SUBJECT: Revenue Sharing Trust Fund Report of Distribution of Funds to Non-Compact Tribes (Eligible Recipient Indian Tribes) for the Quarter Ended December 31, 2005

ISSUE: *Can the Gambling Control Commission (Commission) make a current quarterly distribution from the Indian Gaming Revenue Sharing Trust Fund (RSTF) to each eligible recipient Indian Tribe for the quarter ended December 31, 2005?*

The Commission, as administrator for the RSTF, is required to make quarterly distributions from the RSTF in accordance with the Tribal-State Gaming Compacts (Compacts) Sections 4.3.2.1 (a) and (b) and Government Code (GC) Section 12012.90 (e)(2).

The RSTF serves as the depository for payments made by Tribes that acquire and maintain gaming device licenses and interest income earned by the RSTF. The process for allocating licenses and the awarding thereof by the administrator is outlined in Section 4.3.2.2. This Section also specifies the amounts that shall be paid for license fees. Additionally, the RSTF receives transfers of funds from the Indian Gaming Special Distribution Fund (SDF) for any shortfalls in payments from the RSTF. These shortfall transfers are made in order to provide each eligible recipient Indian tribe with a total of \$275,000 for each quarter of eligibility up to a maximum of \$1.1 million per fiscal year.

To date, the Commission has approved the distribution of approximately \$154.53 million in license fees, payments, and interest income from the RSTF covering twenty-one fiscal quarters from July 1, 2000 through September 30, 2005. The current distribution being proposed will make a distribution of the actual amount of license fees received and interest income that may have been deposited in the RSTF within the quarter ended December 31, 2005, and the ratable portion of the current fiscal year SDF transfer of quarterly RSTF shortfall amounts.

As shown in Exhibit 1, all eligible tribes will be receiving \$100,786.04 from license fees and interest income with this distribution for the quarter ended December 31, 2005. Total license fees of approximately \$6.95 million and interest earned of \$97,435.45 for the quarterly period ended December 31, 2005, and deposited in October 2005 into the RSTF for the quarter ended December 31, 2005, amounted to approximately \$7.05 million. A portion of the interest earned is allocated to previously approved distributions held in abeyance in the RSTF on behalf of one (1) tribe in the amount of \$274.44. Approved distributions will be held only in the event there is no existing tribal chairperson or representative with whom the BIA conducts government-to-government relations, or there is some other unusual situation which calls into question the Commission's ability to distribute funds to the tribe or otherwise carry out its obligation pursuant to Section 4.3.2.1 (b). The remaining receipts are equally distributed to the seventy (70) tribes listed in Exhibit 1 as eligible Non-Compact recipient tribes (pending receipt of outstanding

eligibility certification forms, if any). Thus, the equal share distribution amount per tribe for this quarter is as noted above.

In addition to the amount presented in Exhibit 1 of this report each of the seventy (70) eligible recipient Indian tribes will be receiving \$174,213.96 in quarterly RSTF shortfall funds for the quarter ended December 31, 2005, that have been transferred into the RSTF from the SDF. As shown in Exhibit 4, the quarterly amount of the shortfall in payments to all eligible recipient Indian tribes for the quarter ended December 31, 2005, totals \$12,194,977.20.

At the end of the calendar quarter for distribution and as of the close of business on December 31, 2005, the amount of outstanding license fee payments due into the RSTF was approximately \$2.14 million. If the total license fee payments due at the end of this quarter had been paid into the RSTF, recipient tribes would have received \$30,642.36 in moneys with this quarter's distribution in lieu of SDF transferred shortfall funds. The Commission makes quarterly distributions on a cash basis based on the amount of available funds in the RSTF for each quarter. Total outstanding and due license fee payments for the quarter ended December 31, 2005, are summarized in Table 1 below:

Table 1		
Indian Gaming Revenue Sharing Trust Fund License Fee Payment Aging Schedule as of December 31, 2005		
Quarter(s) in Arrears	Number of Tribes	Amount of License Fees Due
Less than 1	0	\$0.00
1	8	2,132,400.00
2	4	12,565.49
Totals	12	\$2,144,965.49

Table 1 shows the number of tribes that are in arrears and the amount due in accordance with the terms of the original 1999 Compacts. The amount due includes an estimate of prorated fees for partial quarterly amounts. Compact Section 4.3.2.3 provides that a tribe shall not conduct any gaming activity authorized by the Compact if the tribe is more than two quarterly contributions in arrears in its license fee payments into the RSTF.

Effective September 2, 2004, five (5) Compacts of 1999 were amended related to fees due to the RSTF from the tribes that amended their Compacts. These fees are to maintain the existing gaming device licenses that are held by each of these tribes. Amended Compact Section 4.3.2.2 provides that the tribes shall deposit fees within 30 days of the end of the each calendar quarter.

The Commission, as administrator, sends out quarterly invoices for the payment of license fees near the beginning of each quarter. Additionally, the Commission follows standard collection practices, which includes noticing those of past due amounts, and has initiating procedures if action is needed under the provisions of Compact Section 4.3.2.3 noted above.

The distribution amounts for each tribe that are presented in the attached report are subject to audit and subsequent verification of eligibility by the Commission. In accordance with the Commission's methodology for determining a Non-Compact Tribe, it is also being recommended that this distribution be on a conditional basis pending receipt of certification of the maximum number of gaming devices operated during the quarter by each tribe that is required to submit a completed certification form. Tribes that are required to complete the certification form are those tribes that entered into Compacts with the State of California and

have operated less than three hundred-fifty gaming devices during the entire quarter for this distribution.

Pursuant to Item 0855-101-0366 of the Budget Act of 2005, \$96.5 million was appropriated for distribution to Non-Compact Tribes. Of this amount, \$50.5 million is from a transfer from the SDF to the RSTF pursuant to Item 0855-111-0367 and the balance of \$46.0 million provides for the regular quarterly distributions required by the Compacts. Per Provision 3 of Item 0855-101-0366, the first four items of the following information is requested according to control language as part of any request to augment Item 0855-101-0366. Additionally, GC Section 12012.90(e)(5) requires some of the information below to be provided, as well as the amount necessary to backfill from the SDF to the RSTF any shortfall in order for each eligible recipient tribe to receive a total of \$275,000 per fiscal quarter.

1. The Methodology for Determining a Non-Compact Tribe

Per Section 4.3.2(a)(i) of the Compact, the term “Compact Tribe” and “Non-Compact Tribe” is defined as:

A “Compact Tribe” is a tribe having a compact with the State that authorizes the Gaming Activities authorized by this Compact. Federally-recognized tribes that are operating fewer than 350 Gaming Devices are “Non-Compact Tribes.” Non-Compact Tribes shall be deemed third party beneficiaries of this and other compacts identical in all material respects. A Compact Tribe that becomes a Non-Compact Tribe may not thereafter return to the status of a Compact Tribe for a period of two years becoming a Non-Compact Tribe (sic).

For this distribution from the RSTF, the Commission used the following procedures as the methodology for determining if a tribe is a Non-Compact Tribe:

- A. Identify all tribes in the State of California that are Federally-recognized based on information obtained from the U. S. Department of Interior, Bureau of Indian Affairs, and a legal opinion received from the State Attorney General's Office.
- B. Request that each Non-Compact Tribe that entered into Compacts with the State that is to receive a distribution certify the maximum number of gaming devices operated during the quarter by completing and filing a Tribal-State Compact Gaming Device Certification Form (CGCC-C2005.02). Receive this form from each eligible tribe in accordance with the streamlined verification procedure implemented by the Commission. This form was mailed to Tribes for completion and filing and is also available on the Commission's website at www.cgcc.ca.gov.
- C. Classify all tribes identified in step A based on the information obtained in step B as either: 1) Compact Tribes operating 350 or more gaming devices, 2) Non-Compact Tribes as defined by the Compact, 3) non-compacted gaming tribes, or a combination of classification 1) and 3).
- D. Classify all Non-Compact Tribes identified in part 2) of step C as eligible Non-Compact non-gaming tribes and Non-Compact gaming tribes that have submitted the requested certification form to the Commission if required.
- E. Prepare a list of Non-Compact Tribes based on the most recent information reported to the Commission.

2. A list of the Non-Compact Tribes Identified Based on the Commission's Methodology

A list of all Non-Compact Tribes as identified by the methodology identified in item 1 above is attached as Exhibit 1.

3. A Fund Condition Report Including the Amount of Revenue Received From Each Compact Tribe

A fund condition statement for the RSTF through December 31, 2005, for the fiscal year 2005-06 is attached as Exhibit 2. A listing of the amount of revenue from each Compact Tribe received by the Commission is attached as Exhibit 3.

4. The Amount of Funds to be Distributed to Each Non-Compact Tribe

The amount of funds to be distributed to each Non-Compact Tribe is listed in Exhibit 1 that is attached. The recommended distribution to each tribe listed in Exhibit 1 is subject to verification of eligibility and receipt of a Tribal-State Compact Gaming Device Certification Form (CGCC-C2005.02), if required.

5. The Amount of Shortfall in RSTF Quarterly Receipts Backfilled from the SDF to the RSTF

The amount of funds to be distributed to ensure that each eligible recipient Indian tribe receives \$275,000 for the fiscal quarter is listed in Exhibit 4 that is attached.

RECOMMENDATION: *It is recommended that:*

1) the Commission approve distribution of the current full quarterly amount of approximately \$7.05 million of all payments made by tribes and any interest income received by the RSTF during the most recent quarter ended December 31, 2005, to the listed tribes that are determined to be eligible Non-Compact Tribes in accordance with the Commission's identified methodology for determining a Non-Compact Tribe as shown in Exhibit 1 attached to this report, and any interest accrued for previously approved distributions held in abeyance in the RSTF but not immediately disbursed,

2) the Commission approve the amounts of the shortfall shown in Exhibit 4 determined pursuant to the stipulations prescribed in Government Code Section 12012.90,

3) approval of distributions shall be made on a conditional basis subject to receipt of any required eligibility certification of the maximum number of gaming devices operated during the quarter by each tribe that is required to submit a completed certification form, and

4) the Commission voluntarily provide a copy of this report to the Legislature for informational purposes even though no augmentation is being requested with this distribution and no reporting of this information to the Legislature is presently required.

If a tribe is subsequently determined to be a "Compact Tribe" by definition of the Compact, and is therefore not eligible for future distributions, any overpayments that may be made are subject to refund by a tribe(s) to the Commission. The above distributions are being recommended for distribution on a conditional basis and are subject to verification of eligibility. Distributions will only be made after receipt of a Tribal-State Compact Gaming Device Certification Form (CGCC-C2005.02) that indicates eligibility in accordance with the terms of the Compact.
