

Chairman Evans asked the Bureau when they received applications for licensure from the applicants.

Assistant Director Morrow responded the Bureau received applications in June 2015, and the Management Services Agreement was signed in 2014. Assistant Director Morrow provided a brief history with regard to Randy Watkins' involvement in the day-to-day operations and confirmed Mr. Watkins was not listed as an owner when the Bureau received applications for Golden Pacific Management Group, LLC.

Chairman Evans asked if the Bureau, based on their recommendation, is contending that the two owners of Golden Pacific Management Group, LLC were operating the cardroom before June 2015.

Assistant Director Morrow responded that the company, Golden Pacific Management Group, LLC, was involved in the operations prior to submitting applications to the Bureau.

Chairman Evans asked the Bureau to clarify if it was the company or the applicants that were involved in the operations.

Assistant Director Morrow stated she doesn't know if the Bureau has confirmed if Ms. Do or Ms. Nguyen were found inside the cardroom; however, the Bureau confirmed Mr. Watkins, a member of the company at that time, was found operating the cardroom.

Chairman Evans stated he was confused because Mr. Watkins' application is not being considered at this time.

Assistant Director Morrow responded that the documentation submitted to the Bureau did indicate that they were all operating the cardroom and for some time. Further, Assistant Director Morrow stated the Bureau confirmed witnessing Mr. Watkins; however, she did not believe the Bureau witnessed Ms. Do or Ms. Nguyen inside the cardroom.

Deputy Director Alcalá-Beshara stated Ms. Do and Ms. Nguyen were on the signed attachment provided for the Commissioners (Management Services Agreement). Deputy Director Alcalá-Beshara further noted what appeared to be an ambiguity in the agreement as to when the close of escrow would be, which would determine the commencement of services under the contract.

Chairman Evans stated these factors require further questioning and it would be helpful to hear from witnesses about exactly who was running what, and to what degree the two applicants were involved.
