period in which the recipient must take some action to claim, or be eligible to receive, a prize, and the date by which that action is required is clearly and conspicuously disclosed in the body of the solicitation materials.

(i) Solicitation materials containing sweepstakes entry materials or solicitation materials selling information regarding sweepstakes shall not do either of the following:

(1) Simulate or falsely represent that it is a document authorized, issued, or approved by any court, official, or agency of the United States or any state, or by any lawyer, law firm, or insurance or brokerage company.

(2) Create a false impression as to its source, authorization, or approval.

(j) The official rules for a sweepstakes shall disclose information about the date or dates the final winner or winners will be determined.

(k) For purposes of this section:

(1) "No-purchase-or-payment-necessary message" means the following statement or a statement substantially similar to the following statement: "No purchase or payment of any kind is necessary to enter or win this sweepstakes."

(2) "Official rules" means the formal printed statement, however designated, of the rules for the promotional sweepstakes appearing in the solicitation materials. The official rules shall be prominently identified and all references thereto in any solicitation materials shall consistently use the designation for the official rules that appears in those materials. Each sweepstakes solicitation shall contain a copy of the official rules.

(3) "Specially selected" means a representation that a person is a winner, a finalist, in first place or tied for first place, or otherwise among a limited group of persons with an enhanced likelihood of receiving a prize.

(l) (1) A sweepstakes sponsor may not charge a fee as a condition of receiving a monetary distribution or obtaining information about a prize or sweepstakes.

(2) (A) For the purposes of this section, "sweepstakes sponsor" means either of the following:

(i) A person or entity that operates or administers a sweepstakes as defined in paragraph (12) of subdivision (a) of Section 17539.5.

(ii) A person or entity that offers, by means of a notice, a prize to another person in conjunction with any real or purported sweepstakes that requires or allows, or creates the impression of requiring or allowing, the person to purchase any goods or services, or pay any money, as a condition of receiving, or in conjunction with allowing the person to receive, use, or obtain a prize or information about a prize.

(B) A person or entity that merely furnishes a prize in connection with a sweepstakes that is operated or administered by another person or entity shall not be deemed to be a sweepstakes sponsor.

## **§ 17539.2. Disclosures; refunds; records**

Every person who conducts any contest shall:

(a) Clearly and conspicuously disclose on each entry blank the deadline for submission of that entry.

(b) Refund all money or other consideration to contestants requesting such refund in writing within one year of payment and who are unable to participate in any aspect of any contest through no fault of the contestant.

(c) At the conclusion of the contest send to all entrants upon their request the names of all winners, the prize or prizes won by each, the correct solution to each puzzle and the winning solutions to each puzzle (if different from the correct solution).

(d) Maintain for no less than two years after all prizes are awarded all the following:

(1) Copies of all contest solicitations and puzzles.

(2) All puzzles and correspondence sent by a contestant or copies or records disclosing details thereof and records of replies thereto.

(3) Adequate records which disclose the names and addresses of all contestants, the approximate date each contestant was sent each puzzle or game, the number of prizes

awarded, the method of selecting winners, the names and addresses of the winners, and facts upon which all representations or disclosures made in connection with the contest are based and from which the validity of the representations or disclosures can be determined.

### **§ 17539.3. Construction and application of sections 17539 to 17539.2**

(a) Sections 17539.1 and 17539.2 do not apply to a game conducted to promote the sale of an employer's product or service by his or her employees, when those employees are the sole eligible participants.

(b) As used in Sections 17539.1 and 17539.2, "person" includes a firm, corporation, or association, but does not include any charitable trust, corporation, or other organization exempted from taxation under Section 23701d of the Revenue and Taxation Code or Section 501(c) of the Internal Revenue Code.

(c) Nothing in Sections 17539 to 17539.2, inclusive, shall be construed to permit any contest or any series of contests or any act or omission in connection therewith that is prohibited by any other provision of law.

(d) Nothing in Section 17539.1 or 17539.2 shall be construed to hold any newspaper publisher or radio or television broadcaster liable for publishing or broadcasting any advertisement relating to a contest, unless that publisher or broadcaster is the person conducting or holding that contest.

(e) As used in Sections 17539 to 17539.2, inclusive, "contest" includes any game, contest, puzzle, scheme, or plan that holds out or offers to prospective participants the opportunity to receive or compete for gifts, prizes, or gratuities as determined by skill or any combination of chance and skill and that is, or in whole or in part may be, conditioned upon the payment of consideration.

(f) Sections 17539 to 17539.2, inclusive, do not apply to the mailing or otherwise sending of an application for admission, or a notification or token evidencing the right of admission, to a contest, performance, sporting event, or tournament of skill, speed, power, or endurance between, or the operation of the contest, performance, sporting event, or tournament by, participants physically present at that contest, performance, sporting event, or tournament.

### **§ 17539.35. Contest; prize conditioned on minimum number of entries**

No person shall advertise, offer, or operate any contest, as defined in subdivision (e) of Section 17539.3, in which any prize, including any money, property, service, or other matter of value, may be awarded or transferred if the opportunity to win that prize is conditioned on a minimum number of entries or contest participants.

## **Division 8, Chapter 5**

### **Article 1. General Provisions**

#### **§ 19800. Short title**

This chapter shall be known, and may be cited, as the "Gambling Control Act."

#### **§ 19801. Legislative findings and declarations**

The Legislature hereby finds and declares all of the following:

(a) State law prohibits commercially operated lotteries, banked or percentage games, and gambling machines, and strictly regulates parimutuel wagering on horse racing. To the extent that state law categorically prohibits certain forms of gambling and prohibits gambling devices, nothing herein shall be construed, in any manner, to reflect a legislative intent to relax those prohibitions.

(b) The State of California has permitted the operation of gambling establishments for more than 100 years. Gambling establishments were first regulated by the State of California pursuant to legislation which was enacted in 1984. Gambling establishments currently employ more than 20,000 people in the State of California, and contribute more than one hundred million dollars (\$100,000,000) in taxes and fees to California's government. Gambling establishments are lawful enterprises in the State of California, and are entitled to full protection of the laws of this state.

(c) Gambling can become addictive and is not an activity to be promoted or legitimized as entertainment for children and families.

(d) Unregulated gambling enterprises are inimical to the public health, safety, welfare, and good order. Accordingly, no person in this state has a right to operate a gambling enterprise except as may be expressly permitted by the laws of this state and by the ordinances of local governmental bodies.

(e) It is the policy of this state that gambling activities that are not expressly prohibited or regulated by state law may be prohibited or regulated by local government. Moreover, it is the policy of this state that no new gambling establishment may be opened in a city, county, or city and county in which a gambling establishment was not operating on and before January 1, 1984, except upon the affirmative vote of the electors of that city, county, or city and county.

(f) It is not the purpose of this chapter to expand opportunities for gambling, or to create any right to operate a gambling enterprise in this state or to have a financial interest in any gambling enterprise. Rather, it is the purpose of this chapter to regulate businesses that offer otherwise lawful forms of gambling games.

(g) Public trust that permissible gambling will not endanger public health, safety, or welfare requires that comprehensive measures be enacted to ensure that gambling is free from criminal and corruptive elements, that it is conducted honestly and competitively, and that it is conducted in suitable locations.

(h) Public trust and confidence can only be maintained by strict and comprehensive regulation of all persons, locations, practices, associations, and activities related to the operation of lawful gambling establishments and the manufacture and distribution of permissible gambling equipment.

(i) All gambling operations, all persons having a significant involvement in gambling operations, all establishments where gambling is conducted, and all manufacturers, sellers, and distributors of gambling equipment must be licensed and regulated to protect the public health, safety, and general welfare of the residents of this state as an exercise of the police powers of the state.

(j) To ensure that gambling is conducted honestly, competitively, and free of criminal and corruptive elements, all licensed gambling establishments in this state must remain open to the general public and the access of the general public to licensed gambling activities must not be restricted in any manner, except as provided by the Legislature. However, subject to state and

federal prohibitions against discrimination, nothing herein shall be construed to preclude exclusion of unsuitable persons from licensed gambling establishments in the exercise of reasonable business judgment.

(k) In order to effectuate state policy as declared herein, it is necessary that gambling establishments, activities, and equipment be licensed, that persons participating in those activities be licensed or registered, that certain transactions, events, and processes involving gambling establishments and owners of gambling establishments be subject to prior approval or permission, that unsuitable persons not be permitted to associate with gambling activities or gambling establishments, and that gambling activities take place only in suitable locations. Any license or permit issued, or other approval granted pursuant to this chapter, is declared to be a revocable privilege, and no holder acquires any vested right therein or thereunder.

(l) The location of lawful gambling premises, the hours of operation of those premises, the number of tables permitted in those premises, and wagering limits in permissible games conducted in those premises are proper subjects for regulation by local governmental bodies. However, consideration of those same subjects by a state regulatory agency, as specified in this chapter, is warranted when local governmental regulation respecting those subjects is inadequate or the regulation fails to safeguard the legitimate interests of residents in other governmental jurisdictions.

(m) The exclusion or ejection of certain persons from gambling establishments is necessary to effectuate the policies of this chapter and to maintain effectively the strict regulation of licensed gambling.

(n) Records and reports of cash and credit transactions involving gambling establishments may have a high degree of usefulness in criminal and regulatory investigations and, therefore, licensed gambling operators may be required to keep records and make reports concerning significant cash and credit transactions.

## **§ 19802. Further legislative findings and declarations**

The Legislature further finds and declares as follows:

Appropriate regulation of banking and percentage games or of gambling devices consistent with public safety and welfare would require, at a minimum, all of the following safeguards:

(a) The creation of an adequately funded gambling control commission with comprehensive powers to establish minimum standards and technical specifications for gambling equipment and devices.

(b) The creation of an adequately funded law enforcement capability within state government to inspect, test, and evaluate gambling equipment and devices and modifications thereto.

(c) An appropriation by the Legislature to sufficiently fund a full-time commission and law enforcement capability with responsibilities commensurate with the expanded scope of gambling.

(d) The enactment of necessary regulations setting forth standards and procedures for the licensing of persons connected with the manufacture, sale, and distribution of equipment and devices in this state.

(e) The enactment of standards related to the trustworthiness and fairness of equipment and devices, upon the commission's recommendation to the Legislature.

(f) The enactment of statutory provisions governing the importation, transportation, sale, and disposal of equipment and devices, upon the commission's recommendation to the Legislature.

(b) Nothing in this chapter shall be construed to preclude any city, county, or city and county from prohibiting any gambling activity, from imposing more stringent local controls or conditions upon gambling than are imposed by this chapter or by the commission, from inspecting gambling premises to enforce applicable state and local laws, or from imposing any local tax or license fee, if the prohibition, control, condition, inspection, tax, or fee is not inconsistent with this chapter. Nothing in this chapter shall be construed to affect the responsibility of local law enforcement agencies to enforce the laws of this state, including this chapter.

### **§ 19804. Action for declaratory or injunctive relief or relief by extraordinary writ; required evidence; administrative remedies; copy of pleading**

(a) In any action for declaratory or injunctive relief, or for relief by way of any extraordinary writ, other than an action initiated pursuant to Section 19932, wherein the construction, application, or enforcement of this chapter, or any regulation adopted pursuant thereto, or any order of the department or the commission issued pursuant thereto, is called into question, a court shall not grant any preliminary or permanent injunction, or any peremptory writ of mandate, certiorari, or prohibition, in connection therewith, except as follows:

No preliminary order may be effective for more than 45 days, except by stipulation of the department or commission.

furnish a copy thereof to the department and to the commission. The copy shall be furnished by the party filing the pleading within 10 business days after filing.

As used in this chapter, the following definitions apply:

(a) "Affiliate" means a person who, directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, a specified person.

(b) "Applicant" means a person who has applied for a state gambling license, a key employee license, a registration, a finding of suitability, a work permit, a manufacturer's or distributor's license, or an approval of any act or transaction for which the approval or authorization of the commission or department is required or permitted under this chapter.

(c) "Banking game" or "banked game" does not include a controlled game if the published rules of the game feature a player-dealer position and provide that this position must be continuously and systematically rotated amongst each of the participants during the play of the game, ensure that the player-dealer is able to win or lose only a fixed and limited wager during the play of the game, and preclude the house, another entity, a player, or an observer from maintaining or operating as a bank during the course of the game. For purposes of this section, it is not the intent of the Legislature to mandate acceptance of the deal by every player if the department finds that the rules of the game render the maintenance of or operation of a bank impossible by other means. The house shall not occupy the player-dealer position.

(c) The department, the commission, and their agents and employees shall not release or disclose any information, documents, or communications provided by an applicant, licensee, or other person, that are privileged pursuant to Division 8 (commencing with Section 900) of the Evidence Code, or any other provision of law, without the prior written consent of the holder of the privilege, or pursuant to lawful court order after timely notice of the proceedings has been given to the holder of the privilege. An application to a court for an order requiring the department or the commission to release any information declared by law to be confidential shall be made only upon motion made in writing on not less than 10-business days' notice to the department or the commission, and to all persons who may be affected by the entry of the order.

#### **§ 19829. District attorneys and state and local law enforcement agencies; report to department; investigation or prosecution; appearance of gambling law violation**

Every district attorney, and every state and local law enforcement agency, shall furnish to the department, on forms prepared by the department, all information obtained during the course of any substantial investigation or prosecution of any person, as determined by the department, if it appears that a violation of any law related to gambling has occurred, including any violation of Chapter 9 (commencing with Section 319) or Chapter 10 (commencing with Section 330) of Title 9 of Part 1 of the Penal Code.

#### **§ 19830. Gambling Control Fund; investigative account**

There is an investigative account within the Gambling Control Fund. All funds received for the purpose of paying expenses incurred by the department for investigation of an application for a license or approval under this chapter shall be deposited in the account. Expenses may be advanced from the investigative account to the department by the chief.

### **Article 3. Regulations**

#### **§ 19840. Regulations; adoption**

The commission may adopt regulations for the administration and enforcement of this chapter. To the extent appropriate, regulations of the commission and the department shall take into consideration the operational differences of large and small establishments.

#### **§ 19841. Content requirements of regulations**

The regulations adopted by the commission shall do all of the following:

(a) With respect to applications, registrations, investigations, and fees, the regulations shall include, but not be limited to, provisions that do all of the following:

(1) Prescribe the method and manner of application and registration.

(2) Prescribe the information to be furnished by any applicant, licensee, or registrant concerning, as appropriate, the person's personal history, habits, character, associates,

criminal record, business activities, organizational structure, and financial affairs, past or present.

(3) Prescribe the information to be furnished by an owner licensee relating to the licensee's gambling employees.

(4) Require fingerprinting or other methods of identification of an applicant, licensee, or employee of a licensee.

(5) Prescribe the manner and method of collection and payment of fees and issuance of licenses.

(b) Provide for the approval of game rules and equipment by the department to ensure fairness to the public and compliance with state laws.

(c) Implement the provisions of this chapter relating to licensing and other approvals.

(d) Require owner licensees to report and keep records of transactions, including transactions as determined by the department, involving cash or credit. The regulations may include, without limitation, regulations requiring owner licensees to file with the department reports similar to those required by Sections 5313 and 5314 of Title 31 of the United States Code, and by Sections 103.22 and 103.23 of Title 31 of the Code of Federal Regulations, and any successor provisions thereto, from financial institutions, as defined in Section 5312 of Title 31 of the United States Code and Section 103.11 of Title 31 of the Code of Federal Regulations, and any successor provisions.

(e) Provide for the receipt of protests and written comments on an application by public agencies, public officials, local governing bodies, or residents of the location of the gambling establishment or future gambling establishment.

(f) Provide for the disapproval of advertising by licensed gambling establishments that is determined by the department to be deceptive to the public. Regulations adopted by the commission for advertising by licensed gambling establishments shall be consistent with the advertising regulations adopted by the California Horse Racing Board and the Lottery Commission. Advertisement that appeals to children or adolescents or that offers gambling as a means of becoming wealthy is presumptively deceptive.

(g) Govern all of the following:

(1) The extension of credit.

(2) The cashing, deposit, and redemption of checks or other negotiable instruments.

(3) The verification of identification in monetary transactions.

(h) Prescribe minimum procedures for adoption by owner licensees to exercise effective control over their internal fiscal and gambling affairs, which shall include, but not be limited to, provisions for all of the following:

(1) The safeguarding of assets and revenues, including the recording of cash and evidences of indebtedness.

(2) Prescribing the manner in which compensation from games and gross revenue shall be computed and reported by an owner licensee.

(3) The provision of reliable records, accounts, and reports of transactions, operations, and events, including reports to the department.

(i) Provide for the adoption and use of internal audits, whether by qualified internal auditors or by certified public accountants. As used in this subdivision, "internal audit" means a type of control that operates through the testing and evaluation of other controls and that is also directed toward observing proper compliance with the minimum standards of control prescribed in subdivision (h).

(j) Require periodic financial reports from each owner licensee.

(k) Specify standard forms for reporting financial conditions, results of operations, and other relevant financial information.

(l) Formulate a uniform code of accounts and accounting classifications to ensure consistency, comparability, and effective disclosure of financial information.

(m) Prescribe intervals at which the information in subdivisions (j) and (k) shall be furnished to the department.

(n) Require audits to be conducted, in accordance with generally accepted auditing standards, of the financial statements of all owner licensees whose annual gross revenues equal or exceed a specified sum. However, nothing herein shall be construed to limit the department's authority to require audits of any owner licensee. Audits, compilations, and reviews provided for in this subdivision shall be made by independent certified public accountants licensed to practice in this state.

(o) Restrict, limit, or otherwise regulate any activity that is related to the conduct of controlled gambling, consistent with the purposes of this chapter.

(p) Define and limit the area, games, hours of operation, number of tables, wagering limits, and equipment permitted, or the method of operation of games and equipment, if the commission, upon the recommendation of, or in consultation with, the department, determines that local regulation of these subjects is insufficient to protect the health, safety, or welfare of residents in geographical areas proximate to a gambling establishment.

(q) Prohibit gambling enterprises from cashing checks drawn against any federal, state, or county fund, including, but not limited to, social security, unemployment insurance, disability payments, or public assistance payments. However, a gambling enterprise shall not be prohibited from cashing any payroll checks or checks for the delivery of goods or services that are drawn against a federal, state, or county fund.

(r) Provide for standards, specifications, and procedures governing the manufacture, distribution, including the sale and leasing, inspection, testing, location, operation, repair, and storage of gambling equipment, and for the licensing of persons engaged in the business of manufacturing, distributing, including the sale and leasing, inspection, testing, repair, and storage of gambling equipment.

(s) By December 31, 2011, provide procedures, criteria, and timelines for the processing and approval of applications for the licensing, temporary or interim licensing, or findings of suitability for receivers, trustees, beneficiaries, executors, administrators, conservators, successors in interest, or security interest holders for a gambling enterprise so that gambling

enterprises may operate continuously in cases including, but not limited to, the death, insolvency, foreclosure, receivership, or incapacity of a licensee.

**§ 19842. Prohibition of play of game or restriction in manner of play; violation of law or ordinance; construction; emergency regulations**

(a) The commission shall not prohibit, on a statewide basis, the play of any game or restrict the manner in which any game is played, unless the commission, in a proceeding pursuant to this article, finds that the game, or the manner in which the game is played, violates a law of the United States, a law of this state, or a local ordinance.

(b) Nothing in this section shall be construed to limit the powers of the commission in a proceeding against a licensee pursuant to Article 10 (commencing with Section 19930).

(c) No regulation prohibiting a game or the manner in which a game is played shall be deemed to be an emergency regulation.

**§ 19843. Placement of wager on controlled game by person at table**

The commission shall not prohibit, on a statewide basis, the placing of a wager on a controlled game by a person at a gaming table, if the person is present at the table and actively participating in the hand with a single-seated player upon whose hand the wagers are placed.

**§ 19844. Exclusion or ejection of individuals from gaming establishments; formulation of list; distribution; petition; action against licensee**

(a) The commission shall, by regulation, provide for the formulation of a list of persons who are to be excluded or ejected from any gambling establishment. The list may include any person whose presence in the establishment is determined by the commission to pose a threat to the interests of this state or to controlled gambling, or both.

(b) In making the determination described in subdivision (a), the commission may consider, but is not limited to considering, any of the following:

(1) Prior conviction of a crime that is a felony in this state or under the laws of the United States, a crime involving moral turpitude, or a violation of the gambling laws of this or any other state.

(2) The violation of, or conspiracy to violate, the provisions of this chapter relating to the failure to disclose an interest in a gambling establishment for which the person is required to obtain a license, or the willful evasion of fees.

(3) A notorious or unsavory reputation that would adversely affect public confidence and trust that the gambling industry is free from criminal or corruptive elements.

(4) An order of exclusion or ejection from a racing enclosure issued by the California Horse Racing Board.

(c) The commission shall distribute the list of persons who are to be excluded or ejected from any gambling establishment to all owner licensees and shall provide notice to any persons included on the list.

(d) The commission shall adopt regulations establishing procedures for hearing of petitions by persons who are ejected or excluded from licensed premises pursuant to this section or pursuant to Section 19845.

(e) The commission may revoke, limit, condition, or suspend the license of an owner, or fine an owner licensee, if that licensee knowingly fails to exclude or eject from the gambling establishment of that licensee any person included on the list of persons to be excluded or ejected.

#### **§ 19845. Removal of persons from licensed premises; reasons**

(a) A licensee may remove from his or her licensed premises any person who, while on the premises:

- (1) Is a disorderly person, as defined by Section 647 of the Penal Code.
- (2) Interferes with a lawful gambling operation.
- (3) Solicits or engages in any act of prostitution.
- (4) Beggars, is boisterous, or is otherwise offensive to other persons.
- (5) Commits any public offense.
- (6) Is intoxicated.
- (7) Is a person who the commission, pursuant to regulation, has determined should be excluded from licensed gambling establishments in the public interest.

(b) Nothing in this section shall be deemed, expressly or impliedly, to preclude a licensee from exercising the right to deny access to or to remove any person from its premises or property for any reason the licensee deems appropriate.

#### **§ 19846. Liability of gambling enterprises with respect to ejecting or excluding individuals**

(a) Notwithstanding any other provision of law and except as provided in subdivision (b), a gambling enterprise that ejects or excludes an individual based upon Section 19844 or 19845 is not subject to civil liability for a mistake as to the grounds for ejecting or excluding a person if the ejection or exclusion was based upon a reasonable and good faith belief, after a reasonable investigation, that these sections applied to the individual in question.

(b) Notwithstanding subdivision (a), a gambling enterprise may not be relieved from liability for any damages arising from the means of ejection or exclusion.

### **Article 4. Licensing**

#### **§ 19850. State gambling license, key employee license, or work permit; requirements; violation; punishment**

Every person who, either as owner, lessee, or employee, whether for hire or not, either solely or in conjunction with others, deals, operates, carries on, conducts, maintains, or exposes for play any controlled game in this state, or who receives, directly or indirectly, any compensation or reward, or any percentage or share of the money or property played, for keeping, running, or carrying on any controlled game in this state, shall apply for and obtain

from the commission, and shall thereafter maintain, a valid state gambling license, key employee license, or work permit, as specified in this chapter. In any criminal prosecution for violation of this section, the punishment shall be as provided in Section 337j of the Penal Code.

#### **§ 19850.5. Application of chapter**

Notwithstanding Section 19850 or any other provision of law, this chapter shall apply to both of the following:

(a) The operation, regulation, and enforcement of remote caller bingo, as defined in paragraph (1) of subdivision (t) of Section 326.3 of the Penal Code, to the extent expressly made applicable by Section 326.3 of the Penal Code. No requirement contained in this chapter shall apply to remote caller bingo unless expressly made applicable by Section 326.3 of the Penal Code.

(b) The regulation of card-minding devices as provided in subdivision (p) of Section 326.5 of the Penal Code, to the extent expressly made applicable by Section 326.5 of the Penal Code. No requirement contained in this chapter shall apply to card-minding devices unless expressly made applicable by Section 326.5 of the Penal Code.

#### **§ 19850.6. Remote caller bingo and card-minding devices; exemption from normal rulemaking procedural requirements; emergency regulations**

(a) In order to avoid delays in implementing the California Remote Caller Bingo Act, including implementing remote caller bingo, testing and certifying card-minding devices, and to avoid disruption of fundraising efforts by nonprofit organizations, the Legislature finds and declares that it is necessary to provide the commission with a limited exemption from normal rulemaking procedural requirements. The commission is directed to adopt appropriate emergency regulations as soon as possible, the initial regulatory action to be filed with the Office of Administrative Law no later than May 1, 2009. It is the intent of the Legislature to provide the commission with full authority and sufficient flexibility to adopt all needed regulations. These regulations may be adopted in a series of regulatory actions. Subsequent regulatory actions may amend or repeal earlier regulatory actions, as necessary, to reflect program experience and concerns of the regulated public.

(b) The commission shall adopt emergency regulations concerning remote caller bingo and concerning card-minding devices no later than May 1, 2009. The adoption, amendment, repeal, or readoption of a regulation authorized by this section is deemed to address an emergency, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the commission is hereby exempted for this purpose from the requirements of subdivision (b) of Section 11346.1 of the Government Code, but shall otherwise be subject to the review and approval of the Office of Administrative Law.

(c) Notwithstanding any other law, all emergency regulations adopted by the commission pursuant to this section before July 1, 2009, shall remain in effect until December 31, 2011, except to the extent that the commission exercises its power to adopt, amend, or repeal these regulations in whole or in part.

#### **§ 19851. State gambling license; owner of gambling enterprise; endorsement on license; application to key employee licenses; regulations**

(a) The owner of a gambling enterprise shall apply for and obtain a state gambling license. The owner of a gambling enterprise shall be known as the owner-licensee.

(b) Other persons who also obtain a state gambling license, as required by this chapter, shall not receive a separate license certificate, but the licenses of those persons shall be endorsed on the license certificate that is issued to the owner of the gambling enterprise.

(c) Notwithstanding any other law, the commission may adopt regulations, for any applicant who possesses a state gambling license in good standing as determined by the commission, to waive any application requirement, including, without limitation, any of the following:

(1) The requirement that an application be accompanied by supplemental forms pursuant to Section 19865.

(2) The requirement that an application be accompanied by a deposit pursuant to Section 19867.

(3) The requirement that an investigation be performed by the department.

(d) (1) The commission shall adopt regulations implementing a new owner license type that allows for a person or entity to be endorsed on the license certificate of multiple gambling enterprises.

(2) The regulations shall establish a process for a person or entity endorsed on the license certificate of multiple gambling enterprises to request at the time of submittal of an application for license renewal that their existing endorsements be converted to the new owner license type, provided that the applicant's current state gambling licenses are held in good standing, as determined by the commission.

(3) To the extent feasible, the regulations shall allow individuals or entities with the new owner license type to renew all of their endorsements on the license certificates of multiple gambling enterprises with a single application for renewal. Notwithstanding this paragraph, if the license certificate of a gambling enterprise ceases to be valid, any endorsement thereon of an individual or entity with the new owner license type shall be invalid.

## **§ 19852. Owner not natural person; eligibility for state gambling license; individual licenses**

Except as provided in Section 19852.2, an owner of a gambling enterprise that is not a natural person shall not be eligible for a state gambling license unless each of the following persons individually holds a state gambling license:

(a) If the owner is a corporation, then each officer, director, and shareholder, other than a holding or intermediary company, of the owner. The foregoing does not apply to an owner that is either a publicly traded racing association or a qualified racing association.

(b) If the owner is a publicly traded racing association, then each officer, director, and owner, other than an institutional investor, of 5 percent or more of the outstanding shares of the publicly traded corporation.

(c) If the owner is a qualified racing association, then each officer, director, and shareholder, other than an institutional investor, of the subsidiary corporation and any owner, other than an institutional investor, of 5 percent or more of the outstanding shares of the publicly traded corporation.

(d) If the owner is a partnership, then every general and limited partner of, and every trustee or person, other than a holding or intermediary company, having or acquiring a direct or beneficial interest in, that partnership owner.

(e) If the owner is a trust, then the trustee and, in the discretion of the commission, any beneficiary and the trustor of the trust.

(f) If the owner is a limited liability company, every officer, manager, member, or owner.

(g) If the owner is a business organization other than a corporation, partnership, trust, or limited liability company, then all those persons as the commission may require, consistent with this chapter.

(h) Each person who receives, or is to receive, any percentage share of the revenue earned by the owner from gambling activities.

(i) Every employee, agent, guardian, personal representative, lender, or holder of indebtedness of the owner who, in the judgment of the commission, has the power to exercise a significant influence over the gambling operation.

#### **§ 19852.2. Card clubs on or contiguous to the grounds of a racetrack; exemption from licensing requirements**

(a) Notwithstanding Section 19852 or any other provision of law, and solely for the purpose of the licensure of a card club located on any portion of, or contiguous to, the grounds upon which a racetrack is or had been previously located and horserace meetings were authorized to be conducted by the California Horse Racing Board on or before January 1, 2012, that is owned by a limited partnership that also owns or owned the racetrack, the commission may, at its discretion, exempt all of the following from the licensing requirements of this chapter:

(1) The limited partners in a limited partnership that holds interest in a holding company if all of the following criteria are met:

(A) The limited partners of the limited partnership in the aggregate directly hold at least 95 percent of the interest in the holding company.

(B) The limited partner is one of the following:

(i) An “institutional investor” as defined in subdivision (w) of Section 19805.

(ii) An “employee benefit plan” as defined in Section 1002(3) of Title 29 of the United States Code.

(iii) An investment company that manages a state university endowment.

(2) Other limited partners in a limited partnership described in paragraph (1), if the partners do not number more than five and each partner indirectly owns 1 percent or less of the shares of the interest in the holding company.

(3) A limited partner in a limited partnership that holds in the aggregate less than 5 percent of the interest in a holding company.

(b) Nothing in this section shall be construed to limit the licensure requirements for a general partner of a limited partnership or a limited partner that is not specifically described in this section.

**§ 19853. Registration, finding of suitability, or gambling license; commission or department requirement of certain individuals or corporations**

(a) The commission, by regulation or order, may require that the following persons register with the commission, apply for a finding of suitability as defined in subdivision (j) of Section 19805, or apply for a gambling license:

(1) Any person who furnishes any services or any property to a gambling enterprise under any arrangement whereby that person receives payments based on earnings, profits, or receipts from controlled gambling.

(2) Any person who owns an interest in the premises of a licensed gambling establishment or in real property used by a licensed gambling establishment.

(3) Any person who does business on the premises of a licensed gambling establishment.

(4) Any person who is an independent agent of, or does business with, a gambling enterprise as a ticket purveyor, a tour operator, the operator of a bus program, or the operator of any other type of travel program or promotion operated with respect to a licensed gambling establishment.

(5) Any person who provides any goods or services to a gambling enterprise for compensation that the commission finds to be grossly disproportionate to the value of the goods or services provided.

(6) Every person who, in the judgment of the commission, has the power to exercise a significant influence over the gambling operation.

(b) The department may conduct any investigation it deems necessary to determine whether a publicly traded corporation is, or has, engaged in activities specified in paragraph (2), (3), or (4) of subdivision (a), and shall report its findings to the commission. If a publicly traded corporation is engaged in activities described in paragraph (2), (3), or (4) of subdivision (a), the commission may require the corporation and the following other persons to apply for and obtain a license or finding of suitability:

(1) Any officer or director.

(2) Any owner, other than an institutional investor, of 5 percent or more of the outstanding shares of the corporation.

**§ 19854. Key employee; license; duration**

(a) A person shall not be employed as a key employee unless that person applies for and obtains a key employee license.

(b) A person shall not be issued a key employee license unless the person would qualify for a state gambling license.

(c) A key employee license, once issued, shall authorize a person to act as a key employee until the expiration or revocation of that license and shall entitle the holder to work for any gambling enterprise as a key employee upon proper notice to the department.

#### **§ 19855. License required prior to activity; period to file application**

Except as otherwise provided by statute or regulation, every person who, by statute or regulation, is required to hold a state license shall obtain the license prior to engaging in the activity or occupying the position with respect to which the license is required. Every person who, by order of the commission, is required to apply for a gambling license or a finding of suitability shall file the application within 45 calendar days after receipt of the order.

#### **§ 19856. License issuance; burden of proving qualifications; considerations**

(a) Any person who the commission determines is qualified to receive a state license, having due consideration for the proper protection of the health, safety, and general welfare of the residents of the State of California and the declared policy of this state, may be issued a license. The burden of proving his or her qualifications to receive any license is on the applicant.

(b) An application to receive a license constitutes a request for a determination of the applicant's general character, integrity, and ability to participate in, engage in, or be associated with, controlled gambling.

(c) In reviewing an application for any license, the commission shall consider whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the gambling operations with respect to which the license would be issued are free from criminal and dishonest elements and would be conducted honestly.

#### **§ 19857. License issuance; applicant qualification requirements**

No gambling license shall be issued unless, based on all of the information and documents submitted, the commission is satisfied that the applicant is all of the following:

(a) A person of good character, honesty, and integrity.

(b) A person whose prior activities, criminal record, if any, reputation, habits, and associations do not pose a threat to the public interest of this state, or to the effective regulation and control of controlled gambling, or create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, and activities in the conduct of controlled gambling or in the carrying on of the business and financial arrangements incidental thereto.

(c) A person that is in all other respects qualified to be licensed as provided in this chapter.

#### **§ 19858. License to hold state gambling license to own gambling establishment; financial interest in organizations engaged in prohibited form of gambling; exemptions from prohibition; time frame and procedures relating to divestment**

(a) Except as provided in subdivisions (b) and (c), a person shall be deemed to be unsuitable to hold a state gambling license to own a gambling establishment if the person, or any partner, officer, director, or shareholder of the person, has any financial interest in any business or organization that is engaged in any form of gambling prohibited by Section 330 of the Penal Code, whether within or without this state.

(b) Subdivision (a) shall not apply to a publicly traded racing association, a qualified racing association, or any person who is licensed pursuant to subdivision (b) or (c) of Section 19852.

(c) Subdivision (a) shall not apply to a person who meets all of the following criteria:

(1) The person is licensed or had an application to be licensed on file with the commission on or before February 1, 2013.

(2) The person has a financial interest in a business or organization engaged in gambling prohibited by Section 330 of the Penal Code that was closed and was not engaged in prohibited gambling at the time the person was either licensed or had filed an application to be licensed with the commission.

(3) The person has a financial interest in a gambling establishment that is located on any portion of, or contiguous to, the grounds on which a racetrack is or had been previously located and horserace meetings were authorized to be conducted by the California Horse Racing Board on or before January 1, 2012.

(4) The grounds upon which the gambling establishment described in paragraph (3) is located are directly or indirectly owned by a racetrack limited partnership owner. For purposes of this paragraph, a "racetrack limited partnership owner" is defined as a limited partnership, or a number of related limited partnerships, that is or are at least 80 percent capitalized by limited partners that are an "institutional investor" as defined in subdivision (w) of Section 19805, an "employee benefit plan" as defined in Section 1002(3) of Title 29 of the United States Code, or an investment company that manages a state university endowment.

(d) Within three years of the date the closed business or organization reopens or becomes engaged in any form of gambling prohibited by Section 330 of the Penal Code, a person described in subdivision (c) shall either divest that person's interest in the business or organization, or divest that person's interest in the gambling enterprise or gambling establishment for which the person is licensed or has applied to be licensed by the commission.

(e) A person described in subdivision (c) shall inform the commission within 30 days of the date on which a business or organization in which the person has a financial interest begins to engage in any form of gambling prohibited by Section 330 of the Penal Code.

(f) During the three-year divestment period described in subdivision (d), it is unlawful for any cross-promotion or marketing to occur between the business or organization that is engaged in any form of gambling prohibited by Section 330 of the Penal Code and the gambling enterprise or gambling establishment described in paragraph (3) of subdivision (c). For purposes of this subdivision, "cross-promotion or marketing" means the offering to any customers of the gambling enterprise or gambling establishment anything of value related to visiting or gambling at the business or organization engaged in any form of gambling prohibited by Section 330 of the Penal Code.

(g) During the three-year divestment period described in subdivision (d), any funds used in connection with the capital improvement of the gambling enterprise or gambling establishment described in paragraph (3) of subdivision (c) shall not be provided from the gaming revenues of either the business or organization engaged in gaming prohibited under Section 330 of the Penal Code.

(h) If, at the end of the three-year divestment period described in subdivision (d), any person described in subdivision (c) has not divested his or her interest in either the gambling enterprise or gambling establishment or the business or organization engaged in any form of gaming prohibited under Section 330 of the Penal Code, the prohibitions of Section 19858 as it read on January 1, 2013, apply.

#### **§ 19858.5. Financial interest in another lawful gambling business**

Notwithstanding Section 19858, the commission may, pursuant to this chapter, deem an applicant or licensee suitable to hold a state gambling license even if the applicant or licensee has a financial interest in another business that conducts lawful gambling outside the state that, if conducted within California, would be unlawful, provided that an applicant or licensee may not own, either directly or indirectly, more than a 1 percent interest in, or have control of, that business.

#### **§ 19859. License denial; applicant disqualification**

The commission shall deny a license to any applicant who is disqualified for any of the following reasons:

(a) Failure of the applicant to clearly establish eligibility and qualification in accordance with this chapter.

(b) Failure of the applicant to provide information, documentation, and assurances required by this chapter or requested by the chief, or failure of the applicant to reveal any fact material to qualification, or the supplying of information that is untrue or misleading as to a material fact pertaining to the qualification criteria.

(c) (1) Except as provided in paragraph (2), conviction of a felony, including a conviction by a federal court or a court in another state for a crime that would constitute a felony if committed in California.

(2) A conviction of a felony for the possession of cannabis, the facts of which would not constitute a felony or misdemeanor under California law on the date the application for a license is submitted, shall not constitute a basis to deny a license pursuant to this section.

(d) Conviction of the applicant for any misdemeanor involving dishonesty or moral turpitude within the 10-year period immediately preceding the submission of the application, unless the applicant has been granted relief pursuant to Section 1203.4, 1203.4a, or 1203.45 of the Penal Code; provided, however, that the granting of relief pursuant to Section 1203.4, 1203.4a, or 1203.45 of the Penal Code shall not constitute a limitation on the discretion of the commission under Section 19856 or affect the applicant's burden under Section 19857.

(e) Association of the applicant with criminal profiteering activity or organized crime, as defined by Section 186.2 of the Penal Code.

(f) Contumacious defiance by the applicant of any legislative investigatory body, or other official investigatory body of any state or of the United States, when that body is engaged in the investigation of crimes relating to gambling; official corruption related to gambling activities; or criminal profiteering activity or organized crime, as defined by Section 186.2 of the Penal Code.

(g) The applicant is less than 21 years of age, except as provided by this chapter.

### **§ 19860. License denial; establishment in location without required ordinance**

(a) The commission shall deny a gambling license with respect to any gambling establishment that is located in a city, county, or city and county that does not have an ordinance governing all of the following matters:

- (1) The hours of operation of gambling establishments.
- (2) Patron security and safety in and around the gambling establishments.
- (3) The location of gambling establishments.
- (4) Wagering limits in gambling establishments.
- (5) The number of gambling tables in each gambling establishment and in the jurisdiction.

(b) In any city, county, or city and county in which the local gambling ordinance does not govern the matters specified in subdivision (a), any amendment to the ordinance to govern those matters is not subject to Section 19961, provided that a local election is required to add these matters, and the ordinance only provides for private clubs by vote of the people, and that the ordinance is amended to contain these matters on or before July 1, 2000.

### **§ 19861. Denial of license; criteria**

(a) Notwithstanding subdivision (j) of Section 19801, the commission shall not deny a license to a gambling establishment solely because it is not open to the public, if all of the following are true:

- (1) The gambling establishment is situated in a local jurisdiction that has an ordinance allowing only private clubs, the gambling establishment was in operation as a private club under that ordinance on December 31, 1997, and it met all applicable state and local gaming registration requirements.
- (2) The gambling establishment consists of no more than five gaming tables.
- (3) Video recordings of the entrance to the gambling room or rooms and all tables situated therein are made during all hours of operation by means of closed-circuit television cameras, and these recordings are retained for a period of 30 days and are made available for review by the department upon request.
- (4) The gambling establishment is open to members of the private club and their spouses in accordance with membership criteria in effect as of December 31, 1997.

(b) A gambling establishment meeting the criteria set forth in subdivision (a), in addition to the other requirements of this chapter, may be licensed to operate as a private club gambling establishment until November 30, 2003, or until the ownership or operation of the gambling establishment changes from the ownership or operation as of January 1, 1998, whichever occurs first. Operation of the gambling establishments after this date shall only be permitted if the local jurisdiction approves an ordinance, pursuant to Sections 19961 and 19962, authorizing the operation of gambling establishments that are open to the public. The commission shall adopt regulations implementing this section. Before the commission's issuance of a license to a private club, the department shall ensure that the ownership of the gambling establishment has

remained constant since January 1, 1998, and the operation of the gambling establishment has not been leased to a third party.

#### **§ 19862. License denial; consideration by commission; additional grounds**

(a) In addition to other grounds stated in this chapter, the commission may deny a gambling license for any of the following reasons:

(1) If issuance of the license with respect to the proposed gambling establishment or expansion would tend unduly to create law enforcement problems in a city, county, or city and county other than the city, county, or city and county that has regulatory jurisdiction over the applicant's premises.

(2) If an applicant fails to conduct an economic feasibility study that demonstrates to the satisfaction of the commission that the proposed gambling establishment will be economically viable, and that the owners have sufficient resources to make the gambling establishment successful. The commission shall hold a public meeting for the purpose of reviewing the feasibility study. All papers, studies, projections, pro formas, and other materials filed with the commission pursuant to an economic feasibility study are public records and shall be disclosed to all interested parties.

(3) If issuance of the license is sought in respect to a new gambling establishment, or the expansion of an existing gambling establishment, that is to be located or is located near an existing school, an existing building used primarily as a place of worship, an existing playground or other area of juvenile congregation, an existing hospital, convalescence facility, or near another similarly unsuitable area, as determined by regulation of the commission, which is located in a city, county, or city and county other than the city, county, or city and county that has regulatory jurisdiction over the applicant's gambling premises.

(b) For the purposes of this section, "expansion" means an increase of 25 percent or more in the number of authorized gambling tables in a gambling establishment, based on the number of gambling tables for which a license was initially issued pursuant to this chapter.

#### **§ 19863. Publicly traded racing association or qualified racing association; gaming establishment**

(5) A description of the proposed gambling establishment and operation.

(6) Any other information and details the commission may require in order to discharge its duties properly.

#### **§ 19865. Supplemental forms; content**

The department shall furnish to the applicant supplemental forms, which the applicant shall complete and file with the department. These supplemental forms shall require, but shall not be limited to requiring, complete information and details with respect to the applicant's personal history, habits, character, criminal record, business activities, financial affairs, and business associates, covering at least a 10-year period immediately preceding the date of filing of the application. Each applicant shall submit two sets of fingerprints, using "live scan" or other prevailing, accepted technology, or on forms provided by the department. The department may submit one fingerprint card to the United States Federal Bureau of Investigation.

#### **§ 19866. Information disclosure by applicant**

#### **§ 19867. Deposit; costs and charges of investigation; refund; accounting**

(a) An application for a license or a determination of suitability shall be accompanied by the deposit of a sum of money that, in the judgment of the chief, will be adequate to pay the anticipated costs and charges incurred in the investigation and processing of the application. The chief shall adopt a schedule of costs and charges of investigation for use as guidelines in fixing the amount of any required deposit under this section. The schedule shall distinguish between initial and renewal licenses with respect to costs and charges.

(b) During an investigation, the chief may require an applicant to deposit any additional sums as are required by the department to pay final costs and charges of the investigation.

(c) Any money received from an applicant in excess of the costs and charges incurred in the investigation or the processing of the application shall be refunded pursuant to regulations adopted by the department. At the conclusion of the investigation, the chief shall provide the applicant a written, itemized accounting of the costs and charges thereby incurred.

#### **§ 19868. Investigation; commencement; conclusion; denial recommendation; report; confidential information; denial without prejudice**

(a) Within a reasonable time after the filing of an application and any supplemental information the department may require, and the deposit of any fee required pursuant to Section 19867, the department shall commence its investigation of the applicant and, for that purpose, may conduct any proceedings it deems necessary. To the extent practicable, all applications shall be acted upon within 180 calendar days of the date of submission of a completed application. If an investigation has not been concluded within 180 days after the date of submission of a completed application, the department shall inform the applicant in writing of the status of the investigation and shall also provide the applicant with an estimated date on which the investigation may reasonably be expected to be concluded.

(b) If denial of the application, or approval of the license with restrictions or conditions on the license, is recommended, the chief shall prepare and file with the commission his or her written reasons upon which the recommendation is based.

(1) Prior to filing his or her recommendation with the commission, the chief shall meet with the applicant, or the applicant's duly authorized representative, and inform him or her generally of the basis for any proposed recommendation that the application be denied, restricted, or conditioned.

(2) Not less than 10 business days prior to the meeting of the commission at which the application is to be considered, the department shall deliver to the applicant a summary of the chief's final report and recommendation.

(3) This section requires the department neither to divulge to the applicant any confidential information received from any law enforcement agency or any information received from any person with assurances that the information would be maintained confidential, nor to divulge any information that might reveal the identity of any informer or jeopardize the safety of any person.

(c) If a restriction or condition on the license is recommended, the chief shall prepare and file with the commission his or her written reasons upon which the recommendation is based.

(1) Prior to filing his or her recommendation with the commission, and not less than 10 business days prior to the meeting of the commission at which the application is to be considered, the chief shall inform the applicant in writing generally of the basis for any proposed recommendation that the application be restricted or conditioned, including the legal and factual grounds on which the recommendation is based.

(2) This section does not require the department to divulge to the applicant any confidential information received from any law enforcement agency or any information received from any person with assurances that the information would be maintained confidential, or to divulge any information that might reveal the identity of any informer or jeopardize the safety of any person.

(d) A recommendation of denial of an application shall be without prejudice to a new and different application filed in accordance with applicable regulations.

#### **§ 19869. Request for withdrawal of application; denial; grant with prejudice; fee refund**

A request for withdrawal of an application may be made at any time prior to a final action upon the application by the commission by the filing of a written request to withdraw with the department. The commission shall not grant the request unless the applicant has established that withdrawal of the application would be consistent with the public interest and the policies of this chapter. If a request for withdrawal is denied, the department may go forward with its investigation and make a recommendation to the commission upon the application, if applicable, and the commission may act upon the application as if no request for withdrawal had been made. If a request for withdrawal is granted with prejudice, the applicant thereafter shall be ineligible to submit or renew its application until the expiration of one year from the date of the withdrawal. Unless the commission otherwise directs, any application fee or other payment relating to any application is not refundable by reason of withdrawal of an application.

## **§ 19870. Commission authority to deny or grant license; restrictions; statement of reasons for denial; record of meeting proceedings; review by petition**

(a) The commission, after considering the recommendation of the chief and any other testimony and written comments as may be presented at the meeting, or as may have been submitted in writing to the commission prior to the meeting, may deny the application, grant a license to an applicant who it determines to be qualified to hold the license, or refer the application to an evidentiary hearing.

(b) When the commission grants an application for a license or approval, the commission may limit or place restrictions on the license or approval as it may deem necessary in the public interest, consistent with the policies described in this chapter.

(c) If, during a meeting, the commission denies an application, denies approval, or approves with limits, restrictions, or conditions, the action shall be stayed for a period of 30 days after the meeting, during which the applicant may request an evidentiary hearing. If the applicant does not file a request for an evidentiary hearing within 30 days, the action of the commission taken at the meeting is final. If the applicant waives the right to hearing and assents to the action of the commission in writing, upon receipt of the waiver by the commission, the action shall no longer be stayed. If the applicant files a timely request for an evidentiary hearing, the action shall be vacated and the application shall be reviewed de novo at the evidentiary hearing.

(d) When an application is denied after an evidentiary hearing, the commission shall prepare and file a detailed statement of its reasons for the denial.

(e) All proceedings relating to an application at a meeting of the commission or at an evidentiary hearing shall be recorded stenographically or by audio or video recording.

(f) A decision of the commission after an evidentiary hearing, denying a license or approval, or imposing any condition or restriction on the grant of a license or approval may be reviewed by petition pursuant to Section 1085 of the Code of Civil Procedure. Section 1094.5 of the Code of Civil Procedure does not apply to any judicial proceeding held to consider that petition, and the court may grant the petition only if the court finds that the action of the commission was arbitrary and capricious, or that the action exceeded the commission's jurisdiction.

(E) To offer rebuttal evidence.

(3) If the applicant does not testify on their own behalf, the applicant may be called and examined as if under cross-examination.

(4) The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence may be considered, and is sufficient in itself to support a finding, if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might make improper the admission of that evidence over objection in a civil action.

(b) This section does not confer upon an applicant a right to discovery of the department's investigative reports or to require disclosure of any document or information the disclosure of which is otherwise prohibited by any other provision of this chapter.

### **§ 19872. Ex parte communications; disqualification of commission members; application denial**

(a) No member of the commission may communicate ex parte, directly or indirectly, with any applicant, or any agent, representative, or person acting on behalf of an applicant, upon the merits of an application for a license, permit, registration, or approval while the application is being investigated by the department or pending disposition before the department or the commission.

(d) The receipt by a member of the commission of an ex parte communication prohibited by this section may provide the basis for disqualification of that member or the denial of the application. The commission shall adopt regulations to implement this subdivision.

(e) For the purposes of this subdivision, "ex parte" means a communication without notice and opportunity for all parties to participate in the communication.

(f) Nothing in this section precludes a communication made on the record at a public hearing on a properly agendaized matter.

#### **§ 19891. Certificate of limited partnership; purposes to include conduct of gambling**

No limited partnership is eligible to receive a license to own a gambling enterprise unless the conduct of gambling is among the purposes stated in the certificate of limited partnership.

#### **§ 19892. Approval of sale or transfer of interest; license denial to interest owner; return of capital account amount; violation; statement on certificate**

(a) The purported sale, assignment, transfer, pledge, or other disposition of any interest in a partnership or limited liability company that holds a gambling license, or the grant of an option to purchase the interest, is void unless approved in advance by the commission.

(b) If at any time the commission denies a license to, or revokes the license of, an individual owner of any interest described in subdivision (a), the commission shall immediately notify the individual and the partnership or limited liability company of that fact. The individual denied a license, or whose license is revoked, shall sell his or her interest in an amount not greater than fair market value, within 60 calendar days of the denial or revocation. Upon a showing of due diligence, the commission may extend the time for selling the security.

(c) Beginning upon the date when the commission serves a notice of denial upon the partnership or limited liability company, it is unlawful for the denied owner of the interest to do any of the following:

(1) Receive any share of the revenue or interest upon the partnership or limited liability company interest, except distributions equal to the good faith estimate of the owner's personal share of any income tax due on the ownership interest until the date of the sale as determined in writing by an independent certified public accountant.

(2) Exercise, directly or through any trustee or nominee, any voting right conferred by that interest.

(3) Receive any remuneration in any form from the partnership, for services rendered or for any other purpose.

(d) Every certificate of limited partnership of any limited partnership or limited liability company holding a gambling license shall contain a statement of the restrictions imposed by this section.

### **§ 19893. Individual licenses; application period**

To the extent required by this chapter, general partners, limited partners, lenders, members, managers, holders of evidence of indebtedness, underwriters, agents, or employees of a partnership or limited liability company that holds or applies for a license to own a gambling enterprise shall be licensed individually. The partnership or limited liability company shall require these persons to apply for and obtain a gambling license. A person who is required to be licensed by this section as a partner, manager, or member shall not hold that position until he or she secures the required approval of, or a temporary license issued by, the commission. A person who is required to be licensed pursuant to a decision of the commission shall apply for a license within 30 days after the commission requests him or her to do so.

## **Article 7. Restrictions on Certain Transactions**

### **§ 19900. Enforcement of security interests; regulations; compliance and approval**

(a) Except as may be provided by regulation of the commission, the following security interests shall not be enforced without the prior approval of the commission and compliance with regulations adopted pursuant to subdivision (b):

(1) In a security issued by a corporation that is a holder of a gambling license in this state.

(2) In a security issued by a holding company that is not a publicly traded corporation.

(3) In a security issued by a partnership, limited partnership, or limited liability company that is a holder of a gambling license in this state.

(b) The commission shall adopt regulations establishing the procedure for the enforcement of a security interest. Any remedy provided by the regulations for the enforcement of the security interest is in addition to any other remedy provided by law.

#### **§ 19901. Agreements with licensee in accordance with regulations; violation**

It is unlawful for any person to sell, purchase, lease, hypothecate, borrow or loan money, or create a voting trust agreement or any other agreement of any sort to, or with, any licensee in connection with any controlled gambling operation licensed under this chapter or with respect to any portion of the gambling operation, except in accordance with the regulations of the commission.

#### **§ 19902. Contract to sell or lease property or interest in property; commission approval or licensing of purchaser or lessee; contract provision; closing date**

When any person contracts to sell or lease any property or interest in property, real or personal, under circumstances that require the approval or licensing of the purchaser or lessee by the commission pursuant to subdivision (a) of Section 19853, the contract shall not specify a closing date for the transaction that is prior to that approval or licensing by the commission. Any provision of a contract that specifies an earlier closing date is void for all purposes, but the invalidity does not affect the validity of any other provision of the contract.

#### **§ 19903. Contract to sell or lease property or interest in property; contract provision; payment of fees**

When any person contracts to sell or lease any property or interest in property, real or personal, under circumstances that require the approval or licensing of the purchaser or lessee by the commission pursuant to subdivision (a) of Section 19853, the contract shall contain a provision satisfactory to the commission regarding responsibility for the payment of any fees due pursuant to any subsequent deficiency determinations made under this chapter that shall encompass any period of time before the closing date of the transaction.

#### **§ 19904. Disposition of or option to purchase security; void unless approved**

The purported sale, assignment, transfer, pledge, or other disposition of any security issued by a corporation, membership interest of a limited liability company, or ownership interest of a partnership or sole proprietor that holds a gambling license, or the grant of an option to purchase that interest or security, is void unless approved in advance by the commission.

#### **§ 19905. Extension or redemption of credit; payment, receipt, or transfer of monetary instruments; regulations; records; report**

Every owner licensee that is involved in a transaction for the extension or redemption of credit by the licensee, or for the payment, receipt, or transfer of coin, currency, or other monetary instruments, as specified by the commission, in an amount, denomination, or amount and denomination, or under circumstances prescribed by regulations, and any other participant in the transaction, as specified by the commission, shall, if required by regulation, make and retain a record of, or file with the department a report on, the transaction, at the time and in the manner prescribed by regulations.

#### **§ 19906. Contract for the sale of a gambling enterprise; outstanding gaming chips**

(a) A contract for the sale of a gambling enterprise shall state whether any outstanding gaming chips from the seller will be honored by the purchaser. If the contract does not require

the purchaser to honor the outstanding gaming chips used by the seller, then the contract shall indicate what provisions have been made for the redemption of outstanding gaming chips as of the closing date of the sale.

(b) Prior to any action of the commission on the proposed contract for sale of the gambling enterprise, the department shall determine the amount of the seller's outstanding gaming chip liability. The seller shall satisfy the commission that the amount of liability is safeguarded by a surety bond, escrow account, or other form of security sufficient to guarantee the availability of funds for the redemption of outstanding gaming chips. The seller shall give notice to the patrons of the gambling enterprise in order to provide an adequate opportunity for redemption of any outstanding gaming chips.

## **Article 8. Work Permits**

### **§ 19910. Legislative findings**

The Legislature finds that to protect and promote the health, safety, good order, and general welfare of the inhabitants of this state, and to carry out the policy declared by this chapter, it is necessary that the department ascertain and keep itself informed of the identity, prior activities, and present location of all gambling enterprise employees and independent agents in the State of California, and when appropriate to do so, recommend to the commission for approval persons for employment in gambling establishments as provided in this article.

### **§ 19911. Eligibility; age; issuance of permit; employment of persons 18 through 20 years of age**

(a) A person under 21 years of age is not eligible for a work permit, and a permit shall not be issued to a person under 21 years of age.

(b) A person who is 18 through 20 years of age may be employed to work in a gambling establishment, without a work permit, but shall not be allowed to perform any duties of a gambling enterprise employee on the floor of the gambling establishment or in areas that are identified as restricted access areas to gambling enterprise employees, including, but not limited to, the cage, count room, surveillance room, security office, vault, and card storage. A person who is 18 through 20 years of age may be employed in job classifications that entail providing services exclusively off the gaming floor and that are not involved in the play of a controlled game.

### **§ 19912. Gambling enterprise employee or independent agent; work permit application; persons employed without work permit; issuance or denial of work permit; procedures**

(a) (1) A person shall not be employed as a gambling enterprise employee, or serve as an independent agent, except as provided in paragraph (2), (3), or (4), unless the person is the holder of one of the following:

(A) A valid work permit issued in accordance with the applicable ordinance or regulations of the county, city, or city and county in which the person's duties are performed.

(B) A work permit issued by the commission pursuant to regulations adopted by the commission for the issuance and renewal of work permits. A work permit issued by the commission shall be valid for two years. A work permit, once issued by the

commission, shall authorize a person to act as a gambling enterprise employee, or serve as an independent agent, until the expiration or revocation of that work permit and shall entitle the holder to work for any gambling enterprise for which the commission issues work permits as a gambling enterprise employee after proper notification to the department.

(2) An independent agent is not required to hold a work permit if the independent agent is not a resident of this state and has registered with the department in accordance with regulations.

(3) A person whose job duties are not supervisory, not related to the operation or administration of gambling, and who does not perform employment duties in the area where gambling is conducted, may begin working as a gambling enterprise employee after applying for a work permit provided that the person wears a temporary badge on their outermost garment at chest level with their name, picture, and the words "Non-Gaming Employee, Work Permit Pending." Except as provided in paragraph (4), after the person has received a work permit, the person may perform any duties for which a work permit is required. If the person is denied a work permit, the person shall not work as a gambling enterprise employee in any gaming or nongaming job.

(4) A person who is 18 through 20 years of age may be employed without a work permit and only in a position that is not supervisory, not related to the operation or administration of gambling, and not allowed to perform duties in an area in which gambling is conducted, until the person reaches 21 years of age, if the person wears a badge on their outermost garment at chest level with the words "Non-Gaming Employee: Under 21." The badge shall have a different background color than the badges worn by other gambling enterprise employees.

(b) Except as provided in this section, a work permit shall not be issued by the commission or by any city, county, or city and county to any person who would be disqualified from holding a state gambling license for the reasons specified in subdivisions (a) to (g), inclusive, of Section 19859.

(c) The department may object to the issuance of a work permit by a city, county, or city and county for any cause specified under this chapter deemed reasonable by the department, and if the department objects to issuance of a work permit, the work permit issued by a city, county, or city and county shall be denied.

(1) The commission shall adopt regulations specifying particular grounds for objection to issuance of, or refusal to issue, a work permit.

(2) The ordinance of any city, county, or city and county relating to issuance of work permits shall permit the department to object to the issuance of any permit.

(3) Any person whose application for a work permit has been denied because of an objection by the department may apply to the commission for an evidentiary hearing in accordance with regulations.

(d) Application for a work permit for use in any jurisdiction where a locally issued work permit is not required by the licensing authority of a city, county, or city and county shall be made to the department, and may be granted or denied by the commission for any cause specified under this chapter.

(1) If the commission denies the application, it shall include in its notice of denial a statement of facts upon which it relied in denying the application.

(2) Upon receipt of an application for a work permit, the commission may issue a temporary work permit for a period specified by the commission, pending completion of the background investigation by the department and official action by the commission with respect to the work permit application.

(e) An order of the commission denying an application for, or placing restrictions or conditions on, a work permit, including an order declining to issue a work permit following review pursuant to paragraph (3) of subdivision (c), may be reviewed in accordance with subdivision (f) of Section 19870.

### **§ 19913. Order of summary suspension; content; hearing**

(a) The commission may issue an order summarily suspending a person's work permit, whether issued by a city, county, or city and county, or by the commission, upon a finding that the suspension is necessary for the immediate preservation of the public peace, health, safety, or general welfare. The order is effective when served upon the holder of the permit.

(b) The order of summary suspension shall state facts upon which the finding of necessity for the suspension is based. For the purposes of this section, the order of summary suspension shall be deemed an accusation.

(c) An order of summary suspension shall be signed by at least three members of the commission.

(d) The person whose work permit is summarily suspended has a right to a hearing to commence not more than 30 calendar days from the date of service of the suspension.

### **§ 19914. Revocation of permit; grounds; hearing**

(a) The commission may revoke a work permit or, if issued by the licensing authority of a city, county, or city and county, notify the authority to revoke it, and the licensing authority shall revoke it, if the commission finds, after a hearing, that a gambling enterprise employee or independent agent has failed to disclose, misstated, or otherwise misled the department or the commission with respect to any fact contained in any application for a work permit, or if the commission finds that the employee or independent agent, subsequent to being issued a work permit, has done any of the following:

(1) Committed, attempted, or conspired to do any acts prohibited by this chapter.

(2) Engaged in any dishonest, fraudulent, or unfairly deceptive activities in connection with controlled gambling, or knowingly possessed or permitted to remain in or upon any premises any cards, dice, mechanical devices, or any other cheating device.

(3) Concealed or refused to disclose any material fact in any investigation by the department.

(4) Committed, attempted, or conspired to commit, any embezzlement or larceny against a gambling licensee or upon the premises of a gambling establishment.

(5) Been convicted in any jurisdiction of any offense involving or relating to gambling.

(6) Accepted employment without prior commission approval in a position for which the employee or independent agent could be required to be licensed under this chapter after having been denied a license or after failing to apply for licensing when requested to do so by the commission.

(7) Been refused the issuance of any license, permit, or approval to engage in or be involved with gambling or parimutuel wagering in any jurisdiction, or had the license, permit, or approval revoked or suspended.

(8) Been prohibited under color of governmental authority from being present upon the premises of any licensed gambling establishment or any establishment where parimutuel wagering is conducted, for any reason relating to improper gambling activities or any illegal act.

(9) Been convicted of any felony.

(b) The commission shall revoke a work permit if it finds, after hearing, that the holder thereof would be disqualified from holding a state gambling license for the reasons specified in subdivision (f) or (g) of Section 19859.

(c) This section shall not be construed to limit any powers of the commission with respect to licensing.

#### **§ 19915. Fee for issuance of work permit**

The fee for a work permit issued by the commission shall be not less than twenty-five dollars (\$25) or more than two hundred fifty dollars (\$250).

### **Article 9. Conditions of Operation**

#### **§ 19920. Operation to protect public health, safety, and general welfare; disciplinary action**

It is the policy of the State of California to require that all establishments wherein controlled gambling is conducted in this state be operated in a manner suitable to protect the public health, safety, and general welfare of the residents of the state. The responsibility for the employment and maintenance of suitable methods of operation rests with the owner licensee, and willful or persistent use or toleration of methods of operation deemed unsuitable by the commission or by local government shall constitute grounds for license revocation or other disciplinary action.

#### **§ 19921. Persons under 21; areas of access in a gambling establishment; entrance; loitering prohibited**

(a) A person under 21 years of age is not permitted to enter upon the premises of a licensed gambling establishment, or any part thereof, except for the following areas:

(1) An area separated from a gambling area, used for a nongaming purpose, including for maintenance, parking, or business offices, or for the purpose of dining or food or beverage service or preparation. For purposes of this subdivision, a place where food or beverages are dispensed primarily by a vending machine is not a place for dining.

(2) Restrooms.

(3) A supervised room that is physically separated from a gambling area and used primarily for the purpose of entertainment or recreation.

(4) Those areas authorized in connection with employment in accordance with subdivision (b) of Section 19911.

(b) A person who is under 21 years of age and not a gambling enterprise employee may enter upon or pass through a gambling area on a designated pathway to reach any of the areas described in paragraphs (1) to (3), inclusive, of subdivision (a) only if accompanied by a person or gambling enterprise employee who is 21 years of age or over.

(c) A person under 21 years of age shall not be permitted to loiter in a gaming area.

### **§ 19922. Gambling enterprise operation in violation of chapter provisions or regulations**

No owner licensee shall operate a gambling enterprise in violation of any provision of this chapter or any regulation adopted pursuant to this chapter.

### **§ 19923. Gambling enterprise operation in violation of local ordinance**

No owner licensee shall operate a gambling enterprise in violation of any governing local ordinance.

### **§ 19924. Security Controls; approval of commission**

Each owner licensee shall maintain security controls over the gambling premises and all operations therein related to gambling, and those security controls are subject to the approval of the commission.

## **Article 10. Disciplinary Actions**

### **§ 19930. Investigations; accusations; fines or penalties; payment of costs and deposit of funds**

(a) The department shall make appropriate investigations as follows:

(1) Determine whether there has been any violation of this chapter or any regulations adopted thereunder.

(2) Determine any facts, conditions, practices, or matters that it may deem necessary or proper to aid in the enforcement of this chapter or any regulation adopted thereunder.

(3) To aid in adopting regulations.

(4) To secure information as a basis for recommending legislation relating to this chapter.

(b) If, after any investigation, the department is satisfied that a license, permit, finding of suitability, or approval should be suspended or revoked, it shall file an accusation with the commission in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

(c) In addition to any action that the commission may take against a license, permit, finding of suitability, or approval, the commission may also require the payment of fines or penalties.

However, no fine imposed shall exceed twenty thousand dollars (\$20,000) for each separate violation of any provision of this chapter or any regulation adopted thereunder.

(d) In any case in which the administrative law judge recommends that the commission revoke, suspend, or deny a license, the administrative law judge may, upon presentation of suitable proof, order the licensee or applicant for a license to pay the department the reasonable costs of the investigation and prosecution of the case.

(1) The costs assessed pursuant to this subdivision shall be fixed by the administrative law judge and may not be increased by the commission. When the commission does not adopt a proposed decision and remands the case to the administrative law judge, the administrative law judge may not increase the amount of any costs assessed in the proposed decision.

(2) The department may enforce the order for payment in the superior court in the county in which the administrative hearing was held. The right of enforcement shall be in addition to any other rights that the department may have as to any licensee directed to pay costs.

(3) In any judicial action for the recovery of costs, proof of the commission's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(e) Notwithstanding any other provision of law, all costs recovered under this section shall be deposited in the fines and penalties account, a special account described in subdivision (a) of Section 19950.

(f) For purposes of this section, "costs" include costs incurred for any of the following:

(1) The investigation of the case by the department.

(2) The preparation and prosecution of the case by the Office of the Attorney General.

### **§ 19931. Emergency orders; grounds; action; period of effectiveness; accusation; hearing**

(a) The department may issue any emergency orders against an owner licensee, or any person involved in a transaction requiring prior approval, that the department deems reasonably necessary for the immediate preservation of the public peace, health, safety, or general welfare.

(b) The emergency order shall set forth the grounds upon which it is based, including a statement of facts constituting the alleged emergency necessitating the action.

(c) The emergency order is effective immediately upon issuance and service upon the owner licensee or any agent of the licensee registered with the department for receipt of service, or, in cases involving prior approval, upon issuance and service upon the person or entity involved, or upon an agent of that person or entity authorized to accept service of process in this state. The emergency order may suspend, limit, condition, or take other action in relation to the license of one or more persons in an operation without affecting other individual licensees, registrants, or the licensed gambling establishment. The emergency order remains effective until further order of the commission at a meeting or final disposition of a proceeding conducted pursuant to subdivision (d).

(d) Within two calendar days after issuance of an emergency order, the department shall file an accusation with the commission against the person or entity involved. Thereafter, the person or entity against whom the emergency order has been issued and served is entitled to a hearing that, if so requested, shall commence within 10 business days of the date of the request if a gambling operation is closed by the order, and in all other cases, within 30 calendar days of the date of the request. On application of the department, and for good cause shown, a court may extend the time within which a hearing is required to be commenced, upon those terms and conditions that the court deems equitable.

### **§ 19932. Judicial review; stay; abuse of discretion; denial or issuance of alternative writ; exclusive method of review**

(a) Any person aggrieved by a final decision or order of the commission that limits, conditions, suspends, or revokes any previously granted license or approval, made after hearing by the commission, may petition the Superior Court for the County of Sacramento for judicial review pursuant to Section 1094.5 of the Code of Civil Procedure and Section 11523 of the Government Code. Notwithstanding any other provision of law, the standard set forth in paragraph (1) of subdivision (h) of Section 1094.5 of the Code of Civil Procedure shall apply for obtaining a stay of the operation of a final decision or order of the commission. In every case where it is claimed that the findings are not supported by the evidence, abuse of discretion is established if the court determines that the findings are not supported by substantial evidence in light of the whole record.

(b) The court may summarily deny the petition, or the court may issue an alternative writ directing the commission to certify the whole record in the case to the court within a time specified. No new or additional evidence shall be introduced in the court, but, if an alternative writ issues, the cause shall be heard on the whole record as certified by the commission.

(c) In determining the cause following issuance of an alternative writ, the court shall enter judgment affirming, modifying, or reversing the order of the commission, or the court may remand the case for further proceedings before, or reconsideration by, the commission.

(d) Except as otherwise provided in Section 19870 and subdivision (e) in Section 19912, this section provides the exclusive means to review adjudicatory decisions of the commission.

## **Article 11. Penalties**

### **§ 19940. List of Persons to be Excluded or Ejected from Establishment; Violation on Entry**

Any person included on the list of persons to be excluded or ejected from a gambling establishment pursuant to this chapter is guilty of a misdemeanor if he or she thereafter knowingly enters the premises of a licensed gambling establishment.

### **§ 19941. Prohibitions for persons under 21; violations; defense**

(a) A person under 21 years of age shall not do any of the following:

(1) Play, be allowed to play, place wagers at, or collect winnings from, whether personally or through an agent, a gambling game.

(2) Be employed as an employee in a licensed gambling establishment, except as provided in Section 19912.

(3) Present or offer to a licensee, or to an agent of a licensee, written, printed, or photostatic evidence of age and identity that is false, fraudulent, or not actually the person's own for the purpose of doing any of the things described in paragraphs (1) and (2).

(4) Loiter in or about a room in which a gambling game is operated or conducted.

(b) A licensee or employee in a gambling establishment who knowingly violates or knowingly permits the violation of paragraphs (1) to (3), inclusive, of subdivision (a) is guilty of a misdemeanor.

(c) A person under 21 years of age who violates this section is guilty of a misdemeanor.

(d) Proof that a licensee, or agent or employee of a licensee, demanded, was shown, and acted in reliance upon bona fide evidence of age and identity shall be a defense to any criminal prosecution under this section or to any proceeding for the suspension or revocation of a license or work permit based thereon. For the purposes of this section, "bona fide evidence of age and identity" means a document issued by a federal, state, county, or municipal government, or subdivision or agency thereof, including, but not limited to, a motor vehicle operator's license or an identification card issued to a member of the Armed Forces, that contains the name, date of birth, description, and picture of the person.

#### **§ 19942. License fee violations; offense; penalty**

(a) Any person who willfully fails to report, pay, or truthfully account for and pay over any license fee imposed by this chapter, or who willfully attempts in any manner to evade or defeat the license fee or payment thereof, shall be punished by imprisonment in a county jail, by a fine of not more than five thousand dollars (\$5,000), or by both that imprisonment and fine.

(b) Any person who willfully violates any of the provisions of this chapter for which a penalty is not expressly provided, is guilty of a misdemeanor.

#### **§ 19943. Failure to comply with specified regulations; violations; penalty**

(a) Except as specified in subdivision (c), this section applies to any person or business that is engaged in controlled gambling, whether or not licensed to do so.

(b) Any person or business described in subdivision (a), with actual knowledge of the requirements of regulations adopted by the commission pursuant to subdivision (d) of Section 19841, that knowingly and willfully fails to comply with the requirements of those regulations shall be liable for a monetary penalty. The commission may impose a monetary penalty for each violation. However, in the first proceeding that is initiated pursuant to this subdivision, the penalties for all violations shall not exceed a total sum of ten thousand dollars (\$10,000). If a penalty was imposed in a prior proceeding before the commission, the penalties for all violations shall not exceed a total sum of twenty-five thousand dollars (\$25,000). If a penalty was imposed in two or more prior proceedings before the commission, the penalties for all violations shall not exceed a total sum of one hundred thousand dollars (\$100,000).

(c) This section does not apply to any case where the person is criminally prosecuted in federal or state court for conduct related to a violation of Section 14162 of the Penal Code.

### **§ 19943.5. Department approval of controlled game; absolute defense; burden of proof**

If a gambling enterprise conducts play of a controlled game that has been approved by the department pursuant to Section 19826, and the controlled game is subsequently found to be unlawful, so long as the game was played in the manner approved, the approval by the department shall be an absolute defense to any criminal, administrative, or civil action that may be brought, provided that the game is played during the time for which it was approved by the department and the gambling enterprise ceases play upon notice that the game has been found unlawful. In any enforcement action, the gambling enterprise shall have the burden of proving the department approved the controlled game and that the game was played in the manner approved.

### **§ 19944. Interference with performance of duties; violation**

Any person who willfully resists, prevents, impedes, or interferes with the department or the commission or any of their agents or employees in the performance of duties pursuant to this chapter is guilty of a misdemeanor, punishable by imprisonment in a county jail for not more than six months, by a fine not exceeding one thousand dollars (\$1,000), or by both that imprisonment and fine.

## **Article 12. Revenues**

### **§ 19950. Disposition of fines and penalties to special account in General Fund; disposition of other fees and revenue to Gambling Control Fund; expenditures**

(a) All fines and penalties collected pursuant to this chapter shall be deposited in a special account in the General Fund, and, upon appropriation, may be expended by the Department of Justice to offset costs incurred pursuant to this chapter.

(b) Except as otherwise provided in subdivision (a), all fees and revenue collected pursuant to this chapter shall be deposited in the Gambling Control Fund, which is hereby created in the State Treasury. The funds deposited in the Gambling Control Fund shall be available, upon appropriation by the Legislature, for expenditure by the department and commission exclusively for the support of the department and commission in carrying out their duties and responsibilities under this chapter.

### **§ 19951. Fees**

(a) Every application for a license or approval shall be accompanied by a fee as determined by the commission and adopted by regulation. The adopted fee shall not exceed one thousand two hundred dollars (\$1,200).

(b) (1) Any fee paid pursuant to this section, including all licenses issued to key employees and other persons whose names are endorsed upon the license, shall be assessed against the gambling license issued to the owner of the gambling establishment. This paragraph shall not apply to key employee licenses issued on and after January 1, 2009, or the implementation of regulations establishing a personal key employee license adopted pursuant to Section 19854, whichever is sooner.

(2) (A) The fee for initial issuance of a state gambling license shall be an amount determined by the commission in accordance with regulations adopted pursuant to this chapter.

(B) The fee for the renewal of a state gambling license shall be an amount determined by the commission in accordance with regulations adopted pursuant to this chapter.

(c) The department may provide for payment of the annual gambling license fee on an annual or installment basis.

(d) It is the intent of the Legislature that the fees paid pursuant to this section are sufficient to enable the department and the commission to fully carry out their duties and responsibilities under this chapter.

(e) The amount of fees collected pursuant to this section shall be limited to the reasonable regulatory expenditures of the department and the commission to administer this chapter.

(f) (1) Beginning January 1, 2023, and every two years thereafter, the commission shall provide a report to the appropriate budget and policy committees of the Legislature detailing the fee levels established by the commission through regulations.

(2) The report required by this subdivision shall describe how fees for each licensing category were calculated, including how licensee gross revenues and state regulatory costs were used in the calculation. If a workload-based methodology is used to establish fees, the commission shall include in its report a breakdown of the personnel cost, operating cost, and overhead cost figures used to determine fee levels.

#### **§ 19952. Special license fee; excess tables for tournaments and special events**

The commission, by regulation, shall establish fees for special licenses authorizing irregular operation of tables in excess of the total number of tables otherwise authorized to a licensed gambling establishment, for tournaments and other special events.

#### **§ 19953. License tax; imposition by city, county, or city and county**

Nothing contained in this chapter shall be deemed to restrict or limit the power of any city, county, or city and county to fix, impose, and collect a license tax.

#### **§ 19954. Gambling Addiction Program Fund; fee**

In addition to those fees required pursuant to Section 19951, each licensee shall pay an additional one hundred dollars (\$100) for each table for which it is licensed to the State Department of Public Health for deposit in the Gambling Addiction Program Fund, which is hereby established to benefit those who have a gambling addiction problem. These funds shall be made available, upon appropriation by the Legislature, to community-based organizations that directly provide aid and assistance to those persons with a gambling addiction problem.

#### **§ 19955. Temporary closure for nonpayment of fees**

If an owner licensee fails to make timely payment of annual fees required under subparagraph (B) of paragraph (2) of subdivision (b) of Section 19951, the commission may order the temporary closure of the gambling establishment for up to 90 days after the payment due date, after which time, if the fees, or any portion thereof, remain unpaid, the gambling establishment's state gambling license shall be deemed surrendered.

## **Article 13. Local Governments**

### **§ 19960. Ordinances not inconsistent with chapter; issuance of gambling license; conditions**

This chapter shall not prohibit the enactment, amendment, or enforcement of any ordinance by any city, county, or city and county relating to licensed gambling establishments that is not inconsistent with this chapter. No city, county, or city and county shall issue a gambling license with respect to any gambling establishment unless one of the following is true:

(a) The gambling establishment is located in a city, county, or city and county wherein, after January 1, 1984, an ordinance was adopted by the electors of the city, county, or city and county, in an election conducted pursuant to former Section 19819 of the Business and Professions Code, as that section read immediately before its repeal by the act that enacted this chapter.

(b) The gambling establishment is located in a city, county, or city and county wherein, prior to January 1, 1984, there was in effect an ordinance that expressly authorized the operation of one or more cardrooms.

(c) After the effective date of this chapter, a majority of the electors voting thereon affirmatively approve a measure permitting controlled gambling within that city, county, or city and county.

(1) The measure to permit controlled gambling shall appear on the ballot in substantially the following form:

“Shall licensed gambling establishments in which any controlled games permitted by law, such as draw poker, low-ball poker, panguine (pan), seven-card stud, or other lawful card games or tile games, are played, be allowed in \_\_\_\_? Yes \_\_\_\_ No \_\_\_\_.”

(2) In addition, the initial implementing ordinances shall be drafted and appear in full on the sample ballot and shall set forth at least all of the following:

(A) The hours of operation.

(B) The games to be played.

(C) The wagering limits.

(D) The maximum number of gambling establishments permitted by the ordinance.

(E) The maximum number of tables permitted in each gambling establishment.

(d) The authorization of subdivision (c) is subject to Sections 19962 and 19963 until those sections are repealed.

### **§ 19961. Expansion of gambling defined; restrictions on amendment to ordinance; form of ballot measure**

(a) (1) Except as provided in paragraph (2), on or after the effective date of this chapter, any amendment to any ordinance that would result in an expansion of gambling in the city, county, or city and county, shall not be valid unless the amendment is submitted for approval to the voters of the city, county, or city and county, and is approved by a majority of the electors voting thereon.

(2) Notwithstanding paragraph (1) and Section 19962, an ordinance may be amended without the approval of the electors after the effective date of this chapter to expand gambling by a change that results in an increase of less than 25 percent with respect to any of the matters set forth in paragraphs (1), (2), (3), and (5) of subdivision (b). Thereafter, any additional expansion shall be approved by a majority of the electors voting thereon.

(b) For the purposes of this article, “expansion of gambling” means, when compared to that authorized on January 1, 1996, or under an ordinance adopted pursuant to subdivision (a) of Section 19960, whichever is the lesser number, a change that results in any of the following:

(1) An increase of 25 percent or more in the number of gambling tables in the city, county, or city and county.

(2) An increase of 25 percent or more in the number of licensed card rooms in the city, county, or city and county.

(3) An increase of 25 percent or more in the number of gambling tables that may be operated in a gambling establishment in the city, county, or city and county.

(4) The authorization of any additional form of gambling, other than card games, that may be legally played in this state, to be played at a gambling establishment in the city, county, or city and county.

(5) An increase of 25 percent or more in the hours of operation of a gambling establishment in the city, county, or city and county.

(c) The measure to expand gambling shall appear on the ballot in substantially the following form: “Shall gambling be expanded in \_\_\_\_ beyond that operated or authorized on January 1, 1996, by \_\_\_\_ (describe expansion) Yes \_\_\_\_ No \_\_\_\_.”

(d) The authorization of subdivision (c) is subject to Sections 19962 and 19963 until those sections are repealed.

(e) Increasing the number of games offered in a gambling establishment does not constitute an expansion of gambling pursuant to this section.

(f) No city, county, or city and county shall amend its ordinance in a cumulative manner to increase gambling by more than 25 percent for the factors listed in subdivision (b), when compared to that authorized on January 1, 1996, without conducting an election pursuant to this section.

#### **§ 19961.05. Increase in permissible operating hours for gambling establishments; authorization to amend ordinance**

Notwithstanding Sections 19961 and 19962, a city, county, or city and county may amend its ordinance to increase the operating hours of a gambling establishment to up to 24 hours a day, seven days a week.

#### **§ 19961.06. Increase in number of gambling tables; authorization to amend ordinance**

(a) Notwithstanding Sections 19961 and 19962, a city, county, or city and county may amend an ordinance to increase by two the number of gambling tables that may be operated in

a gambling establishment in the city, county, or city and county, above the number of tables authorized in the ordinance that was in effect on January 1, 2010. A city, county, or city and county may exercise the authority provided by this subdivision only one time, but this authority shall be in addition to any authorization under any other law for a city, county, or city and county to increase the number of gambling tables that may be operated in a gambling establishment in the city, county, or city and county.

(b) Notwithstanding Sections 19961 and 19962, and in addition to the authorization granted by subdivision (a), a city, county, or city and county may amend an ordinance to increase by two the number of gambling tables that may be operated in a gambling establishment in the city, county, or city and county, above the number of tables authorized in the ordinance that was in effect on January 1, 2013. A city, county, or city and county may exercise the authority provided by this subdivision only one time, but this authority shall be in addition to any authorization under any other law for a city, county, or city and county to increase the number of gambling tables that may be operated in a gambling establishment in the city, county, or city and county.

#### **§ 19961.07. Increase in number of gambling tables; additional authorization**

(a) Notwithstanding Sections 19961 and 19962, and except as provided in subdivision (b), a city, county, or city and county may amend an ordinance to increase the number of gambling tables that may be operated in a gambling establishment as follows:

(1) The ordinance shall apply only to a gambling establishment that operates fewer than 20 gambling tables.

(2) The ordinance shall allow a gambling establishment to increase the number of gambling tables operated at the gambling establishment by up to 2 additional tables within the first year after the ordinance takes effect, and up to 2 additional tables every four years thereafter, not to exceed 10 additional tables above the number of tables operated at the gambling establishment on January 1, 2023. A gambling establishment shall have all permitted gambling tables in operation and remain current in payment on all taxes and other applicable fees before an increase in gambling tables is allowed pursuant to this subdivision.

(b) (1) The authority provided in subdivision (a) shall be in addition to any authorization under any other law in effect on December 31, 2022, for a city, county, or city and county to increase the number of gambling tables that may be operated in a gambling establishment in the city, county, or city and county.

(2) Subdivision (a) does not apply to a city, county, or city and county that increased the number of gambling tables that may be operated in a gambling establishment, as described in paragraph (2) of subdivision (b) of Section 19962.

(c) A city, county, or city and county's jurisdictional limit may expand to accommodate the increase of gambling tables pursuant to this section.

#### **§ 19961.1. Ordinance amendment; review by department**

Any amendment to a city or county ordinance relating to gambling establishments, or the Gambling Control Act, shall be submitted to the department for review and comment, before the ordinance is adopted by the city or county.

## **§ 19962. Authorization and expansion of legal gambling**

(a) The governing body or the electors of a city, county, or city and county that has not authorized legal gambling within its boundaries prior to January 1, 1996, shall not authorize legal gambling.

(b) (1) An ordinance in effect on January 1, 1996, that authorizes legal gambling within a city, county, or city and county shall not be amended to expand gambling in that jurisdiction beyond that permitted on January 1, 1996.

(2) Notwithstanding paragraph (1), an ordinance that was approved by a majority of the voters in a city, county, or city and county in an election that occurred after November 1, 2020, that authorizes an increase in the number of gambling tables at a gambling establishment, and that became operative on January 1, 2023, as the result of the repeal of former Section 19962, as amended by Chapter 1 of Section 744 of the Statutes of 2018, shall continue to be valid on and after January 1, 2024.

(3) Any amendment to an ordinance or adoption of an ordinance on or after January 1, 2023, by a city, county, or city and county resulting in an expansion of gambling that was not authorized or permitted under this chapter as of December 31, 2022, or that is not authorized or permitted under this section or Section 19961.07 shall be invalid and preempted.

(c) This section shall remain in effect only until January 1, 2043, and as of that date is repealed.

## **§ 19963. Limitation on issuance of gambling license**

(a) In addition to any other limitation on the expansion of gambling imposed by Section 19962 or any provision in this chapter, the commission shall not issue a gambling license for a gambling establishment that was not licensed to operate on December 31, 1999, unless an application to operate that establishment was on file with the department prior to September 1, 2000.

(b) An application for a gambling license for a gambling establishment that was not licensed to operate on December 31, 2022, that is pending before the commission as of January 1, 2024, shall not be approved by the commission.

(c) A gambling license for a gambling establishment that was not licensed to operate on December 31, 2022, and that was issued between December 31, 2022, and January 1, 2024, shall be invalid.

(d) This section shall remain in effect only until January 1, 2043, and as of that date is repealed.

## **§ 19964. Local license; owner licensee qualification; duty to issue**

No city, county, or city and county may grant, or permit to continue in effect, a license to deal, operate, carry on, conduct, maintain, or expose for play any controlled game to any applicant or holder of a local license unless the applicant or local licensee is an owner licensee as defined in this chapter. However, the issuance of a state gambling license to a person imposes no requirements upon the city, county, or city and county to issue a license to the person.

### **§ 19965. Gambling establishment; ordinance to increase tables**

Notwithstanding Sections 19961 and 19962, a city, county, or city and county may amend an ordinance to increase the number of gambling tables that may be operated in a gambling establishment as follows:

(a) If the ordinance in effect on July 1, 2007, provided for five to eight tables, inclusive, the amended ordinance may allow an increase of three tables.

(b) If the ordinance in effect on July 1, 2007, provided for nine to 12 tables, inclusive, the amended ordinance may allow an increase of four tables.

### **§ 19966. Gambling establishment; unincorporated area annexed by a city**

If a gambling establishment is located in an unincorporated area annexed by a city, notwithstanding Section 19960 or 19962, without a local election other than the election to approve the annexation, the city acquiring jurisdiction may adopt an ordinance permitting and regulating controlled gaming in the existing gambling establishment, providing hours of operation, the games to be played, wagering limits, the maximum number of gambling establishments, and the maximum number of tables permitted in each gambling establishment, the same as those limits in any ordinance or resolutions that formerly applied to the gambling establishment. Where this article refers to an expansion of gaming as compared to that permitted on January 1, 1996, for the purposes of this section, that reference shall be to the ordinance or resolutions that governed the gambling establishment as of that date.

## **Article 14. Miscellaneous Provisions**

### **§ 19970. Severability of invalid provision**

If any clause, sentence, paragraph, or part of this chapter, for any reason, is adjudged by a court of competent jurisdiction to be invalid, that judgment shall not affect, impair, or invalidate the remainder of this chapter and the application thereof to other persons or circumstances, but shall be confined to the operation of the clause, sentence, paragraph, or part thereof directly involved in the controversy in which the judgment was rendered and to the person or circumstances involved.

### **§ 19971. Construction of act**

This act is an exercise of the police power of the state for the protection of the health, safety, and welfare of the people of the State of California, and shall be liberally construed to effectuate those purposes.

### **§ 19972. State gambling license issuance; construction for purposes of Civil Code § 3482**

For the purposes of Section 3482 of the Civil Code, the issuance of a state gambling license shall not be construed to authorize any conduct or activity other than the conduct of controlled gambling.

## **Article 15. Additional Restrictions Related to Fair Elections and Corruption of Regulators**

### **§ 19980. Legislative findings and declarations**

(a) The Legislature finds and declares that there is a compelling governmental interest in ensuring that elections conducted pursuant to Section 19960 are conducted fairly and that electors in those elections are presented with fair and balanced arguments in support of and in opposition to the existence of gambling establishments. Large contributions by gambling operators or prospective gambling operators who will be financially interested in the outcome of the election often unfairly distort the context in which those elections take place.

(b) In California, in other states, and in other countries, there is ample historical evidence of the potential for revenues derived from gambling to be used to corrupt political officials in the regulation or prosecution of crimes related to gambling activities, embezzlement, and money laundering.

(c) This article is an exercise of the police power of the state for the protection of the health, safety, and welfare of the people of this state.

### **§ 19981. Termination of office or employment; representation of another before commission or department; commission member solicitation or acceptance of campaign contributions; limitations on post-employment involvement and dealings with gambling establishments, enterprises, registrants, or licensees**

(a) A member of the commission, the executive director, the chief, and any employee of the commission or department designated by regulation, shall not, for a period of three years after leaving office or terminating employment, for compensation, act as agent or attorney for, or otherwise represent, any other person by making any formal or informal appearance, or by making any oral or written communication, before the commission or the department, or any officer or employee thereof, if the appearance or communication is for the purpose of influencing administrative action, or influencing any action or proceeding involving the issuance, amendment, awarding, or revocation of a permit, license, or approval.

(b) A member of the commission shall not solicit or accept campaign contributions from any person, including any applicant or licensee.

(c) A member of the commission, the executive director, the chief, any employee of the commission, and any employee of the department who works on or supervises over gambling issues shall not, for a period of two years after leaving office or terminating employment, hold a direct or indirect interest in, hold employment with, represent, appear for, or negotiate on behalf of, a gambling establishment, gambling enterprise, registrant, or licensee.

### **§ 19982. Campaign finance disclosure or contribution limitations; violations; denial, suspension, or revocation of application or license; procedures; information filing; regulations**

(a) A license may be denied, suspended, or revoked if the applicant or licensee, within three years prior to the submission of the license or renewal application, or any time thereafter, violates any law or ordinance with respect to campaign finance disclosure or contribution limitations applicable to an election that is conducted pursuant to Section 19960, former Section 19950, or pursuant to former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter.

(1) The remedies specified herein are in addition to any other remedy or penalty provided by law.

(2) Any final determination by the Fair Political Practices Commission that the applicant did not violate any provision of state law within its jurisdiction shall be binding on the commission.

(3) Any final determination by a city or county governmental body having ultimate jurisdiction over the matter that the applicant did not violate an ordinance with respect to campaign finance disclosure or contribution limitations applicable to an election conducted pursuant to Section 19960, former Section 19950, or former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter, shall be binding on the commission.

(b) Every applicant for a gambling license, or any renewal thereof, shall file with the department, at the time the license application or renewal is filed, the following information:

(1) Any statement or other document required to be filed with the Fair Political Practices Commission relative to an election that is conducted pursuant to Section 19960, former Section 19950, or former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter, within three years of the date on which the application is submitted.

(2) Any statement or other document required to be filed with any local jurisdiction respecting campaign finance disclosure or contribution limitations applicable to an election that is conducted pursuant to Section 19960, former Section 19950, or former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter, within three years of the date on which the application is submitted.

(3) A report of any contribution of money or thing of value, in excess of one hundred dollars (\$100), made to any committee, as defined by Section 82013 of the Government Code, associated with any election that is conducted pursuant to Section 19960, former Section 19950, or former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter, within three years of the date on which the application is submitted.

(4) A report of any other significant involvement by the applicant or licensee in an election that is conducted pursuant to Section 19960, former Section 19950, or former Section 19819, as that section read immediately prior to its repeal by the act that enacted this chapter, within three years of the date on which the application is submitted.

(c) The commission shall adopt regulations to implement this section.

### **§ 19983. Severability of invalid provision; conflict or inconsistency with Political Reform Act of 1974**

It is the intent of the Legislature that if any provision of this article is adjudged by a court to be invalid because of any conflict or inconsistency with the Political Reform Act of 1974 (Title 9 (commencing with Section 81000) of the Government Code), as amended, that judgment shall not affect, impair, or invalidate any other provision of this chapter and the application thereof to other persons or circumstances, but shall be confined to the operation of the clause, sentence, paragraph, or part thereof directly involved in the controversy in which the judgment was rendered and to the person or circumstances involved.

## **Article 16. Additional Contracts: Proposition Players**

### **§ 19984. Contracts for provision of proposition player services**

Notwithstanding any other law, a licensed gambling enterprise may contract with a third party for the purpose of providing proposition player services at a gambling establishment, subject to the following conditions:

(a) Any agreement, contract, or arrangement between a gambling enterprise and a third-party provider of proposition player services shall be approved in advance by the department, and in no event shall a gambling enterprise or the house have any interest, whether direct or indirect, in funds wagered, lost, or won.

(b) (1) The commission shall establish reasonable criteria for, and require the licensure and registration of, any person or entity that provides proposition player services at gambling establishments pursuant to this section, including owners, supervisors, and players. The commission may impose licensing requirements, disclosures, approvals, conditions, or limitations as it deems necessary to protect the integrity of controlled gambling in this state, and may assess, and the department may collect, reasonable fees and deposits as necessary to defray the costs of providing this regulation and oversight.

(2) A person who owns or is employed by a third-party provider of proposition player services, including, but not limited to, an owner, supervisor, observer, or player, shall wear a badge that clearly identifies them as providing proposition player services, in a location that allows for public view, at all times while in a gambling establishment for which their third-party proposition player services company has a current contract.

(c) The department, pursuant to regulations of the commission, is empowered to perform background checks, financial audits, and other investigatory services as needed to assist the commission in regulating third-party providers of proposition player services, and may assess and collect reasonable fees and deposits as necessary to defray the costs of providing this regulation and oversight. The department may adopt emergency regulations in order to implement this subdivision.

(d) No agreement or contract between a licensed gambling enterprise and a third party concerning the provision of proposition player services shall be invalidated or prohibited by the department pursuant to this section until the commission establishes criteria for, and makes determinations regarding the licensure or registration of, the provision of these services pursuant to subdivision (b).

## **Article 17. Nonprofit Organization Fundraisers**

### **§ 19985. Legislative findings and declarations**

The Legislature finds and declares the following:

(a) Nonprofit organizations provide important and necessary services to the people of the State of California with respect to educational and social services and there is a need to provide methods of fundraising to nonprofit organizations so as to enable them to meet their stated purposes.

(b) The playing of controlled games for the purpose of raising funds by nonprofit organizations is in the public interest.

(c) Uniform regulation for the conduct of controlled games is in the best interests of nonprofit organizations and the people of this state.

### **§ 19986. Use of controlled games as a funding mechanism for nonprofit organizations**

(a) Notwithstanding any other provision of state law a nonprofit organization may conduct a fundraiser using controlled games as a funding mechanism to further the purposes and mission of the nonprofit organization.

(b) A nonprofit organization holding a fundraiser pursuant to subdivision (a) shall not conduct more than one fundraiser per calendar year, and each fundraiser shall not exceed five consecutive hours. Each fundraiser shall be preapproved by the department. Eligible nonprofit organizations that have multiple chapters may hold one fundraiser per chapter per calendar year.

(c) No cash prizes or wagers may be awarded to participants, however, the winner of each controlled game may be entitled to a prize from those donated to the fundraiser. An individual prize awarded to each winner shall not exceed a cash value of five hundred dollars (\$500). For each event, the total cash value of prizes awarded shall not exceed five thousand dollars (\$5,000).

(d) At least 90 percent of the gross revenue from the fundraiser shall go directly to a nonprofit organization. Compensation shall not be paid from revenues required to go directly to the nonprofit organization for the benefit of which the fundraiser is conducted, and no more than 10 percent of the gross receipts of a fundraiser may be paid as compensation to the entity or persons conducting the fundraiser for the nonprofit organization. If an eligible nonprofit organization does not own a facility in which to conduct a fundraiser and is required to pay the entity or person conducting the fundraiser a rental fee for the facility, the fair market rental value of the facility shall not be included when determining the compensation payable to the entity or person for purposes of this section. This section does not preclude an eligible organization from using funds from sources other than the gross revenue of the fundraiser to pay for the administration or other costs of conducting the fundraiser.

(e) An eligible nonprofit organization shall not conduct a fundraiser authorized by this section, unless it has been in existence and operation for at least three years and registers annually with the department. The department shall furnish a registration form on its Internet Web site or, upon request, to eligible nonprofit organizations. The department shall, by regulation, collect only the information necessary pursuant to this section on this form. This information shall include, but is not limited to, the following:

(1) The name and address of the eligible organization.

(2) The federal tax identification number, the corporate number issued by the Secretary of State, the organization number issued by the Franchise Tax Board, or the California charitable trust identification number of the eligible organization.

(3) The name and title of a responsible fiduciary of the organization.

(f) The department shall adopt regulations necessary to effectuate this section, including emergency regulations, pursuant to the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code).

(g) The nonprofit organization shall maintain records for each fundraiser using controlled games, which shall include:

- (1) An itemized list of gross receipts for the fundraiser.
- (2) An itemized list of recipients of the net profit of the fundraiser, including the name, address, and purpose for which fundraiser proceeds are to be used.
- (3) The number of persons who participated in the fundraiser.
- (4) An itemized list of the direct cost incurred for each fundraiser.

(i) The department may take legal action against a registrant if it determines that the registrant has violated this section or any regulation adopted pursuant to this section, or that the registrant has engaged in any conduct that is not in the best interest of the public’s health, safety, or general welfare. Any action taken pursuant to this subdivision does not prohibit the commencement of an administrative or criminal action by the Attorney General, a district attorney, or county counsel.

(j) The department may require an eligible organization to pay an annual registration fee of up to one hundred dollars (\$100) per year to cover the actual costs of the department to administer and enforce this section. The annual registration fees shall be deposited by the department into the Gambling Control Fund.

For purposes of this section, “rural” shall mean any county with an urban influence code, as established by the latest publication of the Economic Research Service of the United States Department of Agriculture, of “3” or more.

(m) The authority to conduct a fundraiser, as well as the type of controlled games, may be governed by local ordinance.

(n) No person shall be permitted to participate in the fundraiser unless that person is at least 21 years of age.

### Division 17, Chapter 2

#### Article 2. Collections and Enforcement

##### **§ 17520. License applicants; compliance with support orders; license issuance, renewal, and suspension; review**

(a) As used in this section:

(1) “Applicant” means a person applying for issuance or renewal of a license.

(2) “Board” means an entity specified in Section 101 of the Business and Professions Code, the entities referred to in Sections 1000 and 3600 of the Business and Professions Code, the State Bar of California, the Department of Real Estate, the Department of Motor Vehicles, the Secretary of State, the Department of Fish and Wildlife, and any other state commission, department, committee, examiner, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, or to the extent required by federal law or regulations, for recreational purposes. This term includes all boards, commissions, departments, committees, examiners, entities, and agencies that issue a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession. The failure to specifically name a particular board, commission, department, committee, examiner, entity, or agency that issues a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession does not exclude that board, commission, department, committee, examiner, entity, or agency from this term.

(3) “Certified list” means a list provided by the local child support agency to the Department of Child Support Services in which the local child support agency verifies, under penalty of perjury, that the names contained therein are support obligors found to be out of compliance with a judgment or order for support in a case being enforced under Title IV-D of the federal Social Security Act.

(4) “Compliance with a judgment or order for support” means that, as set forth in a judgment or order for child or family support, the obligor is no more than 30 calendar days in arrears in making payments in full for current support, in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a support arrearage, or in making periodic payments in full, whether court ordered or by agreement with the local child support agency, on a judgment for reimbursement for public assistance, or has obtained a judicial finding that equitable estoppel as provided in statute or case law precludes enforcement of the order. The local child support agency is authorized to use this section to enforce orders for spousal support only when the local child support agency is also enforcing a related child support obligation owed to the obligee parent by the same obligor, pursuant to Sections 17400 and 17604.

(5) “License” includes membership in the State Bar of California, and a certificate, credential, permit, registration, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession, or to operate a commercial motor vehicle, including appointment and commission by the Secretary of State as a notary public. “License” also includes any driver’s license issued by the Department of

Motor Vehicles, any commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, any license used for recreational purposes. This term includes all licenses, certificates, credentials, permits, registrations, or any other authorization issued by a board that allows a person to engage in a business, occupation, or profession. The failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board that allows a person to engage in a business, occupation, or profession, does not exclude that license, certificate, credential, permit, registration, or other authorization from this term.

(6) "Licensee" means a person holding a license, certificate, credential, permit, registration, or other authorization issued by a board, to engage in a business, occupation, or profession, or a commercial driver's license as defined in Section 15210 of the Vehicle Code, including an appointment and commission by the Secretary of State as a notary public. "Licensee" also means a person holding a driver's license issued by the Department of Motor Vehicles, a person holding a commercial fishing license issued by the Department of Fish and Wildlife, and to the extent required by federal law or regulations, a person holding a license used for recreational purposes. This term includes all persons holding a license, certificate, credential, permit, registration, or any other authorization to engage in a business, occupation, or profession, and the failure to specifically name a particular type of license, certificate, credential, permit, registration, or other authorization issued by a board does not exclude that person from this term. For licenses issued to an entity that is not an individual person, "licensee" includes an individual who is either listed on the license or who qualifies for the license.

(b) The local child support agency shall maintain a list of those persons included in a case being enforced under Title IV-D of the federal Social Security Act against whom a support order or judgment has been rendered by, or registered in, a court of this state, and who are not in compliance with that order or judgment. The local child support agency shall submit a certified list with the names, social security numbers, individual taxpayer identification numbers, or other uniform identification numbers, and last known addresses of these persons and the name, address, and telephone number of the local child support agency who certified the list to the department. The local child support agency shall verify, under penalty of perjury, that the persons listed are subject to an order or judgment for the payment of support and that these persons are not in compliance with the order or judgment. The local child support agency shall submit to the department an updated certified list on a monthly basis.

(c) The department shall consolidate the certified lists received from the local child support agencies and, within 30 calendar days of receipt, shall provide a copy of the consolidated list to each board that is responsible for the regulation of licenses, as specified in this section.

(d) On or before November 1, 1992, or as soon thereafter as economically feasible, as determined by the department, all boards subject to this section shall implement procedures to accept and process the list provided by the department, in accordance with this section. Notwithstanding any other law, all boards shall collect social security numbers or individual taxpayer identification numbers from all applicants for the purposes of matching the names of the certified list provided by the department to applicants and licensees and of responding to requests for this information made by child support agencies.

(e) (1) Promptly after receiving the certified consolidated list from the department, and prior to the issuance or renewal of a license, each board shall determine whether the applicant is on

the most recent certified consolidated list provided by the department. The board shall have the authority to withhold issuance or renewal of the license of an applicant on the list.

(2) If an applicant is on the list, the board shall immediately serve notice as specified in subdivision (f) on the applicant of the board's intent to withhold issuance or renewal of the license. The notice shall be made personally or by mail to the applicant's last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(A) The board shall issue a temporary license valid for a period of 150 days to any applicant whose name is on the certified list if the applicant is otherwise eligible for a license.

(B) Except as provided in subparagraph (D), the 150-day time period for a temporary license shall not be extended. Except as provided in subparagraph (D), only one temporary license shall be issued during a regular license term and it shall coincide with the first 150 days of that license term. As this paragraph applies to commercial driver's licenses, "license term" shall be deemed to be 12 months from the date the application fee is received by the Department of Motor Vehicles. A license for the full or remainder of the license term shall be issued or renewed only upon compliance with this section.

(C) In the event that a license or application for a license or the renewal of a license is denied pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board.

(D) This paragraph shall apply only in the case of a driver's license, other than a commercial driver's license. Upon the request of the local child support agency or by order of the court upon a showing of good cause, the board shall extend a 150-day temporary license for a period not to exceed 150 extra days.

(3) (A) The department may, when it is economically feasible for the department and the boards to do so as determined by the department, in cases where the department is aware that certain child support obligors listed on the certified lists have been out of compliance with a judgment or order for support for more than four months, provide a supplemental list of these obligors to each board with which the department has an interagency agreement to implement this paragraph. Upon request by the department, the licenses of these obligors shall be subject to suspension, provided that the licenses would not otherwise be eligible for renewal within six months from the date of the request by the department. The board shall have the authority to suspend the license of any licensee on this supplemental list.

(B) If a licensee is on a supplemental list, the board shall immediately serve notice as specified in subdivision (f) on the licensee that the license will be automatically suspended 150 days after notice is served, unless compliance with this section is achieved. The notice shall be made personally or by mail to the licensee's last known mailing address on file with the board. Service by mail shall be complete in accordance with Section 1013 of the Code of Civil Procedure.

(C) The 150-day notice period shall not be extended.

(D) In the event that any license is suspended pursuant to this section, any funds paid by the licensee shall not be refunded by the board.

(E) This paragraph shall not apply to licenses subject to annual renewal or annual fee.

(f) Notices shall be developed by each board in accordance with guidelines provided by the department and subject to approval by the department. The notice shall include the address and telephone number of the local child support agency that submitted the name on the certified list, and shall emphasize the necessity of obtaining a release from that local child support agency as a condition for the issuance, renewal, or continued valid status of a license or licenses.

(1) In the case of applicants not subject to paragraph (3) of subdivision (e), the notice shall inform the applicant that the board shall issue a temporary license, as provided in subparagraph (A) of paragraph (2) of subdivision (e), for 150 calendar days if the applicant is otherwise eligible and that upon expiration of that time period the license will be denied unless the board has received a release from the local child support agency that submitted the name on the certified list.

(2) In the case of licensees named on a supplemental list, the notice shall inform the licensee that the license will continue in its existing status for no more than 150 calendar days from the date of mailing or service of the notice and thereafter will be suspended indefinitely unless, during the 150-day notice period, the board has received a release from the local child support agency that submitted the name on the certified list. Additionally, the notice shall inform the licensee that any license suspended under this section will remain so until the expiration of the remaining license term, unless the board receives a release along with applications and fees, if applicable, to reinstate the license during the license term.

(3) The notice shall also inform the applicant or licensee that if an application is denied or a license is suspended pursuant to this section, any funds paid by the applicant or licensee shall not be refunded by the board. The Department of Child Support Services shall also develop a form that the applicant shall use to request a review by the local child support agency. A copy of this form shall be included with every notice sent pursuant to this subdivision.

(g) (1) Each local child support agency shall maintain review procedures consistent with this section to allow an applicant to have the underlying arrearage and any relevant defenses investigated, to provide an applicant information on the process of obtaining a modification of a support order, or to provide an applicant assistance in the establishment of a payment schedule on arrearages if the circumstances so warrant.

(2) It is the intent of the Legislature that a court or local child support agency, when determining an appropriate payment schedule for arrearages, base its decision on the facts of the particular case and the priority of payment of child support over other debts. The payment schedule shall also recognize that certain expenses may be essential to enable an obligor to be employed. Therefore, in reaching its decision, the court or the local child support agency shall consider both of these goals in setting a payment schedule for arrearages.

(h) If the applicant wishes to challenge the submission of their name on the certified list, the applicant shall make a timely written request for review to the local child support agency who certified the applicant's name. A request for review pursuant to this section shall be resolved in the same manner and timeframe provided for resolution of a complaint pursuant to Section

17800. The local child support agency shall immediately send a release to the appropriate board and the applicant, if any of the following conditions are met:

(1) The applicant is found to be in compliance or negotiates an agreement with the local child support agency for a payment schedule on arrearages or reimbursement.

(2) The applicant has submitted a request for review, but the local child support agency will be unable to complete the review and send notice of its findings to the applicant within the time specified in Section 17800.

(3) The applicant has filed and served a request for judicial review pursuant to this section, but a resolution of that review will not be made within 150 days of the date of service of notice pursuant to subdivision (f). This paragraph applies only if the delay in completing the judicial review process is not the result of the applicant's failure to act in a reasonable, timely, and diligent manner upon receiving the local child support agency's notice of findings.

(4) The applicant has obtained a judicial finding of compliance as defined in this section.

(i) An applicant is required to act with diligence in responding to notices from the board and the local child support agency with the recognition that the temporary license will lapse or the license suspension will go into effect after 150 days and that the local child support agency and, where appropriate, the court must have time to act within that period. An applicant's delay in acting, without good cause, which directly results in the inability of the local child support agency to complete a review of the applicant's request or the court to hear the request for judicial review within the 150-day period shall not constitute the diligence required under this section which would justify the issuance of a release.

(j) Except as otherwise provided in this section, the local child support agency shall not issue a release if the applicant is not in compliance with the judgment or order for support. The local child support agency shall notify the applicant, in writing, that the applicant may, by filing an order to show cause or notice of motion, request any or all of the following:

(1) Judicial review of the local child support agency's decision not to issue a release.

(2) A judicial determination of compliance.

(3) A modification of the support judgment or order.

The notice shall also contain the name and address of the court in which the applicant shall file the order to show cause or notice of motion and inform the applicant that their name shall remain on the certified list if the applicant does not timely request judicial review. The applicant shall comply with all statutes and rules of court regarding orders to show cause and notices of motion.

This section does not limit an applicant from filing an order to show cause or notice of motion to modify a support judgment or order or to fix a payment schedule on arrearages accruing under a support judgment or order or to obtain a court finding of compliance with a judgment or order for support.

(k) The request for judicial review of the local child support agency's decision shall state the grounds for which review is requested and judicial review shall be limited to those stated grounds. The court shall hold an evidentiary hearing within 20 calendar days of the filing of the

request for review. Judicial review of the local child support agency's decision shall be limited to a determination of each of the following issues:

(1) Whether there is a support judgment, order, or payment schedule on arrearages or reimbursement.

(2) Whether the petitioner is the obligor covered by the support judgment or order.

(3) Whether the support obligor is or is not in compliance with the judgment or order of support.

(4) (A) The extent to which the needs of the obligor, taking into account the obligor's payment history and the current circumstances of both the obligor and the obligee, warrant a conditional release as described in this subdivision.

(B) The request for judicial review shall be served by the applicant upon the local child support agency that submitted the applicant's name on the certified list within seven calendar days of the filing of the petition. The court has the authority to uphold the action, unconditionally release the license, or conditionally release the license.

(C) If the judicial review results in a finding by the court that the obligor is in compliance with the judgment or order for support, the local child support agency shall immediately send a release in accordance with subdivision (l) to the appropriate board and the applicant. If the judicial review results in a finding by the court that the needs of the obligor warrant a conditional release, the court shall make findings of fact stating the basis for the release and the payment necessary to satisfy the unrestricted issuance or renewal of the license without prejudice to a later judicial determination of the amount of support arrearages, including interest, and shall specify payment terms, compliance with which are necessary to allow the release to remain in effect.

(l) (1) The department shall prescribe release forms for use by local child support agencies. When the obligor is in compliance, the local child support agency shall mail to the applicant and the appropriate board a release stating that the applicant is in compliance. The receipt of a release shall serve to notify the applicant and the board that, for the purposes of this section, the applicant is in compliance with the judgment or order for support. A board that has received a release from the local child support agency pursuant to this subdivision shall process the release within five business days of its receipt.

(2) When the local child support agency determines, subsequent to the issuance of a release, that the applicant is once again not in compliance with a judgment or order for support, or with the terms of repayment as described in this subdivision, the local child support agency may notify the board, the obligor, and the department in a format prescribed by the department that the obligor is not in compliance.

(3) The department may, when it is economically feasible for the department and the boards to develop an automated process for complying with this subdivision, notify the boards in a manner prescribed by the department, that the obligor is once again not in compliance. Upon receipt of this notice, the board shall immediately notify the obligor on a form prescribed by the department that the obligor's license will be suspended on a specific date, and this date shall be no longer than 30 days from the date the form is mailed. The obligor shall be further notified that the license will remain suspended until a new release is issued in accordance with subdivision (h). This section does not limit the

obligor from seeking judicial review of suspension pursuant to the procedures described in subdivision (k).

(m) The department may enter into interagency agreements with the state agencies that have responsibility for the administration of boards necessary to implement this section, to the extent that it is cost effective to implement this section. These agreements shall provide for the receipt by the other state agencies and boards of federal funds to cover that portion of costs allowable in federal law and regulation and incurred by the state agencies and boards in implementing this section. Notwithstanding any other law, revenue generated by a board or state agency shall be used to fund the nonfederal share of costs incurred pursuant to this section. These agreements shall provide that boards shall reimburse the department for the nonfederal share of costs incurred by the department in implementing this section. The boards shall reimburse the department for the nonfederal share of costs incurred pursuant to this section from moneys collected from applicants and licensees.

(n) Notwithstanding any other law, in order for the boards subject to this section to be reimbursed for the costs incurred in administering its provisions, the boards may, with the approval of the appropriate department director, levy on all licensees and applicants a surcharge on any fee or fees collected pursuant to law, or, alternatively, with the approval of the appropriate department director, levy on the applicants or licensees named on a certified list or supplemental list, a special fee.

(o) The process described in subdivision (h) shall constitute the sole administrative remedy for contesting the issuance of a temporary license or the denial or suspension of a license under this section. The procedures specified in the administrative adjudication provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code) shall not apply to the denial, suspension, or failure to issue or renew a license or the issuance of a temporary license pursuant to this section.

(p) In furtherance of the public policy of increasing child support enforcement and collections, on or before November 1, 1995, the State Department of Social Services shall make a report to the Legislature and the Governor based on data collected by the boards and the district attorneys in a format prescribed by the State Department of Social Services. The report shall contain all of the following:

- (1) The number of delinquent obligors certified by district attorneys under this section.
- (2) The number of support obligors who also were applicants or licensees subject to this section.
- (3) The number of new licenses and renewals that were delayed, temporary licenses issued, and licenses suspended subject to this section and the number of new licenses and renewals granted and licenses reinstated following board receipt of releases as provided by subdivision (h) by May 1, 1995.
- (4) The costs incurred in the implementation and enforcement of this section.

(q) A board receiving an inquiry as to the licensed status of an applicant or licensee who has had a license denied or suspended under this section or has been granted a temporary license under this section shall respond only that the license was denied or suspended or the temporary license was issued pursuant to this section. Information collected pursuant to this section by a

state agency, board, or department shall be subject to the Information Practices Act of 1977 (Chapter 1 (commencing with Section 1798) of Title 1.8 of Part 4 of Division 3 of the Civil Code).

(r) Any rules and regulations issued pursuant to this section by a state agency, board, or department may be adopted as emergency regulations in accordance with the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The adoption of these regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, and safety, or general welfare. The regulations shall become effective immediately upon filing with the Secretary of State.

(s) The department and boards, as appropriate, shall adopt regulations necessary to implement this section.

(t) The Judicial Council shall develop the forms necessary to implement this section, except as provided in subdivisions (f) and (l).

(u) The release or other use of information received by a board pursuant to this section, except as authorized by this section, is punishable as a misdemeanor.

(v) The State Board of Equalization shall enter into interagency agreements with the department and the Franchise Tax Board that will require the department and the Franchise Tax Board to maximize the use of information collected by the State Board of Equalization, for child support enforcement purposes, to the extent it is cost effective and permitted by the Revenue and Taxation Code.

(w) (1) The suspension or revocation of a driver's license, including a commercial driver's license, under this section shall not subject the licensee to vehicle impoundment pursuant to Section 14602.6 of the Vehicle Code.

(2) Notwithstanding any other law, the suspension or revocation of a driver's license, including a commercial driver's license, under this section shall not subject the licensee to increased costs for vehicle liability insurance.

(x) If any provision of this section or the application thereof to any person or circumstance is held invalid, that invalidity shall not affect other provisions or applications of this section which can be given effect without the invalid provision or application, and to this end the provisions of this section are severable.

(y) All rights to administrative and judicial review afforded by this section to an applicant shall also be afforded to a licensee.

### **§ 17521. Order to show cause or notice of motion for judicial review of district attorney's decision; appropriate court**

The order to show cause or notice of motion described in subdivision (j) of Section 17520 shall be filed and heard in the superior court.

## **Government Code**

### **Title 2, Division 3, Part 1, Chapter 1**

#### **Article 9. Meetings**

##### **§ 11120. Public policy; legislative finding and declaration; citation of article**

It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act.

(b) (1) This article does not prohibit a state body from holding an open or closed meeting by teleconference for the benefit of the public and state body. The meeting or proceeding held by teleconference shall otherwise comply with all applicable requirements or laws relating to a specific type of meeting or proceeding, including the following:

(A) The teleconferencing meeting shall comply with all requirements of this article applicable to other meetings.

(B) The portion of the teleconferenced meeting that is required to be open to the public shall be audible to the public at the location specified in the notice of the meeting.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(2) For the purposes of this subdivision, “teleconference” means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. ### **§ 11123.2. Holding open or closed meeting by teleconference; requirements**

(a) For purposes of this section, the following definitions apply:

(1) “Teleconference” means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video.

(2) “Teleconference location” means a physical location that is accessible to the public and from which members of the public may participate in the meeting.

(3) “Remote location” means a location from which a member of a state body participates in a meeting other than a teleconference location.

(4) “Participate remotely” means participation by a member of the body in a meeting at a remote location other than a teleconference location designated in the notice of the meeting.

(b) (1) In addition to the authorization to hold a meeting by teleconference pursuant to subdivision (b) of Section 11123 and Section 11123.5, a state body may hold an open or closed meeting by teleconference as described in this section, provided the meeting complies with all of this section's requirements and, except as set forth in this section, it also complies with all other applicable requirements of this article relating to the specific type of meeting.

(2) This section does not limit or affect the ability of a state body to hold a teleconference meeting under another provision of this article, including Sections 11123 and 11123.5.

(c) The portion of the teleconferenced meeting that is required to be open to the public shall be visible and audible to the public at each teleconference location.

(d) (1) The state body shall provide a means by which the public may remotely hear audio of the meeting, remotely observe the meeting, remotely address the body, or attend the meeting by providing on the posted agenda a teleconference telephone number, an internet website or other online platform, and a physical address for each teleconference location. The telephonic or online means provided to the public to access the meeting shall be equivalent to the telephonic or online means provided to a member of the state body participating remotely.

(2) The applicable teleconference telephone number, internet website or other online platform, and physical address of each teleconference location, as well as any other information indicating how the public can access the meeting remotely and in person, shall be specified in any notice required by this article.

(3) If the state body allows members of the public to observe and address the meeting telephonically or otherwise electronically, the state body shall do both of the following:

(A) Implement a procedure for receiving and swiftly resolving requests for reasonable modification or accommodation from individuals with disabilities, consistent with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.), and resolving any doubt whatsoever in favor of accessibility.

(B) Advertise that procedure each time notice is given of the means by which members of the public may observe the meeting and offer public comment.

(e) This section does not prohibit a state body from providing members of the public with additional locations from which the public may observe or address the state body by electronic means, through either audio or both audio and video.

(f) (1) The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7.

(2) Members of the public shall be entitled to exercise their right to directly address the state body during the teleconferenced meeting without being required to submit public comments before the meeting or in writing.

(g) The state body shall post the agenda on its internet website and, on the day of the meeting, at each teleconference location.

(h) This section does not affect the requirement prescribed by this article that the state body post an agenda of a meeting in accordance with the applicable notice requirements of this article, including Section 11125, requiring the state body to post an agenda of a meeting at least

10 days in advance of the meeting, Section 11125.4, applicable to special meetings, and Sections 11125.5 and 11125.6, applicable to emergency meetings.

(i) At least one member of the state body shall be physically present at each teleconference location.

(j) (1) Except as provided in paragraph (2), a majority of the members of the state body shall be physically present at the same teleconference location. Additional members of the state body in excess of a majority of the members may attend and participate in the meeting from a remote location. A remote location is not required to be accessible to the public. The notice and agenda shall not disclose information regarding a remote location.

(2) A member attending and participating from a remote location may count toward the majority required to hold a teleconference if both of the following conditions are met:

(A) The member has a need related to a physical or mental disability, as those terms are defined in Sections 12926 and 12926.1, that is not otherwise reasonably accommodated pursuant to the federal Americans with Disability Act of 1990 (42 U.S.C. Sec. 12101 et seq.).

(B) The member notifies the state body at the earliest opportunity possible, including at the start of a meeting, of their need to participate remotely, including providing a general description of the circumstances relating to their need to participate remotely at the given meeting.

(3) If a member notifies the body of the member's need to attend and participate remotely pursuant to paragraph (2), the body shall take action to approve the exception and shall request a general description of the circumstances relating to the member's need to participate remotely at the meeting, for each meeting in which the member seeks to participate remotely. The body shall not require the member to provide a general description that exceeds 20 words or to disclose any medical diagnosis or disability, or any personal medical information that is already exempt under existing law, such as the Confidentiality of Medical Information Act (Part 2.6 (commencing with Section 56) of Division 1 of the Civil Code).

(4) If a member of the state body attends the meeting by teleconference from a remote location, the member shall disclose whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any such individuals.

(k) (1) Except as provided in paragraph (2), the members of the state body shall visibly appear on camera during the open portion of a meeting that is publicly accessible via the internet or other online platform.

(2) The visual appearance of a member of the state body on camera may cease only when the appearance would be technologically impracticable, including, but not limited to, when the member experiences a lack of reliable broadband or internet connectivity that would be remedied by joining without video, or when the visual display of meeting materials, information, or speakers on the internet or other online platform requires the visual appearance of a member of a state body on camera to cease.

(3) If a member of the state body does not appear on camera due to challenges with internet connectivity, the member shall announce the reason for their nonappearance when they turn off their camera.

(l) All votes taken during the teleconferenced meeting shall be by rollcall.

(m) The state body shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(n) The portion of the teleconferenced meeting that is closed to the public shall not include the consideration of any agenda item being heard pursuant to Section 11125.5.

(o) Upon discovering that a means of remote public access and participation required by subdivision (d) has failed during a meeting and cannot be restored, the state body shall end or adjourn the meeting in accordance with Section 11128.5. In addition to any other requirements that may apply, the state body shall provide notice of the meeting's end or adjournment on the state body's internet website and by email to any person who has requested notice of meetings of the state body by email under this article. If the meeting will be adjourned and reconvened on the same day, further notice shall be provided by an automated message on a telephone line posted on the state body's agenda, internet website, or by a similar means, that will communicate when the state body intends to reconvene the meeting and how a member of the public may hear audio of the meeting or observe the meeting.

(p) This section shall remain in effect only until January 1, 2026, and as of that date is repealed.

**§ 11123.5. Open meeting by teleconference; meeting minutes; public notice; location of member participating remotely; meeting agenda; primary physical meeting location; audio of meeting; visual appearance on camera; failure of means of remote access**

(a) For purposes of this section, the following definitions apply:

(1) "Participate remotely" means participation in a meeting at a location other than the physical location designated in the agenda of the meeting.

(2) "Remote location" means a location other than the primary physical location designated in the agenda of a meeting.

(3) "Teleconference" has the same meaning as in Section 11123.

(b) In addition to the authorization to hold a meeting by teleconference pursuant to subdivision (b) of Section 11123 or Section 11123.2, any state body that is an advisory board, advisory commission, advisory committee, advisory subcommittee, or similar multimember advisory body may hold an open meeting by teleconference as described in this section, provided the meeting complies with all of the section's requirements and, except as set forth in this section, it also complies with all other applicable requirements of this article.

(c) A member of a state body as described in subdivision (b) who participates in a teleconference meeting from a remote location subject to this section's requirements shall be listed in the minutes of the meeting.

(d) The state body shall provide notice to the public at least 24 hours before the meeting that identifies any member who will participate remotely by posting the notice on its internet website and by emailing notice to any person who has requested notice of meetings of the state body under this article. The location of a member of a state body who will participate remotely is not required to be disclosed in the public notice or email and need not be accessible to the public. The notice of the meeting shall also identify the primary physical meeting location designated pursuant to subdivision (f).

(e) This section does not affect the requirement prescribed by this article that the state body post an agenda of a meeting at least 10 days in advance of the meeting. The agenda shall include information regarding the physical meeting location designated pursuant to subdivision (f), but is not required to disclose information regarding any remote location.

(f) A state body described in subdivision (b) shall designate the primary physical meeting location in the notice of the meeting where members of the public may physically attend the meeting, observe and hear the meeting, and participate. At least one staff member of the state body shall be present at the primary physical meeting location during the meeting. The state body shall post the agenda at the primary physical meeting location, but need not post the agenda at a remote location.

(g) When a member of a state body described in subdivision (b) participates remotely in a meeting subject to this section's requirements, the state body shall provide a means by which the public may remotely hear audio of the meeting or remotely observe the meeting, including, if available, equal access equivalent to members of the state body participating remotely. The applicable teleconference phone number or internet website, or other information indicating how the public can access the meeting remotely, shall be in the 24-hour notice described in subdivision (b) that is available to the public.

(h) (1) Except as provided in paragraph (2), the members of the state body shall visibly appear on camera during the open portion of a meeting that is publicly accessible via the internet or other online platform.

(2) The visual appearance of a member of a state body on camera may cease only when the appearance would be technologically impracticable, including, but not limited to, when the member experiences a lack of reliable broadband or internet connectivity that would be remedied by joining without video, or when the visual display of meeting materials, information, or speakers on the internet or other online platform requires the visual appearance of a member of a state body on camera to cease.

(3) If a member of the body does not appear on camera due to challenges with internet connectivity, the member shall announce the reason for their nonappearance when they turn off their camera.

(i) Upon discovering that a means of remote access required by subdivision (g) has failed during a meeting, the state body described in subdivision (b) shall end or adjourn the meeting in accordance with Section 11128.5. In addition to any other requirements that may apply, the state body shall provide notice of the meeting's end or adjournment on its internet website and by email to any person who has requested notice of meetings of the state body under this article. If the meeting will be adjourned and reconvened on the same day, further notice shall be provided by an automated message on a telephone line posted on the state body's agenda, or by a similar means, that will communicate when the state body intends to reconvene the

meeting and how a member of the public may hear audio of the meeting or observe the meeting.

(j) This section does not limit or affect the ability of a state body to hold a teleconference meeting under another provision of this article.

(k) This section shall remain in effect only until January 1, 2026, and as of that date is repealed.

#### **§ 11124. Conditions for attendance**

(a) No person shall be required, as a condition to attendance at a meeting of a state body, to register their name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to their attendance.

(b) If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

(c) This section does not apply to an internet website or other online platform that may require the submission of information to log into a teleconferenced meeting, provided, however, that a person required to submit such information shall be permitted to submit a pseudonym or other anonymous information when using the internet website or other online platform to attend the meeting.

#### **§ 11124.1. Audio or video recording of proceedings; inspection of state's recording; broadcast restrictions**

(a) Any person attending an open and public meeting of the state body shall have the right to record the proceedings with an audio or video recorder or a still or motion picture camera in the absence of a reasonable finding by the state body that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.

(b) Any audio or video recording of an open and public meeting made for whatever purpose by or at the direction of the state body shall be subject to inspection pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), but may be erased or destroyed 30 days after the recording. Any inspection of an audio or video recording shall be provided without charge on equipment made available by the state body.

(c) No state body shall prohibit or otherwise restrict the broadcast of its open and public meetings in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings.

#### **§ 11125. Notice of meeting**

(a) The state body shall provide notice of its meeting to any person who requests that notice in writing. Notice shall be given and also made available on the Internet at least 10 days in advance of the meeting, and shall include the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of

witnesses expected to appear at the meeting. The written notice shall additionally include the address of the Internet site where notices required by this article are made available.

(b) The notice of a meeting of a body that is a state body shall include a specific agenda for the meeting, containing a brief description of the items of business to be transacted or discussed in either open or closed session. A brief general description of an item generally need not exceed 20 words. A description of an item to be transacted or discussed in closed session shall include a citation of the specific statutory authority under which a closed session is being held. No item shall be added to the agenda subsequent to the provision of this notice, unless otherwise permitted by this article.

(c) Notice of a meeting of a state body that complies with this section shall also constitute notice of a meeting of an advisory body of that state body, provided that the business to be discussed by the advisory body is covered by the notice of the meeting of the state body, provided that the specific time and place of the advisory body's meeting is announced during the open and public state body's meeting, and provided that the advisory body's meeting is conducted within a reasonable time of, and nearby, the meeting of the state body.

(d) A person may request, and shall be provided, notice pursuant to subdivision (a) for all meetings of a state body or for a specific meeting or meetings. In addition, at the state body's discretion, a person may request, and may be provided, notice of only those meetings of a state body at which a particular subject or subjects specified in the request will be discussed.

(e) A request for notice of more than one meeting of a state body shall be subject to the provisions of Section 14911.

(f) The notice shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by any person with a disability. The notice shall include information regarding how, to whom, and by when a request for any disability-related modification or accommodation, including auxiliary aids or services may be made by a person with a disability who requires these aids or services in order to participate in the public meeting.

#### **§ 11125.1. Agendas and other writings distributed for discussion or consideration at public meetings; public records; Franchise Tax Board; inspection; availability on the Internet; closed sessions**

(a) Notwithstanding Section 7922.000 or any other provisions of law, agendas of public meetings and other writings, when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 7924.100, 7924.105, 7924.110, 7924.510, or 7924.700 of this code, any provision listed in Section 7920.505 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person.

These writings shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by a person with a disability.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by the Franchise Tax Board staff or individual members to members of the state body prior to or during a meeting shall be:

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request notice in writing pursuant to subdivision (a) of Section 11125.

(3) Made available on the internet.

(d) Prior to the State Board of Equalization taking final action on any item that does not involve a named taxpayer or feepayer, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by board staff or individual members to members of the state body prior to or during a meeting shall be:

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request or have requested copies of these writings.

(3) Made available on the internet.

(e) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 7922.530, except that no surcharge shall be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall not be construed to limit or delay the public's right to inspect any record required to be disclosed by that act, or to limit the public's right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(f) "Writing" for purposes of this section means "writing" as defined under Section 7920.545.

### **§ 11125.2. Appointment, employment or dismissal of public employees; closed sessions; public report**

Any state body shall report publicly at a subsequent public meeting any action taken, and any rollcall vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.

### **§ 11125.3. Action on items of business not appearing on agenda; notice**

(a) Notwithstanding Section 11125, a state body may take action on items of business not appearing on the posted agenda under any of the conditions stated below:

(1) Upon a determination by a majority vote of the state body that an emergency situation exists, as defined in Section 11125.5.

(2) Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet as soon as is practicable after the decision to consider additional items at a meeting has been made.

#### **§ 11125.4. Special meetings; authorized purposes; notice; required finding of hardship or need to protect public interest**

(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes when compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or when immediate action is required to protect the public interest:

(1) To consider "pending litigation" as that term is defined in subdivision (e) of Section 11126.

(2) To consider proposed legislation.

(3) To consider issuance of a legal opinion.

(4) To consider disciplinary action involving a state officer or employee.

(5) To consider the purchase, sale, exchange, or lease of real property.

(6) To consider license examinations and applications.

(7) To consider an action on a loan or grant provided pursuant to Division 31 (commencing with Section 50000) of the Health and Safety Code.

(8) To consider its response to a confidential final draft audit report as permitted by Section 11126.2.

(9) To provide for an interim executive officer of a state body upon the death, incapacity, or vacancy in the office of the executive officer.

(b) When a special meeting is called pursuant to one of the purposes specified in subdivision (a), the state body shall provide notice of the special meeting to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after the decision to call a special meeting has been made, but shall deliver the notice in a manner that allows it to be received by the members and by newspapers of general circulation

and radio or television stations at least 48 hours before the time of the special meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet within the time periods required by this section. The notice shall specify the time and place of the special meeting and the business to be transacted. The written notice shall additionally specify the address of the Internet Web site where notices required by this article are made available. No other business shall be considered at a special meeting by the state body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the state body a written waiver of notice. The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

#### **§ 11125.5. Emergency meetings**

(a) In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a state body may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4.

(b) For purposes of this section, “emergency situation” means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:

- (1) Work stoppage or other activity that severely impairs public health or safety, or both.
- (2) Crippling disaster that severely impairs public health or safety, or both.

(c) However, newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the state body, or a designee thereof, one hour prior to the emergency meeting by telephone. Notice shall also be made available on the Internet as soon as is practicable after the decision to call the emergency meeting has been made. If telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the presiding officer of the state body, or a designee thereof, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the rollcall vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place, and also made available on the Internet for a minimum of 10 days, as soon after the meeting as possible.

**§ 11125.7. Agenda item discussion before state body; opportunity for public address; regulation by state body; freedom of expression; equal time provisions modified for use of translator; application of provisions**

(a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item. This section is not applicable if the agenda item has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public if no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.

(c) (1) Notwithstanding subdivision (b), when a state body limits time for public comment the state body shall provide at least twice the allotted time to a member of the public who utilizes a translator or other translating technology to ensure that non-English speakers receive the same opportunity to directly address the state body.

(2) Paragraph (1) shall not apply if the state body utilizes simultaneous translation equipment in a manner that allows the state body to hear the translated public testimony simultaneously.

(d) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(e) This section is not applicable to any of the following:

(1) Closed sessions held pursuant to Section 11126.

(2) Decisions regarding proceedings held pursuant to Chapter 5 (commencing with Section 11500), relating to administrative adjudication, or to the conduct of those proceedings.

(3) Hearings conducted by the California Victim Compensation Board pursuant to Sections 13963 and 13963.1.

(4) Agenda items that involve decisions of the Public Utilities Commission regarding adjudicatory hearings held pursuant to Chapter 9 (commencing with Section 1701) of Part 1 of Division 1 of the Public Utilities Code. For all other agenda items, the commission shall provide members of the public, other than those who have already participated in the proceedings underlying the agenda item, an opportunity to directly address the commission before or during the commission's consideration of the item.

## **§ 11126. Closed sessions**

(a) (1) Nothing in this article shall be construed to prevent a state body from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, or dismissal of a public employee or to hear complaints or charges brought against that employee by another person or employee unless the employee requests a public hearing.

(2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of their right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or special meeting. If notice is not given, any disciplinary or other action taken against any employee at the closed session shall be null and void.

(3) The state body also may exclude from any public or closed session, during the examination of a witness, any or all other witnesses in the matter being investigated by the state body.

(4) Following the public hearing or closed session, the body may deliberate on the decision to be reached in a closed session.

(b) For the purposes of this section, “employee” does not include any person who is elected to, or appointed to a public office by, any state body. However, officers of the California State University who receive compensation for their services, other than per diem and ordinary and necessary expenses, shall, when engaged in that capacity, be considered employees. Furthermore, for purposes of this section, the term employee includes a person exempt from civil service pursuant to subdivision (e) of Section 4 of Article VII of the California Constitution.

(c) Nothing in this article shall be construed to do any of the following:

(1) Prevent state bodies that administer the licensing of persons engaging in businesses or professions from holding closed sessions to prepare, approve, grade, or administer examinations.

(2) Prevent an advisory body of a state body that administers the licensing of persons engaged in businesses or professions from conducting a closed session to discuss matters that the advisory body has found would constitute an unwarranted invasion of the privacy of an individual licensee or applicant if discussed in an open meeting, provided the advisory body does not include a quorum of the members of the state body it advises. Those matters may include review of an applicant’s qualifications for licensure and an inquiry specifically related to the state body’s enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.

(3) Prohibit a state body from holding a closed session to deliberate on a decision to be reached in a proceeding required to be conducted pursuant to Chapter 5 (commencing with Section 11500) or similar provisions of law.

(4) Grant a right to enter any correctional institution or the grounds of a correctional institution where that right is not otherwise granted by law, nor shall anything in this article be construed to prevent a state body from holding a closed session when

considering and acting upon the determination of a term, parole, or release of any individual or other disposition of an individual case, or if public disclosure of the subjects under discussion or consideration is expressly prohibited by statute.

(5) Prevent any closed session to consider the conferring of honorary degrees, or gifts, donations, and bequests that the donor or proposed donor has requested in writing to be kept confidential.

(6) Prevent the Alcoholic Beverage Control Appeals Board or the Cannabis Control Appeals Panel from holding a closed session for the purpose of holding a deliberative conference as provided in Section 11125.

(7) (A) Prevent a state body from holding closed sessions with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the state body to give instructions to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

(B) However, prior to the closed session, the state body shall hold an open and public session in which it identifies the real property or real properties that the negotiations may concern and the person or persons with whom its negotiator may negotiate.

(C) For purposes of this paragraph, the negotiator may be a member of the state body.

(D) For purposes of this paragraph, "lease" includes renewal or renegotiation of a lease.

(E) Nothing in this paragraph shall preclude a state body from holding a closed session for discussions regarding eminent domain proceedings pursuant to subdivision (e).

(8) Prevent the California Postsecondary Education Commission from holding closed sessions to consider matters pertaining to the appointment or termination of the Director of the California Postsecondary Education Commission.

(9) Prevent the Council for Private Postsecondary and Vocational Education from holding closed sessions to consider matters pertaining to the appointment or termination of the Executive Director of the Council for Private Postsecondary and Vocational Education.

(10) Prevent the Franchise Tax Board from holding closed sessions for the purpose of discussion of confidential tax returns or information the public disclosure of which is prohibited by law, or from considering matters pertaining to the appointment or removal of the Executive Officer of the Franchise Tax Board.

(11) Require the Franchise Tax Board to notice or disclose any confidential tax information considered in closed sessions, or documents executed in connection therewith, the public disclosure of which is prohibited pursuant to Article 2 (commencing with Section 19542) of Chapter 7 of Part 10.2 of Division 2 of the Revenue and Taxation Code.

(12) Prevent the Corrections Standards Authority from holding closed sessions when considering reports of crime conditions under Section 6027 of the Penal Code.

(13) Prevent the State Air Resources Board from holding closed sessions when considering the proprietary specifications and performance data of manufacturers.

(14) Prevent the State Board of Education or the Superintendent of Public Instruction, or any committee advising the board or the Superintendent, from holding closed sessions on those portions of its review of assessment instruments pursuant to Chapter 5 (commencing with Section 60600) of Part 33 of Division 4 of Title 2 of the Education Code during which actual test content is reviewed and discussed. The purpose of this provision is to maintain the confidentiality of the assessments under review.

(15) Prevent the Department of Resources Recycling and Recovery or its auxiliary committees from holding closed sessions for the purpose of discussing confidential tax returns, discussing trade secrets or confidential or proprietary information in its possession, or discussing other data, the public disclosure of which is prohibited by law.

(16) Prevent a state body that invests retirement, pension, or endowment funds from holding closed sessions when considering investment decisions. For purposes of consideration of shareholder voting on corporate stocks held by the state body, closed sessions for the purposes of voting may be held only with respect to election of corporate directors, election of independent auditors, and other financial issues that could have a material effect on the net income of the corporation. For the purpose of real property investment decisions that may be considered in a closed session pursuant to this paragraph, a state body shall also be exempt from the provisions of paragraph (7) relating to the identification of real properties prior to the closed session.

(17) Prevent a state body, or boards, commissions, administrative officers, or other representatives that may properly be designated by law or by a state body, from holding closed sessions with its representatives in discharging its responsibilities under Chapter 10 (commencing with Section 3500), Chapter 10.3 (commencing with Section 3512), Chapter 10.5 (commencing with Section 3525), or Chapter 10.7 (commencing with Section 3540) of Division 4 of Title 1 as the sessions relate to salaries, salary schedules, or compensation paid in the form of fringe benefits. For the purposes enumerated in the preceding sentence, a state body may also meet with a state conciliator who has intervened in the proceedings.

(18) (A) Prevent a state body from holding closed sessions to consider matters posing a threat or potential threat of criminal or terrorist activity against the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body, where disclosure of these considerations could compromise or impede the safety or security of the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body.

(B) Notwithstanding any other law, a state body, at any regular or special meeting, may meet in a closed session pursuant to subparagraph (A) upon a two-thirds vote of the members present at the meeting.

If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary

action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its disclosure.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.

(d) If, after the agenda has been published in compliance with this article, any pending litigation (under subdivision (e) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed, unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of names or other information that would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

Nothing in this section shall prohibit the state body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting. ### **§ 11128.5. Adjournment; declaration; notice; hour for reconvened meeting**

The state body may adjourn any regular, adjourned regular, special, or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting, the clerk or secretary of the state body may declare the meeting adjourned to a stated time and place and he or she shall cause a written notice of the adjournment to be given in the same manner as provided in Section 11125.4 for special meetings, unless that notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. ### **§ 11130. Actions to prevent violations or determine applicability of article; validity of rules discouraging expression; audio recording of closed sessions; discovery procedures for recordings**

(a) The Attorney General, the district attorney, or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this article or to determine the applicability of this article to past actions or threatened future action by members of the state body or to determine whether any rule or action by the state body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the state body to audio record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 11126, order the state body to audio record its closed sessions and preserve the audio recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The audio recordings shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the audio recording is sought by the Attorney General, the district attorney, or the plaintiff in a civil action pursuant to this section or Section 11130.3 alleging that a violation of this article has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the audio recording. (ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this article, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) Nothing in this section shall permit discovery of communications that are protected by the attorney-client privilege.

### **§ 11130.3. Judicial determination action by state body in violation of §§ 11123 or 11125 null and void; action by interested person; grounds**

Any action seeking such a judicial determination shall be commenced within 90 days from the date the action was taken. The costs and fees shall be paid by the state body and shall not become a personal liability of any public officer or employee thereof.

A court may award court costs and reasonable attorney's fees to a defendant in any action brought pursuant to Section 11130 or 11130.3 where the defendant has prevailed in a final determination of the action and the court finds that the action was clearly frivolous and totally lacking in merit.

### **§ 11130.7. Violations; misdemeanor**

Each member of a state body who attends a meeting of that body in violation of any provision of this article, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this article, is guilty of a misdemeanor.

(b) Except as provided in Section 11351:

(1) Interim regulations need not comply with Article 5 (commencing with Section 11346) or Article 6 (commencing with Section 11349) of Chapter 3.5, but are governed by Chapter 3.5 (commencing with Section 11340) in all other respects.

(2) Interim regulations expire on December 31, 1998, unless earlier terminated or replaced by or readopted as permanent regulations under paragraph (3). If on December 31, 1998, an agency has completed proceedings to replace or readopt interim regulations and has submitted permanent regulations for review by the Office of Administrative Law, but permanent regulations have not yet been filed with the Secretary of State, the interim regulations are extended until the date permanent regulations are filed with the Secretary of State or March 31, 1999, whichever is earlier.

(3) Permanent regulations are subject to all the provisions of Chapter 3.5 (commencing with Section 11340), except that if by December 31, 1998, an agency has submitted the regulations for review by the Office of Administrative Law, the regulations are not subject to review for necessity under Section 11349.1 or 11350.

## **Article 3. Application of Chapter**

### **§ 11410.40. Adoption by exempt agency**

Notwithstanding any other provision of this article, by regulation, ordinance, or other appropriate action, an agency may adopt this chapter or any of its provisions for the formulation and issuance of a decision, even though the agency or decision is exempt from application of this chapter.

## **Article 4. Governing Procedure**

### **§ 11415.10. Statutes and regulations; Administrative Procedure Act**

(a) The governing procedure by which an agency conducts an adjudicative proceeding is determined by the statutes and regulations applicable to that proceeding. If no other governing procedure is provided by statute or regulation, an agency may conduct an adjudicative proceeding under the administrative adjudication provisions of the Administrative Procedure Act.

(b) This chapter supplements the governing procedure by which an agency conducts an adjudicative proceeding.

### **§ 11415.20. Controlling law**

A state statute or a federal statute or regulation applicable to a particular agency or decision prevails over a conflicting or inconsistent provision of this chapter.

## **Article 11. Subpoenas**

### **§ 11450.05. Application of article**

(a) This article applies in an adjudicative proceeding required to be conducted under Chapter 5 (commencing with Section 11500).

(b) An agency may use the subpoena procedure provided in this article in an adjudicative proceeding not required to be conducted under Chapter 5 (commencing with Section 11500), in which case all the provisions of this article apply including, but not limited to, issuance of a subpoena at the request of a party or by the attorney of record for a party under Section 11450.20.

### **§ 11450.20. Issuer; service**

(a) Subpoenas and subpoenas duces tecum shall be issued by the agency or presiding officer at the request of a party, or by the attorney of record for a party, in accordance with Sections 1985 to 1985.4, inclusive, of the Code of Civil Procedure.

(b) The process extends to all parts of the state and shall be served in accordance with Sections 1987 and 1988 of the Code of Civil Procedure. A subpoena or subpoena duces tecum may also be delivered by certified mail return receipt requested or by messenger. Service by messenger shall be effected when the witness acknowledges receipt of the subpoena to the sender, by telephone, by mail, or in person, and identifies himself or herself either by reference to date of birth and driver's license number or Department of Motor Vehicles identification number, or the sender may verify receipt of the subpoena by obtaining other identifying information from the recipient. The sender shall make a written notation of the acknowledgment. A subpoena issued and acknowledged pursuant to this section has the same force and effect as a subpoena personally served. Failure to comply with a subpoena issued and acknowledged pursuant to this section may be punished as a contempt and the subpoena may so state. A party requesting a continuance based upon the failure of a witness to appear at the time and place required for the appearance or testimony pursuant to a subpoena, shall prove that the party has complied with this section. The continuance shall only be granted for a period of time that would allow personal service of the subpoena and in no event longer than that allowed by law.

(c) No witness is obliged to attend unless the witness is a resident of the state at the time of service.

### **§ 11450.30. Objections; protective orders**

(a) A person served with a subpoena or a subpoena duces tecum may object to its terms by a motion for a protective order, including a motion to quash.

(b) The objection shall be resolved by the presiding officer on terms and conditions that the presiding officer declares. The presiding officer may make another order that is appropriate to protect the parties or the witness from unreasonable or oppressive demands, including violations of the right to privacy.

(c) A subpoena or a subpoena duces tecum issued by the agency on its own motion may be quashed by the agency.

### **§ 11450.50. Written notice**

(a) In the case of the production of a party to the record of a proceeding or of a person for whose benefit a proceeding is prosecuted or defended, the service of a subpoena on the witness is not required if written notice requesting the witness to attend, with the time and place of the hearing, is served on the attorney of the party or person.

(b) Service of written notice to attend under this section shall be made in the manner and is subject to the conditions provided in Section 1987 of the Code of Civil Procedure for service of written notice to attend in a civil action or proceeding.

## **Title 2, Division 3, Part 1, Chapter 5**

### **§ 11512. Presiding officer; participation of agency in hearing; conduct of hearing; disqualification of administrative law judge or agency member; reporter; proposed decision**

(a) Every hearing in a contested case shall be presided over by an administrative law judge. The agency itself shall determine whether the administrative law judge is to hear the case alone or whether the agency itself is to hear the case with the administrative law judge.

(b) When the agency itself hears the case, the administrative law judge shall preside at the hearing, rule on the admission and exclusion of evidence, and advise the agency on matters of law; the agency itself shall exercise all other powers relating to the conduct of the hearing but may delegate any or all of them to the administrative law judge. When the administrative law judge alone hears a case, the judge shall exercise all powers relating to the conduct of the hearing. A ruling of the administrative law judge admitting or excluding evidence is subject to review in the same manner and to the same extent as the administrative law judge's proposed decision in the proceeding.

(c) An administrative law judge or agency member shall voluntarily disqualify themselves and withdraw from any case in which there are grounds for disqualification, including disqualification under Section 11425.40. The parties may waive the disqualification by a writing that recites the grounds for disqualification. A waiver is effective only when signed by all parties, accepted by the administrative law judge or agency member, and included in the record. Any party may request the disqualification of any administrative law judge or agency member by filing an affidavit, prior to the taking of evidence at a hearing, stating with particularity the grounds upon which it is claimed that the administrative law judge or agency member is disqualified. Where the request concerns an agency member, the issue shall be determined by the other members of the agency. Where the request concerns the administrative law judge, the issue shall be determined by the agency itself if the agency itself hears the case with the administrative law judge, otherwise the issue shall be determined by the administrative law judge. No agency member shall withdraw voluntarily or be subject to disqualification if their disqualification would prevent the existence of a quorum qualified to act in the particular case, except that a substitute qualified to act may be appointed by the appointing authority.

(d) The proceedings at the hearing shall be reported by a stenographic reporter. However, upon the consent of all the parties, or if a stenographic reporter is unavailable and upon finding of good cause by the administrative law judge, the proceedings may be recorded electronically.

(e) Whenever, after the agency itself has commenced to hear the case with an administrative law judge presiding, a quorum no longer exists, the administrative law judge who is presiding shall complete the hearing as if sitting alone and shall render a proposed decision in accordance with subdivision (b) of Section 11517.

### **§ 11517. Contested case; original hearing; agency or administrative law judge**

(a) A contested case may be originally heard by the agency itself and subdivision (b) shall apply. Alternatively, at the discretion of the agency, an administrative law judge may originally hear the case alone and subdivision (c) shall apply.

(b) If a contested case is originally heard before an agency itself, all of the following provisions apply:

(1) An administrative law judge shall be present during the consideration of the case and, if requested, shall assist and advise the agency in the conduct of the hearing.

(2) No member of the agency who did not hear the evidence shall vote on the decision.

(3) The agency shall issue its decision within 100 days of submission of the case.

(c) (1) If a contested case is originally heard by an administrative law judge alone, he or she shall prepare within 30 days after the case is submitted to him or her a proposed decision in a form that may be adopted by the agency as the final decision in the case. Failure of the administrative law judge to deliver a proposed decision within the time required does not prejudice the rights of the agency in the case. Thirty days after the receipt by the agency of the proposed decision, a copy of the proposed decision shall be filed by the agency as a public record and a copy shall be served by the agency on each party and his or her attorney. The filing and service is not an adoption of a proposed decision by the agency.

(2) Within 100 days of receipt by the agency of the administrative law judge's proposed decision, the agency may act as prescribed in subparagraphs (A) to (E), inclusive. If the agency fails to act as prescribed in subparagraphs (A) to (E), inclusive, within 100 days of receipt of the proposed decision, the proposed decision shall be deemed adopted by the agency. The agency may do any of the following:

(A) Adopt the proposed decision in its entirety.

(B) Reduce or otherwise mitigate the proposed penalty and adopt the balance of the proposed decision.

(C) Make technical or other minor changes in the proposed decision and adopt it as the decision. Action by the agency under this paragraph is limited to a clarifying change or a change of a similar nature that does not affect the factual or legal basis of the proposed decision.

(D) Reject the proposed decision and refer the case to the same administrative law judge if reasonably available, otherwise to another administrative law judge, to take additional evidence. If the case is referred to an administrative law judge pursuant to this subparagraph, he or she shall prepare a revised proposed decision, as provided in paragraph (1), based upon the additional evidence and the transcript and other papers that are part of the record of the prior hearing. A copy of the revised proposed decision shall be furnished to each party and his or her attorney as prescribed in this subdivision.

(E) Reject the proposed decision, and decide the case upon the record, including the transcript, or upon an agreed statement of the parties, with or without taking additional evidence. By stipulation of the parties, the agency may decide the case upon the record without including the transcript. If the agency acts pursuant to this subparagraph, all of the following provisions apply:

(i) A copy of the record shall be made available to the parties. The agency may require payment of fees covering direct costs of making the copy.

(ii) The agency itself shall not decide any case provided for in this subdivision without affording the parties the opportunity to present either oral or written argument before the agency itself. If additional oral evidence is introduced before

the agency itself, no agency member may vote unless the member heard the additional oral evidence.

(iii) The authority of the agency itself to decide the case under this subdivision includes authority to decide some but not all issues in the case.

(iv) If the agency elects to proceed under this subparagraph, the agency shall issue its final decision not later than 100 days after rejection of the proposed decision. If the agency elects to proceed under this subparagraph, and has ordered a transcript of the proceedings before the administrative law judge, the agency shall issue its final decision not later than 100 days after receipt of the transcript. If the agency finds that a further delay is required by special circumstance, it shall issue an order delaying the decision for no more than 30 days and specifying the reasons therefor. The order shall be subject to judicial review pursuant to Section 11523.

(d) The decision of the agency shall be filed immediately by the agency as a public record and a copy shall be served by the agency on each party and his or her attorney.

### **§ 11521. Reconsideration**

(a) The agency itself may order a reconsideration of all or part of the case on its own motion or on petition of any party. The agency shall notify a petitioner of the time limits for petitioning for reconsideration. The power to order a reconsideration shall expire 30 days after the delivery or mailing of a decision to a respondent, or on the date set by the agency itself as the effective date of the decision if that date occurs prior to the expiration of the 30-day period or at the termination of a stay of not to exceed 30 days which the agency may grant for the purpose of filing an application for reconsideration. If additional time is needed to evaluate a petition for reconsideration filed prior to the expiration of any of the applicable periods, an agency may grant a stay of that expiration for no more than 10 days, solely for the purpose of considering the petition. If no action is taken on a petition within the time allowed for ordering reconsideration, the petition shall be deemed denied.

(b) The case may be reconsidered by the agency itself on all the pertinent parts of the record and such additional evidence and argument as may be permitted, or may be assigned to an administrative law judge. A reconsideration assigned to an administrative law judge shall be subject to the procedure provided in Section 11517. If oral evidence is introduced before the agency itself, no agency member may vote unless he or she heard the evidence.

The terms of each compact apply only to the State of California and the tribe that has signed it, and the terms of these compacts do not bind a tribe that is not a signatory to any of the compacts.

(b) Any other compact entered into between the State of California and any other federally recognized Indian tribe which is executed after August 24, 1998, is hereby ratified if (1) the compact is identical in all material respects to any of the compacts ratified pursuant to subdivision (a), and (2) the compact is not rejected by each house of the Legislature, two-thirds of the membership thereof concurring, within 30 days of the date of the submission of the compact to the Legislature by the Governor. However, if the 30-day period ends during a joint recess of the Legislature, the period shall be extended until the fifteenth day following the day on which the Legislature reconvenes. A compact will be deemed to be materially identical to a compact ratified pursuant to subdivision (a) if the Governor certifies that it is materially identical at the time the Governor submits it to the Legislature.

(c) The Legislature acknowledges the right of federally recognized tribes to exercise their sovereignty to negotiate and enter into compacts with the state that are materially different from the compacts ratified pursuant to subdivision (a). These compacts shall be ratified upon approval of each house of the Legislature, a majority of the membership thereof concurring.

Nothing in this section shall be construed to deny the existence of the Governor's authority to have negotiated and executed tribal-state compacts prior to the effective date of this section.

(e) The Governor is authorized to waive the state's immunity to suit in federal court in connection with any compact negotiated with an Indian tribe or any action brought by an Indian tribe under the Indian Gaming Regulatory Act (18 U.S.C. Sec. 1166 et seq. and 25 U.S.C. Sec. 2701 et seq.).

(f) In deference to tribal sovereignty, the execution of, and compliance with the terms of, any compact specified under subdivision (a) or (b) shall not be deemed to constitute a project for purposes of the California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code).

(g) Nothing in this section shall be interpreted to authorize the unilateral imposition of a statewide limit on the number of lottery devices or of an allocation system for lottery devices on an Indian tribe that has not entered into a compact that provides for such a limit or allocation system. Each tribe may negotiate separately with the state over these matters on a government-to-government basis.

For each fiscal year commencing with the 2016-17 fiscal year, all of the following shall apply:

(a) On or before the day of the May budget revision for each fiscal year, the California Gambling Control Commission shall determine the anticipated total amount of shortfalls in payment likely to occur in the Indian Gaming Revenue Sharing Trust Fund for the next fiscal year, and shall provide to the committee in the Senate and Assembly that considers the State Budget an estimate of the amount needed to transfer from the Indian Gaming Special Distribution Fund to backfill the Indian Gaming Revenue Sharing Trust Fund for the next fiscal year. The anticipated total amount of shortfalls to be transferred from the Indian Gaming Special Distribution Fund to the Indian Gaming Revenue Sharing Trust Fund shall be determined by the California Gambling Control Commission as follows:

(1) The anticipated number of eligible recipient Indian tribes that will be eligible to receive payments for the next fiscal year, multiplied by one million one hundred thousand dollars (\$1,100,000), with that product reduced by the amount anticipated to be paid by the tribes directly into the Indian Gaming Revenue Sharing Trust Fund for the next fiscal year.

(2) For purposes of this section and Section 12012.75, "eligible recipient Indian tribe" means a noncompact, nongaming, or limited-gaming tribe, as defined in the tribal-state gaming compacts ratified and in effect as provided in subdivision (f) of Section 19 of Article IV of the California Constitution.

(b) The Legislature shall transfer from the Indian Gaming Special Distribution Fund to the Indian Gaming Revenue Sharing Trust Fund an amount sufficient for each eligible recipient Indian tribe to receive a total not to exceed two hundred seventy-five thousand dollars (\$275,000) for each quarter in the next fiscal year that an eligible recipient Indian tribe is eligible to receive moneys, for a total not to exceed one million one hundred thousand dollars (\$1,100,000) for the entire fiscal year. The California Gambling Control Commission shall make quarterly payments from the Indian Gaming Revenue Sharing Trust Fund to each eligible recipient Indian tribe within 45 days of the end of each fiscal quarter.

(c) If the transfer of funds from the Indian Gaming Special Distribution Fund to the Indian Gaming Revenue Sharing Trust Fund results in a surplus, the funds shall remain in the Indian Gaming Revenue Sharing Trust Fund for disbursement in future years, and if necessary, adjustments shall be made to future distributions from the Indian Gaming Special Distribution Fund to the Revenue Sharing Trust Fund.

(d) In the event the amount appropriated for the fiscal year is insufficient to ensure each eligible recipient Indian tribe receives the total of two hundred seventy-five thousand dollars (\$275,000) for each fiscal quarter, the Department of Finance, after consultation with the California Gambling Control Commission, shall submit to the Legislature a request for a budget augmentation for the current fiscal year with an explanation as to the reason why the amount appropriated for the fiscal year was insufficient.

(e) At the end of each fiscal quarter, the California Gambling Control Commission's Indian Gaming Revenue Sharing Trust Fund report shall include information that identifies each of the eligible recipient Indian tribes for that fiscal quarter, the amount paid into the Indian Gaming Revenue Sharing Trust Fund by each of the tribes pursuant to the applicable sections of the tribal-state gaming compact, provided that tribes contributing on a net win or gross gaming revenue basis may be aggregated in the report, and the amount necessary to backfill from the Indian Gaming Special Distribution Fund the shortfall in the Indian Gaming Revenue Sharing Trust Fund in order for each eligible recipient Indian tribe to receive the total of two hundred seventy-five thousand dollars (\$275,000) for the fiscal quarter.

(d) The court shall, in making its orders, seek to protect the interests of those who may be involved in the same enterprise as the defendant, but who were not involved in the commission of the criminal profiteering activity.

#### **§ 186.7. Findings and orders of disposition; security interests and liens; evaluation and sale of property**

(a) If the trier of fact at the forfeiture hearing finds that the alleged property or proceeds is forfeitable pursuant to Section 186.3 and the defendant was engaged in a pattern of criminal profiteering activity, the court shall declare that property or proceeds forfeited to the state or local governmental entity, subject to distribution as provided in Section 186.8. No property solely owned by a bona fide purchaser for value shall be subject to forfeiture.

(b) If the trier of fact at the forfeiture hearing finds that the alleged property is forfeitable pursuant to Section 186.3 but does not find that a person holding a valid lien, mortgage, security interest, or interest under a conditional sales contract acquired that interest with actual knowledge that the property was to be used for a purpose for which forfeiture is permitted, and the amount due to that person is less than the appraised value of the property, that person may pay to the state or the local governmental entity which initiated the forfeiture proceeding, the amount of the registered owner's equity, which shall be deemed to be the difference between the appraised value and the amount of the lien, mortgage, security interest, or interest under a conditional sales contract. Upon that payment, the state or local governmental entity shall relinquish all claims to the property. If the holder of the interest elects not to make that payment to the state or local governmental entity, the property shall be deemed forfeited to the state or local governmental entity and the ownership certificate shall be forwarded. The appraised value

shall be determined as of the date judgment is entered either by agreement between the legal owner and the governmental entity involved, or if they cannot agree, then by a court-appointed appraiser for the county in which the action is brought. A person holding a valid lien, mortgage, security interest, or interest under a conditional sales contract shall be paid the appraised value of his or her interest.

(c) If the amount due to a person holding a valid lien, mortgage, security interest, or interest under a conditional sales contract is less than the value of the property and the person elects not to make payment to the governmental entity, the property shall be sold at public auction by the Department of General Services or by the local governmental entity which shall provide notice of that sale by one publication in a newspaper published and circulated in the city, community, or locality where the sale is to take place.

(d) Notwithstanding subdivision (c), a county may dispose of any real property forfeited to the county pursuant to this chapter pursuant to Section 25538.5 of the Government Code.

#### **§ 186.8. Disposition of money forfeited or sale proceeds; deposit into certain accounts**

Notwithstanding that no response or claim has been filed pursuant to Section 186.5, in all cases where property is forfeited pursuant to this chapter and, if necessary, sold by the Department of General Services or local governmental entity, the money forfeited or the proceeds of sale shall be distributed by the state or local governmental entity as follows:

(a) To the bona fide or innocent purchaser, conditional sales vendor, or holder of a valid lien, mortgage, or security interest, if any, up to the amount of his or her interest in the property or proceeds, when the court declaring the forfeiture orders a distribution to that person. The court shall endeavor to discover all those lienholders and protect their interests and may, at its discretion, order the proceeds placed in escrow for up to an additional 60 days to ensure that all valid claims are received and processed.

(b) To the Department of General Services or local governmental entity for all expenditures made or incurred by it in connection with the sale of the property, including expenditures for any necessary repairs, storage, or transportation of any property seized under this chapter.

(c) To the General Fund of the state or a general fund of a local governmental entity, whichever prosecutes.

(d) In any case involving a violation of subdivision (b) of Section 311.2, or Section 311.3 or 311.4, in lieu of the distribution of the proceeds provided for by subdivisions (b) and (c), the proceeds shall be deposited in the county children's trust fund, established pursuant to Section 18966 of the Welfare and Institutions Code, of the county that filed the petition of forfeiture. If the county does not have a children's trust fund, the funds shall be deposited in the State Children's Trust Fund, established pursuant to Section 18969 of the Welfare and Institutions Code.

(e) In any case involving crimes against the state beverage container recycling program, in lieu of the distribution of proceeds provided in subdivision (c), the proceeds shall be deposited in the penalty account established pursuant to subdivision (d) of Section 14580 of the Public Resources Code, except that a portion of the proceeds equivalent to the cost of prosecution in the case shall be distributed to the local prosecuting entity that filed the petition of forfeiture.

(f) (1) In any case described in paragraph (29) or (30) of subdivision (a) of Section 186.2, or paragraph (33) of subdivision (a) of Section 186.2 where the victim is a minor, in lieu of the distribution provided for in subdivision (c), the proceeds shall be deposited in the Victim-Witness Assistance Fund to be available for appropriation to fund child sexual exploitation and child sexual abuse victim counseling centers and prevention programs under Section 13837. Fifty percent of the funds deposited in the Victim-Witness Assistance Fund pursuant to this subdivision shall be granted to community-based organizations that serve minor victims of human trafficking.

(2) Notwithstanding paragraph (1), any proceeds specified in paragraph (1) that would otherwise be distributed to the General Fund of the state under subdivision (c) pursuant to a paragraph in subdivision (a) of Section 186.2 other than paragraph (29) or (30) of subdivision (a) of Section 186.2, or paragraph (33) of subdivision (a) of Section 186.2 where the victim is a minor, shall, except as otherwise required by law, continue to be distributed to the General Fund of the state as specified in subdivision (c).

### **§ 319. Definition**

A lottery is any scheme for the disposal or distribution of property by chance, among persons who have paid or promised to pay any valuable consideration for the chance of obtaining such property or a portion of it, or for any share or any interest in such property, upon any agreement, understanding, or expectation that it is to be distributed or disposed of by lot or chance, whether called a lottery, raffle, or gift enterprise, or by whatever name the same may be known.

#### **§ 319.3. Sports trading card grab bag**

(a) In addition to Section 319, a lottery also shall include a grab bag game which is a scheme whereby, for the disposal or distribution of sports trading cards by chance, a person pays valuable consideration to purchase a sports trading card grab bag with the understanding that the purchaser has a chance to win a designated prize or prizes listed by the seller as being contained in one or more, but not all, of the grab bags.

(b) For purposes of this section, the following definitions shall apply:

(1) "Sports trading card grab bag" means a sealed package which contains one or more sports trading cards that have been removed from the manufacturer's original packaging. A "sports trading card grab bag" does not include a sweepstakes, or procedure for the distribution of any sports trading card of value by lot or by chance, which is not unlawful under other provisions of law.

(2) "Sports trading card" means any card produced for use in commerce that contains a company name or logo, or both, and an image, representation, or facsimile of one or more players or other team member or members in any pose, and that is produced pursuant to an appropriate licensing agreement.

Neither this chapter nor Chapter 10 (commencing with Section 330) applies to the possession or operation of a reverse vending machine. As used in this section a reverse vending machine is a machine in which empty beverage containers are deposited for recycling and which provides a payment of money, merchandise, vouchers, or other incentives at a

frequency less than upon each deposit. The pay out of a reverse vending machine is made on a deposit selected at random within the designated number of required deposits.

The deposit of an empty beverage container in a reverse vending machine does not constitute consideration within the definition of lottery in Section 319.

### **§ 320. Contriving, preparing or drawing**

Every person who contrives, prepares, sets up, proposes, or draws any lottery, is guilty of a misdemeanor.

### **§ 320.5. Raffles**

(a) Nothing in this chapter applies to any raffle conducted by an eligible organization as defined in subdivision (c) for the purpose of directly supporting beneficial or charitable purposes or financially supporting another private, nonprofit, eligible organization that performs beneficial or charitable purposes if the raffle is conducted in accordance with this section.

(b) For purposes of this section, “raffle” means a scheme for the distribution of prizes by chance among persons who have paid money for paper tickets that provide the opportunity to win these prizes, where all of the following are true:

(1) Each ticket is sold with a detachable coupon or stub, and both the ticket and its associated coupon or stub are marked with a unique and matching identifier.

(2) Winners of the prizes are determined by draw from among the coupons or stubs described in paragraph (1) that have been detached from all tickets sold for entry in the draw.

(3) The draw is conducted in California under the supervision of a natural person who is 18 years of age or older.

(4)(A) At least 90 percent of the gross receipts generated from the sale of raffle tickets for any given draw are used by the eligible organization conducting the raffle to benefit or provide support for beneficial or charitable purposes, or it may use those revenues to benefit another private, nonprofit organization, provided that an organization receiving these funds is itself an eligible organization as defined in subdivision (c). As used in this section, “beneficial purposes” excludes purposes that are intended to benefit officers, directors, or members, as defined by Section 5056 of the Corporations Code, of the eligible organization. In no event shall funds raised by raffles conducted pursuant to this section be used to fund any beneficial, charitable, or other purpose outside of California. (C) For purposes of this section, employees selling raffle tickets shall be deemed to be direct sellers as described in Section 650 of the Unemployment Insurance Code as long as they meet the requirements of that section.

(d) Any person who receives compensation in connection with the operation of the raffle shall be an employee of the eligible organization that is conducting the raffle, and in no event may compensation be paid from revenues required to be dedicated to beneficial or charitable purposes.

(e) No raffle otherwise permitted under this section may be conducted by means of, or otherwise utilize, any gaming machine, apparatus, or device, whether or not that machine, apparatus, or device meets the definition of slot machine contained in Section 330a, 330b, or 330.1.

(2) A raffle may not be operated or conducted in any manner over the Internet, nor may raffle tickets be sold, traded, or redeemed over the Internet. For purposes of this paragraph, an eligible organization shall not be deemed to operate or conduct a raffle over the Internet, or sell raffle tickets over the Internet, if the eligible organization advertises its raffle on the Internet or permits others to do so. Information that may be conveyed on an Internet Web site pursuant to this paragraph includes, but is not limited to, all of the following:

(F) Raffle contact information, including the eligible organization's name, address, telephone number, facsimile number, or e-mail address.

(g) No individual, corporation, partnership, or other legal entity shall hold a financial interest in the conduct of a raffle, except the eligible organization that is itself authorized to conduct that raffle, and any private, nonprofit, eligible organizations receiving financial support from that charitable organization pursuant to subdivisions (a) and (b).

(h) (1) An eligible organization may not conduct a raffle authorized under this section, unless it registers annually with the Department of Justice. The department shall furnish a registration form via the Internet or upon request to eligible nonprofit organizations. (7) The department shall annually furnish to registrants a form to collect this information.

(8) The registration and reporting provisions of this section do not apply to any religious corporation sole or other religious corporation or organization that holds property for religious purposes, to a cemetery corporation regulated under Chapter 19 of Division 3 of the Business and Professions Code, or to any committee as defined in Section 82013 that is required to and does file any statement pursuant to the provisions of Article 2 (commencing with Section 84200) of Chapter 4 of Title 9, or to a charitable corporation organized and operated primarily as a religious organization, educational institution, hospital, or a health care service plan licensed pursuant to Section 1349 of the Health and Safety Code.

(i) The department may take legal action against a registrant if it determines that the registrant has violated this section or any regulation adopted pursuant to this section, or that the registrant has engaged in any conduct that is not in the best interests of the public's health, safety, or general welfare. Any action taken pursuant to this subdivision does not prohibit the commencement of an administrative or criminal action by the Attorney General, a district attorney, city attorney, or county counsel.

(j) Each action and hearing conducted to deny, revoke, or suspend a registry, or other administrative action taken against a registrant shall be conducted pursuant to the Administrative Procedure Act (Chapters 4.5 (commencing with Section 11400) and 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code). The department may seek recovery of the costs incurred in investigating or prosecuting an action against a registrant or applicant in accordance with those procedures specified in Section 125.3 of the Business and Professions Code. A proceeding conducted under this subdivision is subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure.

(k) The Department of Justice shall conduct a study and report to the Legislature by December 31, 2003, on the impact of this section on raffle practices in California. Specifically, the study shall include, but not be limited to, information on whether the number of raffles has increased, the amount of money raised through raffles and whether this amount has increased, whether there are consumer complaints, and whether there is increased fraud in the operation of raffles.

(l) This section shall become operative on July 1, 2001.

(m) A raffle shall be exempt from this section if it satisfies all of the following requirements:

(1) It involves a general and indiscriminate distribution of the tickets.

(2) The tickets are offered on the same terms and conditions as the tickets for which a donation is given.

(14) The department shall annually furnish to registrants a form to collect this information.

(p) The department may take legal action against a registrant if it determines that the registrant has violated this section or a regulation adopted pursuant to this section, or that the registrant has engaged in any conduct that is not in the best interests of the public's health, safety, or general welfare. An action taken pursuant to this subdivision does not prohibit the commencement of an administrative or criminal action by the Attorney General, a district attorney, city attorney, or county counsel.

(q) An action and hearing conducted to deny, revoke, or suspend a registry, or other administrative action taken against a registrant, shall be conducted pursuant to the Administrative Procedure Act (Chapters 4.5 (commencing with Section 11400) and 5

(commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code). The department may seek civil remedies, including imposing fines, for violations of this section, and may seek recovery of the costs incurred in investigating or prosecuting an action against a registrant or applicant in accordance with those procedures specified in Section 125.3 of the Business and Professions Code. A proceeding conducted under this subdivision is subject to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure. A violation of this section shall not constitute a crime.

### **§ 326.4. Charity Bingo Mitigation Fund**

(a) Consistent with the Legislature's finding that card-minding devices, as described in subdivision (p) of Section 326.5, are the only permissible electronic devices to be used by charity bingo players, and in an effort to ease the transition to remote caller bingo on the part of those nonprofit organizations that, as of July 1, 2008, used electronic devices other than card-minding devices to conduct games in reliance on an ordinance of a city, county, or city and county that, as of July 1, 2008, expressly recognized the operation of electronic devices other than card-minding devices by organizations purportedly authorized to conduct bingo in the city, county, or city and county, there is hereby created the Charity Bingo Mitigation Fund.

(b) The Charity Bingo Mitigation Fund shall be administered by the Department of Justice.

(c) Mitigation payments to be made by the Charity Bingo Mitigation Fund shall not exceed five million dollars (\$5,000,000) in the aggregate.

(d) (1) To allow the Charity Bingo Mitigation Fund to become immediately operable, five million dollars (\$5,000,000) shall be loaned from the accrued interest in the Indian Gaming Special Distribution Fund to the Charity Bingo Mitigation Fund on or after January 1, 2009, to make mitigation payments to eligible nonprofit organizations. Five million dollars (\$5,000,000) of this loan amount is hereby appropriated to the California Gambling Control Commission for the purposes of providing mitigation payments to certain charitable organizations, as described in subdivision (e). Pursuant to Section 16304 of the Government Code, after three years the unexpended balance shall revert back to the Charity Bingo Mitigation Fund.

(2) To reimburse the Special Distribution Fund, those nonprofit organizations that conduct a remote caller bingo game pursuant to Section 326.3 shall pay to the Department of Justice an amount equal to 5 percent of the gross revenues of each remote caller bingo game played until that time as the full advanced amount plus interest on the loan at the rate accruing to moneys in the Pooled Money Investment Account is reimbursed.

(e) (1) An organization meeting the requirements in subdivision (a) shall be eligible to receive mitigation payments from the Charity Bingo Mitigation Fund only if the city, county, or city and county in which the organization is located maintained official records of the net revenues generated for the fiscal year ending June 30, 2008, by the organization from the use of electronic devices or the organization maintained audited financial records for the fiscal year ending June 30, 2008, which show the net revenues generated from the use of electronic devices.

(2) In addition, an organization applying for mitigation payments shall provide proof that its board of directors has adopted a resolution and its chief executive officer has signed a statement executed under penalty of perjury stating that, as of January 1, 2009, the organization has ceased using electronic devices other than card-minding devices, as described in subdivision (p) of Section 326.5, as a fundraising tool.

(3) Each eligible organization may apply to the California Gambling Control Commission no later than January 31, 2009, for the mitigation payments in the amount equal to net revenues from the fiscal year ending June 30, 2008, by filing an application, including therewith documents and other proof of eligibility, including any and all financial records documenting the organization's net revenues for the fiscal year ending June 30, 2008, as the California Gambling Control Commission may require. The California Gambling Control Commission is authorized to access and examine the financial records of charities requesting funding in order to confirm the legitimacy of the request for funding. In the event that the total of those requests exceeds five million dollars (\$5,000,000), payments to all eligible applicants shall be reduced in proportion to each requesting organization's reported or audited net revenues from the operation of electronic devices.

#### **§ 326.45. Appropriation for operating, personnel, and other startup costs**

Up to five hundred thousand dollars (\$500,000), as determined by order of the Director of Finance, is hereby appropriated from the California Bingo Fund to the California Gambling Control Commission for use in the 2008-09 fiscal year for the purposes described in subparagraph (C) of paragraph (3) of subdivision (q) of Section 326.3.

#### **§ 326.5. Bingo games for charity**

(a) Neither the prohibition on gambling in this chapter nor in Chapter 10 (commencing with Section 330) applies to any bingo game that is conducted in a city, county, or city and county pursuant to an ordinance enacted under Section 19 of Article IV of the State Constitution, if the ordinance allows games to be conducted only in accordance with this section and only by organizations exempted from the payment of the bank and corporation tax by Sections 23701a, 23701b, 23701d, 23701e, 23701f, 23701g, 23701k, 23701w, and 23701l of the Revenue and Taxation Code and by mobilehome park associations, senior citizens organizations, and charitable organizations affiliated with a school district; and if the receipts of those games are used only for charitable purposes.

(b) It is a misdemeanor for any person to receive or pay a profit, wage, or salary from any bingo game authorized by Section 19 of Article IV of the State Constitution. Security personnel employed by the organization conducting the bingo game may be paid from the revenues of bingo games, as provided in subdivisions (j) and (k).

(c) A violation of subdivision (b) shall be punishable by a fine not to exceed ten thousand dollars (\$10,000), which fine is deposited in the general fund of the city, county, or city and county that enacted the ordinance authorizing the bingo game. A violation of any provision of this section, other than subdivision (b), is a misdemeanor.

(d) The city, county, or city and county that enacted the ordinance authorizing the bingo game may bring an action to enjoin a violation of this section.

(e) Minors shall not be allowed to participate in any bingo game.

(f) An organization authorized to conduct bingo games pursuant to subdivision (a) shall conduct a bingo game only on property owned or leased by it, or property whose use is donated to the organization, and which property is used by that organization for an office or for performance of the purposes for which the organization is organized. Nothing in this subdivision shall be construed to require that the property owned or leased by, or whose use is donated to, the organization be used or leased exclusively by, or donated exclusively to, that organization.

(g) All bingo games shall be open to the public, not just to the members of the authorized organization.

(h) A bingo game shall be operated and staffed only by members of the authorized organization that organized it. Those members shall not receive a profit, wage, or salary from any bingo game. Only the organization authorized to conduct a bingo game shall operate such a game, or participate in the promotion, supervision, or any other phase of a bingo game. This subdivision does not preclude the employment of security personnel who are not members of the authorized organization at a bingo game by the organization conducting the game.

(i) Any individual, corporation, partnership, or other legal entity, except the organization authorized to conduct a bingo game, shall not hold a financial interest in the conduct of a bingo game.

(j) With respect to organizations exempt from payment of the bank and corporation tax by Section 23701d of the Revenue and Taxation Code, all profits derived from a bingo game shall be kept in a special fund or account and shall not be commingled with any other fund or account. Those profits shall be used only for charitable purposes.

(k) With respect to other organizations authorized to conduct bingo games pursuant to this section, all proceeds derived from a bingo game shall be kept in a special fund or account and shall not be commingled with any other fund or account. Proceeds are the receipts of bingo games conducted by organizations not within subdivision (j). Those proceeds shall be used only for charitable purposes, except as follows:

(1) The proceeds may be used for prizes.

(2) (A) Except as provided in subparagraph (B), a portion of the proceeds, not to exceed 20 percent of the proceeds before the deduction for prizes, or two thousand dollars (\$2,000) per month, whichever is less, may be used for the rental of property and for overhead, including the purchase of bingo equipment, administrative expenses, security equipment, and security personnel.

(B) For the purposes of bingo games conducted by the Lake Elsinore Elks Lodge, a portion of the proceeds, not to exceed 20 percent of the proceeds before the deduction for prizes, or three thousand dollars (\$3,000) per month, whichever is less, may be used for the rental of property and for overhead, including the purchase of bingo equipment, administrative expenses, security equipment, and security personnel. Any amount of the proceeds that is additional to that permitted under subparagraph (A), up to one thousand dollars (\$1,000), shall be used for the purpose of financing the rebuilding of the facility and the replacement of equipment that was destroyed by fire in 2007. The exception to subparagraph (A) that is provided by this subparagraph shall remain in effect only until the cost of rebuilding the facility is repaid, or January 1, 2019, whichever occurs first.

(3) The proceeds may be used to pay license fees.

(4) A city, county, or city and county that enacts an ordinance permitting bingo games may specify in the ordinance that if the monthly gross receipts from bingo games of an organization within this subdivision exceed five thousand dollars (\$5,000), a minimum percentage of the proceeds shall be used only for charitable purposes not relating to the conducting of bingo games and that the balance shall be used for prizes, rental of property, overhead, administrative expenses, and payment of license fees. The amount

of proceeds used for rental of property, overhead, and administrative expenses is subject to the limitations specified in paragraph (2).

(l) (1) A city, county, or city and county may impose a license fee on each organization that it authorizes to conduct bingo games. The fee, whether for the initial license or renewal, shall not exceed fifty dollars (\$50) annually, except as provided in paragraph (2). If an application for a license is denied, one-half of any license fee paid shall be refunded to the organization.

(2) In lieu of the license fee permitted under paragraph (1), a city, county, or city and county may impose a license fee of fifty dollars (\$50) paid upon application. If an application for a license is denied, one-half of the application fee shall be refunded to the organization. An additional fee for law enforcement and public safety costs incurred by the city, county, or city and county that are directly related to bingo activities may be imposed and shall be collected monthly by the city, county, or city and county issuing the license; however, the fee shall not exceed the actual costs incurred in providing the service.

(m) A person shall not be allowed to participate in a bingo game, unless the person is physically present at the time and place where the bingo game is being conducted.

(n) The total value of prizes available to be awarded during the conduct of any bingo games shall not exceed five hundred dollars (\$500) in cash or kind, or both, for each separate game which is held.

(o) As used in this section, "bingo" means a game of chance in which prizes are awarded on the basis of designated numbers or symbols that are marked or covered by the player on a tangible card in the player's possession and that conform to numbers or symbols, selected at random and announced by a live caller. Notwithstanding Section 330c, as used in this section, the game of bingo includes tangible cards having numbers or symbols that are concealed and preprinted in a manner providing for distribution of prizes. Electronics or video displays shall not be used in connection with the game of bingo, except in connection with the caller's drawing of numbers or symbols and the public display of that drawing, and except as provided in subdivision (p). The winning cards shall not be known prior to the game by any person participating in the playing or operation of the bingo game. All preprinted cards shall bear the legend, "for sale or use only in a bingo game authorized under California law and pursuant to local ordinance." Only a covered or marked tangible card possessed by a player and presented to an attendant may be used to claim a prize. It is the intention of the Legislature that bingo as defined in this subdivision applies exclusively to this section and shall not be applied in the construction or enforcement of any other provision of law.

(p) (1) Players who are physically present at a bingo game may use hand-held, portable card-minding devices, as described in this subdivision, to assist in monitoring the numbers or symbols announced by a live caller as those numbers or symbols are called in a live game. Card-minding devices may not be used in connection with any game where a bingo card may be sold or distributed after the start of the ball draw for that game. A card-minding device shall do all of the following:

(A) Be capable of storing in the memory of the device bingo faces of tangible cards purchased by a player.

(B) Provide a means for bingo players to input manually each individual number or symbol announced by a live caller.

- (C) Compare the numbers or symbols entered by the player to the bingo faces previously stored in the memory of the device.
  - (D) Identify winning bingo patterns that exist on the stored bingo faces.
- (2) A card-minding device shall perform no functions involving the play of the game other than those described in paragraph (1). Card-minding devices shall not do any of the following:
- (A) Be capable of accepting or dispensing any coins, currency, or other representative of value or on which value has been encoded.
  - (B) Be capable of monitoring any bingo card face other than the faces of the tangible bingo card or cards purchased by the player for that game.
  - (C) Display or represent the game result through any means, including, but not limited to, video or mechanical reels or other slot machine or casino game themes, other than highlighting the winning numbers or symbols marked or covered on the tangible bingo cards or giving an audio alert that the player's card has a prize-winning pattern.
  - (D) Determine the outcome of any game or be physically or electronically connected to any component that determines the outcome of a game or to any other bingo equipment, including, but not limited to, the ball call station, or to any other card-minding device. No other player-operated or player-activated electronic or electromechanical device or equipment is permitted to be used in connection with a bingo game.
- (3) (A) A card-minding device shall be approved in advance by the department as meeting the requirements of this section and any additional requirements stated in regulations adopted by the department. Any proposed material change to the device, including any change to the software used by the device, shall be submitted to the department and approved by the department prior to implementation.
- (B) In accordance with Chapter 5 (commencing with Section 19800) of Division 8 of the Business and Professions Code, the commission shall establish reasonable criteria for, and require the licensure of, any person that directly or indirectly manufactures, distributes, supplies, vends, leases, or otherwise provides card-minding devices or other supplies, equipment, or services related to card-minding devices designed for use in the playing of bingo games by any nonprofit organization.
- (C) A person or entity that supplies or services any card-minding device shall meet all licensing requirements established by the commission in regulations.
- (4) The costs of any testing, certification, license, or determination required by this subdivision shall be borne by the person or entity seeking it.
- (5) On and after January 1, 2010, the Department of Justice may inspect all card-minding devices at any time without notice, and may immediately prohibit the use of any device that does not comply with the requirements established by the department in regulations. The Department of Justice may at any time, without notice, impound any device the use of which has been prohibited by the commission.

(6) The Department of Justice shall issue regulations to implement the requirements of this subdivision, and the California Gambling Control Commission may issue regulations regarding the means by which the operator of a bingo game, as required by applicable law, may offer assistance to a player with disabilities in order to enable that player to participate in a bingo game, provided that the means of providing that assistance shall not be through any electronic, electromechanical, or other device or equipment that accepts the insertion of any coin, currency, token, credit card, or other means of transmitting value, and does not constitute or is not a part of a system that constitutes a video lottery terminal, slot machine, or device prohibited by Chapter 10 (commencing with Section 330).

(7) The following definitions apply for purposes of this subdivision:

(A) "Commission" means the California Gambling Control Commission.

(B) "Department" means the Department of Justice.

(C) "Person" includes a natural person, corporation, limited liability company, partnership, trust, joint venture, association, or any other business organization.

### **§ 327. Endless chain schemes**

Every person who contrives, prepares, sets up, proposes, or operates any endless chain is guilty of a public offense, and is punishable by imprisonment in the county jail not exceeding one year or in state prison for 16 months, two, or three years.

As used in this section, an "endless chain" means any scheme for the disposal or distribution of property whereby a participant pays a valuable consideration for the chance to receive compensation for introducing one or more additional persons into participation in the scheme or for the chance to receive compensation when a person introduced by the participant introduces a new participant. Compensation, as used in this section, does not mean or include payment based upon sales made to persons who are not participants in the scheme and who are not purchasing in order to participate in the scheme.

### **§ 328. Printed materials for lotteries legally conducted outside state**

Nothing in this chapter shall make unlawful the printing or other production of any advertisements for, or any ticket, chance, or share in a lottery conducted in any other state or nation where such lottery is not prohibited by the laws of such state or nation; or the sale of such materials by the manufacturer thereof to any person or entity conducting or participating in the conduct of such a lottery in any such state or nation. This section does not authorize any advertisement within California relating to lotteries, or the sale or resale within California of lottery tickets, chances, or shares to individuals, or acts otherwise in violation of any laws of the state.

### **§ 329. Evidence; elements of proof**

Upon a trial for the violation of any of the provisions of this chapter, it is not necessary to prove the existence of any lottery in which any lottery ticket purports to have been issued, or to prove the actual signing of any such ticket or share, or pretended ticket or share, of any pretended lottery, nor that any lottery ticket, share, or interest was signed or issued by the authority of any manager, or of any person assuming to have authority as manager; but in all cases proof of the sale, furnishing, bartering, or procuring of any ticket, share, or interest

therein, or of any instrument purporting to be a ticket, or part or share of any such ticket, is evidence that such share or interest was signed and issued according to the purport thereof.

### **§ 12052. Commission Meetings; General Procedures; Scope; Notice; Rescheduling of Meeting.**

(a) Nothing in this article is intended to limit the manner in which the Commission reviews an application, or otherwise limit its authority or discretion under the Act.

(b) This article does not apply to accusations brought under Business and Professions Code section 19930, subdivision (b) to revoke, suspend, or discipline a license, registration, permit, finding of suitability, renewal or other approval under the Act or a matter proceeding pursuant to Chapter 10 of this division.

(c) An applicant for any license, permit, finding of suitability, renewal, or other approval will be given notice of the meeting at which the application is scheduled to be heard. Notice will be given pursuant to Section 12006.

(1) If the application is scheduled at a Commission meeting under Section 12054, the notice will be provided at least 10 calendar days prior to the meeting date and will inform the applicant of the following:

(A) That the applicant will be afforded the opportunity to:

1. Address the Commission by way of an oral statement, written statement, or both; and,
2. Submit documents in support of the application; however, documents which are not received by the Commission and Bureau with sufficient time for consideration may result in the documents not being considered or the consideration of the application being continued, at the Commission's discretion. Less than 72 hours in advance of the noticed meeting's scheduled start time is presumed to be insufficient time for consideration.

(B) That the application may be rescheduled for consideration at an evidentiary hearing pursuant to Section 12058, by Commission action.

(2) If the application is to be scheduled at an evidentiary hearing, pursuant to subsections (a) or (b) of Section 12060, the notice of hearing will inform the applicant of the following:

(B) The date, time and location of the pre-hearing conference, pursuant to paragraph (1) of subsection (h) of Section 12060;

(C) The individual assigned, pursuant to subsection (d) of Section 12060, as the presiding officer and his or her contact information;

(D) That the applicant will be afforded the opportunity to:

2. Submit documents in support of the application;
3. Call, examine, cross-examine and impeach witnesses; and,
4. Offer rebuttal evidence.

(E) That a Notice of Defense, CGCC-CH1-03 (Rev. 09/21), which is attached in Appendix A to this chapter, will be included unless already provided by Commission staff or the Bureau.

(F) That the waiver of an evidentiary hearing, or failure of the applicant to submit a Notice of Defense, or failure by the applicant to appear at the evidentiary hearing, may result in a default decision or a hearing without applicant participation in accordance with Section 12057.

(d) Any application for a license, work permit, registration, or other approval involving a finding of suitability scheduled for Commission consideration at a noticed public meeting may be rescheduled for a later public meeting by the Executive Director, prior to the meeting, or by the Commission at the meeting, provided that in the case of renewal applications, the Commission must act before the license expires.

### **§ 12054. Consideration at a Commission Meeting.**

(a) At a Commission meeting, the Commission may take, but is not limited to taking, one of the following actions:

- (1) Issue a license, temporary license, interim license, registration, permit, finding of suitability, renewal or other approval.
- (2) Issue a license, work permit, finding of suitability, or other approval with conditions, restrictions, or limitations, and for a renewal application, issue an interim renewal license pursuant to Section 12035.
- (3) Deny an application for a license, work permit, finding of suitability, or other approval, and for a renewal application, issue an interim renewal license pursuant to Section 12035.
- (4) Elect to hold or retract an evidentiary hearing in accordance with Section 12056 and, for a renewal application, issue an interim renewal license pursuant to Section 12035. The Commission will identify those issues for which it requires additional information or consideration related to the applicant's suitability.
- (5) Table or continue an item for consideration at a subsequent meeting, for any purpose, including obtaining new or additional information from the applicant, Bureau or Commission staff, provided that in the case of renewal applications, the Commission must act on the application before the license expires.
- (6) Extend a cardroom category license, TPPPS category license, registration, or finding of suitability for up to 180 calendar days, as necessary, if an applicant has submitted their renewal application prior to the original expiration date of the current license, Commission work permit, registration, or finding of suitability, and the Commission is unable to act on the application prior to the expiration date.
- (7) Approve or deny a request for withdrawal pursuant to Section 12015.
- (8) Make a finding of abandonment pursuant to subsection (c) of Section 12017.

(9) If the Bureau has filed an accusation with the Commission pursuant to Business and Professions Code section 19930 prior to Commission action on a renewal application, the Commission will issue an interim renewal license pursuant to Section 12035.

(10) Issue a default decision pursuant to Section 12057.

(11) Consider a request for reconsideration pursuant to Section 12064.

(b) An applicant does not have a right to an evidentiary hearing pursuant to Section 12056 if the Commission approves or denies a request for withdrawal pursuant to paragraph (5) of subsection (a) or makes a finding of abandonment pursuant to paragraph (6) of subsection (a), and that decision is final when issued, unless the Commission specifies otherwise.

### **§ 12056. Evidentiary Hearings.**

(a) If the Commission elects to hold an evidentiary hearing, or an applicant has elected to request an evidentiary hearing following a Commission approval with conditions, restrictions, or limitations pursuant to paragraph (2) of subsection (a) of Section 12054 or a denial pursuant to paragraph (3) of subsection (a) of Section 12054, the hearing will be conducted as a GCA hearing under Section 12060, unless the Executive Director or the Commission determines the hearing should be conducted as an APA hearing under Section 12058. The evidence will be presented by the complainant, which is selected by the Executive Director or the Commission, and may be either the Bureau or an advocate of the Commission. If an advocate of the Commission is selected, the determination will include a list of employees of the Commission who will be designated as an advocate of the Commission.

(b) Nothing in this section, Section 12058 or Section 12060 confers upon an applicant a right to discovery of the Commission's or Bureau's confidential information or to require production of any document or the disclosure of information which is otherwise prohibited by any provision of the Act, or is privileged from disclosure or otherwise made confidential by any other provision of law. Documentary evidence may be redacted as needed to prevent the disclosure of confidential information. Exculpatory or mitigating information will be provided to the applicant, but any confidential information may be redacted by the Bureau.

(c) Under either an APA or a GCA hearing, all parties will bear their own costs. This does not prevent the Bureau from requiring that additional sums be deposited pursuant to Business and Professions Code section 19867 for any necessary supplemental investigations.

(d) Where an application has been referred to a GCA hearing or an APA hearing, the Commission retains the authority to retract the referral, pursuant to paragraph (4) of subsection (a) of Section 12054, and refer the application to a GCA hearing or APA hearing pursuant to subsection (a) of Section 12056, or hear the matter at a Section 12054 meeting.

(e) An APA or GCA hearing is sufficient to meet the hearing requirement of Business and Professions Code section 19914.

### **§ 12057. Default Decisions and Uncontested Applications.**

(a) When an applicant fails to submit a completed Notice of Defense, CGCC-CH1-03 according to the timelines on the form, affirmatively waives his, her, or its right to an evidentiary hearing, or fails to appear at an evidentiary hearing, the Commission will, based on the interests of justice and judicial economy:

(1) Issue a default decision after the consideration of the Bureau report, any supplemental reports by the Bureau, and any other documents or testimony provided or which may be provided to the Commission before the decision is issued;

(2) Hold a GCA hearing without applicant participation;

(3) When an applicant fails to appear at an evidentiary hearing, reschedule any GCA hearing on the applicant's application;

(4) Act on the application as identified in subsection (a) of Section 12054 or,

(5) Finalize the decision pursuant to paragraph (4) of subsection (b) of Section 12066.

(b) Notice of consideration of a default decision or a hearing without applicant participation under subsections (b) and (c) need not comply with the 60 or 90 day notice provisions of Section 12060, subsections (a) and (b).

(c) A default decision may be considered and approved at a Section 12054 meeting or at a GCA hearing.

(d) Default decisions may be reconsidered in accordance with Section 12064 regardless of whether the decision was considered at a Section 12054 meeting or at an evidentiary hearing.

Note: Authority cited: Sections 19811, 19823, 19824, 19840 and 19841, Business and Professions Code. Reference: Sections 19816, 19823, 19824, 19824.5, 19825, 19868, 19870, 19871 and 19876, Business and Professions Code; and Section 11512, Government Code.

### **§ 12058. APA Hearing.**

(a) When the Commission elects to hold an APA hearing the Commission will determine whether the APA hearing will be held before an Administrative Law Judge sitting on behalf of the Commission or before the Commission itself with an Administrative Law Judge presiding in accordance with Government Code section 11512. Notice of the APA hearing will be provided to the applicant pursuant to Government Code section 11500 et seq.

(b) The burden of proof is on the applicant to prove his, her, or its qualifications to receive any license or other approval under the Act.

(c) A Statement of Issues will be prepared and filed according to Government Code section 11504 by the complainant.

(d) At the conclusion of the evidentiary hearing, when the Commission is hearing the matter, the members of the Commission will take the matter under submission, may discuss the matter in a closed session meeting, may leave the administrative record open in order to receive additional evidence as specified by the Commission, and may schedule future closed session meetings for deliberation.

(e) The evidentiary hearing will proceed as indicated in the notice, unless and until the Executive Director or Commission approves the retraction of referral to an APA hearing.

## **§ 12060. GCA Hearings.**

(a) If the Executive Director determines it is appropriate, he or she may set an application for consideration at a GCA hearing in advance of a meeting pursuant to Section 12054. The Executive Director will give notice to the applicant, pursuant to paragraph (2) subsection (c) of Section 12052, to the Office of the Attorney General, and to the Bureau no later than 90 calendar days in advance of the GCA hearing. The Executive Director's determination will be based on information contained in the Bureau's report or other appropriate sources including, without limitation, a request from the Bureau or applicant as well as the Commission's operational considerations.

(b) When a GCA hearing is elected pursuant to Section 12056, subsection (a), the Executive Director will give notice to the applicant, pursuant to paragraph (2) subsection (c) of Section 12052, to the Office of the Attorney General, and to the Bureau no later than 60 calendar days in advance of the GCA hearing.

(c) An applicant may request that his, her, or its GCA hearing be held at a Southern California location instead of the Commission's principal office in Sacramento, by completing the appropriate section on the Notice of Defense, CGCC-CH1-03 (Rev. 08/21). The request must be made on the initial Notice of Defense form submitted to the Commission and Bureau within the timeframes specified on the form.

(1) The Executive Director will approve a Southern California GCA hearing, if the request is timely made on the initial Notice of Defense form and meets all of the following criteria:

(A) The GCA hearing is estimated by Commission staff to last no longer than four hours.

(B) The primary residence of the applicant is located in one of the following counties: Imperial, Kern, Los Angeles, Orange, Riverside, San Diego, San Luis Obispo, San Bernardino, Santa Barbara, or Ventura.

(C) A GCA hearing will be noticed for a Southern California location only when it is in the best public interest, promotes judicial economy, and comports with the Commission's availability.

(2) If at any time before the hearing, the Executive Director determines that the criteria in subparagraphs (A) through (C) of paragraph (1) are no longer met, Commission staff may cancel the Southern California GCA hearing and issue a new notice for a hearing at the Commission's principal office in Sacramento.

(d) The presiding officer and her or his support staff will have no communication with the Commission or Commission staff upon the merits of an application prior to the evidentiary hearing. The Executive Director will designate a presiding officer which will be:

(1) A member of the Commission's legal staff; or,

(2) An Administrative Law Judge.

(e) The applicant or the complainant, or the applicant and the complainant, may request a continuance in writing to the Executive Director stating the reason for the continuance and any proposed future hearing dates. The Executive Director or Commission may approve the request. For a Southern California GCA hearing, if a continuance is granted, the hearing may be scheduled in Sacramento or Southern California based on the criteria specified in subparagraphs (A) through (C) of paragraph (1) of subsection (c).

(f) The complainant will provide to the applicant, subject to subsection (b) of Section 12056, at least 45 calendar days prior to the GCA hearing, and the applicant must provide to the complainant, at least 30 calendar days prior to the GCA hearing, the following items:

- (1) A list of potential witnesses with the general subject of the testimony of each witness;
- (2) Copies of all documentary evidence intended to be introduced at the hearing and not previously provided;
- (3) Reports or statements of parties and witnesses, if available; and
- (4) All other written comments, writings, or other items containing relevant evidence.

(g) The provisions of subsection (f) of this section provide the exclusive right to and method of discovery between the applicant and complainant to a GCA hearing. Discovery is not permitted upon a Commission member or an advisor of the Commission unless a showing is made that they have direct personal factual information pertaining to material issues related to the application at issue and the information to be gained from the Commission member or advisor of the Commission is not available through any other sources.

(h) A presiding officer will rule on the admissibility of evidence and on any objections raised except for objections raised under subsection (h). A ruling by the presiding officer is final.

(1) In advance of the GCA hearing, upon a motion of a party or by order of the presiding officer, the presiding officer may conduct a pre-hearing conference, either in person, via teleconference, or by email exchange, subject to the presiding officer's availability and will issue a pre-hearing order if appropriate or requested by either party. The pre-hearing conference and order may address the following:

- (A) Evidentiary issues;
- (B) Witness and exhibit lists;
- (C) Alterations in the Bureau recommendation;
- (D) Stipulations for undisputed facts and/or the admission of evidence including without limitation the Bureau's report;
- (E) Authorizing offsite livestreaming appearances for parties or witnesses if good cause has been presented and only if the process for offsite livestreaming has been approved by the Executive Director; and,
- (F) Other issues that may be deemed appropriate to promote the orderly and prompt conduct of the hearing.

(2) The GCA hearing need not be conducted according to technical rules of evidence. Any relevant evidence may be considered, and is sufficient in itself to support findings if

it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule that might make improper the admission of that evidence over objection in a civil action.

(i) The Commission may, at any time upon a showing of prejudice by the objecting party:

(1) Prohibit the testimony of any witness or the introduction of any documentary evidence that has not been disclosed pursuant to subsection (f); or

(2) Continue any meeting or hearing as necessary to mitigate any prejudice.

(j) The complainant will present all facts and information in the Bureau report, if any, and the results of the Bureau's background investigation, and the basis for any recommendation, if the Bureau filed one with the Commission according to Business and Professions Code section 19868, to enable the Commission to make an informed decision on whether the applicant has met his, her, or its burden of proof. The complainant may but is not required to recommend or seek any particular outcome during the evidentiary hearing, unless it so chooses.

(k) The burden of proof is always on the applicant to prove his, her, or its qualifications to receive any license or other approval under the Act.

(l) The applicant may choose to represent himself, herself, or itself, or may retain an attorney or lay representative. Lay representatives may assist the applicant but are not authorized to serve as an attorney as otherwise defined and regulated by state law.

(m) Except as otherwise provided in subsection (i), the complainant and applicant will have the right to call and examine witnesses under oath; to introduce relevant exhibits and documentary evidence; to cross-examine opposing witnesses on any relevant matter, even if the matter was not covered in direct examination; to impeach any witness, regardless of which party first called the witness to testify; and to offer rebuttal evidence. If the applicant does not testify on his, her or its behalf, the applicant may be called and examined, under oath, as if under cross-examination.

(n) Oral evidence will be taken upon oath or affirmation, which may be administered by the Executive Director, a member of the Commission, or the presiding officer if an Administrative Law Judge.

(o) At the conclusion of the evidentiary hearing, the members of the Commission will take the matter under submission, may discuss the matter in a closed session meeting, and may schedule future closed session meetings for deliberation.

## **§ 12062. Issuance of GCA Hearing Decisions.**

(a) Within 75 calendar days of the conclusion of a GCA hearing, the Commission will issue its decision, which will comply with Business and Professions Code section 19870, and will be served pursuant to Section 12006 and, in the case of a gambling license, on any associated or endorsed owner or owner-licensee.

(b) All decisions of the Commission issued pursuant to this section will specify an effective date and may include further directions as to any stay provisions or orders to divest.

(c) Only members of the Commission who heard the evidence presented in the hearing are eligible to vote on a decision and may vote by mail or by another appropriate method unless such a requirement would prevent the existence of a quorum qualified to act on the particular application. In that event, a member of the Commission who has not heard the evidence may be allowed to vote after a review of the complete record and any additional briefing or hearing the Commission believes necessary.

### **§ 12064. Requests for Reconsideration.**

(a) After the Commission issues a decision following a GCA hearing conducted pursuant to Section 12060, an applicant denied a license, permit, registration, or finding of suitability, or whose license, permit, registration, or finding of suitability has had conditions, restrictions, or limitations imposed upon it, may request reconsideration by the Commission. A request for reconsideration must be:

(1) Made in writing to the Commission, copied to the complainant. The Bureau may provide a written response to the Commission within 10 calendar days of receipt of the request; and,

(2) Received by the Commission and complainant within 30 calendar days of service of the decision, or before the effective date specified in the decision, whichever is earlier.

(b) A request for reconsideration must state the reasons for the request, which must be based upon either:

(1) Newly discovered evidence or legal authorities that could not reasonably have been presented before the Commission's issuance of the decision or at the hearing on the matter; or,

(2) Other good cause which the Commission may decide, in its sole discretion, merits reconsideration.

(c) The Commission will place the request on the Commission's agenda within 60 calendar days of its receipt. The applicant and complainant will be given at least 10 calendar days' advance written notice, pursuant to Section 12006, of the date and time of the Commission meeting at which the request will be heard. The applicant and complainant, whether present at that meeting or not, will be notified in writing of the Commission's decision on the request within 10 calendar days following the meeting pursuant to Section 12006.

(d) The effective date of the decision will be stayed while the request is under review by the Commission.

(e) The granting or denial of reconsideration under this section will be at the sole discretion of the Commission.

(f) When the Commission grants reconsideration, the decision is stayed pending further action on the application, including but not limited to affirming its decision, or vacating the initial decision and issuing a reconsidered decision.

(g) The Commission may stay the effective date of the decision for a period it deems appropriate when the Commission denies a request for reconsideration.

## **§ 12066. Final Decisions; Judicial Review.**

(a) A withdrawal or abandonment decision is final:

(1) 30 calendar days after the date of notice of abandonment pursuant to either paragraph (2) of subsection (a) or paragraph (2) of subsection (b) of Section 12017 if not repealed by the issuing agency.

(2) Upon approval by the Commission pursuant to paragraph (7) of subsection (a) of Section 12054 or the making of a finding of abandonment pursuant to paragraph (8) of subsection (a) of Section 12054.

(b) A Commission decision is final

(1) Upon the effective date specified in the decision or 30 calendar days after service of the decision if no effective date is specified, and if reconsideration under Section 12064 has not been requested; or,

(2) If a request for reconsideration has been granted under Section 12064, immediately upon the Commission's re-issuing its decision or the date specified in the decision upon issuance of a reconsidered decision.

(3) If a request for reconsideration has been denied under Section 12064,

(A) Immediately upon the denial of the request; or,

(B) Upon the expiration of any stay granted pursuant to subsection (g) of Section 12064.

(4) If the Commission approved an application with conditions, restrictions, or limitations pursuant to paragraph (2) of subsection (a) of Section 12054 or denied an application pursuant to paragraph (3) of subsection (a) of Section 12054, then either, upon the Commission's receipt of a Notice of Defense, CGCC-CH1-03 that indicates the waiving of the right to an evidentiary hearing or after 30 calendar days has passed immediately following the approval with conditions, restrictions, or limitations, or the denial.

(c) A decision of the Commission denying an application or imposing conditions or restrictions on a license after an evidentiary hearing will be subject to judicial review as provided in Business and Professions Code section 19870, subdivision (e). Neither the right to petition for judicial review nor the time for filing the petition will be affected by failure to seek reconsideration.

## **Article 4. Interim Owner Category License**

### **§ 12132. Article Definitions.**

(a) Except as otherwise provided in Section 12002, subsection (b) of Section 12100 and in subsection (b) of this section, the definitions in Business and Professions Code section 19805 govern the construction of this article.

(b) As used in this article:

(1) "Applicant" means a new owner or individual in control of an ownership interest of a cardroom business licensee or TPPPS business licensee, who submits an application to the Bureau for an interim owner category license pursuant to Section 12136

(2) "Interim owner category license" means a license issued by the Commission which permits the interim operation of a cardroom business licensee or TPPPS business licensee following a qualifying event, during which time the Bureau processes and the Commission considers an application for a regular license from a new owner.

(3) "New owner" means an individual who is a trustee (other than a trustee in bankruptcy), beneficiary, successor in interest, or security interest holder who becomes an owner of, or obtains an ownership interest in a cardroom business licensee or TPPPS business licensee as a result of a qualifying event.

(4) "Qualifying event" means an event, such as those specified in Business and Professions Code section 19841, subdivision (s), that results in a change in the ownership for sole proprietors or in the control of the ownership interest for non-natural persons of a cardroom business license or TPPPS business licensee and prevents the

cardroom business license or TPPPS business licensee from conducting gambling operations or the provision of third-party proposition player services because the new owner or individual(s) in control does not hold a valid license. A qualifying event does not include any planned or negotiated transaction where a current licensee retains the capacity and authority to continue gambling operations or the provision of third-party proposition player services until approval of the transaction and issuance of any license by the Commission (e.g., a sale, the transfer of shares, incorporation, etc.).

(5) "Regular license" means an initial cardroom owner type license or initial TPPPS owner type license, as appropriate, issued by the Commission pursuant to Section 12112.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19984, Business and Professions Code.

## **§ 12134. General Provisions.**

(a) Subject to the provisions of the Act, this division and Title 11, Division 3, of the California Code of Regulations, a cardroom business licensee may continue gambling operations or a TPPPS business license may continue to provide third-party proposition player services following a qualifying event only if an owner or a licensed person affiliated with the cardroom business licensee or TPPPS business licensee has control of the gambling operations or the provision of third-party proposition player services, as applicable, the Commission and Bureau are notified of the qualifying event within 10 calendar days of that event, and the new owner, or individual in control of the ownership interest, submits a request for an interim owner category license to the Bureau as provided in Section 12136. Gambling operations or the provision of third-party proposition player services, as applicable, must be immediately terminated if the Commission denies an applicant's request for an interim owner category license, or approves an applicant's request to withdraw that application, and no other person has applied for or been granted an interim or regular owner category license for that cardroom business licensee or TPPPS business licensee.

(b) If, as a result of a qualifying event, a new owner intends to sell his or her interest in the cardroom business licensee or TPPPS business licensee without someone obtaining an interim or regular owner category license, he or she must provide written notification to the Bureau of that intent within 30 calendar days of that qualifying event.

(c) If, during the term of an interim owner category license, the Bureau determines that the holder of that license may be disqualified for any of the reasons set forth in Business and Professions Code section 19859, or may have violated one or more of the conditions under which the interim owner category license was issued, the Bureau must notify the Commission and the holder of the interim license. The matter will be set for Commission consideration at a Commission meeting, which may be no sooner than 45 calendar days after the Bureau's notice. The Bureau will present the information related to its notice at the Commission meeting. The interim license holder may address the Commission by way of an oral or written statement, or both, at the Commission meeting. The Commission may act to cancel the interim owner category license.

(d) This section does not preclude the Commission from issuing temporary licenses pursuant to Business and Professions Code section 19824, subdivision (f).

(e) Neither an applicant for an interim owner category license nor the holder of an interim owner category license has the right to an evidentiary hearing in the event the applicant is approved with conditions, denied or cancelled.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19984, Business and Professions Code.

### **§ 12136. Applications and Required Forms.**

(a) In order to be considered for an interim owner category license, a new owner, or individual in control of the ownership interest, must submit all of the following within 30 calendar days of a qualifying event:

- (1) A complete application for an owner category license pursuant to Section 12112;
- (2) A signed written request for an interim owner category license that describes the qualifying event and identifies the key employee licensee or TPPPS supervisor licensee, as appropriate, who will control and oversee gambling operations or the provision of third-party proposition player services; and,
- (3) A copy of any document that evidences the succession to the owner's interest in the cardroom business licensee or TPPPS business license, which may include, as applicable, any of the following:
  - (A) In the case of the death of an owner, a copy of the death certificate;
  - (B) In the case of the incapacity of an owner, a copy of any document that evidences the owner's incapacity and the appointment of a conservator; or,
  - (C) In the case of insolvency, foreclosure or receivership of a cardroom business license or TPPPS business license, a copy of any pertinent agreement, note, mortgage, lease, deed of trust, and any document, notice or order that evidences the insolvency, foreclosure or receivership.

(b) The time period for submission specified in subsection (a) may be extended, at the discretion of the Commission or the Executive Director, if the new owner, or individual in control of the ownership interest, is able to provide satisfactory evidence of any facts or circumstances that interfere with timely submission, including but not limited to, a lack of actual knowledge of the occurrence of the qualifying event, and that all appropriate and reasonable actions have been taken to overcome those impediments.

(c) A signed written request for a renewal interim owner category license may be submitted 60 calendar days prior to the expiration of the interim owner category license if the Bureau has not yet submitted to the Commission its Bureau report for the initial owner category licenses and no temporary owner category license has been issued.

(d) If the required items of paragraph (a) are not submitted within the time period for submission, the cardroom business licensee must immediately cease all gambling operations or the TPPPS business licensee must immediately cease the provision of proposition player services.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19984, Business and Professions Code.

### **§ 12138. Criteria.**

(a) A request for an interim owner category license will be ancillary to and concurrent with an application for a regular license. The application for a regular license will be processed in accordance with Section 12112. The request for an interim owner category license will be processed as follows:

(1) The maximum time within which the Bureau may notify the applicant in writing that a request for an interim owner category license is complete and accepted for filing, or that a request is deficient and identifying what specific additional information is required, is 10 calendar days after receipt of the request. If additional information is required, the Bureau will allow the applicant 10 calendar days to submit the additional information. If the requested information is not supplied within 10 calendar days, the request for an interim owner category license will be considered abandoned and no further action will be taken on the request. A cardroom business licensee or TPPPS business licensee must immediately terminate gambling operations or the provision of third-party proposition player services if a request for an interim owner category license is abandoned by the applicant and no other person has applied for or been granted an interim, temporary or regular license for that cardroom business licensee or TPPPS business licensee.

(2) Once the Bureau determines that a request for an interim owner category license is complete, the matter will be set for consideration at a noticed Commission meeting. The Bureau will provide their review to the Commission no later than 40 calendar days after receipt of the request. Pursuant to the provisions of the Act and this division, the Commission will grant or deny the request for an interim owner category license within 60 calendar days after receipt of the request. A request for an interim owner category license will be denied by the Commission if the applicant is disqualified for any reason set forth in section 19859 of the Business and Professions Code.

(b) All of the following criteria will apply to a request for an interim owner category licensee:

(1) In the event a regular license is issued to an applicant prior to action by the Commission on any related request for an interim owner category license, the request for an interim owner category license will be abandoned.

(2) Denial of a request for an interim owner category license, or cancellation of an interim owner category license, will not suspend or otherwise affect the processing and review of the related application for a regular license.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19984, Business and Professions Code.

### **§ 12140. Conditions.**

All of the following conditions apply to an interim owner category license granted by the Commission:

(a) Upon issuance or denial of a regular license, any related interim owner category license will become invalid.

(b) The term of an interim owner category license will be determined by the Commission and will be based in part on the time necessary to process and consider the application for a regular license, but in no event will the term be longer than two years. The Commission may issue a renewal interim owner category license if the application process has not been, or will not be, concluded by the expiration date of the interim owner category license.

(c) Issuance of an interim owner category license does not prejudice or obligate the Commission to grant a regular license. Issuance of a regular owner category license is subject to the results of a complete background investigation by the Bureau, the conduct of the applicant during the term of the interim owner category license, and final approval of the Commission pursuant to Sections 12112 and 12040.

(d) Issuance of an interim owner category license does not create a vested right in the holder to either an extension of the interim owner category license or the issuance of a regular license.

(e) Issuance of an interim owner category license does not change the qualification, or disqualification, requirements for a regular license under the Act or this division.

(f) The holder of the interim owner category license must maintain a key employee licensee or TPPPS supervisor licensee who will control and oversee gambling operations or the provision of third-party proposition player services at all times. The holder of an interim owner category license must provide the Bureau with the name of any new key employee licensee or TPPPS supervisor licensee appointed pursuant to paragraph (2) of subsection (a) of Section 12136 within 30 calendar days following the appointment of that key employee licensee or TPPPS supervisor licensee. Within 30 calendar days of its occurrence, the holder of an interim owner category license must provide the Bureau with the name of any person who provides any service or property to the cardroom business licensee or TPPPS business licensee under any arrangement whereby the person receives payment based on the earnings, profits or receipts of the cardroom business licensee or TPPPS business licensee.

(g) The holder of an interim owner category license must pay all applicable annual fees associated with the license.

(h) The holder of an interim owner category license must comply with the provisions of the Act, this division and Title 11, Division 3, of the California Code of Regulations.

(i) During the term of an interim owner category license, any proceeds derived from the operation of the gambling enterprise that would otherwise be payable to a new owner must be held in an escrow account and not disbursed until the disposition of ownership interest has been resolved and received Commission approval and all owner category licensees have been approved by the Commission for a regular license pursuant to Section 12112. This paragraph does not prevent the payment of any taxes, operating expenses, preexisting obligations, preexisting dependent support or any other distribution of proceeds that is approved by the Commission.

(j) The Commission, in its sole discretion and on an individual case-by-case basis, may impose any additional conditions necessary to address particular factual situations related to a request for an interim owner category license.

Note: Authority cited: Sections 19811, 19823, 19824, 19825, 19826, 19840, 19841, 19853, 19870, and 19984, Business and Professions Code. Reference: Sections 19816, 19824, 19841(s), 19850, 19851, 19855, 19857, 19859, 19869, 19870(b), and 19984, Business and Professions Code.

## **Article 5. Surrender or Abandonment of Cardroom Business License.**

### **§ 12142. Cardroom Business License; Surrender; Abandonment.**

(a) A cardroom business licensee may propose to surrender their cardroom business license at any time prior to expiration. In order to propose the surrender of a cardroom business license, the cardroom business licensee must submit a written request to the Commission, with a copy to the Bureau. A proposed surrender will be agendaized for consideration at the next available Commission meeting. Each proposed surrender will be considered on its merits by the Commission. A proposed surrender is not effective unless and until the surrender is accepted by the Commission. A proposed surrender may be rejected if the Commission determines that acceptance would not be in the public interest, for example, if the cardroom business licensee is currently under investigation or if disciplinary action has been initiated.

(b) A cardroom business license that has been surrendered or abandoned after the effective date of this section is subject to the following:

- (1) The license cannot be reactivated, reinstated, reissued, or renewed.
- (2) The cardroom business licensee associated with that cardroom business license is no longer eligible to conduct any gambling operation under that license.
- (3) Business and Professions Code section 19963 precludes that gambling establishment from being reopened in that jurisdiction or in any other jurisdiction.

Note: Authority cited: Sections 19811, 19824, 19840, and 19841, Business and Professions Code. Reference: Sections 19823, 19851, 19876, 19877, and 19963, Business and Professions Code.

### **§ 12144. Cardroom Business License: Prior Surrender or Abandonment.**

(a) A cardroom business license that was valid as of December 31, 1999, or that was issued pursuant to an application on file with the department prior to September 1, 2000, and that was surrendered or expired without being renewed prior to January 6, 2011, will be eligible for reinstatement in accordance with the following guidelines:

- (1) The applicant seeking to reinstate the license must be the last holder of the license that he or she is seeking to reinstate.
- (2) The applicant must notify the Commission, in writing, within 30 calendar days of the effective date of this section of the intent to apply for reinstatement of the license.

(b) The following documentation is required of any applicant applying to reinstate a cardroom business license under this section:

- (1) A copy of the last license issued by the state, or other documentation satisfactory to the Commission, authorizing the applicant to operate the gambling establishment, which may include either a provisional license or a cardroom business license. For a corporation or partnership, the applicant must also demonstrate that it is the same entity as was previously licensed to operate the gambling establishment.

(2) A written document addressing the circumstances under which the previous license was surrendered, abandoned, or allowed to expire without being renewed, as well as the applicant's prior efforts, if any, to have the license renewed.

(3) A copy of the current applicable local gambling ordinance.

(4) An opinion from the chief legal officer of the local jurisdiction, dated no earlier than the effective date of this section, certifying that the reopening of the gambling establishment is authorized by and consistent with the local gambling ordinance.

(c) In making the determination to grant or deny a request to reactivate a license pursuant to this section, the Commission must consider, but is not limited to considering, the following:

(1) Generally, whether issuance of the license is inimical to public health, safety, or welfare, and whether issuance of the license will undermine public trust that the gambling operations with respect to which the license would be issued are free from criminal and dishonest elements and would be conducted honestly.

(2) The circumstances under which the previous license was surrendered, abandoned, or allowed to expire without being renewed. Among other things, the Commission may consider, in its discretion, any or all of the following:

(A) The presence or absence of any extenuating circumstances.

(B) Information which indicates an attempt to avoid adverse action arising from potential misconduct as a licensee.

(C) A voluntary decision to relinquish the prior license.

(d) The gambling establishment to be reopened must be located in the same local jurisdiction in which it was previously licensed.

(e) No temporary licenses may be issued to any applicant under this section.

No payment other than the collection fee for play, may be required for play at any table, including, without limitation, reservation of a seat.

(d) The TPPPS contract may not contain any provision that limits contact with officials or employees of the Commission or Bureau. The TPPPS contract must prohibit a TPPPS owner type licensee and the cardroom business licensee from retaliating against any licensee on account of contact with an official or employee of the Commission or Bureau or any other public official or agency.

(e) A TPPPS contract must be consistent with the provisions of Business and Professions Code section 19984, subdivision (a), prohibiting a gambling establishment or the cardroom business licensee from having any interest, whether direct or indirect, in funds wagered, lost, or won. No TPPPS contract may be approved that would permit the cardroom business licensee to bank any game in the gambling establishment.

(f) Each TPPPS contract approved by the Bureau must contain a provision authorizing the Commission, after receiving the findings and recommendation of the Bureau, to terminate the TPPPS contract for any material violation of any term required by this section.

(g) A TPPPS business licensee may contract with more than one cardroom business licensee at the same time; a cardroom business licensee may contract with more than one TPPPS business licensee at the same time. ## **§ 12272. Review and Approval of TPPPS Contracts.**

(a) (1) Proposition player services must not be provided except pursuant to a written TPPPS contract approved in advance by the Bureau. Provision of proposition player services by any person subject to licensing under Chapter 2, or engagement of proposition player services by a cardroom owner type licensee, without a TPPPS contract as required by this section is a violation of this section. The Bureau must approve a TPPPS contract only if all the following requirements have been satisfied:

(A) The TPPPS contract is consistent with this regulation and the Act.

(B) The TPPPS contract does not provide for controlled gambling that will be conducted in a manner that is inimical to the public health, safety, or welfare.

(C) The TPPPS contract will not create or enhance the dangers of unsuitable, unfair, or illegal practices, methods, or activities in the conduct of controlled gambling or in the carrying on of the business and related financial arrangements.

(D) The TPPPS contract will not undermine public trust that the controlled gambling operations covered by the TPPPS contract will be conducted honestly, by reason of the existence or perception of any collusive arrangement between any party to the TPPPS contract and the cardroom owner type licensee or TPPPS business endorsee licensee or otherwise.

(2) A complete application for TPPPS contract approval must include all of the following:

(A) A completed Application for Contract Approval to Provide Proposition Player Services, CGCC-CH3-02 (Rev. 11/21), which is attached in Appendix A to this chapter.

(B) A completed Appointment of Designated Agent, CGCC-CH1-04.

(C) An executed copy of the TPPPS contract that specifically addresses all of the requirements of Section 12270.

(D) The application fee required in Section 12090.

(E) The deposit as required by Title 11, California Code of Regulations, Section 2037. The Bureau may require an additional sum to be deposited to pay the final costs of the review and approval or disapproval of the TPPPS contract. Any money received as a deposit in excess of the costs incurred in the review and approval or disapproval of the TPPPS contract will be refunded and an itemized accounting will be provided to the TPPPS business licensee, or TPPPS business licensee's designee.

(3) The Bureau must notify the applicant, in writing, within ten working days of receiving the application that the application or resubmitted application is complete or incomplete. If an application is incomplete, the Bureau must request, in writing, any information, fees, or documentation needed to complete the application. Unless extended by the Bureau for further investigation up to 90 days or with the consent of the applicant, review and approval or disapproval of a TPPPS contract must be completed within 90 days of receiving a completed application and notice thereof must be sent via United States mail to the applicant or the applicant's designee within ten days of the Bureau's decision. Notice of disapproval of the TPPPS contract or amendments must specify the cause.

(b) An executed copy of the currently effective TPPPS contract, and all amendment(s) thereto, and a copy of all Bureau notices that approved the TPPPS contract and any amendment must be maintained at the gambling establishment and must be provided for review or copying upon request by any representative of the Commission or Bureau.

(c) The term of any TPPPS contract may not exceed two years and may not be extended or renewed without the prior approval of the Bureau. No amendment changing any of the TPPPS contract terms referred to in Section 12270, other than paragraphs (3), (4), and (6) of subsection (b) thereof, may become effective during the term of a TPPPS contract without the prior written approval of the Bureau. If any amendment is made to a TPPPS contract term specified in paragraphs (3), (4), or (6) of subsection (b) of Section 12270, both parties to the TPPPS contract must notify the Commission and Bureau in writing of the amendment within ten days of the execution thereof by the parties to the TPPPS contract.

### **§ 12274. Expedited Review and Approval of TPPPS Contracts.**

(a) In lieu of the procedure specified in Section 12272, the Bureau must provide an expedited review process of an application for TPPPS contract approval if all of the following conditions exist:

(1) Proposition player services were provided in the gambling establishment at any time during the 60 days preceding the application pursuant to a TPPPS contract that was previously approved by the Bureau and that has been terminated in whole or in part.

(2) The proposed TPPPS contract is between the cardroom business licensee and a different TPPPS business licensee than the previous TPPPS contract under which proposition player services were provided in the gambling establishment.

(3) The terms of the proposed TPPPS contract are substantially identical to the TPPPS contract previously approved by the Bureau under which proposition player services were provided in the gambling establishment at any time during the 60 days preceding the application.

(b) If an application for TPPPS contract approval is submitted as an expedited TPPPS contract request and the Bureau determines that it does not meet the criteria, the TPPPS business licensee or designee and the cardroom business licensee must be notified within three business days of the Bureau's decision. Any TPPPS contract that is not processed through the expedited review and approval process must be treated as a new TPPPS contract request and reviewed and approved or disapproved as otherwise provided by subdivision (a) of Section 12272.

(c) The Bureau will complete the expedited review and approval of a TPPPS contract within five (5) business days of receiving all of the following: (1) A completed Application for Contract Approval to Provide Proposition Player Services, CGCC-CH3-02, referenced in paragraph (2) of subsection (a) of Section 12272.

The Bureau may require an additional sum to be deposited to pay the final costs of the review and approval or disapproval of the amendment. Any money received as a deposit in excess of the costs incurred in the review and approval or disapproval of the amendment must be refunded and an itemized accounting must be provided to the TPPPS business licensee or the TPPPS business licensee's designee.

(b) No amendment changing any of the TPPPS contract terms referred to in Section 12270, other than paragraphs (3), (4), and (6) of subsection (b) thereof, may become effective during the term of a TPPPS contract without the prior written approval of the Bureau. If any amendment is made to a TPPPS contract term specified in paragraphs (3), (4), or (6) of subsection (b) of Section 12270, both parties to the TPPPS contract must notify the Bureau in

writing of the amendment within 10 days of the execution thereof by the parties to the TPPPS contract.

The Bureau may require an additional sum to be deposited to pay the final costs of the review and approval or disapproval of the TPPPS contract. Any money received as a deposit in excess of the costs incurred in the review and approval or disapproval of the TPPPS contract will be refunded and an itemized accounting will be provided to the TPPPS business licensee, or TPPPS business licensee's designee.

(b) The application must be submitted to the Bureau no later than 90 days prior to the date that the current TPPPS contract is scheduled to expire.

(d) Upon receipt of a request by a cardroom business licensee or governmental official for statewide involuntary exclusion of an individual, the Executive Director will review the reason for exclusion. If there appears to be good cause to place an individual on the statewide involuntary exclusion list, the Executive Director will issue a notice of exclusion to the individual. Such notice will state the grounds for exclusion and may be served by personal service, by certified mail at the last known address of the individual, or by publication daily for 1 week in a newspaper of general circulation in the vicinity of the requestor. The exclusion will be effective upon perfection of notice and will remain in effect until the individual is removed from the list by Commission decision.

Such hearing may be pursuant to Business and Professions Code section 19871 or pursuant to Government Code section 11500 et seq., as determined by the Executive Director. Such hearing will occur within 60 days of the request for hearing, unless the time of the hearing is changed by agreement of the Commission and the individual requesting the hearing.

(f) If the individual fails to appear at the time and place set for hearing, and the individual does not contact the Commission within 24 hours to give good cause why the hearing should be reset, a default decision will be issued affirming the exclusion.

(g) At the hearing, the individual may appear in person and/or be represented by counsel at the individual's own expense and present relevant testimony or documentary evidence. If a licensee requested that the individual be placed on the statewide involuntary exclusion list, then the licensee or designated agent may appear.

(h) The standard of proof will be preponderance of the evidence that the individual poses a threat either to the public, cardroom employee type licensees, or the gambling industry, or should be excluded pursuant to Business and Professions Code section 19844 or 19845, subdivision (a)(7). The burden of proof will be on the Commission staff. Evidence of exclusion or discipline by another gaming jurisdiction based upon the factors described in Business and Professions Code section 19844 or 19845, subdivision (a)(7) may be introduced.

(i) The final decision in the matter will be in writing, will state any term-length for the exclusion if other than lifetime, will be sent by certified mail or personal service to the individual and the governmental agency or cardroom business licensee which requested the individual be placed on the statewide involuntary exclusion list, and will be effective immediately.

(j) If the individual requested a hearing after the Commission's notice of exclusion and was given a final decision in the matter that affirmed the exclusion, that individual cannot petition the Commission to be removed from the statewide involuntary exclusion list for a minimum of one year after the date of the final decision.

(k) Petitions to be removed from the statewide involuntary exclusion list must be in writing, directed to the Executive Director, and sent to the Commission at 2399 Gateway Oaks Drive, Suite 220, Sacramento, CA 95833. Petitioners should clearly state the circumstances of the ejection or exclusion, any new evidence which is material and necessary, including evidence that circumstances have changed since placement on the statewide involuntary exclusion list, and why they do not pose a threat to the public, cardroom employee type licensees, the gambling industry, or should otherwise not be excluded pursuant to Business and Professions Code section 19844 or 19845, subdivision (a)(7). This statement must be signed under penalty of perjury under the laws of the State of California. The Executive Director may summarily deny the petition without prejudice due to lack of compliance with this subsection. If not summarily denied, the Executive Director will provide notice and opportunity to comment to the requestor. After review of the requestor's comments, the Executive Director, may notify the Bureau to remove the individual from the statewide involuntary exclusion list, or may set the matter for hearing pursuant to Business and Professions Code section 19871 or pursuant to Government Code section 11500 et seq., as determined by the Executive Director.

(l) The Executive Director may order an individual removed from the list after verified information is received that the individual is deceased and will so notify the Bureau.

(m) If the Commission determines that an individual should be removed from the statewide involuntary exclusion list, the Commission's decision will include an order removing the individual's name from the list, and will so notify the Bureau. The Bureau will amend the exclusion database and send notification to all gambling establishments and to the requestor.

(n) Judicial review of the Commission's decision will be in accordance with Code of Civil Procedure, section 1094.5.

(o) The statewide involuntary exclusion list will be maintained by the Bureau, sent or made available to all gambling establishments, and may be shared with law enforcement personnel of any jurisdiction.

(p) Cardroom business licensees must implement policies and procedures designed to thwart excluded persons, as noticed by the Bureau, from entering the gambling establishment, ejection or removal procedures of any patrons once recognized as being a known excluded person, and notification to the Bureau of any incidents of attempted entry, entry, or removals of known excluded persons. This regulation does not require a cardroom business licensee's policies and procedures to include patrons providing proof of identification before entering the gambling establishment. This regulation does not require the gambling establishment to use physical force in ejecting or removing an excluded person.

(q) The Commission may discipline a licensee that knowingly fails to take prompt, reasonable action to eject or exclude an individual listed on the statewide involuntary exclusion list, or fails to notify the Bureau of any entries or attempts to enter by an excluded person, pursuant to Chapter 10 of these regulations.

(r) This regulation does not create any right or cause of action against a cardroom business licensee, government official (such as law enforcement, or agents of the California Horse

Racing Board, Bureau, or Commission) by an excluded person or abrogate the existing statutory privileges and immunities of a cardroom business licensee or requestor, or limit or expand the provisions of Business and Professions Code section 19846.

1. Already located 1,000 feet or less from any boundary line;
2. After the relocation, it will continue to be within 1,000 feet of same neighboring jurisdiction;
3. Any reduction in distance is less than half of the current distance from the same boundary line; and,
4. Any distance moved parallel to the boundary line is less than half of the current distance from the same boundary line.

(c) (1) If a cardroom business licensee does not provide documentation from a neighboring jurisdiction as provided in subparagraph (A) of paragraph (2) of subsection (b), and the Bureau receives objections to the relocation from a neighboring jurisdiction, the cardroom business licensee may not be relocated without Commission review. The Bureau must forward the relocation notice to the Commission within 10 days of receipt by the Bureau of objections from any neighboring jurisdiction for placement on a Commission agenda for consideration. The Commission will notify the objecting neighboring jurisdiction, the Bureau, and the licensee of the time and place of the Commission hearing at least 10 days prior to the hearing in order for all parties to have the opportunity to attend and be heard.

(2) If a cardroom business licensee obtains documentation from a neighboring jurisdiction as provided in paragraph (2) of subsection (b), or if the Bureau does not receive timely objections to the relocation from a neighboring jurisdiction, no Commission review will be required and the Bureau may proceed as if paragraph (2) of subsection (b) did not apply.

(d) (1) The Bureau must schedule and conduct a site visit prior to the intended commencement of gambling operations as indicated in subsection (b). A written report of the findings of the site visit must be provided to the Commission, as well as any follow-up reports. The Bureau's site visit report must include determinations regarding compliance with, at a minimum, the following internal control requirements of Article 3 of Chapter 7:

(A) Drop and drop collection, pursuant to Section 12384;

(B) Count and count room functions, pursuant to Section 12385;

(C) Cage functions, pursuant to Section 12386;

(D) Security, pursuant to Section 12395; and,

(E) Surveillance, pursuant to Section 12396.

(2) If the Bureau notes any deficiency in compliance with laws or regulations, including, but not limited to, a deficiency in the internal controls listed in paragraph (1), it will issue a notice to the cardroom business licensee to correct the deficiency. The notice must describe each deficiency and specify a reasonable time in which the deficiency is to be corrected. The commencement of gambling operations will not be delayed unless the deficiency prevents substantial compliance with laws or regulations and materially threatens public safety or the integrity of the gambling operation, and the deficiency cannot be corrected or mitigated within a reasonable time. Failure to correct or otherwise mitigate the deficiency may be considered during the license renewal process and may result in disciplinary action under Chapter 10 of this division.

(e) No gambling operations may be conducted at any new location until the provisions of subsections (b) and, if applicable, (c), have been complied with.

(f) If any gambling operations are conducted in violation of subsection (e), the cardroom business licensee and each cardroom endorsee licensee will be subject to disciplinary action under Chapter 10 of this division. For the purposes of this subsection, each day or portion thereof, whether consecutive or not, during which any gambling operations are conducted in violation of subsection (e) will constitute a separate violation.

(g) Failure to timely provide notice to the Bureau as required by subsection (b) will constitute a ground for disciplinary action under Chapter 10 of this division.

(a) The Bureau will provide each cardroom business licensee an invoice, pursuant to Section 12006, by October 1, 2022, and each October 1 thereafter, of their annual fee, as provided in Section 12368.2.

(b) The annual fee may be paid in installments. The cardroom business licensee must submit a written request to the Bureau to make installment payments within 30 calendar days from the date the invoice was served.

(c) A request for installment payments will be considered approved, unless within 14 calendar days of the request being received, the Bureau provides notification, pursuant to Section 12006, that the request has been disapproved. The Bureau will disapprove the request if the cardroom business licensee has a history of failing to make installment payments as required or has not submitted the request pursuant to subsection (b). Installment payments must be made in the year following the request pursuant to subsection (b) as follows: one-third of the annual fee to be submitted no later than January 1, one-third no later than April 1, and the balance no later than June 30. If installment payments were not requested or a request for installment payments was disapproved, the entire amount of the annual fee must be submitted no later than January 1.

(d) The cardroom business license certificate will not be issued until the Bureau has received the annual fee or has approved the cardroom business licensee for installment payments.

(e) Any application for a renewal cardroom business license will not be approved by the Commission until any delinquent annual fees have been paid in full.

(f) No application for a TPPPS contract with a cardroom business licensee may be approved by the Bureau until any delinquent annual fees owed by that cardroom business licensee have been paid in full.

(g) (1) Upon the first issuance of a cardroom business license, as either a temporary cardroom business license or an initial cardroom business license, whichever occurs first, the Bureau will issue an invoice, pursuant to Section 12006, in the annual fee amount required of an active licensee with a gross revenue under \$1,500,000, as provided in Section 12368.2, divided by 12, multiplied by the number of whole months remaining in the current calendar year. The cardroom business licensee must submit to the Bureau the annual fee within 30 calendar days of service.

(2) For the first full calendar year of licensure, the Bureau will invoice, pursuant to Section 12006, the cardroom business licensee the unadjusted annual fee required of an active licensee with a gross revenue under \$1,500,000, as provided in Section 12368.2 for the following calendar year. If the license is approved after October 1, this invoice will be issued at the same time as the invoice required in paragraph (1).

In order to promote the purposes of the Act to provide for effective regulation of gambling enterprises, owner licensees must notify the Commission and Bureau of, and may exclude from the gambling establishment, any person(s) that the cardroom business licensee reasonably believes is conducting prohibited player-dealer participation, pursuant to Section 12005, within the gambling establishment. A cardroom business licensee acting under this section must notify the Commission and Bureau in writing of any such person(s) and of any such exclusion, including the identity of the excluded individuals and entity if known, within ten business days following the exclusion. Upon receiving such notice, the Commission will notify the person(s) in writing of the license requirement of Chapter 2 and may notify some or all cardroom business licensees of the name of the unlicensed person(s), if known, and may condition any subsequent license of the person with a 60 to 90 day suspension of licensure or require the payment of a civil penalty under Business and Professions Code section 19930, subdivision (c), or both.

### **§ 12370. Emergency Planning and Preparedness.**

(a) As required by California Code of Regulations Title 24, Part 9, Chapter 4 (commencing with Section 401), and Title 19, Section 3.09, a gambling establishment shall prepare and maintain a fire safety and evacuation plan, conduct emergency evacuation drills and conduct employee training on the content of their fire safety and evacuation plan. Fire safety and evacuation plans, emergency evacuation drills and employee training procedures adopted pursuant to this section must comply with, as applicable, California Code of Regulations Title 24, Part 9, Chapter 4 (commencing with Section 401) and Title 19, Section 3.09, or those standards adopted by local ordinance pursuant to Health and Safety Code section 13143.5.

(b) Each applicant for a cardroom business license under Chapter 2 of this Division must submit to the Bureau one copy of a current fire safety and evacuation plan, pursuant to this section, together with those application documents required by Section 12112.

(c) Each cardroom business licensee must submit one copy of its current fire safety and evacuation plan, pursuant to this section, with the first biennial license renewal application submitted after the effective date of this section, and with every second renewal application submitted thereafter.

(d) If a cardroom business licensee's fire safety and evacuation plan is revised as a result of the addition of permanent tables, or as a result of any change to the physical premises which alters the locations of phones, fire extinguishers, manual fire alarm pull stations or exits, or which alters evacuation routes or procedures, the cardroom business licensee must submit one copy of its revised fire safety and evacuation plan with the first biennial license renewal

application submitted immediately following any revision, and, subsection (c) notwithstanding, with every second renewal application submitted thereafter.

(e) Each fire safety and evacuation plan submitted to the Bureau pursuant to this Section must include the following documentation, as applicable:

(1) If the responsible local authority provides reviews, the cardroom business licensee must send to the Bureau documentation showing that the local authority approved the fire safety and evacuation plan, pursuant to Health and Safety Code section 13143.5 and California Code of Regulations Title 24, Part 9, Chapter 1, Section 111.2.1.1. (f) Failure by a cardroom business licensee to develop and implement a fire safety and evacuation plan, conduct emergency evacuation drills or conduct employee training on the content of its fire safety and evacuation plan pursuant to this section, constitutes an unsuitable method of operation and also may result in denial of an application for license renewal, pursuant to Section 12144, or in the suspension or revocation of its existing license, pursuant to Chapter 10 of this division.

(g) In addition to any other remedy under the Act or this division, the Commission may assess a civil penalty of at least \$500 but not more than \$5000 for each violation of this section.

- (3) Surveillance procedures, including video recording and monitoring requirements, as applicable;
- (4) Specific conditions, procedures and instructions for stopping controlled gambling and gaming activities; and
- (5) Specific employee training schedules that relate to the gambling establishment's security and surveillance plan.

(c) (1) Each security and surveillance plan must identify and comply with all state and local requirements and must implement all applicable provisions of Article 3 of this chapter. Each cardroom business licensee must submit, pursuant to paragraph (2), (3) or (4), as an attachment to its security and surveillance plan, copies of identified, applicable local ordinances and any locally-issued certificate of compliance with those ordinances.

(2) Each applicant for a cardroom business license under Chapter 2 of this Division must submit to the Bureau one copy of a current security and surveillance plan, pursuant to this section, together with those application documents required by Section 12112.

(3) Each cardroom business licensee must submit to the Bureau one copy of its current security and surveillance plan with the first biennial license renewal application that is submitted eighteen months after the effective date of this section, and with every second renewal application submitted thereafter.

(4) If a cardroom business licensee's security and surveillance plan is revised as a result of the addition of permanent tables, or as a result of any change to the physical premises which alters the locations or configurations of any restricted areas of the gambling establishment, or which alters or affects any security or surveillance capabilities or procedures, the cardroom business licensee must submit one copy of its revised security and surveillance plan with the first biennial license renewal application submitted immediately following any revision to its security and surveillance plan, and, paragraph (3) notwithstanding, with every second renewal application submitted thereafter.

(5) If the responsible local authority provides reviews of security or surveillance plans, the cardroom business licensee must send documentation of the areas reviewed by the responsible local authority and whether or not the responsible local authority approved those areas of the security and surveillance plan under the responsible local authority's jurisdiction.

(d) The Bureau will review the cardroom business licensee's security and surveillance plan, including those provisions under the responsible local authority's jurisdiction, whether reviewed by the local authority or not, and those provisions not under the responsible local authority's jurisdiction. If the Bureau determines that the cardroom business licensee's security and surveillance plan does not address the elements set forth in this section, then the Bureau may issue a determination identifying the deficiencies and specifying a time certain within which those deficiencies must be cured.

(e) (1) Each cardroom business licensee must, at least annually, provide for a review of the requirements of the security and surveillance plan with those employees that have been assigned duties under the plan, ensuring that each employee has a general understanding of the provisions of the plan applicable to his or her position and understands his or her specific duties under the plan. This annual review must be documented, including a signature from each employee indicating that they have participated in the review and a signature from the person who provided the review.

(2) When a new employee begins work, the cardroom business licensee, or the cardroom business licensee's designate, must review the requirements of the security and surveillance plan with the new employee, ensuring that each new employee has a general understanding of the provisions of the plan applicable to his or her position and understands his or her specific duties under the plan. This initial review must be documented as provided in paragraph (1).

(f) Failure by a cardroom business licensee to develop and implement a security and surveillance plan, or to cure a deficiency identified pursuant to subsection (d), constitutes an unsuitable method of operation and also may result in denial of an application for license renewal pursuant to Section 12144, or in the suspension or revocation of its existing license pursuant to Chapter 10 of this division.

(g) In addition to any other remedy under the Act or this division, the Commission may assess a civil penalty of at least \$500 but no more than \$5000 for each violation of this section.

(a) "Minimum Internal Control Standards," or "MICS," are the minimum requirements to operate a gambling establishment as set forth in this chapter, and include, but are not limited to, administration controls, and controls requiring segregation of duties. A cardroom business licensee must meet or exceed these requirements in controlling their gambling operation.

(b) The purposes of the MICS are to better ensure the maintenance of accurate records, the recording of all income, the safeguarding of assets and records of the gambling establishment, operational efficiency and integrity, and adherence to prescribed policies and procedures.

(c) Failure by a cardroom business licensee to comply with the requirements of this article constitutes an unsuitable method of operation and is a ground for disciplinary action.

(d) For purposes of this article:

(1) "Tier I licensee," means a cardroom business licensee authorized to operate one to five tables.

(2) "Tier II licensee," means a cardroom business licensee authorized to operate six to ten tables.

(3) "Tier III licensee," means a cardroom business licensee authorized to operate eleven to thirty tables.

(4) "Tier IV licensee," means a cardroom business licensee authorized to operate thirty-one to sixty tables.

(5) "Tier V licensee," means a cardroom business licensee authorized to operate sixty-one or more tables.

(6) Absent specific reference to a particular tier, any requirement of any regulation in this article will be deemed to be applicable to all cardroom business licensees.

Note: Authority cited: Sections 19840, 19841 and 19924, Business and Professions Code. Reference: Sections 19840, 19841, 19922 and 19924, Business and Professions Code.

### **§ 12381. Policies and Procedures.**

(a) All cardroom business licensees must have written policies and procedures that meet or exceed the MICS contained in this article.

(b) A cardroom business licensee's policies and procedures must be communicated to employees through new employee orientations and periodic training sessions.

(c) Adherence to the policies and procedures established to comply with this article will be required.

(d) On request, copies of a cardroom business licensee's policies and procedures must be provided, within a reasonable time specified, for the Commission and/or Bureau to review.

(e) Unless otherwise specified in this chapter, all forms, books, records, logs, lists and any and all other original source or duplicate documentation required to be maintained by a cardroom business licensee pursuant to this chapter must be:

(1) Recorded in English;

(2) Recorded in a permanent form or media; and

(3) Maintained for a minimum of three years, unless otherwise specified, in a secured area on site at the gambling establishment or at a California facility approved in advance by the Bureau.

(f) In addition to the requirements of subsection (a) through and including (e), cardroom business licensees in Tiers II through and including V must assign the overall responsibility for establishing, periodically reviewing, monitoring, and testing for compliance with their MICS policies and procedures to a specific cardroom endorsee licensee or key employee licensee and must document the assignment in the cardroom business licensee's policies and procedures. Tests for compliance with MICS policies and procedures must be performed at least annually,

and may be performed by a cardroom business licensee's staff, other than the person or persons who normally perform the duties being tested, or by agents or outside consultants (e.g., a certified public accountant) for the cardroom business licensee. The results of the tests, and a detailed record of the efforts to correct any noncompliance found as a result of the tests, must be documented and the documentation retained by the cardroom business licensee.

### **§ 12384. Drop and Drop Collection.**

(a) The policies and procedures for all Tiers must meet or exceed the following standards for the drop and collection of the drop for non-electronic gambling tables:

(1) Drop collection fees must be deposited into a secure container, known as a "drop box," that must be securely attached to the gambling table. A drop box must be constructed and controlled in a manner to provide for the security of its contents.

(2) If a jackpot or any other player-funded gaming activity is offered, jackpot collections must be deposited into a separate drop box, or otherwise segregated, and accounted for separately.

(3) Drop boxes must have all of the following:

(A) A lock securing the contents.

(B) A separate lock securing the drop box to the gambling table. This lock must be keyed differently from the lock securing the contents of the drop box.

(C) An individual identifier that corresponds to the gambling table to which the drop box is attached and the shift, if applicable, for which it is used, and that can be documented when the box is removed from the table. Visible drop box identifiers must be imprinted or impressed on the box and capable of being seen and read in video surveillance recordings, either while attached to the table or when removed from the table and immediately displayed to a surveillance camera. If a bar code or an equivalent system is used, in addition to the imprinted or impressed identifiers, it must have the capability to identify each drop box by shift and table, the person or persons performing the collection, and the date and time of the collection.

(D) An opening through which chips collected for fees must be inserted.

(4) An emergency, interim, or temporary drop box may be maintained without a number or marking, if the applicable designation is permanently imprinted or impressed thereon and, when put into use, it is temporarily marked as provided in subparagraph (C) of paragraph (3) above.

(5) A drop box, when removed from a gambling table, whether in use or not, must be afforded security sufficient to protect the drop box and its contents and must be stored in a secure area while awaiting the count.

(6) A drop box, when not in use during a shift, may be stored on a gambling table.

(7) The cardroom business licensee must establish and schedule the time(s) for the collection of drop boxes and must ensure that the entire drop collection process is

recorded by video surveillance. Except as otherwise provided in subsection (c), the drop box collection may be performed more frequently or less frequently than the time(s) scheduled by the cardroom business licensee when circumstances warrant a reasonable deviation from the established schedule.

(8) The drop collection must be performed by at least one licensed or permitted individual.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III through and including V must include the following standards for drop collection:

(1) All drop boxes, whether in use or not, must be removed from the gambling table as provided in subsection (a) by at least one employee of the gambling establishment who holds a valid cardroom category license, accompanied by at least one member of the security department or its equivalent. The employee of the gambling establishment may not be a member of the security department or its equivalent.

(2) Notwithstanding the provisions of paragraph (1) of this subsection, or any other provision of this article related to the designation of employees to perform the drop collection, a Tier III licensee that does not directly employ security personnel may have the drop collection performed by at least two employees of the gambling establishment who hold a valid cardroom category license and who are each assigned to a different department.

(3) The names of the individuals performing the drop collection must be documented either by software or in writing and, when documented in writing, those individuals who performed the collection must legibly print their names and sign the documentation.

(4) A drop box, when not in use during a shift, may be stored on a gambling table if the entire area is covered by recorded video surveillance during that period of time.

(c) In addition to the requirements of subsections (a) and (b), the policies and procedures for Tiers IV and V must include standards for drop collection that provide for the designation of at least one employee of the gambling establishment who holds a valid cardroom category license to video monitor the drop box collection process and that the entire drop collection process be continuously recorded by video surveillance.

Note: Authority cited: Sections 19840, 19841 and 19924, Business and Professions Code. Reference: Sections 19841, 19922 and 19924, Business and Professions Code.

### **§ 12385. Count; Count Room Functions.**

(a) The policies and procedures for all Tiers must meet or exceed the following standards for count room functions:

(1) The cardroom business licensee must ensure that the contents of drop boxes are counted and recorded in a manner and in a location within the licensed gambling establishment that ensures the appropriate security and proper accounting of all gambling chips.

(2) The cardroom business licensee must designate an individual or individuals, each holding a valid cardroom category license, who must be responsible for performing the drop count. The opening, counting and recording of the contents of a drop box must be performed in the presence of and by the designated individual(s).

(3) (A) Drop box counts must be permanently recorded, in ink or another form approved by the cardroom business licensee, on a daily count sheet or the equivalent, which documents all of the following information, as applicable:

1. The name of the gambling establishment;
2. The date and time of the count;
3. The shift, individual box number and table number of each box counted;
4. The amount in each individual box;
5. The total number of boxes counted; and
6. The printed or recorded name(s) of the individual(s) conducting the count and, if a hard copy record, the signature(s) of the individual(s).

(B) Corrections to the information initially recorded for the drop count prior to the completion and signing of a hard copy daily count sheet are permitted. Corrections must be made by drawing a single line through the error and writing the correct figures above the original figures or by another method approved by the Bureau. The designated individual making the correction must write his or her initials and the date, in ink, immediately next to the correct figures. The correction, in a hard copy of a daily count sheet, of errors discovered subsequent to the completion and signing by the designated individual(s) will require the completion of a revised or amended count sheet, which must be maintained with the original count sheet.

(4) The entire count process, beginning with the opening of the first drop box and continuing through completion of the count sheet, must be continuously recorded by video surveillance.

(5) The contents of a drop box may not be mixed or commingled with the contents of any other drop box prior to the counting and recording of its contents.

(6) A drop box must be emptied in a manner that will identify and record the box identification, as specified in Section 12384, subsection (a), paragraph (3), subparagraph (C), and paragraph (4), and so that video surveillance recording will document that all contents are removed from the drop box for the count.

(b) (1) In addition to the requirements of subsection (a), the policies and procedures for Tiers II through and including V must include standards for count room functions that require the use and maintenance of a secured area known as the count room for the counting of gambling chips, which must:

(A) Be designed and constructed to provide appropriate security for the materials housed therein and for the activities conducted therein;

(B) Not be used as a storage facility for items or materials not directly associated with the count process or cage functions, nor have any removable containers other than drop boxes that could be used to conceal chips or cash.

(2) If the count room is used to store chips, cash, drop boxes or any other items or materials that are directly associated with the count, the interior of the room and all of its contents must be under constant recorded video surveillance.

(c) In addition to the requirements of subsection (a) and (b), the policies and procedures for Tiers III through and including V must include the following standards for count room functions:

- (1) The number of individuals designated by the cardroom business licensee, pursuant to paragraph (2) of subsection (a), to perform the drop count cannot be less than two individuals, or one individual using an automated chip counting machine that counts, sorts and racks the chips, and records the count electronically on the cardroom business licensee's computer system.
- (2) The designated individuals performing the count must be attired so as to reduce their ability to conceal chips on their person; for example, by wearing, over their regular clothing, smocks or other clothing with no pockets.
- (3) At the conclusion of the count, a cage or vault cashier or at least the equivalent must count the chips received and verify the accuracy of the count and count sheets.
- (4) Count sheets verified pursuant to paragraph (3) above must, immediately following verification, be remitted to the accounting department or its equivalent, or deposited in a locked box, located in a secure area of the gambling establishment, the contents of which are accessible only by the accounting department or its equivalent. Count sheets must be maintained and controlled by the accounting department or its equivalent.

(d) In addition to the requirements of subsections (a) through and including (c), the policies and procedures for Tiers IV and V must include the following standards for count room functions:

- (1) The count room must be a fully enclosed room that is separate and apart from all other rooms in the gambling establishment and is equipped with an alarm system or device connected to all entrances to the count room which causes a signaling to the surveillance unit or its equivalent, whenever any door to the count room is opened.
- (2) Immediately prior to the commencement of the count, one of the designated individuals must notify the surveillance unit, or its equivalent, that the count is about to begin. At least one employee of the gambling establishment who holds a valid cardroom category license must be designated to video monitor the count process and the entire count process must be continuously recorded by video surveillance.
- (3) Immediately prior to the opening of a drop box, the door to the count room must be secured. Except as otherwise authorized by the cardroom business licensee's policies and procedures, no person may be permitted to enter or leave the count room, except during a normal work break or in an emergency, until the entire counting, recording, and verification process is completed.

(e) In addition to the requirements of subsections (a) through and including (d), the policies and procedures for Tier V must include standards for count room functions that require the drop count to be performed by not less than three individuals designated by the cardroom business licensee pursuant to paragraph (2) of subsection (a), or two individuals using an automated chip counting machine that counts, sorts and racks the chips, and records the count electronically on the licensee's computer system.

## **§ 12386. Cage Operation and Functions.**

(a) The policies and procedures for all tiers must meet or exceed the following standards for cages:

(1) The cardroom business licensee must maintain within the gambling establishment at least one separate and secure area at a fixed location that is designated as a cage. A cage must be located, designed, constructed and operated to provide convenience for patron transactions while maintaining appropriate security and accountability for all monetary transactions occurring at the cage and all cage contents.

(2) The cardroom business licensee must assign at least one gambling enterprise employee to process monetary transactions at a cage. The titles, classifications, or positions of all employees assigned to process monetary transactions at a cage must be listed on the gambling enterprise's organizational chart. The assigned employees' duties may include any or all of the following:

(A) Custody of the cage inventory or individual cashiers' banks, which is comprised of currency, coin, patron checks, gambling chips, forms, documents and records consistent with the operation of a cage or an individual cashier's bank.

(B) Receipt and distribution of gambling chips through internal operations.

(C) Sale and redemption of chips through patron transactions.

(D) Deposits to and withdrawals from players' banks and dealers' banks, if applicable.

(E) Check cashing and extensions of credit for patrons, as permitted by the cardroom business licensee's policies and procedures.

(F) Preparation of cage accountability reconciliations and records necessary to document compliance with the requirements of this chapter.

(G) Recording patron information that is necessary for compliance with the requirements of sections 5313 and 5314 of Title 31 of the United States Code, applicable regulations in Chapter X (effective as of July 1, 2011) of Title 31 of the Code of Federal Regulations and any successor provisions, and subsection (a) of Section 12315.

(H) The proper accounting and safeguarding of any cage bank or cashier's bank, and gambling equipment or confidential documents when kept in a cage.

(3) Routine access and entry into a cage, or an area designated as a cage pursuant to paragraph (1) of this subsection, must be limited to on-duty cage personnel assigned pursuant to paragraph (2) of this subsection. Other employees of the gambling enterprise who hold a valid cardroom category license may be granted access to a cage or cage area for the purpose of performing their duties.

(4) A log must be maintained, either in writing or electronically, to document entry into a cage by any person not authorized access pursuant to paragraphs (2) and (3) of this subsection. The log must contain the person's name, title, date of entry, and time entering and exiting; or provide substantially equivalent information through an

automated access control system. Any automated access control system must provide a secure, tamperproof means of recording and maintaining entry and exit information.

(5) (A) Cage and cashiers' banks must be reconciled after each shift by the incoming and outgoing assigned cage employees. If an imprest is used, each outgoing cage employee responsible for an imprest must balance his or her imprest to the imprest amount. The recordable cage transactions and reconciliations must be posted and reconciled to the general ledger at least monthly.

(B) The reconciliation of each cage and cashiers' bank must be documented on a cage accountability form that must include, at a minimum, all of the following, as applicable:

1. The date of the reconciliation;
2. The designation of the shift being reconciled;
3. An accounting of the contents of the cage bank, cashiers' banks, and, if applicable, players' banks in use during the subject shift, including:

5. The printed name and signature of each assigned cage employee performing the reconciliation, as applicable.

(6) The purchase or redemption of gambling chips by a patron may only occur at a cage or from an authorized cardroom category licensee on the gambling floor. Cardroom category licensees may not permit TPPPS category licensees to purchase or redeem gambling chips for cash or cash equivalents from a patron or to sell gambling chips to a patron. For the purposes of this article, the sale, purchase or redemption of gambling chips may not include the exchange of a chip or chips of one total value for a chip or chips of an equal total value.

(7) If a cardroom business licensee operates more than one cage at any time during any shift, all cages, irrespective of their designations (e.g., main cage, satellite cage, auxiliary cage, supplementary cage, secondary cage, back up cage, support cage, etc.), will be subject to and comply with all provisions of this article applicable to the operation and functions of cages for the cardroom business licensee's tier.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III through and including V must require that the cage and cashiers' banks reconciliations specified in paragraph (5) of subsection (a) be posted and reconciled to the general ledger by someone other than an assigned cage employee or cage supervisor.

(c) In addition to the requirements of subsections (a) and (b), the policies and procedures for Tiers IV and V must include the following standards for a cage:

(1) A cage must be a secure enclosed structure with at least one cashier window through which items such as gambling chips, cash, checks, and documents may be passed to serve patrons and cardroom category licensees. The design and construction of a cage must include:

(A) Secure cashier windows designed to prevent entry by a patron or another individual, and to prevent theft from the cage;

(C) Access through a secured door or doors, which must be under constant recorded video surveillance in accordance with the applicable provisions of Section 12396.

(2) In addition to the information specified in paragraph (5) of subsection (a), the cage accountability form referenced therein must include an itemization of the following:

(A) Cash and coin by denomination;

(B) Gambling chips by denomination;

(C) All other items of monetary value (e.g., markers, patron checks, players' banks, etc.), specifying the amount of each;

(D) The amount assigned to each dealer's bank and floor bank.

(3) The cardroom business licensee must maintain a record, either in writing or electronically, of the names or classifications of all persons assigned pursuant to paragraph (2) of subsection (a) as being authorized to access or enter a cage, which record must specify those persons who possess the combination or the keys or who control the mechanism to open the devices securing the entrance to a cage, and those who possess the ability to operate the alarm system. The record must be updated each time an assignment is added or deleted.

(d) In addition to the requirements of subsections (a), (b) and (c), the policies and procedures for Tier V must include standards for a cage that require monitored and recorded video surveillance of the interior of the cage and all of its contents, and the exterior of all access doors in accordance with the applicable provisions of Section 12396.

### **§ 12387. Security and use of Floor Banks; Security of Gambling Equipment and Confidential Documents.**

(a) The policies and procedures for all tiers must meet or exceed the following standards for the security of floor banks:

(1) When kept, held, or stored in any public area of the gambling establishment, a floor bank must be secured in a receptacle, drawer, or compartment with a locking mechanism securing the contents. The receptacle, drawer, or compartment must

remain locked at all times, except when being accessed by assigned cardroom category licensees in the performance of their duties. If a keyed lock or locking mechanism is used, the key must not be left in the lock when the drawer or compartment is not being accessed. All keys, combinations, and access codes are subject to the applicable key security and control provisions of Section 12395.

(2) The lock or locking mechanism of each receptacle containing a floor bank, must be keyed differently from the lock or locking mechanism of any other receptacle, drawer, or compartment of any furnishing, fixture, cabinet, appurtenance, or device (hereafter cabinet) in the gambling establishment, except in the following circumstances:

(A) When a single assigned cardroom employee type licensee requires access to multiple receptacles in the performance of his or her duties; that access is limited solely to that employee during his or her assigned shift; and each of the receptacles contains a floor bank, those receptacles may have a key, combination, or access code in common with each other.

(B) Cardroom owner type licensees and key employee supervisor licensees whose duties include the supervision or oversight of cardroom employee type licensees who utilize and have access to floor banks in the performance of their assigned duties, may have a master or duplicate key that will open some or all of the locking mechanisms for the receptacles containing a floor bank to which any of their subordinate employees have access.

(3) Any cabinet having a drawer, compartment, or receptacle containing or intended to contain a floor bank must be located so that it is clearly visible for security and surveillance purposes. The cabinet must be kept under continuous recorded video surveillance, in accordance with the applicable provisions of Section 12396. The camera coverage must be adequate to enable monitoring and recording of the contents of any drawer when open, to the extent reasonably possible, and of all activities involving the floor bank. If a mobile cabinet is used, it must be kept at a fixed secure location under continuous recorded video surveillance when not being actively used on the gambling floor.

(4) No gambling equipment, documents, supplies, or other materials that are not directly related to a floor bank may be commingled with or kept in the same receptacle with a floor bank. Neither the cabinet nor any other drawer, compartment, or receptacle therein, may be used to hold, store, keep, or safeguard any personal property or possession of any cardroom employee type licensee, patron, or any other person, nor any equipment, documents, supplies, or other materials that are not directly related to the conduct of gambling operations.

(5) Each floor bank must be individually balanced not less than daily and the imprest amount verified. Any shortages or overages must be documented in an exception report and included in the appropriate cage bank reconciliation.

(6) The cardroom business licensee must establish a maximum imprest amount that may be assigned to each floor bank based on a reasonable estimate of the amount necessary for the activities associated with the bank during any shift. The maximum imprest amount that may be assigned to a floor bank in a mobile cabinet may not exceed \$30,000 at any time.

(7) The cardroom business licensee's policies and procedures must include specific provisions governing the sale or distribution of gambling chips and the disbursement of cash to patrons from a floor bank by the assigned cardroom employee type licensee. The redemption of chips by a patron from a floor bank may not exceed a total of \$500, except when that floor bank is being temporarily operated as a cage and all applicable provisions of Section 12386 are complied with. No chip redemptions may be transacted at any time from a floor bank in a mobile cabinet.

(b) The policies and procedures for all tiers must meet or exceed the following standards for the security of gambling equipment and confidential documents:

(1) (A) When kept, held, or stored in any public area of the gambling establishment, gambling equipment not actively being used must be secured in a receptacle, drawer, or compartment, with a locking mechanism securing the contents. The locking mechanism must remain locked at all times, except when being accessed by an authorized cardroom employee type licensee in the performance of his or her duties. If a keyed lock or locking mechanism is used, the key may not be left in the lock when the receptacle is not being accessed. All keys, combinations, and access codes must be subject to the applicable key security and control provisions of Section 12395. This subparagraph may not apply to any gambling equipment that cannot be secured in a receptacle, drawer, or compartment when not in use due to its size.

(B) When kept, held, or stored in any public area of the gambling establishment, confidential documents must be secured in a receptacle, drawer, or compartment, as specified in subparagraph (A), except when in use or when maintained electronically. Confidential documents, when in use or maintained electronically, must be kept out of public view, to the extent reasonably possible.

(2) The lock or locking mechanism of each receptacle containing any gambling equipment or confidential documents, must be keyed differently from the lock or locking mechanism of any other receptacle, drawer, or compartment of any cabinet in the gambling establishment, except in the following circumstances:

(A) When a single assigned cardroom employee type licensee requires access to multiple receptacles in the performance of his or her duties; that access is limited solely to that employee during his or her assigned shift; and each of the receptacles contains either gambling equipment or confidential documents, those receptacles may have a key, combination, or access code in common with each other.

(B) Cardroom owner type licensees and key employee supervisors licensees whose duties include the supervision or oversight of cardroom employee type licensees who utilize and have access to gambling equipment or confidential documents in the performance of their assigned duties, may have a master or duplicate key that will open some or all of the locking mechanisms for the receptacles to which any of their subordinate employees have access.

(3) Any cabinet having a drawer, compartment, or receptacle containing gambling equipment or confidential documents must be located so that it is clearly visible for security and surveillance purposes. The cabinet must be kept under continuous recorded video surveillance, in accordance with the applicable provisions of Section 12396.

(4) No gambling equipment or confidential documents will be commingled with or kept in the same drawer or compartment with a floor bank, or commingled with or kept in the same drawer or compartment with any personal property or possession of any cardroom employee type licensee, patron, or any other person.

(5) The cardroom business licensee's policies and procedures must include specific provisions governing the storage, distribution, and tracking of gambling equipment kept, held, or stored on or near the gaming floor or in any other public area of the gambling establishment.

(c) If a cardroom business licensee provides to any TPPPS business licensee or its employees access to or the use of any cabinet, or any receptacle, drawer, or compartment in any cabinet described in subsection (a) or (b), that access or use must be exclusive to that TPPPS business licensee and its employees, and that cabinet may not be used by the cardroom business licensee for any purpose.

### **§ 12388. Extension of Credit, Check Cashing, and Automatic Teller Machines (ATMS).**

(a) A cardroom business licensee may extend credit to a patron if, prior to extending credit to the patron, the cardroom business licensee determines that an extension of credit is not prohibited by any statute, law, regulation, or local ordinance. A cardroom business licensee may not extend credit to a TPPPS category licensee that is a party to a contract with the TPPPS owner type licensee to provide third-party proposition player services. A cardroom business licensee may not extend credit to an employee of the licensee to act as a "house prop player" or "public relations player" in any controlled game. In addition to complying with all laws regarding the issuance of credit, a cardroom business licensee that extends credit to a patron must address, in written policies and procedures and credit application form(s), the following requirements for the extension and collection of credit:

(1) Establish a method for determining the maximum amount which will be advanced to a patron, changes in the credit amount, the maximum time an extension of credit will be outstanding, and repayment terms.

(2) Prior to extending credit to a patron for the first time, ensure that the person requesting the credit is identified by examining the patron's unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver's license or passport.

(3) Ensure that the patron is credit worthy through an assessment of one of the following:

(A) Receipt of patron information on a credit application form which includes the patron's name and signature, current address, telephone number, social security number, bank and/or trade references, employment information and income information, which must be verified and used to form an assessment of the patron's financial situation, collateral circumstances and credit worthiness.

(B) Receipt of a signed and dated authorization from the patron to access their consumer credit report from a bona fide credit-reporting agency to show the patron

has an established credit history consistent with approved credit policies and receipt of information from a bona fide credit-reporting agency that the patron has an established credit history consistent with approved credit policies.

(C) If any previous credit transactions exist between the patron and the gambling establishment, an examination of those records showing that the patron has paid in a timely manner all credit instruments and/or otherwise documenting that there is a reasonable basis for extending the credit amount to the patron.

(4) A cardroom owner type licensee or designated key employee licensee other than a dealer must approve any credit application.

(5) No credit may be extended to any patron who has signed a self-exclusion form (Title 4 CCR Section 12464) or has self-restricted access to credit (Title 4 CCR Section 12463) for the time period of the exclusion or restriction.

(6) Notify the patron of the issuance or denial of credit. The notification for issuing credit must include the date of issuance, terms of repayment, and interest charges, if applicable. If a patron is denied credit, and the denial is based, in whole or part, on any information contained in a consumer credit report, the cardroom business licensee must comply with Civil Code section 1785.20.

(7) If a patron is approved for credit pursuant to subparagraph (B) of paragraph (3), a copy of the patron's consumer credit report obtained by the cardroom business licensee must be kept on file with the cardroom for as long as that patron's credit account is open.

(8) Written or electronic records must be maintained on each attempt to collect on delinquent credit accounts.

(9) For each patron issued credit, the cardroom business licensee must maintain a record of the patron's credit limit, payment schedule, outstanding credit balance, and the patron's signature on a credit agreement.

(b) For each patron that is issued credit for the first time, the following information must be collected and maintained:

(1) Patron's name, current address and telephone number;

(2) A photocopy of the patron's unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver's license or passport;

(3) Basis upon which credit verified, as listed in subsection (a)(3);

(4) Documentation of authorization by a person designated by management to approve credit.

(c) If payment upon an extension of credit is delinquent for more than 90 days, as determined by the original credit agreement, the person to whom credit was extended must be prohibited from obtaining additional credit until the amount owed is paid in full.

(d) No cardroom business licensee may cash any check if cashing such a check is prohibited by any statute, regulation, or ordinance. No cardroom employee type licensee will be permitted to cash any check drawn against any federal, state, county, or other government fund,

including, but not limited to, social security, unemployment insurance, disability payments, or public assistance payments, as outlined in Business and Professions Code section 19841, subdivision (q), unless the check is for wages or payment for goods or services.

(e) A cardroom business licensee who does not deposit a patron's check within three banking days after receipt will be considered to have extended credit to that patron.

(f) (1) A cardroom business licensee will not allow a patron to replace, redeem, reclaim or repurchase a personal check with a subsequent personal check, unless that patron has been approved for an extension of credit as provided in this Article and the amount of the check or checks to be replaced is within the patron's approved credit limit.

(2) A subsequent personal check used by a patron to replace a previous personal check may not be replaced with another personal check at any time after receipt by the cardroom business licensee.

(3) Paragraph (1) of this subsection does not apply to a personal check that has not been deposited by a cardroom business licensee within three banking days after a receipt, or to a dishonored check.

(g) A cardroom business licensee that cashes checks for a patron must address, in written policies and procedures, the following requirements for the cashing of checks:

(1) Prior to cashing a check for a patron, the designated employee must determine that:

(A) The cardroom business licensee's records do not contain information reflecting that the patron presenting the check has signed a self-exclusion form or self-restricted access to check cashing for the time period of the exclusion or restriction,

(B) Cashing such check is not prohibited,

(C) Cashing such check conforms to the cardroom business licensee's approval process,

(D) The check is for a specific amount and within the patron's established check cashing amount limit, and, in the case of a personal check, includes the current date, and,

(E) In the case of a third party check, the check is endorsed over to the gambling establishment.

(2) If personal checks, cashier's checks, or payroll checks are cashed, the cardroom business licensee or designated employee must examine and, if the patron is not approved for credit or check cashing, record an unexpired government-issued form of identification evidencing residence and bearing a photograph of the patron, such as a driver's license or passport. If the patron's identification information is already on file with the cardroom business licensee, then retrieval and examination of this identification file by the cardroom business licensee or designated employee will satisfy the provisions of this paragraph.

(3) Records of all returned checks must be maintained by the gambling establishment and must include, at a minimum, the following:

(A) Date on the check.

(B) Name of the customer presenting the check.

(C) Amount of the check.

(D) Date(s) the check was dishonored.

(E) Date(s) and amount(s) of any collection received on the check after being returned by a bank.

(4) If a check is dishonored, the person who proffered the check must be prohibited from cashing additional checks until the amount owed is paid in full, but may replace a dishonored check in accordance with the policies of the licensed gambling establishment.

(5) The cardroom business licensee must include written procedures for the collection of checks dishonored for non-sufficient funds (NSF), including a point in time that the NSF check will be written off as a bad debt.

(h) If a cardroom business licensee that cashes checks for a patron charges a check-cashing fee, the cardroom business licensee must obtain and maintain an unexpired California Department of Justice Check Cashing Permit pursuant to Civil Code section 1789.37.

(i) Checks accepted or credit instruments completed in accordance with this Article are valid and enforceable instruments.

(j) A licensed gambling establishment may not have an ATM (automatic teller machine or cash- or voucher-dispensing machine) accessible by an individual while physically seated at a gaming table, unless otherwise required under the Americans with Disabilities Act.

(k) ATMs must be configured to reject Electronic Benefit Transfer cards (EBTs) issued by the State of California or by any city, county, or city and county, therein.

(1) Except as provided in Business and Professions Code sections 19844, 19845, 19861 and 19921, all areas of the gambling establishment in which controlled games and gaming activity are being conducted must be open to the public.

(2) No cardroom category licensee may, as a consequence of an employee's refusal to play a controlled game, coerce that employee, or take or threaten to take any action adversely affecting the terms and conditions of employment for that employee. Notwithstanding the forgoing, where an employee's duties or scope of employment includes the play of controlled games, a cardroom category licensee may take action adversely affecting the terms and conditions of employment against that employee for his or her refusal to play a controlled game. This paragraph does not create any new civil liability.

(3) A cardroom business licensee may not have in any room or combination of rooms where controlled games or gaming activities are being conducted, more gaming tables than the total number of tables the cardroom business licensee is authorized to operate, unless all excess gaming tables are covered or prominently labeled as being non-operational and are under continuous recorded video surveillance, in accordance with paragraph (1), subsection (a) of Section 12396.

(4) The sale or redemption of chips must be transacted only by those designated gambling enterprise employee licensees who have received the training required by section 1021.210 (revised as of July 1, 2011) of Chapter X of Title 31 of the Code of Federal Regulations. A cardroom business licensee must have policies and procedures in place to ensure compliance with Section 12315.

(b) In addition to the requirements of subsection (a), the policies and procedures for Tiers III through and including V must include standards for gambling floor operations that provide for, Title 11, CCR, Section 2050 notwithstanding, at least one cardroom owner type licensee or key employee license to be on the premises at all times that the gambling establishment is open to the public to supervise the gambling operation and ensure immediate compliance with the Act and these regulations.

(a) A cardroom business licensee must adopt and implement general house rules, written, at a minimum, in English, which promote the fair and honest play of all controlled games and gaming activity, and which at a minimum:

(1) Allow for the operation of only those games that are permitted by local ordinance and state and federal laws and regulations;

(2) Include provisions that are designed to deter collusion; and,

(3) Where applicable during the play of any controlled game or gaming activity, must address the following:

(A) Player conduct,

(B) Table policies,

(C) Betting and Raising,

(D) "Misdeals,"

(E) Irregularities,

(F) "The Buy-In,"

(G) "Tied Hands,"

### **§ 12395. Security.**

(a) The policies and procedures for all Tiers must meet or exceed the following standards for security:

(1) Access to non-public areas of the gambling establishment that have access to the gambling establishment's currency or unsecured gambling equipment, including but not limited to cages, count rooms, vaults, and security offices, must be limited to authorized cardroom category licensees, holders of a local work permit, or employees of a registered manufacturer or distributor only in the performance of their duties, or other person(s) if escorted and observed at all times by an authorized cardroom category licensee or holder of a local work permit in person or observed through a continuous live surveillance system. For purposes of this paragraph, "unsecured gambling equipment" means any gambling equipment in a non-public area that is not stored in a locked receptacle, drawer, or compartment which is under continuous recorded video surveillance, and does not include any gambling equipment that is not subject to tampering or related to game outcomes, such as gaming tables, table felts, chip trays, and lammers. This paragraph does not limit a proposition player contract's inclusion of a provision consistent with paragraph (13) of subsection (b) of Section 12270.

(2) Access to any room used for the media storage for the surveillance system, pursuant to Section 12396, must be limited to authorized cardroom category licensees and holders of a local work permit only in the performance of their duties, or other person(s) either if escorted and observed at all times by an authorized cardroom category licensee or holder of a local work permit in person, or observed or reviewed by a cardroom category licensee or holder of a local work permit using a continuous surveillance system. (4) During any period of time, between one-half hour before or after sunset and one-half hour before or after sunrise, in which the gambling establishment is open for business or patrons are present on the premises, cardroom business licensees must have at least one uniformed security officer on duty, who must periodically patrol the exterior of the gambling establishment, including all adjoining and adjacent parking areas owned, operated or otherwise controlled by the cardroom business licensee for use by its patrons. Any security officer, whether an employee, agent or contractor of the cardroom business licensee, who is a gambling enterprise employee as defined in subdivision (m) of section 19805 of the Business and Professions Code, will be required to hold a work permit pursuant to paragraph (1) of subdivision (a) of section 19912 of the Business and Professions Code, and Chapter 2 of this division. Any contract security officer whose scope of employment is limited to performance of his or her duties exclusively outside the cardroom business licensee's gambling establishment will not be required to hold a Commission work permit.

(a) The policies and procedures for all Tiers must meet or exceed the following standards for surveillance:

(1) Cardroom business licensees must install and maintain, on site in their gambling establishment, a surveillance system, with video recording and closed circuit television (CCTV) monitoring capabilities, to record critical activities related to the cardroom business licensees' gambling operations. The surveillance system must record with reasonable coverage and clarity, at a minimum, the gambling operation, the payment of player drop fees, the collection of drop boxes, the drop count processes, cage and cashier activities, gambling equipment storage areas, except for furniture storage areas, and the interior of gambling establishment entrances and exits. The video recording equipment must include date and time generators which must display the current date and time of recorded events on videotape or digital recordings. The displayed date and time must not significantly obstruct the view of recorded images. The surveillance system may have remote, off-site access capabilities, but only ancillary to any on-site systems required by this section.

(2) All surveillance recordings must be made in real time mode, or at a speed sufficient to capture and record with reasonable completeness the actions of all individuals being

observed, except that any recordings of the gambling establishment parking areas, and the gambling establishment entrances and exits may be recorded in time-lapse mode, at a minimum speed of 15 frames per second.

(3) All video surveillance cameras must be installed in a manner that prevents them from being intentionally obstructed, tampered with or disabled by patrons or employees, to the extent reasonably possible. All recording and monitoring equipment must be located in secure rooms or areas of the gambling establishment so that access is controlled.

(C) The DVR system must have the capability to reproduce or copy all or any portion of the stored data from the media storage system to a digital video disk (DVD).

(D) A single DVR system may not have more than 8 cameras required by the standards of this section, unless the DVR system has an appropriate backup system to ensure that there is no loss of data in the event of a failure of the primary DVR system or any single component of that system.

(6) Videotapes or other recording media must be marked or coded to denote the activity recorded.

(7)(A) Unless otherwise requested by the Bureau, all recordings must be retained for a minimum of seven complete days of operation, except that recordings that are determined by the Bureau or a law enforcement agency to be of evidentiary value must be retained for a period specified in writing by the determining agency. Recordings of any criminal offense subject to reporting pursuant to paragraph (4) of subsection (a) of Section 12395 must be retained indefinitely, or until the Bureau authorizes their disposal.

Any surveillance video recording that is in the custody of the Bureau pursuant to this paragraph may be disclosed by the Bureau only when necessary to administer or enforce the provisions of the Act, this division, or Division 3 of Title 11 of the California Code of Regulations, or when necessary to comply with a court order. Upon reasonable request of the cardroom business licensee or the cardroom business licensee's authorized representative, a copy of the recordings must be made and left on the premises if copying equipment is available to enable Bureau staff to make copies. If copying equipment is not available to Bureau staff, upon reasonable request of the cardroom business licensee or the cardroom business licensee's authorized representative, a copy of the recordings will be provided to the cardroom business licensee at the cardroom business licensee's expense, unless the Bureau expressly waives its costs of providing the copies.

(9) Cardroom business licensees must prominently display in a place and manner conspicuous to all patrons entering and exiting the gambling establishment, a sign containing the following statement printed in bold lettering of sufficient size to be visible and readable: "All Public Areas, Entrances and Exits of This Establishment are Subject to Surveillance and Video Recording." (d) Upon a finding of a violation of the Act, any regulations adopted pursuant thereto, any law related to gambling or gambling establishments, violation of a previously imposed disciplinary or license condition, or laws whose violation is materially related to suitability for a license, registration, permit, or approval, the Commission may do any one or more of the following:

establishment where the violation was charged, which sum will be multiplied by the number of calendar days for which the suspension is stayed.

(D) If the respondent is a key employee licensee or TPPPS supervisor licensee, the monetary penalty will be \$100 per day for the number of calendar days for which the suspension is stayed.

(E) If the respondent is a holder of a work permit or TPPPS worker license, or a person not otherwise described above, the monetary penalty will be \$50 per day for the number of calendar days for which the suspension is stayed.

(g) For decisions concerning a cardroom business licensee, findings must be made regarding the number of tables in operation at the establishment and the annual gross gaming revenue of the establishment

(h) For decisions concerning TPPPS owner type licensee, findings must be made regarding the maximum number of tables for which proposition player services have been contracted at the gambling establishment where the violation was charged.

(i) Any order to pay the costs of investigation or prosecution of the case shall be fixed pursuant to Business and Professions Code section 19930, subdivision (d).

(j) For multiple violations, or for suspensions imposed by other jurisdictions based on the same violations, the decision must state whether any Commission-imposed suspensions must run consecutively or concurrently.

(k) Where a violation arises from a practice that is repeated many times an hour or day in the conduct of controlled games, each instance of the practice will not be charged as a separate violation; however, the frequency and duration of the practice will be treated as aggravating or mitigating factors.

No person or entity, other than the Indian tribe, shall be eligible to receive a tribal license to own a class II gaming activity conducted on Indian lands within the jurisdiction of the Indian tribe if such person or entity would not be eligible to receive a State license to conduct the same activity within the jurisdiction of the State.

(B) (i) The provisions of subparagraph (A) of this paragraph and the provisions of subparagraphs (A) and (B) of paragraph (2) shall not bar the continued operation of an individually owned class II gaming operation that was operating on September 1, 1986, if--

(I) such gaming operation is licensed and regulated by an Indian tribe pursuant to an ordinance reviewed and approved by the Commission in accordance with section 2712 of this title,

(c) Issuance of gaming license; certificate of self-regulation

(1) The Commission may consult with appropriate law enforcement officials concerning gaming licenses issued by an Indian tribe and shall have thirty days to notify the Indian tribe of any objections to issuance of such license.

(4) The Commission shall issue a certificate of self-regulation if it determines from available information, and after a hearing if requested by the tribe, that the tribe has--

(C) the Commission may not assess a fee on such activity pursuant to section 2717 of this title in excess of one quarter of 1 per centum of the gross revenue.

(6) The Commission may, for just cause and after an opportunity for a hearing, remove a certificate of self-regulation by majority vote of its members.

(2) (A) If any Indian tribe proposes to engage in, or to authorize any person or entity to engage in, a class III gaming activity on Indian lands of the Indian tribe, the governing

body of the Indian tribe shall adopt and submit to the Chairman an ordinance or resolution that meets the requirements of subsection (b).

(B) The Chairman shall approve any ordinance or resolution described in subparagraph (A), unless the Chairman specifically determines that--

(i) the ordinance or resolution was not adopted in compliance with the governing documents of the Indian tribe, or

(ii) the tribal governing body was significantly and unduly influenced in the adoption of such ordinance or resolution by any person identified in section 2711(e)(1)(D) of this title. Upon the approval of such an ordinance or resolution, the Chairman shall publish in the Federal Register such ordinance or resolution and the order of approval.

(C) Effective with the publication under subparagraph (B) of an ordinance or resolution adopted by the governing body of an Indian tribe that has been approved by the Chairman under subparagraph (B), class III gaming activity on the Indian lands of the Indian tribe shall be fully subject to the terms and conditions of the Tribal-State compact entered into under paragraph (3) by the Indian tribe that is in effect.

(D) (i) The governing body of an Indian tribe, in its sole discretion and without the approval of the Chairman, may adopt an ordinance or resolution revoking any prior ordinance or resolution that authorized class III gaming on the Indian lands of the Indian tribe. Such revocation shall render class III gaming illegal on the Indian lands of such Indian tribe.

(ii) The Indian tribe shall submit any revocation ordinance or resolution described in clause (i) to the Chairman. The Chairman shall publish such ordinance or resolution in the Federal Register and the revocation provided by such ordinance or resolution shall take effect on the date of such publication.

(iii) Notwithstanding any other provision of this subsection--

(I) any person or entity operating a class III gaming activity pursuant to this paragraph on the date on which an ordinance or resolution described in clause (i) that revokes authorization for such class III gaming activity is published in the Federal Register may, during the 1-year period beginning on the date on which such revocation ordinance or resolution is published under clause (ii), continue to operate such activity in conformance with the Tribal-State compact entered into under paragraph (3) that is in effect, and

(II) any civil action that arises before, and any crime that is committed before, the close of such 1-year period shall not be affected by such revocation ordinance or resolution.

(3) (A) Any Indian tribe having jurisdiction over the Indian lands upon which a class III gaming activity is being conducted, or is to be conducted, shall request the State in which such lands are located to enter into negotiations for the purpose of entering into a Tribal-State compact governing the conduct of gaming activities. Upon receiving such a request, the State shall negotiate with the Indian tribe in good faith to enter into such a compact.

(B) Any State and any Indian tribe may enter into a Tribal-State compact governing gaming activities on the Indian lands of the Indian tribe, but such compact shall take effect only when notice of approval by the Secretary of such compact has been published by the Secretary in the Federal Register.

(C) Any Tribal-State compact negotiated under subparagraph (A) may include provisions relating to--

(i) the application of the criminal and civil laws and regulations of the Indian tribe or the State that are directly related to, and necessary for, the licensing and regulation of such activity;

(ii) the allocation of criminal and civil jurisdiction between the State and the Indian tribe necessary for the enforcement of such laws and regulations;

(iii) the assessment by the State of such activities in such amounts as are necessary to defray the costs of regulating such activity;

(iv) taxation by the Indian tribe of such activity in amounts comparable to amounts assessed by the State for comparable activities;

(v) remedies for breach of contract;

(vi) standards for the operation of such activity and maintenance of the gaming facility, including licensing; and

(vii) any other subjects that are directly related to the operation of gaming activities.

(4) Except for any assessments that may be agreed to under paragraph (3)(C)(iii) of this subsection, nothing in this section shall be interpreted as conferring upon a State or any of its political subdivisions authority to impose any tax, fee, charge, or other assessment upon an Indian tribe or upon any other person or entity authorized by an Indian tribe to engage in a class III activity. No State may refuse to enter into the negotiations described in paragraph (3)(A) based upon the lack of authority in such State, or its political subdivisions, to impose such a tax, fee, charge, or other assessment.

(5) Nothing in this subsection shall impair the right of an Indian tribe to regulate class III gaming on its Indian lands concurrently with the State, except to the extent that such regulation is inconsistent with, or less stringent than, the State laws and regulations made applicable by any Tribal-State compact entered into by the Indian tribe under paragraph (3) that is in effect.

(6) The provisions of section 1175 of Title 15 shall not apply to any gaming conducted under a Tribal-State compact that--

(7) (A) The United States district courts shall have jurisdiction over--

(ii) any cause of action initiated by a State or Indian tribe to enjoin a class III gaming activity located on Indian lands and conducted in violation of any Tribal-State compact entered into under paragraph (3) that is in effect, and

(iii) any cause of action initiated by the Secretary to enforce the procedures prescribed under subparagraph (B)(vii).

(B) (i) An Indian tribe may initiate a cause of action described in subparagraph (A)(i) only after the close of the 180-day period beginning on the date on which the Indian tribe requested the State to enter into negotiations under paragraph (3)(A).

(ii) In any action described in subparagraph (A)(i), upon the introduction of evidence by an Indian tribe that--

(I) a Tribal-State compact has not been entered into under paragraph (3), and

(II) the State did not respond to the request of the Indian tribe to negotiate such a compact or did not respond to such request in good faith, the burden of proof shall be upon the State to prove that the State has negotiated with the Indian tribe in good faith to conclude a Tribal-State compact governing the conduct of gaming activities.

(iii) If, in any action described in subparagraph (A)(i), the court finds that the State has failed to negotiate in good faith with the Indian tribe to conclude a Tribal-State compact governing the conduct of gaming activities, the court shall order the State and the Indian Tribe to conclude such a compact within a 60-day period. In determining in such an action whether a State has negotiated in good faith, the court--

(I) may take into account the public interest, public safety, criminality, financial integrity, and adverse economic impacts on existing gaming activities, and

(II) shall consider any demand by the State for direct taxation of the Indian tribe or of any Indian lands as evidence that the State has not negotiated in good faith.

(iv) If a State and an Indian tribe fail to conclude a Tribal-State compact governing the conduct of gaming activities on the Indian lands subject to the jurisdiction of such Indian tribe within the 60-day period provided in the order of a court issued under clause (iii), the Indian tribe and the State shall each submit to a mediator appointed by the court a proposed compact that represents their last best offer for a compact. The mediator shall select from the two proposed compacts the one which best comports with the terms of this chapter and any other applicable Federal law and with the findings and order of the court.

(v) The mediator appointed by the court under clause (iv) shall submit to the State and the Indian tribe the compact selected by the mediator under clause (iv).

(vi) If a State consents to a proposed compact during the 60-day period beginning on the date on which the proposed compact is submitted by the mediator to the State under clause (v), the proposed compact shall be treated as a Tribal-State compact entered into under paragraph (3).

(vii) If the State does not consent during the 60-day period described in clause (vi) to a proposed compact submitted by a mediator under clause (v), the mediator shall notify the Secretary and the Secretary shall prescribe, in consultation with the Indian tribe, procedures--

(I) which are consistent with the proposed compact selected by the mediator under clause (iv), the provisions of this chapter, and the relevant provisions of the laws of the State, and

(II) under which class III gaming may be conducted on the Indian lands over which the Indian tribe has jurisdiction.

(8) (A) The Secretary is authorized to approve any Tribal-State compact entered into between an Indian tribe and a State governing gaming on Indian lands of such Indian tribe.

(B) The Secretary may disapprove a compact described in subparagraph (A) only if such compact violates--

(i) any provision of this chapter,

(ii) any other provision of Federal law that does not relate to jurisdiction over gaming on Indian lands, or

(iii) the trust obligations of the United States to Indians.

(C) If the Secretary does not approve or disapprove a compact described in subparagraph (A) before the date that is 45 days after the date on which the compact is submitted to the Secretary for approval, the compact shall be considered to have been approved by the Secretary, but only to the extent the compact is consistent with the provisions of this chapter.

(D) The Secretary shall publish in the Federal Register notice of any Tribal-State compact that is approved, or considered to have been approved, under this paragraph.

(9) An Indian tribe may enter into a management contract for the operation of a class III gaming activity if such contract has been submitted to, and approved by, the Chairman. The Chairman's review and approval of such contract shall be governed by the provisions of subsections (b), (c), (d), (f), (g), and (h) of section 2711 of this title.

(e) Approval of ordinances

For purposes of this section, by not later than the date that is 90 days after the date on which any tribal gaming ordinance or resolution is submitted to the Chairman, the Chairman

shall approve such ordinance or resolution if it meets the requirements of this section. Any such ordinance or resolution not acted upon at the end of that 90-day period shall be considered to have been approved by the Chairman, but only to the extent such ordinance or resolution is consistent with the provisions of this chapter.

## **§ 2711. Management contracts**

### **(a) Class II gaming activity; information on operators**

(1) Subject to the approval of the Chairman, an Indian tribe may enter into a management contract for the operation and management of a class II gaming activity that the Indian tribe may engage in under section 2710(b)(1) of this title, but, before approving such contract, the Chairman shall require and obtain the following information:

(A) the name, address, and other additional pertinent background information on each person or entity (including individuals comprising such entity) having a direct financial interest in, or management responsibility for, such contract, and, in the case of a corporation, those individuals who serve on the board of directors of such corporation and each of its stockholders who hold (directly or indirectly) 10 percent or more of its issued and outstanding stock;

(B) a description of any previous experience that each person listed pursuant to subparagraph (A) has had with other gaming contracts with Indian tribes or with the gaming industry generally, including specifically the name and address of any licensing or regulatory agency with which such person has had a contract relating to gaming; and

(C) a complete financial statement of each person listed pursuant to subparagraph (A).

(2) Any person listed pursuant to paragraph (1)(A) shall be required to respond to such written or oral questions that the Chairman may propound in accordance with his responsibilities under this section.

(3) For purposes of this chapter, any reference to the management contract described in paragraph (1) shall be considered to include all collateral agreements to such contract that relate to the gaming activity.

### **(b) Approval**

The Chairman may approve any management contract entered into pursuant to this section only if he determines that it provides at least--

(1) for adequate accounting procedures that are maintained, and for verifiable financial reports that are prepared, by or for the tribal governing body on a monthly basis;

(2) for access to the daily operations of the gaming to appropriate tribal officials who shall also have a right to verify the daily gross revenues and income made from any such tribal gaming activity;

(3) for a minimum guaranteed payment to the Indian tribe that has preference over the retirement of development and construction costs;

(4) for an agreed ceiling for the repayment of development and construction costs;

(5) for a contract term not to exceed five years, except that, upon the request of an Indian tribe, the Chairman may authorize a contract term that exceeds five years but does not exceed seven years if the Chairman is satisfied that the capital investment required, and the income projections, for the particular gaming activity require the additional time; and

(6) for grounds and mechanisms for terminating such contract, but actual contract termination shall not require the approval of the Commission.

(c) Fee based on percentage of net revenues

(1) The Chairman may approve a management contract providing for a fee based upon a percentage of the net revenues of a tribal gaming activity if the Chairman determines that such percentage fee is reasonable in light of surrounding circumstances. Except as otherwise provided in this subsection, such fee shall not exceed 30 percent of the net revenues.

(2) Upon the request of an Indian tribe, the Chairman may approve a management contract providing for a fee based upon a percentage of the net revenues of a tribal gaming activity that exceeds 30 percent but not 40 percent of the net revenues if the Chairman is satisfied that the capital investment required, and income projections, for such tribal gaming activity require the additional fee requested by the Indian tribe.

(d) Period for approval; extension

By no later than the date that is 180 days after the date on which a management contract is submitted to the Chairman for approval, the Chairman shall approve or disapprove such contract on its merits. The Chairman may extend the 180-day period by not more than 90 days if the Chairman notifies the Indian tribe in writing of the reason for the extension. The Indian tribe may bring an action in a United States district court to compel action by the Chairman if a contract has not been approved or disapproved within the period required by this subsection.

(e) Disapproval

The Chairman shall not approve any contract if the Chairman determines that--

(2) the management contractor has, or has attempted to, unduly interfere or influence for its gain or advantage any decision or process of tribal government relating to the gaming activity;

(4) a trustee, exercising the skill and diligence that a trustee is commonly held to, would not approve the contract.

(f) Modification or voiding

The Chairman, after notice and hearing, shall have the authority to require appropriate contract modifications or may void any contract if he subsequently determines that any of the provisions of this section have been violated.

(g) Interest in land

No management contract for the operation and management of a gaming activity regulated by this chapter shall transfer or, in any other manner, convey any interest in land or other real property, unless specific statutory authority exists and unless clearly specified in writing in said contract.

(1) By no later than the date that is 90 days after the date on which an ordinance or resolution authorizing class II gaming or class III gaming is submitted to the Chairman pursuant to subsection (a), the Chairman shall review such ordinance or resolution to determine if it conforms to the requirements of section 2710(b) of this title.

(2) If the Chairman determines that an ordinance or resolution submitted under subsection (a) conforms to the requirements of section 2710(b) of this title, the Chairman shall approve it.

(3) If the Chairman determines that an ordinance or resolution submitted under subsection (a) does not conform to the requirements of section 2710(b) of this title, the Chairman shall provide written notification of necessary modifications to the Indian tribe which shall have not more than 120 days to bring such ordinance or resolution into compliance.

(2) The Commission shall, by regulation, provide an opportunity for an appeal and hearing before the Commission on fines levied and collected by the Chairman.

(3) Whenever the Commission has reason to believe that the tribal operator of an Indian game or a management contractor is engaged in activities regulated by this chapter, by regulations prescribed under this chapter, or by tribal regulations, ordinances, or resolutions, approved under section 2710 or 2712 of this title, that may result in the imposition of a fine under subsection (a)(1), the permanent closure of such game, or the modification or termination of any management contract, the Commission shall provide such tribal operator or management contractor with a written complaint stating the acts or omissions which form the basis for such belief and the action or choice of action being considered by the Commission. The allegation shall be set forth in common and concise language and must specify the statutory or regulatory provisions alleged to have been

Witnesses so summoned shall be paid the same fees and mileage that are paid witnesses in the courts of the United States.

(b) Geographical location

The attendance of witnesses and the production of books, papers, and documents, may be required from any place in the United States at any designated place of hearing. The Commission may request the Secretary to request the Attorney General to bring an action to enforce any subpoena under this section.
