Existing Conditions to be removed:

3. *The temporary initial license takes effect on the date that the Commission approves the request and expires September 30, 2014. If more time is needed to complete the background process, then the temporary state gambling license can be extended for an appropriate amount of time after consultation with the Bureau.*

Commission Meeting Minutes of September 24, 2014

5. Issuance of this temporary license does not in any way change the legal requirement that the applicant bears the burden of establishing that he/she is suitable pursuant to Business and Professions (B&P) Code section 19856(a) for a regular license.
6. Issuance of this temporary license does not change the license qualification requirements of the Gambling Control Act, including but not limited to B&P Code sections 19856, 19857, 19858, and 19859.
7. The applicant has pending applications for regular state gambling licenses. A regular license may or may not be issued, depending upon the results of the complete background investigation and upon the conduct of the applicant and its employees during the term of the temporary license.
8. If, during the term of the temporary license, the Executive Director determines that any particular applicant is disqualified for any of the reasons set forth in B&P Code section 19859, the Executive Director shall prepare an order to show cause why that applicant's temporary license should not be cancelled, which shall be considered at the first available noticed Commission meeting. The applicant may address the Commission by way of an oral statement at the noticed Commission meeting and/or may submit documents in support of the temporary licensure not less than five days prior to the meeting. The applicant may request an evidentiary hearing either in writing not less than five days prior to the meeting or at the meeting itself.
9. If, during the term of the temporary license, the Executive Director determines that any particular applicant may have violated one or more of the conditions under which the temporary license was issued, the Executive Director shall prepare an order to show cause why that applicant's temporary license should not be cancelled, which shall be considered at the first available noticed Commission meeting. The applicant may address the Commission by way of an oral statement at the noticed Commission meeting and/or may submit documents in support of the temporary licensure not less than five days prior to the meeting. Either in writing not less than five days prior to the meeting or at the meeting itself, the applicant may request an evidentiary hearing.
