Mr. Serna confirmed the warrant is inactive.

Assistant Director Morrow confirmed the warrant showed inactive as of June 10, 2020.

Commissioner LaBrie asked the Bureau if that changed their recommendation of denial.

Assistant Director Morrow responded that it doesn't change the Bureau's recommendation because they have allowed Mr. Serna plenty of time to clear the

warrant, going back to October 2019. Assistant Director Morrow further stated the Bureau is supportive of the Commission approving the application as well.

Chairman Evans requested confirmation from Mr. Serna whether he understood and would comply with the proposed condition.

Mr. Serna confirmed his understanding, and assent to the condition listed in the report.

B. Zhaokun Yu

Comments Received From:

Harry Wang Interpreter, via telephone

Zhaokun Yu, via telephone

Yolanda Morrow, Assistant Director, Bureau of Gambling Control, via video

Once the interpreter verified he was on the line, Deputy Director Olivarez read the item for the record, and the interpreter translated the item to Mr. Yu.

Commissioner To asked Mr. Yu if he understood English.

Mr. Yu responded directly to the Commission stating that English is his second language. Mr. Yu further noted he understands enough English to provide customer service in the cardroom.

Commissioner To stated while being a Commissioner for the last five years, he has seen numerous cases where applicants are not forthcoming in submitting requested information to the Bureau.

Commissioner To noted he understands this is an unprecedented time due to the COVID-19 pandemic, and it has been difficult for communication, but believes we all have a job to do. Commissioner To then stated that both the Bureau and

Commission have been very patient; however, he wanted to remind Mr. Yu and future applicants to adhere and follow the rules as indicated. By doing so, it makes everyone's job a lot easier and streamlines the process so the Commission does not have to table the item to be heard at a future Commission Meeting.

Commissioner To further encouraged future applicants, as well as Mr. Yu, to follow the rules and submit information to the Bureau in a timely manner, so they can do their job. Commissioner To then stated he appreciates and respects the Bureau's patience and stance regarding their recommendation.

Chairman reiterated that when the Bureau of Gambling Control asks for information to please provide the information requested in a timely fashion in the future.

Commissioner LaBrie and Chairman Evans agreed with Commissioner To's comments.

Commissioner Lacy stated at the last meeting they allowed Mr. Yu to submit the requested information and confirmed Mr. Yu did provide the information. Commissioner Lacy further noted that if Mr. Yu had submitted his information on time, the Bureau would not have recommended denial.

Chairman Evans asked Mr. Yu what took so long to submit his paperwork.

Mr. Yu (via the interpreter) stated when he received the request for information in the mail, it was past the due date and confirmed he did not understand the questions. He then asked for help from his manager, which took a long time.

Assistant Director Morrow stated the Bureau is not changing their recommendation due to the number of times they requested, and Mr. Yu did not provide the information. However, Assistant Director Morrow noted the Bureau is fine with the Commission approving Mr. Yu's license. Assistant Director Morrow further noted if Mr. Yu would have given the Bureau the information in the first place, the Bureau would have likely recommended approval.

Comments Received By:

Todd Vlaanderen, Chief Counsel, Gambling Control Commission, via video

Jarhett Blonien, Designated Agent, Lucky Chances, via video

Bill Torngren, Litigation Counsel for the Gambling Control Commission, via video

Chief Counsel Vlaanderen presented the item and stated as a result of a settlement agreement in litigation, in which Lucky Chances Casino is not a party, Commission staff proposed modifications to the existing Condition One on the State Gambling License for Lucky Chances Casino.

While not a party to the litigation, Lucky Chances Casino has already consented to the modified Condition One as part of the litigation settlement process.

Option One would modify Condition One as outlined in your Attachment One and would incorporate all three series of the conditions into a single modified Condition One.

Option Two would modify Condition One as outlined in your Attachment Two and would modify Condition One to include only the conditions contained in the first step of the settlement agreement.

Commissioner Lacy stated he is inclined to approve Option One but wanted to hear from both parties to see if they had a preference.

Mr. Blonien confirmed he was supportive of either option and noted he thought Commissioner Lacy was correct, that Option One would be the smoothest alternative.

Mr. Torngren stated the Bureau is amenable to either option as well. Mr. Torngren then stated he was agreeable with Option One particularly after Mr. Vlaanderen put Option One together to cover the time period.

Chairman Evans thanked both parties for attending and their hard work.

Action:

Lucky Chances shall provide the Bureau each quarter*

with a declaration signed under penalty of perjury of compliance with this subpart.

For a period of 30 months following the latter of January 31, 2021, or six months following the date that Lucky Chances reopens from the COVID-19 closure, the licensees shall prohibit Rene Medina from entering, being present in, or in any way patronizing any areas on Lucky Chances' property (1) not usually available or accessible to the public, (2) in which gambling or controlled games in any form are offered or provided, (3) in which gambling operations or management occurs, or (4) in which activities directly related to the operation or management of Lucky Chances occurs. The prohibited areas include, without limitation, Lucky Chances' second floor, any areas dedicated to, or primarily engaged in, accounting, human relations, and management, the cage, the count room, surveillance facilities, and employee break rooms. The licensees may permit Rene Medina on Lucky Chances' property as follows:

- a) The licensees may permit Rene Medina on Lucky Chances' property to enter, to be present, or to patronize Lucky Chances' other public areas including Café Colma, Rene's Fine Dining, restrooms, the Gift Shop, parking lot, and entrances and passages to and from Café Colma and Rene's Fine Dining. The licensees shall advise Rene Medina that he may not loiter in or near the foyer and fish tank area adjacent to the area in which gambling is conducted. The term "loiter" means: to stand or spend time for no apparent reason; to linger idly by the way, to idle. Waiting no longer than ten minutes for a table or standing in line to enter Café Colma, Rene's Fine dining, or the bathroom does not constitute loitering.*
- b) Rene Medina will sign in and sign out when he enters and leaves Lucky Chances' property on a Sign Out Sheet form provided by the licensees. The licensees shall maintain, and keep secure, the original completed Sign Out Sheets for no less than two years. The licensees shall provide the Sign Out Sheets to the Bureau upon request.*
- c) Monthly, Lucky Chances shall report in writing to the Bureau: (1) the dates and inclusive times Rene Medina was on the property; and (2) the identities of any key employees of Lucky Chances who were on duty at the time Rene Medina was on the property.*
- d) Lucky Chances shall review and maintain surveillance video that is sufficient to show Rene Medina's ingress to and egress from Café Colma, Rene's Fine Dining, or the Gift Shop and his activities in the public areas. Lucky Chances shall maintain the video for no less than*

28 days following the monthly report to the Bureau. Lucky Chances shall provide the video to the Bureau upon request.

- e) Lucky Chances shall not provide a surveillance feed or access to surveillance information to Rene Medina.*
- f) The licensees of Lucky Chances shall instruct in writing the employees of Lucky Chances to report to a licensee, or a key employee on duty, if the employee believes or determines that Rene Medina is or was involved, directly or indirectly, with the gambling operations, management, or ownership of Lucky Chances or its third-party provider. If the licensees of Lucky Chances receive such a report or if a licensee determines that during his access to the property, Rene Medina is or was involved, directly or indirectly, with the gambling operations, management, or ownership of Lucky Chances or its third-party provider or that Rene Medina violated any condition for his access to the property as provided in this Condition 1, the licensees shall remove him from Lucky Chances' property pursuant to Business and Professions Code section 19845. The licensees shall submit a written report to the Commission and the Bureau setting forth all facts upon which an employee report was made, the licensees' investigation, if any, and the basis for the licensees removing Rene Medina.*
- g) Lucky Chances shall give written notice to its employees and the third-party provider of each provision of this Condition One relating to permitting Rene Medina's entry on, presence in, or patronizing any area of Lucky Chances property, as well as the reporting and monitoring requirements. Lucky Chances shall provide the Bureau annually with a declaration signed under penalty of perjury of compliance with this subpart.*

Upon completion of 30 months following the latter of January 31, 2021, or six months following the date that Lucky Chances reopens from the COVID-19 closure, the licensees shall prohibit Rene Medina from entering, being present in, or in any way patronizing any areas on Lucky Chances' property (1) not usually available or accessible to the public, (2) in which gambling or controlled games in any form are offered or provided, (3) in which gambling operations or management occurs, or (4) in which activities directly related to the operation or management of Lucky Chances occurs.

Comments Received From:

Todd Vlaanderen, Chief Counsel, Gambling Control Commission, via video
Jarhett Blonien, Designated Agent, via telephone
Dolores Olivarez, Deputy Director Licensing, Gambling Control Commission, via video

Chief Counsel Vlaanderen stated the Commission is involved in litigation that has some factual overlap with this particular applicant; and recused himself from participating in this matter. Chief Counsel Vlaanderen asked the technical support moderator to take him out of the meeting until the item concluded; and advised in his place Attorney Katherine Patterson would be available.

Commissioner LaBrie thanked Mr. Blonien for his letter regarding Licensing staff's proposed conditions and stated it was a little unclear why he concluded that condition three was not in accord with the settlement agreement and asked Mr. Blonien to elaborate.

Mr. Blonien responded he unfortunately did not have the letter in front of him. However, Mr. Blonien subsequently confirmed he located the letter and admitted the comment with regard to condition three being a violation to the settlement agreement was a mistake on his end.

Mr. Blonien stated that Option Two would be preferable to his client but confirmed Option Three was a good middle ground. Mr. Blonien stated his main concern is making the conditions consistent with the settlement agreement; and he believes Option One does that at a minimum.

Commissioner LaBrie expressed that Option One and Option Two were similar except for condition three, which is more burdensome on Fortune Players' staff as written in Option One. Commissioner LaBrie went on to state it seemed like Option One is acceptable with Mr. Blonien with the exception of condition three.

Mr. Blonien stated the language in Option One, condition one, regarding the property was a little awkward but he understands what it means. Mr. Blonien went on to state that in condition three, the 30-minute time limit is a little strict. Mr. Blonien, further noted it would be nice to have a little more time allowed should an employee need to make the referenced call.

Commissioner Lacy asked what the time limit is on the Lucky Chances Casino's State Gambling License, for consistency and efficiency, to verify if the reporting requirement was the same.

Deputy Director Olivarez stated the 30-minute time limit is consistent with condition four currently on Lucky Chances Casino's State Gambling License.

Chairman Evans asked Mr. Blonien if he is okay with Option One if the Commission deemed to go that way.

Mr. Blonien responded yes.

Deputy Director Olivarez stated the last time this item was heard, Mr. Blonien requested that condition one mirror the first condition on Lucky Chances Casino's State Gambling License. Deputy Director Olivarez further noted it was only upon submission of Mr. Blonien's letter that amendments to other conditions were addressed.

Commissioner LaBrie stated she is very satisfied to hear Mr. Blonien state he is not suggesting that condition three is a violation of the settlement agreement; and that she is agreeable with any of the three options.

Chairman Evans stated that he thought the Commission should try to make the conditions consistent with Lucky Chances Casino and he is supportive of Option One, which is the staff recommendation.
