This is to invite you to a workshop concerning the Third-Party Providers of Proposition Player Services (TPPPS) and Gambling Business regulations. The staff of the California Gambling Control Commission (Commission) would like to meet with the Third-Party Provider industry, cardroom industry, Tribal interests, and the Bureau of Gambling Control to discuss areas of concern and suggestions for changes and improvement in the current regulatory structure, specifically in the areas of TPPPS contract requirements and accounting and financial reporting requirements.

This workshop has been scheduled as follows:

Tuesday, August 27, 2013, 10:00 a.m.
Department of Consumer Affairs
First Floor Hearing Room
1625 North Market Boulevard, Room S-102
Sacramento, CA 95834

To help guide the discussion, the enclosed agenda and issue chart list the areas of the existing regulations that will be discussed. Meeting notes from the June 19, 2013 roundtable discussion are posted on the Commission's Web site at:
