

HAVE A CONDITION ON YOUR LICENSE?

Follow the condition instructions on your license

The California Gambling Control Commission will send you a letter detailing the conditions on your license.

Double check your license condition to confirm who to send information to: the Commission or the Department of Justice, Bureau of Gambling Control.

Be mindful of reporting deadlines: do not wait until the last minute to gather and send information.

The Commissioners will take condition compliance into consideration when you apply to renew your license.

For information about your license condition, contact the Bureau of Gambling Control at BGCconditions@doj.ca.gov.
