Keith Sharp, Designated Agent
Yolanda Morrow, Assistant Bureau Chief, Bureau of Gambling Control
Tony York, Audit and Compact and Compliance Section, Bureau of Gambling Control

Tony York, from the Audit and Compact Compliance Section of the Bureau stated that he and his colleague checked the bad debt of the cardroom and received a list of the people who are connected with the cardroom and have a line of credit. They then reviewed the list to research if they were in compliance of the local ordinance. After their review, they concluded that they were in compliance. Mr. York also stated that if a person with a line of credit defaults, the cardroom would then not issue any more credit for 90-days, unless they pay off the debt in full. Commissioner LaBrie asked Mr. York about the three individuals that did not pay their debt. Mr. York stated that the three individuals left town without paying their debt which was between 60 and 80 thousand dollars.

Designated Agent Keith Sharp stated that there are no regulations that prohibit extending a line of credit to owners. The local ordinance does allow for this line of

Commission Meeting Minutes of February 23, 2017

credit for gambling patrons as well. Mr. Sharp stated that he spoke to the owners of Marina Club and they said that the debt is largely older money and the Calamias put a prohibition on this debt. If the Commission wants to freeze the line of credit the Calamias would not have an issue with it.

Commissioner Hammond made a motion to approve the initial state gambling license with the condition that there is a freeze on the line of credit to owners and employees until the debt is paid and that the Commission receives updates.

After further discussion, Commissioner Hammond withdrew her motion, and made and submitted a new motion to approve the initial state gambling license with the condition that there is a freeze on the line of credit to owners, family and staff above a \$10,000 threshold and a report to the Bureau on the debt every 90 days. The Chairman asked the Bureau if they were ok with the condition and Assistant Bureau Chief Morrow responded that they were comfortable with the condition.
